POPE STRESSES DUTY OF MARRIED PEOPLE

Vatican City.—The grave responsibility of husband and wife with regard to the bearing of children was emphasized by Pope Pius XII in a discourse he delivered to a group of newly-married couples whom he received in audience here recently.

"You stand before the Creator as designated preparers of His way," the Pope told the couples, pointing out their responsibility in the transmission of life. "On you will depend whether there come to the threshhold of life souls that infinite love desires to call from nothing to make them one day become His elect in the eternal happiness of heaven, or whether they remain as lights extinguished by the egoism of man."

The power of transmitting life raises the dignity of spouses, but subjects them to the divine law whose severity must not surprise him who, with a detestable sin, deflects life from its high end, the Pontiff added.

DEARBORN PLANS FINE COMMUNION PROGRAM

1-3 Thurs. . . . . 820 Garfield Blvd.

Dearborn's annual pilgrimage to the Shrine of the "Sixty Golden Hours" is now a matter of history. Last week-end Dearborn's group journeyed to the Mayslake retreat house, to partake of that spiritual relaxation so beneficial to the soul. We might add, that one and all are convinced of the peace it brings to the mind and soul in addition to being a most important feature of Catholic Action.

Catholic Action Chairman, Tony Wilhelm, deserves the plaudits of the members for the serious efforts he exhibited in organizing this event. Sincerity is Tony's major virtue and he merits earnest cooperation in return. We congratulate and thank Tony for his fine work and pray that he continues the fulfillment of his office.

ANNUAL COMMUNION

Sunday, May 4, Dearborn will receive communion at the 8:30 Mass at Assumption Church, 60th Street and Marshfield Avenue. Chairman Pat McCarthy, in charge of this event, announces that the members will assemble at 63rd and Marshfield at 8:00 a. m. to march in a body to the church. The band of Frank Hughes American Legion post will lead the procession. After Mass the members will be treated to a delectable breakfast as well as an interesting talk from an honored guest, our own Brother Richard J. Daly, State Senator and Comptroller of Cook County.

The Chairman requests that Ladies of the Auxiliary and wives of the members volunteer their services to arrange details of the breakfast.

BARBECUE

Within a very short time after distribution, returns on the barbecue books commenced to come in. Honors for first book sale goes to D.G.K. Tony Pidone, who is also co-chairman of the committee. Honors, however, for the best return goes to a recently initiated Dearbornite, Frank Anzalone, who sold four books. Others who broke the tape early were Bros. Rev. Michael Sweeney, Hank Laughbauer and Joe Wolf.

This is certainly speedy action and exemplifies the real driving spirit that is Fort Dearborn. Keep it up. By the way, you leaders can always call Fin. Secy. John Feilen for more books.

As a reward for efforts expended in this campaign, each member selling four or more books will receive a ticket to the Victory Dinner at which time Bishop Shell will be presented with the proceeds. Also added inducement is featured whereby the council offers, for each book a member sells, to place his name in a contest for tickets to a Sox Nite game. Thus if you sell five books your name will be placed five times, giving you five chances to win.

DEGREES

Dearborn joined South Section one in the Third degree exemplified last Sunday. Part of the highlights of the degree was that D.D. Ald. J. J. McDermott and Patrick Noonan were honored with classes. It appeared though, that Dearborn stole the show by reason of the sterling performances of four of our candidates: Bros. Frank Anzalone, Charles Reardon, Jim Passe and Joe Tynan. New members of your council deserving your plaudits and recognition are: Bros. Jos. Hunt, James Fahey, Frank Anzalone, Chas. Reardon, Francis Feilen, James Johnston, Harry Kunz, John O'Connell, Jr., James Passe, Joe Tynan and Frank Kulovitz.

MEMBERS AND MEMBERSHIP

BLOOD DONORS: Dearborn's donors are continuing their great work to aid humanity. Last week transfusions were given by Bros. Tom Day, Ed Quinlan and Joe Capicano. Bro. J. B. Kelly made a trip to St. Bernard's for the same purpose but was not needed.

APPLICATIONS: Dearborn is now setting the stage to initiate fifty or more candidates at a degree it will sponsor in June, just prior to the close of the fiscal year. Each member should act at once to aid this drive. Plans are also being formulated to dedicate this degree to the honor of a worthy Dearbornite. There will be no doubt of the successful outcome if each brother will give complete cooperation.

SOFTBALL: Mgr. John Logan has issued the call for all ballplayers to attend opening practice at home field, 57th St. and Shields Ave. on Sunday, April 27th. Contact Bro. Logan for details.

TRAPPERS: $5.00 remains in the treasury due to the absence of Bros. J. Murray, J. Trauscht, Jr., Ed Coughlin, H. McErlane and William McNamara. Special awards were taken by Rev. Fr. Woods, T. Wilhelm, F. Wilhelm, I. Brazill, J. Dore, G.K. Devereaux, S. Ruff, J. Logan and Jack Walsh.

R. I. P.

We regret to announce the death of the infant son of Bro. Dan Lyne. May he rest in peace. We also wish to acknowledge the beautiful letter received from Bro. Rev. Guido expressing the gratitude of the family for Dearborn's thoughtfulness in the recent loss of the father, A. Guido.

TEN PINS

The Indians won two games at last session and maintain their leadership pace. Bradys hold second place, though losing two. The R-Ks gained some valuable ground in winning three. And the Manhattans kept pace by also winning three.

S O S

Dearborn takes great pleasure in announcing the candidacy of P.G.K. Bob DuMais for the office of Delegate to the National Convention. Bob is at present State Blood Donor Chairman and one of the most active knights in the Order.—The attention of the members is called to the second reading of the Revised By-Laws at our next regular meeting, May 1st.—Orchids to the basketball team known as Senator Richard J. Daley's Hamburgs for winning the heavyweight championship in the South End Open Tournament.—Fin. Secy. Feilen urges all brothers to contact him, so as to get their financial affairs in order.

Ridge's Donor Group Warmly Thanked by Woman Now in Health

1-3 Tues. . . . . 8219 S. Halsted St.

At our last regular meeting G. K. Ray Hallstein received and read the following letter:

"Dear Sir:

"Words cannot express my deep gratitude to the blood donors, Mr. Michael Feyerer and Mr. Edward Hyland for the blood transfusions they gave me and which helped to save my life while I was ill at the Holy Cross Hospital. I am well on the way to recovery, thanks to these good men.

"I also wish to thank Mr. James Fahey and Mr. Daniel Corbett, who were held on reserve.

"Mr. King and myself are sincerely thankful for their kindness, as they performed an act of charity which we can never repay. Sincerely,

"MRS. MARY A. KING,
8922 S. Aberdeen St."

Brothers, this letter exemplifies the highest degree of Catholic Action, and G. K. Hallstein makes a final appeal to all brothers who can possibly do so, to be typed at once at Little Company of Mary Hospital any evening 8 to 9 o'clock, without cost or obligation to you.

COUNCIL ACTIVITY

BARBECUE—Three members are already on their second barbecue book, Bros. Fitterer, D. G. K. McGlinn and P. G. K. Kollman. Bro. Fitterer is a new member and is certainly setting a grand example for our older members. Don't forget the underprivileged youth—sell your barbecue book.

COMMUNION SUNDAY May 4, at Sacred Heart Shrine, 117th and Church street, at 8 a. m., G. K. Hallstein looks forward to a large turnout of members with their wives, sweethearts and children. Breakfast will be served in the church hall after mass—bacon and eggs—sounds good. Mike Feyerer has kindly donated the bacon. That's what you get, Mike, for working for a bacon and sausage house. (Glad they didn't want a side of beef.)

BOWLING—At our last meeting Bro. Feyerer made a report on the bowling trip to Indianapolis. There were 13 in the Ridge party and a grand time was had by all, although they did not get in until 6 a. m. Monday morning, due to a slight accident. It seems the engine thought it time to retire, so threw a tire about 10 miles this side of LaFayette, Ind., and according to the train crew, just missed serious consequences going around a curve. If it had been on a straight track it would have jumped the rail.

The No. 1 Ridge team rolled a 2,758 series for an average of 919, which should net them some prize money. Only five more weeks to bowl, with K. & B. Tavern still on top, which seems to be consistent with them. The bowlers' banquet will take place in about six weeks (exact date and place to be announced later).

All members interested in softball, please attend next meeting. A discussion and vote will be taken on entering a team in the K. C. Softball League this year.

Our warden, Mike Mulligan, has been sporting a bad knee at the last two meetings. How come, Mike, signs of spring, been playing marbles with the youngsters on 103rd street?

ST. CYR LISTS SEVERAL MEMBERS IN U. S. ARMY

1-3 Mon. . . . . 1609 N. Halsted St.

Today, your scribe had a number of important items to write about, but none more important, than that concerning some of our boys who have been called to the colors.

The first of our recruits, and one whom you have read about in this column from time to time, is Brother John Lema who has already been promoted to Corporal. John is with the U. S. army air corps, and when he was on furlough a month or so ago, Brother Lema, ever loyal to his friends in St. Cyr Council, dropped in and paid us a visit. He related some of his experiences, in his new way of life, and did not seem any worse off, for the new experience which he is undergoing. An expert marksman, Corporal Lema has already been awarded a number of medals.

Frank Latino, one of the more popular American Eagle boys, was called about a month or so ago. He is now stationed at Fort Eustes, from where he writes to tell all the fellows that he is in excellent physical condition, and that army life thoroughly agrees with him. We of St. Cyr send you our greetings, and ask that you write to us often and if you hear of any other St. Cyr boys who are around your camp, have them get in touch with P.G.K. Anthony Brancato, who is chairman of St. Cyr's roll of honor.

Brother Brancato has also received cards from John Bonsignore, who writes to tell that he is in excellent physical condition, and has an appetite which puts a big dent in the food budget at Camp Custer, Battle Creek, Michigan, where Brother Bonsignore is stationed.

Frank DeLordo, and Frank Apicella, are both at Camp Croft, South Carolina. Frank informs us that there is no Knights of Columbus Chapter in the town adjoining the camp, so a plan is being worked out by the chaplain, whereby a regular chapter will be set up. An excellent idea, it is one which I am sure many other camps will adopt.

All of the boys mentioned are draft age boys. But there is one of St. Cyr's oldtimers, and a man who was sponsored a long time ago by Clarence Wittenmeier, who is also a regular army man. He is Captain George Ludes, who is with the first Company Armored Unit, Second Army Division, at Fort Benning, Georgia. Captain Ludes is one of St. Cyr's famous ballplayers, and one who saw a great deal of activity with St. Cyr Council some years past.

Many more men will be called from time to time. Brother Brancato in charge of getting these names an ing an accurate list of where all t are at. See Brother Brancato, give you the addresses and dr brothers a line or two. Let the that we are thinking of them. Go boys. We'll all be seeing you so

he general membership of the ghts of Columbus of Chicago will ness the weight of their combined on, when, on June 18, the Fourth nual Knights of Columbus Bar- ue in benefit of Bishop Sheil's Un- privileged Youth Fund is finally ed at Riverview Park.

roduct of months of planning and an equal period of promotion by separate councils, the gigantic rity project has become one of the t important Order functions in area, and has, because of the size ts previous attainments as well as the merits of its cause, won na- al acclaim for the local units.

his year's barbecue drive falls in the same period set aside by mmittee of the nation's leading ens to honor Bishop Bernard J. il, founder and national director he Catholic Youth Organization, to whom, for the further spir- l, physical and moral welfare of ly youth, the Knights of Columbus ecue proceeds are donated.

he Bishop Sheil Testimonial Com- ee will publicly acclaim the work ishop Sheil, a dinner on May 15 e Stevens Hotel, and at a "Youth efit Ball" on May 17 at the Inter- onal Amphitheatre. Proceeds both affairs, which will attract y local Knights of Columbus, will onated to the Bishop's "Needy h Fund."

d what a mob of young hellions odlums he accepted among his starters! Plenty of those kids were tougher than 20-cent steaks, and wound up in court. The start of the CYO had rough going. Then it began to dawn on people that Bennie Sheil was fronting for kids that others had kicked around and given up.

"The sport page publicity," Mr. Griffis continues, "of the CYO kids was considered, in some circles, as being of questionable ecclesiastic value. It took some time to get across the idea that the banging around the kids gave each other in CYO gyms was merely an outlet for the play instinct and a prelude to healthy road-work instead of that done ahead of pursuing constabulary.

Makes Work 50-50 Deal

"Ten years is a long time to a kid, but only a flash to an adult. In that stretch of time the bewildered youngsters Sheil took under his care got their bearings. It was prayed, pounded or explained into the heads of these kids that they were responsible for Sheil; that the deal was 50-50.

"So now the man who was merely another young priest working to get kids a better break in this world, so they might have a better chance in the next one, blinks at finding himself spotlighted. Neatly he twists the spotlight on the need of money to help more kids to get more out of their lives.

"That's another great point about successful churchmen. When there's a chance to give the needy a lift, they want you to say your "amens" in cash. Words; what are they? What's all the copy written about Bishop Sheil compared with the fate of a kid who hasn't had a fair chance? Ask the Bishop. He'll give you a straight answer.

Reservation Blanks for State Golf Tournament Soon Ready for Mailing

The first meeting of the executive committee for the Fourteenth Annual Knights of Columbus State Golf Tournament to be held at Olympia Fields on Wednesday, June 25, was to convene late this week to chart a program for the summer highlight in Order activity.

Thomas D. Griffin, State Chairman of the Illinois Knights of Columbus Athletic Commission, under whose sponsorship the tournament is run, confidently looks forward to an increase in the number of tournament entries again this season. The affair has never yet failed to increase its field over that of the preceding year.

To keep pace with the steady rise in attendance a new and enlarged prize list is also being prepared for this season's competition. Several new cups have now been procured to tempt the best efforts of the local council golfers. In addition to these, a valuable array of attendance awards expected to top the $2,500.00 total distributed last June, is also being assembled.

Theatre-Dinner Party Is Next on Assembly Program

Comedy Production to Precede Gay Dinner Party at College Inn May 14

Wednesday, May 14, is the next big date on the social calendar of the members of La Salle General Assembly, Fourth Degree, Knights of Columbus. On that evening the Assembly will sponsor its annual "Theatre Party," and the Sir Knights, their ladies and guests will gather at the Harris Theatre to witness the performance of "My Sister Eileen," a hilarious comedy production.

After the show, the merry-makers will adjourn to the College Inn of the Hotel Sherman to partake of a tasty midnight repast, dance a bit to the music of one of the finest "name bands" in the city, and enjoy an excellent floor show.

Indications are that both phases of the event will be a "sell-out." The limited number of theatre tickets allotted to members of the Assembly at bargain prices will be exhausted in a short time. Members are urged to visit the box-office promptly, as Saturday, May 3, has been set as a deadline for the ticket sale.

Dinner Reservations Due Now

There is more room at the College Inn, however, as the entire capacity of the famed night spot has been reserved. Members are privileged to join in the festivities at the College Inn regardless of their attendance at the theatre earlier in the evening.

To insure accommodation at the after-theatre supper, reservations should be mailed promptly to the office of Comptroller Theodore E. Cornell. On and after May 1st, the Comptroller's office will be located at 69 West Washington Street.

Ladies' Night Well Attended

On Tuesday, April 29th, an audience of well over a thousand persons overflowed the spacious Grand Ballroom of the Palmer House. The star-studded program of musical and specialty entertainment presented seemed to delight everyone present, and the 1941 "Ladies' Night" of La Salle Assembly goes down into the record book as one of the high-lights of the year.

Dowling Council Fills Mayslake With Another Record Retreat Class

Seventy-five members and friends of Daniel Dowling Council made up the exceptional class that attended the closed retreat conducted last week-end at the Franciscan Retreat House at Mayslake here. Fifty of the men were members of Dowling Council, which is the record in attendance for any single council group so far this year. Twenty-one of the men came from St. Agnes parish in the old Brighton Park district, and 56 of them were repeaters, having attended the retreat sessions at least once previously.

Dowling Council has held the record for retreat attendance each year almost since the movement was inaugurated here in 1926. It was the first and only council ever to take two consecutive week-end dates in order to accommodate its big classes.

Among the numerous popular members and friends making up the fine class were: Alderman Bryan Hartnett, Hon. George M. Tearney, Master in Chancery, Edmund P. Denney, William Murphy, Joseph Altman and Thomas Shanahan, commander of the McKinley Park Post of the American Legion, who attended along with his brother James Shanahan and a num-

ber of friends. Another "brother group" was that of the Fox family, which was represented by Anthony, Bert and Joseph Fox, whose genuine interest in the retreat movement has been manifested on many occasions.

Judge John F. Bolton, State Deputy of the Order and one of Dowling's outstanding members could not attend the retreat this year, as he has so often in the past, because of the coming State Convention and other demands upon his time. Judge Bolton has, however, accomplished much for the retreat movement during the past two years and has been instrumental in accounting for much of his council's successes in this regard.

Rev. George J. Wunder, popular chaplain of Dowling Council, joined the council group at Mayslake Sunday afternoon along with the active chairman of Catholic Action, George W. Connelly, Sr., both of whom remained with the retreatants for the rest of the day. Father Wunder, through the kind invitation of the priests at the retreat house, officiaced at Benediction Sunday afternoon and delivered a very fine address at the sessions that evening. Chairman Connelly also spoke at the evening meeting.

Among the congratulatory messages that were received at the retreat house Sunday evening was that of District Deputy Judge Joseph Hermes, who has been with the Dowling retreat group for the past fifteen years. Father "Pat" Maloney, O.F.M., a member of Dowling and formerly stationed at the Mayslake retreat house, also sent his sincere congratulations on the fine 1941 class.

Seventeen deceased past retreatants from Dowling were especially remembered during the days of the retreat in Masses offered for their benefit on both Saturday and Sunday.

Fathers Oliver Kimmick, Leonard Paskert and Father Berwyn all assisted and officiated at the successful week-end retreat. Each of them performed the duties of his retreat office in a most friendly and gratifying way, to the deep appreciation of all members of the class. Father Joseph, the retreat master, could not attend the class because of an illness from which he is recuperating out of the city. He, too, was especially remembered during the days of the retreat when prayers were offered for his complete and speedy recovery.

In conclusion, Grand Knight, Frank J Barker and Tom Gallagher, Dowling's retreat chairman since 1926, wish to take opportunity to personally thank the thousands who have responded in support of the retreat movement during the past years, as well as to all those who attended or otherwise assisted in bringing about the success of the present retreat. Sincere expressions of gratitude are also extended to The Columbian for the exceptional assistance and ready cooperation so often offered and for the numerous worthwhile articles published in behalf of the retreat movement. "When a fellow needs a friend Dowling Council calls in The Columbian; we have never found them wanting, and to them we say 'thanks a million.'"—By Thomas Gallagher, Chairman Retreat Movement, Dowling Council.

St. Pat's to Receive at Nine o'Clock at Old St. Pat's Sunday

1-3 Tues. . . . . Madison and Hamlin

Just a reminder, boys (as though we need one) that Sunday, May 4, is our big day. Should the multitude exceed last year's crowd, then Chaplain Father Ryan had better hang out the S.R.O. sign early. Advance notice has been given by a majority of our members that they will be on hand to make this Communion Sunday a record-breaking one.

Again our good friends, Troop 990 of Our Lady of Victory Church, have consented to add spirit to this great occasion by forming an honor guard to lead the procession down the center aisle. This marks the sixth successive year that these boys have served us.

Remember that the Mass this year will be held at 9:00 a. m. Arrive no later than 8:50 so that we can assume our stations on time. Following the services, John O'Shaughnessy, lecturer, has arranged to serve breakfast in the school hall, adjacent to old St. Pat's Church, Adams and Desplaines Sts.

BARBECUE NOTES

Although the supply of books is moving along at a better pace than last year, Chairman Jas. Hartford is not too elated. The reason for this is obvious. Too many of the members are lax in their individual efforts for the drive. To further facilitate matters kindly make returns to Bro. Hartford as soon as possible. Do not limit yourself to just one book. There is an added inducement for those who sell four or more. A special invitation to attend the Bishop Sheil Victory Banquet will be his—and believe you us—this is some affair. To date only one member, Mike Fiorita, has attained that goal, having just disposed of his fifth booklet.

ORDINATION

The members of St. Pat's Council are cordially invited to attend the 12 o'clock Solemn High Mass at Our Lady of Victory Church, 5200 Agatite Ave. This ceremony will mark the ordination to the priesthood of the Reverend Albert Denis Bull, son of P.G.K. John Bull of St. Patrick's Council. The date is Sunday, May 4. There will be a reception in the evening at the Church School Hall from 7 p. m. to 10 p. m. Try to attend.

SOFTBALL NOTES

The boys are showing a great deal of spirit these days trying to beat out one another for berths on this year's softball team. Competition is keen and John Failla, the manager, expresses great satisfaction on the prospects for the coming season. You softballers who have not signed, get out to practice at Columbus Park, Austin and Harrison Sts., Tuesday and Thursday nights at 6:30 o'clock.

FOURTH DEGREE. The officers of the Patsquad Club have designated May 24 as the evening for their first social affair of the spring season. It promises to be a gala party and will be held at the Veteran Foreign Wars Hall, 4654 W. Madison St.

BOWLING NOTES

At last we have come to the end of the bowling schedule.. As was expected, the McGinty Boosters won undisputed possession of the trophy which goes annually to the winners. They did just manage to nose out the fast-moving Emergency Radios. Congratulations to Capt. W. Farrell and his great aggregation.

Results in the season's final follow:

Cahill Printers clipped the new champions, 2-3. The Barry Boosters were slaughtered in all 3 games by the fast-foto-finishing Deir Morticians. The Rex Paints won "another" series, this time the Weiland Florals bowing to them twice. The absence of Sponsor F. Damato apparently was costly for his team because all they could do was win one game from Freda Meats.

The Allegretti Grills lost prestige when they dropped the odd game to the Moriarty Indians. The Emergency Radios by their clean sweep almost overtook the new champs but gained only the runner-up spot for their good work.

High men for the night were: J. Stumpo, 571; R. Latelle, 558; Burns, 524; Basile, 504; Fiorita, 554; Piovosi, 546; Failla, 510; Miller, 510; Hartford, 516; J. Farrell, 513, and F. Garvey, 509. Final standings next week.

St. Augustine Presents Special Movie Program at Meeting Next Mon.

1-3 Mon. . . . . 5209 S. Justine St.

Something entertaining at every meeting. That's the slogan adopted by our Lecturer, Bro. Rieger, and to continue his program he has arranged to have "motion pictures by Chesterfield" after our meeting next Monday, May 5. These pictures will show the life of a cigarette from the tobacco land to the smoker. They will also show Fred Waring and his orchestra doing a broadcast. All in all, the pictures are extremely interesting, so much so that we are not going to show them to members alone but ask that you bring your friends with you. Fill the hall as it was at our last meeting.

Members present at the last meeting were priviliged to witness the conferring of honorary membership upon Bros. Phil Gross and Chas. Hanus. Grand Knight Phil Kushenbach and D. G. K. Geo. Capps officiated at the ceremonies and G. K. Phil presented a billfold, properly inscribed, to the honored members. Distinguished visitors included D. D. Jeremiah J. Sheehan and Bro. Dolan. McHale Council, G. K. Frank J. Barker and P. G. K. Earl Dunn of Daniel Dowling Council After the meeting we enjoyed some delicious refreshments. We thank our visiting guests for honoring us with their presence. The round-table discussion which followed the meeting was most enjoyable. Visit us again and soon.

D. G. K. Geo. Capps, chairman of our council blood donor group, gave of his blood recently. We do not have all the details, but unduobtedly any recipient of George's blood would do well.

How are you coming along on the barbecue tickets? Are you maknig a sincere effort to aid the cause? Please remember that the least expected is the best you can do. For additional books, call Chairman Joe Handzik, 5310 S. Honore St., Prospect 8135. Make all returns to Treasurer M. E. Novak, 1338 W. 52nd St.

Dowling's Retreat Class Is Largest Group of Season

2-4 Tues. . . . . 3625 S. Hoyne

Last Tuesday evening our lecturer and Chairman Gagnon presented a Retreat night to a very good attendance. We were honored with the presence of Father Oliver and Father Lenard of the Franciscan Order and they seemed well pleased with the turnout.

The Retreat part of the meeting went into the early hours and was so interesting that nobody paid any attention to the time. Several past retreatants and officers were called upon and responded with short remarks. P.G.K. Ed Denehy burst forth with his wonderful oratory and kept the boys spell bound. Father Lenard, a newcomer to most of us, was called upon and he really won his way into the hearts of the members. He is very witty and mixed his talk with a joke here and there and kind of ribbed our pal Father Oliver.

Father Oliver wound the evening up with the high spots of a retreat and invited all to make our retreat on Friday evening. We then proceeded to partake of the refreshments and all present enjoyed a wonderful evening.

I received a card Monday from our Chairman of Retreat, Tom Gallagher and he advises me that he had a fine class of 75 retreatants including over 50 of our own members and he has the honor of having three of the Fox brothers in his class. The Fox brothers are connected with the Peter Fox Co. Tom looks for bigger and better classes in the future.

Our sick and departed are remembered in the prayers and Masses during the Retreat.

Catholics on Retreat . . .

Every living Catholic is a member of the Church Militant—a soldier of Christ, who is trained to battle continuously against the world, the flesh and the devil. And just as an army of soldiers finds it profitable to retreat now and then for rest, medical care and further training, so an army of Catholic men go on Retreat annually, to come forth with better spiritual equipment for the battle of their lives.

Priests, nuns, seminarians and collegians have their annual Retreats. So do many lay women. But it is of the Closed Retreat for Catholic laymen that we speak here, for the movement is growing by leaps and bounds.

A Laymen's Closed Retreat is the gathering together of men of like mind in a spot closed off from the world and its distractions, for a period of two days and nights or so, for the purpose of fortifying one's Faith and gaining these graces which make a man a better Christian, a better citizen, a better father and a better neighbor.

A Retreat includes Confession, Mass, Holy Communion, Benediction of the Blessed Sacrament, Stations of the Cross, prayers, Hymns and inspirational talks by the Reverend Retreat Master; but the two events that perhaps impress the Retreat most indelibly on the soul are, first, a totally private visit which each Retreatant makes on His Savior in the Blessed Sacrament—just the two of them there together in the Chapel—and second the beautiful hours of meditation on wooded paths, o'er rolling hills or in the privacy of the bedroom. Meditations on one's most intimate problems, a sacred intimacy with one's Maker, a declaration of mutual love—all private, all uninterrupted, because the Retreat law of silence is strictly observed. Little wonder that no man can adequately describe a Retreat to another!

In the United States there are nearly 70 different Retreat Houses at which gather more than 30,000 Catholic laymen every year. And the Movement is just in its infancy. Professional men and day laborers, old men and young men, saints and sinners, gather together yearly in the only true Brotherhood of Men—brothers of each other and of Jesus Christ, under the common Fatherhood of Almighty God.

Is Christianity failing? Is religion a thing merely for women and children? Thirty thousand laymen on Retreat each year! Let them give the answer!—Catholic Information Society of Narberth.

Catholic Hour Begins 11th Year on Radio

Cleveland, O.—Rededication of the "Catholic Hour" broadcast to the purposes of its foundation was made in its eleventh anniversary program originating from NBC studios both in this city and New York recently.

Speaking from Cleveland, Wilbert J. O'Neill of this city, president of the National Council of Catholic Men, said these purposes were to substitute "knowledge and understanding in place of bigotry; confidence and courage in place of despondency and despair; love of our country and our fellowmen in place of hate; and repentence, which saves men, in place of disregard of evil, and even glorification of evil, which destroys them."

"We shall work even harder," Mr. O'Neill continued, "to combat the tendency to limit and subordinate sound moral principles by considerations of short-sighted expediency and the tendency to treat moral principles as, at best, merely interesting things to talk about but not indispensable rules of conduct. Such tendencies are undermining society."

"So we dedicate ourselves again to the promotion of the social welfare," he said, "and shall stress constantly the obligation of all to put material things in their right place, not to be sought as ends in themselves, nor sought as means to the unattainable end of making this earth a worthy substitute for heaven but as means to serve the true end of man's dual nature, so that man may have a better opportunity to live on this earth decently, in accordance with his human dignity as a rational creature of God, and so to realize his eternal destiny."

Mr. O'Neill also expressed the thanks of the National Council of Catholic Men, producer of the "Catholic Hour," to the National Broadcasting Company and the 102 stations which now broadcast it for their cooperation; to the Rt. Rev. Msgr. Fulton J. Sheen of the Catholic University of America, who began, and the many other speakers who, with him, have continued the broadcasts; to the Paulist Choristers for the music with which they have embellished the programs; and to the millions of listeners for their "spirit of good-will, tolerance, desire for truth and appreciation" of the N.C.C.M.'s efforts, evidenced by hundreds of thousands of letters annually.

"Above all, we thank God, the Source of all Truth and the Giver of all Good Things, for inspiring the institution of the 'Catholic Hour,' and for the spiritual and material gifts which have enabled us to carry it on," Mr. O'Neill concluded.

Damen to Receive Communion Sun. at Patron's Church

1-3 Thurs. . . . . 6 N. Hamlin Ave.

Damen Council, on Sunday, May 4, receives Holy Communion in a body during eight o'clock Mass at Holy Family Church, 1080 West Roosevelt Road. Members assemble at 7:45 a. m. on the corner of Roosevelt Road and May Street to march into church.

Father Charles Sullivan, S.J., member of Damen, is celebrant of the Mass. Former acolytes are asked to volunteer to assist at the Mass.

In Damen Hall in the lower church, a complimentary breakfast will be served.

THE MERRY MEN

Last Tuesday evening the bowlers wrote "Finis" to another successful season. Due largely to the added attraction of Sweepstakes Nite, plus the fact that many positions in the standing were at stake—including the league championship—a good crowd of visitors were rewarded by some excellent bowling.

The Brown Plumbers had the championship jitters thereby losing all three games to those Windy Boys—the Cassidy Tires—and with a guilty conscience were awarded the league championship by virtue of a higher average although tied in games won and lost by another team.

The John J. Gormans won two games from the McEnery Realtors to wind up tied with the league leaders in game mileage but lost the most important game of the season when the McEnery Realtors pounded the maples for a 940 total to annex the high game of the season and have the unique distinction of winning a championship for another team.

The Kelly Couplers won two games from the Stack Typewriters despite the added presence of the league president, R. McJohn, in the typist's line-up. J. Kulisky had a very successful evening in pin gathering to sew up the individual championship of Damen Council.

The Reliable Credit won two games from the McMahon Undertakers in the most interesting match of the evening—featured by the individual efforts of rival anchor men—K. Phelan and W. Hopkins—all games were closely contested and winners were not decided until the final frames.

BANQUET NOTES

Forty-six Merry Men, sponsors, and guests, including Damen's co-chplain, the Rev. Fr. Zink, attended the bowlers' banquet at the Napoleon Cafe last Sat. eve. to enjoy a most delicious repast amidst a perfect setting plus the usual aftermath banter.

John Gorman gave a short interesting talk including a challenge to the Champion Brown Plumbers' team to a roll-off to decide an untainted winner, adding that he would include his name to the Owl's line-up to help even up the present weight handicap.

Parke Brown accepted the senator's challenge and giving credit where credit is due went on to personally thank the McEnery team for winning the championship for the Brown Plumbers. Without a doubt all present agreed that while Damen Bowling Banquets in the past have all been successful affairs this year's gathering rates No. 1 position to date.

Softball Mgr. W. Fitzgerald reports that the idea having been born—his challenge accepted and players assured—Damen Council will have a team in the field this season.

A certain Miss Hastings was all het-up about the bowlers having their banquet on Saturday night. I don't get it—what's the angle?

Remains of Late Pope Placed in New Tomb

Vatican City.—Special services were held for the transfer of the body of Pius XI February 10, the second anniversary of his death, to its permanent resting place in a marble sarcophagus in St. Peter's Basilica. Milan, near where the Pontiff was born, is providing the funds for the sarcophagus. Made of the rarest Candoglia marble, it was executed by the celebrated Italian sculptor, Giannino Castiglioni. It has simple austere lines and is surmounted by a reclining statue of the late Pontiff. The inside of the crypt is decorated with a series of mosiacs. The burial place is near the tomb of Pius X, who reigned from 1903 to 1914 and who is now being considered for beatification by the Sacred Congregation of Rites.

In excavating the underground passages of the Basilica for the sarcophagus, workmen found relics of the original Basilica, a beautiful mosaic pavement, and a basin used for slaking lime when Michelangelo was erecting the new Basilica. Continuation of the excavations in search for the tomb of St. Peter was considered but the project was dropped.

New Donor Group at St. James

St. James Council instituted a sizable Blood Donor Club last week, when under the direction of Chairman John Green (left above) nurses from St. George's hospital typed some 75 volunteer donors. State Chairman Bob Du Mais standing, (right) and G.K. Peter O'Connell (seated) look on as Ray Steffens, first volunteer, is typed.

Under the able leadership of Bro. John Greene, our donor group is now fully organized. At our recent meeting we typed 45 members. A letter was received from the family of Norval Christianson, a patient at the Woodlawn Hospital who was suffering with third degree burns and who doctors gave no chance to live. Now through the efforts of several of our group he is past the danger point. The following have already rendered their services: Bro. Ed Muellner, Bro. John McBride and Bro. Thos. Butler. More members will be typed again at a later meeting.

"NIGHT IN CUBA"

On our cabaret party to be held at the Hayes Hotel May 17, our "Night in Cuba" will include a fine evening of entertainment. Chairman Ed Muellner reported at Monday's meeting that everything is ready. Among the reservation committee are himself, Dr. Clarence Strobel, Chairman John McBride and Pete O'Connell. Phone Doc at Went. 3005 for reservations. Remember the price is but $2.50 a couple.

SOFTBALL: Our first practice will be Tuesday, May 6, at Meyering Playground, 71st and South Park, at 6:30 p. m. All players are welcome. Mgr. Mike Connolly announces that about 20 candidates are expected.

"SUNDAY NIGHTERS" will hold their first meeting Sunday, May 4, 8:30 p. m. in the Hayes Hotel. This is a revival of a previous custom of the Fourth Degree Club and business and pleasure will take place. All members their ladies and families are invited to attend. No expense, it's all "on the house."

All members should now be at work on the barbecue. Chairman Greene at Monday's meeting asked for the full co-operation of every member and appointed five teams to carry on the drive. The leaders so far in advance reports are J. Greene, 8; Ray Socha, 4; Ed Muellner, 3; Pete O'Connell, 2, while quite a few have disposed of one. It has been requested that all brothers make returns as soon as they can.

COMMUNION SUNDAY

Our annual Comunion Sunday will be held May 11 at the 9 o'clock mass at St. James Church, 29th and Wabash. Members are requested to meet in the school hall at 8:30 and fourth degree members will appear in dress regalia. Pete Wehle states that a fine breakfast will be served in the convent dining room immediately after services.

Ambrose Burke reported that we have already five new applications through the efforts of Mike Connolly, J. Collins and F. Connolly and that we expect many more. It is hoped to have a class for the second meeting in June, and call it the "Pete O'Connell" class in honor of our Grand Knight. Also several transfers were voted upon and admitted to council membership.

The Chicago Chapter meets on Wednesday evening, May 7, and Clarence Phillips has asked those who desire to meet at Little Cozzi's restaurant, 519 S. Wabash, 6 p. m., before attending the chapter's meeting.

BOWLING

In a few weeks the current bowling season closes. The rivalry for the coveted first place position still continues despite the fact that the Wiedemann Insurance team has quite a safe lead. The second, third and fourth place berth is being hotly contested for between the Spencer Coals, Mayfair Liquors and Roys Tap Room teams. Bob's Trailer Service team never did come out of the dive it took some time ago. Doc Groskie and Mayer Tailor teams just happened to get all the bum breaks.

The high games for the evening were: Paul Black 217 and 214; Lester Jankowski 211; Henry Scheffler, Bob Beaugureau and Ed Deka each got a 201 game. The team standings to date are:

After George Hatch of the United Air Lines accepted the trophy given by the league to the new 1940-41 champions, the next order of business was the election of officers. A rising vote of thanks was given John F. Chase and Charles DeVito the retiring president and secretary of the league for their untiring efforts in making such a successful bowling season. George Minich is the new president and Frank Owens is the new secretary. One of the high lights of the banquet was the present that Bernard DeMares gave his team. The present was in a long box and all the boys thought it was cigars, but on opening it found it a set of tenpins, which no doubt means that their sponsor would like them to practice during the summer months.

ANNIVERSARY TOURNAMENT

The double and single tournament will be resumed Saturday and Sunday, May 3rd and 4th, and we are in hopes of having all the boys bowl on these dates. Going into the last week we find John Foley and Larry Westphal leading in the doubles with 1269 and the next three are Rocco Tarsitano and Ted Briedzycki 1257, Ed. and Joe Kurtz 1235 and Charley Urbain and Tom Geegan 1217.

In the singles believe it or not our acting grand Knight Barney Cunningham is leading with 688, and the next three are Charley De Vito 681, Jim Rose 661 and Ed. Kurtz 653.

INDIANAPOLIS TOURNAMENT

Over fifty bowlers with several 300 scores in their mind boarded the Barry-Hughes Special Saturday, April 26, and arrived in Indianapolis at 1-15 P. M. and headed for Hotel Lincoln where they were assigned to their rooms. All arrangements going and coming were carried out to a queen's taste and the bowlers want to take this opportunity of thanking and congratulating our Chairman, John Tamburrini, on the wonderful way he handled the trip. John, by the way, pulled what you might call a Bob Ripley. At the banquet John impressed all the bowlers to be on time as when leaving time came the train would wait for no one. John and Charley Svoma were at the gate looking for late comers and did not hear the engineer's whistle, and when they looked around the train had left, so John and Charley had to come down on a later train.

In the five men event the Barry Majors shot 2873 with scores of 952, 986 and 935. Other scores were Senator Keanes 2629, United Air Lines 2601, Mid-West Auto Service 2501, Sheehan Chile 2499, De Mares Coals 2462, T.W.A. Air Lines 2400, Faucher Bros. 2279, Smith Funeral Home 2220, and Cunningham Insurance 2078. In the doubles Sam Murray and Charley Svoma were high with 1215 with the young kegler, Sam Murray, getting 661 and Charlie Svoma 554. The boys shot 438 in their first game, but ran into touch breaks on good hits in the next two games.

Frank Kucera and Charley De Vito shot 1105 and Bones Boyle and Frank Lane shot 1085. John Tamburrini donated four special prizes to the boys and Charley De Vito won the first prize for high three game series of 607. Tom Ferarini shot high individual game with 234, Dan Keating won the high three game series on handicap basis with 727, Jim Mariga won high individual game with 269 and Bill Fisherkeller won a special prize for his wonderful effort in his first game with a 78 score.

After bowling Saturday night the bowlers went to the K. of C. Clubhouse where sandwiches were served. After bowling, the Barry choristers rendered a concert for the brothers with Junior Ed. Morgan directing and in the chorus was Jeff Fleming, Jim Conley, John Tamburrini, Jim Landrigan, John Chase, Frank Owens, Ed. Faucher, Al Naples, Tom Purcell, Jim Mariga, Joe Korty, Geo. Minich, Dr. Leo Cahill, Charles Svoma, Mique Cunningham and many others.

Auburn Park to Hold Communion Breakfast at St. Leo's This Sun.

2-4 Thurs. . . 7740 S. Emerald Ave.

This is the final appeal to the membership to make the necessary arrangements to be at 79th and Sangamon streets (three blocks west of Halsted street) next Sunday morning at 8:15 a. m. sharp to march into St. Leo's chapel in a body for the 8:30 o'clock mass and to receive holy communion. During recent years since we have been attending our communion mass at St. Leo's chapel with breakfast served immediately following the mass at the high school cafeteria, we have been having increased attendance. We hope our past attendance records will be shattered this Sunday.

You received a post card during the week on which you were to signify your willingness to attend the mass and breakfast, so that we may get an idea of the number to be present. Should you have overlooked sending in this card, come over anyway and you will be taken care of. The council, through our ever popular florist, Richard J. Knight, will furnish everyone with a white carnation, and this expense also will be absorbed by the council.

Our lecturer, Bro. James McLellan, has made arrangements for the same ladies who have so kindly offered their services for the past several years to be on hand to serve you. We also expect to have as our guest Rev. Monsignor P. F. Shewbridge, pastor of St. Leo's Church, and we hope that he can so arrange his duties to be with us on this occasion.

SCHOLARSHIP RESOLUTION

At our last regular meeting, Thursday, April 24, one of the important features of the evening's business was the adoption of a resolution for the expenditure of the annual scholarship for the year 1941-42 at Leo High School for the son, brother or ward of a council member. The winner is to be declared through a competitive examination at the high school during the early part of June. This program of Catholic Action has been in effect in Auburn Park for many years, and we hope there will be a large number of contestants participating in this award this year.

At a recent card party sponsored by Aquinas High School, Miss Rita Dunmore, daughter of Bro. Walter Dunmore, sold a winning ticket for a $100 cash award, and before the festivities were over this same charming young lady was declared the winner of a $50 cash award. We congratulate Rita Dunmore on her very successful evening.

IN MEMORIAM

It is with deep regret that we report the death of one of our old-time council members, Bro. Leonard McMullen, who was called to his eternal reward on Tuesday, April 22, being waked at James Quinlan's chapel, 7937 S. Halsted street. After the council meeting on Thursday evening a large delegation of members attended the wake, accompanied by our chaplain, Rev. Leo A. Smith, who offered up prayers for the repose of his soul.

We extend our deepest sympathy to the bereaved members of his family and pray his soul may rest in peace.

SOFTBALL PRACTICE

Bros. Thos. Cole and Paul Byrne have requested that we make the announcement that they have secured the field at 77th street and Vincennes avenue every Monday and Thursday evening for softball practice. The season is expected to get under way on or about May 10. Keep these two evenings in mind for the next several weeks and report about 6:30 p. m. on Monday and Thursday evenings.

Our own worthy chancellor, Bro. Jas. Shiel, participated in the first and second degrees held at Loyola-Hyde Park Council headquarters on last Thursday evening, April 24. Jimmie has done a splendid job on this work in the past several months.

Hen. Shields Will Hold Communion at St. Catherines

May 14-28 . . . . . 446 N. Parkside Ave.

Next Sunday morning, May 4, the members of Hennepin-Shields Council will receive Holy Communion in a body at the 8 o'clock Mass at St. Catherine of Siena Church, Washington and Austin Blvds., Oak Park.

The center aisle of St. Catherine's has been reserved for the council and we hope it will be filled to capacity. It will be a great pleasure to see our members responding in goodly numbers to Msgr. Maguire's invitation to make it the largest attendance at Communion Sunday we have ever had.

Breakfast after Mass will be served at the Elks Club, 928 W. Lake St., Oak Park, and sufficient transportation to the club will be available to those without cars. Let's all be there next Sunday a. m.

FANK J. SOLICK, JR.

We express our sincere and deep sympathy to the family of Bro. Frank J. Solick, Jr., whose funeral was held Thursday, April 24th, from his residence, 1044 N. Kenilworth Ave., Oak Park, to St. Giles Church, with burial in Mount Olivet. Bro. Solick was a member of our council for many years and was connected with Solick's restaurant at Keeler and Madison. May his soul rest in peace.

BOWLING

The possibilities of a three-way tie for first place failed to materialize on the last night of bowling when the Gallagher Plumbers managed to win two games from the Foley Grill and maintain their slim margin of one game on first place. Costello & Son Boosters made a gallant effort to keep things even but could only take two, losing the final by 13 pins to the Frank Hayes Barbecues. The Harwood Florals, who also had a chance to tie, had one of those bad evenings, dropping all three games to the John J. Hayes Stores for Men. The Ed Riley Insurance and the M. C. Fogarty's Mens Wear fought it out for sixth and seventh place, with the Riley's taking two and undisputed possession of sixth place. In high games, Marty Moylan had 217, 184 and 208 for 609, Comyn had 206, Roy Murray 216, Rogers 221, Molitor 224, Butler 230, Quill 201, Shealy 204, McNamara 208, and Hickey 219.

The final standing of the teams is as follows:

	W.	L.
Gallagher Plumbers	48	36
Costello & Son Boosters.....	47	37
Harwood Florals	45	39
John J. Hayes Stores for Men.	44	40
Frank M. Hayes Barbecue....	43	41
Ed. J. Riley Insurance.....	40	44
M. C. Fogarty Men's Wear....	39	45
Ray Foley Grill.....	30	54

Individual standings will be published next week, together with news of the banquet.

MAYSLAKE RETREAT

There comes a time in the lives of most of us when we need nothing else so much as to pause for a while to catch our breath and get a fresh hold on things, whether they be temporal or spiritual. Just such a pause to gain a new perspective of things spiritual is offered to members of Hennepin-Shields in the week-end retreat given by the Franciscan Fathers at Mayslake, Ill., starting Friday evening, May 16th, and ending Monday morning, May 19th. In the sixty golden hours of the retreat we may rejuvenate the practices of our faith and secure additional insurance for our soul to achieve everlasting happiness.

If you will kindly notify Chariman Jack Shealy, he will be pleased to make your reservation at the Re House for the week-end of May 16

McHale in Communion and Breakfast Sunday at Old St. James Church

1-3 Tues. . . . . 150 W. 69th St.

Next Sunday morning at the 9 o'clock mass at old St. James Church, 29th and Wabash avenue, our council will receive communion in a body. G. K. Tom Mulroy urges every member to make a real effort to attend. After mass we will be served a delicious breakfast by the Sisters of Mercy under the supervision of Sister Mary Pretosia. There will be no long speeches and you will be home in plenty of time to let the Mrs. and the kiddies get out to church.

Father O'Donahue and Father Dee are anxious to welcome you back to St. James. Let's show our appreciation by turning out in large numbers next Sunday, May 4. Please get there at 8:45 a. m. so that we will have plenty of time to assemble.

COUNCIL ACTIVITIES

Old Timers' Night, which all McHale has looked forward to as a tribute to the old timers and charter members of our council, will be presented May 6. Chairman P. G. K. Bill Mugg has worked hard with his committee to round up all the old timers. The meeting will be an open one and members are asked to bring some old timer along whom they know personally. Chairman Mugg is anxious to have the meeting full of guests that are known to our members, guests that we have not seen in some time. There will be plenty of refreshments and a lot of real fun.

SOFTBALL—Manager Leo Kareiva has issued a call for members who want to play softball and, along with Leo Wimple, he is planning on having several conditioning workouts for candidates who desire to play on McHale's team. At our next meeting the two Leos will outline their plans. Any member desiring to take part in this activity should call Leo Kareiva at Republic 7268. . . . After Mgr. Leo has his team in shape, your lecturer and scribe would like to challenge him to a game for some Sunday morning as an inter-council affair. P. G. K. Sheehan, Bob Darcy, Con Hogan, Tom Garvin, Tom Hackett, P. G. K. Joe Weber and others asked me to make this challenge. How about it, Leo?

COUNCIL NOTES

On Tuesday, April 22, at the Stevens Hotel, the Bowman Dairy Company paid tribute to their employes of 25 years or more. Among those honored were two members of McHale Council, Bro. Jim Diamet and Bro. John Fellens, who perhaps have as many years with McHale as they have with Bowman Dairy. Congratulations to these loyal members.

G. K. Tom Mulroy and your lecturer dropped in at the new home of our recorder, Ed McGuire, at 83rd and Maplewood avenue. Ed has turned out to be a gardener, painter, carpenter, etc.; when in the vicinity drop in, as Ed and Mrs. McGuire always have the welcome sign on the door.

Called in at Bro. Charlie Wooding's, 7506 S. May street, the other day; we thought we saw a colored man coming out of the basement, but it turned out to be Charlie, who had been cleaning the furnace. . . . Any news call John J. Kelly, Englewood 5151.

ST. RITA ASKS ALL OUT COMMUNION

1-3 Thurs. . . . . 6048 S. Fairfield Ave.

Led by the drum and bugle corps of the Stanley Sullivan post of the American Legion, members of St. Rita Council will march from 69th St. and Washtenaw Ave. at 7:30 a. m. this Sunday to receive communion at 8 o'clock mass at Nativity Church, Sixty-eighth St. and Washtenaw Ave.

Through the medium of this column, Chairman Dr. Joseph Jun makes his final plea for a good showing at this, our annual communion Sunday. You may say, "I went to communion last Sunday" or "I made my Easter duty" or "I go once a month." All well and good. But this is different and more important.

This is your annual opportunity to join with your fellow members in an outward pledge of your faith; the chance to show your love in mass devotion to your Creator; one hour in which the trials and tribulations of a harried world may be forgotten as you pay homage to God and ask His divine guidance.

Following mass breakfast will be served in the basement of the church. Let's make Sunday's line of march the largest in the history of St. Rita's.

BARBECUE

From early returns made to Roy Perell, barbecue chairman, all previous barbecue records set by our council seem destined for a fall. But don't let that report cause you to sit back and take it easy; go out and do your bit. If you do so immediately you will find your task much easier than waiting until the last minute. Make returns to Chairman Perell or any member of his committee, or to the following business establishments: Martin's Barber Shop at 3303 W. 63rd St., Stoeller's Grocery at 2918 W. 63rd St., or Sullivan's Undertakers at 2438 W. 63rd St.

IN MEMORIAM

A group of members from St. Rita Council met at 9300 S. May St. last Friday night and went to the home of PGK Frank Small at 9312 S. May St. to attend the wake of his father. Burial was held Saturday in Mount Olivet cemetery. Mr. Small died of a heart attack. The entire membership of St. Rita Council extends the deepest sympathy to Frank and his family on their loss.

REMEMBER

The year-in-advance club, composed of members who have paid their dues and assessments until the end of the year. Send the necessary funds to Financial Secretary Frank Zavrel.

Last Wednesday night the 2034 Club played host to the weaker sex at St. Rita's fourth degree ladies' night. As this stint is written roundabout 4 a. m. Wednesday we will not be able to furnish details of the party until next week. . . . The officers of our bowling league were unanimously re-elected at the keglers' meeting a week ago last Monday. They are: Doc Hoffman, president; Chip Kucharski, vice-president, and John Lehner, secretary. Following the business meeting the boys gave the dominoes a little exercise. And did the prize money change hands! . . . GK Charlie Nash and PGK Harry P. Sullivan will go to Aurora May 5 as our delegates to the state convention. . . . Doc Kehl is now a neighbor of yours truly. . . . Jim Boyce is up and around again.

OFF THE SCOREBOAD

We are sorry to report that the St. Rita Council baseball season opened with a dismal thud last Sunday. Only three men reported at Gage Park for the initial practice session and naturally with such a poor response Chairman of Athletics Bruno Fracassi called things off for the day.

If you fellows want to have a team it is entirely up to each individual member. A manager and coach can do nothing if they do not have players. Bruno hasn't given up, however; he informs us a second practice session will be held this Sunday after the members receive communion at Nativity Church. If you are interested please come out.

Englewood Will Take Communion in Honor of Mothers on May 11th

2-4 Mon. . . . . 150 W. 69th St.

Sunday, May 11, 1941. A first glance at that date signifies one of the greatest days of the year . . . Mother's Day. But this year it will have a double significance, for on that day Englewood Council will hold its semi-annual communion at St. Martin's Church, 59th street and Wentworth avenue. What a fitting tribute to one so near and dear to us, that we should receive our Lord on that day . . . for her.

On this day we also request that you offer up the Holy Sacrifice of the Mass and the Reception of the Holy Eucharist for our treasurer, Adolph Minster, who has been Communion Day chairman of Englewood Council since way back when. He has been convalescing since before last Christmas, and though we don't think it possible, we still hope he will be able to be with us on that day.

NERI HOST TO DYKES, CONNIE MACK ON MAY 6

1-3 Tues. . . . . 7515 Yates Ave.

Next meeting night, May 6, has been christened "baseball night," and Co-Chairman Emmett Byrne and Harry Bitter are working out a program that stacks up as nothing short of sensational.

Heading the bill at last reports is none other than the popular manager of the White Sox, Mr. James Joseph Dykes. Along with the little round baseball genius the Chairmen are high in the hopes of also having with us the Grand Old Man of Baseball, Mr. Cornelius McGillicuddy, the most remarkable man the game has ever known.

To get either of these gentlemen in the hall would be a real scoop but the prospects of having them both on deck is almost too much for the imagination. This is to be an open meeting for men and you are cordially invited to bring your friends. Better get over early. A short business session will convene promptly at eight.

DANCING PARTY

Henry Doolin, Chairman of the Neri Athletic Association, wishes to remind you of the annual Spring Dancing party being held tomorrow night (Saturday) in the Caravel Club. As you know, the proceeds from this affair will be used to defray the expenses incurred in properly equipping the council softball team.

Chairman Doolin reports a good advance sale of tickets but there is plenty of accommodation left for you last minute shoppers. Tickets are fifty cents per person and food and other refreshments will be served at modest prices. Music by Lennon.

COMMUNION SUNDAY

A very good number of men gathered at St. Philip Neri Church last Sunday morning for the council's annual Communion Sunday. After Mass they all skipped over to the Caravel Club where they were served a delicious breakfast of bacon and eggs by a company of ladies. The attendance was a little short of some former years—all of which could probably be charged to the time change which got the boys out an hour earlier. The Rev. George A. Parker, pastor of St. Philip Neri Church, dropped around to the breakfast to say hello.

STUFF AND STUFF

The softball season will open in another couple of weeks in the K. C. League. Anyone wishing to play softball with Neri is asked to report to practice every Thursday evening, 7 o'clock, at the 76th Street lakefront. All positions are open—in fact several replacements will have to be found.

Paul O'Toole happened by chance to be listening to a radio program the other day that was emanating from Camp Forrest in Tennessee. In the course of the program the Major-General interviewed a few soldiers the first of whom happened to be Paul's young brother, Bart. It's a small world except when you're walking. Another brother of Paul's is stationed in a camp near San Diego.

Gar. Moreno Members to Receive Communion Sunday at Ascension

2-4 Tues. . . . . 155th & Lexington

Attention, brother knights! Sunday, May 4, is Garcia Moreno Council's annual communion Sunday. Through unity of action, we can have the largest turnout in the history of our council. For those members who work nights, arrangements have been made to go to confession Sunday morning. Just notify the usher of your intention. All members are asked to meet in the Ascension school basement not later than 7:15. We will march to the church in a body. Kindly wear your council badge. Motion pictures of the morning's events will be taken.

We are happy to announce that Judge John F. Bolton, State Deputy, will be our guest of honor. It is indeed an honor to have our state leader with us on this morning, and we hope the entire membership will turn out to greet him. Our own D. D., Edward Martens, will also be with us.

This is the only day of the year which brings together so many of our members. It affords the opportunity of renewing old friendships, and above all of meeting the many members whose work does not permit their attending regular meetings. Breakfast will be served in Ascension school basement. All are asked to partake of this wonderful breakfast. See you Sunday, May 4, 7:30 mass. Ascension Church, 153rd street and Myrtle avenue. Kindly be on time.

THIS AND THAT

Marty McGee, barbecue chairman, has added the following members to his committee: Al Berner, Andy Klaczynski, Bill Lemons, John Kerkhoven and Jacie Lutz. Reported on the sick list were Charles Kramer, who is in Hines Hospital, Chicago. The mother of P. G. K. Al St. Aubin is still confined at St. Francis Hospital, Blue Island. Michael Ryan is home from the hospital. Irwin Kramer was on the sick list, but as no report was mode, the committee did not visit him.

Chas. Wisell, athletic chairman, reported on the progress of the council's softball team. Andy Klaczynski, delegate to the Chicago Chapter, made an interesting report. Simon Ryan, president of the bowling league, gave a detailed account of the league. Marty McGee, barbecue chairman, reported that the books were going good, and asked all to join in this splendid work of Catholic Action. G. K. James Mann and P. G. K. Al St. Aubin spoke on the Blood Donor Group.

Lecturer Clyde White announced that the Spring Ladies' Night will be held Tuesday evening, May 13. Frank Small, district chairman of the barbecue, asked at our last meeting that greater efforts be expended by all to make this year's affair the biggest and greatest in history. D. D. Edward Martens also asked for co-operation in all council events. Others who added spice to the meeting were Wm. Garity of Janesville, Wis.; Ed Roach, Angus Verhoven, Arthur Mathieu, Johnnie Kline, Francis De Mayo and Rev. Father Renklewski.

On Saturday, May 3, Frank Bittista will be married. We wish him and his bride every happiness. The next meeting of the Fourth Club will be at the home of D. D. Henry Hilgendorf, on Wednesday evening, May 7, at 8 p. m. All members interested in taking the fourth degree are urged to attend. To Mrs. James Young we extend our heartfelt sympathy in the recent loss of her beloved mother, who died in Ireland. Sorry to report that the father of Mrs. Cy Katity, Mrs. Andrew Curzydel and Bro. Walter Rose is on the sick list. We hope that he, along with our other sick members, will be well soon.

Our best wishes to Veronica, daughter of Thomas Condon, who was married last week. The infant son of Dick Walenga is a very sick youngster. He is confined to Ingalls Hospital in Harvey. Frank Duck, son of Harrison Duck, will say "I do" on May 10. G. K. James Mann was confined to his home over the last week-end. At the house of Joseph O'Hara in Brookfield, the new arrival was a future K. C. Congratualtions, Joe. Bowlers' banquet was a wonderful success. Will comment on it in next issue. See you Sunday. Cheerio.

Sherman Sir Knights to Lead Communicants Next Sunday Morning

Next Sunday, May 4, is the biggest of all days in our council—communion Sunday. Every Sherman knight is expected to attend. We will meet in front off the Lions Club, 4308 W. North Ave., at 7:30 and march to St. Philomena's Church. 1921 N. Kedvale Ave., led by the fourth degree in full regalia. Our own chaplain, Father Sesterhenn, will be the celebrant. Breakfast will be served in the church hall.

Sherman headquarters will be in the Leland Hotel in Aurora at the K. of C. state convention. Your grand knight and delegates would be pleased to see you Sunday evening.

BOWLING—By Bernie

Our bowling banquet, as usual, was a lulu. After a big steak dinner the first-place trophy was presented to Judge Tremko and he in turn gave each of the five men on his team an individual trophy. The second place trophy went to Bro. Bud Collins of Collins & Sons Undertakers.

After the preesntation several fine speeches were made, then the boys all received their prize money. The result of the election: M. Ellgass, president; B. Janco, vice-president; Bert Welker, secretary; Max Thiel, treasurer.

We all returned safe and sound from old Indianapolis—maybe a little tired and a trifle poorer, but did we have fun! Here are some good reasons for the rest of you bowlers to attend next year's national tournament.

Just before pulling out of the station Saturday morning Bill Free came dashing through the car passing cigars out to everyone; of course we all congratulated him. Presie Matt Ellgass, the double noise maker with his cowbell, was responsible for two complaints, one from the Lincoln Hotel manager, four blocks away, saying their guests could not sleep!

George Lindenschmidt after a little celebrating wanted to bowl in his hotel room. Koscal won a pineapple but not for bowling. Al Gerlach wants to know why he was punished by having to sleep with Jim Groh. Jim says about Al: "Awake he bores . . . asleep he snores."

Bert Welker busy as a bee looking after his flock—not only a good secretary but also a mother to the boys. Wants to know who put ice cubes in his slippers. Jim Marine came well loaded with dough but the poker boys did not leave him a crumb.

Joe Krautsider, a first-timer, says: "Count me in even if the tournament is held in China next year."

Frank Leis: Matt wants to know who tied knots in his pajamas and put pepper in his coffee. Bud Groh, another first-timer, thinks it a very good idea to stay up until 7 a. m. to make 7:30 mass.

Selsky found a loose board in his room with a pot of gold. Frank Mootz claims the gas business is more profitable than businessmen's poker. Gene Trott wants to know why someone didn't tell him of these tournaments before. Thinks it a good idea to attend the national convention in Aurora.

Wallie Turzinski: To you goes the furlined soup spoon. After celebrating as much as the rest he still goes out and shoots 1,830 all-events, a little better than 200 average.

Last, but not least, your scribe is offering a substantial reward, no questions asked, for information leading to the one who put the "finger" on me to those two "flatfoots." They had the nerve to ask if I had souvenirs from the Washington Hotel. I understand 20 bowlers, including Bill Free, were ready to throw their grips out the window.

Fred Antisperger, due to illness, was unable to make the trip. We missed you, Pop. All of us are praying that you have a speedy recovery.

Illinois Notes with Satisfaction Council's Progress in Last Year

1-3 Mon. . . . . 64 E. Lake St.

The end of another fiscal year approaches. As we look back over the Council program thus far, we confess to be satisfied with everything except the procuring of new members and the return of some of our formers ones. Of course, we have succeeded a little bit on both but we have not reached our goal. You have done very well but the failure to make our quota stands as a red-light which should be speedily removed. During the year we have lost, through death, ten members. All of them real old timers and the majority of them covered by insurance which lessened our sorrow.

What have you and I done during the past ten months to justify our existence as a unit of the Order? Well, we have visited the sick, buried the dead, given encouragement, entertainment and instructions that were beneficial, afforded opportunities for social contact between members of the Council and the Order, fostered a better fraternal feeling and encouraged the acquisition of and the keeping up of insurance policies. In a large sense too, we have been not unlike an army during peace times, indulging in sufficient preparatory exercises and awaiting a call for particularly difficult problems which might concern the Order, the State or the Church.

Too often we misconstrue this period of training and preparation as not being sufficiently satisfying to justify membership in the Order but a closer inspection will show that the organizing and fostering of Catholic organizations are necessary.

NEXT MEETING

Our next meeting will be Monday, May 5. The meeting of May 19 will be nomination of officers for the coming year. The election of officers will be held Monday, June 2. Why not make a special effort from here on to attend all of the meetings, that is to say, May 5 and 19th, June 2nd and 16th.

Have you been satisfied with the work of your officers in the past year? What would you add, which, in your opinion would be beneficial to the Council? It isn't necessary that you should attend meetings to ask these questions because we learn that even those who don't attend many meetings seems to keep in close touch with the Council.

PLEASANT NEWS

It is pleasant to report the marriage of one of our young active members, Adolph C. Stecher to Elizabeth Veronica Bonek at St. Constance church. Reception followed at Michael Todd's Theatre Restaurant where a large gathering of friends attended. The happy young couple left the following day for Miami, Florida, for an extended honeymoon. The officers and members of the Council wish them both God's speed and a safe return. Brother Stecher is connected with the Railway Express Co.

We were glad to see James McParland at our last meeting; so, too, Rudolph Diblik. Oh, yes, we missed many of the regulars, but they have done so well that we are not complaining.

Brother Harry Dean continues to set the dizzy pace for our barbecue efforts. He is not unlike a great pitcher or hitter in a ball club who carried the team along and makes it appear to be a really going organization. Well, we could use several pitchers, a few outfielders and one or two to play the infield.

Until next meeting let us take an inventory of our own efforts and if it is good to be alive, and it is, and if you agree that activities serve to keep one on the alert, why not give Illinois Council just a few hours of your time each year. You will learn that it pays. Oh, yes, please don't forget to be present at 8 o'clock Mass, Notre Dame church, 1335 Harrison St., Communion Sunday.

Attend Genon's Cabaret Party at the Southmoor Hotel Sat., May 3.

KNIGHT LIFE

We regret that we have neglected to inform you of the illness of Tom Mahoney. Brother Mahoney, who is one of Chicago's finest, has been confined to Alexian Brothers Hospital for the past month. He expects to return home within the next few days. Our sincere wish for a very speedy recovery. . . . Jim Clancy's youngster, Jim, Jr., is a member of the world famed Paulist Choir. Columbus in Annual Communion Sun. at St. Jerome's Church

2-4 Tues. . . . . 6932 N. Clark St.

Next Sunday morning, the members of Columbus Council will gather in front of St. Jerome's Church, Lunt Avenue and Paulina at 7:45 o'clock and proceed in a body to seats in the center aisle that have been reserved for them. As this is the occasion of the Annual Communion Sunday for the Knights of Columbus it is the desire of your Officers that we have a hundred per cent attendance at this Mass, which has been set aside for us.

You might be able to give us some good reasons for not attending meetings and why you are not interested in the activities of the council, but this is one day that you have no alibi.

Doc Schuler has arranged a COMPLIMENTARY BREAKFAST at the Sovereign Hotel, with ham, eggs and all the trimmings and everybody is asked to ride over and join the merry crowd immediately after Mass. This breakfast is absolutely free to all of our members and we would like to see all who receive Communion come over and partake of a good breakfast and smokes in our little get-together. If you do not have a car, ask any of the brother knights who have one, and they will gladly see that you have transportation.

Do not forget next Sunday morning, May 4, at the eight o'clock Mass at St. Jerome's Church, Lunt and Paulina. Our Chaplain, Father John Hayes will be there to greet us and we want to show him that we appreciate the assistance that he has given us during the past year.

I wonder if I met you on the street and asked you about your Barbecue efforts what you would say? Well I have heard about ten different answers already and before I run into you, perhaps you better be prepared to tell me that you are working on it.

You can give no valid reason why you should not do your best for this worthy cause, so you might as well start on it now. John Coffey has made returns from New York, Art McGivern is working on his third book, Al Irving, our chairman, will get rid of five books and you, how many? Give this some thought, brothers, you will be surprised how easy it is once you start.

PICK-UPS

Doc and Eddie came to my rescue this week with much news, but with the importance of our Communion Sunday and Barbecue Drive I will have to put a few of the items off until next week. However, they tell me that "Hole-In-One" McGivern was at his best at our last meeting and when Art is good, William Jennings Bryan has to take a back seat. The two "Dukes" of the council, Roche and Schuler will be at Aurora next week at the Annual Meeting of the State Council. Bob Cookesley, son of our own Bill, was married Saturday, April 19, at St. Ignatius to Miss Joan Wanecke. Congratulations, and best wishes to the newlyweds. Fred Sextro after some forty years of bowling finally won a championship. Gee times have changed, I remember the days when Joe Gabler use to teach Fred how to roll a ball down the alley, but remembering the expression of one of our former greats, "once a bowler always a bowler," I congratulate Fred. Remember next Sunday is Communion Sunday.

ST. PAUL HAS PERFECT COMMUNION TURNOUT

1-3 Tues. . . . . 6713 Olmsted Ave.

Our annual communion Sunday has gone down into the records as another successful accomplishment. To you men who made it possible to continue the fine record of St. Paul of the Cross in this all-important matter go the sincere thanks of the committee and the officers of your council.

We are told by Bro. Geo. Wallenborn, to whom was given the chore of securing those 200 buttonhole adornments we referred to in a previous issue, that he was indeed sorry to report that there were 25 of them undistributed. And to Bro. Joe Wiltgen the committee extends its thanks and appreciation for the donation of the gardenias. Al Bernart was on the job taking the "movies" of the procession into the chapel and to the breakfast room (so as to get those he may have missed) after mass and then of the gathering at breakfast. You'll see those pictures one of these evenings if you attend council meetings regularly.

COUNCIL AFFAIRS

MAY 8TH is the date set for the party for the council keglers in the council chambers. That will be Thursday of next week. You will not receive any further notice in the column so please remember the date, Thursday, May 8. This party will be on Bill Schneider, proprietor of the Edison Recreation Rooms, where the council keglers hold their Thursday evening sessions from early September until late in April.

COUNCIL SPRING GOLF TOURNAMENT is only three weeks away. It is at this tournament that the magnificent trophy donated a year ago by that stalwart, Bro. Wm. J. (Alderman) Cowhey, will be played for—that is the second chance for a leg of it—Geo. Harbert having won the first year's possession last spring. Permanent possession goes to the council member who first wins three events. This is a keen trophy and one you will be proud to have on your mantel.

So bear in mind the Century tournament Sunday, May 25, at Techny Fields. The fee, to be announced later, will include all-day golf and dinner in the evening. Arrange your foursome now; bring your friends; this will be stag.

JIMMY DALTON informs us that the softball team is being organized and expects to get under way next week. If there are any of the boys who are interested in getting on the team, please call Jim (Newcastle 2935) evenings. There is a lot of spirit in the youngsters who

St. Anthony Looks for High Batting Average in Barbecue Campaign

1-3 Thurs. . . . . Schiller & Gustave

Our Barbecue Batting Percentage is 114 and returns are coming in steadily so our batting average is increasing day by day. You Brothers, who have not as yet started your drive, get busy and send returns to our Financial Secretary. Let s bring that average up to 1,000.

Our Worthy Grand Knight, John Deignan, and P.G.K. Mike Flynn will leave for Aurora, Sunday night to attend the State Convention. They would like some company, so any Brother who cares to go, should get in touch with Bro. Deignan and make the necessary arrangements. The convention opens Monday morning, May 5, with a Mass at 9:00 A. M. How about driving out to Aurora that morning for the parade and the Mass? Hope to see you there.

Last Tuesday (April 22) six more of our candidates received their First and Second Degrees. They were taken to Cardinal Council for these degrees where Cardinal's degree team operated in its usual efficient manner. After the meeting the Lecturer had prepared entertainment of the type that is always enjoyed. We wish to thank Cardinal Council for its hospitality.

These same six candidates received the major degree at St. Philip's gym last Friday. It was a very nice degree and was well attended by our members.

We hear that Wm. Gehl, father of our new member Harris Gehl, is transferring to our council from Mason City, Iowa. We give you a hearty welcome, Bro. Wm. Gehl.

Have you remitted your dues for this quarter? Bro. Ed. Scheitler is waiting patiently. See him soon.

played last year and with the addition of a few likely prospects should make a good showing this season. In addition to the K. of C. league, the boys will be found batting it out in the local Edison Park lineup.

WE HEAR THAT—

Pop Lally and the family have taken a cottage on Fox Lake for the summer. Getting an early start, eh Pop? . . . Milt Kuehn's son, who has been a steady filler-in during the bowling season, set the pace for the boys in the sweepstakes last Thursday. This boy has all the earmarks of an excellent bowler and is sure to make the council majors in a few years. We're taking for granted that Milt will see to it that that is possible. . . . Joe Guenther's future son-in-law (?) gives a good account of himself on the alleys also. . . . Val Ziegler had an "off" night last Thursday. Take him away from that gang of his and Val is lost, or maybe "it was something he et, no doubt." . . . The last paragraph in Madonna's column, issue of April 25, was just like a note from the auld sod. (We never did find out what significance, if any, Ray, Art and Clarence meant to ye editor — maybe uncle or somethin'.) Green Bay—Ah! that was a place! Where men were men and women were glad of it! We feel sure that PGK John P. Quigley of St. Philip Neri Council will express the same sentiments. (There're a few more Green Bay lads out in University Council, and several others scattered around different councils here, Pete. We'd give Ireland back to the Indians—and throw in everything "back of the yards"—if we could have a "quick one" up at Rahr's on the bonnie banks of the Fox.—Ed.)

Ouilmette's Communion Planned for Fathers and Sons Next Sunday

2-4 Mon. . . . . 1215 Wilmette Ave.

Ouilmette Council had a meeting tonight and everybody was present except the scribe. He was too busy at home doing remodeling, and trying to settle things after moving from Evanston. So now brother knights instead of not calling at my old residence in Evanston, be sure to call me at 1519 Washington Ave., or telephone Wilmette 611.

Even though your scribe did not attend the meeting, Brother Knight Martin Braun dropped by after the meeting and reported that he had a wonderful time. Our new District Deputy Ed. Jeffers attended and was given a fine reception. Brother Braun states that we have a good D.D.

The most important announcement is the Communion Sunday at St. Francis church, Sunday, May 4. This is a "Fathers and Sons" Communion, followed by a breakfast.

Brother Braun also stated that the pictures of St. Mary's Training School were also very interesting, as well as the lecture given with them.

Results of last Thursday's bowling were: Ace Motors, 2; Wilmette Theatre, 1; Larry's Haberdashery, 2; Wilmette Ice, 1; Bungalow Tavern, 3; Wilmette Battery, 0; River Inn, 2; Altens, 1; Braun Bros. Oil, 2, and Meier's Tavern, 1.

With these results and only one night left to bowl, the Wilmette Theatre team is officially the champs. With the superb bowling of "Mac" Menghenelli, Jack Miller and Tom O'Rourke, all three of whom hit 15 to 25 pins better than last year's average, and the steady guiding hands of Joe Lechner and the wonderful work of anchor man, Al Schaefer, the team took first place early in the season and held it straight to the end.

On the other hand, Frank Meiers' Tavern team started close to the top and even though rated a good team has no chance whatever of getting out of last place.

Ketteler to Hold Communion at St. Ludmilla's

2-4 Mon. . . . . 3437 Ogden Ave.

SUNDAY, MAY 4TH IS COMMUNION SUNDAY!

The council will receive Holy Communion in a body at St. Ludmilla's Church, located at 24th St. and Albany Ave. Mass will start at 8:30 but everybody is cautioned to be there no later than 8:15. This is necessary so that some semblance of order can be maintained. After Mass, breakfast will be served in the school hall.

The L. G. A. Club will act as escorts into the church. All Fourth Degree members are requested to be properly attired, with baldric and sword and a black bow tie.

Because of the great interest evinced by our Worthy Chaplain, Father Derwinski, this is a splendid opportunity to show him in a very concrete way, how well his lessons and his teachings are being heeded. Heed the admonitions of our State Chaplain, also our council has always been known for its splendid turnouts on Communion Sundy. Make this coming Sunday one that will live long in the memories of our brothers.

BARBECUE COMMITTEE

Some returns have been made—books have been sold but as yet we have hardly scratched the surface. Much hard work remains to be done if we expect to make the goal we have set for ourselves. 500 books! That is our aim and unless the committee meets with greater cooperation on the part of the membership as a whole we are destined to bitter disappointment. The success of this venture will not only insure and foster a great charitable institution but will enrich the council by many dollars. If, for no other reason, let us assume a purely mercenary attitude and benefit individually also. They say that "one hand washes the other." That certainly would be true in this instance. A monetary gain for yourself, for the council and for the Underprivileged Youth Fund!

Bro. Joe Milas, general chairman of the Barbecue Committee eloquently pleaded at our last meeting for your support. Let us give it to him wholeheartedly. If you wish additional books see Joe Sunday morning or drop him a line at 1212 S. 51st Ct., Cicero, Ill.

COUNCIL ACTIVITIES

SOFTBALL season is upon us! This year great things are expected of the team because of new blood in its ranks and seemingly some very promising young ball players have already shown a tendency to make the veterans hustle to keep their positions on the team.

All home games will be played at Douglas Park across from St. Anthony's hospital. Practice is being held every Tuesday and Thursday evenings. Bro. "Mooney" Wenckowski wants any and all members who wish to report there for a try-out.

MEMBERSHIP—The drive for new members is still on though applications are not forthcoming as rapidly as they had. We need a very great many more if we expect to fulfill our quota by July 1st.

Last Friday night at St. Philip's gymnasium we witnessed some fifty-odd brothers take the Third Degree. A most successful degree it was too and to quote Father Makaras who took it by observation, "It was worth a hundred dollars."

BOWLING

Our bowling season is over! But our deeds live on. In our midst we proudly hail the champion of the National Knights of Columbus Tournament. Bro. Wally Wisniewski firmly established himself in first place when he rolled a 726 series. Many tried but none succeeded in displacing him. It goes without saying that we are very proud of Wally, of the prestige and honor he has brought to the council and of his swell sportsmanship. May he go on to bigger and better things.

Bishop Ketteler Majors also maintained their second place standing through to the end. To them we also extend congratulations and the sincere thanks of the council for their splendid showing.

Word has been received by your scribe, that our Worthy Lecturer, Bro. Gersch is rapidly recovering from his recent illness. He has been able to go for a short walk on these sunshiny days so it looks very much like it won't be long until he is again able to attend our meetings and perhaps donate a mite to the Chinese Mission Fund.

Blue Island Looks to Fine Softball Season as Players Check In

1-3 Tues. . . . . Gregory & New

Now that the Sox and the Cubs have opened the baseball season officially, it looks as if it is about time for Blue Island Council to get its boys out for spring training. The prospects for this year's team look very good with all the boys from last year's team returning, plus the new members obtained Palm Sunday.

In order to get the boys together so that they may make their plans for the coming year, our next meeting will be called SOFTBALL NIGHT. We urge all brothers who would like to play to attend this meeting, and for those who don't play we would advise you to be there too as Co-Lecturer Weiland has one of his surprises on tap for everyone.

Don't stop now, boys, keep up the good work on those Barbecue Books. Let's go over the top on our quota of one book for every member. It's not hard! If you do this, Blue Island Council can be proud of doing its share for the poor underprivileged youth of Chicagoland.

On last Sunday, Mr. and Mrs. Frank Boyd, Sr., celebrated their 48th wedding anniversary. We congratulate them both and wish them all the happiness they deserve. Frank, a P.G.K., is the father of G.K. Dan and Bro. Ed and Justin Boyd.

The movies taken at the Bowlers Banquet will be shown at our next meeting.

SICK

Just received word that Bro. Robt. Harmon, Sr. suffered a stroke. We hope that he will be up and around again in a very short time. Bros. Dick Walsh and John Meehan are both coming along in fine shape. Dick returned to his home on Sunday and John is to leave the hospital some time this week. Keep up the good work, boys, we'll be looking for you in the card game very shortly.

The council was deeply grieved to hear of the death of the father of Bro. Wm. Gerdes, Sr. To the Gerdes' family we send our sincerest sympathy and may the soul of the departed rest in peace.

Brownson Communion Service Next Sunday; St. Vincent's Church

2-4 Fri. . . . . 4754 N. Western Ave.

With the thought in mind of the first point in the Knights of Columbus 5-point Program of Progress, Catholic Activity, a public demonstration of faith, a sincere love for our Lord in the Holy Eucharist, our members will gather tomorrow morning, Sunday, May 4, at 7:45 o'clock, in front of the De Paul Lyceum building 2235 Sheffield Ave., from there to march in a body to Brownson's annual Communion Mass at St. Vincent's Church, Sheffield and Webster avenues.

This yearly affair brings together our brother knights from all parts of the city, and Grand Knight Thomas V. Casey, and Catholic Action Chairman James O'Byrne look forward to seeing the largest attendance in years. A professor from De Paul University will be the guest speaker at breakfast which will be served in the De Paul cafeteria immediately after Mass gratis.

GOOD WORK

A number of members made barbecue returns at our last meeting and Chairman Frank Kohler would like to see another fine showing at our next meeting. At this meeting Frank is going to give away a paid all-expense week-end at Mayslake, Hinsdale, Ill. The more books you have turned in the more opportunity you will have of spending the week-end of May 16-19, the date of our annual retreat, free. P.G.K. Kohler, who is also chairman of our retreat, would like to hear from those who plan to make the retreat this year, NOW, as reservations are limited and they are rapidly being taken up. Frank's phone number is Pensacola 2030.

Bro. Jim Tinney, who was to be present at our last meeting with his famous Pabst Blue Ribbon bowling team, is in a hospital in Homewood, Ill. We hope it is nothing serious and that Jim can pay us a visit soon. Bro. John Leech, whom we reported last week as being in the Alexian Brothers hospital, is now home but minus a little weight.

G.K. Thomas Casey and P.G.K. Ed Kane will attend the Illinois State K. of C. Convention at Aurora next Monday and Tuesday. It will be of interest to hear their report at our next meeting.

Congratulations to the new champions of our Council bowling league, the Cullom Club. After a hard uphill fight all season they finally nosed out last year's champs, Gartner Tailors, by one game. It was a tough race for the Tailors to lose, but they took their defeat like the champions they are.

Bro. Joe Gartner, sponsor of the Tailors, will be lost without having the trophy in his shop window, but his loss is Bro. Bill Fergus', sponsor of the Cullom Club, gain.

The bowlers and the sponsors climaxed a very successful season with a banquet at the Aldine Hall. A good time was had by all. Our major teams in the North and West Side K. of C. leagues finished in second and first, respectively, and will represent Brownson in the roll-off for the city championship at the C. Y. O. alleys, Congress and Wabash Aves., Tuesday, May 13, at 8 o'clock.

They would like to see a large number of their brothers in the rooting section. Brothers Wm. O'Neill, Charlie Lannon, Joe Dvoratchek, Frank Laske, Andy Schmitt. Al Long and Marshall Matz are shooting in the A. B. C. at St. Paul this week-end on the Tinney's Pabst Andeckers. We wish them luck.

Feehan in Annual Communion at St. Angela's Sunday

2-4 Tues. . . . . Hamlin & Madison

Feehan's Annual Communion Day is this Sunday, May 4. We will receive in a body at the 8:00 o'clock Mass at St. Angela's Church, Potomac and Massasoit Avenues. If you haven't given this matter any thought as yet, you still have time to go to confession and be among those present on Sunday morning.

We cannot urge you too strongly to do so, as no activity of Feehan Council is of greater importance. G.K. Jim Collins and Chairman Walter Brouder of the Catholic Action Committee, are anxious to improve on the showing of recent years, so let's do ourselves a favor by joining the crowd outside the Church at 7:45 A. M.

ANNUAL DANCE

Chicken dinner, floor show and dance in the usual Feehan style will be dished up on Saturday night, May 17. The tax has been set at $1.75 per plate. As has been customary in the past, a diagram showing the location of the various tables will be held by the chairman, and you will select your own table as your reservations are paid for—first come, first served.

Get in touch with your friends now and call or see Joe Collins for your reservations. Oh yes, the place will be the old reliable main ballroom of the Mid-West A. C.

MEMBERSHIP

A special meeting of the officers and Membership Committee was held on last Tuesday night to discuss ways and means of securing new blood for the organization. This is a problem which has never seriously bothered Feehan Council in the past. At least, the quota has always been achieved with relative ease. Not so this year of 1941, however, and hence, it behooves you loafers to get on your toes and start punching and keep punching—until we're over the top.

At last meeting Chairman Ed Morrissey took the floor and delivered an impassioned plea for co-operation in the barbecue. Ed stressed the necessity of getting to work early, rather than procrastinating until the last minute. Among those who gave him something to cheer about by making early returns were Em. Gorman, John Dooley, Jimmy Shea and Turk Fogarty.

WE'RE BLOWING

Off the welcome mat for the following members who have recently transferred into Feehan Council: Joe Michaels, Art McQuillan, Frank Engel and Art Murray. And while it's out, let's also welcome Bro. John Riley who hopped a freight all the way in from far off Berwyn to be with us last meeting. Another member who honored us with his presence at said meeting was Charter and Honorary member, Bro. John Reidy, one of Feehan's first officers, who was especially welcomed.

Good news has been received to the effect that Tony Tamburrino's daughter, who had been hospitalized with pneumonia, is back home and feeling better, thank you. We also learn that Bob Mullin's mother has returned home from a stay in St. Anne's.

Golf is just around the corner and will probably arrive before prosperity, so Augie Tamburrino is prepared to present a program for the coming season at next meeting. Fogarty will unwrap the magic lantern and reveal his Indianapolis travelogue at this session too. First time on any screen. Can you take it?

Next time you kick over a waste basket, sift the contents and see if you can come up with a set of by-laws. Chairman Walter Brouder misplaced a set and can't remember where, and at last meeting the council refused to adopt a code of iron and steel workers rules, which he substituted in its stead.

Now that the season is practically interred, the Feehan Majors have begun to bowl. With the dampness of the cellar seeping into their pores, the lads took a complete series from Hughes last week. Just when we were looking for "rigor mortis" to set in, too.

In the state tournament at Windy City last Saturday, (booster division) both Feehan entries finished in the money. The number 2 team came out on top and the Majors finished third.

Congratulations to P.G.K. Bro. Wilbert F. Crowley, who celebrates a birthday this week.

Australia seems to be more immune to earthquakes than any other continent, but slight shocks have been felt there, including some heavy earthquakes on the northern coast.

De Soto Birthday Celebration Hits Top as Fun Feast

Fri. . . . . Clark and Belmont

Well, I guess our wild and supposedly ressive braying in this column of what anniversary celebration was to pro- e for the members was somewhat mild tame in comparison to the splendid ty and attractive program dished out the boys on last Thursday night at St. honsus' School auditorium. The party, commemoration of our 41st anniversary the Knights of Columbus, was truly a nd affair.

Preceding the dispensation of some deli- is and tasty spaghetti and meat balls a very entertaining and interesting w staged by that engaging and versa- radio and stage star, Vincent Gott- alk. With his magic hands and his ally magic memory together with the assistance of Bros. Herb Kaspar, ester Popke and Rip Hageman, who e irreverently referred to as his ges (and they took it quite good- uredly at that), he bombardedd the s with some rare bits of legerdemain, the same time unearthing some real rty laughter from the more than 500 hers present.

fter an appetizer the boys uncorked r appetites and did a mean job on the ghetti and meat balls, which bore the op of approval of no less an expert Bro. Joe Saccone, for which we are dly grateful. Many visitors were pres- including a large contingent from St. day council led by its grand knight, Maggiori, Marco De Stefano and Joe Rocco. Accompanied by their own , this group aided in completing an ing loaded with fun and entertain- t. Congratulations, Joe Cella—a peach party.

BISHOP'S TALK INSPIRES EDITORIAL

Chattanooga.—The Chattanooga Times tly published an editorial praising an ss by Bishop William L. Adrian of ville in which he urged the state to more intelligent care to delinquent les.

UNIVERSITY PUSHES BARBECUE EFFORTS

2-4 Tues. . . St. Ignatius Auditorium

Chairman Jim Dolan's Barbecue Committee is rivaling the busy beavers in their efforts to push book sales among University members. John McGuire has sold five so far, but says he still has time to sell forty more—there's a mark to shoot at! And if John can sell half his self-imposed quota, the rest of us can certainly sell one apiece.

THIRD DEGREE

The University sponsored Third degree exemplification for the North Side councils was a great success. Some seventy candidates went through the inspiring lessons under the direction of D.D. Garrity and Bill Murphy, whose degree work as always was beyond compare.

The banquet following the degree was also a big success, though many more brothers could have been accommodated. Under Chairman John V. McCormick the program went off smoothly and expeditiously. Brief talks were made by our State Deputy, Judge John Bolton, in whose honor the degree was held, State Secretary Leo J. Flynn, Alderman Frank Keenan.

The climax of the speaking program was the address of our brother, Right Rev. Monsignor J. G. Kealy, pastor of St. Gertrude's church. Monsignor Kealy's address will long be remembered, especially by the candidates of the day. Lecturer Curtin interspersed the talks with several choice bits of entertainment: songs by our own University candidate Casey, a one man vaudeville show by Willie Bob Smith and a monologue by Chic Thomas who claimed to be the tail end of the "Big Parade." The worthy Lecturer also had some sort of a surprise entertainment, but because of the unwarranted interference of one "Scrooge" Dillon, the F. S., Jack was unable to unveil his surprise.

ALL SPORTS NIGHT

What the ex-Scribe-Sports Chairman-Advocate can do when pushed into a corner by the jibes of the G.K. was shown at the open meeting on Tuesday, the 22nd. Due to the stress of Selective Service duties we missed John Carmichael's interesting and amusing talk but the council chamber was still buzzing with words of praise for Moore's old schoolmate when we made our tardy entrance. What a good many members missed, however, was the knowledge that the scintillating wit of the "Barbershop" proprietor was nurtured into its present excellence by his long association with the Advocate during their school days at Campion.

The second round of the evening was devoted to the showing of Lou Fonseca's American League movie, which evoked loud, long and repeated applause. Had a White Sox season ticket seller been at the door he would have been able to sell a lot of his wares to the North Side fans after they saw the picture.

The third round was a free-for-all wrestling match by members and guests for the sandwiches and liquid refreshments supplied by Lecturer Curtin and catered by Warden Dasse. In this event the members won out from the guests by a wide margin, their success being due undoubtedly to their familiarity with the terrain and the various obstacles to be encountered on the way to the table.

SOFTBALL—Our calendar calls for the opening of the softball season at Legion Park next Sunday, May 4th. The sports chairman, it is hoped, will have all the bats and balls out of his hiding place and over at the park in time to start promptly at ten o'clock, and we don't mean 10 p. m.

Chicago Expects Large Attendance at Annual Communion This Sun.

2-4 Tues. . . . . 64 E. Lake St.

Sunday, May 4, is the annual Communion Sunday for Chicago Council, No. 182. Eight o'clock Mass at the Church of the Immaculate Conception, North Park Ave., between North Ave. and Schiller St. Our Chaplain, the Rev. John A. Fleming, is pastor and will be on hand to greet us.

The attendance at this annual Communion Sunday gathering has been growing from year to year. Some who have found it difficult to attend the regular council meetings because of their occupations or the inconvenience of night travel, are among the first to turn up at these real "home-comings." The privilege of hearing Mass and receiving Holy Communion in company with their fellow-members, the spiritual uplift which goes with attendance at Mass in a church we are not accustomed to; the early-morning trip from home. And then after Mass, the appetizing breakfast (served gratis) in the great school-hall with the usual formula of quick speeches amid ascending billows of fragrant tobacco smoke. Well, if you have never been with your council on Communion Sunday you ought to try it just this once.

Any surface car transferring to No. 22, No. 1, No. 3 Taylor-Sheffield, or North Ave., will land you conveniently. The "L" locals (Ravenswood on Sunday) drop you off at Schiller St., just around the corner. Motorists find good roads all the way.

The weather has always been kind to us.

BOWLING

This is probably the next to the next to the last bowling report for the season. Our bowling scribe, Bro. Gus Caponi, says the major league schedule is tapering to an exciting climax, the two-to-one win over Sherman balancing with a two-to-one lost to Qnigley last week and Hughes coming up this Friday poised to trim us (?) with their all-star line-up led by Tony Slanina. Well, if our boys are now awed in the presence of Tony and cohorts, Al Kowalski, Frank Kaminski, et al., we might be able to congratulate them next time we see them. And the big wind-up takes in the scintillating Brownson aggregation with their mighty Joe Sinke (last year's ABC double champ and current member of the Pabst Blue Ribbon championship wonders).

By the way, in our own local league, the "Sweepstakes" closed festivities a couple of weeks ago and Jack Caponi (who doubles in as chairman of our Barbecue committee) went home with the top prize and Gns, our faithful, hard-working Scribe (so we learn from other sources) landed in second place. And so, till next fall.

Oh, yes. Joe Aurvek and Gus Caponi did right well at the ABC Tournament in St. Paul. On the 17th and 18th, the team ran up a nice 2830 and Joe and Gus both placed in the doubles. Then, in Indianapolis the team again gathered luster. A 2789 series. Sam Carroll 606 in the singles and Gus Caponi 604. Aurvek got 589 and Leo Franz made 571.

Our next meeting does not occur until May 13th. It will be "Sponsor's Night" in honor of the members who are responsible for bringing in new candidates during the past few years. There will be suitable festivities with a bit of a snack to allay your hunger and thirst.

Co-Chairman Jack Caponi and Charlie Schroeder and their wide-awake committee are keeping the Barbecue fresh and fragrant. Re-fills are going out regularly now and we are beginng to hear from more and more of our members. If our members could have contact with the wonderful work our Bishop Shell is accomplishing with what he has received from the Barbecues of last year nad those of earlier date, they would become high-class, energetic salesmen for the Barbecue overnight.

Oak Park Begins Now to Launch Successful Warm Weather Affairs

2-4 Mon. . . . . 641 S. Scoville

The meeting on Monday night was well attended and there were several of those present who seldom find time to be with us at our meetings. It is hoped that they will try to make it oftener.

Among the things that the spring weather brought out was the talk of golf and picnic. We are assured of golf in the latter part of May or the early part of June. The course has not been decided, but discussions are under way.

The picnic committee has been selected and will begin to function at once in order that this might be a picnic larger and better than any in the past, even though some were fine. The names of the committee follow: T. J. Stiel, chairman, F. P. Hansen, P. M. Smith, W. T. Schaefer, John Kallal, J. B. Tighe, Jos. Cagney, Wm. F. Bosley, J. B. Koehler, W. E. Gearen, Judge L. P. Gibson, Ed. T. Breen, Frank Ertel, J. Ensweiler, H. Ericksen, Joe Holick, O. L. McGinn, Joe McDonald, and J. Baker.

We learned at the last meeting of the serious illness of Brother Edward Devine. This came as quite a shock to us, imagining as we did, that Brother Devine was hale and hearty. However, we know that all of the brothers will pray that Ed comes home from Mayo's full of the old pep so that we can look forward to seeing that jaunty walk and that engaging smile at council affairs in the near future.

Brothers! Have you sold your barbecue book? John Bowman, A. Scheen, and C. B. Dolle were the three first this time. Some of the boys have requested the second book. Get behind this affair so that we can do our part in this very worthy cause. Call Bill Bosley if you want more books. All remittances should be made direct to him.

Next Sunday will be bowling reception to be held at the clubhouse. No word has been passed as to the amount of food that will be furnished to each customer, but it will be enough. There is no doubt that the hot finish will be fought over again. This year's race, as we all know, was the hardest fought in the history of the league and was nip and tuck right up to the last. All of the bowlers are urged to be present.

O'Connell Asks Large Attendance at Annual Communion on Sun.

2-4 Tues. . . . . Hill and Franklin

Greetings to Brother and Mrs. Frank Mauro and to their daughter Carmella, who was married Sunday to Mr. John Schmidt at St. Benedict's church. Our very best wishes to the newlyweds.

Congratulations to Bros. Cassato and Marino who were among the first to return their barbecue books. With this kind of example our Council should be on top of the percentage listings this year. Our goal is 75 books, and if we obtain it, our council will rank No. 1. Let's get going.

Our good old friend, Bro. Joseph Tontillo, is out of the hospital again. He was up to our last meeting and looks better now than he has for a long time.

Bro. Michaels, one of our old, old-timers, was in attendance last meeting and promised to come up more often.

Don't forget Easter Communion this Sunday, May 4, at old St. Joseph's church, 9 a. m. After Mass breakfast and a very short meeting are in order. You have, during the past week, received your notice of this Communion in the mails. It is hoped that you made use of your cards, so that the lecturer will know exactly how many to arrange for.

Remember that if you do not attend with the council in a body, you must produce a written certificate signed by the pastor of the church in which you make your Easter duty, or you will necessarily and by virtue of our by-laws, not be eligible to the benefits of membership.

Please brothers, let's make 100% attendance at this most important event. All the money in the world cannot save your soul, this Easter duty which you are by law of the church bound to make, can and will.

Our meetings are becoming more and more interesting, entertaining, refreshing and profitable. I say profitable because at our last big meeting young Bro. Jos. Meier and G.K. Bro. Tim Clifford each carried away an extra simoleon, their names being drawn from the proverbial hat (it was a hat, too). Then we had our usual refreshments and sandwiches.

So don't forget Sunday and Communion, the Barbecue and next meeting, May 13th. The council read and balloted on favorably the applications of Robert A. Heger-Goetzl, proposed by U. Marchesi; Victor Graziano by S. Bongiovani, and Victor Scimeca by Edw. Gauna.

"SUNDAY BUNDLE DAYS" WIDEN DE PAUL CHARITY

Detroit.—The Central Clothes bureau of the St. Vincent de Paul society in 1940 gave away 47,124 articles of clothing valued at $18,000 and contributed $12,608 in cash to special de Paul works, it was revealed at the society's quarterly meeting. "Sunday Bundle Days" held by parish conferences were of great assistance in gathering material and many schools helped in this venture. Fifty-one bundle days were held in the year, and it is planned to continue them.

Newman Expects 200 at Communion Mass and Breakfast Sun.

1-3 Thurs. . . . . St. Mary's Hall

Sunday, May 4, is the date of our annual Communion Sunday, at St. Nicholas Church, 8 o'clock Mass. Breakfast will be served after Mass and every brother should make it his duty to receive communion with us as a mark of esteem for our new Chaplain, Father Mockenhaupt. Remember, 140 members turned out last year, so let's make it 200 this year.

Guests at breakfast will include the newly elected Mayor, Burt Ingraham of Evanston, and Gale Sullivan, former secretary of Mayor Kelly of Chicago, for whom he will be pinch-hitting due to Mayor Kelly's inability to attend.

WELCOME NEWS

Last week we were happy to learn that P. G. K. John J. Corcoran, a distinguished member of our council, had been honored by being selected chairman of the very important Parks Committee of the City of Evanston. This Committee is responsible for the execution of the extensive Parks and Playground and Recreational program of our city. P. G. K. John J. Corcoran has long been an advocate of the Principle that the youth of our city is its greatest asset and that any amount of effort is worthwhile to promote a program of outdoor play and recreation that has for its object the development of health, character and Americanism amongst our young people.

Working with P. G. K. Corcoran will be Brother Charley Byrnes who has always been a staunch and ardent worker for Newman Council. Charley has been superintendent of the Bureau of Recreation for the last ten years and is a recognized authority on Recreational program administration.

LEST WE FORGET

The barbecue will never be a success unless you do your part. Bishop Sheil and our council can use the money which your efforts will procure. See Brother Joe Jans or Wally Gehant for more books.

BOWLING

Our bowling season will wind up on Tuesday, April 29th. It is still a toss-up for the top spot with three teams within striking distance. Ridge Cleaners have a slight advantage, being a game ahead of Schaeffer's, and two games ahead of Zicco's Clippers. Standings at present are:

	W.	L.		W.	L.
Ridge Clrs.	54	36	Wieldand Flor.	46	44

On Tuesday, May 6, the bowlers will have their annual sweepstakes. Singles and doubles. Bowling will start at 8:00 o'clock. Three games will be bowled and counted for both events.

NEWMAN NEWS

Bro. Doc Valko will say goodbye to single blessedness when he says, "I do" on May 14. **Pat Craig** is also on the verge; his big day will be May 10. **George Amidon** will celebrate 25 years of wedded bliss, early in May.

John Remick is now a granddaddy. My, how time flies, eh, John?

Mr. and Mrs. Byrnes are the very proud parents of a baby boy, all three are doing nicely.

Bros. Tom Sullivan and James Shea will leave next month for the army. Looks like you brothers in Evanston will have to go down to the P. O. for your mail after this. Tom's brother, Phil, joined recertly so that he could be with some of his buddies. They reported to Ft. Sheridan from whence Phil was sent to Tennessee and his buddies were sent to Michigan. Some luck.

NEWMAN MYSTERIES—Why is Gene Amidon moving to larger quarters? Why do they now call Tom "Mix" Stark, "Two-belt Tommy"?

Why does Joe Gianinni now cook "Bratwurst" with his spaghetti?

Why don't we hear more of Tom Steigelman? He is the real power behind your news column, brothers, the best Chairman of Publicity we have had in many a moon and no one knows it.

K. of C. Softball League Delegates Will Vote on Ball Adoption Next Fri.

BY JOHN E. MINER

The K. of C. Softball League is looking forward to a very successful season as entries are being received from a number of councils, giving an indication of the setup for the various sections of the league. There are still a large number of delegates' letters missing, however. It is of utmost importance that these letters—containing the names and addresses of the delegates, alternates, manager and location of playing field, be turned in to the secretary, John Burke, as soon as possible.

LAST MEETING

The attendance at the last meeting was the best of the year. Delegates from Weber, Ft. Dearborn, Auburn Park, St. Cyr, Damen, Barry, Leo XIII, Calumet, St. James, St. Patrick, Illinois and St. Philip Neri were present. There was a discussion on the playing rules and possible revisions for the coming season. The officers of the league were indeed happy to see Bro. Jack Fanning of Leo XIII Council present at his first meeting since his illness.

President Joe McGreal announced that the official ball for the 1941 season would be adopted on May 9. Letters are being mailed to various sporting goods houses who will send a representative with samples of their products. The delegates will then vote for their choice. The ball receiving the most votes will be used exclusively. To avoid any possible criticism of the ball selected all delegates are urged to attend this meeting and to exercise their vote.

SEPARATE TYPES OF EDUCATION FOR BOYS AND GIRLS ADVOCATED

Cleveland, Ohio.—Separate types of education for boys and girls designed to fit them for their work in life were advocated by Dr. Henry C. Schumacher, former president of the National Catholic Family Life Conference, in an address to a one-day Family Life conference held here under the auspices of the Cleveland Deanery Council of Catholic Women. He frowned on the present system of coeducation for adolescent boys and girls as productive of many distractions. He urged separate schools for adolescent boys and girls, with frequent opportunities for them to meet for social activities. "Girls should be given a general education, but their education should be in terms of homemaking and caring for children," he said, "while boys should be given an education in terms of the business, trade or profession they will enter."

Positions Open for Sons of K. C. Members

The Western Union Telegraph Company has several vacancies in its messenger staff open to young men between the ages of sixteen and nineteen who can furnish good character references. Sons and friends of the Knights of Columbus are particularly invited to apply for work with the company.

According to records of the company, Western Union Messenger Service has long been a medium through which capable young men have been able to secure remunerative employment until such time as they are able to assume more responsible positions in the business world.

Anyone interested in applying for the work may call the Chicago Chapter, 173 W. Madison St., Franklin 4834, for full particulars.

New Assistant Manager

Henry Kaminski, associated with the Bond Clothing Company here since 1933, was recently appointed assistant manager of Bond's Oak Park store where he has served since 1937, the year the suburban clothing center was opened.

A graduate of Loyola academy and a member of St. Paul Council here, Mr. Kaminski is well known in the Chicago area. His promotion, following the recommendations of Walter Elliot, manager of the Oak Park store, and of Harry Abbott, district manager for all Bond stores in this area, is generally recognized as an acknowledgment of real ability and service.

Nearly two dozen members of the Bond staff in this locality belong to the various Knights of Columbus councils here; all managers of the five local stores are also members of the order.

San Salvador Members to Receive Communion Sunday; St. Anthony's

2-4 Mon. . . . . 24 E. 114th Pl.

Again we head this week's contribution to the Columbian with a few more remarks about our all-important Communion Sunday. The date, as you all probably are aware, is this coming Sunday, May 4. The place, St. Anthony's Church, the parish church of our Chaplain, Father Chiminello. The time, 8 o'clock Mass. Members are asked to assemble at 7:45 a. m. in the School Hall, immediately adjacent to the church, Prairie Ave. and Kensington Ave.

Those of us who have had the pleasure of joining the council in our previous visits to St. Anthony's Church can recall with a glow of pride the obvious pleasure our good Chaplain expresses on such occasions. We know that in previous years we have undoubtedly left a lasting impression on the parishioners of the various churches we have visited. In view of the fact that this is our annual Communion at the church of the Chaplain, we should exceed any previous attendance mark by a substantial margin.

At the conclusion of the Mass breakfast will be served to the assembled brothers. Again, therefore, we respectfully urge each one of you to do your utmost to be present at St. Anthony's Church this coming Sunday, May 4, at the 8 o'clock Mass.

RETREAT

Just one short week remains before another spiritual adventure of great importance will be made available to the members of San Salvador. Beginning next Friday evening a number of brothers will journey to the beautiful Retreat House at Mayslake to spend a highly beneficial week-end storing up graces that will leave a lasting impression upon each and every retreatant. To anyone who has not enjoyed the opportunity of participating in a Retreat at M lake, we urge you to join the brothers next week-end. Those wi to make the journey will please ar to be at St. Anthony's Church F evening, May 9, at 6 p. m.

full teams represented Hughes the Majors having bowled pre- ly. This was not up to the quota, very creditable showing. Most of owlers took the Hughes Special on Saturday morning from the I. ation, a few motoring down and others taking a later choo-choo. The feminine contingent, not as large as usual, was a very pleasant group. The teams bowled Saturday evening, followed by refreshments, singing, etc., as guests of the Indianapolis K. of C., in the luxurious club house. Sunday was taken up with Mass, doubles and singles bowling, with a final dinner party in the Hotel Warren just before train time.

AMONG THOSE PRESENT

It was a matter of sincere regret to all that Athletic Director Elmo L. Ward was compelled to miss his first tournament in a long time. Last week an attack of appendicitis forced Bro. Ward to a hospital bed, but only temporarily, for he recovered and it is hoped that with care surgery will be avoided. Needless to say the good wishes of all are extended. While in Indianapolis a group of the bowlers telephone Elmo Ward and he was profoundly impressed by the friendship and thoughtfulness, touched when the crowd chorused "he's a jolly good fellow" in everybody's best baritone.

The Ward Builder Golds, captained by Art Carroll, missed the sponsor, but the boys rolled well and had a fine time. As mentioned, Gilbert and Hustoles had a high doubles score, while George Daly, with 243 for a better-than six hundred series gave Joe Delaney a ride in the Doubles. Tom Dailey, also an expert, had a good series with the Lauterbachs and had a 190 average in the doubles and singles. Charlie Messenger had 674 for the Lauterbachs and Erve Lauterbach contributed 639, with consistent counts of 212, 213 and 214. J. Pahpa and Nick Mulroe completed the Lauterbach personnel. Nick is ever a brilliant bowler and lived up to his reputation. In the last game of the season, Nick bet on 200 and bowled it right on the head. Some boy, the Commissioner. Jerry Traynor, Raymond O'Brien, John Korbel, Tom McDonnell, Jack Fahey, Ed Gorman and a lot of others, John Reilly particularly, came through with big games.

The Tim Toomey Tavern team had the second highest total of the Hughes squad. G.K. Dr. Louis Postilion, D.G.K. George Daly and Chancellor Jim Ryan, all were alert to add to the pleasures of the trip.

IMPORTANT ITEMS

COMMUNION SUNDAY, May 11, will be held at St. Edmund's church in loving memory of Honorary G.K. John D. Raleigh. Chancellor James A. Ryan, chairman of Catholic Action, states the Mass will be at 7:45 a. m. Full details will be given in a special letter and every member is expected to receive the Holy Eucharist at St. Edmund's a week from Sunday morning.

REGULAR MEETING on Tuesday, May 6, with a Ladies' Night on May 20.

Barbecue Chairman George N. Daly thinks that if every member will get busy and do his stuff now, Hughes will make the best showing since inauguration of this wonderful undertaking to benefit the Bishop Sheil Underprivileged Youth Fund. The Barbecue will be held in Riverview Park on June 18.

Softballers, attention. Hughes Council's champs will take the field for another season very soon and every member who desires to play should get in touch with Athletic Director Elm Ward, Columbus 3503.

Sorry to learn of the illness of Bro. Charles Loome's daughter. Hope the little girl improves rapidly, or is entirely better by the time this is in print.

Loyola-Hyde Park Will Give Special Tribute to Mothers on May 11th

2-4 Thurs. . 7435 Cottage Grove Ave.

In tribute to the dearest person in the world, we have planned the most beautiful tribute it is within our power to pay. That is the receiving of the Holy Eucharist in her honor and with her at our side, or if this is not possible, in our hearts. Our committee has completed arrangements for Mother's Day, and it is our pleasure to relay the news to you. We will meet in the school at 6421 Woodlawn, where we will have flowers for the ladies, and from there we will march in a body to St. Clara's Church for 8 o'clock mass. After this holy exercise we will go to the Hayes Hotel, where a delicious breakfast will be served.

Following the breakfast, we will have entertainment and a general good time. Plan now to bring your mother, wife or, if neither is possible, bring the one dearest to you. It will be the most inspiring service you have ever attended and one which your mother will always cherish. We are anxious to have your reservation so we will have enough room for all. Contact Bernard Thompson at his floral shop at 456 E. 79th street, or call Stewart 3103.

The cost for breakfast will be 50c per person and this includes everything you can eat. Let's make this the most inspiring sight ever carried out by our council in its long and honored history. We are counting on every brother to be with us. If you cannot stay for the breakfast due to work or some equally important function, at least attend mass.

All aboard the Loyola-Hyde Park special. We have built a good head of steam and are headed for a record sale of barbecue books. Chairman Charlie Lawler says there will be plenty of inducement. If you sell your book you will receive a chance on two tickets to one of the night games at White Sox park (say, that sounds good), and if you sell three books you will receive two tickets to the victory banquet at the Sherman Hotel. How can you miss?

Of course, we really shouldn't have to offer inducements of this sort to make everyone want to work in order to aid the underprivileged youth of our area, and to aid our worthy bishop in his work of restoring wayward boys to society. However, we still like to reward work well done, so just send in your returns and you will get your chance or the tickets to the banquet. Let's give the boys a hand up, not a handout.

We offer congratulations to our newly initiated brothers and extend to them a most hearty welcome. They passed the test with colors flying. To our readers, let us introduce Eugene Vallee, a "G Man" of no mean fame; Don Lameraux, famous as a Notre Dame and Leo high cheer leader. Don also shares the honor of being one of the few living men who knows all the words to that famous classic, "The Old Brown Pants"; Ralph Jacobs, bowler extraordinary and our athletic chairman's young brother; Arthur Jehli, Jr., better known as "Bud," and his brother, Ray. They know the answers; Tom Epach, well known for his sterling work in the bowling league; Barney Farrell, who should know at least one verse of the Lameraux theme song, and Edward Heil, mystery man of the council from now on. The boys will soon take their third degree and are looking forward to this event.

Congratulations and thanks for the fine work of the degree team composed of such fine knights as P. G. K. Frank McGillen of Genoa Council, P. G. K. Ray Budinger of Englewood, Speedy McGlinn, D. G. K. of Ridge Council; Vin Shields of Auburn Park Council, and Pete Wehle of St. James Council. A splendid job, gentlemen. We also extend thanks to Genoa Council's G. K. James Riley and to De La Salle Council for their fine co-operation in sending candidates to participate. We hope we soon will have the pleasure of welcoming them all back. To the delegation from Auburn Park Council, a hearty invitation to return real soon.

It is our very sad duty to inform you of the death of the father of one of our finest brothers, Mr. Wm. Hungelling, father of Trustee John Hungelling, who died very suddenly last week. To John and his mother and sister go our most heartfelt sympathy. May his soul and all the souls of the faithful departed rest in peace.

Chicago Hts. to Meet Sun. for Communion, at St. Anne's Church

2-4 Mon. . . . . 1527 Otto Blvd.

Let us refresh your memory once more by reminding you that Sunday, May 4, is our Communion Sunday. Every member of Chicago Heights Council is urgently requested to be at St. Anne's Church (Main and Chicago road) on the above day to receive Holy Communion at the 7 o'clock mass. Please keep this in mind and let nothing deter you from being there.

Our membership drive is in full swing and we need the full co-operation of every individual in this drive. We ask that all of you give your serious consideration to this important matter. We are happy to report that several of our members have two or more applications on hand to be read for the first time at our meeting of Monday, May 28. So why don't you bring one along and help fill our quota for the next exemplification in June.

We call your attention to the widespread interest being shown on the part of the community at large in the sale of barbecue tickets. The purpose of the barbecue is to obtain funds for Bishop Sheil's Underprivileged Youth Fund. The barbecue will be held on June 18. You can greatly aid this cause by putting forth your best sales efforts, thereby putting Chicago Heights on the top of the list and then again, perhaps one of your friends may be the winner of a cash prize. Let's all get busy and sell our tickets.

A fox will frequently carry a heavy burden over its shoulder exactly as a man carries a sack.

ST. CYR MEMBERS WILL TAKE COMMUNION SUN.

1-3 Mon. . . . . 1609 N. Halsted St.

On Sunday, May 4, St. Cyr will receive Communion in a body at the Santa Maria Addolorata Church, Erie and May Sts. Before attending Mass, all brother Knights will convene in front of the church to march in the parade to the church. We urge all brothers to be present at 8 o'clock, so that we may have ample time for the parade and still be in church at 8:30 o'clock. Immediately after the services, breakfast will be served in the school gym.

SPRING SPORTS

It seems rather late in the season to be talking about bowling when the balmy spring days are calling forth all golf enthusiasts. However, some like to mix golf with bowling. Last Wednesday evening, the Morreale Oilers, Mohawk Cartage, Maniscalco Funeral Home, Bond Clothes and the Lucania Undertakers participated in Al Long's Over Your Average tournament at the Monte Carlo Alleys.

At this writing another session still remains to be played, and we find the Morreale Oilers on top with a team standing of 163 pins over their average, followed by the Cartage boys with 44 over their average, Bond Clothes with 10, Lucanias 4, and the league champions with a minus 37. In next week's issue the winner will be presented.

On Saturday, May 17th, the annual bowlers' party will be held at Gus Corsiglia's restaurant. The various team and individual prizes will be awarded on that night, and a good time is in store for all. Very shortly our bowling secretary, Cosmo Coniglio, will mail out cards to the various bowlers, which should be returned to him specifying the number that will be present. This party is limited strictly to bowlers and their wives or sweethearts.

One of St. Cyr's largest classes took the third degree at the Edgewater Beach Hotel last Sunday. The day was beautiful, the sun was shining, and the temperature was just right, but despite that, a goodly representation of brothers was in attendance to witness St. Cyr's largest class. Possibly another first and second degree will be held in the near future. So, brother night, you still have time to line up that candidate of yours.

Our barbecue sales from unofficial reports are making rapid headway. Mike Cavaretta thus far has disposed of his second book; a number of others have sold their first book and are well on their way toward completion of the second. This is a worthy charitable cause. Let's do our bit.

CYR-IOUSLY SPEAKING

Among St. Cyr men there are a number who will shortly become proud fathers. Two we are free to reveal; the third you will have to wait for. So, by the time this reaches your table, Sam Nicosia's phone may be buzzing with congratulations, and Sam Lupo, who of late has been getting heavier, will in about two months have to throw away his vest. How about a pledge of a box of cigars to the council?

We still get reports from the boys at camp. Frank Latino recently sent another letter to Anthony Brancato, which Brother Brancato will read at the next meeting. Brother Brancato is chairman of the roll of honor, and anything in connection with our boys at camp is taken care of by him. If you hear from one of our boys at camp or of one going there, get in touch with Brancato, and he will see that he is properly enrolled in our books.

Watch this column from time to time for softball reports. Manager Vic Priola is getting his team under way and promises to bring the championship to St. Cyr Council. We know you can do it, Vic. You've got a bunch of ambitious huskies, and the council has placed its faith in you. Now roll up your sleeves and show these other councils the stuff that St. Cyr is made of.

Carroll Looks to Huge Turnout at Communion Sun.

Next Meeting May 6 . . . 6 N. Hamlin

Arrangements have been made to accommodate a record attendance at Carroll Council's annual holy communion and mass on next Sunday, May 4, at the 8 o'clock mass at the PRESENTATION CHURCH, Springfield, Polk and Lexington Sts. Our chaplain, Father John S. Kennedy, O.P., will say the mass.

After the mass the members will gather at the PARISH HALL at Lexington and Springfield Sts., for the communion breakfast. No finer example could be given of the true Knight of Columbus than the gathering together in a body, men of the Catholic faith, with a view of giving to that faith the support which unity means and exemplifying to the public by the union of members the value and virtue of the Catholic faith to citizenship. What a fine picture comes to the mind to see such a strong spiritual bond existing among the members.

BOWLING

Winners of the intracouncil bowling league, the O'Keefe Bros. Coal Co. "keglers" emerged victors in the 1940-41 series, having claimed 51 of the 84 games bowled during the season. Nearest competitors for the crown were the Barton Shell Service boys, with 45 wins against 39 losses.

Now that the smoke has cleared away after the battle, the boys are nursing some over-exercised stomachs from that bang-up banquet held last Thursday evening at the Napoleon Cafe and Bar, where the winners received the prizes and everyone had an excellent time.

High team series in the league went to the O'Keefes, with 2,692, and Shirley's Famous Barbecue "maple crushers," with 2,570, while high team game was claimed by the Joseph B. Ford Realtors, with 949, and the O'Keefes, with a 947. High individual series honors were won by Harold A. Neibergall, and second high individual series went to Edmund Burke. The high individual game honors went to Dan Ryan, and second high individual game to Vic Gorny. James Hanley, who topped the entire league, claimed the high individual average, wtih a 184, while Ed Burke came in second, with a 180.

(SCRIBE'S REMARKS)

It was my very good fortune to sit on the sidelines every Friday evening and to observe history in the making. It is not necessary to draw upon considerations to identify the differences that will tell you the actual comparison in quality to place the intracouncil bowling league in bowling circles. At the outset, the league set out to establish one of the most outstanding bowling leagues among the councils. The league has always known that it was successful in this, but until now has not been inclined to make bold claims based on differences, choosing instead to allow others to draw such proper conclusions. Now, however, the league can hold these facts to be self-evident. The league has the finest individual performers among K. of C. bowling circles—match, tournament or league play. Much of the league's success may be attributed to the personnel of the league, which was composed of Hal Neibergall, president; Joe Bradley, vice-president, and that ever-alert and ambitious secretary-treasurer, Ed Burke.

The new officers-elect of the intracouncil bowling league for next season are: Edward L. Baker, president; Tim Ryan, vice-president, and Joseph J. Bradley, secretary-treasurer.

CARROLLITES

Danny Ryan writes from Camp Forrest, where he is stationed for a year's selective training. He is assigned to the 124th Field Artillery, Battery A. . . . Tom Carroll received the exemplification of the third and major degree of knighthood at St. Philip's hall last Friday evening. To hear Tom talk about it, the "mule" was tough going, and he hasn't been able to sleep nights thinking about what a splendid example was taught there. Congratulations, Tom, and may you have smooth going on your "Crusade of Catholicity." . . . Our sick members are Jack Lawlor, John F. McNamara, John B. Clark, Edward J. O'Connor, Tom O'Connell, Tommy Dean and Jim Hanley—all would appreciate a visit from you. . . . Softball Delegate C. Vincent Ryan calls for more recruits to report for practice to get under way for the K. of C. softball league season under Carroll Council colors. An invitation is especially extended to the newer members to partake in the wholesome summer sport. The league will open its games this month.

Setters Will Observe Homecoming at St. Finbarr's Service Sun.

2-4 Thurs. . . . . 4711 W. Madison St.

As heretofore announced, the members of Father Setters Council will attend the eight o'clock Mass at St. Finbarr's Church, 14th St. and Harding Ave. on Mother's Day, Sunday, May 11 and will receive Holy Communion in a body. After the Mass, breakfast will be served in the parish auditorium.

It is well known, of course, that Father Setters Council was organized in St. Finbarr's Parish and for many years the meetings were held in that neighborhood. The father of the present pastor, Father McKenney was an active member of the Council up until the time of his death.

Many members of the Council attended St. Finbarr's School and many more were, at one time or another, residents of that and adjoining parishes.

For these and numerous other reasons, it has been the plan of Grand Knight Maurice J. Kissane and Lecturer J. Edmund Dwyer to make the Communion breakfast a real homecoming party and some four hundred Settersites are expected to attend.

"EVENING IN IRELAND"

A large number of members of Father Setters Council spent an "Evening in Ireland" under the guidance of Rev. Edward O. Boyle of St. Bartholomew Parish at the last council meeting, Thursday, April 24. Father Boyle presented his highly entertaining moving pictures under that title and accompanied the film with a running commentary, describing the scenes showing many points of interest and historical significance. Every picture shown was taken by Father Boyle himself on his recent trip to the Emerald Isle.

At the conclusion of the film, the assembled members adjourned to an antechamber and were served with refreshments and generous quantities of Hank Evert's roast beef.

LADIES' NIGHT, MAY 15

Ladies' Night will be presented by Father Setters Council on Thursday evening, May 15. There will be cards, bunco, entertainment and numerous prizes. All the ladies are cordially invited to attend this party, at which they will be the guests of honor.

The party will be held in the auditorium of the Madison Athletic Club, at the above address, and will start at about eight-thirty.

CONDOLENCES

The sincere sympathy of all the members of Father Setters Council is extended to Brother James Murphy, whose father passed away two weeks ago. Special prayers were offered for the repose of his soul at the last council meeting.

St. Francis Plans Program Honoring Mothers, May 18

2-4 Thurs. . . . . 4711 W. Madison

Members of St. Francis Xavier Council are being urged to fulfil their Easter Duty, in conjunction with our Mother's Day program, Sunday, May 18, at the 8 o'clock Mass at San Callistus church. The members, their mothers, wives, and sweethearts will receive Holy Communion in a body. After Mass the program will begin with breakfast in the church hall. Entertainment will follow with Sir Knight John Panegasser singing popular arias. State Deputy Judge John F. Bolton will deliver an appropriate address.

All mothers, whether they have passed on or are still alive, must be registered at the next meeting, May 8, to be recognized. The names of the deceased mothers will be read during the Mass and those present will receive a beautiful gift. But they must be regeistered beforehand.

COUNCIL AFFAIRS

THE FANFOURS, Fourth Degree Club of the Council, invite the members and their friends to attend their annual social, Saturday, May 10, at Club Citra, 1014 S. Halsted St. In the past these parties have been grand affairs and this year's will be no exception. The small fee of $1.00 entitles you to a good time and all the drinks and eats you desire.

BARBECUE, Chairman Scotty Frusolone, has emphasized that if the members want to get more books they should give him a ring at Monroe 7037 or pay him a visit at his home, 1010 S. Ashland Blvd. He has also praised Bro. Alfonse Furlan, who has already taken twelve books and commented that if all the members have his spirit and zeal, the council will surpass all others when the totals are in. Bro. Furlan was initiated in our recent Father Breen class.

MAY 22, the First and Second degrees of our order will be exemplified in our council chambers. Membership chairman, Salvatore Cirrintano, is anxious to get enough applicants to fill our quota for the Century Club. Since we are only 35 members short of this honor all of us should get busy right away.

HERE AND THERE

G.K. Carmen B. Mele, P.G.K. John Blase Meccia and Frank R. Vitullo, Sir Knight John Panegasser and Financial Secretary Alexander Coletta will represent the council at the State Convention in Aurora, May 5-6. Have a good time, boys . . . Bro. Joseph Cascio became the second member last week to submit to a blood transfusion for Mr. J. Totocki at Billings Hospital . . . A post card informs ye scribe that Sir Knight Larry Gregorio and his bride visited the Great Smoky Mountains National Park, on their honeymoon trip . . . Scotty Frusolone was 49 years young April 24, and we venture to say, he's looking younger every day . . . Our deepest sympathies are extended to Bro. Mike Conforti on the recent death of his mother.

At our last meeting, John Caruso, our jolly lecturer, gave away tickets to the Aragon ballroom for a dance sponsored by San Callistus Parish. The lucky guys were Bros. F. Pasquale, C. B. Mele, A. Coletta, N. Damore, J. Tarantino, M. Visco, J. Durante, E. Marcantonio, J. Caruso, F. Vitullo, and J. Masse.

Everyone had a swell time! Where? At the bowler's banquet, of course . . . one of the surprises of the evening was supplied by Sheik Pintozzi when he walked in with his wife . . . Sal Defily in displaying his piano-playing talents proved he is an artist at the game . . . The toastmaster was none other than our P.G.K. Guy "Scriblets" Crapple.

SOFTBALL players, please report tonight for practice. Manager Joe Cansoli will expect to see you at 6:30 p. m. at Sheridan Park, Aberdeen and Polk Sts. Meet him at diamond No. 1.

Weber Makes Special Appeal for Barbecue Cooperation From All

1-3 Mon. . . . . 4758 S. Pulaski Rd.

Our G. K., Julius Martynowicz, is issuing a special appeal to all members to cooperate with the Barb-Q chairman, John Tzos, and co-chairman, P. G. K. Stanley Jaworski, to make a very strong effort in disposing of these Barb-Q books, and make returns as soon as possible.

It is hoped that all are diligently endeavoring to sell their books, as this is real Catholic Action. You also help your council and benefit yourself. I am sure you are anxious to do your share so get that book out now and take it to your shop, office, school, relatives and friends and put it to work. If we work together we can accomplish wonderful results.

STATE CONVENTION

Monday morning, May 5, is the opening of the K. C. State Convention in Aurora and our G. K., Julius Martynowicz, is set to go, as is Delegate P. G. K. Stan Jaworski and Alternate to Delegate, Treas. Leo Dobrowolski. I hope that by next meeting a splendid report of the convention will be rendered by the Delegates.

SOFTBALL

The athletic chairman, Bro. Mitchell Mazurek, states that spring is here and that means softball for Arch. Weber Council. We are again entered in the Central Division, K. of C. League, and at present the chairman is looking forward to seeing all brother members of baseball interest at the practice nights to form a team or two.

Likewise to have the manager outline his schedule for the season. It is your council, your team, you are the player, you should support it. Practice every Tuesday and Thursday, from 5 p. m. until dark, at Edwards' school grounds, 49th and Karlov Aves.

DELAYED BIRTHDAYS

April 20th, Stanley Czurylo; April 21st, Michael Sobyro; April 23rd, Leonard Bragiel; April 25th, Frank Patka, Jr., and Bro. Joseph Zolna; April 28th, Eugene Szymanski; April 29th, Leo Dobrowolski. Anniversaries: April 29th, Mr. and Mrs. Joseph Zolna celebrated their fifth. A correction: On April 17th our Recorder, John Rozewicz, and his wife celebrated their 12th instead of 11th anniversary. Happy birthdays and congratulations to all.

MAPLE MASHERS

A very close race amongst three teams as the finals for season is nearing. Finals, according to our secretary, Steve Jas, will be next Wednesday, May 7th. Last Wednesday the K. of C. Boosters purloined three games on Kraft's Boosters.

The last place team, "Wegzyn Realtors," were of great help to the first place team my nonchalantly taking two away from the second place team, who were only two games short to tie for first place. This was due to the fact that Dr. Dziubski's Dentists were handicapped by the absence of two men.

The team standings as of April 23:

	W.	L.	H.G.	H.S.
K. of C. Boosters	43	29	665	1829
Dr. Dziubski Dentists	39	33	654	1827
Kraft's Boosters	33	39	670	1885
Wegzyn Realtors	29	43	645	1785

Honor Roll: L. Dobrowolski, 175; M. Zagorski, 221; A. Mlynek, 177; V. Lelewicz, 173; J. Swientek, 170; Steve Jas, 176; and Utility Man L. Wnek, 175-199.

Let us introduce the players representing each team:

K. of F. C. Boosters: Pete Zegdel, V. Lelewicz, J. Swientek, and S. Jas.

Dr. Dziubski Dentists: F. Smolarek, S. Pustelniak, M. Zbiegien, and A. Mlynek.

Kraft's: M. Mazurek, F. Kubiak, F. Wieruszewski and J. Zapotoczyny.

Wegzyn Realtors: L. Dobrowolski, H. Kendzior, M. Zagorski, F. Wegzyn.

Utility men: J. Martynowicz, L. Wnek, Dr. Dziubski, J. Klaczyk, A. Nowakowski.

St. Joseph's Expects Record Attendance at Communion Services

1-3 Thurs. . . . 57th & Archer Ave.

Next Sunday, May 4, the council will receive communion at the 8 o'clock mass at St. Joseph's Church. It is hoped that there will be an exceptionally large attendance. The winter is now behind us and there is no reason why every member who is in town next Sunday morning should not be on hand at 7:45 a. m. Breakfast will be served following the mass at our headquarters. Let's see if we cannot have a record turnout.

The council extends hearty congratulations to two of our members, Bro. Leo Kennedy and Bro. Ed Kirk, Sr., recently elected as president and clerk respectively of the Summit village board. Both have served the community on the board in previous years and we wish them success in the ensuing your years.

Our congratulations, too, to Bro. Henry Koller (township road commissioner) who, last Sunday, celebrated his 80th birthday. Bro. Koller is about our oldest member in years, and is also an honorary member. We wish him a continuation of the health he now enjoys.

Don't forget the Lions Club "Springtime Frolics" to be staged at the high school on Thursday, May 8. This is an "all-star" show, the stars being prominent local men interested in local projects. There is an old proverb, "Charity begins at home," and this organization believes in carrying this out. You can help by being present on May 8. Tickets can be obtained from any member of the Lions Club, many of whom belong to our council.

As a friend and collaborator for years of Mr. Poeton (of our local Des Plaines) we take this opportunity of conveying our best wishes for health and happiness to him as he leaves the community of which he has been a part for about twenty-five years. As your scribe for years, the writer has enjoyed very active co-operation in local publicity with Mr. Poeton and the best tribute we can pay him is to hope that his successor will be as good a co-operator as he has been.

Communion Sunday, May 4, 8 a. m., St. Joseph's Church, Lions Club, "Springtime Frolics," May 8, high school.

ONE DAY EACH MONTH SET ASIDE FOR PEACE PRAYERS

Charlottetown, P. E. I. — The first Sunday of each month has been set aside as "a special day of prayer and offering" in which all members of the Canadian Federation of Catholic College Students throughout the Maritime provinces will participate for the attainment of a just and lasting peace. This was decided at the annual meeting of the Maritime branch of the C.F.C.C.S.

ETERNAL REST GIVE UNTO THESE THY SERVANTS, OH GOD

Oh, God, the Creator and Redeemer of all the faithful, give to the souls of Thy departed servants the remission of all their sins, that by the aid of pious prayer they may obtain that pardon which they have always desired through Christ, our Lord, who liveth and regaineth with Thee in the Unity of the Holy Ghost. "PADRE OF THE DESERT" MEMORIAL IS ERECTED

Independence, Calif.—A cross as tribute to "the Padre of the Desert" now stands on Highway 395 near Freeman Junction, where he was killed a year ago St. Patrick's day in an auto accident.

The cross was erected in affectionate memory of the Rev. John Crowley by Inyo-Kern C.C.C. boys, and its blessing by the Rev. Harry Clinch of Fresno, a friend of Father Crowley, was attended by 500 residents of Inyo and Mono counties, whom he served at Lone Pine, Bishop and in Death Valley. Some were prospectors from Death Valley, others children he had christened, people he had married, men and women of many religious creeds.

A solemn Requiem Mass commemorating the anniversary of Father Crowley's death was celebrated in Santa Rosa Church, Lone Pine.

Neither science nor nature has produced a truly black flower.

DEARBORN'S COMMU'N MASS IS NEXT SUNDAY

1-3 Thurs. . . . . 820 Garfield Blvd.

Men of Dearborn will meet this Sunday, May 4, at 63rd street and Marshfield avenue at 8 a. m. to participate in the council's annual communion. We will march from this point to Assumption Church, 60th and Marshfield, led by the band of the Frank Hughes American Legion Post, to attend 8:30 Mass. Chairman Pat McCarthy has arranged an interesting program after Mass. It will comprise a tasty breakfast, followed by remarks from the guest speaker, Bro. Richard J. Daley, state senator and comptroller of Cook County.

Aside from the temporal enjoyment, this event should be attended by every brother of Dearborn. It is the highest form of Catholic Action in the Order. It also is the fulfillment of an annual duty of every Catholic gentleman. It is an outward manifestation of religious valor to a world which sorely needs such exemplary conduct to attain peace. And further, it is a meeting face to face with your Maker. We earnestly urge each and every member to be on hand.

The ladies of the Silk Hat Auxiliary and wives of members are requested by Chairman McCarthy to lend a hand in serving breakfast. Thus come and bring your wife. This is one opportunity to co-operate with the chairman and your council.

On the same day, Bro. Rev. Edward McDonald will celebrate his first Mass at All Saints' Church at noon. A general invitation is extended to all members to attend this Mass as well as the reception in the evening at the Stevens Hotel. Mere words are insufficient to express the joyous feeling and good wishes of Dearborn to Bro. McDonald in reaching his goal. We trust that he has a long and happy life, and pray for success in his work.

BAR B. Q.

Dearborn is settling down to a steady pace in promoting the barbecue. It is well that this spirit prevails because the project is for a cause which is not only charitable but necessary for the well being of America. The fund serves as an important aid to Bishop Sheil in his determined effort to help all underprivileged youth. The thought behind the Bishop's great work is to educate the youth in our midst who never had a chance. In doing this, many young folks are taken from the streets, bad company and a life of crime and dissipation. Furthering his purpose, the Bishop aids those youths emerging from prisons by providing lodging and positions for them that they may find their true place in the world.

Knowing the sterling qualities of Bishop Sheil and these grand purposes, can any Dearbornite fail to co-operate? Do all you can, make returns to Fin. Sec. Feilen. Contact your committee, headed by Chancellor Ruff, for details and suggestions.

MEMBERS AND MEMBERSHIP

APPLICATIONS: June is the month picked for Dearborn to sponsor the third degree of South Section 1. It is at this degree, prior to the end of the fiscal year, that G. K. Devereaux and Chairman Nix hope to exceed the council quota. Their aim is fifty candidates for the initiation. This is not a very harsh request in the light of our membership, and the knowledge that we will thereby strengthen and solidify Dearborn. Undoubtedly, the members will rise to meet this call as they have done in the past. Your G. K. is depending on each and every member with supreme confidence. Don't fail him. We can and we will.

CONVENTION: The delegates to the state convention will meet in Aurora next Monday. The affair will open with the celebration of a special Mass for the delegates Monday morning. The business sessions, to determine officers and the policy for the ensuing year, will run through Monday and Tuesday. In this session our P. G. K. and State Donor Chairman, Bob Du Mais, will seek the honor to represent Illinois at the national convention. The best wishes of Dearborn are with you, Bob.

MEETINGS: The second reading of the revised by-laws has been accomplished. Final action of the members will take place at our next regular meeting on May 15.

SOFTBALL: Mgr. John "Pockets" Logan assembled his gang of likely prospects for Dearborn's ball team. The boys looked very good after a short workout, but Mgr. John would not offer any predictions at this time. We think, though, that Dearborn will have a good year and urge every member of ball playing ability to report to Mgr. Logan.

BIRTHS. Mrs. David Kerwin presented yours truly with a nine-pound bouncing boy. Mother and baby are doing well and your scribe is very happy. If you see him now with some news, perhaps a cigar would be forthcoming.

TENPINS

The Indians lost two games to the Feilens last week, but maintain a four-game advantage over the Morticians, even though they won two. The R-K's lost two, but hold a two-game lead for third. The Manhattan Bevs won two, insuring at least fourth position.

Next Monday, May 5, will be the last session of bowling. Saturday, May 10, the bowlers will officially close their season, sponsoring a dinner dance at the Sherry Hotel. Reservations can be arranged with Pres. Reilly, Sec. McLaughlin or Treas. Logan.

Santa Maria's Annual Communion Service Is Planned for May 11th

2-4 Thurs. . . . . 9020 Commercial Ave.

On Sunday, May 11, Santa Maria Council will receive its annual Holy Communion in a body at St. Patrick's Church, 95th St. and Commercial Ave. The distribution of the Eucharist for the Council will take place at the 8:00 Mass. May 11 you will note is Mother's Day, so the officers feel it is an especially appropriate time and hope that all of the members will make it their duty to be present.

Cards will be mailed to you and these must be turned in at the Church as proof of your having been there. If for no other reason than receiving with the Council, you must remember that you have certain obligations as a Knight. One of them being the receiving of Holy Communion with your Council at least once a year.

Plans are being formulated to have a breakfast in conjunction with St. Patrick's Holy Name Society, which also receives on the same Sunday. The breakfast will be served in the school hall immediately following the Mass. Bro. Fred Sweeney thought up the idea and everyone seems to be in accord. A meeting of the committee is to be held to arrange the details. They will be announced as soon as possible.

MISSAL DISTRIBUTION

The plans to supply each of our local young men drafted into selective service with a Sunday Missal, went into its second reading at the last regular meeting. Enthusiasm is mounting and we feel Santa Maria Council will derive much good from this noble gesture. Bro. Knaus, originator of the idea, is always a hard-worker in council affairs. He has been writing to various publishers of missals, and has received several samples which he brought up to the last meeting. Try to be on hand at the next meeting for the final reading of the measure.

G.K. Al Schott and Bro. John Cullen report that they have been receiving splendid cooperation on the barbecue and that very much enthusiasm is being shown by the members. If you haven't as yet received your book, you may get in touch with G.K. Al Schott at his store at 79th and Clyde.

NOTES

Our fine degree team is rapidly becoming famous. Last week they journeyed to St. Patrick's Council at the Midwest Athletic Club to put on the First and Second Degrees for them. Everything went off beautifully, and the team came in for much congratulations. (P. S.—Your scribe went along as the musician. Everyone said he sang like a lark—with larynigitis.)

Our Chaplain, Father Terlecke, again has number one place on the honor roll for barbecue books sold and turned in. Father Terlecke was the first to make returns too.

The bowling team is winding up its play in the council bowling league. They will double up the remaining number of games to be played, so but two Tuesdays remain before the grand finale.

It's dance time, Genoa's Cabaret Party, May 3, at the Southmoor Hotel.

AMERICUS 'OLDSTERS' TOP YOUNG BOWLERS

2-4 Tues. . . 3350 W. Jackson Blvd.

Your scribe pro tem takes his trusty old typewriter in hand again to chronicle current events.

We were present at the massacre perpetrated by the old-time bowlers on the pick of the current star keglers. The stalwarts of former years who came out of retirement added the highest degree of lustre to their admirable accomplishments. They have all been members of Americus Council for 25 years or more.

While singing the praises of the old timers, we must give full credit to the young fellows for the good grace and fine spirit of sportsmanship they showed. The future of Americus Council lies in the hearts and the minds of these young men. We have made every effort to encourage them, and, mindful of the many athletic and other achievements recorded in the pages of our history, we have co-operated to the fullest extent with our young men that they might continue this fine record.

The contest was on the basis of total pins for the three games. The old timers won all three, collecting a total of 2,986, as compared to 2,621 for the young fellows, a difference of 365.

The following is the lineup of the old timers, and their totals: . . . Frank Cella, 588; Roman Goltz, 539; Mike Murray, 510; Jim Nolan, 468; Joe O'Hayer, 473; Eugene Trainor, two games, 408. The young fellows: . . . Archie Corso, 404; John Whalen, 428; Joe McGuire, 499; Bill Costello, 460; Jay O'Rourke, 530; John O'Brien, two games, 300.

Jim Nolan wore his "Americus, 1297" bowling shirt, of about 1925 vintage . . . neither Jim nor the shart appearing any the worse for year. There was the usual ribbing on the sidelines, especially when the old timers slipped a little, blt it was all given and received good naturedly. Among the old timers who were pulling for their pals were Steve Ginocchio, Ray Dunphy, George Peluso and Dominick Solto. The young men had their supporters in Tom Gannon, Bob Boland, Al Stagg and Larry Ginocchio. Jim Mooney, Leo Joyce, Phil Koop and the writer (middle aged) remained neutral, though enjoying the play immensely.

COMMUNION SUNDAY

Let's skip the bowlers, the old timers, the young fellows for the nonce. . . . The matter of most importance, spiritually, at the present moment, is our Communion Sunday, May 4, at Lady of Sorrows Church. The pa Rev. Vincent Scheltinga, O. S. M many years our chaplain, has many sacrifices to indicate the dee terest he has in our welfare. In mer years both aisles of the c were filled to capacity with mer from all sections of Chicago and urbs. Let's show our appreciati Father Scheltinga by making an effort to be present.

CHICAGO PICKED FOR 1942

The highest honor that was theirs give, state leadership of the ights of Columbus in Illinois, was ded to Leo M. Flynn Monday after- on by the roaring acclamation of ne 320-odd delegates who were con- ed at Aurora for the forty-fourth nual meeting of the State Council Illinois.

No single dissenting voice rode on tremendous roar of approval that lowed the state deputy-elect's nomi- ion and that, for fully five minutes, ew the convention into a state of plete but happy disorder. Flynn, iously moved by the demonstra- n, acknowledged the tribute in a racteristic address that also nked the delegates for their gen- us mandate.

n addition to the new state deputy, er officers elected to head the or- ization in this jurisdiction included mond F. Gleason as state secre- y and Joseph P. Stremlau as state den. Al Christ was re-elected state asurer and Carl Ruesenberg re- ed to the post of state advocate.

Flynn Well Known Here

ong known to the general mem- hip here as one of its most able npions, State Deputy-elect Flynn devoted almost a quarter of a cen- to the advancement of the ghts of Columbus. He joined urn Park Council in 1916, and in after holding several intermedi- offices was elected grand knight e council.

1926 his accomplishments had emanded recognition that he was ed a director of the Chicago ter, from where he advanced to vice-presidency and finally, in , was named to head that city- organization.

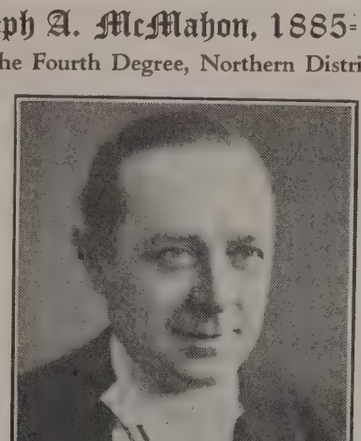
Joseph A. McMahon, 1885-1941

Master of the Fourth Degree, Northern District of Illinois



The Knights of Columbus lost one of its most illustrious and favorite sons last Friday morning when death came to Josesh A. McMahon, aged 56. Master of the Fourth Degree for the Northern District of Illinois, District Deputy, Past President of the Chicago Chapter and seventh Grand Knight of Damen Council, Master McMahon had given to the Order a career marked as much by its unselfish devotion to its ideals as it was by its exceptional brilliance.

As District Deputy since the early 20's, and prior to that as one of the Order's outstanding exponents of degree ritual, Master McMahon had gathered a legion of close friends throughout the Illinois jurisdiction.

Last Sunday afternoon scores of these gathered at the McMahon home, 731 North Ashland Avenue, River Forest, to pay their final respects, and on Monday morning hundreds more filed silently into St. Luke's Church, filling it to overflow capacity to attend the funeral Mass.

An honor guard of Fourth Degree Knights stood vigil at the ceremonies, and state council leaders, including Judge John F. Bolton, State Deputy; Michael J. Howlett, Supreme Director; Henry Lynch, Parke Brown, Tom Hosty, and William Spillane acted as pallbearers.

Mandatory attendance at the annual meeting of the State Council, which convened Monday morning, kept many other members and friends from being present at the funeral services. The convention delegates, however, gave to the memory of the late Master of the Fourth Degree, a profoundly moving and sincere expression of grief, when it stood in mass prayer in his name.

Master McMahon is survived by his wife, Mary K. McMahon, sons Joseph A. Jr., John F., Thomas E., George W., Raymond J., James I., William E., and two daughters, Mary Rita and Jeanne Therese. One brother, Carter W., and two sisters, Mrs. Florence Furlong, and Mrs. Alice Wright also survive him. The late Edward J. McMahon, until his death, had also been a Grand Knight of Damen Council and had served as assistant secretary of the Chicago Chapter.

Outlying Councils Show Real Spirit On Barbecue Drive

Bill Lowery, Chairman for Fourth District, Points the Way to New Records

William, "Smiling Bill" Lowery, District Deputy for one of Cook County's outlying, but active jurisdictions, is also sectional barbecue chairman for the five councils of group number four who are for the fourth consecutive year, setting a fast pace in achievements for the Knights of Columbus Barbecue in benefit of Bishop Sheil's Underprivileged Youth Fund that will, this year, be presented on Wednesday, June 18, at Riverview Park.

All small councils, the largest includes a membership of only 271, these five units nevertheless have each season set a rceord for accomplishments that any of the more sizable and "big city" councils might be proud to equal. The five councils together, can claim no more than 800 members, hardly more than half the membership of the larger Chicago units, yet they have by stint of hard work and organization, accounted for more than eleven hundred dollars in contributions to Bishop Sheil's Underprivileged Youth Fund.

In 1938 the year of the first barbecue, these outlying councils, managed—without many of the assisting factors available to the more centrally located Chicago units—to amass a total donation of $364.56, in 1939 they contributed $358.54 and last year they gave $416.06.

Chairman Lowery, who has headed

Reservations Point to Sell-out for Assembly's Theatre-Supper Party

Theatre ticket sales and advance reservations for tables in the College Inn indicate that the 1941 Theatre and Supper Party being sponsored by La Salle Assembly, Fourth Degree, Knights of Columbus, on Wednesday evening, May 14, will be another well-attended activity of the Assembly.

While the supply of theatre tickets is necessarily limited, the entire capacity of the College Inn of the Hotel Sherman has been reserved for the members of the Assembly, their ladies and their guests, assuring ample accommodation for many who want to attend only the after-theatre feature of the party.

The music and entertainment to be presented that evening in the Loop's favorit e night-spot is exceptional. Charlie Barnet's fine dance orchestra, a musical organization that is fast becoming a great favorite in Chicago, will furnish the melody and rhythm for the dancers. Coleman Clark, international table tennis champion, heads a most unique floor show.

Members of the Fourth Degree who plan to attend this affair on May 14th are urged to make reservations at once through the mail to the office of Comptroller Theodore E. Cornell, 69 West Washington Street. No telephone reservations can be accepted.

the group for the last three years, said this week, that the Grand Knights in his jurisdiction, reported each unit at least equal with its past schedule. In enough instances to strike an average, these reports showed that the jurisdiction would undoubtedly better its best previous record by June 18, the day of the affair.

Local units, whose returns are daily being entered at Barbecue Headquarters at 155 N. Clark St., are also setting up a new standard of accomplishments. To date all reports indicate that the campaign has passed its halfway mark and is headed for the "home stretch."

State Convention

Illinois Knights of Columbus circles. One of the organizers and an early grand knight of St. Paul of the Cross Council, Gleason is also a former president of the state K. of C. bowling association, past president of the national association and now a director of that body.

His other accomplishments in order activity here include an outstanding record as a Knights of Columbus war secretary in which post he supervised, single-handed, the comfort of 2,100 patients at the Naval hospital. He is also a former director and the present treasurer of the Chicago Chapter and has served for many years on various athletic committees involving order participation.

MASS OPENS SERVICES

The convention ceremonies opened Monday morning when more than 400 delegates and visitors, led by the Marmion Academy Cadet Band, marched from convention headquarters at the Aurora Hotel, Island Ave. and Main Sts., to St. Nicholas Church to attend what was the most impressive session of the convention—a solemn pontificial military Mass.

His Excellency Most Rev. Edward F. Hoban, D.D., bishop of Rockford, celebrated the Mass, assisted by Rev. Norbert Spitzmesser, headmaster of Marmion, and a host of other visiting pastors and curates. His Excellency, Most Rev. James A. Griffin, bishop of Springfield and State Chaplain of the Knights of Columbus in Illinois, delivered the sermon.

CIVIC LEADERS ADDRESS DELEGATES

Following the Mass, delegates met at the main auditorium of the Women's Club for the preliminary business of the meeting. Welcoming addresses were delivered by various civic leaders, including Mr. Quintus Fredericks, city clerk of Aurora; A. E. Komes, Grand Knight of Aurora Council, and Lt. Col. Barnhill of Marmion. Carl P. Lies, general chairman of the convention, introduced the speakers. Invocation was given by Rev. Leon M. Linden, pastor of Our Lady of Good Council parish at Aurora.

Several social affairs, including tours and entertainments for the wives of the delegates, were conducted during the period of the convention. Chief of these was the convention ball, held at the Island Ave. Armory, Monday evening.

NATIONAL DELEGATES NAMED

Business sessions began Monday afternoon and ended late Tuesday. Besides the annual election of officers, other important phases of these sessions included the reports of the various officers and committees, and the election of delegates to the National Convention.

Elected to represent the Cook County councils at the meeting of the national officers at Atlantic City in August were Robert Du Mais, Fort Dearborn Council; John J. Corcoran, Newman Council, and Tom Brown of Damen. Five other national delegates were also picked to represent the downstate units.

Ray de St. Aubin, Joseph Nolan and Paul Simmons were named alternates to the Cook County representatives.

One of the final pieces of convention business was the selection of the site for next year's meeting at which the delegates named Chicago as their choice.

STATE DEPUTY'S REPORT

State Deputy Judge John F. Bolton in announcing his retirement from office at the first session Monday afternoon, brought to a close a two-year reign outstanding for its accomplishments. His annual report as submitted to the delegates Monday, showed the lowest net loss in membership that this jurisdiction has experienced in several years.

It also showed that the state still leads all jurisdictions in the number of insurance members, it being nearly 10,000 ahead of its nearest rival, Massachusetts, and that the total insurance in force at Dec. 31, 1940, in Illinois alone amounted to $36,000,000.

CHARITABLE ACTIVITIES

Among the noteworthy accomplishments of the Illinois jurisdiction during the last year as revealed by State Deputy Bolton's report was of the Chicago councils' part in the National Conference of Catholic Charities held here last November and at which the local knights provided all transportation services for the visiting nuns.

"Some 152 members," the report stated, "worked in relays at six depots to provide 2,535 manpower hours—362 seven hour days—in care of these religious delegates. A total of 2,617 cab tickets were used and the whole program was provided through the voluntary contributions of the Cook County councils."

The blood donor activity, also reported on in detail by State Donor Chairman Du Mais, the A.A.L. Plan, the accomplishments of the Crusade for Christian Justice, the outstanding Archbishop Samuel A. Stritch Testimonial Fourth Degree Exemplification and banquet, as well as many other general activities advanced during the past twelve months were also detailed in the State Deputy's report.

(An anlaysis of the several other reports delivered at the convention will be given in a succeeding issue of The Columbian.)

(A report on the Blood Donor Activity will be found on page 15 of this issue.)

Important Notice for All Columbian Correspondents

During the last few weeks several articles, submitted to The Columbian for publication, have approached closely to a violation of the postal laws and regulations, which prohibit the mention of lotteries, bingos or other enterprises where prizes are distributed by lot or chance.

Any such violation is a serious offense against the laws of the federal government and may subject the offenders to serious penalties of both fine and imprisonment. All Columbian correspondents are therefore emphatically urged to guard against the mention of any item having to do with the lotteries, "the distribution of, or scheme for distributing, prizes or awards where these are determined by chance or lot, and especially where such chances are determined by the sale of tickets, etc."

The Postal Department's definition of unmailable matter is as follows:

"Advertisements, reading notices etc., relating to lotteries, drawings raffles, guessing contests, or other enterprises where prizes are awarded by lot or chance are unmailable regardless of consideration. Advertisements, reading notices, etc., of card and bunco parties where prizes are offered and to which an admission fee is charged, are also unmailable.

"Contests in which prizes are awarded for the first answer or first definite number of answers to a puzzle or other problem or order for goods, are unmailable."

ARRESTS AND SLAYING OF POLISH CLERGY REPORTED

London. — According to information reaching the Polish ministry of information from Rome and released through the Catholic Times of London, Archbishop Antoni Nowowiejski, 86, has been deported from his see in Plock, Pola... His whereabouts are reportedly unknown. . . . Another report reaching here is published in the same paper concerns seven priests of the Sandomier diocese including five Franciscans, who were killed, alledgedly by the Nazis. . . . Father Adam Rozalski, dean of Kielce, Poland, it is reported, was shot at by a military patrol for no obvious reason. He took refuge in a house, where he was killed by a bayonet in the hands of a Gestapo agent. . . . The Catholic Times also asserts that Nazi police have ransacked and desecrated the great pilgrimage center Czestochowa, Western Poland, known as Jasna Gora (the Mountain of Light). This is the ancient convent of the Paulinian Brothers containing the famous miraculous shrine of the Blessed Virgin. . . . In the Cracow diocese, says the Universe of London, 87 priests have been banished to concentration camps.

REASONS FOR THE HOLY NAME SOCIETY

"First, it teaches faith in the Divinity of Christ, True God and true man. This is in opposition to the modern atheism, racism and indifferentism, all of which dishonor our Divine Savior and his teachings and have fostered the crass warfare now so prevalent.

"Secondly, it implies reverence for the Holy Name. This curbs blasphemy, cursing, swearing and perjury and dishonesty in private and public life.

"Thirdly, it induces men to lead clean lives in emulation of the spotless purity of the Godman.

"Fourthly, it leads men to be loyal to their country. The Holy Name pledge is a clear mandate for citizenship. It reads: 'I pledge my loyalty to the flag of my country and to the God-given principles of freedom, justice and happiness for which it stands. I pledge loyal support to all lawful authority, both civil and religious'."—From a sermon by His Excellency, Archbishop Duke.

COMMUNION SUNDAY

Last Sunday our council turned out in the largest numbers we have seen at our Communion Sunday in a long time. The members are to be congratulated as it was really and truly a most impressive sight. We wish to extend our most sincere thanks to Father Donoghue and Father Dee for the wonderful way they welcomed us to St. James. To the Sisters of Mercy, under the supervision of our very good friend Sister Pretosia, for their kindness in serving us a delicious breakfast. After Mass, our council received a special benediction, and it was a most beautiful service. Our thanks to the organist and the children's choir for their lovely music. I am sure that the members present last Sunday will be anxious to return to St. James at our next Communion Sunday next fall.

COUNCIL NOTES

This is the shortest column that yours truly has ever written. Due to the rush of business, Communion Sunday and old Timers' Night, I have been stepping on the gas, so if you fellows will pardon this week's news I promise more next week. The bowling season is over but the lads still are at it. Bro. Doc Ryan, Tom Garvin, Fred Berta, Jim Diament and Tom Hackett were seen on the alleys a week ago. In the Alderman Murphy sweepstakes at White City a short while ago, we have word that Bros. Leo Wemple, Pat O'Connor, Glen Shotte, Jack O'Connell, Jim O'Connell, Jack Rogers and Ottie Collins were going strong. These fellows are all new members, except the O'Connell brothers, who have done a grand job in bringing to our council such fine gentlemen. This should be good news to Pres. Tom Garvin. Phone your news to John J. Kelly, Eng. 5151.

CAROLINA WORSTEDS do the trick when it's 80 degrees

"Old Sol" gets hot under the collar. But not the wise man who wears a Carolina Worsted! He's set to go places in a suit that's wrinkle proof and weather proof. CHICAGO, MAY 9, 1941 100

The Order's Insurance

(From the Report of the State Deputy as delivered at the annual meeting of the State Council in Aurora, May 5 and 6.)

The total insurance in force on March 31, 1941, amounted to $253,513,536.00. The total insurance assets on December 31, 1940, amounted to $50,135,702.00, and the insurance liabilities were $44,539,825.00—a ratio of assets to liabilities of $111.25. The amount of insurance carried by the members in Illinois is $36,000,000.00.

Benefits paid by the Order for the year 1940 amounted to $2,750,467.00—from the time of its organization to April 1, 1941, $58,782,641.00. The average age of membership on March 31, 1941, was 42 years. The total amount paid from January 1, 1930, the time the Automatic Assessment Loan Law went into effect, to beneficiaries of members whose insurance were continued under the provisions of the law, was $5,500,000.00.

No matter to what heights the Order may attain, its purpose and true life are grounded primarily in the spirit of love and helpfulness to its members, for each other. Therein lies the beginning and end of true fraternity. In love and charity, one to another, there must always abide the spirit which recognizes that, while great deeds and noble sacrifices are praiseworthy, yet the little everyday acts of kindness touch oftener our lives. As practical men, engaged in everyday affairs and duties of life, we naturally look for practical results and benefits. Therefore, the first concern of the Order has been to mitigate the hardships and sufferings of the widows and orphans of members by providing an adequate system of insurance.

Experience has shown that members who carry insurance, appreciating its benefits retain better their membership. Undoubtedly their financial interest in the Order, while it should not be the controlling factor, influences them favorably in this respect. On the other hand, it is greatly to be regretted that many others who have been honored with Knighthood fail to appreciate its value and permit their membership to lapse.

While we have never been of the opinion that insurance in itself is the most important feature of the Knights of Columbus, yet we cannot be unmindful of the fact that it has been a powerful stabilizing influence. Neither are we unmindful of the fact that it is a very practical form of charity. The records furnish convincing proof of the real and needed benefits that our insurance has brought, and is continually bringing into the homes of thousands of our deceased members.

The records further indicate that our insurance is built on sound principles and is conducted along scientific lines. Careful medical selection has kept the mortality low, and sound investment of the mortuary fund has produced earnings that have been above the reserve requirements. Both factors have contributed strongly to making possible the remission of from one to three annual assessments during the past several years. While this satifactory condition has prevailed, means have also been found for extending greater benefits to the members in the new forms of policies—viz, Paid Up at Age 70; 20 Year Payment Life; 30 Year Payment Life; Endowmen at Age 65; and the modified 5 Year Step-Rate Paid Up at Age 65.

The Old Age Benefits granted by the Order continue to illustrate in a very striking manner the success that has been attained through the Order's efforts in bringing the greatest measure of benefits to insurance members of long standing, which has proved to be exceedingly helpful to many of them in their years of greatest need. It is the responsibility, the obligation and the duty of every true Knight to make insurance on his life a shield for the protection of his dependents. The value of insurance in the Order is one of our best features of membership and should be emphasized at every opportunity.

"This is a hard saying," etc. But it is a far harder one that God should so care for man's love as to come down from heaven and take flesh that He might woo man in man's own language, the language of suffering. If this is hard to understand it is still harder for the weak to hear that God must be loved back, as He had loved us, with a love that yields pain for pain, sacrifice for sacrifice, death for death.—A. Kempis.

State Deputy Has Part in Catholic Labor Conference

The Catholics of Chicago will celebrate in a fitting way on May 11-12-13 the golden jubilee of the Encyclical "Rerum Novarum" of Pope Leo XIII, the Pope of the working people, and the tenth anniversary of "Quadragesimo Anno" of Pope Pius XI, the Pope of Catholic Action, if the program which has been prepared for the occasion and the many letters received by the committee in charge evidencing their interest are an indication of what may be expected.

The conference will have a most auspicious opening Sunday morning, May 11, at the Holy Name Cathedral, where Pontifical Mass will be celebrated by the Most Reverend Edwin V. O'Hara, Episcopal chairman of the social action department of the National Catholic Welfare Conference.

A mass meeting the same evening at 8 o'clock in the grand ballroom of the Stevens Hotel will feature two addresses, one by the Most Rev. Edwin V. O'Hara, Bishop of Kansas City, on "The Pope's Message Today"; the other by the Hon. Joseph C. O'Mahoney, U. S. senator from Wyoming, who will discuss "Fundamental Economic Reforms."

On Monday and Tuesday, May 12-13, the conference will follow the regular procedure, featuring three sessions each day. The conference will reach its climax at the closing session when His Excellency, the Most Rev. Archbishop Samuel A. Stritch, will address the conference on "Religion and Economic Life."

Two other speakers will share the platform with him: the Hon. Clarence E. Manion of Notre Dame University and Dr. Elizabeth Morrissy of the College of Notre Dame of Baltimore, Md. Professor Manion's subject will be "The Challenge of the Encyclicals"; Dr. Morrissy will talk on "The Old Order Changeth." The Hon. John F. Bolton, State Deputy for the Illinois State Council, Knights of Columbus, will preside at the closing session.

There will be a talk on the Encyclicals given at each conference session which will point out the relation of the subject under discussion to the Encyclical program.

The conference sessions are open to the public. There is no charge except for the final dinner meeting, the price of which has been kept at a minimum. Committees have been very active during the past week and letters calling attention to the conference and inviting interest have been mailed to educators, labor men, employers, social workers, civic, fraternal and religious organizations. A large attendance is anticipated.

ORIGIN OF GOOD FRIDAY OBSERVANCE RELATED

San Francisco.—First civic plans for Good Friday observance, now so widespread and constantly spreading in the United States, are believed here to have been made by two young Catholics on a Sunday morning climb of Mount Tamalpais, north of this city, 31 years ago.

Stanislaus Riley, civic leader, attorney and prominent Catholic layman, is credited with inaugurating the Good Friday observance. It is related that he and a companion were climbing Mount Tamalpais, when Mr. Riley remarked how much Good Friday means to humanity and how very little recognition it got from people generally. When the two men reached the top of the mountain, they sat down and planned to do something about the observance of Good Friday.

Subsequently, Mr. Riley proposed Good Friday observance at a meeting of Ignatian Institute of the Young Men's Institute. The suggestion was received enthusiastically, and the plan was related to Archbishop Patrick J. Riordan of San Francisco who approved warmly. The Archbishop designated the Rt. Rev. Msgr. Charles A. Ramm, now Administrator of St. Mary's Cathedral, as spiritual advisor. Each year now, the large committee meets on the first Monday of Lent and begins to formulate its plans for the year. This year over 1,000 persons worked under the direction of the Committee for the Reverent Observance of Good Friday.

PPLICATIONS: Members, atten- tion! The drive to meet and beat our quota is on in earnest. To further increase the tempo Dearborn is sponsoring a third degree in June to honor our brother, Senator Richard J. Daley. With so noble a purpose, do not rest a minute. Contact every eligible Catholic gentleman and sign him. Incidentally, there will be a first and second on May 23, so line up your candidates now.

BARBECUE: Chairman Steve Ruff reports an increase in barbecue efforts this past week. It's pleasing to hear this good news, because it makes certain the continued success of Bishop Sheil in fostering the cause of the underprivileged youth of this city.

MEETINGS: Our regular meeting on May 15 will hear the third and final reading of the revised council by-laws, after which the members will cast their votes.

SICK AND VISITING: Chairman Gray reports the following brothers as ill: Bros. P. G. K. Barbey Mulloy, Steve Laketeck, John Trouseht, Mike Naughton, P. Mernane, Father Gallo and Martin Neylon,

John Downes. This is extremely fine work and deserves infinite praise. Those not already typed may go to Mercy Hospital any day and join the roster.

Feehan Suggests That Reservations Be Made Now for Cabaret Party

2-4 Tues. . . . Hamlin and Madison

Saturday, May 17, is the date of Feehan's annual cabaret party and dance. If you have not already done so, this allows you very little time to get your party organized and make your reservations. Chairman Joe Collins sends word that he has lined up a fine cast of entertainers for the floor show. A chicken dinner will be served and the price is $1.75 per plate.

Augie Schaid's orchestra, which has provided the harmony for many of our dances in past years, has been retained to give out for the rug cutters once again. There are still many good table locations available, but we cannot say how long this will be true, so get in touch as soon as possible with Joe Collins at Mansfield 9014 and tell him how many. Next meeting is Tuesday night, an excellent time to make your returns.

On June 18 at Riverview Park there will be staged the Knights of Columbus' barbecue for the benefit of Bishop Sheil's Underprivileged Youth Fund. Do you recall that envelope you received from Ed Morrissey at the meeting one month ago? Well, it's high time you opened it. Inside you'll find a letter from the G. K. It explains everything—tells all. And if you don't suffer from "heart trouble" after reading it—then you should.

On last Sunday morning the members of Feehan Council received Holy Communion in a body at the 8 o'clock mass at St. Angela's Church. It is a pleasure to be able to report a good turnout, including a number of unfamiliar faces.

SOCIAL NOTE

The Lemon King, Senator Wingfield, was host on last Friday to a select number of his Feehan brethren. The occasion was a tea staged by the senator in the absence of his vacationing frau, at his McVicker avenue domicile. The senator poured and kept right on pouring. Every known brand of tea was served, while the guests discussed current council matters very thoroughly. After which all present joined in a game of whist—or mayhap a bit of poker. It has not been disclosed whether the lease was broken.

Bro. John Fogarty was observed leaving one of the neighborhood churches the other evening. He very vehemently denies, however, that he had been praying for the end of the bowling season. Congratulations to Bros. Wm. A. Schoemer, John J. Fox, Harry Nitzscher, Thos. M. McNally, Jos. P. Caulfield, Frank A. LaPonte and John S. Sliepka, who celebrate birthdays this week.

Loyola-Hyde Park to Hold Communion This Sunday at St. Clara's

2-4 Thurs. . 7435 Cottage Grove Ave.

This Sunday, May 11, is Mother's Day, and Loyola-Hyde Park Council will hold its annual Mother's Day Communion services at St. Clara's Church. We will meet in the school hall located at 6421 Woodlawn avenue at 7:45 a. m. and march to the church for the 8 o'clock mass. Following the mass we will adjourn to the Hayes Hotel, where a delicious breakfast will be served.

This next Sunday is the one day out of the 365 days of the year that offers us an opportunity to show our dearest friend and companion. What more fitting tribute could we pay her than the receiving of the body and blood of Him who so worshipped His own Holy Mother that he never refuses her most humble wish? We expect to see every brother, with his mother, and, or his wife at St. Clara's Church this Sunday. This we ask on your honor as a knight and a Christian gentleman.

If you have not already made your reservation for the breakfast, kindly do so immediately as we must know how many to expect. Just call Bro. Bernard Thompson at his floral shop, 456 E. 79th street, or call Stewart 3103.

SOFTBALL

Attention, all softball candidates! The season will soon start and Bro. Art Jacobs, our hard-working athletic chairman, is interested in knowing what type of material he will have on hand. We'd like to see our team in the thick of the fight this year, so if you crave action with plenty of fun and thrills thrown in, ring Art at Radcliffe 8053. He'll take care of all the details.

Genoa's dance of last Saturday night found a huge turnout of the lads of L.-H. P. and everyone enjoyed the fine hospitality that Genoa always extends.

We didn't have the opportunity last week to tell you that Bro. Freddie Braasch deserted the bachelor ranks on Saturday, April 26, Fred and the lovely Ronnie Golden were joined in marriage at St. Rita's Church. The reception was attended by many of the brothers and a joyous time was enjoyed. Fred and Ronnie stopped off to see the official greeter of all honeymoon couples, Bro. Private First Class Ed Joyce, at Camp Forrest. Reported the former recorder as being in fine fettle and really keeping the army program going on schedule.

It was farewell and good luck to Bros. Rich Martin, Joe Klingelschmidt and Bud Martin, who were drafted into the ranks of the army Monday last. We'll miss the boys immensely and hope it won't be too long between leaves.

St. James to Hear P.G.K. Gen. Clinin at Communion Sun.

2-4 Mon. . . . . 64th & University Ave.

Next Sunday at the 9 o'clock Mass at St. James Church, 29th and Wabash Avenue, will be our Annual Communion Day and all members are requested to be present. We will meet at 8:45 A. M. in the school hall where we shall line up in a group procession and at 8:55 we shall enter the church. (All Fourth Degree members are to wear full dress suit regalia and will lead the procession.) Rev. Father O'Donoghue, our worthy chaplain, will conduct the services. At 9:45 we will have breakfast served in the Convent dining room. At 10:30, introductions followed by our guest speaker, Gen. John Clinin, our first Grand Knight, who will give us a brief talk. We want to have a worthy representation of the Council, so make every effort to be present. All are urged to be there at 8:45 A. M.

IN MEMORIAM

It is with sad regrets that we learn of the death of Jos. McMahon, Master of La Salle Assembly, Fourth Degree, who passed away last week. Members of the Order paid tribute to his memory last Sunday. A silent prayer by all the members and officers is herewith dedicated in his honor and our deepest sympathies are extended to the McMahon family.

MEMBERSHIP

For the coming membership drive, Chairman Ambrose Burke has declared this as the "Pete O'Connell Class" and we are going to do our best in putting this over. Only ten more are needed for our quota so let's go. Five applications are already in. Let's honor our Grand Knight with a fine exemplification. Turn that new member in soon.

Last Sunday the "Sunday Knighters" held a wonderful party at the Hayes Hotel with over 75 guests present. LEO REPORTS LOTS OF BARBECUE ACTIVITY

1-3 Tues. . . . . 820 W. Garfield Blvd.

Our barbecue drive is moving along swiftly with several members making new reports every day. Since the cause of the Underprivileged Youth, for whom the Barbecue is really planned, deserves your wholehearted support we look forward to new records this year. As an added spur to the membership's efforts, the council is planning on several very fine special rewards for those who work hardest in the drive. Attend the meeting for details.

It was like old times at the Clubhouse Sunday night when D. D. McDermott, Delegates Wagner and McVady and a group of other members shoved off for Aurora, Ill., the scene of the State Convention. Because of the nearness of the convention city, G.K. Wagner had urged the members to pay a visit to Aurora and take part in the various exercises.

Our delegates will appear before the resolutions committee to call attention to our resolution now operative in our council relative to the payment of the associate dues of those members who enter the armed services of the country during this emergency. We believe it is a good move and one appreciated by those who take up arms as well as the members of the soldier or sailor's family.

SOFTBALL

Grand Knight Wagner announces that for the 1941 season the ball team will be under the management of Bro. Ed. Peterson, who has made a splendid record for himself and has developed fine winners for the council. Bro. Jack Fanning will be the delegate to the Softball League and Bro. John McCool will be the alternate. The team is now forming. Practice schedules will be called soon and it's "on to the championship" for Leo in 1941.

JOHN MADIGAN

Last Friday the friends of Bro. John Madigan tendered him a farewell party in our Club basement. It was one of the greatest outpourings we have seen around the club in many a day. The presence of women at the party made it unique. We are sure all of them were favorably impressed at the place where their boy friends spend so many happy hours.

Bros. John McCool, Roy McMahon, Ralph Courchene and John Meany were donors for Tom Fanning, brother of our Jack Fanning. It is when the need is brought home that the worth of this fine movement can be fully appreciated. Dr. Gallagher and his committee are entitled to a lot of praise for their painstaking effort.

DOTS AND DASHES

The Showboat Bowling Club will hold its 8th Annual Cabaret Party and Daance on Saturday evening, May 24, at New Pilsen Park Ballroom, 26th and Albany Ave. Music by Frank Breier and his orchestra. Tickets 50c. Bro. John Vaughn is general chairman of the event and the following members of the council are assisting him: Arthur Goodman, Steve Ladd, Joe Mulloy, Harold Watson and Tom Brice. This is a fine group of fellows and a good time is assured all.

Congratulations to Father Hickey, son of Bro. Joseph Hickey, on his ordination and first Mass. . . . We offer congratulations to the band of Visitation Grammar School which won first prize in an all-diocese contest. . . . When you come to the Clubhouse, Tom Noonan our genial houseman, will try to make your visit worth while. Make it a point to drop in often. You are always welcome.

Weber's Ladies' Night With Large Attendance Proved Usual Success

1-3 Mon. . . . . 4758 S. Pulaski Road

Last Monday's meeting was very well conducted by our DGK, John Zolna, who was acting GK, with the following staff: Bro. Frank Smolarek as DGK, Bro. Vince Lelewicz as chancellor and Bro. Chester Nowaczyk as lecturer. The absence of the officers was due to the state convention.

Monday, April 28, ladies' night, was enjoyed by everyone. The following were winners of gifts: Mrs. Jean Dobrowolski, Miss Helen Dziewinski, Miss Elizabeth Pawloski and Miss F. Wieruszcwski. Winners of the poultry were: S. Jas, chicken; John Zolna, duck, and Joseph Zolna, turkey. Much thanks and appreciation to the workers, likewise to all who supported by attending.

MAPLE MASHERS

Wednesday, April 30, the first place K. of C. Boosters were massacred by Wegzyn Realtors, who took two out of three games. The third game, a matter of a few pins, rested upon the shoulders of President Frank Wegzyn, who dropped below his average. Just the same the team was satisfied and happy to have the president with them after ten weeks of illness.

Dr. Dziubski Dentists took three away from Kraft's Boosters. It was strategy used on the part of Dziubski's team. Three out of four bowlers were absent, and using 433 pins, total averages of the absentees, plus Bro. Frank Smolarek's over-average games, made it a cinch to take all three games.

The standings as of April 30 are as follows:

	Won	Lost
K. of C. Boosters	44	31
Dr. Dziubski Dentists	42	33
Kraft's Boosters	33	42
Wegzyn Realtors	31	44

Honor roll: F. Smolarek, 170; S. Jas, 208; J. Zapotoczny, 178, 174; J. Swientek, 171; H. Kendzior, 182; F. Wegzyn, 197. Report of the finals in next week's issue.

WEBER FOURS

Monday evening, May 12, a meeting will be held at council chambers. It will be the "vice-president's night." All Sir Knights invited. Many thanks were given to our Weber Four Sir Knights who escorted St. Joseph Council members in full regalia to the rail of the altar in St. Joseph's Church.

Bro. Henry Cysz has been appointed manager of Weber's team. He stated that practice will be every Tuesday and Thursday night at 5 o'clock until dark at Edward's school grounds, 49th and Karlov Ave. Watch for the date of our first game this month.

(Frank, please see the notice to all scribes on page 2.—Ed.)

ANNIVERSARIES

Today, May 9, Bro. John Kedrowski is celebrating his birthday and tomorrow, May 10, Bro. Joseph Klaczyk. Anniversaries celebrated this week: May 4, Mr. and Mrs. Richard Szymanski, 12th; May 5, Mr. and Mrs. Joseph Kita, 15th; May 7, Mr. and Mrs. John Kedrowski, 17th. Happy birthday and congratulations to all.

COUNCIL BRIEFS

Bro. Peter Bartus won the gold pot. Bro. Michael Zagorski and Bro. Jos. Kmiecik were prompt with barbecue books. A word received from ye old scribe, Private John Rostocki, 10th Inf., Co. H, Fort Custer, Mich.; also Private Casey Paulinski, Bat. B, 14th Bn., 5th Trng. Regt., F. A. Rep. Center, Fort Bragg, North Carolina.

Ravenswood Moves Its Communion Date Up to This Sunday Morning

1-3 Wed. . . . . 1521 Wilson Ave.

The meeting notice that was sent out the first part of this week is incorrect in stating that at the May 7 meeting plans for our communion Sunday will be made. At the time the notice was compiled such was correct, but since we have learned that it would conflict with other groups, so Ravenswood Council will receive communion with Our Lady of Lourdes Holy Name Society Sunday, May 11, at the 7 o'clock mass. Please note that the time is 7 o'clock, not 8 o'clock. Seven o'clock was chosen so there would be no conflict with the children's first holy communion. Breakfast will be served after mass.

GK Morgan is especially desirous that we have an extra large turnout for this event. It will add to our prestige if we have a large number. Make every effort to be there, and it might be a good idea if each of us telephoned one or two members who have been a trifle lax in attendance in order to remind them of this council function.

Ravenswood Council joins other councils in the city in extending its deepest sympathies to the family and close friends of Joseph A. McMahon, master of the fourth degree, who died suddenly last week. May his soul rest in eternal peace.

RAVENSWOOD NEWSIES

Congratulations to Trustee and Mrs. Wilbur ("Hub") Beaton on the birth of a baby daughter, Margaret Mary. The happy event occurred April 27. At this writing mother and child are in fine condition. If the little girl is as attractive as her mother—and I'll bet she is—the Beaton phone ought to be a mighty busy gadget in a few years.

Don't know whether the above-mentioned event had anything to do with it or not, but Pappy Hub won the final sweepstakes of the Ravenswood-Lourdes Bowling League, with a 599 series. The annual banquet and blowout for the league was held this last Monday evening at the Sheridan Plaza. Apparently the affair was strictly controlled, for the hotel is still standing.

All in all, this past year was a very successful one for the league, with the only dark spot being the death of its secretary, Bro. Charles Sutton. The bowling league is not alone in mourning his passing. All who knew him miss his happy nature.

It may be a trifle late to include any new applicants for membership in the May class of initiates, but that's no reason for relaxing the drive. Get out and get at least one new member. That goes for all of us.

By the way, don't forget the barbecue drive. It's important, not only to the Chicago district but to our council that you help. Report to Trustee Peter Farrow, chairman of our drive.

(Wally, please see the scribes' notice on page 2.—Ed.)

Madonna in 35th Annual Communion Service This Sunday

2-4 Fri. . . . . 4624 Emerald Ave.

In forty-eight hours Madonna men will have written "finis" to the thirty-fifth annual Communion Sunday of the council. By so doing they will have fulfilled the obligation of every knight, to perform his Easter duty, and also, they will have honored their mothers in the reception of the Holy Eucharist.

Without a doubt, our Communion Sunday is the biggest event of the council year, consequently nothing is spared to make the occasion a truly joyful one. The sixty-piece St. Rita High School Band, under the direction of Father Marron, will again lead the men in their march from the club to St. Gabriel's Church. (We've been trying to get them to play "The Old Shillelagh" as a march, but it looks like we're out of luck.)

By this time you will have received official notice along with your Easter duty card. If, for any reason you cannot receive with the council, you should have your pastor certify that you have complied with the law of the council and return the card at once.

As usual, a wholesome breakfast will be served gratis to members and their prospective candidates immediately following the Mass in the school hall. Don't forget! Assemble at clubhouse at 7:30 a. m.; bring your attendance card—and a candidate. We'll do the rest.

TONIGHT

Friday, May 9th, the council will meet in our clubhouse, 4624 Emerald Avenue. Chief subject of discussion will be the Softball League and do we enter it? On the fire also will be—sh-h-h! the Carnival—and double sh-h-h! the Golf Tornament. Well, wadda 'bout it? If you want to shoot off your bazoo, now's the time to do it. And 8:15 p. m.'s the time.

DID YOU KNOW

That St. Cecelia's parish still has those chummy Thursday night parties for which it's famous. It's amazing what you can take home with you.

And if we're not mistaken, St. Gabriel's has quite a nifty affair on Wednesday evenings. Do you go?

No bowling news this week because the boys are holding off the big stuff 'til next week. You know (if you bowl) that the league's banquet was held at the clubhouse last Wednesday evening. Wotinell are we going to do for notes now?

WE'RE SORRY

That the Columbian is a weekly paper because by the time Monday comes around we have forgotten what we were going to say to the editor on Friday. (Well, look at us—we have to start saying on Tuesday what doesn't come out until Friday. And then we can't be sure that anyone besides Mrs. Donegan and Mrs. Ed is going to pay any attention to the sound of it. On second thought, and from the answers we get, maybe ere's only Mrs. Ed in the audience. —Ed.)

Disregarding the fact (we dare you to —just once.—Ed.) that he is a gentleman, and that he tips his hat before he kicks a lady in the slats, we think that there must be a heart, beating somewhat wheezily, under that outer crust. He thought we were kidding a while back about sending socks to him at Leavenworth, but we don't know now. He tipped us off about the notice he's got up on page two today. If he goes to Leavenworth I hope my spot is Alcatraz 'cause how else could I ever get away with "notes to the editor"?

Setters Gives Last Minute Reminder on Sunday's Communion

2-4 Thurs. . . . 4711 W. Madison St.

Since 8 o'clock Sunday morning, May 11, is just a few hours hence, this comes as a last-minute reminder that the members of Father Setters Council are assembling at that time at St. Finbarr's Church, 14th street and Harding avenue, to attend Mass and receive Holy Communion.

In so doing on Mother's Day we are following a time-honored custom of the organization. For many years it has been our practice to receive the Blessed Sacrament on that occasion for our mothers and for the other members of our families and for the deceased members of Father Setters Council.

After Mass we shall adjourn to the parish auditorium, where a full-course breakfast will be served. This is, of course, with the compliments of the council and no fee will be charged.

TWO BIG EVENTS

Ladies' Night will be held on Thursday evening, May 15, at 8:30 at the Madison Athletic Club, 4711 Madison street. All ladies affiliated in any way with the members of Father Setters Council are most cordially invited to attend. There will be entertainment a light refreshments.

The barbecue rally will take pl along with the regular meeting Thursday evening, May 22, in the c tomary chambers at the Madison A letic Club. One of the many attr tions of this gathering will be the to-the-minute reports of Co-chairm William Hoffman and Edward M. F gerald on the progress of the barbe drive. At the moment it looks like grand total of this year will top t of all preceding years by a substan margin.

At the conclusion of the meeting freshments and barbecued beef sa wiches will be served.

IN MEMORIAM

The passing of Joseph A. McMa Master of the Fourth Degree and many years District Deputy of Fa Setters Council, is a very real and p sonal loss to all of us. We shall r his kindly guidance and friendly co sel, his cheery personality and stri lating presence. In mourning his timely death, we do so with resig tion to the will of Almighty God with profound gratitude that we w privileged to know him.

The members of Father Setters Co cil extend to Bro. McMahon's fa our most sincere sympathy.

CALUMET PUSHES DRIVE ON MEMBERSHIP QUOTA

4 Mon. . . . . 6646 Stony Island Ave.

Our next regular meeting, Monday, May 2 will mark the reading of the largest number of new applications that Calumet has had the pleasure of presenting in many a year according to word from those two hard working membership leaders, Chairman Tom Walsh and Vice-Chairman Al O'Grady. Both have spent the last week or so contacting team captains to produce the greatest number of applications possible for their individual teams. The results have been highly commendable so that going into the final two weeks of the campaign, we ask you to make an earnest effort to put just a little good hard work into this drive and secure at least one application from each member of your team.

Application should be in by next Monday night, so that the detail work can be taken care of without rushing. Remember too, that any application received up to May 15 will be voted on for the next class. Lecturer Frank J. Walsh has a very interesting evening of entertainment planned for next meeting and we expect a large crowd. Grand Knight Birmingham, P.G.K.'s McGreal and Byrne who attended the State Convention at Aurora this week, will have some interesting reports and sidelights on the high spots of this interesting meeting.

BARBECUE REPORT

Chairman Ty Hyland, who has been doing a fine piece of work on the Barbecue will have his first comprehensive report ready Monday. In this activity, as in the membership drive, there are those who do more than their share, and really carry the burden for the laggards. Let's have no such a thing as a laggard in this drive, let all do their full share, thereby assisting materially in the welfare of these underprivileged children of our archdiocese, the council and yourself.

SOFTBALL

Comm. of Athletics, Jim Shinners has had his softball charges out for two evenings of good practice during the past week. Several new candidates were out and we will have a good representative team ready for the campaign. By next week the league will have most of their preliminary work out of the way and be ready to announce opening dates and schedules. We will announce the time and place of the first game, and we hope that a large crowd will be out. Practice sessions will be held as usual each Tuesday and Thursday evenings at Avalon Park, 83rd St. and Woodlawn Ave.

Genoa's Cabaret Party Is Acclaimed Success by Enthusiastic Crowd

3 Mon. . . . . 7439 Cottage Grove Ave.

Genoa Council held its Annual Cabaret Party in the Venetian Room of the Southmoor Hotel last Saturday and it was a huge success. Any person who attended the affair left it with the thought in mind that few if any could truthfully say that they did not thoroughly enjoy themselves.

Although many members were absent, almost every member of Genoa Council who takes an interest in such affairs, attended and expressed confidence in the greatness of Genoa.

The music of Johnny Marlowe and his boys was of course one of the main attractions and to say the least it was good. The only thought your writer had on the subject is the fact that they quit too soon. In fact Bro. Ben O'Neill and Bro. Tom Murphy were just getting into the swing of the affair when they called a halt and left all those in attendance in the dark as to the real dancing ability of these two brothers.

All in all we had a grand evening and much credit is due to Chairman Bill Conn, his splendid committee, and to all those who worked at the doors on that evening including such hard working Knoaites as Bro. Jim Kerins, Marty O'Brien, Robert Stadler, Mike Cullen, Tom. Hanney, Leo Schiavone, and others too numerous to mention.

We also wish to take time out to give credit to Sergt. Frank O'Sullivan who managed to get such a large contingent from the Commissioners' office. Numerous outside council members were present and to those we extend our thanks and hope that in the near future we may be in a position to reciprocate.

BARBECUE

From now on your scribe will seek to form the membership of the progress of the barbecue drive. Bro. Robert Stadler, chairman of this committee, is anxious that this year's campaign will top all others but in order to do this you must give to help. Each member should make a special effort to aid in this cause. Get busy now and see if we can help Genoa Council get in the "century club."

Bro. G. K. James F. Riley, Jr., P. G. K. Frank McGillen, P. G. K. Tom Moore and Recorder William Hanney are down in Aurora, Illinois. It is presumed that the boys will have plenty to tell at the next meeting and who can tell, but that the Report of the State Convention might be given soon after the return of the delegates.

HOLY NAME SUNDAY

Next Sunday is the regular monthly Holy Name Sunday for the Archdiocese of Chicago and in accordance with the wish of the Archbishop, your scribe wishes to remind each and every member of the council that he can greatly aid the cause by attending Communion in a body at his parish church at the 8:00 o'clock Mass.

This being Mother's day it is an opportunity to express your feelings toward your mother, whether she be deceased or alive. Make Holy Name Sunday your Sunday to receive Communion with the men of your parish.

(Francis, please note the important notice to all scribes on page 2 of this issue. —Ed.)

La Rabida Expecting Full House in Honor of Phillip Sabatino

2-4 Tues. . . . . 6236 Princeton Ave.

Phillip A. Sabatino, the seventeenth Grand Knight of La Rabida, will be duly and properly honored on the occasion of our next meeting, Tuesday, May 13, when many dignitaries of the Order will join in tribute to the man who has served La Rabida faithfully and well as its Grand Knight for the past two years.

Bro. Sabatino accomplished many things during his two years in the chair, among them being the annual Thanksgiving Day Memorial Mass at St. Anselm's Church; the annual council memorial meeting; the holding of First and Second degrees in our council chambers conducted by council officers, after a lapse of several years; the Children's Christmas Party in December, 1939, which brought much commendation to Bro. Sabatino.

His sincerity of purpose along with the desire and ability to perform the duties of his office has merited for him the right to take his place among a long line of outstanding leaders of this council, and likewise true to a well established La Rabida tradition, after he stepped out of office in July, 1940, it in no way curtailed his interest in the affairs of the council, but he, like all other living past grand knights continued in regular attendance at council meetings.

Let no member of the council absent himself from this meeting which will afford the opportunity of paying tribute to a truly great leader. Lecturer John Latchford has arranged a splendid program for this occasion.

ANNUAL COMMUNION

On Sunday, May 18, La Rabida members will receive their annual Communion in a body at St. Leo's Chapel, 79th and Peoria, at the 8:30 o'clock Mass. Our Worthy Grand Knight, Cornelius Driscoll, requests each member of the council to be present on this occasion.

This public demonstration of our faith and love for Christ in the Holy Eucharist has always been well attended in the past, so please let this year be no exception. Following Mass, breakfast will be served in St. Leo's High School Cafeteria. Our Worthy Lecturer, John Latchford, promises a most palatable menu.

Brother Leo Flynn, Past Grand Knight of Auburn Park Council, Past District Deputy, and at present State Secretary of the Illinois State Council, has been elected to the highest office within the membership in Illinois, that of State Deputy. Bro. Flynn, who is well known to La Rabida, has on many occasions been present in our council chambers and has often participated in our council activities.

It is our privilege and pleasure to extend to State Deputy-Elect, Leo Flynn, our sincere congratulations. May his term of office be most successful and we pray that God will grant him health and strength to carry on his arduous duties.

We also take this opportunity to congratulate Bro. Ray Gleason upon his election to the office of State Secretary, and we wish him well during his term of office. I might also herewith report that the Council was represented at Aurora Convention by P.G.K.'s John J. Mahon and George L. Griffin.

FORMER REICH CHANCELLOR CATHOLIC, SAYS DEMOCRACY REQUIRES SPIRITUAL BASIS

Davenport.—There must be a genuinely spiritual basis for democracy if it is to survive, Dr. Heinrich Bruening, who was Chancellor of Germany prior to the rise of Adolph Hitler, told the students of St. Ambrose's College here.

Dr. Bruening, the guest of Most Rev. Henry P. Rohlman, Bishop of Davenport, during his visit to this city, said legislation is not enough, and that laws and technological solutions cannot supplant fundamental moral standards. The Catholic former Chancellor said marvelously advanced social legislation existed in Germany under the Weimar Constitution; that it became unwieldly in application; that attempts at readjusting it were sabotaged by certain elements; and that then Naziism entered the picture with its "perfection by force."

St. Francis Will Take Communion Sunday, May 18

2-4 Thurs. . . . . 4711 W. Madison

On Sunday, May 18, the members of St. Francis Xavier Council will perform their Easter Duty in a body at San Callistus Church at the 8 o'clock Mass. In connection with this there will be our Mother's Day program.

The mothers, wives, sweethearts and the members are expected to tax the capacity of the church for this affair, which will delight our beloved chaplain, Rev. Francis X. Breen, S.J., and the pastor of San Callistus, Rev. Silvio Zanoni, fourth degree member of the council.

During the Mass, the Communion cards will be distributed; signed by the members; and returned to Father Breen. After Mass a picture of the entire group will be taken. The program will then begin with breakfast, which will be served free in the church hall.

The committee, headed by P. G. K. John Blase Meccia, has arranged an interesting program to follow the breakfast. An appropriate address will be delivered by State Deputy Judge John F. Bolton. Sir Knight John Pane-Gasser has promised to sing operatic arias familiar to all of us.

All mothers present, who have been previously registered, will be presented with a beautiful gift and the names of those mothers who have passed away will be read during the Mass. It has been arranged that way so no mother will be forgotten.

MEMBERSHIP

The merry month of May is here and it could be made merrier for Salvatore Cirrintano, membership chairman, if we would bring him enough applications this month to reach our Century Club goal. "Pappy" Salvatore says all we need is about 30 more to attain this honor for the council for the first time in its history. Surely we all must have relatives and friends who are just waiting for us (with $5.00 in one hand and a pen in the other) to approach them with an application. Let's get to them right away. June 30 is not far off.

In connection with the membership drive, the exemplification of the first and second degrees will take place in our council chambers, Thursday, May 22. All members who have insurance applicants eligible for this degree are urged to have them visit our medical examiner, Doctor A. L. Vincenti, for their examinations in plenty of time. Doctor Vincenti's office is located at 718 S. Kedzie Avenue. His phone number is Nevada 0005.

FRANFOURS PARTY

Tomorrow night—Saturday, May 10—is the night that the big Franfour party will take place at Club Citro, 1014 South Halsted Street. Come one, come all, is the invitation extended by the Fourth Degree members. Entertainment, dancing, eats and drinks are on tap all for the mere cost of one buck a head.

THE BARBECUE committee is working harder every week, but Chairman "Scotty" Frusolone wishes to impress upon the members that they must do their part of the drive if it is to be a success. Contact him at Monroe 7037, or 1010 S. Ashland Blvd., for more work.

DIS 'N' DAT

Bro. Eugene Belmonte met a friend last week, pulled out a membership application, and said friend signed on the dotted line. Nice work, Gene . . . Three more members trekked to Billings Hospital last week-end to come to the aid of Jimmy Varchetto's ailing friend. Bros. Tony DeMore, Leonard Merisso and Mike Puccini were the 3rd, 4th, and 5th to submit to blood transfusions for Mr. Totocki . . . The officers and members of the council extend their deepest sympathies to the family of Bro. Joseph McMahon, Fourth Degree Master of Northern Illinois, who passed away last week.

Softball manager Joe Consoli is not satisfied with the turnout last Friday night for softball practice and would like to see more members report to him as soon as possible. Get in touch with him by calling Webster 2398 any week day. (See important scribe notice on page 2.)

Report for 1940 Shows De Paul Men Give Nearly $3,000,000 to Poor in U.S.

Washington.—The Society of St. Vincent de Paul spent $2,848,245.74 in 1940 in giving material aid to 106,861 families in the United States, figures announced at the meeting of the main governing body of the de Paul society reveal. These figures indicate the extent of the society's apostolate, but the spiritual works of the society cannot even be estimated.

The figure represents an increase in charity of more than $160,000 over the previous year. The members themselves contributed $127,000, a sum far in excess of what was spent on overhead, thus assuring to the poor practically every dollar given by the public.

Twenty-five thousand members of the society throughout the nation met every week to discuss the problems of the 106,861 families (1,578 more than in 1939) given assistance. These members made 658,950 visits to such families.

The report presents these statistics for 1940:

Material aid: Families assisted, 106,861; persons in families, 507,192; visits to families, 658,950; visits to institutions, 159,821; situations procured, 9,159; transportation to homes, 1,445.

Financial report: Collections at weekly meetings, $127,712.60; total receipts, $2,949,305.21; total expenditures, $2,848,245.74; special works, $597,710.71.

New Theory on Earth's Core Is Given by Jesuit

New York.—In a paper issued by the Seismological Society of America, the Rev. Joseph Lynch, S.J., director of the Fordham University seismograph observatory, presents a new theory concerning the nature of the earth's core, which he considers to be a metal in a state of solid-solution, that is, a metal of such low rigidity as to possess many of the properties of a solution.

Father Lynch states that his theory conforms more nearly to known facts revealed by seismological records and study of tides, which, he says, disclose two sorts of waves: compression waves, which go through either liquids or solids, and transverse or "shear" waves, which can only go through solids.

If the earth's core were liquid, Father Lynch reasons, there would be no evidence of "shear" waves, but such waves are known to pass through the core of the earth and reappear, although in greatly reduced form. On the other hand, tidal action indicates that the earth's core cannot be rigid or solid, he adds.

Father Lynch performed experiments with a metal called palladium, which is similar to platinum, and dissolves hydrogen readily. As it absorbs hydrogen, it loses solidity.

"In the core of the earth the enormous pressure would prevent such ascope (of hydrogen)," says Father Lynch, "and hence it is plausible to imagine a metallic core absorbing an amount of hydrogen sufficient to reduce the core's rigidity practically to zero. On the basis of the present work, therefore, a solid solution is proposed as representing the state of the earth's core.

"The gas presumably would be hydrogen; the metal one of the many metals known to absorb hydrogen readily. Such a solid-solution core would have the advantage over a liquid core that it would permit feeble shear waves to pass through, as seismic investigations seem to require. It would have the advantage over a solid core that it would have the low rigidity demanded by tidal action."

HUGHES IN COMMUNION SERVICE NEXT SUNDAY

1-3 Tues. . . . 4711 W. Madison St.

Hughes Council's semi-annual Communion Sunday is May 11. You have received individual notice that the Council membership in a body will receive the Holy Eucharist at St. Edmund's church in Oak Park on this Sunday at the 7:45 a. m. Mass. All arrangements have been completed by Chancellor James A. Ryan, chairman of Catholic Action. This Communion Sunday is a memorial to our late beloved honorary G.K., John D. Raleigh, and every member is urged to participate. Be sure to sign your Communion card so that it may be handed in on Sunday.

LADIES' NIGHT MAY 20

Lecturer Joe Ryan reports that every detail has been attended to for another gigantic and successful Ladies' Night, Tuesday, May 20, in the Madison Athletic Club, 4723 W. Madison St. This will be a repeat, a sort of command performance, of "A Night at Monte Carlo." This program brought such plaudits to the lecturer and his committee when staged about a year ago, that it is being repeated, and everybody is assured of a dandy evening. It is an open meeting night: members are urged to invite and bring along wives, sisters, sweethearts, friends. On Tuesday, May 20. A big time awaits.

BOWLING HIGHLIGHTS

Eighty members of Hughes Council participated during the bowling season. This is exclusive of the Major squad. That is a record to be proud of, and the twelve teams engaged in the league competition nearly all had six-man personnel throughout. The committee which arranged for a full 100% handicap system scored a ten-strike on their own.

P.G.K. Elmer J. O'Brien, former National Director and long a bowling stalwart, suggested this arrangement in a pre-season session, and when it was acted upon favorably it proved the basis for a season of ripsnorting competition. Every team had a chance. There was no premium on skill and the dub bowler had as much chance as the high average man.

While on the final night of the season and first and second position in the ultimate standings had been clinched, there were no less than four teams with a chance to finish in third place. The Votava Auto-Fixers won this position, besting the Flaherty Tavern, the Howells Restaurant and the John H. McKeown Cartage teams. The Votavas won because of the inspirational leadership of Capt. Charles A. (Chick) O'Malley, who after a dull start for his team pepped them up to come on and win the remaining two, despite brilliant bowling by Capt. Ed (Midge) Gorman of the Howells, who chalked up a 630 series in an effort to avert defeat.

The Flahertys, with really only Anchorman Frank Bolen as a top average man, kept things humming all season and wound up in fourth place. Howells and McKeowns were deadlocked for fifth and sixth. It had been hoped that the Council League Secretary, P.G.K. Harold F. Enright, would have released final figures in time to catch this particular issue, but Harold, despite an urgent request on the final night, has not submitted the standings officially, though we are confident that with his usual glibness and silver-tongued faculty he will have more than a satisfactory explanation.

Meantime, to recount the results on the last league night, the Lauterbach Coal team, with first place cinched owing to a four-game margin going in, lost the entire series to the Peter M. Kelly Undertakers. It wasn't that the Lauterbachs were lousy, but rather that the Kellys got real hot and anybody who has seen this team in action when it was going good knows that those boys can roll up tall totals; witness nearly a 3400 series that last evening.

The Flaherty Taverns took two games from the McKeowns to settle fourth place, the Howells lost two to the Votavas, and the Ward Blues kept the Toomeys in last position—the cellar—by winning the odd game. Malone & Clancy battled hard against the second placed Elmo Ward Builder Golds, but came off with only a single victory. The Douglas Coal team, showing in the final weeks the form expected of this squad all year, swept the series with the Ald. Richard M. Walsh, 36th Ward Boosters.

At the last meeting, Tuesday, May 6, Commissioner Nick Mulroe gave some interesting data about the Council Bowling League. Later on there will be full details in reference to a Bowlers' Party and any member who has not received his bowling earnings should contact his captain for particulars.

SOFTBALL NOTES

Athletic Director Elmo L. Ward is eager to have any member who cares to try out for the softball team get in touch with him at once, Columbus 3503. Hughes Council's squad captured the city-wide K. of C. softball championship by triumphing in the finals last season, and of course the team will be out there battling to repeat that glorious victory.

REQUIESCAT IN PACE

It is with unutterable regret that the members of Hughes Council extend condolences on the sad death of Bro. Joseph A. McMahon, master of the Fourth degree. Bro. Joe was known personally to practically all of our members, respected, honored, loved, and his loss is one that the Order can ill afford. May his soul rest in peace.

COUNCIL NEWS: Bro. Edward Fitzgerald and P.G.K. Patrick J. Barrett are new Year-in-Advance members. Incidentally, Bro. Barrett made the trip to Indianapolis with the bowlers. And, mentioning the trip, posies to P.G.K. Elmer J. O'Brien for his unselfish labors in making the journey a pleasant one for all concerned.

St. Augustine Asks Members' Support on Barbecue Campaign

1-3 Mon. . . . . 5209 S. Justine

The great K. of C. Barbecue Campaign is in full swing—each council has its assignment. As in every Catholic action, our council must be on top—a leader. So please consider this a personal message to you. Each of you has been allotted a definite part in the program and you are expected to give your best effort for its success.

The purpose of the barbecue is certainly a noble one—no red-blooded K. of C. will deny that. The very fact that it is to provide funds for the welfare of our youth—to keep them on the straight and narrow path, is possibly the greatest act of charity that we as Catholic gentlemen can perform. Well then, let's get going!

The three men in charge for our council are: Treas. Michael E. Novak, 1338 W. 52nd St.; Chairman Joe Handzik, 5310 S. Honore St., and Fin. Secy. Al Labuhn, 6729 S. Campbell Ave.

TID-BITS

A five-pound four ounce future Knight was born to Bro. and Mrs. Lemont Chritchett on April 26. Latest bulletin reads "Mother and son doing nicely, father slowly returning to normal." Cigars can be had at his Standard Station, at 55th and Justine Sts.

Will Grand Knight Phil Kushenbach kindly furnish us with his Brookfield address? Catch on, everybody?

All members of our Council Bowling league will kindly keep open the evening of Thursday, May 29. This is the day of the big banquet.

Hen. Shields to Leave for Week and Retreat at Mayslake, May 16

May 14-28 . . . 446 N. Parkside Ave.

P. G. K. Jack Shealy, chairman of the retreat committee, reports that a number of council members have signed up for the forthcoming retreat at Mayslake, Ill., beginning Friday evening, May 16, and ending Monday morning, May 19, in sufficient time to report for work.

Bro. Joseph Gladstone, president Holy Name Society of St. Catherine of Siena parish, is co-operating with Chairman Shealy to produce a large class for the retreat by recruiting members of the Holy Name and also employes of Sears, Roebuck & Co. The zealous efforts of these two members should experience no difficulty in producing a class that will tax the housing facilities of Mayslake.

If you decide making this retreat, notify Chairman Shealy at Columbus 1177 or G.K. Costello, Jr., at Columbus 6300. Reservations and transportation will be arranged.

MICHAEL J. KELLEHER

Bro. Michael J. Kelleher, a veteran member of many years, passed away during the past week, his funeral being held from his home, 5528 Adams street, Saturday, April 26, to St. Catherine of Siena Church, with burial in Calvary cemetery. Mr. Kelleher was also a member of the Retired Postal Employes. To the members of Bro. Kelleher's family we extend our sincere sympathy. May his soul rest in peace.

BOWLING BANQUET

We read in the paper recently about the fellow who spent all winter throwing one ball at ten sticks and then spent the summer throwing ten sticks at one ball. While the bowling widows will have their big lugs at home Tuesday evenings until next September, summer golf will now call to their darlings. As you may suspicion from this, the bowling season is over. Last Tuesday evening the bowling banquet concluded the season's activities.

The awards with necessary deductions by F. S. Joe Hannon, were handed out and everybody was happy. In the election of officers James Ford was elected president, Emmett Hickey vice-president and Frank Gould, secretary-treasurer. Emmett Hickey can testify this is a land of opportunity, because after a year of bowling he has been elected vice president of the league.

Sponsors of the league teams, G. K. Charles Costello, Ed Riley, Ray Foley, Larry Hayes, Frank M. Hayes were present and agreed to sponsor teams for next year. Bro. Jack Walsh, president of the Midland Pipe and Supply Co., will sponsor and enter a team next year. Welcome to the league, Jack. Among guests and speakers were Bill Cronin, Roy Winterhalter, P. G. K. Bill Welch, Don Gleeson and Jim Shealy, the latter enjoying his dinner through the courtesy of Bill Annas.

THE SOUNDING BOARD

Dr. Frank J. Sauer, our eminent doctor of anatomy, has agreed to give a lecture at our next meeting on Wednesday, May 12, with "You Are What You Eat" as the subject. This will be a highly interesting talk, as Doc knows his vitamins and calories.

The officers of the council were highly pleased with the more than 50 per cent of total membership turnout for the annual communion at St. Catherine's Church last Sunday. Father James Doherty, our chaplain, read the mass. It was a grand day and the faithfulness of our old timers in returning year after year to our annual communion and homecoming is something to arouse pride and loyalty to our council. D.D. John J. McKeown and Bro. Bill Radke of Barry Council honored us by their presence.

After Mass, adjournment was taken to the Elks' clubhouse in Oak Park to enjoy a breakfast of scrambled eggs and trimmings. P. G. K. Shealy and Bro. Gladstone both urged members to plan on making the Mayslake retreat. We wish to thank Mons. Maguire for his kindness in inviting us to St. Catherine's and also the Elks' Club for their accommodations afterwards. The officers also wish to thank the members for their fine attendance.

We hear that Bill Annas, Jim Lynch, Pete Murphy, Phil McNamara and Felix Kroll rolled into second place in the Cinderella Alley's sweepstakes last week in spite of the agony Bill Annas suffered from his pediculous score of 394.

P. G. K. Frank Daley celebrated his birthday the same night of the bowling banquet. Congratulations, Frank, and we hope you have as many more.

The landlord's favorite May quotation: "We will call and raise you, brother. It is your move, next!" G'bye.

University Delegates Prominent at Illinois Convention in Aurora

2-4 Tues. . . . . St. Ignatius Aud.

The State Convention at Aurora on Monday and Tuesday was attended by P. G. K. Bart Quigley, G. K. Tim Murtaugh, and D. D. Ed Jeffers. G. K. Murtaugh, as Chairman of the Catholic Action Committee, read the report of his committee.

Our new D. D. Edward Jeffers made the nominating speech for P. G. K. John J. Corcoran of Newman Council (one of the councils under Ed's jurisdiction) as Delegate to the National Convention. Naturally, Ed's eloquent nominating speech resulted in John's election. Bart Quigley circulated about the convention in his usual fashion winning new friends and more good will for University Council.

SOFTBALL

The softball season started off with a bang last Sunday at Legion Park. Among those present were the old standbys, Phil Ryan, Mart Jeffers, Jim Dolan, Jim Malone, Frank Schmit, Fr. Jos. Wagner, and James Kane. Jim Kane, who has played with the group for four years and has developed into an excellent pitcher, has been appointed by G. K. Murtaugh as manager.

Jim will officially welcome everyone who plays, thinks he can play, or wants to learn to play, next Sunday and every Sunday thereafter at 10:30 a. m. sharp. He hopes to form his league team at once and will give everyone a chance to make the team. Come out Sunday!

OPEN MEETING TUESDAY

Our meeting next Tuesday will be an open meeting, so bring along the ladies and also your prospective members. The prominent speaker we hoped to secure is not available, but the G. K. and the Lecturer promise us another of equal interest. Come up Tuesday and you'll not be disappointed.

Chairman Jim Dolan promises to surprise us at the next meeting by his report of the Barbecue.

Oak Park to Entertain Ladies With Special Movie Program Monday

2-4 Mon. . . . . 641 S. Scoville Ave.

The next meeting will be Monday, May 12 and will be the long awaited "Ladies' Night." The special feature of the evening will be a picture furnished by the Borden-Wieland Dairy showing the many interesting things about the milk you serve at your table. Lecturer Frank Holub promises the ladies the best in the way of refreshments following the entertainment. And as usual the lecturer indicates that there may be something in the way of a surprise. So don't fail to attend, and have your wife come there about 9:00. The evening will be well spent we can assure you.

CONDOLENCES

A loss that has left all of the Knights of Columbus extremely sad is the loss of our District Deputy Joe McMahon. Ill for a long time, Joe carried on his many duties with a smile. As Master of the Fourth Degree Joe fought to make the last class, the Archbishop Stritch Class, one to compare with the best; and he succeeded. No member of the Order in the Chicago area had been more interested in the Knights and their achievements than was he. The news of his death stunned all. We ask that all of our members remember Joe McMahon in their prayers. To his family we extend our heartfelt sympathy.

COUNCIL ITEMS

We learned that the wife of Brother Bob Carraher is home and getting along quite well. Bob, himself is up and around.

We have just learned also of the return to the hospital of Brother Joe Lynch, our popular postmaster. Brother Lynch was very sick a short time ago and we hope that this is not a recurrance.

The Barbecue Campaign should now have your full support. Get behind this effort and help our underprivileged youth. Help prevent increasing our jails by removing much of the cause. You can do much by giving your full support to the cause. Bill Bosley can furnish you with some "spares." Remit to him any collections you may have. Brother Harold DuChateau is co-chairman along with John Kallal and with these fellows giving the affair a push it is easy to see why it is gaining ground.

Spring is here! Buzzing around the clubhouse is the great outdoor bee. Golf, Picnic, etc. is in the air. The picnic is getting under way in full swing and much more will be heard of it in the coming months. Also the golf, under our popular Deputy Grand Knight Joe Cagney, is coming to the fore (forgive the pun) and we will hear next meeting of the arrangements to that end.

One of the members presentd the applications of his three sons for insurance membership. That really is something for others to aim at. We understand that many of the members have sons that they wish to have join the Order but are deterred by fear of their being conscripted. That in itself is a good reason for joining. Where, save through the K. of C. can a man make excellent friends in any city to which he may be assigned. Through the medium of Brother Knights he can meet with those whose friendship is desirable. Think that over.

May 17th will be the May Dance of the Oak Park Fours at the clubhouse. This quiet unassuming group have been working on the dance for about a month and promise the council members a wonderful evening of entertainment. Tickets, 40 cents, plus tax.

May 26th will be Oak Park Council's date for the initiation for all councils in the territory. We will have several candidates for the First and Second Degrees in that night. You still have a chance to get your candidate in this class.

(Tom, please see the notice to all scribes on page 2.—Ed.)

FAMED PREACHER GIVES FIRST RETREAT IN U. S.

San Diego, Calif.—The annual retreat for the celrgy of the San Diego diocese is believed to be the first one preached in America by the Rev. Mateo Crawford of the Congregation of the Sacred Hearts. Father Mateo was cured at the Shrine of the Sacred Heart, Paray-le-Monial, France, in 1906 and thereupon pledged himself to spend the rest of his life preaching the social reign of the Sacred Heart. Three Popes have blessed his work, which carries him to all parts of the world to preach, particularly to priests and religious. He has perfect command of six languages.

O'CONNOR CITES GREAT WORK OF BISHOP SHEIL

1-3 Thurs. . . . 4060 N. Kedzie Ave.

This year's barbecue drive falls within the same period set aside by a committee of the nation's leading citizens to honor Bishop Bernard J. Sheil, founder and national director of the Catholic Youth Organization, and to whom, for the further spiritual, physical and moral welfare of needy youth, the Knights of Columbus Barbecue proceeds are donated.

Bishop Sheil originated the C.Y.O. when the chances of mundane glory were not very hot, and when it was a sure thing there'd be blood, sweat and tears over slum punks. As a matter of blunt fact, if Bishop Sheil had had a yen to become famous he would have developed the promising baseball talent he displayed in schooldays. But he turned his collar around and went to work to straighten out kids.

The start of the C.Y.O. had tough going. Then it began to dawn on people that Bishop Sheil was fronting for kids that others had kicked around and given up on.

So now the young man who was merely another young priest working to get kids a better break in this world, so they might have a better chance in the next one, blinks at finding himself spotlighted. Neatly he twists the spotlight on the need of money to help more kids to get more out of their lives.

That's another great point about successful churchmen. When there's a chance to give the needy a lift, they want you to say your "amens" in cash. Words; what are they? What's all the copy written about Bishop Sheil compared with the fate of a kid who hasn't had a fair chance? Ask the Bishop. He'll give you a straight answer. He'll tell you that nothing precedes the care of his underprivileged youth. And nothing should precede your efforts to aid him in this great work. With this thought in mind, get out and do your job in promoting the barbecue. Remember, that by doing so, you are giving active assistance to Bishop Sheil in his great humanitarian work.

KNIGHT LIFE

For the first time in many months, we are without a bit of copy from "Uncle Phil" on bowling. And how we miss it. However we might remind you keglers that your election of officers for next year will take place next Thursday evening, May 15, immediately following the regular council meeting. Lecturer George McLoughlan also promises to have plenty of your favorite beverage on tap. . . . Word reaches us that Marty Sullivan was seen riding a Shetland pony at one of the Kiddielands on the edge of town. Can it be that he needs practice or was it just a postman's holiday?

Who said there was a depression? Paul McGuire and John Golden are added to the list of the members driving new cars. . . . Eddie Wilson and Eddie O'Connor, a couple of Mommie's boys, hold first place in the doubles of the citywide All Catholic bowling tournament being conducted at Brother Al Long's Monte-Carlo alleys. . . . Seen at the Communion Breakfast, Jerry Noonan former night alderman of the Fortieth Ward. . . . Still on the sick list are Brothers John Steindl and Richard Shay. Tom Mahoney has deserted Alexian Brother's hospital and is convalescing at home. All three would appreciate visitors.

Maurey O'Brien's and Joe Navin's sons were first communicants last Sunday. . . . Chaplain Rev. Father Rausch was toastmaster at a banquet given in honor of Father Frank Byrne following the celebration of his first Mass at St. Pascal's church last Sunday. . . . Little Jeanne with the light brown hair tore up about three feet of sidewalk last week, using her probosis and knees as a plow. That word "Plow" should send her daddy after the O. D. in record time. . . . For color on the ball field you just can't beat Battling Jack McGuire. Last Sunday he was fielding balls off the left field wall a la Novikoff. He ended up on the seat of one of the uniforms the council presented the team with last year. . . . If you didn't have Whirlaway last Saturday, don't blame me. I gave him to everybody I saw.

The Council officers meet this Friday evening at the home of Chief Touhey, 4859 N. Tripp Ave. . . . A word of appreciation to Mrs. Bill McCarthy, Winnie Cunningham, Marge McGovern, Irene McLaughlin, and all the other young ladies who served the Communion breakfast last Sunday morning. They turned in a fine job and you can sing that in high C or any key.

San Salvador Lists Important Business for Meeting Monday

2-4 Mon. . . . . 24 E. 114th Pl.

On Monday evening next, May 12, the regular scheduled meeting of the Council will be held. We are entering a plea at this time for a good attendance. Many items of importance are scheduled to be brought up and inasmuch as the business of conducting the affairs of the council is more than a mere routine matter, we urge all to attend.

Among other things, we find that our great annual picnic is not so very far away, and if we want to make this affair the grand success it should and will be, we need the assistance of as many as possible.

COMMUNION SUNDAY

It was deep gratification and pride that the officers of the Council felt upon seeing so many of the brothers respond to the notice of our annual Communion of last Sunday. Our chaplain, Father Chiminello, was gratified at the fine showing and his pride at being identified with San Salvador was very evident in his sermon during Mass. As usual, too, our good friends, the D. of I.'s, functioned admirably in the serving of the breakfast after the Mass.

RETREAT—Just another word about the Council's retreat at Mayslake. To all of you who have planned to join this class this weekend, please arrange to be at St. Anthony's Church on Friday evening at six o'clock.

COUNCIL NOTES

Congratulations to Bro. Ford Berner on his recent wedding. Bro. Berner was joined in holy wedlock to Miss Frances Rebedeau, sister of our good friend, Father Al Rebedeau, and daughter of our late Bro. Frank Rebedeau. Many years of happiness to the young couple. Bro. Joe De Marco is the proud daddy of a future K. of C. Congratulations, Joe!

GEORGE MASON reports that a key chain, to which was attached two keys and a K. of C. emblem, has been found, and are now at the clubhouse. Owner may have same by calling there.

By the way, all of you who received the last edition of The Columbian may exchange the copy for a used house brick by calling at the Columbian office. Why used house bricks, you say? Well, it might just be that our pal, the Ed, is hoping a couple of scribes, say from San Salvador or Madonna, will pay him a visit some time. At any rate, although our memory is none too good, we hate like the dickens to have it brought to our attention thataway. Tsk, tsk. (I'm keeping all my Irish confetti just in case you fellows DO show up, but I will give you a fiver for two tens. While I'm muttering in this corner, I'd like to mention not to overlook the notice to all scribes upon page two. Please!—Ed.)

U. S. HAS FIFTH OF ALL 61,117 SODALITY UNITS

Nearly one-fifth of all the sodality branches in the world are in the United States, the Prima Primaria, world sodality secretariat in Rome, has announced in a review released in connection with World Sodality day.

The review says that of the 67,117 sodalities in the world, 12,007 are in the U. S.

According to the Prima Primaria, 83 sodalists are saints or beati, including 44 martyrs. The sodalist saints listed include St. Francis de Sales, St. Vincent de Paul, St. Therese of Lisieux, St. Bernadette Soubirous, and St. Camillus de Lellis.

DOWLING URGES FULL AID TO MEMBER DRIVE

2-4 Tues. . . . . 3625 S. Hoyne Ave.

We are in the final lap of our membership drive and need 93 to fill our quota. We have never been found wanting when we appealed to our members for support, and at this time our Chairman John Deschner is making a special appeal to you to put your shoulder to the wheel.

It is an easy task to get new members if you will ask a few of your friends in your parish, at your work or your neighbors—you can do your Council and Order a good deed by just turning in one application.

BLOOD DONOR

Our Donor Chairman, P.G.K. Gerber is waiting for some more volunteers and when he has enough he will have a technician on hand to type. If you are interested, contact Bro. Gerber at Pro. 9065.

COMMUNION SUNDAY

On Sunday, May 18, our Council will receive in a body at St. Anne's Church, 38th Place and South California Avenue, at 8 A. M. Mass. Breakfast will be served in the basement after Mass. Your G.K. requests that we turn out in large numbers on this occasion.

PIN TUMBLERS BANQUET

Last Saturday night our league gave the bowlers and the sponsors a turkey dinner and a real party. It was held at Marzano's hall and was well attended.

After dinner the following business was transacted and the M.C. was our energetic Grand Knight, Frank Barker, and from all reports went over big. The first place team was presented with a beautiful trophy. Champs are Dunne General Tires. The second place team, the Dr. Michels, also received a beautiful trophy.

The balance of the team in order of finishing were called upon—The Gormley Boosters and Dalaege Boosters tied for 3rd and 4th; Hartnett Boosters, 5th; Beam Boosters, 6th; Zintaks, 7th and my own team the Dr. Laibe's in last place. The officers Harry Lorden, John Hartnett, Geo. Love, Geo. Spencer and John O'Rourke were called upon and responded.

This league deserves plenty of credit. They started in 1932 and continued to build up from year to year, and in 1940 had 8 teams and from all appearances it looks like we will have to increase to 10 teams in 1941.

SICK

Inside Guard, Jas. Curley, has been confined to his bed and at this writing is coming along nicely.

Bro. Fred Henderson is still in Holy Cross Hospital and is reported coming along fine.

We wish these brothers a speedy recovery and solicit your prayers for them.

We mourn the loss of our Master of the Fourth Degree, Bro. Jos. McMahon, and pray for the repose of his soul.

Bro. Judge John J. Rooney passed away to his eternal reward last week and was buried Friday.

We pray for the repose of their souls. May they rest in peace.

Due to leaving right now to go to the State Convention, I had to shorten my column, but I promise to make up in the future. Our convention party is P.G.K. Dunne, P.G.K. Gerber, G.K. Barker and myself.

Auburn Park Will Join in Honoring Supreme Knight F. P. Matthews

2-4 Thurs. . . 7740 S. Emerald Ave.

At our last council meeting we had as our guest Bro. John L. Cushing who, in the course of his remarks, stated that New Haven has designated the month of May to Supreme Knight Francis P. Matthews. Each council is to make an effort to initiate a class of candidates into our order during the month to be known as the "Francis P. Matthews Class."

We have approximately four or five applications, and with a little effort it should not be difficult to increase this number and make a creditable showing with a large class. Bro. Paul Byrne is doing a marvelous job in getting applications. It might be a good idea to contact Paul and find out how he does it.

SOFTBALL PRACTICE

We have been requested to keep the announcement before you that your team which is to represent Auburn Park in the K. of C. Softball League is practicing every Monday and Thursday evening at 6:30 o'clock at 77th & Vincennes avenue field. Whether you expect to play this year or not, come over any of these evenings and get a workout. You will be welcomed by both Bros. Paul Byrne and Tom Cole. The season is expected to get under way about the tenth of this month.

CONGRATULATIONS: Our ever faithful brother member, who is very regular in his attendance at council meetings, has recently been notified to report at the school sponsored by the city of Chicago police department to get the preliminary training to be one of Chicago's finest. We wish Jack Trahey the best of success in his enforcement of law and order.

On last Thursday evening the Fourth Degree Club, under the direction of its president, Bro. Richard J. Knight, staged a very successful card party. He was assisted by Past President Bro. John H. Clausen. While it was May 1 and moving day for a great many people, there was a nice crowd assembled.

We were very pleased to see our good friends from the west side, Mrs. and Bro. Al Thompson, Past Grand Knight of St. Patrick's Council, who never fails to report at any affair sponsored by Auburn Park, and also our neighbors, Mrs. and Bro. Edward Scahill, Past Grand Knight of La Rabida Council.

We are also very grateful to the third degree members of our council who assisted in staging this party, particularly Bro. George Wrocklage, who acted in his official capacity at the door; Bro. John Dillon, and those who by their presence assisted in making this affair a success. The next big affair of the Fourth Degree Club will be in June at the shelter house in the forest preserve at 87th and Western avenue.

COMMUNION BREAKFAST

At 8:30 o'clock mass at St. Leo's Chapel, 79th and Peoria streets, on last Sunday a large delegation marched into the church under the banner of Auburn Park Council. Led by Grand Knight Harry J. Cox and council officers, they received Holy Communion in a body. Our Reverend Chaplain Leo A. Smith was the celebrant of the mass, and we are most grateful for his marvelous sermon.

Our principal speaker was Past Grand Knight and State Deputy-elect Leo M. Flynn.

There were in addition to Bro. Flynn, seven Past Grand Knights at the breakfast. All were called on by the Grand Knight for a few remarks. They were Bros. John Shanahan, John Lyons, Richard J. Knight, John W. Corcoran, Thos. A. Murray, M. A. McDermott and John H. Clausen.

We are extremely grateful to the four ladies who served the breakfast, Mrs. Harry J. Cox, Mrs. James McLellan, Mrs. L. M. Flynn and Mrs. John W. Corcoran. Also to Mrs. Connors and her able assistants. And to Rev. Monsignor P. F. Shewbridge, who so kindly offered the use of the high school cafeteria. (Important scribe's notice on page 2.)

Brownson Asks Full Turnout for Council's Retreat at Mayslake

2-4 Fri. . . . . 4754 N. Western Ave.

Retreat chairman, P.G.K. Rrank Kohler, desirous of having as many Brownson members present at our annual retreat at Mayslake, May 16-19, as possible, has the following to say about a closed retreat "Every living Catholic is a member of the church militant—a soldier of Christ, who is trained to battle continuously against the world, the flesh and the devil. And just as an army of soldiers finds it profitable to retreat now and then for rest, medical care and further training, so an army of Catholic men go on retreat annually, to come forth with better spiritual equipment for the battle of their lives.

A Laymen's Closed Retreat is the gathering together of men of like mind in a spot closed off from the world and its distractions for a period of two days and nights or so, for the purpose of fortifying one's Faith and gaining these graces which make a man a better Christian, a better citizen, a better father and a better neighbor. A retreat includes confession, Mass, Holy Communion, Benediction of the Blessed Sacrament, Stations of the Cross, prayers, Hymns and inspirational talks by the Rev. Retreat Master; but the two events that perhaps impress the retreat most indelibly on the soul are, first, a totally private visit which each retreatant makes on His Savior in the Blessed Sacrament—just the two of them there together in the chapel—and second the beautiful hours of meditation on wooded paths, or in the privacy of the bedroom, meditations on one's most intimate problems, a sacred intimacy with one's Maker, a declaration of mutual love—all private, all uninterrupted because the retreat law of silence is strictly observed. Little wonder that no man can adequately describe a reterat to another."

Those desiring to make the retreat over the next week-end are urged to call Bro. Kohler, Pensacolo 2030, at once, so that proper reservations can be made.

FINE COMMUNION TURNOUT

The turnout at our annual Communion last Sunday was the finest in years. One hundred and twenty-six members were in attendance when the Rev. Gerald Mullens, one of our newly initiated members, started the Holy Sacrifice of the Mass. Catholic Action chairman, James O'Byrne received many compliments for the fine breakfast he had arranged for in the De Paul cafeteria.

After everyone had all they cared to eat Chairman O'Byrne introduced the Rev. Camerford O'Malley, of De Paul University, who spoke on the new order, the totalitarian state. A number of brothers who we don't see at council meetings were present, among whom were: John Moynihan, Patrick Healy, John Hennigan, John Burns, Frank Bucar, Genisippi Graziano and John Higgins. A number of our new members were also present, Wm. Steinbach, Carlo Sero, George Schanner, Leo Kunkel, Edward and Hugh Brennan, and Matt. Kass.

BOWLING

This will about wind up bowling news until next fall. Fin. Secy. Wm. Erwin is the new president of the Council League. Bill has hopes of a ten team league next season. Our north side major team shot in the A.B.C. at St. Paul last week-end, and while they didn't burn up the alleys they did manage to make expenses. They got 2711 in the team event and Charles Lannon and Bill O'Neill got 623 and 605 in the singles.

While in St. Paul our boys saw Advocate John Papke and his wife. John asked to be remembered to all his friends. He will leave St. Paul next Sunday for Denver, Colo., but hopes to be back in Chicago in August. The round-robin for the city championship will be held next Tuesday evening at 8 o'clock on the C.Y.O. alleys, Congress St. and Wabash Ave. Brownson will be represented by our teams in the North and West Divisions and our bowlers would like to see a large number of our members present.

(Please see the notice to all scribes on page 2.—Ed.)

Englwd. Communion Services Sunday Will Honor Council Mothers

2-4 Mon. . . . . 150 W. 69th St.

Our Communion Sunday will be held this Sunday, the same day we honor our mothers, wives and sweethearts. We are expecting you to be with us at 7:30 a. m. Sunday, May 11, at St. Martin's Church, 59th street and Wentworth avenue. Breakfast will be served in the school hall after the Mass. Chairman Raymond Budinger and his committee of Edw. Higgins and Peter Sink, Jr., are "cooking up" a real surprise for those who attend.

E—FOURS

Just another week to go and the "324 Club" will be staging their annual May party and dance at the Del Prado Hotel Crystal Ballroom, Saturday, May 17, is the date, and 8:30 p. m. is the time. Harry Wick's orchestra is the music and $1 per person is the admission. And this is your invitation to attend. CONGRATULATIONS to Mr. and Mrs. Justin A. McGowan upon the arrival of 6 lb. 4 oz. Patricia Ann on April 24.

Baby Patricia was featured in a picture in the Herald-American on Friday, May 2, as "she tried out new full-view-interior bassinet made of transparent plastic." And judging from the picture, "Pat" is some baby, eh, Mac?

E—NGLE WOOD—CHIPS

Well, here is the time to drag out the old golf sticks again . . . and whatever happened to Larry Sink and P. G. K. Jack Hasty? . . . Speaking of golf, see where "324 President" Charley O'Brien made the front page of The Columbian again for Englewood by filing the first entry of 30 reservations. . . . And, by the way, Justin McGowan . . . what happened to that golf foursome that is to bring the cup to Englewood? . . . Advocate James B. Poynton returned home from Troy, N. Y., last week following the marriage of his son Leo to Miss Helen Corrigan of that town. . . . Leo is now his firm's representative in the east. . . . Helen of Troy, eh, "J. B."? . . . Congratulations to Mr. and Mrs. Leo Poynton.

The Juniors held their first practice last Saturday, and during the course of the afternoon tried out seven new players. . . . Athletic chairman is entering a team in the softball league. . . . Come on, you softballers, give Joe your support and let's put a good team on the field to represent Englewood Council. . . . E—ncourage E—nglewood's E—ndeavors. . . . Seems like I'm getting the old double X from all sides. . . . This time it's the telephone company. . . . After promising to give me the same telephone number, they ups and changes it to Triangle 1981. . . . Perhaps the change will mean more calls. . . . Anyway, it's worth a try.

E—XCEEDINGLY

Surprised were we to read Madonna's Donegan (notes to you, column to us) insisting that the Juniors are playing softball. . . . Of course, that bunch of sissies from the front o' the yards must have their softball. However, we hemen south of 55th street are teaching our youngsters to play BASEBALL, the same brand that Madonna's own Billy Webb is interested in. Another thing, we didn't ask for a whole league, all we want is ONE TEAM.

They have done a splendid job and though this committee has almost reached the end of their term, they are nevertheless carrying on. New members are sorely needed to unite us and knit more closely in a bond of security against the onslaught of a pagan and atheistic world. Only by a united front can we save the world to Catholicism and only by bringing into our ranks Catholic men of ability and zeal for Holy Mother Church, can we present that united front.

Tonti Dads Will Bring Youngsters to Their Next Meeting, May 15

1-3 Thurs. . 4221 W. Irving Park Rd.

Dear Ladies of Tonti Council Members:

On Thursday evening, May 15, we are going to have our children's party. Our worthy Lecturer has arranged a wonderful program and we would like to have all the boys and girls of our members on hand to take part in the fun. The program will start at 8 o'clock and will be over by 10 o'clock.

The children will be the guests of their daddies on this evening, so mama can plan to take in a nice movie, or just sit at home and read or relax in comfort. Be sure to remind daddy to take the youngsters to the children's party. Refreshments will be served.

ITEM NEWS

The bowlers' sponsors and ladies nite held last Wednesday evening was a huge success. The luncheon and refreshments served were tops.

At our last regular meeting we celebrated the 30th anniversary of the founding of Tonti Council. A number of the old-timers were present and received a beautiful scroll as a memento of their membership.

The brothers present who received a scroll were P.G.K.s Auguste Warnesson, Leo Murray, and J. R. Anderson; also Bros. Jos. B. Sullivan, John A. Tucholski, Eugene J. Murphy, Joseph M. Wiedemann and Fin. Sec'y Frank J. Ruzkowski. Charter member Charles Stevenson was unable to be present, but sent a birthday telegram to the council chambers.

P.G.K. Leo Murray held everyone spellbound by his beautiful oration. Everyone of the old timers spoke of the progress the council has made since its beginning.

We are happy to welcome Bro. Joseph Zimka to our midst and hope to see a lot of him at our meetings.

Last Sunday the members of Tonti Council received their Easter Communion in St. Wenceslaus Church. Our worth chaplain, Rev. S. Ryzner, was the celebrant of the high Mass. Rev. L. Jasinski preached the sermon, and commended the brothers on their fine showing. After Mass breakfast was served in the Bell Tower clubrooms.

BOWLING

Only one more week of bowling remains for this season. With last Tuesday's games Wiedemann Insurance clinched the first place position. The second and third place berth is being hotly contested by the Spencer Coals and Mayfair Liquor teams.

Roy's Tap Room and Lambrecht Jewelers are tied for fourth place, with Bob's Trailer Service, Doc Groskie and Mayer Tailor teams trailing behind. The high game and series of the evening was bowled by John Schmehil, who rolled games of 190-268-223 for a 681 series. This is the highest series rolled since the start of the house bowling league, five years ago. It is also the second highest single game bowled since the start of the house bowling league.

Other high games were Frank Miller 252, J. Jarotkiewicz 242, G. Jankowski 238, Stanley Cwik 221, Wm. Suchomski 207, Leo Murray 206, George Schordje 203, and Wm. Ginsley 200. The team standings to date are:

Everyone admits that it was a very successful year. (The team members now await the results of the awards for their efforts to come in first.)

COUNCIL ITEMS

It is with deep regret and sorrow that we announce the passing of one of our members, Joseph M. Bandish, who resided at 107 Bellvue Place, East. We extend our heartfelt sympathies to the family of our deceased brother in their hour of bereavement. May the Good Lord rest his soul in peace.

Next week, we will furnish you with more information regarding the golf tournament at Techny Fields to be held on Sunday, May 25th. We've spent all of our alloted space for the bowling results but we do want to get in "a lick" about the tournament so that you won't be forgetting.

With all of the big shots up at Aurora this last week-end, there hasn't been much that we heard but there should be plenty next week. This week-end we've been a regular "Micawber"—waiting for something to turn up.

(Pete, please see the notice to all scribes on page 2.—Ed.)

Washington Members Giving Full Support to Bishop's Project

1-3 Tues. . . . . 503 Main Street

Our barbecue committee reports that the brothers are working diligently but that everybody must pitch in if any new records are to be set. See either P. G. K. O'Donnell, Trustee O'Morrow, or Chancellor Sanservino for your part in the program.

We extend hearty congratulations to Bro. John and Mrs. Morrison on the arrival of the stork, who dropped a bundle of joy in their home in the person of a daughter. John and Mrs. John are quite proud of their new addition, and we are happy with them.

Word has also been received of the recent marriage of Bro. Vincent O'Leary who just recently joined our ranks. Congratulations, Vinc!

IN MEMORIAM

Even though there may be special mention made elsewhere in the Columbian, nevertheless Washington Council will feel deeply, the loss of Bro. Jos. McMahon who passed away last week. The reason we will feel this loss, is the fact that Bro. McMahon was very active in assisting the formation of Washington Council, and was one of our original installing officers. We join the thousands of Brother Knights throughout the State of Illinois, in extending our deepest sympathies to the family of Bro. Joseph McMahon. May his soul rest in peace.

MAY PARTY

Your scribe regrets that he was unable to wait for P. G. K. Collin's report as to progress on our annual May Party, but no doubt you were at the last meeting, and are now informed as to the date, place, and time. This is an annual affair with the council, and we certainly hope you brothers will get behind it and make it a success.

Our Membership Committee is again quite active, and we fully believe that before this present year is over, our ranks will have increased. In fact we now have four applicants ready for their first and second degree.

May first is usually moving time for many of our brothers. In order that there may be no interruption in receiving The Columbian, and Columbia, be sure to give the Recorder or Financial Secretary your new address at once.

(See important scribe notice on page 2.)

Santa Maria Expects Capacity Attendance at Communion Sun.

2-4 Thurs. . . . . 9120 Commercial Ave.

Once again, this coming Sunday, May 11, Santa Maria Council will gather to perform its most important religious function of the year. The council will receive holy communion in a body at St. Patrick's Church, 95th St. and Commercial Ave., at the 8 o'clock mass.

COMMUNION ON HER DAY

Two reasons make the year's reception important: First, because it is a duty of a knight to look after the spiritual welfare of his soul, and, second, because it is Mother's Day. Every true knight will want to honor his mother by receiving communion on her day.

The communion will be immediately followed by a breakfast to be served in the school hall. All members are urged to attend. The breakfast will be long on food and short on speeches—we promise. It will be run in conjunction with the Holy Name Society of St. Patrick's Church. Bro. Fred Sweeney proposed the idea and we all think it's swell. Many of our members are also members of the Holy Name Society so we're sure the double event won't work any hardship on them.

By the way, don't forget to turn in your card at the door as it is the only way of checking your attendance for our record.

SOFTBALL

Captain John Cullen, Jr., of the softball team has his wish. We understand our team is to be entered in not one but two softball leagues, both the K. of C. Softball League and the Alderman Rowan League. Bro. Cullen wishes all interested members would report for practice at the home field, 96th St. and Baltimore Ave., this coming Monday. The team needs as many players as it can get. Captain Cullen promises the players will get all the playing they want.

Father Terlecke will also soon have his heart's desire—a new church and school for his parish. Father Terlecke announced last Sunday that Archbishop Samuel A. Stritch had granted permission for the erection of a new $150,000 church and school building. Work will start immediately, he said. We're still searching for new council chambers. Any ideas?

Election of officers will soon be with us. But two meetings remain before the big event which takes place on the second meeting of June. The bowling league will wind up its season with a big jamboree and awarding of trophies at the Cheltenham Bowling Alleys next Tuesday evening. All players will come in for a share of the fun and awards.

(Donald, please see the notice to all scribes on page 2 today.—Ed.)

Garcia Moreno Plans Excellent Program for Ladies Night, May 13

2-4 Tues. . . . . 155th & Lexington Ave.

Tuesday evening, May 13, is our council's spring ladies' night. All members are asked to bring their wives, mothers, sisters and dads. There will be entertainment, dancing and refreshments.

Our annual communion turnout was very fine. While not as large as last year, it was indeed a pleasure to see those seldom seen faces. Heading the line of march as flagbearers were three Boy Scouts. PGK James Munro took motion pictures of the members marching.

We were honored to have State Deputy Judge John F. Bolton among those present. Our sincere thanks for his visit and his many compliments. Other speakers were PGK James Weekes of Chicago, PGK James Munro, PGK Al St. Aubin, DD's Henry Hilgendorf and Edward Martens.

The breakfast was prepared and served by the following ladies: Florence Begnoche, chairman; Marie Mann, Betty Redding, Margaret Mech, Catherine Reynolds, Rosemary Lathrop, Mary Flaherty, Eileen Kelley, Minerva Facciano, Maymie White, Eva Biggerstaff, Isabelle Hein, Helen McManus, Loretta Reynolds, Mamie Smith, Mary Springman, Margaret Tuiner and Mrs. Joseph Flaherty. Our utmost thanks to them and we hope to see all of them at our ladies' night next Tuesday evening.

Out-of-town members seen by the scribe were PGK James Weekes, PGK John Scully and James Doheny, all of Chicago, also Recorder Billie Powers, Jr., of Blue Island, who brought the three Boy Scouts with him. Our thanks to Rev. Father Holloway for his presence and kind remarks. Eleven past grand knights of our council were in attendance. Lecturer Clyde White and GK James Mann extend their sincere thanks to all.

THIS AND THAT

To the family of the late Joseph A. McMahon, master of the fourth degree, Garcia Moreno Council extends its sincere sympathy. Reported on the sick list are Charles Moran, confined to his home; Edward Kelin, in hospital at Joliet; Michael Ryan is now at home. The infant son of Dick Walenga is also at home from the hospital. The mother of Alfred St. Aubin is still confined to St. Francis Hospital, Blue Island, but reports are that she is showing much improvement after having received three transfusions. DD Henry Hilgendorf gave her a transfusion last Friday night.

The new arrival at the home of John Pagoria is a future K. of C. Mother and baby are at the Illinois Central Hospital and are doing fine. Congratulations, John! Albert Berner and family are enjoying their vacation in California. DD Henry Hilgendorf, Wm. E. Powers, Sr., and the scribe visited Chicago Heights Council and we all enjoyed their entertainment.

The bowlers' banquet was a real success. So our thanks to Simon Ryan, Henry Hilgendorf and Joseph Knoll, league officers, for such a wonderful repast and a successful bowling season. The M. C. of the evening was Simon Ryan. Speakers from various teams were Marty McGee, John Obernesser, Victor Walenga, Walter Goletz, Joseph Reardon, Pop White, John Kerkhoven, Frank Ring, Joseph Drolet, Joseph Knoll and Edward Shea.

The league trophy was presented to Ed Shea of the champions by Frank Ring, donor of the trophy. Closing remarks were made by our chaplain, Father Renklewski. The K.C. sweepstakes winners were Pop White, John Obernesser and Henry Hilgendorf. Simon Ryan and Clyde White were winners of the two high single games. All bowlers are urged to attend our next council meeting. It is very important that all come early, due to the ladies' night program. Remember that Sunday is Mother's Day.

Ouilmette Reports New Progress in Campaign for Barbecue Records

2-4 Mon. . . 1215 Wilmette Ave., Wilmette

Our barbecue drive is moving along swiftly with several members making new reports every day. Since the cause of the underprivileged youth, for whom the barbecue is really planned, deserves your wholehearted support we look forward to new records this year. As an added spur to the membership's efforts, the council is planning on several very fine rewards for those who accomplish most in the drive. Attend the meeting for details.

MEMBER ITEMS

Congratulations are in order for Bro. Frank Schopen and Mrs. Schopen upon their reaching the twentieth year of wedded bliss on Saturday, May 10. Ouilmette Council extends its greetings to Mr. and Mrs. Frank Schopen and hopes they have many more years of happiness.

Congratulations are also extended to Bro. Nicholas P. Miller for his re-election to the office of city clerk of Wilmette. This is his fourth consecutive term in that office.

Talk about people getting caught in mouse-traps! Ed Hoffmann pulled a better one. DGK Geo. White told Bro. Ed that he had cork shock-absorbers placed in the back of his false plates. Bro. Ed, not being able to see these wondrous things, tried to feel them with his finger. After sticking his inger in, Bro. White champed down!

Grand Knight Anthony J. Ludovice, PGK John W. Selzer, PGK Peter J. Tholmann and DGK George White attended the state convention at Aurora and should have interesting reports for us at the meeting on May 12.

BOWLING

By the time this reaches you the bowling season will be over and the championship trophies given to PGK Joseph Lechner, Al Schaefer, Leo Menghenelli, Tom O'Rourke and John Miller, Sr. These men bowled good and steady games right from the start and led the league from the first night to the last night.

POPULATION DECREASE IS PREDICTED FOR U. S.

New York.—A picture of declining population in the United States is painted by statisticians of the Metropolitan Life Insurance Company. The number of women able to bear children will have dropped by the year 2,000 to such an extent that the birth rate will be inadequate to maintain a stationary population against the death rate that will prevail then. The size of the average family has fallen from about eight children in 1800 to about three today.

The percentage of women between the ages of 20 and 49 has risen to about 46, but this figure is only temporary and will drop to about 39 per cent by 2,000. An average family of three children at that time will not even keep the population at a stationary rate. The percentage of children, which was about 58 in 1800 and is about 34 now, will drop in 60 years to about 25 per cent.

The Metropolitan experts say that, while their forecast cannot be exact because it is dated so far ahead, it is certain that the general picture of a declining population is correct.

If a politician has the courage of his own convictions he never hesitates to name his price.

CARROLL'S SERVICE WELL ATTENDED

Meets May 20 . . . . . 6 N. Hamlin Ave.

A moving demonstration of religious faith was given by some 250 members of Charles Carroll Council as they attended Holy Communion and Mass in a body at Presentation Church, last Sunday. The celebrant was our beloved Chaplain Rev. John S. Kennedy.

Grand Knight James J. Crosby led the long procession of knights from the parish hall to the church. Among the officers were Deputy Grand Knight Robert J. O'Day, Chancellor Edward J. Whelan, Warden Joseph J. Bradley, Treasurer Frank O. Hubbard, Recorder George F. Rauh, Financial Secretary Michael P. Martin, Lecturers Gordon J. Kickels and John J. Fleming, George J. Hunt, K. L. Torgeson, Edmund Burke, C. Vincent Ryan and Insurance Agent Frank Murray, P. G. K. John F. McNamara, P. G. K. Patrick J. Murphy, P. G. K. Joseph J. Byrne, P. G. K. James J. Walsh, P. J. K. Daniel J. O'Connell.

Also, Daniel J. Loftus, Edward L. Baker, William E. McNamara, Joseph Mate, Charles Rauh, Al Camprini, Ralph G. Torgeson, Charles H. Torgeson, Dr. T. P. Lynam, Tim Ryan, Martin J. Landthaler, William J. Condon, Henry Evert, Daniel J. Ryan, Harold Neibergall, Michael Cosgrove, Michael O'Connell, Edmund Ryan, James McNamara, Tim Murphy, and a host of new faces completed the picture of "Charity, Unity, Brotherly Love and Patriotism."

After the Mass, the members gathered at a Communion breakfast in the parish hall. The event was the most successful ever sponsored by the council and the members look forward to a similar reunion at the Eucharistic Banquet next year.

MEMBERSHIP

With the added man-power united to our present strength we will be in a most favorable position to extend our services into new fields of endeavor that will be a reality only when we draw upon the efforts of each member. Solicit your friends and relatives and bring in those application as soon as possible. There are thousands of eligible Catholic men not yet within the ranks of the Knights of Columbus and there are many former Knights of Columbus who, through the past fifteen years, have relinquished their membership.

Most of these men and former members are today in a position where they can join or resume membership in the Order. They only await the extending of an invitation by you. Working together toward a common objective—service through strength—we can all make our goal the springboard of new and greater accomplishment for our council.

BARBECUE

Our fourth annual barbecue efforts continue to climb but our Barbecue Chairman Edward J. Whelan advises that not one member should shirk his duty of promoting the complete success of Bishop Sheil's Underprivileged Youth Fund. The climax of the gigantic charity drive will be on Wednesday, June 18, when members of the Order will gather at Riverview Park, to participate in the special program celebrating the results of the intense campaign. LET'S GO, FELLOWS!

FOURTH DEGREE

The next big date on the social roster for the members of the LaSalle General Assembly, Fourth Degree, Knights of Columbus, is Wednesday, May 14, when the Sir Knights, their ladies and guests will gather at the Harris Theatre to witness the hilarious performance of "My Sister Eileen."

Tickets may still be reserved at the reduced prices of main floor seats at $2.50 each, and balcony seats at $1.50 each. After the show, the entire College Inn will be reserved for the Sir Knights and their guests to dine and dance regardless of attendance at the theatre at $1.00 per plate. The menu consists of fruit cocktail, grenadine, chicken pattie, a la Reine, Julienne potatoes, garden peas, biscuit glace, assorted cakes, coffee, cigars, cigarettes. You will dance to a superb orchestra and be entertained by a wonderful floor show. Dress is informal but the dinner coat is permissible.

ETERNAL REST

Charles Carroll Council is deeply saddened by the loss of our dear friend and Master of the Fourth Degree, Joseph A. McMahon, who passed on to his Maker last Friday. A large delegation of the membership attended the special services on Sunday afternoon at the McMahon residence in River Forest. His ability as a leader goes back to the beginning of Order history, and through his fine records he established a keen interest among the councils of the whole Northern District of Illinois and especially among the units of his district as District Deputy.

As a Master of the Fourth Degree, he made the distinction of presenting two of the largest degree classes during his term of office that the Order has seen in many years. The members of Carroll Council join with the McMahon family in offering our heartfelt sympathy.

Positions Open for Sons of K. C. Members

The Western Union Telegraph Company has several vacancies in its messenger staff open to young men between the ages of six and nineteen who can furnish character references. Sons and friends of the Knights of Columbus are particularly invited to apply for work with the company.

According to records of the company, Western Union Messenger Service has long been a medium through which capable young men have been able to secure remunerative employment until such time as they are able to assume more responsible positions in the business world.

Anyone interested in applying for the work may call the Chicago Chapter, 173 W. Madison St., Franklin 4834, for full particulars.

K.C. Softball Delegates Will Select the Official Ball at Meeting Tonight

The K. of C. Softball League will hold its regular weekly meeting tonight at the league headquarters, 173 W. Madison street, at 8:30 o'clock. The official ball for the season of 1941 will be adopted.

ENTRIES

There are still a number of entries outstanding, particularly from clubs of the North and Far West Divisions. The date for the beginning of play is drawing closer and it is impossible to draw up a schedule or to publish a directory without an entry blank sent out by the Grand Knight of the council to show the name of the delegate, alternate, manager and location of playing fields.

A number of councils have signified their intention of entering a team but have not sent in their application. Grand Knights are urged to give the matter their immediate attention to facilitate the work of the schedule committee. The league hopes to begin late this month.

The last meeting was very well attended. Present for the first time were delegates from McHale, Englewood and St. Paul of the Cross. There was discussion on playing rules and league policy for the coming year. Distinguished visitors were G. K. Tom Conroy of McHale Council and Bro. Loretta of St. Cyr Council, representing the Herald-American Umpires' League.

CENSUS SHOWS GROWING AGE OF U. S. POPULATION

Washington, D. C.—The median age of the population of the United States rose from 26.4 years in 1930 to 28.9 years in 1940, a rise of 2.5 years, according to the latest Census Bureau report.

The figures released by the bureau, indicating that the nation is steadily becoming older disclose that in 1940 30 per cent of the population was under 20 years of age as compared with 38.8 per cent years ago. On the other hand, 6.8 per cent of the population was 65 or more in 1940 as compared with 5.4 per cent in 1930.

The over-65 group, the bureau reports, had added 2,322,401 persons in the past decade, jumping from 6,633,805 to 8,956,206, a rise of 35 per cent. The population as a whole, on the other hand, increased only 7.2 per cent.

"The gradual aging of the population," says the bureau's report, "is explained in large measure by the decreasing birth rate and improved mortality conditions."

The report further says that the fact of the very rapid increase in the number of old persons "are directly reflected in the current problems of old age assistance and insurance and indirectly reflected in many other phases of the nation's life, including consumer purchasing patterns and problems in labor relations."

A bar of steel may cost only five dollars, yet when made into watch springs it can attain the value of $250,000.

BOWLING

Spring is here and the curtain is ringing down on the indoor athletics. Scribe Gus Caponi sent tidings of great joy about, smacking down the powerful Hughes Council bowling team (two out of three) and he was dreaming about the finale this week with Brownson. There are big names in the bowling world listed in that Brownson roster and Gus was not a bit cocky about the doings, but "hope springs eternal in the bowling breast" or something.

After the bowling balls, shoes, shirts and whatnot are put away, a flock of our bowlers will be hurrying to the training grounds to limber up for softball under the guidance of Matt Ryan, Paul Rito and Dick Cole. They are hoping for a good outpouring of additional talent for this most optimistic and scrappiest team in the 1941 league.

TINKLE-TINKLE

It is our pleasure to announce that on April 14, at St. Ita's Church, Miss Barbara C. Gabriel and Bro. Francis A. Meagher of Chicago Council were united in the holy bonds of matrimony.

Chicago Council's congratulations and best wishes to the happy pair, and may we greet them "in person" at our next "ladies' night," the date of which is soon to be announced.

BOWLING BANQUET

The greatest night of the season for the keglers, that's Saturday night, May 10, when we celebrate the crowning of the champions, the McGinty Black Rocks. Rox Latelle will again receive the coveted individual prize.

Those who wish to attend this banquet can secure tickets (price is $1.50 per person) from W. O'Connell. Call him at Columbus 2612 and make your reservations.

SOFTBALL NOTES

Where is that great crop of material that is supposed to come from the younger set? Manager John Failla was a bit disappointed at his first practice session, but not because of the material he has on hand. His dismay was caused by the absence of the yearlings, whom he had counted on so much to bolster his 1941 aggregation.

There are only two more weeks of practice, candidates, so hurry and sign up. Practice is held each Tuesday and Thursday evenings at 6:30 o'clock at Austin and Harrison Streets. Don't miss the next session, you softballers, because delay may cost you a regular berth.

JOSEPH McMAHON

We mourn the death of one of the grandest gentlemen whom it has been our pleasure to meet. We mean the lovable character and personage, the late Joseph A. McMahon, Master of the Fourth Degree.

His death, following in the wake of a long illness that had slowly undermined his strength, is a great loss to the thousands of friends whom he knew in all walks of life. His last exemplification of the Fourth Degree on February 23, 1941, will long be remembered by those who participated. Their everlasting praise of his great work will be a monument for all his accomplishments.

St. Patrick's Council joins in extending to the bereaved family its sincere message of deepest sympathy. May his soul, through the mercy of God, rest in peace.

VISITING AND SICK

Chairman W. O'Connell reports that all convalescents are progressing very nicely. Walter Carbonel is at home and showing signs of being ready to dispense the amber fluid on those hot summery nights. Thos. Egan, scholarly son of our recording secretary, John, is hobbling about on crutches, but his dad informs us that he is ready to discard them any day now. Wm. Kirk is almost ready to resume his chores after a ten-week incapacitation with that broken elbow.

(Roy, see the notice to scribes on page 2.—Ed.)

The total number of telephones in service throughout the world on January 1, 1940, was estimated at 42,900,000, or about one to every fifty-one persons. The average in the United States is one to every six persons.

ST. RITA PREPARES FOR LARGE RETREAT CLASS

1-3 Thurs. . . . . 6048 S. Fairfield Ave.

St. Rita Council's annual retreat at Mayslake will be held the weekend of June 7 and 8, GK Charlie Nash announced this week. A chairman will be appointed at our next meeting, May 15.

The retreat is an important part of the spiritual life of St. Rita's. From Friday night until Monday morning the retreatants are away from the cares of the world. Life's temptations, shallow pleasures and the shining but false Medusa—Fame—are forgotten. In quiet chapels the men lower their heads in prayer and hear the teachings of some of the greatest theologians and orators in the world, or walk quiet pathways in meditation.

If you are able, make arrangements with your employer now to make the retreat. Last year's attendance was not what it should be for a council the size of St. Rita. Let us attempt to make this year's class the largest in the history of our council.

PARTY

A not very large but nevertheless a sociable crowd attended the 2034 Club's ladies' night party a week ago last Wednesday. Everybody had a good time. The reason for the small attendance—if there is a reason—is not known to us but we will venture a note of disapproval at the backing given the affair by the membership. Let's get behind the fourth degree in future affairs and show the Sir Knights we appreciate the many things the organization has done for St. Rita.

COMMUNION SUNDAY

More than 200 members took part in our annual communion Sunday under Chairman Dr. Joseph Jun at Nativity Church, 63rd St. and Washtenaw Ave.

Led by the fife and drum corps of the Stanley Sullivan post of the American Legion, the members met at 69th St. and Western Ave. and marched to the church. Following mass breakfast was served in the basement of the church by the young ladies of the parish. Dr. Jun is to be congratulated for his efforts in making communion Sunday such a success.

Chairman Roy Perell and Co-chairman Connie O'Sullivan need a lot of help from you members if St. Rita Council is to make its mark in the fourth annual K. of C. barbecue to be held Wednesday, June 18, at Riverview Park.

Members who have reports to make should do so as soon as possible to any

Sherman Has Dinner Date at Holy Trinity Church on June 7th

1-3 Tues. . . . . 4300 W. North Ave.

Father Sesterhenn announces that Holy Trinity Church will have its annual sauerkraut dinner on June 7. The cost is nominal and the fun is priceless. Help the good Padre by attending.

The mother-in-law of Bro. John Dottenwhy passed to her eternal reward on May 6. The council expresses its sympathy.

The next Fourth degree meeting will be Wednesday, May 28. It is important that as many members as can attend.

The Barbecue campaign should have the full attention of all members now as we were late in getting started. Do your bit and we'll have a new record again this year, but start now.

Delegates to the State Convention in Aurora made their report on Tuesday at the meeting. Report all very quiet.

BOWLING

It is rather hard to keep bowling out of the news, but due to rigid censorship the following men, who were at Indianapolis, were omitted from the last write-up: Joseph (Pretty Boy) Marine, Bill Hall, who lost his return ticket. Bill Heitz had a sore throat but still did all right. Phil Leis was a very good boy. Eddie Geary bought himself a new wardrobe.

Our annual Communion Sunday was a success. Bro. Marshall Bill Free and his well trained Fourth degree escort led and were followed by a very large group of brothers. Breakfast was in the school basement after Mass. Father Wons, pastor, gave a very welcoming speech.

of the following business establishments: Martin's Barber Shop at 3303 W. 63rd St., Stoeller's Grocery at 2918 W. 63rd St., or Sullivan's Undertakers at 2438 W. 63rd St.

IN MEMORIAM

The mother of John Barnoski passed away during the past week at her home in Wisconsin. The entire membership of St. Rita Council extends the deepest sympathy to John and his family on their loss and also to the family of Bro. Joseph McMahon, master of the fourth degree, who passed away recently.

THINGUMBOBS

The officers of our council will hold a meeting in the chambers Tuesday, May 13. All officers are urged to attend. . . . Just because our membership chairman, Jack Devlin, is now working nights and isn't around to keep you fellows on the go is no reason that our campaign should lag. . . . Remember, we want to have a large class ready for the exemplification of the first and second degrees, honoring our chaplain, Father Fennessey, June 19. . . . Chairman of Athletics Bruno Fracassi reports he is in the market for wheel-chairs for some of the old men who have come out for the softball team. He didn't mention any names, but from a reliable source we learned he is referring to Lee, O'Sullivan, McGowan, Shanahan, Goyer, Salvatori and G. Kucharski. . . . Why don't some of you younger members come out for practice at 10:30 a. m. this Sunday at Gage Park, 55th St. and Western Ave? . . . The annual election of officers will be held June 5. . . . Lecturer Harold Hilbert has a fine program in store for our next meeting.

O'Connell Enjoyed Its Annual Communion, Breakfast Last Sunday

2-4 Tues. . . . . Hill and Franklin

Only about 60 per cent of O'Connell's membership turned out for the annual Easter communion lats Sunday. This fact was most discouraging to the officers of the council and especially discouraging to the oldtimers who came from far corners of the city, not only to make their Easter duty but to meet their old friends and to make new ones.

Our reverend chaplain has asked me to make the following announcement: "Each member who did not attend with the council must send a certificate signed by the pastor of the church in which he performed his Easter duty."

This, he says, is most important because the Knights of Columbus is primarily a spiritual organization and, according to its by-laws, a man must perform his Easter duty to be eligible to the spiritual and other benefits of the Knights of Columbus.

Our lecturer and his assistants, Bros. Jos. Meier, John Stubing, and all the boys who helped are to be congratulated on the fine breakfast we enjoyed after mass. After the breakfast Rev. Jerome Walsh gave a short lecture on the urgent necessity of Catholic Action and then the oldtimers were introduced to the membership as well as Bros. Cassato, Genaro and the rest of the new initiates.

Incidentally, Bro. Anthony Genaro claims he never saw anything as impressive as the third degree of our order, and stated he got quite a thrill out of it. He said that he is honored to be a member and will do all in his power to help O'Connell in its stride forward.

Among the old-timers present we noted Bros. Tom Kiley, Jos. Gauer, Thomas McHale, James Butler, A. H. Smith, Jim Wendell, and Bros. Nathan and DiMaggio, who brought their young sons with them (future O'Connellites).

Here's a little item that I am sure will interest you: Bro. Ted Pelloquin's cousin, Laverne Cure, celebrated his first mass last Sunday. O'Connell extends its sincere wishes for success in his life work in the service of God.

Bro. Edw. Manley and his wife will be spending Mother's Day with the folks up in Superior, Mich. Pleasant journey!

An interesting feature of the barbecue will be announced at the next meeting. All brothers should be present and give this worthy drive their full support. Bro. Jos. Gauer has established a unique record in promptness regarding this year's campaign.

OPEN THE YEAR 'ROUND NORTHBROOK, ILLINOIS

Illinois Host to North Side Units for Degree Class

1-3 Mon. . . . . 64 East Lake Street

These notes are being prepared while we are leaving for Aurora, the state convention headquarters. It reminds us that another year is about coming to a close.

Illinois Council will be host to North Division councils at our next meeting, Monday, May 19, at which time a first and second degree will be exemplified by your officers and, we hope, in the presence of a large delegation of Illinois Council members. There will be many visiting brothers from the north side councils and we are asking that you turn out and that you get your applications in right now so that your candidates can receive their first and second degree of the order on that occasion.

All candidates and former members becoming members of the order will go as a special honor to Supreme Knight Matthews, to whom this month is given for such purposes. It has been arranged by the Board of Supreme Directors that special recognition be given to grand knights: First, those having the largest percentage of increase in membership, and, second, those having the highest proportionate increase in membership.

So, once again, what about your son, your nephew or your friend? Why not ask him to join the Knights of Columbus?

COMMUNION TURNOUT

Our annual communion turnout required no policing to expedite traffic. It was an impressive one, followed by a delightful breakfast at our Bro. Walter Powers', Pulaski Rd. and Madison St. We are indebted to Father Belanger for accommodation in Notre Dame Church and to Bro. Powers for his arrangements in the Marine Room of his eating establishment. Daniel O'Rahilly was present with his young son. A splendid custom.

The opening of the state convention at Aurora was one of the most impressive ever. A military mass was sung by the Rt. Rev. Bishop Hoban of Rockford; sermon was given by Bishop Griffin, state chaplain, and the procession to the church was inspiring lead by the famous Marmion Academy band. Illinois Council was represented at the convention by your grand knight, Theodore E. Cornell, as delegate; John T. Lillis, representing the Home-Finding Association; Elmer D. Martin and Harold B. Erickson, as observers. John T. made his annual report on home-finding which was flattering to the order.

The first session of the convention was given over to receiving the reports of chairmen of the various activities, the formation of the committees, cacusing for the offices by arranging it with the downstate brothers and subsequently nomination of candidates for various state offices. Leo M. Flynn had no opposition for state deputy, but not so for the office of state secretary, where four qualified brothers contended for the nomination. Congratulations, Leo M. Flynn and Raymond Gleason. You should have the support of all members of the order.

One is impressed at these conventions by the sincerity of councils proposing certain resolutions and by the attention given to the business of the convention.

Our sympathy goes to the widow and family of our late brother, Joseph A. McMahon, whose untimely death came as a great shock to the members of Illinois Council. Requiescat in pace.

We noted that Harold F. Du Chateau, editor and manager of The Columbian, was a very busy fellow in Aurora, gathering the news so that you may have it in full in this issue of The Columbian.

And so, as the drums of war seem to beat in a more discernable tempo let us remain calm and steadfast to our city, state and nation so that when and if the war should come we will, as always, be found ready to defend this country against any and all who, by sword or fifth-column tactics, might attempt to destroy the liberties which we now enjoy.

Petitions to Pontiff Give Data on Early Missionary Martyrs

Washington, D. C.—A petition is to be presented to the Holy Father, asking him to permit "a single cause to be instituted for the beatification and canonization of the early missionary martyrs who died within the present confines of the United States."

The proposal was made at the meeting of the American Hierarchy, held last fall at Washington, D. C. Bishop John Mark Gannon of Erie, Pa., was authorized to prepare such a petition. Father Marion Habig, O.F.M., gives a very helpful presentation of this matter in the current issue of the Franciscan Herald and Forum.

Father Habig explains that a petition of this kind must not only "list the names of the martyrs, but also give the principal facts of each case, together with reliable historical references."

The list of candidates includes 98 martyrs in 14 states. They comprise 69 Franciscans, five Dominicans, 15 Jesuits, one Sulpician, three secular priests, and five Indians. Not included are the three Jesuit martyrs of New York State already canonized, and Father Leo Heinrichs, O.F.M., whose separate cause is pending in Rome. There are 14 additional doubtful cases not listed among the "martyrs."

Only the names of those who are known to have suffered a violent death at the hnads of Indians or others inimical to the faith, together with certain Christianized Indians "who appear to have been killed because of their steadfastness in the faith" are listed.

Father Habig explains that the matter of proving that martyrdom exists in the strict canonical sense will be difficult. "It is not, however, the committee's task to decide whether these heroes of the Cross were killed 'in odium fidei.' That will be done by the Sacred Congregation of Rites. The committee is merely to supply the historical facts needed for the decision."

In the case of martyrs, miracles are not required for beatification. However, the committee are anxious that any favors received through the intercession of these heroes of the faith be reported. It is allowed to practice devotion in private to these martyrs.

Damen Membership Is Saddened by Passing of Joseph A. McMahon

1-3 Thurs. . . . 6 N. Hamlin Ave.

"His hour is at hand," said the Angel of the Book of Life, "go summon Joseph A. McMahon." And the Angel of Death whispered in his ear, "Come, follow me." So on that journey taken by those who sleep in the Lord went that exemplary Catholic gentleman and father, Joseph A. McMahon on Thursday, May 1.

Seventh Grand Knight of Damen Council, he was the recipient of many honors in Knighthood. First appointed District Deputy by the late State Deputy Edward Houlihan, he conferred the Tihrd degree frequently. A former president, Joe McMahon was a director of the Chicago chapter. His greatest honor came as master of the Fourth degree, La Salle Assembly, Northern District of Illinois.

Damen Council extends the fervent hand of sympathy to his bereaved family, to Mrs. Mary McMahon, his widow, and to his children, Joseph A. Jr., John F., Thomas E., of Damen Council, Mary R., George W., Raymond J., Jeanne T., James I., and William E., and to his brother, Carter W. of Damen, his sisters, Mrs. Florence Furlong, and Mrs. Alice Wright.

Preceding him in his new home were his son and daughter, Edward J., and Lorraine M., his father and mother, John and Nellie McMahon and his brother Edward J., who was the fifth grand knight of Damen and once secretary of the Chicago chapter.

The funeral on May 5 proceeded from the residence at 731 N. Ashland avenue, River Forest, to St. Luke's church. Father Eugene Sullivan, Damenite, was celebrant of the Mass. Many priests and monsignori were in the sanctuary. Active pallbearers were Parke Brown, William Spillane, Thomas Hosty, Judge J. F. Bolton, Michael Howlett and Henry Lynch. The Fourth degree provided an escort. Internment was in All Saints.

Damen Council's delegation of perhaps fifty members led by our chaplain, Father Edward J. Kelley, went to the residence on Sunday, May 4.

We pray that God may grant eternal peace to his soul and give to him a place close to His throne for Joseph McMahan has walked in the footsteps of the Lord.

DAMENEWS

Grand Knight William G. Hopkins and delegate Thomas F. Brown were at the State convention in Aurora. We are happy that Tom Brown was elected delegate to the National convention at Atlantic City.

Congratulations to former state secretary, Leo Flynn, upon his elevation to state deputy and to Ray Gleason upon his election to state secretary.

Ladies' night was a grand success as is predictable of Lecturer Reithals affairs for Damenites. Damen Communion Mass saw about one hundred members approach the holy table and partake of breakfast afterwards.

Walter "Jimmy Dykes" Fitzgerald is managing Damen's entry in the K. of C. softball league. One team is lined up, another is wanted. Get in touch with Lecturer Reithal or Wally Fitzgerald and sign up.

Blue Island Mourns Passing of Popular Knight, John Meehan

1-3 Tues. . . . . Gregory & New

The members of Blue Island Council were greatly shocked at the sudden death of Bro. John Meehan. For years John had been one of our most active members, serving numerous terms as Lecturer during the past twenty-five years. It was Johnny who originated the Palm Sunday breakfasts which have proved so successful.

To say that John will be missed is needless. Men like him who give unselfishly of their time and labor are indeed few. To his bereaved family we extend our deepest sympathy. To them we say that our Palm Sunday Communion Breakfasts will always be a living memory of Bro. John Meehan, a true friend and a true Knight of Columbus.

The council also wishes to extend its sympathy to Bro. Stanley Hill of La Rabida Council, whose father was killed in an automobile accident last Saturday night. Bro. Dick Walsh is back at home and always has the welcome mat out for a few visitors.

BOWLING

The Haas' Tavern team never did think that Jim Ryan's boys had a better team than their own, so they challenged the champs to a post-season match and from the results maybe they are right. They buried the Ryan's by 123 sticks or maybe the champs just had an off-night, how about it Jim?

Bro. Joe Hahn who is down in Camp Forrest, Tenn., says hello to all the boys and sends his thanks for the gift the council sent him.

At our next meeting we will honor our Scoutmaster, Bro. Walter Gaboriult, who has held this office since our troop was founded fifteen years ago. This will be a big night so let's pack the hall. We especially want every member to be present who at one time or another was a member of our troop under Walter.

HERE AND THERE

Let's put speed on for the Barbecue. Time is getting short, and we surely don't want to fall short on our quota.

Wonder what Bro. Steve Gura will do for that South Side pop now that he is with Uncle Sam.

Just received a card from Bro. Jim Coffey who is a M.P. at Camp Forrest. He sends his greetings to all the boys.

Note to Editor: I wonder if it is time for our G.K. to take off those long red things you talked about him wearing last fall? (It's past time now Lowell, but we can think of a recent adornment that we'd a lot rather have him shave off!—Ed.)

On Saturday, May 17, Englewood Council's 324 Club is sponsoring a party for a very worthy cause at the Del Prado Hotel. Tickets are $1.00 apiece with refreshments included. For further information call Lowell Frasor at Blue Island 1611. (Lowell, please read the notice to scribes on page 2.—Ed.)

Quigley Informed Blood Donor Unit Tops Entire Order

1-3 Tues. . . . 1035 W. 31st St.

After months of incessant planning, the tireless and energetic efforts of the blood donor committee have been appropriately rewarded in the form of a notification from the Supreme Office informing Quigley Council that our total of 278 inducted into the donor group not only leads our own jurisdiction but places Quigley in front in some 2,800 councils.

That Quigley Council has been able to rise to this prominent position is truly a reflection of GK Leo J. Gawrych's heartfelt desire to properly administer a "red letter year" for our council.

The blood donor committee, composed of Wm. Lenz, Jr., John J. Jankowski, GK Leo J. Gawrych and Walter Budny, have not only exceeded their highest predictions, but have also set an example that every committee of this council would do well to copy.

It is Chairman Wm. Lenz's desire that this outstanding charitable action should not stop here, but continue with a steady influx of members to the donor unit. Bro. Lenz will be only too happy to ass in any emergency that arises. Th mittee now has on file a sufficient r of each type of blood to properly ister all desired needs. Further in tion can be had by calling Wm. Le at Yards 5019, or John J. Jankow Yards 6785.

Report
Blood Donor Committee

In making this, the second annual report of the Blood Donor Activity in the State of Illinois, it is with a feeling of pride and gratitude towards the officers and members of the various councils for the manner in which they co-operated with this committee to the end that Illinois is now in a most enviable position in this activity.

This was accomplished only because the membership in general realize the worthiness of this work, and the officers, through a sense of duty, led them on to organization for Charity and Catholic Action.

It has already been proven that besides the great amount of good which has been done, and which will continue to be done, for humanity, it is also the medium through which former members have been reinstated to our ranks, new members have been secured and it has even been the means of bringing back to the practice of their faith, people who had fallen away, because some relative had been benefited by one or more transfusions given by members of the Knights of Columbus.

It is known that lives have actually been saved, as evidenced by the records of Holy Cross Hospital, Chicago, when, after an airplane had crashed at the Municipal Airport, instantly killing eight people and injuring sixteen, two more lives would have been charged to that catastrophe were it not for the immediate response of Donors of St. Rita Council No. 2034, who arrived at the hospital a few moments after the injured were brought in. There are many other cases on record in various hospitals wherein they ascribe the saving of lives to blood transfusions.

The amount of money saved by the recipients of transfusions is also a factor which must be taken into consideration. Since the institution of this activity in the Order in the State of Illinois, over two years ago, transfusions have been given to members, relatives of members, charity patients and to emergency cases, representing a saving of thousands of dollars to the recipients. The council which has given the most transfusions since May 1st, 1940, is Ft. Dearborn No. 773, whose members have given 92. Illinois has the distinction of having the two largest Donor Groups in the entire Order, namely, Archbishop Quigley Council No. 2428, who has 278 registered donors and De Soto Council No. 517, who has 224 registered donors.

Of the 160 councils in the state, 65 have organized Donor Groups. Most of these are in the Chicago area and 13 are down state councils. This leaves 95 councils yet to be organized and it is the hope of this committee that this will be accomplished in the ensuing year.

Preliminary work has already been started wherein we expect to place in every Catholic Hospital in the state, subject to the order of the Knights of Columbus, blood plasma, for use in emergencies or when there may be some delay in obtaining donors. The use of plasma is becoming more and more resorted to during operations and in cases of severe shock. There is much more detail work yet to be done to get this plan working, but, with the continued cooperation of the council officers, it will be carried out.

In closing I am pleased to report that the 65 councils now organized represent a total of 2859 donors in Illinois who have given 513 transfusions, representing a saving to the recipients of $18,130.

This committee wishes to express its sincere thanks to State Deputy Bolton, State Secretary Flynn, the Grand Knights and the Council Chairmen who so generously cooperated in this activity to the end that Illinois is setting the pace for others to follow.—Respectfully submitted, Robert Du Mais, State Chairman.

Remarkable Cure Is Reported in Prague

Prague. — Disclosure of a remarkable cure following a pilgrimage to the Basilica at Svata Hora, the "Holy Mountain" near Pribram, Bohemia, and a novena to the Blessed Mother, is made in the magazine, "Svata Hora," published by the Redemptorist Fathers. The Redemptorists are the guardians of the Basilica, which contains a "miraculous" image of the Blessed Mother.

The cure of Mrs. Marie Milotova, a millhand from Upice, Bohemia, is reported to have taken place on June 1, 1940. At the same time the event was kept secret pending investigation and examination by several surgeons.

In 1937, while working in a spinning mill, Marie injured her knee so badly that, despite medical attention in various hospitals, her leg became "dead," insensitive to touch, pain, heat or cold. The leg was fitted with an orthopedic brace, but Marie could walk only with the help of crutches or with the support of another person.

When all human help failed, Marie wanted to go to Lourdes, but she could not afford the trip. She procured water from the Lourdes fountain and began to use it on Jan. 1, 1940. At the same time, she began a novena to the Blessed Virgin of Svata Hora.

On June 8, 1940, she traveled to the Svata Hora Basilica, where she went to Confession. On the following day she received communion in the Basilica, after which, with the aid of her companion, she sat down on the stone steps before the altar of Our Lady of Perpetual Succor. There she recited the Rosary to finish her novena.

While Marie was saying the Rosary, a metal spring on her leg brace came loose and fell on the stone floor. At the same moment, Marie felt that her leg was "alive." Soon there was no doubt about the leg's being normal again. The brace was removed, and Marie began to walk normally. She now has complete use of this limb.

Cathedral Is Given One of Hundred Best Paintings in Nation

Indianapolis, Ind.—"The Madonna of the Forest," a fifteenth century work by Giovanni Bellini, Venetian artist, which is called one of the 100 best paintings in America, was blessed by Bishop Joseph E. Ritter and enshrined above a special altar at the Cathedral. The painting is a gift of Mr. and Mrs. William H. Thompson. The picture's frame, also of the fifteenth century, is almost as rare as the painting itself. Both are in a remarkable state of preservation.

"The Madonna of the Forest" was hidden for centuries in the house of a Venetian nobleman and was brought to America only in 1935. The late Dr. George Gronau, leading Italian critic, testified to its authenticity in that year and described it as having an unusual background different from other Venetian art.

The painting is not large, but has a majesty that gives the impression of grandeur. Its name was chosen as peculiarly appropriate because it is, perhaps, the only sacred picture of the Venetian Quattrocento in which a forest is depicted. The picture was purchased from Signor Luigi Grassi, an outstanding art dealer of Italy. He had acquired the frame, which is covered with gold, more than 25 years before and the Madonna fitted the frame without fitting or alteration.

The altar in which the painting is placed is also a gift of the Thompsons. It is of white marble with a bronze grill behind which the Madonna is placed on a background of scarlet velvet.

POPE LAUDS WORK OF CATHOLIC PRESS

Catholic journalism is an "arduous and jealous task," said the Holy Father when he sent his blessing to journalism belonging to the Pious Union of St. Francis de Sales at a study and organization meeting in Bologna. (The Pope is believed in this statement to refer, by use of the word jealous, to the inordinate demands made by a Catholic editor's work on his time). . . . Responding to an impressive telegram of greeting sent from Lourdes by Marshall Henri Petain, head of the Vichy government, Pius XII told the aged leader that he invokes "a great abundance of graces and blessings" on his person and on France.

The first public hospital was founded in the fourth century by the Roman lady, Fabiola. By the time of the Reformation there were over four hundred institutions for the sick and the destitute in England alone.

Nazareth Inspired by Fine Attendance on Communion Sun.

2-4 Tues. . . . . 17 W. Harris, La Grange

Our annual Communion has gone down into history. Nazareth has several annual events of a religious nature and this one of receiving Holy Communion in body each year is one of the most beautiful. Between fifty and sixty men attended last Sunday at St. Barbara's Church in Brookfield. The sincere thanks of the officers and members of the council is extended to the Rev. Fr. Buckley who made us so welcome, and also to Fin. Sec. Polivka, who was instrumental in arranging the necessary details, as well as the ladies of the parish who prepared and served that swell breakfast.

We were glad to meet several of the brothers whom we had not seen for some time, meaning John Hardyman whom it is always a pleasure to meet; also genial Bill Galvin and P. C. Trost, Sr., who was there with his two sons. Cliff Boivin was also present. Hadn't seen him for a long time. How about coming to meetings occasionally, Cliff?

We might take this opportunity to tell those brothers who have new fangled automobiles, not to slam the doors with the keys still in the dash. A certain P. G. K. residing in Downers Grove (we won't mention his name) did just that, with the result that the car doors were locked with the keys on the inside. After much lock picking and other tactics that would put a burglar to shame, we finally got the door open and made the aforementioned P. G. K. put the keys in his pocket before we permitted him to close the door again.

Due to the efforts of Brother Bessler, we had the technicians on hand and after the breakfast we had thirteen more names added to our list of blood donors. Nice going, Ed.

MISCELLANEOUS

Stan. Hegberg recently became a proud papa. Don't know whether this is the first time or not, but anyway congratulations, Stanley; Hope mother and baby are doing well.

Strange how they pick Nazareth men to perform any outstanding task. Bro. Ed. Farrell was chosen to be toastmaster at the banquet recently held to celebrate the 400th anniversary of the Jesuit Society.

We recently heard the sad news of the death of Joseph McMahon. Please remember him in your prayers. We hear that Bro. Frank Cakora of Naperville is seriously ill in St. Charles Hospital at Aurora with pneumonia. Hope he will recover rapidly.

The son of our recorder and P. G. K., Jos. Halm, has gone back to Uncle Sam's naval forces. He was a member of the Naval Reserve and has been called back to active duty. Well, with the scribe junior in the air force and recorder junior on the sea, everything should be under control.

P. G. K.'s Simmons and Halm were our delegates to the state convention recently held in Aurora. Hope the boys did a good job. Incidentally, P. G. K. Simmons was named as alternate delegate to the national convention.

You men of St. Joseph's parish in Downers Grove shouldn't forget next Sunday. This is Holy Name Sunday of course, but besides that it is Mother's Day. We will receive Holy Communion in a body after which a fine breakfast will be served. You will be there, won't you?

BOWLING

The bowling season is over but the rivalry still lives on. Those birds on the east end, unable to beat us west-enders in bowling, are beginning to talk about a softball game. They have the audacity to talk about a challenge to the west-end to meet them on the ball field. Some people don't know when to quit! (Scribe Bob, please see notice on page 2.)

Ridge Enjoyed Fine Communion Attendance Last Sunday

1-3 Tues. . . . . 8219 S. Halsted St.

Sunday, May 4, was Communion Sunday for Ridge Council at Sacred Heart Shrine. There was a fine turnout of members and their families and a wonderful breakfast of bacon and eggs in the parish hall was enjoyed by all. (I think Georgie Fitterer, Jr., was fasting for the past week—five eggs, and his mother tells that he never eats eggs at home.)

Membership Chairman Justin McCarthy, Sr., opened a food shop at 1046 W. 87th street. Brothers in the neighborhood, stop in and see Mac in that butcher's apron. Good luck in your new venture, Mac.

BOWLING

K. & B. Tavern enjoys a two-game lead going into the last week of bowling. Next week, the final of the regular season, they bowl Hopkins Service, who are in second place for the championship, needing only one game to bring home the bacon. They have had a very successful season, being out of first place for only two weeks of the whole season. Mike Feyerer must have had them "hopped" up on that K. & B. Pilsen all season. The bowlers will hold their banquet at the Piccadilly, 106th and Ridgeland, on Saturday evening, May 17. Chicken dinner, 75c per plate. For reservations, call Mike Feyerer, Vin. 3691.

HEARD ABOUT TOWN

On Tuesday evening, May 20, Archbishop McHale Council will be host to South Division No. 2 in a first and second degree. D. G. K. "Cardinal" Frank McGlinn of Ridge Council will officiate in his usual capacity. All Ridge members are invited to attend.

The Ed Hylands are up in the bucks these days, sporting a beautiful new car since Easter Sunday. Loads of luck, Ed.

Have you made up your party yet for the cabaret party on Saturday evening, May 24, at Perez clubhouse, 6710 S. May street? If not, do so now, for a good time, with plenty of refreshments and lots of good music by George Hawker and his orchestra.

Have you done your barbecue bit yet? Get to work and see Treasurer Mike Feyerer or Recorder Ed Hyland on returns. Let's go over the top in a big way.

CONDOLENCE: The officers and members of Ridge Council extend their sympathy to the family of Bro. O. J. Gehrer, who died Thursday, May 1. May his soul rest in peace.

Columbus Ladies Will Be Guests of Council at Meeting, May 13th

2-4 Tues. . . . . 6930 N. Clark St.

On next Tuesday evening, May 13, our lecturer, Doc Schuler, has arranged a program that should interest every member of our council, as well as their wives and sweethearts. A moving picture program consisting of sports, travelogues and news will be shown and refreshments served. Doc has gone to considerable time and trouble in arranging this program and it is hoped that we show our appreciation by turning out in large numbers for this affair. Make arrangements now with the ladies and let us endeavor to fill the hall on this night. REMEMBER THE DATE, TUESDAY, May 13, AND THE LADIES ARE INVITED.

ANNUAL COMMUNION

We were a little disappointed with the turnout last Sunday at our annual communion, but what was lacking in numbers was surely made up by quality. It is really too bad that the appeal of our worthy chaplain did not bring out more of our members and we hope that when the next communion Sunday rolls around you will not be listed among the missing.

We surely enjoyed the complimentary breakfast that Doc Schuler arranged for us at the Sovereign Hotel, and nearly all who received communion partook of it. We were surely pleased to see so many of the old timers present, and it was a pleasure indeed to see Dr. Klein, a charter member. We enjoyed his visit and we only hope that his health will permit him to be with us more often in the future. Doug Moore created a sensation by displaying a picture of our council on a Communion Sunday some twenty years ago. It was very interesting to see the large crowd that we had back in those days, but it was a sad sight indeed to recall some of our former great members who have passed to their eternal reward. May God grant peace to their souls. It was suggested that we enlarge this picture and keep it on public display in our chambers. To you who missed the pleasure of seeing it last Sunday morning, perhaps if you attend a meeting in the very near future you will be thrilled at seeing our members of twenty years ago and yourself with one of those stand-up collars.

OUR FINANCIAL SECRETARY

J. Francis Coffey would like you to know that he has changed his address to 1431 Hood avenue and would be pleased to hear from those delinquent members. Eddie Roche informs me that a check has been snt to the Mayslake Retreat Building Fund. This is the hundred dollar donation that we made to the Franciscan Fathers to help in enlarging the retreat house at Mayslake.

Deputy Grand Knight Al Irving reports that the members are responding to the drive to help the unfortunate youths of Chicago. We are away ahead of last year, and it is hoped that we will continue so. This would be easy if you, the original stay-at-homer, and par excellent indifferent member, will respond to the plea of Bishop Sheil and help him in his wonderful work. (Scribes, see important notice on page 2.)

St. Cyr Asks Full Speed Ahead from Now Until June 18

1-3 Mon. . . . . 1609 N. Halsted St.

Just a little more than a month remains until the benefit for Bishop Sheil's Underprivileged Youth Program. On June 18, thousands of people will congregate at Riverview Park, to take part in this worthy cause. St. Cyr has a quota to fill in this event, but the fulfilling of our quota is not sufficient. St. Cyr has always been known to do just a little more and you will have to do your part if we are to do ours as a council. Let's go!

COMMUNION SUNDAY

Notable for its huge turnout, Communion Sunday as in past years, proved itself again. A good majority of St. Cyr men last Sunday congregated at Santa Maria Addolorata Church, where a line of march was formed, led by Sir Knights, Joseph Arcuri, Anthony Cancilla, Sal Greco, Tom Apicella, Al Apicella, Joseph Rubinelli, Jim Wing and Frank Lopes.

Immediately after Communion, the men convened to the church basement where breakfast was served. The council wishes to thank the ladies who gave of their time, so that the brothers might be served. We might also mention, that the two altar boys were the sons of Frank Perlongo, and Joe LaRocco.

SPORTS

On May 17, the St. Cyr bowling league will hold its annual banquet at Gus Corsiglia's Restaurant, at 420 North Dearborn Street. This is an event which many of us have anxiously awaited. Trophies will be distributed on that night with our hard working secretary Cosmo Coniglio, acting as M.C. Shortly, "Coko" will mail out cards which should be returned to him, specifying how many will attend the banquet.

At this writing, softball manager, Vic Priola reports to your scribe that a goodly number of men turned out for practice and from all indications, a successful season is in store for the boys. A schedule of games will soon be drawn up, and published in this column so that every move can be followed.

Vic is asking that the nonplaying council members do their share for the team by attending some of the games. A ball game is not won by efficiency alone. Our boys need inspiration. You can give it to them by coming out to the ball game occasionally.

St. Cyr's 1941 Third Degree class last Monday night displayed its caliber by having about fifteen of their men in attendance. This is an excellent o and like every other class, we tain that this will produce a nu men who will go far in Knights bus circles.

The membership drive will so to an end. The century club is our aim. To make it is a grea To fall just short of it, will how bring honor to our council. Be drive terminates we will have First and Second Degree. May are still a few more of your frien you have not asked. If you ha yet, do so now, and we might achieve a mark which is seldom by any council.

District Chairmen Report More Progress for Barbecue

ctional Meetings Show Real Enthusiasm of Local Councils for County Wide Charity Campaign

From every quarter of the city come e reports of the district chairmen charge of the fourth annual ights of Columbus barbecue in bene- of Bishop Sheil's underprivileged uth fund, that this year's campaign going to "out-record" anything er undertaken by the order here ore.

No single council, it appears, is erlooking an opportunity to push its n attainment records to a new high ore June 18 when the giant charity npaign will reach its climax in a cial celebration at Riverview Park. lready well past the half-way rk, the campaign now goes into its l weeks with every chance of lizing a sizable increase in its final ation to the underprivileged youth d. According to General Chairman lwig A. Streck this increase will ome a certainty with only a little re effort on the part of the general mbership.

Sectional Meetings Started

ectional Chairman Jeremiah J. ehan, who met with the chairmen he ten councils in his district two ks ago, reported that those units e evidencing a "degree of enthu- sm and organization of effort that ure to mark their attainments with t success."

ast week the councils of section ber three, including Columbus, her Setters, General Sherman, La- tte, Lake Forest, St. Anthony, St. , Tonti, University and Waukegan, er the district leadership of Marco Stefano, met for their sectional erence at De Stefano's home.

nother meeting was called by nk McGillan for councils in group number six last evening. Other similar conferences will be held during the next few weeks until all sections of the city have been covered and the councils in each jurisdiction brought together to compare notes and to exchange ideas.

Value of Project Stressed

Leo M. Flynn, state deputy-elect, stressed the value of the project in a recent statement when he said:

"There are so many phases to the Knights of Columbus barbecue that every member is sure to find in it several reasons for lending it his full support. But in spite of the definite opportunities that the barbecue holds for the individual member and for the well-organized council, no one should lose sight of the fact that its main purpose is to provide for thousands of otherwise uncared-for children the principles of Christian thought and the necessities of healthful living."

"This week," Flynn said, "the whole nation will be represented in the testimonials honoring Bishop Sheil for his years of effort in behalf of the underprivileged boy and girl. The order's part in forwarding the Bishop's work during the last three years has been increasingly large and now, when the world stands on the brink of its worst war and faces a general loosening of moral standards, the need for providing all of our young people with a sound sense of Christian values is correspondingly important."

150 Members Added to Councils Here in Last Two Weeks

Councils Increase Efforts in Race to Quotas as June 30th Deadline Nears

Approximately 150 new members were credited to the councils of this jurisdiction at the Supreme Office following the inductions conducted throughout the area during the last two weeks. Some 1,668 new members have thus been added to order membership in Illinois since last July 1 and by the end of this fiscal year the number is expected to go beyond the 2,000 mark.

Eight first and second degree classes, most of them named in honor of Supreme Knight Francis P. Matthews, for whom the membership efforts of the whole order during the month of May are being dedicated, are scheduled for exemplification here during the next two weeks. These classes are expected to put most of the local units over their quotas and to give others coveted century class honors.

West 1 and 2 Degree, May 22

One change in the original May exemplification schedule will bring all candidates from the councils of west sections one and two together for a joint exemplification at St. Francis Xavier Council, 4715 W. Madison St., next Thursday evening, May 22.

Leo XIII and St. Cyr Councils, each with sixty-eight additions to their credit, and Archbishop Quigley Council, with fifty, now lead the race among the Chicago units striving for membership in the century club.

Order Lays Plans to Assist Men in U.S. Armed Forces

Local Councils Expected to Lead in Drive to Set Up National Welfare Program

The whole-hearted and loyal support of every council of the Knights of Columbus in America has been pledged by Supreme Knight Francis P. Matthews to the support of the nation-wide campaign to establish a $10,765,000 program of service for the soldiers, sailors and defense personnel of the United States.

The campaign, announced by the United Service Organizations, Inc., will draft the efforts of six of the nation's leading social agencies, the National Catholic Community Service—under whose jurisdiction the Knights of Columbus assistance will be expended—the Y.M.C.A., Y.W.C.A., Jewish Welfare Board, Salvation Army, and the National Travelers Aid Association.

Archbishop Mooney Heads Group

Supreme Knight Matthews, in answer to the Most Rev. Edward Mooney, Archbishop of Detroit and chairman of the N.C.C.S. executive committee, voiced the orders approval and pledge of support "to the method outlined by the Hierarchy of the United States for promoting a welfare program in the interests of the men in uniform and of persons engaged in industry under the national defense program."

"We have but one thought and one purpose," Matthews stated, "and that is to do our part in accordance with the wishes of the bishops as expressed through you as chairman of their administrative board."

"Recognizing the important role that the maintenance of morale plays in modern defense plans, and the urgent need for a wholesome atmos-

SELECTIVE SERVICE HEAD PRAISES LOCAL COUNCIL FOR SERVICE TO SOLDIERS

Following the recent action adopted by Santa Maria Council, No. 1511, in promotion of its Catholic Action program, fifty-five copies of "My Sunday Missal" were distributed to the Catholic members of one of southeastern Chicago's first groups of inductees to leave for training with the U. S. Army. According to the council's program a copy of the missal will be provided for every Catholic man in the district who is called for selective service with either the army or navy.

The missal is inscribed: "In grateful appreciation of the patriotic service you are rendering to God and country in this emergency. This is a token of regard to you. Santa Maria Council, No. 1511, Knights of Columbus, South Chicago; Rev. A. F. Terlecke, Chaplain; Al Schott, Grand Knight; Vincent L. Knaus, Chairman, 10th Ward Advisory Board."

Armstrong Praises Action

Mr. Knaus, who is also a member of Santa Maria Council, acknowledged a letter from Mr. Paul G. Armstrong, state director of the Illinois selective service system, which said, in refer-

ence to the distribution of the missals by Santa Maria Council:

"I believe it is not only a splendid patriotic thing for the Knights of Columbus to do but one that will tend to assist in keeping the spiritual welfare of the selectees on a high plane, and I cannot say too much in appreciation of their splendid action and your part in bringing this action about.

"I well recall our experience in France in 1918 when the Knights of Columbus did an outstanding work of patriotism when they provided so many things for the soldiers, and the continuation of that service after the World War, when many of us, without regard to race or creed, were permitted to enjoy the benefits of the education provided to ex-soldiers by this organization."

phere in camp neighborhoods," Archbishop Mooney said, "the bishops, in their meeting last November pledged the resources, both in personnel and facilities, of Catholic organizations in the fields of health, social welfare, education and lay groups, to this great national effort.

"Our whole effort concerns the spiritual care of the men in the army and the navy. We wish to provide a moral atmosphere which safeguards Catholic life. Morality is the best insurance for morale. Our Catholic people will recognize their duty of supporting this work."

The United Service Organizattions' present plans call for the operation of 339 places adjacent to camps, naval stations and defense centers throughout the United States and its overseas bases. The Government will provide buildings and the U.S.O. will provide funds for their operation and the program of activities to be carried on in them.

Rev. William A. O'Connor, diocesan director of Catholic charities, has been named by Archbishop Stritch to head the archdiocesan unit of the N. C.C.S., which includes, as local representatives of the Knights of Columbus, State Deputy-elect Leo M. Flynn, Jerome J. Crowley, Michael J. Howlett, Jacob E. Mueller and Henry J. Lynch. Outstanding priests and lay leaders from throughout the diocese are also included in the Chicago archdiocesan committee.

All councils in the archdiocese are expected to set up a committee at once in order to put the campaign in motion as soon as the local details for its operation are released. A meeting of these council representatives will be called as soon as the necessary arrangements can be made.

"In the light of the order's prestige and experience gained through its welfare work during the last war, we shall be expected to lead all other units in this campaign," Flynn stated. "All councils should endeavor to set the pace in this drive from the moment of its inception and not wait until other organizations have paved the way."

"BARNEY" J. CUNNINGHAM JOINS THE STAFF OF OLD LA SALLE STREET FIRM

Acting Grand Knight Bernard J. Cunningham of Commodore Barry Council, Past President of the Knights of Columbus Softball League, will become associated with Goodbody & Co., 135 S. La Salle St., on May 16th. Barney for the past twenty years has been in the stock and bond business and this change is being made because his present firm is retiring from business. His new connection, Goodbody & Co., was established in 1891 and is one of the oldest members of the New York Stock Exchange.

Barney is well known to the members of the Knights of Columbus in the Chicago area, especially in athletic circles, as he has played with Commodore Barry's baseball and softball teams and managed the basketball teams in the last few years of the basketball league. At the present Barney is serving his council in the capacity of Acting Grand Knight due to Grand Knight Jim Curran's enlistment in the Army.

Garcia Moreno's Praise Given to Members Now in Country's Service

2-4 Tues. . . 155th & Lexington Ave.

Some of our council members have reported for duty to Uncle Sam's new army, and other members will be called as time goes on. Leaving their jobs and their loved ones behind, they are patriotically responding to the requirement of our national defense program. Recognizing their duties of citizenship as well as the privileges of living in a democracy, they have taken their places in the nation's service, determined to do their part that you and I might enjoy the liberty of a free people.

Many councils are sending their members away with their best wishes, and some are giving tokens of their interest and esteem. Our council should give some tangible expression to make that interest known. They are our brother knights, we love and respect them and should make some sacrifice towards that end. Garcia Morena sincerely hopes that each one will do his part when our boys leaves our midst.

THIS AND THAT

G.K. James Mann, P.G.K. Romeo Begnoche, Louis Beaupre, Al St. Aubin and their wives attended the state convention. Fourth Degree Club met at the home of D.D. Hilgendorf. The next meeting of this club will be June 4. To Mrs. Alfred St. Aubin, our congratulations on her recent birthday. Don't forget St. Susanna's C.Y.O. Club's dancing party on Saturday evening, May 24, at Moose Hall.

Bro. Andy Curzydel and wife will celebrate their 19th wedding anniversary on May 20. In advance we extend our sincere congratulations. We hope each member will do his part in aiding the barbecue drive—the date is June 18 and all should get busy now. We have no news of the softball team at this time, but we hope to hear from Manager Chas. Wisell. On the calendar of council events, we find that June 10 is our annual election of officers, and that our annual picnic will be held in August. Cy Katity is picnic chairman. To State Deputy-elect Flynn of Auburn Park Council, we extend our hearty congratulations. May success attend his every undertaking. We find Chas. Moran checked off the sick list and he is looking fine after quite a spell indoors. The mother of Al St. Aubin is still confined to St. Francis Hospital. We hope her stay will soon be over and that she will return home in good health. Joseph Doheny will say "I Do" in June.

Mrs. L. J. White spent the week-end at St. Louis with her mother. To Private Jack White, Hamilton Field, Cal.: Your letter received and we are glad that you appreciate your weekly Columbian. To Private Erwin Lunn in Texas: Hello from the gang. To our boys in service may I say that your scribe would appreciate a postal card now and then. Let's hear from you.

Here are the addresses of two of our members in service—this is printed by request: Private Edwin Lunn, Co. D, 65th Training Battalion, Camp Wolters, Texas, and Private John R. White, 60th Material Squadron, Hamilton Field, Calif. Patrick Palcu is in the Army. Would some one furnish his address. Members are asked to join the Blood Donors Group. Up to this writing we have twenty-two members typed at St. Francis Hospital, Blue Island. To Blue Island Council, and to the family of the late John Meehan we extend our sincere sympathy. In his passing we have lost a true friend.

Feehan's Clambake Is Tomorrow (Saturday) at Midwest Ath. Club

2-4 Tues. . . . . Hamlin and Madison

Tonight (Saturday), is the night of the gala spring clambake annually featured by Feehan Council. The usual noise and nonsense will prevail and all you need is a toots, an appetite, $3.50 and enough bavior faire to set aside your dignity and let down your hair. Otherwise, we'll have to take it down for you. Thus, as any mope can plainly see, all you have to do is show up and you'll have a good time in spite of yourself—capice?

Just think of it—chicken dinner, floor show and dancing, all for $1.75 a head. There still remain a few accommodations for the perennial late-comers, so if you had to be hit on the head to be convinced, you can still get in on the party by calling up a Collins—Joe—Mansfield 9014 or Jimmy—Merr. 5158.

WHICH

Brings us to the point where we blithely inquire, "What are you doing about the barbecue?" None of our business, of course, but Morrissey wants to know.

Who's Morrissey? He's the Barbecue Chairman and he's uneasy about the rapid rate we are not making. We know how high-strung Bro. Morrissey is, and we would not care to see this thing get him down. Would you care to come to the rescue? Tanks, Bud.

AGE BEFORE BEAUTY

At the services in St. Luke's Church for the late Master of the Fourth Degree, Bro. Jos. McMahon, two stalwart Feehanites were seen to enter a trifle late. Close inspection enabled one to identify them as Bros. Harold Crotty and Bill Collins. Well sir, the church was jammed, not a seat available, but you can hit us with another proverb if some young cavalier didn't arise from his pew and turn the space over to the aforementioned Brothers.

Speaking of Bro. Bill, we understand that he has been taking some lessons on the use of the woods in that fine set of golf clubs with which the Council presented him last fall. If Bill really decides to use those woods, it will be a great break for the caddy, who formerly toted a bag of irons exclusively—or should we say inclusively—since it contained every known iron and several unknowns. And speaking of golf, Chairman Augie Tamburrino has plans cooked up, which we will be able to announce shortly.

A late flash tells us that Bro. Joe Tunney is in St. Anne's Hospital with a strep infection. Here's hoping his will be a short stay and that he'll soon be back on the job.

The Catholic Home Finding Association

(From the report submitted at the meeting of the State Council at Aurora, May 5-6, by President John T. Lillis.)

Each added year written into the records of The Catholic Home Finding Association lends encouragement and satisfaction in the knowledge that it is successfully fulfilling the mission for which it was intended.

A year ago we had the extreme pleasure of announcing that we were celebrating its Silver Anniversary—a quarter of a century of continued service in behalf of the homeless little ones of the state of Illinois.

Launched as a duly organized corporate body in the year 1915 we felt that upon its record in that initial year would depend whether it would merit the support and encouragement its splendid intent and purpose richly deserved.

That it was a success is justified by the very satisfactory results obtained when 49 children were placed in good Catholic family homes. Each year thereafter brought added encouragement in the knowledge that increasing interest was being manifested in its constructive mission and many of the Catholic families in Illinois felt they could serve a genuinely useful purpose by placing one or more of these children in their homes.

A review of the records that have been written into the permanent history of The Catholic Home Finding Association—despite intervals of economic unrest—reveals the fact that our very satisfactory initial placements of 49 in 1915 have been consistently maintained.

Adding the 64 children placed during our fiscal year ending Feb. 28, 1941, to the 2,411 placed during the preceding twenty-five years we have a grand total of 2,475 children or an average 95 plus per year which far exceeds initial placements previously mentioned.

While even the mere placing of children in good Catholic family homes is commendable and praiseworthy, it was readily seen that the permanent establishment of the children so placed, through the medium of adoption, was of primary importance.

It is happily a matter of record that the Association at no time lent itself in hurriedly motivating that objective. Indeed the established safeguard that a probation period of six months must elapse before a request for adoption would be entertained was rigidly adhered to. Even then such requests were subjected to as thorough an inquiry as that first made when the foster parents were seeking the child. The purpose of this secondary inquiry was to confirm the fitness and ability of the applicant to satisfactorily meet the necessary requirements in this very important phase of the work.

It is gratifying to report that 70 children—41 boys and 29 girls—were legally adopted during the year, thus bringing our total up to 1,695 for the 26-year period, averaging 65 annually, or 68.5 per cent of the total placements. After deducting deaths, returns and dismissals from supervision we find that there were 1,817 eligible, which on the basis of 1,695 adoptions previously mentioned is equivalent to 93.28 per cent.

During the year it will be noted 130 applications for children were on file, 12 of which were carried over from the previous year. Of the total number, 79 were found satisfactory and 25 are under investigation at the present time. There were 64 placed and 26 for various reasons were removed from the rolls, leaving 40, of which number approximately 15 are ready, able and anxious to take children immediately when available. An appreciable number of the 25 remaining will no doubt be approved for placement.

Our regret in these instances is not in the reduction of placements, but rather concern for the keen disappointment felt by those kindly and worthy applicants.

There are under supervision at the present time 122 children, some of whom will in the course of the next few years be self-sustaining. Despite the fact that adoption has not taken place among these older children, it is worthy of note that they are content to continue to live under the safe guidance of their kindly foster parents. We have every reason to believe that many of the children under one year and up to three will be permanently adopted during the coming year.

Notwithstanding our failure because of lack of available children, to equal our record of last year, both in placements and adoptions, we find ample cause for satisfaction that so many Catholic families have given practical evidence of their love by adopting the 70 little ones committed to their care, 30 of whom were under one year and 33 one to three years. Each annual group in the previous twenty-five years made its contribution so that today we record 1,695 adoptions for the entire period. The Association pays tribute to these kindly foster parents who so generously gave so many homeless children their places in society.

According to records of the company, Western Union Messenger Service has long been a medium through which capable young men have been able to secure remunerative employment until such time as they are able to assume more responsible positions in the business world.

Tonti Asks All Members to Participate in Next Council Meet, May 27

1-3 Thurs. . . . . 4221 W. Irving Park Rd.

The next important date for Tonti Council is Tuesday evening, May 27. On this night a caucus and good of the Order meeting will be held at 8:30 p. m. at 4719 N. Harding Ave.

The end of this fiscal year is already in sight and with the official election of officers scheduled to take place at the first meeting in June, we should all avail ourselves of the privilege to attend the caucus and nominate the men whom we want to guide the destiny of our council for the ensuing year.

If you have any ideas, criticisms, or suggestions regarding the welfare of your council, the good of the Order meeting is the best time to place them before the membership. Be sure to exercise your rights as a member of Tonti Council, and voice your opinions, and also place the name of your candidates in nomination for the various offices which will be vacant.

G. K. Eugene Raith and the officers of Tonti Council announce with sincere regret, the resignation of Bro. Joseph M. Wiedemann, as K. of C. Field Agent.

Now is the time to put a little extra effort into our membership campaign, so that we may have a large class of candidates, when we put on the First and Second degrees at our council chambers in June.

With the end of this fiscal year in sight it is the wish of the Grand Knight to have the affairs of Tonti Council in shape for the new administration. If you happen to be in arrears with your dues or assessments, it will be greatly appreciated, if you make an honest effort to pay them up before the end of June.

BOWLING

Last week the Tonti Council house bowling league closed another very successful season. The Wiedemann Insurance team won the first place position by a four game lead. Spencer Coals and Mayfair Liquors came in second and third respectively. Doc Groskie and Mayer Tailor teams were tied for the "Cellar Championship."

Andrew Eichhorn, president of the house bowling league, wishes to thank the sponsors of the various teams for their splendid cooperation; also the various men who donated prizes and trophies for the bowlers, and everyone who in any way helped to make the season the success it was.

All year long I have been listing the high games bowled. Today we will give the beginners and the fellows who had a lot of tough luck the headlines. The honor of bowling the lowest game and series of the evening goes to beginner Paul Totzke, who rolled games of 93, 119, 94 for a 306 series.

Next in line was veteran Charles Ruzkowski, captain of the Boys Tap Room team, who rolled a neat 96 game. Close on his heels was his brother, Ray Ruzkowski, captain of the Lambrecht Jewelers team, with a strong 113 game.

Wm. Suchomski, captain of the Mayer Tailor team, finished the season with a 114 game. Ed Totzke and H. Le Beau each got a 126 game. The final team standings are:

	Won	Lost
Wiedemann Insurance	64	41
Spencer Coals	60	45
Mayfair Liquors	56	49
Roy's Tap Room	52	53
Lambrecht Jewelers	51	54
Bob's Trailer Service	48	57
Doc Groskie	44	61
Mayer Tailor	44	61

Madonna Speakers Highlight Sunday Communion Bill

2-4 Fri. . . . . 4624 Emerald Ave.

Another great Madonna day has come and gone. Approximately half the council was on hand last Sunday morning to participate in the annual Communion and about half of that amount stayed for breakfast. Those who left immediately after Mass missed a good meal and the privilege of hearing Jack Ryan, sports writer for the Chicago Daily News, who acted as toastmaster. Like his colleague, Carmichael (not to be confused with the bear on a certain radio program) Jack is a witty and capable Irishman.

Following his lead came Fathers Trainor, Burke and Marron, and P.G.Ks. Fleming, Latchford, Doody, Bonner, Gallagher, Gilbride, Byrnes and Slavin. Taking a bow also were Capt. Andy Barry and Eddie Griffin. The breakfast (at our table) was delicious—but who put the bird seed in the scrambled eggs? Nearly every other speaker from the toastmaster on down the line broke forth with melodious arias, chief among them being Harold Kane's beautiful "rending" of "Fare Thee Well" from the opera Carmen's Local (33. (Didn't that stick, though?) Forrest Bordelon, our only Southern gentleman present, obliged with a plaintive lullaby from his native Louisiana, "Meet Me Baby, Eight at the Bar."

WE CAN'T

Give you the final dopes, er—dope on the Bowling League 'cause we don't have it. However, we can tell you about the League banquet at the club last week, 'cause we had an Annie Oakley to it, the lads figuring that it's a good idea to bribe the Press. (By the way, that gives us an idea.) (Whee! This is getting interesting.—Edtor's comment. Who's that fellow, Ed?)

The Boyles led the league and took home the pennies in addition to a beauty of a billfold presented to each member of the team by its sponsor. The Miller Banker team were the recipients of a beautiful little gold lapel pin composed of a pin and ball joined together in everlasting union. Cute, eh, kid?

James "Duke" McGrath was elected President, Frank Jackson, secretary, and Ed Lee treasurer. They immediately went into a huddle over next year's tournament and plan to introduce several innovations, two of them being greasing the alleys and using only one pin.

NEXT MEETING

Will be held on Friday night, May 23, at Madonna's clubhouse unless otherwise designated through the mail. We plan to conduct the First and Second degrees and request all members who have candidates to notify us at once. Boulevard 4099 is the number at the club. And that isn't the address, you dopes.

WE GET

The strangest things in the mail. Comes the other day a notice of St. James Council's "A Night in Cuba," to be held at the Hayes Hotel tomorrow evening, May 17. For two and a half you get everything but the kitchen sink. They are very accommodating at St. James, 'cause they even tell you how to dress. Witness: Men—to wear white shirt, dark suit, black tie. (Remove coat and vest.) Hey, bud, watch yourself, leave THOSE on. Ladies—summer dress. We presume, of course, that stockings and shoes are optional. And, Gertie, ya really oughta wear a bargle with all tha candy ya been eatin'.

TO ENGLEWOOD

Why, we thought you meant JUNIOR baseball! After all, you can't expect oddies to be throwing, catching or hitting hard ball at the tender age of three months, which is when we start 'em playing. Of course, as they get older, we put them on hard ball practice—when they get to be about a year old. After they grow up and they're ready for the glue factory, why then we put 'em in the K. of C. League. About the "sissy" business, we note that you keep on the safe side of Garfield Blvd. when you say it.

AND SAN SALVADOR

Ixnay! We gave the boy quite a turn yesterday. He hasn't regained color yet, and he didn't even pull a knife on us. He tickled us to death—pretty near—to see the look on his angelic mug when we walked in. For further particulars, see editor.

(If this Mutter and Beg-man gets one more chap in his audience we're going to have to add a few more pages to the paper. And yesterday he walks in and says, "I'm from the postoffice," and you know what we thought! If he thinks color was all we lost we won't mention a thing more.—ED.)

In 1934 there were twenty million bridge players in the United States. They spent almost $10,000,000 on personal instruction and bought 42,000,000 decks during the course of the year.

CARROLL'S TEAM WILL JOIN K. C. LEAGUE

May 20 . . . . . 6 N. Hamlin Ave.

Charles Carroll will sponsor a team in the Knights of Columbus Softball League for 1941. The team composed of some of the best material to be found in the council will be grouped in the West Division which will play at its home grounds at the May School, 5000 west on Lavergne, bounded by Harrison, Leamington and Congress. The games of the league will be played off on Thursday evenings as provided by the regular schedule to be adopted by the league soon. Regular weekly practice games will be played on Tuesday evening at 7:00 p. m.

The teams of the West Side division have not yet been definitely assigned to the league because the officials are attempting to bring the entry list up to its last year's forty teams, including practically every council in the city. No deadline for the entries has been set, and therefore no date can be given for the official opening of the season.

At the last regular weekly meeting of the K. of C. Softball League, the official ball to be used for the season of 1941 was adopted. Among the four bidders from the leading sports houses in Chicago, the Wilson ball was chosen the finest softball by any standard of comparison.

As another step in its promotional program in sports activities that will attract the attention of all its members, Carroll Council advocates increasing participation toward accomplishment in this direction. Any member desiring to come out for the softball team has an equal chance to do so, regardless of whether he is "important talent" or not. It is the birthright of every real American to play for fun, for health, for citizenship—and sports and sportsmanship have long been a vital part of our American life. So, fellows—come on out! Pull your belt up another notch, spit on your hands, and take a healthy cut in Carroll's effort to keep softball at the top of its athletic endeavor. As the nucleus, you will be playing a very important part towards this end.

EXCELLENT MATERIAL

Manager C. Vincent Ryan reports that a fine crop of material has enrolled for the first practice session, with which he hopes to bolster his 1941 season. Well known among the list of candidates are Jim McNamara, Dan Loftus, Ed Aubin, E. Ryan, Tim Ryan, Dave Burke, Stan Olejnik, Everitt White, Bill McNamara, Ed Baker, Tommy Carroll, Joe Mate, Charlie Boland, Ed Burke, Jim Crosby, C. V. Ryan, and Charlie Rauh.

There are still a number of other outstanding members who have signified their intention of entering on the team and we look to their presence at the practice games. As far as the uniforms are concerned, they are not necessary, for the time being at least.

The necessary equipment will be furnished by the individual participating council in the league. See you fellows—out at practice!

BARBECUE

Chairman Ed Whelan advises that if any member has not received his barbecue book as yet, to get in touch with him at Austin 5354 and the matter will receive his immediate attention. The "honor roll" is swelling in the present campaign and will see printer's ink in The Columbian in several weeks. Keep up the good work, fellows! Carroll will be over the top in a very short time, but your continued support in this great work is necessary.

CARROLLITES

Past Grand Knight Joseph J. Byrne was critically injured, as the result of an automobile accident while attending the annual meeting of the State Council of Illinois at Aurora last Monday. He is at the West Suburban hospital and is not allowed any visitors. Further details are not definitely known as the extent of the injuries have not been made known as yet. . . . Carroll Council welcomes with outstretched arms our good friend Charlie W. Roglin, who has been a member for quite a number of years and has found himself in a better position to attend the meetings more regularly in the future. Charlie is delighted to resume his acquaintance with the "boys" and we look to his early arrival. . . . Howard Bodett, Jr., is reported stationed at Fort Croft, South Carolina, for a year's training in the service of his country. Good luck, soldier.

CHARITIES DISPENSE $1,872,196 IN 1940

The financial report of the Catholic Charities of the Chicago archdiocese for 1940 shows expenditure of $1,872,196.02 for helping orphans, the aged, needy, crippled, and underprivileged and the free services of several thousand nuns and 1,850 priests, the Rev. William A. O'Connor, superintendent of charities, revealed.

It Isn't All Play!

Do you hold the mistaken impression that the Underprivileged Youth Movement is devoted mainly to the promotion of athletic events and a physical development program?

These activities are, in reality, only one phase of the many projects included in Bishop Sheil's gigantic task of caring for our underprivileged youth. They are, more often, only a means toward the attainment of a more significant end.

During the summer months alone, nearly 30,000 bottles of milk are distributed every day to poor children who, in most instances, never before have tasted this elemental food!

Every day these "summer schools" provide more than a ton of crackers, cookies and bread to lessen the food problem of some 40,000 to 50,000 undernourished children!

This same summer activity provides an educational program designed to foster vocational aptitudes and to instill the elements of our Catholic teachings into the minds and characters of otherwise neglected boys and girls.

Several times a year, the Youth Fund is called upon to provide shoes, shirts, or other basic clothing requirements for needy youngsters at a cost of over $5,000.00 a season.

These are but a few of the things done through the agency of Bishop Sheil and his organization. The expansion of any of these humanitarian activities, or even the continuance of all of them, may depend upon your charitable donation of time and effort now.

After Mass Bro. Mike Falco will take a picture of the entire group. Breakfast will be served in the church hall at the expense of the council.

Highlights of the Franfour party: A lot of Bing Crosbys and Connie Boswells there. . . . Enough food and drinks—and then some—for everyone. . . . Sir Knight and Mrs. John Belpedio were celebrating in a big way. The reason was their 17th wedding anniversary. . . . Bro. Sam Ambrosio of St. Patrick Council and the Mrs. enjoying the proceedings. . . . M. Belpedio, J. Varchetto, Dr. N. Balsoma, A. Putz, Jr., V. Jasper and F. It must be noted here that Bro. Alfonse Furlan, who was initiated last November, is our most active member. Since he joined the council he has sponsored about ten candidates and has sold seven barbecue books and taken eight more.

Bro. Angelo Vitallo has bought himself a new Plymouth. . . . Lecturer John Caruso, who was a member of the Champion Marks Motors, traded his old car for a new DeSoto. . . . Bro. Peter Mazza made both sales. . . . On May 8, Bro. and Mrs. Mike Corso recalled they had been married 14 years. . . . Sir Knight Anthony Raciti had no trouble selling his barbecue book. The first person he approached bought the entire book. . . . Inside Guard Nic. Damore's wife and son are sick. . . . Heartiest congratulations to Leo M. Flynn and Ray Gleason, who were elected State Deputy and State Secretary, respectively.

The officers and members of the council extend their deepest condolences to Bro. Frank Marchese on the death of his mother and brother who were killed in an auto accident last Sunday.

SOFTBALL: Practice is being held every Tuesday and Thursday evenings at Garfield Park in diamond No. 2. The turnout of players so far has disappointed Manager Joe Consoli. With the league games starting May 22, Joe is anxious to whip a team into shape so that we can reach greater heights than last year.

St. Augustine Turns Next Meeting Over to the Irish — Begorra

1-3 Mon. . . . . 5209 S. Justine St.

One of our Council philosophers says: "Of the twenty meetings we hold each year, at least one should be turned over to the Irish." And so it shall be. The sons of Erin will be in complete charge of the entertainment next Monday. The clans of Burke, Copps, Clancy, etc. will rise to new heights, while the Kushenbachs the Novaks the Heinens and their like will sit idly by munching corned beef sandwiches trying to understand this foreign entertainment.

Bro. McSchaefer has been drafted to furnish the Blarneystone. (When his hat is off you can't tell the difference.) And so we say—Come one, come all. Irish wit will flow freely while this cosmopolitan council watches. (It had beeter be good.)

BARBECUE

All members who participate in the forthcoming barbecue are to have an opportunity to earn their council dues. Our barbecue chairman, Joe Handzik, has arranged this system to reward the hard workers. Any member who feels he is able to participate should get in touch with Chairman Joe Handzik, 5310 Honore St., Prospect 8135 or Treasurer M. Novak, 1338 West 52nd St.

FR. O'CONNOR MOURNS DEATH OF J. STEINDL

1-3 Thurs. . . . . 4660 N. Kedzie Ave.

Jack Steindl succumed to a long seige of illness last Friday afternoon. His passing leaves us grief stricken. We realize that we have suffered a serious loss but find consolation in the fact that Jack has reached the goal for which we are all striving, that of eternal salvation.

To Mrs. Steindl and John, Jr., we offer a sincere message of sympathy in their moment of sorrow. May his soul rest in peace.

BARBECUE

The man with the whiskers, Uncle Sam to you, doesn't care to have news about lotteries or raffles traveling through his mail. This, in spite of the fact that I recall a lottery held in the nation's Capital a few months back for which I have already received my (un. lucky number.

All this is a build-up to telling you about the Knights of Columbus Barbecue in behaf of Bishop Sheil's Underprivileged Youth Fund. The Barbecue comes off June 18 at Riverview Park. There's no need for me to violate any laws to tell you about the Barbecue. This will be the fourth edition of the affair. And, as in the past, we urge you to do your part. So don't spare the hosses boys. Let's all get goin' and give our beloved Bishop all possible assistance in his care of the Underprivileged Youth of Chicago.

KNIGHT LIFE

In mentioning offsprings of Brother Knights who were First Communicants a week ago we unintentionally forgot the pretty young daughter of our Grand Knight, Bill Cunningham. This was a very flagrant error as neglecting the boss' daughter oftentimes is sufficient reason for losing a job . . . . Last Monday was election day for Our Lady of Mercy's Holy Name Society. Fr. O'Connorites were elected to several offices. The new President is P.G.K. Joe O'Brien. Vice-President is John Golden, Treasurer, Lou Buscher, Recording Secretary, Harry Browne while Bill Messett is Chairman of the Big Brothers Committee.

The failure of old man summer to make his permanent appearance has cut down the workouts of Bill Sullivan's softball squad. However Bill promises that the first sign of warm weather will see his boys conditioning themselves for this season's title race. . . . Tom Gaughan, who is back on days, still does very well at night. Last Sunday evening he came within a hair's breath of leading the single's division of the city-wide Holy Name Bowling Tournament. Tom's own season's average being the only thing that stopped him. The dividing line for Class A and Class B Bowlers is an 175 average. Tom's season mark is 176. This one point difference put him in the A classification and cost him first place in Class B. However, his brilliant 648 still puts him in a very envious position in the top class. . . . All of you gents who like the old scotch game are in for a big treat. The anual golf tournament sponsored by the council will take place very soon. Watch this column for the tim and place.

The officers and members of Fr. O'Cor nor Council extend a belated word sympathy to the family of the late Josep McMahon. Mr. McMahon, who was Mas ter of the Fourth Degree for the distric of Northern Illinois, devoted most of h life to the promotion of knighthood Chicago. His untimely passing is a griev ous loss to the Order. . . .

Our assertion of a few weeks ago tha George Loohs would tie the knot in th near future is now a reality. George w middle-asile it June 7 at St. Pasca Church. . . . Big Bill Fialkowski wa floored by severe attack of tonsillit last week and is stil lin a process recuperation. Hurry up and get we Bill, we all miss you. . . .

Jerry O'Brien has taken up scoutin as a hobby and word reaches us that he doing a fine job with a group of Pa Ridge youngsters. Your scribe was scout back in his younger days but cou never get past the Tenderfoot class. just couldn't go for that fourteen mi hike. . . .

The pressure has been taken off Fra O'Grady. He's in Class 1-B. Still awai ing Classification following his physic examination is Battling Jack McGui . . . It seems as how 26 is Chuck D neen's favorite number. (Along the sar line of thought, I still don't think i a good idea). . . . We haven't heard fro the Council's only member in the servi of the United States for the last mont We refer to ex-scribe Jack Reilly who camping out this year in San Migu Calif. If you should happen to read th Jack, how's about a letter?

De La Salle Requests All Members to Attend Its Interesting Meetings

1-3 Tues. . . . . 1105 E. 47th St.

Our next regular meeting will be held Tuesday, May 20. Our last meeting of May 6 was well attended and was also short and snappy. To you brothers who have not been regular attendants at our meetings we urge you to come up and renew old acquaintances.

We assure you that our meetings will start pormptly at 8:30 p. m. Business will be transacted quickly and you will have plenty of time to visit and meet old friends.

At our last meeting we had the pleasure of having with us G.K. Peter O'Connell and Brother Strobel of St. James Council.

P.G.K.'s Alex McDonald and James Crowe returned from Aurora where they attended the State Convention. Brother McDonald gave a very fine report of what took place.

Brother James Young reminded us of our retreat at Mayslake, which will be some weekend during July for De La Salle members. We ask all members who can possibly do so to be present and make this retreat one of the largest in attendance of our council.

Did you know that from now until the barbecue date we will at each meeting have gifts for those members who are working so earnestly for the barbecue? Last meeting Brother Tom O'Connor was the recipient of one of these gifts.

We wish to call your attention to our meeting of June 3 when the council will select officers for the coming year. This is a very important duty and every member should avail himself of the opportunity of taking part and selecting officers whom they can trust to run the affairs of our council.

O'Connell Donor Grou Makes Earnest Reque for More Volunteer

2-4 Tuesday.....Hill and Frankl

Bro. Ben Nathan, chairman of o Blood Donor Group, is calling for mo volunteers. He asks me to request members who have not yet been typ to get in touch with him and he w make arrangements for typing at t hospital without cost. All it takes a few minutes of your time.

As you know, this most worthy cau is gaining momentum every day, ma Councils now have 50 per cent of th members typed. The best we can bo of now is 27 per cent. Our other e deavors always reach better than 80 p cent, so let us hop to it and get w up in the percentage point column.

Here is another item that has beco a lively subject in the Council chambe recently, it is our new Fourth Degr Club. Bro. Frank McAuliff, our cha man of this group, reports that t group, now seven weeks old, has alrea gathered seven candidates for the ne Fourt Degree class. Here is how th do it:

Bro. McAuliff will enroll the name any Third Degree member on his r of candidates for the next Fourth D gree class. His prompt and generc help will enable you to join the Four Degree and hardly feel that initial c of the initiation fee. For further tails see your chairman, Bro. Fra McAuliff.

Our Chaplain and our Catholic Acti chairman are anxious for all those me bers who did not attend Holy Co munion with the Council last Sunda May 4, to submit their certificates, bea ing the signature of the pastor of t church in which they performed th Easter duty as soon as possible so th we may determine one hundred per ce cooperation in this duty of church a Order.

There is little more to be said ur the next writing, when I shall give y the highlights on our May 13 meeti.

Incidentally, don't forget the Barbec A good time is promised to all.

HUGHES ENJOYS LARGE COMMUNION TURNOUT

3 Tues. . . . .4711 W. Madison St.

Hughes Council gathered at St. Edmund's Church in Oak Park on Sunday last for semi-annual Communion day and a memoriam tribute to our beloved departed Honorary G.K. John D. Raleigh. St. Ermund's is the parish of our worthy chaplain, Rev. Father Roger Jones. There was a goodly turnout for the 8 o'clock Mass and the ladies of the church furnished breakfast after the ceremony.

Chairman James A. Ryan and his Catholic Action committee deserve laudits for the fine work done in getting out so many of the council members. But chancellor Ryan, the other officers and his co-workers will not be satisfied until Hughes Council has practically 100 per cent attendance on Communion Sunday. Incidentally, those others who were not present are requested to have their communion card signed by their pastor and return it to Bro. Sec. Daniel L. Harper, 1141 S. Main, so that the records may be in proper order.

It was a thrilling tribute paid to Honorary G. K. Raleigh by Chaplain Roger Jones; all who knew the beloved John Raleigh must have been deeply stirred by Father Jones' inspirational talk, and Bro. Michael Raleigh, in attendance at Communion, and the other sons wrote a card to express their heartfelt appreciation of the fine memorial.

REQUIESCAT IN PACE

We regret to report the passing of Bro. J. J. Walsh, veteran member of Hughes Council, news of whose illness was published in previous issues. Dr. Walsh had been at Hines Memorial Hospital where he underwent serious operations, but despite the prayers and good wishes of his family, brother knights and friends, the Lord called him last week. G.K. Dr. Louis Postilion and a sizable delegation of Hughes members paid their respects on Friday, May 9. Sincerest condolences are extended to the bereaved family and relatives.

COUNCIL NOTES

Most of the bowlers have received their "dough" for last season. The Council League officers, with commendable promptitude and prenomenal accuracy, had everything in shape for the first meeting, so that those in attendance at that session went home with extra coin jingling in their pockets.

The big Hughes Council's Ladies' night is next Tuesday, May 20, 8:30 p.m. "A Night at Monte Carlo," a command repeat performance, for Lecturer Ryan was inundated with so many requests after his successful presentation of the original feature that he reply had to repeat the program. Here will be all the attractive aspects of the other Ladies' Night, and a few specials that Lecturer Ryan has been working on to have ready for next Tuesday. Everybody is cordially invited. Bring your wife, your sister, your sweetheart, gal friend—even somebody else's gal friend, if the guy is smaller than you are!

Bro. Thomas (Patrick Henry) Dailey, Senator, and Bro. Charles A. (Votava Certain) O'Malley, delegate, have been appointed to guide and watch over the bowling destinies for this season. Athletic Director Elmo L. Ward announced that things looked encouraging for another banner K. of C. softball year, and that Hughes Council, with two veteran clubs like Bros. Dailey and O'Malley in charge, could anticipate with good confidence a spectacular showing. Bro. Frank Linskey, stellar shortstop, will be the manager for the current season.

On Wednesday, May 28, Hughes Council's Bowling League will have a get-dy party for the guys and gals at Frank Hayes Barbecue, Harlem avenue and North, 6:30 p. m. Not May 21, as originally announced, but on May 28. $1.4 per person for a big feed, or $2.50 per couple. Be sure to attend.

PERSONAL ITEMS

Congratulations to Bro. and Mrs. Ted Dietz. Boy twins came to bless the Dietz household on April 21. Mrs. Dietz gave birth to a 7-lb. plus baby boy at Franklin Boulevard Hospital early the morning of the 21st and just a short while later a second better than seven-pound boy arrived, the third of the Dietz children. Thad has a tough time telling 'em apart and keeps asking "Who is who?" The twins and Mrs. Dietz are doing splendidly.

Eugene Gilbert, son of Bro. Al Gilbert, was married to Miss Catherine McDonald, secretary to Bro. Elmo Ward, on last Saturday. Congratulations.

Bro. H. Ganey is still confined to Edward Hines Momerial Hospital.

Next meeting is a good time to make returns on the barbecue and to get additional books. This is the outstanding K. of C. undertaking and your co-operation is strongly solicited.

BOWLING LEAGUE FINALE

Bowling Commissioner Nicholas Mulro and League President Charles O'Malley and League Secretary Harold F. Enright have rung down the curtain on a most successful season. P.G.K. Enright has furnished full statistics as per the closing night, and we are happy to append the team standings and some of the individual averages.

Marquette Attendance at Communion Service Sets Council Record

1-3 Thurs. . . . . 1928 Devon Ave.

Apologies are extended to our members from Ye Scribe for the omission of last week's notes from The Columbian.

At our annual Communion on May 4, our Council turned out in the largest numbers we have seen for some time. Those present should be congratulated as it was really a most impressive sight. We wish to extend our most sincere thanks to Father Epstein for his kind words. We thank our Lecturer, Tom Loftus, for his singing, as well as the organist, Frank Mueller, a Marquette member.

The breakfast at the clubhouse was very well attended and enjoyed by all. G.K. Hesse introduced the old timers present, and speeches were short and snappy. Father Epstein was with us at breakfast and afterwards, in speaking to the assembled brothers. remarked of the good work done by the Order and told of his interest in increasing our membership. He offered to extend his own services, and promised to speak to his parishioners of Marquette Council. G.K. Hess handled the meeting with dispatch, and deserves congratulations and thanks for the splendid breakfast.

CONVENTION

Ye Scribe journey to Aurora to attend the recent K. C. State Convention and I enjoyed my many observations of it. I arrived on time to join the parade to St. Nicholas Church which started the two day's activity. The ceremonies were colorful and the convention highly interesting. Bro. Leo M. Flynn was named State Deputy-elect, succeeding Judge John F. Bolton, and Bro. Raymond Gleason was elected secretary. Marquette Council extends its congratulations to these men and we pledge our loyalty to them.

BOWLING

Last Tuesday evening our bowlers held their banquet in the Black Panther Room of the Hotel Sherman. Trophies were distributed, and Bro. Tom Carroll was selected to guide the league next year. We concur in the selection of Bro. Carroll and deem it a wise one. The bowlers, with their wives and sweethearts, enjoyed a steak dinner and a beautiful floor show.

Coleman Clark, internationally famed table tennis champion, thrilled the assembled guests, and not the least enjoyed was the fast competition displayed by Ann Wetter, wife of Bro. Phil Wetter, in her game of table tennis against the international champion.

Team sponsors Arthur Donoghue and Ed Delana were present. Absent were Tom Griffin and Tom McGuire who were out of town, but were well represented by Lecturer Tom Loftus. The three leading bowlers of our league were Tom Carroll, Doc Ed Meyer and Walter Bergen. Final standings of the teams are:

	W.	L.
McGuire Wildcats	50	40
Donoghue Tricks	46	44
Delana Demons	44	46
Griffin Tigers	40	50

NEWS

Dr. and Mrs. Meyer recently returned from a trip to Windermere, Iowa, where they visited Mrs. Meyer's folks. Bros. Pat O'Donnell, Jim Buckley and John Hanley were re-elected president, first vice-president and second vice-president, respectively, at the recent meeting of St. Timothy's Holy Name Society.

The Barbecue date is only a month away. To you who have not started working as yet, we now make a special appeal that you begin immediately. Your best campaign would be to remind all of the wonderful work done by Bishop Sheil for the youth and poor of Chicago. Our goal is high, but we hope to reach it very soon.

NERI WILL SPONSOR DEGREE CLASS TUES.

1-3 Tuesday.....7515 Yates Ave.

At the meeting of next Tuesday night, May 20, Neri Council will hold a First and Second Degree exemplification at the clubhouse. Neri has a number of candidates ready for the Degrees and the class will be swelled by candidates from several other neighboring Councils.

All sponsors of candidates are asked to have their charges in the hall by not later than 8:30. Putting on both Degrees in one session is considerable of a job and the officers are anxious to have things in motion by 8:45. A large turnout of members is hoped for. Refreshments will be served following the Degrees.

LAST MEETING

Close to a couple of hundred members and friends jammed into the Caravel Club last Tuesday night to hear and see some of their favorite baseball stars. Heading the list of visiting players was the perennial pitching ace of the White Sox, Ted Lyons, and he was accompanied by Dario Lodigianni and George Dickey.

A star of former years, Jack Sheehan, one time second baseman of the 1920 World's Champs, Brooklyn Dodgers, entertained with many interesting and amusing sidelights of the national game. Jack has been associated with the game all his life and at present is the director of Recreation, city of Chicago parks. The Sox players were all warmly received and their story-telling made a big hit with everyone. At the conclusion of the session a variety of refreshments were served. Emmett Byrne and Harry Bitter chairmaned the meeting.

AROUND ABOUT

A special meeting open to all members was held last Tuesday night in order that business postponed from the baseball night meeting might be thoroughly discussed. With the Degrees coming off next week it was decided a special meeting would also afford the Council delegates to the State Convention to make a full report . . . Ned Youngs was inducted into the Army last week. Ned has been a star shortstop on the Council softball team for the past couple of years and his going leaves a gap that won't be easily filled. Hope he finds Army life to his liking. There are now a half dozen Neri men in the Army.

Anyone interested in playing softball with the Council are asked to show up for practice next Thursday night, 76th at the lake front. A number of positions are still wide open . . . Financial Secretary Henry Doolin has moved to 7645 Coles Ave. . . . Have you disposed of your Barbecue book yet or have you forgotten about it? Returns have been coming in in great style with the list of two and three timers mounting almost every day. Those who have finished books should turn them in to the Financial Secretary as quickly as possible.

Dr. Frank J. O'Grady and Miss Marie Durburg of Rogers Park have announced their intentions to wed. No date has been set as yet but it probably will take place some time this summer. Congrats.

Englewood's Program at Communion Sunday Pleases Attendants

2-4 Mon. . . . . 150 W. 69th St.

While not quite up to expectations, nevertheless another great turnout was made at St. Martin's Parish last Sunday, the event being our semi-annual Communion Sunday. Following the mass breakfast was served in the School Hall by the Mrs. Jos. E. LePenske, Edw. Klingenbeck, Geo. Oswald, Geo. Stoecker, Michael Weber and Geo. Schubert.

PGK Raymond J. Budinger was Acting Chairman with Bros. Edw. Higgins and Peter Sink, Jr., as his aides-de-camp. However, it was the presence of our Permanent Chairman, Adolph Minster, that made the morning all the lovelier, for his beaming countenance showed us he is back again in circulation. Another convalescent who was back with us was Bro. John Melsheimer. Guests included Bro. Parks and his two sons, and F. X. Poynton of Genoa Council.

EXCEPTIONALLY

Pleased we were to have Bro. Chas. P. Megan with us again as the principal speaker. At present he is a member of the Appeal Board for Selective Service Training and he explained some of the duties of this board and the several types of exemptions.

PGK Chas. H. Huguelet once again performed his "memory game" after which he gave the traditional story of the life of St. Martin de Tours, the parish patron. The "324 Club" President Charles J. O'Brien reported on the May Party and Dance to be given Saturday evening, May 17th, and solicited the cooperative support of ALL members of the council.

E-FOURS

Tomorrow night, Saturday, May 17, the "Three-To-Four Club" of Englewood Council, will hold their May Party and Dance at the Del Prado Hotel Crystal Ballroom, 53rd St. and Hyde Park Blvd. Admission is only $1.00 per person, for which you will receive in return, liquid refreshments for the entire evening, as long as you remain, sandwiches, popcorn, chips, ginger-ale, rootbear, floor show, dancing, souvenirs, entertainment, etc., etc.

E-NGLE WOOD-CHIPS

Well, here it is the day before the Fourth Degree Club party at the Del Prado Hotel . . . and whatever became of Joe Blaney, Joe Phillips and Edw. Mullooly . . . maybe we'll see some of them at the dance tomorrow night . . . we hope. . . . We have just been informed that Bro. Fred Wall is quite ill at his home, 417 W. 79th St. . . . he is **not allowed visitors as yet**, so perhaps it would be nice to phone first before paying him a visit.

Besides the Grand Knight and P. G. K. Raymond J. Budinger, P. K. James A. Clarke and myself attended the State Convention at Aurora last week . . . Our heartiest congratulations to P. G. K. Leo M. Flynn of Auburn Park Council upon his election of State Deputy . . . Englewood is always with you . . . Englewood Council now boasts a total of 15 members in the Blood Donors Group, the latest members typed being Charles H. Huguelet, Sr., Jos. Lenz and Richard A. Phillips, Jr. . . . The latter, as well as John Lyons and myself were called for a transfusion at St. Bernard's Hospital a few weeks ago . . . Mrs. Stephen A. "PGK" O'Connor was elected President of St. Ignatius Mothers Club . . . Our Chaplain, Rev. F. J. Geheb, S. J., is one of the faculty at St. Ignatius . . . It was nice to see Sir Knight Ed. Conley with us last Sunday, coming in from Detroit to be with us . . . Good going, Ed.

Come on you softballers . . . Call Joe Hannapel at HEMlock 6380 . . . he has entered a team in the league . . . You can reach the members of Englewood Council who have been drafted for training by addressing them as follows . . . Pvt. Jos. Malloy, and Pvt. Jos. F. Kohler are with Company K, 10th Infantry, Camp Custer, Michigan . . . Pvt. Richard Prendergast is with Field Artillery Battery D, 27 Bn., Replacement Center, 6th Training Regiment, Fort Sill, Oklahoma . . . When you have a few minutes to spare write them a few lines.

E-NGLEWOOD

Extends an invitation to all Councils (and this means you, Madonna mutter man who is always looking for an invite), to attend the May party and dance given by the "Three-To-Four Club" in the Crystal Ballroom of the Del Prado Hotel, 53rd St. and Hyde Park Blvd. Admission $1.00 per person. Ketteler Honors Bowling Champs at Next Meeting

2-4 Mon. . . . . 3437 Ogden Ave.

Last meeting was fairly well attended, not, however, as well as it could have been. Our next meeting will undoubtedly be exceedingly well attended because on this night the council will do honor to its bowlers, who, by their achievements, so ably represented the council in the various tournaments in which they participated.

More definite details concerning this meeting will be forthcoming. Reserve this next meeting night and be assured of a good time. Everybody be there because everybody is welcome.

This coming Monday night, May 19, is the regular meeting night for the Ketteler L. G. A. Club. All fourth degree members are invited to attend whether you are members of the club or not.

The Membership Committee, at the request of Bro. Sam White, chairman, will also meet this same evening. An effort will be made to make one last drive for members before our fiscal year ends. Only two applications for membership were tendered at our last meeting. This is somewhat of a let-down and the membership committee intends to go out in a blaze of glory. Give them a hand by getting an application signed.

Bro. Joe Milas, chairman of the Barbecue Committee, and, incidentally, its most energetic and zealous producer, thought it a splendid idea to gather his committee together on this same evening. As he explained at our last council meeting, the time is growing short, and a bit of strenuous work lies ahead if we are to attain the goal for which we are striving. As yet we have not equaled ast year's record, which is considerably below the quota we set for ourselves this year.

When we consider that by doing an act of charity we directly benefit ourselves and the council, then we should make every effort to complete a Barbecue book.

ATHLETICS

Our softball team holds its practice sessions every Tuesday and Thursday evenings at Douglas Park, just north of St. Anthony's Hospital. Bro. Eddie Wenckowski, athletic chairman, urges every member who desires or who has the ability to come out for a place on the team. There is a wealth of good material in the council, and as in former years, we should have a corking good team. We want the championship of the softball league this year, so let's go out and put it in the bag.

Dr. M. S. Krupa has been appointed by G. K. Tommy Bogan chairman of the Golf Tournament. From reports and gossip heard at the last council meeting, this tournament is going to be one of the major attractions this year. The tournament will be held some time in June, no definite date being set as yet.

Past Grand Knight Barney Czerwinski made a very detailed report on the state convention, to which he and Grand Knight Tommy Bogan were delegates. Also attending the convention as alternate to the delegate was Bro. Sam White. Lending their moral support to the duly elected delegates were D. G. K. Eddie Oakes, Chancellor Ralph Slaski and Esther, his promised bride, Bros. John Daniels, Frank Bilek and Joe Sargent, all of whom made flying visits to the convention city on Monday night.

Grand Knight Tommy Bogan, somewhat worn out from his activities, saw fit to take a short vacation, a sort of surcease from his labors of the past week. He undoubtedly earned his rest, too.

A letter came to your scribe from Past Grand Knight Frank L. Schaber bearing surprising but good news concerning Bro. Tom O'Connell, former star basketball player of our council.

Tommy was married on April 16 to Miss Mary Mitchell of Elgin, Ill., at St. Lawrence Church by the Rev. Lawrence Prendgast. To quote Frank: "The happy couple spent part of their honeymoon on the West Coast, and I had the pleasure of spending some time with the newlyweds in San Francisco. Mrs. O'Connell has a charming personality, and as we saw them off on their way to Los Angeles they were as happy as two love birds cooing in Golden Gate Park."

Tom's many friends in the council will be pleased to hear of this good news, and we all wish him and his bride an abundance of happiness and a long life together.

CONDOLENCES

Again we are saddened by the news of the passing of one of our brothers. Bro. Max Koch, a member of twenty-one years' standing, died on Tuesday. Max was also the father of Bro. Dennis Koch of our council. The wake is being held at Bajek's Funeral Home, 23rd Place and California Avenue. He will be buried Saturday morning, May 17, from St. Roman's Church. For the repose of his soul the council offers up its prayers. To his family we offer our deepest and sincerest sympathies.

Mrs. Antoinette Serpan, who was the mother-in-law of Bros. Anto F. Vana and James Saflover, died May 12 at the age of 90 years. She was buried on Thursday from St. Vitus' Church at St. Adalbert's Cemetery. To Bros. Vana and Saflover and their families we extend the sincerest sympathies of the council.

Our first and second degrees announced in the official buletin of the Coumbian has been postponed. This date conflicted with our meeting set aside for the bowlers. More than likely the last meeting in June will be set aside for these degrees, when we will close our fiscal year. That will be more like a fitting close and successful climax for a year of intensive driving for new members.

If any member knows the correct address of the following, will he kindly convey his information to our Worthy Recorder? Mail sent to these following brothers has been returned:

Benjamin Winkiewich, 1830 S. Lawndale Ave.; Frank J. Zator, 4822 S. Throop St.; S. T. Paske, 1971 S. Trumbull Ave.; Walter M. Sobczak, 5328 S. Carpenter St.; Henry Boyce, 3308 Schubert Ave.

Kindly notify Bro. Jos. Koscak, acting recorder, whose address is 1852 W. 18th St., or phone him at Haymarket 3552.

La Rabida to Receive Communion Sunday; Leo Flynn Will Speak

2-4 Tues. . . . . 6236 Princeton Ave.

On Sunday, May 18, the members of La Rabida Council will receive their annual Communion in a body at St. Leo's Chapel, 79th and Peoria Sts., at the 8:30 o'clock Mass. Our worthy Grand Knight requests that the membership meet on the south-west corner of 79th & Peoria Sts., not later than 8:15 o'clock so that the council might properly assemble and proceed in a body to the chapel.

Following Mass, we shall retire to the high school in the same building, where we shall partake of a splendid breakfast prepared under the proper guidance of our Lecturer, John Latchford. As we assemble at the breakfast table, we shall be honored by the presence of our new State Deputy-elect, Leo Flynn. Bro. Flynn, as I have stated on many occasions is well known to the membership and we are indeed proud to have him with us on this occasion.

Surely no member of La Rabida Council will absent himself on this occasion, when we give a public demonstration of our Catholicity and likewise have the added opportunity of paying tribute to an outstanding Knight of Columbus, Bro. Leo M. Flynn.

BARBECUE

Our barbecue drive is under the leadership of Chairman John Farrell, and is moving along swiftly with several members reporting much activity. Brother Tocci is away up in front at the present, and since the cause is such a wonderful one surely there will be others giving Bro. Tocci some keen competition. Each member of the council should take part in this anual drive.

IN MEMORIAM

Bro. Joseph A. McMahon, Master of the Fourth Degree, and well-known to the membership of La Rabida, passed away May 1 at his home as the result of a heart ailment. He was laid to rest on May 5 at All Saints Cemetery. Bro. McMahon was truly a Catholic gentleman and an outstanding member of the Order, a man we could ill afford to lose in these trying times. May his soul rest in peace.

Mr. Edward Hill, father of Bro. Stanley Hill, passed away at his home on May 4 and was buried on Wednesday, May 7. Mr. William Cusack, brother of John Cusack was laid to rest Monday, May 12, at Holy Sepulchre Cemetery. The officers and members of La Rabida take this opportunity to extend to the bereaved brothers their sincere sympathy in their hour of sorrow.

Americus Scholarship Exams to Be Held at St. Philip's on May 24

2-4 Tuesday.....3350 W. Jackson Blvd.

Your scribe pro-tem has been the least bit confused . . . accounting for no notes being included in last week's column. G. K. Edward J. Kelly said: "Jack, will you please send something to the Columbian. I'm terribly busy." Your correspondent said, "Sure. Ned, it is a great pleasure." The confusion is due to our not having given at the time due consideration to the fact that this is also our busy season. It is really amazing how many people buy stoves at this season of the year.

REQUIESCAT IN PACE

The sudden and untimely death of D. D. Joseph A. McMahon is a severe, sad blow to all members of Americus Council. Bro. McMahon, due to his shining example of fealty and loyalty to the cause of Knighthood, had been our guiding light for many years. We of Americus Council were dependent on his kindly advice and intelligent interpretations of K. C. rules and regulations when major issues exceeded the limitations of our Council officers.

The deepest sympathy of the officers and members are extended Bro. McMahon's good wife and fine family in the great loss sustained by them. A large delegation of members from our Council attended the wake and funeral to pay their respects to the last mortal remains of the one who was a very genuine friend and comforter of theirs over a period of many years. The truest and kindest word we can record . . . "We knew him well and we will miss him immensely." May his soul rest in peace.

AMERICUS SCHOLARSHIP

The examination for Americus Council's Annual Scholarship to St. Philip's High School will be held on Saturday morning, at 10 o'clock, May 24th. This opportunity for free high school education is presented through the generosity of Americus Council. All members who have sons or brothers graduating from grammar school are invited to have these young fellows appear at St. Philip's High School at this time. And may the best man win.

COMMUNION SUNDAY

Attendance at our Communion Sunday brought out many faces that are not otherwise in evidence at our gatherings. Among them Bros. (Ensign) Tom Donahue, Ray Dunphy, Peter and Rudolph Bures, Bill Plowright, John A. Stagg, Joe Casey, Bob Eichstadt, "Chuck" Graham, John Kiley, Jerry Mangan, Frank Grimley and Mike (Mover) Russell. The eulogistic attributes included in Father Scheltinga's address to the members, pertaining to Knighthood in general, were much to the point, and his presence at the breakfast immediately following was greatly appreciated by his fellow Knights.

A BUNDLE OF JOY

The happiness in the lives of P. G. K. Leo Joyce and his good wife Frieda was increased to overflowing recently by the arrival of an angel in their midst in the form of a bouncing baby girl. The baby is doing fine. Mrs. Joyce, having not completely recovered from a recent serious operation, is slowly regaining her strength. Her grit and determination are the chief factors in her battle to overcome the complications with which she is confronted. Your prayers will be most helpful in effecting a speedy and complete recovery.

Jay and Fran O'Rourke are sojourning in the East, with a stopover in Washington. Major issues intrigue Jay, and Fran is seeing the sights.

FINALE!!!

Take out your Encyclopediae Americana and Britannica. Remember way back when we had geographys and such things? We wondered and worried where we were going. Where do you go on the second and fourth Tuesday of each month? Did you make the last meeting? How long since you have attended a meeting? Who do you blame? Are you a man or a mouse? We will even accept a written permit from Mrs. Americus, if you can authenticate the signature. Get the permit signed . . . attend our next meeting, Tuesday, May 27.

Ouilmette's Last Meet Held Member Interest with Many Highlights

2-4 Mon. . . . 1215 Wilmette Ave.

What a meeting last Monday, brothers! If you missed, it was your own loss. Clarence Brown attended and stated that he had one excellent time. Lots of discussion about various things and a few harsh words were bandied back and forth, but all is now forgotten. The refreshments were on the bowling league.

The night itself was dedicated to Father James Sheridan of St. Francis Xavier parish who has been our very attentive and hard working chaplain for several years. Ouilmette Council owes a lot to our chaplain and tonight's presentation of a traveling bag is but small compensation for what we owe him.

Also on the receiving end of a gift was Bro. Math Tholmann, past president of the council bowling league. Bro. Math deserves the gift for his hard and fruitful work during the last two years. Through him the league and the Council gained many benefits.

The bowling league held its annual banquet last Thursday and awarded the trophies to the various winners, including one for Sam Meyers, owner of the Teatro Del Lago and Wilmette Theatre, and sponsor of the champion team in our Council league.

New officers were elected for next year. These are Norbert Miller, president and Phil Hillinger, secretary. Bro. Frank Ortegel was re-elected treasurer. Notice is now served that if any murmurs are to be made, you must make them to the proper authorities at the proper time.

BARBECUE — All who have been working in the Barbecue drive are asked to see the chairman of the committee as soon as possible, so that they may participate in the gifts that are being given as a just reward for promptness and loyalty to this cause.

Tennyson was 83 when he wrote what is probably his most famous poem, "Crossing the Bar." He received approximately $100 a line for it.

ST. PAT'S URGES MO EFFORT IN BARBECU

1-3 Tues. . . . . 6 N. Hamlin A

Our Worthy Chairman of the Barbe Jas. Hartford, announced at our meeting that the distribution work completed almost one hundred per c but that the receipts were a trifle s in coming in. Too many of our mem wait too long before they launch into sales campaign so that they are "scoop by their friends.

Thus far the outlying councils are passing all previous records and cor quently threaten to establish an all-t high for contributions to Bishop Sh Underprivileged Youth's Fund. Brot Knights, let us not turn our backs these poor unfortunate youngsters wh eagerly await our help each year. E member should have little or no tro in doing his own bit because it requ but a little effort. If you have alre completed one book don't stop, Bro. H ford will be only too willing to acc modate you with any additional num of books you may need. Let's all give splendid cause the added impetus it quires to put it across.

BOWLING BANQUET

If there has ever been a more succe ful banquet and fun-fest than the staged last Saturday at the Brev Hotel by the bowlers, then this eccen correspondent is willing to challenge author of such a statement, because lieve you us, that party was lacking n ing neither in "spirit" nor in crazy ant

Wm. O'Connell and his staff and Jas. Hartford who introduced those juvenile stars, Reed and Fencl, sh be highly complimented on their s program. Among the celebrities pre were the newly-elected Leo Flynn, S Deputy; John A. Dix, president of S Bowling Association; Jos. McGreal, pr dent of the K. of C. Softball League. Dr. Murphy member of the goverr board of the Chicago Chapter. The vocation was by the Rev. Kenney f St. Pat's Church.

ABOUT THE MEMBERS

We were sorry to learn of the ser conditions of Mrs. McCarron, B mother, and Mrs. White his mother law. We hope they will enjoy a speedy recovery. Happy were we to that sly old gentleman, A. B. Corri step around the way he did at the quet last Saturday. He's got more than six kangaroos. Brother Geo. telle rushed to Mother Cabrini hos to give a blood transfusion to Mrs. T Palotta last Friday night, when the ter was stricken at home. Today is doing fairly well.

We were sorry to learn of the sud death of Wm. Cusack brother of Thor who has been an old time member of Council. The officers and members c their heartfelt sympathy to the berea members of the family. May God h mercy on his soul.

BLOOD DONORS

Bro. Vinc Braband and Bro. Walter Piper answered the call of the chairman of the Blood Donors Group last Saturday morning at St. Francis Hospital. Both of these brothers gave a blood transfusion, which again demonstrates the work this group is doing. To any of you who have not been typed, we earnestly suggest that you get in touch with Past Grand Knight Wohlleber and be typed immediately. It just has been called to the writer's attention that Bro. John Jendrzejak and Bro. Henry Nierman, Jr., also answered the call of one of our neighboring Grand Knights to give a transfusion.

BALDRIC AND SWORD DANCE

The Baldric and Sword Club of De Soto Council is running its annual May party and dance, Saturday, May 17, at Gross Park Hall, 2125 Roscoe St. The tickets are $1.00 per couple. President Jim Kennedy and his officers extend to the members of De Soto Council a most cordial invitation to be with them and have left no stones unturned to make this the outstanding event in the history of the Baldric and Sword Club.

Music will be furnished by a well known orchestra and in view of the fact that this party is to be held on Saturday night, it should be well attended.

President Irv Schultz played host to De Soto Council bowlers at our last regular meeting and of course it goes without saying that the evening was an assured success. In addition to presenting Matt Pimperl, the sponsor of the championship team, with a beautiful trophy, Irv also presented each member of the winning team a suitable trophy. These trophys were presented to the champions by Bro. Jack Dix, the president of the Knights of Columbus National Bowling Association. In addition to this, Bro. Schultz also gave away as gifts to the bowlers, bowling balls, bags and shoes.

The column was written this week by a pinch-hitter for our genial and capable scribe, Charlie McCarter, who at long last is taking his vacation. We trust Charlie is having a pleasant trip, a good rest and in the next couple of weeks he will be back bigger and better than ever.

Setters Members Give Full Support to Annual Mother's Day Program

2-4 Thurs. . . . . 4711 W. Madison St.

Assembling from far and near, the members of Father Setters Council gathered in unusually large numbers last Sunday morning at St. Finbarr's Church to attend Mass and receive Holy Communion. This was in accordance with the long-established custom of approaching the Holy Table on Mother's Day for mothers and families of all members and for the souls of departed Settersites.

Grand Knight Maurice J. Kissane was particularly gratified at the splendid turnout, which surpassed that of all recent years by a substantial margin.

After Mass, the members adjourned to the parish auditorium where a hot breakfast was served. During the course of the meal an atmosphere of hearty, fraternal good-fellowship prevailed and the assembled brother knights were afforded an opportunity of renewing old acquaintances and of striking up new ones. Thus, the affair became a real homecoming and, judging from the enthusiasm evident on every hand, the gathering was the most enjoyable event sponsored by the organization in many years.

The Grand Knight and members of Father Setters Council take this opportunity of expressing to Father McKenny, pastor of St. Finbarr's, and to his assistant, Father Frasier, our gratitude for the welcome and hospitality extended to us on this occasion.

BARBECUE RALLY MAY 22

Next Thursday evening the regular council meeting will be combined with a barbecue rally. Special entertainment features will be presented and valuable merchandise gifts will be given to our hard-working members.

Chairman William N. Hoffman and Co-chairman Edward M. Fitzgerald report that so far results are most gratifying and above those of comparative dates in preceding years. Indications are that the final figures will constitute an all-time high. This prediction is made with the confident assumption that the present enthusiasm will continue right up until the date of the barbecue.

Thousands of needy girls and boys will be the direct beneficiaries of the affair. With the worthiness of the cause so apparent and the splendid cooperation of the members so well manifested to date, we look forward to the greatest barbecue in the history of this noble enterprise.

There is a packing plant in Requa, Calif., which will not only can the sportsman's salmon catch but also label the can with his name.

DEARBORN HAPPY OVER BOB DU MAIS' NEW POST

P.G.K. Robert DuMais

1-3 Thurs. . . . . 820 Garfield Blvd.

Twenty-eight years of constant service and effort to Dearborn and the Order was rewarded at the recent State Convention when P.G.K. Bob DuMais was elected to the office of delegate to the National Convention at Atlantic City in August.

This is truly a fitting tribute to Bro. DuMais. He has worked hard for Dearborn, holding at one time or other practically all of the Council offices and culminating his great work as our last previous Grand Knight. At present he is delegate and trustee of the Chicago Chapter and additionally has gained state-wide prominence in his work as State Blood Donor Chairman.

In this field his efforts have been excellent in that he has aided in the formation of Council donor groups and has brought about a great many transfusions which have saved lives. This is true Catholic Action and we of Dearborn are sincerely happy that Bob is closely associated with it. Dearborn extends its hearty congratulations and best wishes to you, Bob, and pray that you and Mrs. DuMais enjoy a long and happy life.

TEN PINS

Another grand party terminated the bowling league's season last Saturday nite at the Sherry Hotel. We were served a very choice meal and treated to some splendid music and harmony by Irving Patrick Fields and his commodores. It was truly a happy affair and we tip our hats once more, to the bowlers for putting on these good events. Orchids to Pres. Reilly, Treas. Logan and Sec'y. McLaughlin. Incidentally, these men were reelected to these positions for the ensuing year. We congratulate the bowlers on their good taste.

The season is now ended and the Indians are again the champs. The Bradys took second place closely followed by the R-K's, the Manhattans, the Premiers and the Feilens. It was another great year for the boys and the council. We submit the thanks of Dearborn to these men for supporting this activity and representing the Council so well. Final standings:

STATE OFFICER

Dearborn extends congratulations to Bro. Leo Flynn on his recent election to the office of State Deputy, also to Bro. Ray Gleason, new state secretary-elect and Bro. Joseph P. Stremlau, Al Christ and Carl Rusenberg, other state officers.

MEMBERS & MEMBERSHIPS

APPLICATIONS: To drive to enhance Dearborn's membership and to meet and beat our quota is now on in earnest. To further this accomplishment, and kill two birds with one stone as it were, we also pay tribute to a great Dearbornite, Senator Richard J. Daley, by setting aside the third degree late in June as a testimonial to Bro. Daley's membership and work as an outstanding knight of the Order.

To systematize the drive, G.K. Devereaux has appointed each member as a committee of the whole to solicit candidates and has requested Bros. Pat McCarthy, Jerry O'Sullivan, Tom Haggerty and Dave Kerwin to act as co-chairmen with membership chairman, Joe Nix.

BARBECUE—The tempo of work expended on our Barbecue drive is increasing each week. Many members have acted promptly thus exhibiting pleasing results. We are happy to note this display on the part of our men of Dearborn because it redounds to the benefit of Bishop Sheil and will serve as greater aid in his work to save and preserve the underprivileged youth. Just about one month remains on this project and we earnestly urge each member to do his bit. Special consideration will be given to those who perform a little harder with admissions to the Victory Dinner and a nite game at the White Sox.

SICK AND VISITING—We are sorry to report the serious condition of Bro. Barney Mulloy. Also ill are James Devereaux, father of the G.K., who is confined in Little Company of Mary Hospital and Bro. Oscar Heilmann who is home treating an infected leg.

SOFT BALL—Mgr. John Logan assembled his prospects again last week and gave them a thorough work-out preparatory to the opening of the season. The boys meet each Tuesday at 57th and Shields avenue at 7 p. m. All good young athletes should arrange to attend these sessions.

CURRENT EVENTS—May 17, St. James "Night in Cuba" cabaret party at the Hayes Hotel. Admission is $2.50 per couple which includes all refreshments. For reservations call Wentworth 3005. May 22, All Saints Socialites are sponsoring a play the "Man in the Moon" at the Lithuanian Hall, 32nd and Halsted.

Last week Bro. Joseph Capuano was married in the Santa Maria Incornata Church to Miss Minnie Torrsi. On behalf of the council we wish to extend our congratulations and a wish for a long and happy wedded life.

R. I. P.

Dearborn extends condolences to the McMahon family in the loss of husband and father, Bro. Joseph McMahon, Master of the Fourth Degree. We also regret to announce the death of the brother of Bros. Frank and John Cusack. May they rest in peace.

Washington Asks Big Attendance at Meeting of Tuesday, May 20th

1-3 Tuesday.....503 Main St.

The next regular meeting of Washington Council will be held on Tuesday, May 20. Grand Knight Ryan has expressed the desire to start this meeting at 8:30 p. m. sharp. Due to the many important committee reports to be given, it is requested that a large attendance be on hand. The one most important committee is the Barbeque Committee. These Brother Knights are working very hard to make this affair a success insofar as Washington Council is concerned, and deserve your whole-hearted support.

The other most important Committee of the moment, is our May Party Committee. P.G.K. Collins will render a very important report at this time.

SICK LIST

We were quite surprised to learn last week that P.G.K. Pat O'Donnell was rather seriously injured while at his work. Pat had his arm caught in a belt in some machinery and while no bones were broken, he suffered severe shock and quite a bit of pain. Pat is now in the Weslake Hospital, but expects to be out very shortly. Ye Scribe had the pleasure of visiting Pat last Sunday, and found him in very good spirits.

Brother Ed McCann who has been in the same hospital for some time is reported convalescing rapidly, and he also hopes to be home in the very near future.

ANNUAL ELECTION

While it is a little early to talk about this affair as yet, nevertheless, we feel it necessary to call your attention to this very serious task which will fall due on Tuesday, June 3. Washington Council has always enjoyed the privilege of having the finest class of officers in this district, and we are desirous of retaining this record. Put this date aside and be sure to give it a lot of thought. Be on hand June 3, and do your duty.

ST. CYR BOWLERS WILL HOLD PARTY TOMORROW

1-3 Mon. . . . . 1609 N. Halsted St.

The long awaited bowling party is now upon us. Tonight, Saturday, May 17, St. Cyr bowlers will celebrate the termination of the bowling season by holding a banquet at Gus' Good Food, famous Chicago restaurant, located at 420 North Dearborn Street. Presiding will be James Cappetta, president of the bowling league; Cosmo Coniglio, secretary, and Joe Zeno, treasurer. The presiding champions will be the Maniscalco Undertakers, who swept over all opposition to cop the championship.

Joe Maniscalco, Sam Russo, Jim Giambrone, Frank LaPuzza, and Sam Piriano will be the fortunate winners of the trophies which are to be presented to the champions. In the individual bracket we will hail Joe Gerace, who came in with a top average of 183 to lead the next leading contender by something like four or five points. A good time is in store for all the bowlers and their wives and sweethearts. There will be a lot of cheers. But there will also be a lot of boos. So stand by for the gayest, jolliest party that is held by St. Cyr Council members.

Some four weeks ago we started announcing in this column that almost any day Sam Nicosia would be the proud father of a little baby boy. Well, it has happened, brother knights and ladies. Sam and Babe are the two proudest kids in this part of Chicago. A little son was born last Monday night at St. Elizabeth's Hospital. Congratulations to you, Sam and Babe, and congratulations to Sam Nicosia, Jr.

During the past few weeks, one of our very active men has been in the hospital. Your scribe has been recently informed that Tony Cancilla was laid up at the West Suburban hospital, but is now at home coming along in splendid shape. Sorry to miss you at the bowlers party old topper, but hurry up and get well, so that we'll have someone to kibitz with at the council.

Another very active man who has been absent is Peter Stacey. He too was laid up in a hospital, but should be with us any day now.

Lecturer Anthony Scarpinato has a big night in store for members attending the meeting this coming Monday night. It will be known as Polish night, with Past Grand Knight and last year's lecturer, Bruno Satkowski, manager in charge of purchasing the Polish food which goes with this big party which we are holding next Monday night.

The softball season is about to get underway. The last practice session took place last Thursday night, and by this time manager Vic Priola has his team all lined up, ready for the attack upon the softball warriors in the North Side Division. Let us give the boys our support this year, and help them bring the pennant to our door. We've got a group of young ambitious men in our ranks, and with the proper spirit, our chances of success are good.

You're not forgetting the big event which is going to be held for the benefit of Bishop Sheil's Underprivileged Youth, this coming month, at Riverview Park, are you? Let's get hustling along, because before long it will be upon us, and we will find that we haven't started. See that friend of yours. He's sure to want to help along in this worthy cause.

Our congratulations to the new state officers who will guide the destinies of the Knights of Columbus in the coming year. All capable men, they are certainly worthy of the honors which have been bestowed upon them.

And speaking of conventions and elections, may you be reminded that shortly St. Cyr will have an election of its own. The first meeting in June is the night on which the members will exercise the right of the ballot box. Be there to exercise that right. It is a valuable one, and one deserving of your time and attention.

Blue Island Members Take Meets Seriously as Attendance Proves

1-3 Tues. . . . . Gregory and New

Close to a hundred members turned out at our last council meeting which was indeed very gratifying to your officers and entertainment committee. I am sure that those who attended were well pleased, as the meeting offered a variety of subjects.

There were the reports from G. K. Dan Boyd, D.D. Ed Martens and Recorder John Reuss on their trip to the State Convention; there were movies of the Bowlers Banquet shown by Bros. Al Larotonda and there were plenty of steak sandwiches and beer.

Brothers, if you were not present you missed something. Make it your business to attend our meetings regularly and get in on some of these good times.

At our next regular meeting on May 20, Blue Island Council will honor our Scout Master, Walter Gaboriult, for his 15 years of service. I don't think I need say much more about this event as you all know it is going to be a big one. There will be plenty to eat and some fine entertainment so reserve that date now and join us in honoring Walter.

SOFTBALL

Well, our boys are out getting themselves in shape for the coming season. With Mgr. Bill Creighton at the helm, our boys should give a good account of themselves, although we have a lot of new blood trying out, the council lost a good man when Uncle Sam got Bro. Steve Gura. That seems to be Mgr. Bill's worry at the present time—to get a slugger to take Steve's place. How about Judge Seyfarth, Bill?

SICK

Bro. Bob Harmon is reported to be improved, but may not have any visitors for a couple of weeks.

Bro. Dr. Patinaude was operated on this week and is confined at St. Francis Hospital.

Bro. Dick Walsh always welcomes a few visitors. He is now at home.

Bro. Ted Scott of Peoria, Ill., is back at work after his recent illness. The boys all send their regards, Ted.

FIFTH COLUMN

Bro. Dan Cording is the proud father of a strapping baby boy. Congratulations to you and your wife. The boys at the council were really glad to hear from the boys at camp and hope to hear more from them. Those heard from were Bros. Coffey, Grandchamp, Tragnitz and Gura.

Bro. Stephen Zabrzenski is now situated at Great Lakes Training Station.

Bro. Bill Creighton, always rising to new heights, cannot be praised too highly for the impressive talk he gave at our last meeting regarding the loss that Blue Island Council suffered in the death of John Meehan.

Wonder why Bro. Dalton jumped out of that car Saturday night?

What three Brothers spent a night of solitary confinement at Dutch's last Friday?

Columbus Efforts in Barbecue Behalf Now Top Previous Records

2-4 Tues. . . . . 6932 N. Clark St.

As June 18 draws near everybody is talking about the barbecue drive and the big doings at Riverview Park on that day. Some weeks ago your committee sent you a letter explaining everything in detail and the benefits derived from the efforts you put forth to make the barbecue a success. We hope that these pleas will not fall on deaf ears. All of the reports that we have received so far are very encouraging and we are above our last year's figure.

Tell your friends and neighbors about the wonderful work that is being done by our beloved bishop in his work among the underprivileged and I am sure they will put their shoulder to the wheel for such a wonderful cause. Please, now, if you have cast that letter aside, dig it up and start today to join the workers who are lightening the load for Bishop Sheil.

CONGRATULATIONS

To our new State Deputy, Leo Flynn, and our new State Secretary, Ray Gleason. To know either of these two sterling Catholic gentlemen would be to love them, and the Knights of Columbus should feel proud of the fact that men of this caliber will sacrifice their time and energy for the welfare of our order. Our membership should be well acquainted with Ray Gleason as he was a co-worker of our departed Grand Knight Bill Johnson, and Ray has often attended our meetings and participated in our golf tournaments at Browns Lake.

And speaking of Browns Lake, is it true "Hole-in-One" McGivern is contemplating on running one of our old-fashioned golf tournaments there? It sure would be good news to the members if they could look forward to a week-end of such enjoyment. What say, Art?

Our sympathy is also extended to the Joseph A. McMahon family and to Damen Council in the loss of their father and Past Grand Knight, Joe McMahon. Joe, as you all know, was Master of the Fourth Degree, a true Knight of Columbus, a staunch Catholic and a wonderful husband and father. We will all feel his loss and we ask that the membership remember him in their prayers.

We were also saddened by the news of the injuries of Joe Byrne, a Past Grand Knight of Charles Carroll, which were received while returning from the state convention in Aurora. We hope that Joe will have a speedy recovery and that his curly locks will be seen round the great west side soon again.

If you are looking forward toward attending St. Timothy's golf tournament this year, the date will be June 11. Anyone who has ever attended these affairs always wants an encore.

My stooges, Roche and Schuler, are on the loose again and as the Belfast Beauty has ceased to be news, things are kind of slow this week. However, I ran aross Bill Cookesley last Sunday and he seems to have recovered from all of his accidents. I hear that Henry Malone is in uniform again drilling the kids of the neighborhood.

San Salvador Readies Special Program for Ladies' Night, May 26th

2-4 Mon. . . . . 24 East 114th Pl.

Our subject for this week, and next, is one that should prove of great interest to everyone, namely, our forthcoming Ladies' Nite, which is scheduled for May 26th. It has been quite some time since the Council has paid tribute to the wives and mothers of our members, so, to compensate for the lapse, we can assure you that the evening in question will prove to be highly enjoyable.

We are allowing ourselves a two-week spread on this subject, and thus be certain that one and all will be aware of the occasion. Nothing would please the officers of the council more than a generous attendance. A fine program and some delicious refreshments will be offered for the enjoyment of our welcome guests. So, please, talk it over with the ladies and be sure to attend.

Gen. Sherman Honors Star Bowlers

1-3 Tues. . . . . 4300 W. North Ave.

General Sherman's champion bowlers were honored at a recent session of the merry men. The number one team, with their trophies as pictured above, includes, from left to right, Jack Ryan, Frank Grady, Bud Collins, Grand Knight Joseph Schmidt, Judge "Mike" Tremko, Frank Leis and Bernie Janco. Congratulations, champs!

Nine teams out of our regular ten participated in the Pabst Blue Ribbon tournament last Saturday and Sunday. Seven out of eight teams are in the money, besides the many singles and doubles which also will collect. T. Denis Tierney and Two Pants Grady are way up on top. I believe none of us will be able to talk to them now. Besides collecting some heavy lettuce, the two are going to get medals. I can just picture Tom wearing his between his Fourth Degree pin and his Holy Name button. We also received a trophy for having the most teams entered. All you men that bowled in this tournament be sure to attend the regular council meeting and receive your reward.

COUNCIL REPORTS

It is sincere sympathy that all the members of General Sherman Council extend to Wallie Turzinski, whose brother Alex passed to his eternal reward.

Your Grand Knight would like to make a final report on our dance. There are still a great number of tickets and ads to be accounted for. Won't you please make your returns to Financial Secretary Joe Deisenroth, sometime before the next meeting?

Have you turned in your stubs from your barbecue book? If you have not try and have yours in by next meeting so that you can start on a fresh book. Stop for a moment and realize what it means to our good Bishop Sheil and his underprivileged youths. There are thousands of poor boys who look forward to us Knights of Columbus for help. Those of us who have children can understand what it means to these unfortunate boys. Here's where your Catholic Action comes in. Now all together. Let's have Sherman Council at the head of the list.

The first meeting in June (June 3rd) is Election of Officers. This should be of vital importance to each and every Sherman Knight.

Elementary School Pupils on Decrease

New Orleans.—An increase in enrollment of Catholic secondary schools and a decrease in grade school pupils are shown in statistics gathered for the 38th annual meeting of the National Catholic Educational association here. Incomplete figures show a 12 per cent gain in the former and a 2.5 per cent loss in the latter. The estimated attendance in the 1,-648 Catholic high schools and academies of the nation for 1939-40 is 386,500 as against an enrollment of 345,218 in 1937-38. The 1937-38 survey showed 2,032,770 pupils in the grades. The incomplete figure of 1,981,041 is about 93 per cent of the total enrollment for these schools for 1939-40. (The "Official Catholic Directory" gives the number of pupils in elementary parochial schools for 1940-41 as 2,017,094, a decrease of 91,798 from the 2,108,892 pupils enrolled in 1939-40.)

Only 35 of the 104 dioceses and archdioceses reporting so far show a gain in elementary students. The pupil loss first manifested itself in 1932. It has been due in part to the nation-wide decline in the birth rate, which has affected the attendance in elementary schools of all kinds.

A dozen dioceses and archdioceses have so far reported more than 50,000 pupils each in their Catholic elementary schools, and 13 have reported 5,000 or more students in their respective high schools and academies.

C.C.D. JOURNAL NOTES ANNIVERSARY

Chicago.—The Journal of Religious Instruction, published at De Paul University as the unofficial organ of the national center of the C.C.D., has completed its tenth year.

Santa Maria Receives Wide Recognition for Real Catholic Action

2-4 Thurs. . . . 9020 Commercial Ave.

Santa Maria's great effort at Catholic Action—the distribution of Sunday missals to the draftees of the 10th Ward, has been gaining momentum and much recognition. Last week, letters and souvenir copies of the missal were sent to President Roosevelt, Governor Dwight Greene and Paul Armstrong, head of the Illinois Selective Service. Grateful replies and words of commendation were received from all of them.

Santa Maria Council, we understand, has the distinction of being the first Council in the United States to give its local draftees some sort of a religious reminder to take with them to camp. Attorney Vincent Knaus of Santa Maria Council is the originator of the idea. The missal bears the name of our Council and the names of G.K. Albert Schott, Chaplain Father Terlecke and Bro. Vincent Knaus.

On Monday, draftees from Board 93, 9622 Commercial avenue, who were inducted into the army for compulsory military training were presented with missals, in a brief ceremony. At the board headquarters, Frank S. Sowa, board member, Mrs. Alma Lionhood, chief clerk and Bro. Knaus, chairman of the 10th Ward Advisory Board, participated. Bro. Knaus briefly addressed the inductees.

COMMUNION SUNDAY

Over 300 members of Santa Maria Council, the Catholic Order of Foresters and the St. Patrick's Holy Name Society received Holy Communion in a body at St. Patrick's church last Sunday morning. The pastor, Father M. S. Kane, read the Mass. Together, the three organizations had breakfast in the school hall.

State Deputy-elect, Leo M. Flynn was the guest of honor. He addressed the gathering and stressed Catholic Action in his speech. Other speakers introduced were P.G.K. Tom Davey, Rev. Father Cuneen, William Bouzey of the Foresters, Fred Sweeney, head of the St. Patrick's Holy Name Society and originator of the breakfast idea. P.G.K.s James Brown, Gordon B. Nash, Wm. Rosenbach, Michael McPharland, Wm. O'Neil and Judge George A. Rooney.

A delicious breakfast was served by Mrs. Joseph Komar and her corps of workers. Much thanks is due them for their efficient service. G.K. Al Schotte acted as M.C.

STATE CONVENTION

Early this week P.G.K.s Michael McParland and James Brown journeyed to Aurora where the state meeting was held. Bro. Brown made a very complete report of the convention beginning with the Military Mass in St. Nicholas church, and ending with the convention ball on Tuesday evening.

BOWLING

On Tuesday evening the Santa Maria bowling league wound up its long season which began in early fall, with a party and distribution of awards at the Cheltenham bowling alley. The league reports a most satisfactory season with six teams participating and already they are making plans for next year.

Bro. Eddie Costello, owner of the Cheltenham alleys, is presently building another fine bowling alley at 79th and Euclid avenue, which will house the Santa Maria league next year. Many of our members participated as regular team members or as substitutes and they all report the Tuesday evening sessions were well worth while for fun and sport.

CONDOLENCES: Santa Maria was shocked and grieved to learn of the untimely death of Bro. Joseph A. McMahon, master of the Fourth degree. The Council extends its deepest sympathy to his family and relatives. May his soul rest in peace.

Oak Park Ladies Are Well Entertained at Last Meeting Program

2-4 Monday.....641 S. Scoville, O. Pk.

Those members and ladies who were wise enough to take advantage of the Ladies' Night held at the clubhouse, and to avoid any of the many side attractions offered elsewhere, were treated to a splendid evening's entertainment. The feature of the evening was a picture furnished by the Borden Wieland Co. depicting the handling of milk through all of the stages from the cow to the home. It stressed the importance of cleanliness and purity. The comments of those present indicated the degree of favor with which it struck home. After seeing how careful the milk is handled we are going to add more of it to our diet. How about it, Doc? Our thanks to the Borden Wieland Co. and the men who furnished their time.

The next big even of the season will be the dance on Saturday, May 17th. On that night the clubhouse will be scene of the gayest and finest dancing party held in the clubhouse in many a year. The same orchestra that gave us such splendid music on the occasion of the 30th anniversary party has been engaged to do their stuff again. The tickets are 44 cents, including the tax, and are cheap at that price. Do not fail to get up to this dance even if you have to come alone. This dance is sponsored by the Oak Park Fours and if you have attended any of their affairs you must know of their wonderful sociability. 8:30, Clubhouse, Saturday, May 17th.

The next meeting of the Council will be the biggest of the year since on that date we are host to the surrounding Councils. We will put on the first two Degrees on that night, using the famous Degree team of Nazareth Council. If you haven't seen them work then it is an opportunity not to be missed, and if you have seen them, you won't miss. The night is Monday, May 26th. Mark it on the calendar, and ask the wife for that night out.

A sad note to the last meeting was the news of the death of a charter member of the Council. Dr. Robert G. Savage, former medical examiner of the Council, and one of the veterans of the last war. He was well known throughout Oak Park for his many acts of kindness and generosity and all of the members are asked to offer their prayers for the repose of his soul. To the bereaved we extend out deepest sympathy.

Past Grand Knight Bill Schaefer announces the arrival of a daughter, Mary Ann, to brighten the Schaefer home. Mrs. Schaefer and the baby are doing fine, and father fair. Many congratulations to a fine young family.

There are a few questions unanswered after the last meeting. Where will the golf be played, and why? Who are the officers of the bowling league, and what happened to the election? How come Jack Tighe is a grandpa for the second time and still looks 28? What language will Bro. Ray Block speak when he gets back to the United States? Where is the roll of honor of those who served in the last war, and why is not up in the Council chambers?

Welcome back to Bro. Schuster; he can show the boys a thing or two even at his age.

Newman Prepares Special Program for New Hubbies

1-3 Thurs. . . . . St. Mary's Hall

John Cecil (Pat) Craig, Newman's Lecturer and erstwhile ladies' man, was united in marriage to Miss Elizabeth Kramer on Saturday, May 10th, at St. Nicholas Church. The bride is the sister of Bros. Tony and Mike Kramer. In the wedding party were Tom Sullivan, Frank O'Hern and Joe Flinn. Maybe Pat thought he needed the support of a good bowling team for the occasion.

Another Brother also committed matrimony at the same day and hour. Henry Witty was married to Miss Lucille Kraft at St. Mary's in a beautiful ceremony enhanced by the singing of a sextette from our Glee Club.

The congratulations and best wishes of the council are extended to both happy couples.

NEXT MEETING

The next meeting will be on May 15th, and anything is likely to happen. Pat has been too busy to make any plans for the evening, but a special affair in his honor is being considered. It is hoped to make this program educational and practical, and the Glee Club is working on a selection of lullabies. Larry Dupre has offered to bring his moving-pictures of his little daughter, and Pete Jans will lecture on "The First Twenty-five Years." Bro. Craig and Bro. Witty are expected to profit by this timely and instructive program.

The following meeting, June 5, will be Election Night. The political campaign has already been started, with Bro. Ziggy Sobsczynski as manager for the incumbent administration. Ken Lawson selected him because of their successful work together in the recent municipal political struggle.

The sympathy of the council is offered to Bro. Joe Nischan on the sudden death of his brother, and to Bros. Dan and Edward Coursey on the loss of their father. May they rest in peace.

BOWLING

The annual sweepstakes event wound up the season for the bowlers, Tuesday evening, May 6th. The singles championship was won by Cliff Dalton with 629. Nic Ney was second with 617, and two Brothers were breathing on his neck at the finish with 616 apiece, namely, Bob Reitz and Hank Marino Miller. To see the name of Miller in the money again brings back old times. He was a money-bowler when most of the present members of the league were playing marbles, and it evokes shades of Chas. Eiden, Jay Hayden, Ray Nilles, Matt Jans, Buns Mahon, Pete Faber, and other giants who respected the prowess of E. William in bygone days.

The Doubles event was taken by Larry Dupre and Tom Sullivan with 1225. Harold Nilles and Tim Jans were second with 1205; and they were followed by Gehant and Ney with 1201. G. K. Ken Lawson had high game out of the money with 212

Andy Smith is in charge of the softball teams which have already started practice. All Brothers are welcome to try out for the team, warm up with them, or just come out to cheer and jeer.

Tom Zicco reports that he has been scouting the council tennis talent on Sunday mornings at the Evanston High School courts. Bros. Ray Kelly, John Nangle, and Tom Hayes appear there every Sunday morning about ten, and Zeke says that they get a lot of exercise. Later in the season, he expects to organize a big council tennis tournament and donate a shaving cup to the winner.

APPRECIATION

The excellent columns of the recent weeks were the work of the Poet-Laureate of the Sanitary District, Geo. Hebson. He dashed them off in the odd moments he was able to snatch from the busy vigil of the night shift. We regret that he did not choose to continue his writings for another month, especially because of our difficulty in taking the platform after such a speaker.

Jim Corcoran is organizing a party to take advantage of a bargain offered by Waukegan Council. They are holding a dinner-dance at the Glen Flora Country Club on next Sunday, May 18, starting at 5:00 o'clock. Tickets are $1 per person.

Brownson Tinneys Win K. of C. City Bowling Title, Ketteler Second

Brownson's Tinneys, winners of the west division championship, won the city-wide title Tuesday night in the annual Kinghts of Columbus bowling finals for the John F. Bolton, State Deputy awards.

Ketteler's squad, the runner-up in the west division, also finished in second place in the finals. Ketteler took the number two in the A.B.C. competition and the Knights of Columbus National Tourney in addition to the second place spots mentioned above.

St. Paul of the Cross, winners of the north division championship, were third in the line followed by Brownson's Andekkers, the second place team of the north division.

Judge John F. Bolton will make the championship presentations at a later date, and Ketteler Council will receive its trophy, a novel bowling pin awarded by the Illinois Knights of Columbus Bowling Association.

Ravenswood Is Setting Stage for Its Initiation Night Next Wednesday

1-3 Wed. . . . . 1521 Wilson Ave.

Ravenswood Council's next meeting night, May 21, will be given over to the First and Second degree induction of our candidates and those of the other councils in our district. A very fine time and a most inspiring degree is promised and assured by G.K. Morgan who has obtained one of the finest degree teams in the city to assist us in the presentation.

Time and again, at meetings and in this column, it has been reiterated that our officers and our District Deputy is especially desirous that we have an exceptionally large group of our members on hand to greet not only our candidates, but also to receive the candidates and members of the other councils who will be participating in this event.

We have been promised some very fine music for our entertainment in helping to make this the most impressive degree initiation ever given by Ravenswood Council. Make every effort to be there and bring at least one of your Knights of Columbus brothers with you. Next Wednesday will be a meeting night long to be remembered.

RAVENSWOOD DOINGS

Ravenswood had a very nice crowd of gentlemen on hand for the annual Communion Sunday. Our fellows received Communion in a body with Our Lady of Lourdes Holy Name Society, and after Mass went over to the School basement to have breakfast with the Holy Name members in the cafeteria.

Last meeting Trustee Peter Farrow gave a report on his doings at the recently adjourned state convention which was held in Aurora. G.K. Morgan attended the convention also, but only the Saturday and Sunday sessions. P.G.K. Farrow was able to attend the entire meeting and all of the sessions and represented us in his characteristic efficient way. Ravenswood is indeed fortunate in having such able representation at conventions, as is provided by Bros. Morgan and Farrow.

Fin. Sec. Matt Blesius has been out of town for a few days on business. 'Tis said he is back now. Have we told you that Matt is sporting a new automobile? If you didn't know—he is. In case you have been wondering why our Sec. is able to keep the books in such good shape, you will be relieved to know that he has an office for such work in the basement of the new Blesius home (six months new).

Mrs. Earl Stewart who suffered a long and severe illness recently was able to attend Mass last Sunday for the first time since she left the hospital. Congratulations to her and Bro. Stewart on her fine recovery.

Gold champ Mike Metzger attended the last meeting and issued a challenge to all Ravenswooders to try and dethrone him. Rumor has it that Mike won't have long to wait. Here's one fellow (ye scribe) who is going to be at the next golf blowout or strain a ligament trying.

Little has been heard of the Hoylers lately. Perhaps they are in one of those stretches where no one member has an advantage.

Remember the Barbecue!

Be at Ravenswood Clubrooms Wednesday evening, May 21, it's initiation night.

CHICAGO ENTERTAINS LADIES AT NEXT MEET

2-4 Tues. . . . . 64 E. Lake St.

Lecturer Bill Pellicore broadcast last Tuesday night that our meeting of May 27th would be a "Ladies' Night." It will be Chicago Council's annual "Little Barbecue Night" with entertainment, games, and eatments.

Barbecue Co-Chairman Charles Schroeder announces that Father Harold Kenney, Assistant Director of the Catholic Youth Organization, is coming up to give a short address on the aims of the C. Y. O., the great need for it, and all about the important part we Knights can play in furthering the work of this great enterprise of our beloved Bishop Sheil. More about this in next week's issue. In the meantime, we hope you read Arch Ward's column on the sports page of last Monday's Tribune—all about our Bishop Sheil, this work of his for underprivileged youth, and the great testimonial banquet they are giving him.

Anyway, our party for the ladies is May 27th and see to it that you bring your lady with you. (By the way, Lecturer Pellicore would invite donation of a few little gadgets suitable for table prizes.) There is to be no charge for admission. Phone Bro. Pellicore at Dearborn 8757.

BARBECUE

Barbecue Co-Chairmen Jack Caponi and Charles Schroeder announce a meeting of pilots and co-pilots at the real estate office of our Financial Secretary, Nicholas J. Reulan on the evening of Tuesday, May 20th. This should be a large gathering.

Some of our members will find it impossible to bring in returns from their sales. Call Calumet 6282 or 6283 and talk to Jack Caponi (8 a. m. to 6 p. m.) or phone Independence 2573 after 7 in the evening and talk to Charles Schroeder. Tell them where they can visit you and pick up your returns. We would like this information before next meeting (May 27).

There is a knack in carrying on this Barbecue promotion, and some of us excel. Do your best. If you could only see the great amount of good that comes from your contributions to help boys (and girls, too) from straying down the wrong paths of life—if you could see, even on the relatively small funds which are at present available, what our Bishop does accomplish, you would not hesitate to redouble your present efforts. We are a long way from having enough financial help.

Urge Early Entries for K. C. Softball Tourney

By JOHN E. MINER

At the Softball League meeting of May 9 it was decided to adopt the ball as per sample submitted by Bob Sullivan of Sullivan Sporting Goods. All K. of C. Softball League games for the 1941 season must be played with the ball furnished by him and stamped with the insignia of the order and the signature of the president and the secretary of the league.

Those wishing to order the official ball may obtain them at Sullivans, located at 755 West Garfield Boulevard, phone Boulevard 6108. Delivery will be made upon request.

ENTRIES

The personnel of the teams comprising the league is now taking definite shape. From all indications there will be at least as many entries as last year and possibly a few more. There are still a number of delegates' letters missing. All Grand Knights are urged to send them in at once.

The last meeting was attended by some 25 delegates from the various councils. Making their appearance for the first time this season were representatives of Loyola-Hyde Park, Santa Maria, Father O'Connor and Archbishop Quigley.

President Joe McGreal appointed Nick Masse of St. Francis Council as chairman of the Constitution and By-Laws Committee; Ted Lee, veteran St. Rita delegate, was made chairman of the Schedule Committee. Charles Jensen, umpire-in-chief of the K. of C. League for the past few seasons, was present and interpreted a number of playing rules for the assembly.

At the next meeting the Constitution and By-Laws will be adopted including any changes in the existing laws deemed necessary. If a sufficient number of entries are received this week an attempt will be made to draft the schedule. It appears at present that the league will begin play the week of May 25.

a total of 41 new and reinstatement applications had been received in the past three weeks. This was fine work on the part of Membership Chairman Tom Walsh and his committee. The drive will continue to May 31st so keep after those prospects and get the applications in as soon as possible. This group will place us close to the Century mark for the year, but we need about 25 more to reach our quota. Give this job an extra push during the next week or two.

In the absence of Lecturer Frank Walsh from the city, Bernard Gartlan, chairman of the Golf Committee and Assistant Lecturer Terrance Scully presented us with an excellent golf program. He was most fortunate in securing the services of our good friend and brother Tom Walsh of Westgate Valley Country Club (Calumet's Home Club) and president of the Professional Golfers Association.

Tom invites all members of Calumet to come out to Westgate, whether you have played golf or not. Look the place over, bring out the family for a Sunday dinner. The dining room, the food and service are unexcelled and prices are always reasonable. Westgate is one of the prettiest spots in Cook County. You will enjoy a day there anytime.

At the conclusion of Tom's instructions we were entertained by the Wilson & Co. sound picture on golf which was delightfully interesting. The evening wound up with some of Johnnie Carey's most delicious frankfurters and coffee as only Arch Mahoney and Cap Gilmore know how to prepare.

NOTES

We had as our guest at the last meeting, Frank McGillen, P. G. K. of Genoa Council and chairman of the South Side for the Barbecue. His inspiring talk will have results in Calumet Council.

Sure glad to see so many old timers getting back into Calumet Council. At the last meeting we had reinstatements from John Vail, Andrew O'Brien, James Calvano, Charles O'Donohue, Tom Gavin, August Litzou from Monroe, Mich., John Nix, Frank Mackay, Harry McGrath, Art Jehli and Eck O'Malley.

We extend our congratulations to Leo Flynn, who was elected State Deputy at the State Convention last week and also to Ray Gleason, elected to the office of State Secretary. The new officers have always been of Calumet's best friends and we wish them much success.

We were advised at the meeting of the death of the father of Brother John R. (Pat) O'Brien. Our sympathies are extended to Pat and his family and regret that we had not received this news sooner.

Brownson's Goal Will Be High for Balance of This Fiscal Year

2-4 Fri. . . . . 4754 N. Western Ave.

As this article goes to press only seven weeks remain of our Council's fiscal year. While our record of accomplishments and attendance at meetings during the past several months have equaled or surpassed former years, yet, to reach the goal set by G.K. Casey last July, much must be done during the few remaining weeks.

The most important of which is the completion of our membership quota and our whole-hearted participation in the K. of C. Barbecue for the benefit of Bishop Sheil's Underprivileged Youth fund on Wednesday, June 18, at Riverview Park.

Last January after a late start, Chairman F. C. O'Connor made an appeal to our members to secure forty new members or former brother knights. By March 14, he had half of our quota, but during the past nine weeks the influx of applications has almost stopped. Why? Other councils in Chicago and throughout the Order have reached their quota, and in a large number of cases far surpassed it.

Let's all show our brother knights of other councils that we, too, are proud of our membership in the Order and our council, and let's see if we can't have Brownson entered on the honor roll of the Supreme Council by July 1st.

Regarding the barbecue—only thirteen members have made much headway in this drive so far. This benefit is one of the most noteworthy causes ever undertaken by the Knights of Columbus of Chicago and one in which every member should feel duty bound to help—no matter how little. At our last meeting Bro. F. A. Cath was for his hard work, awarded an all-expense week-end at Mayslake. For further needs see F.S. Wm. Erwin, Frank Kohler and Charlie Lannon.

SILVER JUBILEE

During the past week an invitation was received inviting our members to the Silver Jubilee Mass of our Chaplain, the Rev. M. M. Ries, at St. Vincent's Church, on Sunday, June 1, at 11:30 o'clock. Considering the high esteem in which our reverend chaplain is held, not only by our own members but throughout the Order in Chicago, Old St. Vincent's should be filled to overflowing with his brother knights on that Sunday.

On the evening of our next meeting, Friday, May 23, the Ladies of Isabella, Our Mother of Perpetual Help Council, will hold a party and dance on the second floor of Three Links building. Yes, that is the same building in which we meet. Refreshments will be served, and the tickets are 50c. The proceeds of this party are used for the Spaulding School for Crippled Children.

Mrs. Wm. J. Erwin, wife of our fianancial secretary, is general chairlady, and would appreciate a large attendance of Brownson's members and their friends. So why not plan to bring your wife or sweetheart to the party and you, yourself, can come up and attend the meeting for a while.

The Rev. Jagodzinski, one of our newly initiated members, was rushed to the Mercy Hospital last week after having just returned from his vacation. We sincerely hope that it is nothing serious and that the Rev. Father will be with us soon.

St. James to Present "A Night in Cuba" at Hayes Hotel Tomorrow

2-4 Mon. . . . . 64th & University Ave.

Remember this Saturday, May 17, is the eventful evening. It will be full of entertainment, music, refreshments (all you want), food, and even ice set-ups—all included in the price of $2.50 per couple. The place—the Hayes Hotel Ballroom. It will start at 8:30 p. m., and will continue 'til the wee hours of the morning. For last minute reservations, phone Dr. Strobel at Went. 3005. Let's go!

Senor Montalbano and his Cuban Troubadors will supply the music and real Cuban atmosphere for the occasion. Chairman Ed Muellner reported at Monday's meeting that the committee has spared no expense to present an event that will linger long in your memory. You are asked to get your reservations in as quickly as possible.

A special meeting of the committee will be held Saturday evening at the Hayes Hotel, to put the final touches on the affair. On the Casino committee, the following names were omitted last week: Ed Brosh, Joe McGivern and Robert Lee.

ANNUAL COMMUNION

The attendance last Sunday at our Communion services was very fine. Led by Father O'Donoghue, our flag bearer, and a fine group of Fourth Degree members, over three-fifths of our membership were on hand to receive at Old St. James Church. After services, whereat Father Leo F. Dee made the invocation, the entire group had a fine breakfast in the convent dining halls. Peter Wehle was master of ceremonies and we were honored by the presence of Major General John V. Clinnin, who gave a fine talk. Camera-man Ed Muellner took pictures of the proceedings.

SOFTBALL

Each Tuesday and Thursday evening will find the softball team practicing at Meyering Playground, 72nd and South Park, at 6:30 p. m. All candidates are urged to attend. Mgr. Mike Connolly announces that the season will soon be underway, so let's cooperate and help Mike in his bid for a title this year.

NEWS

At Monday's meeting, a report by Martin Quinn and Jerry Loughlin who attended the State Meeting at Aurora last week, gave all the latest developments. Bros. Clarence Phillips and Frank Mayer made fine reports on the Chicago Chapter. Bro. Jack Greene presented the typed Blood Donor group members with their cards and announced that Bro. Peter Wehle gave a transfusion at St. Bernard's last week-end.

Bro. Ambrose Burke, membership chairman, stated that during June we hope to have a large class for the "Pete O'Connell Class" and that applications be turned in at the next two meetings. All members are asked to see Barbecue Chairman Jack Greene as soon as possible. We hope that all of you will work hard, so that our efforts will surpass those of other years.

On Monday evening, a picnic committee meeting will be held at the home of John McKean, 6546 Kenwood Avenue at 8:30 p. m. Last Sunday we were happy to see our long-distance travelers and many old-timers, among whom were: James Flynn from Harvey, Jos. Mooney from Lake Forest, Bro. Jas. Pirafolo, Ed Hamilton, Al Fashingbauer, Jim Sweeney, Martin and Joe Corrigan, Tom McFadden, Jack McKenna and many others.

McHale Host to Six South Side Councils for Degrees Tuesday

1-3 Tues. . . . . 150 W. 69th St.

At our next regular meeting Tuesday night our council will be host to six south side councils and their candidates for the exemplification of the first and second degrees. Also at this meeting we will officially welcome the Most Rev. Leo F. Dee, new chaplain of McHale Council.

Fathere Dee is a fourth degree member of the order and will be a transfer member to our council from Archbishop Spaulding Council, Peoria, Ill.| At the present time Father Dee is assistant pastor at St. James Church, 29th and Wabash avenue. Members of our council who have attended both of our Communion Sundays at St. James Church learned first hand of the interest that Father Dee has in the Knights of Columbus.

OLD TIMERS' MEETING

Most of our members know the story already, but for those who were unable to attend our "Old Timers'" meeting May 6 we want to tell you a little about it. Right off the bat we want to thank the committee for the wonderful turnout—there were one hundred and five members of McHale present and a few guests.

In keeping with the spirit of the evening, Chairman P. G. K. Bill Mugg confined the speeches to the old timers. The speakers called upon were P. G. K. Con S. Kelly, daddy of our council; our honorary chaplain, Rev. Walter Croarkin; Frank Blake, Jim O'Connell, Tom, Charlie and Hub Janns, all of whom spoke of the early days of McHale's famous history. Bro. Tom Arron spoke of our old indoor teams, Trustee Geo. Manning, a member of McHale's first basketball team, spoke about it.

Other speakers were D. D. Ed Molyneaux, P. G. K. Jerry Sheehan, Speedy McGlinn, P. G. K. Barney Perona and G. K. Tom Mulroy. After the meeting the members were served some very delicious refreshments.

COUNCIL NOTES

Our council was well represented at our annual state convention held in Aurora May 4, 5, 6. Those present were G. K. Tom Mulroy, P. G. K.'s Jerry Sheehan, Bill Collins, Con Kelly, Bill Mugg, Barney Perona, Fin. Sec. Early Edgeworth, Lecturer J. J. Kelly, Con Hogan, Matt Lux and Tom Garvin. McHale extends congratulations to Leo Flynn, State Deputy-elect; Bro. Ray Gleason, State Secretary-elect, and to P. G. K. Bob Du Mais of Fort Dearborn Council as a delegate to the supreme convention.

Bro. Frank Trunk changed his office number to 805, same address, Conway Bldg. G. K. Mulroy called to see Bro. Geo. Costello at the Illinois Eye Hospital where George is recovering from an eye operation. We wish to thank Jack Lux for the fine work that he did at Aurora and at our Old Timers' meeting.

After June 1 Bro. Fred Barzen will be operating his new service station at 127th and Cicero (southwest corner), Texaco gas, towing and all service. Good luck, Fred. At present Fred and his wife operate Elsie's Food Shop, 144 W. 69th street, same building as our clubhouse.

This does not mean that all positions on the team have been filled. Any brother who is interested in playing should contact Brothers Peterson or Fanning. Remember the date, May 20, and be on hand to watch the gang work out. Game will be called at 7:15 p. m.

We are happy to announce that Bro. Bob Sullivan who operates the fine sporting goods store at 750 W. 55th St. will soon occupy new quarters at 5454 S. Bob carries a splendid assortment of sporting goods and is ready to serve the needs of any member or council upon short notice.

GALA TIME

St. James Council invites us to attend "A Night in Cuba" to be held at Hotel Hayes, 64th and University Ave., Saturday evening, May 17. Tickets $2.50 a couple include everything.

Remember the Showboat Bowling Club Cabaret and Dance at Pilsen Park on Saturday, May 24. Bro. John Vaughn and a group of members of Leo have a prominent part in staging this very attractive party and many members are planning to be there.

Thursday evening, May 27, will be a big night at Leo Council for all members and friends. Bro. Ruberry and his committee are planning a windup that will be a knockout.

COUNCIL ITEMS

It is with great pleasure that we announce the ordination to the Holy Priesthood of the Reverend Patrick John Toomey, son of Brother Timothy Toomey, by Archbishop Stritch on Ascension Thursday, May 22, at St. Viator's Church. Father Toomey will offer his first Mass at Visitation Church on Sunday, May 25. To both of these functions as well as the reception in the parish center that evening (May 25) from 7:00 until 10:00 o'clock the Toomey family extends a most cordial welcome to all members and their families.

BISHOP SHEIL.—As you are aware of the Order's great project to aid Bishop Sheil in his care of the underprivileged youth, do your part to make the part our Council will play in this enterprise worthy of our past performances. General Chairman John Ruberry and his excellent committee are at the Clubhouse several nights a week in connection with this work. Act promptly and it will be appreciated by everyone.

BLOOD DONORS.—With over 150 members typed the Council is proud of its contribution to this noble work. At our next meeting, May 20th, identification cards and beautiful emblems will be distributed. All donors please be present.

Chairman Gallagher states that several members have been typed at places other than the Council and he is anxious to enroll everyone who is eligible to act as a donor. Bro. John Delehant and P.D.G.K. Bill Cullina had been helping Doc. with the detail work. Leo was happy to see Bob DuMais of Fort Dearborn, State Director of the movement get such a large and satisfying vote as Delegate to the National Convention. It was a fitting honor to a grand fellow.

DOTS AND DASHES

G.K. Wagner was honored by being the judge of elections at the convention. The council congratulates State Deputy Flynn and the other officers elected at the Convention. All regretted the voluntary retirement of Judge Bolton who has written an inspiring chapter in Knighthood. To Leo Flynn the Council pledges the same wholehearted co-operation that it has consistently rendered during all the years of its existence.

INSURANCE MEMBERS please note. The Financial Secretary, the Treasurer and the Trustees are now busy with an audit of payments of Insurance Assessments and special efforts will be necessary on the part of many. As you read this we ask that if you are concerned please take care of it at once. If you are unable to pay all make a part payment and explain to Joe when you can come in with the rest. It all must be paid by June 30. Give it you consideration at once.

Auburn Park Proud of Further Advancements of P. G. K. Leo Flynn

2-4 Thurs. . . . . 7740 S. Emerald Ave.

The entire membership of Auburn Park Council was more than pleased to hear the report from the Forty-fourth Illinois State Council's Convention action in its selection of our own Past Grand Knight, Leo M. Flynn, as State Deputy for the ensuing year effective July 1st. We wish to express our deep appreciation to the Grand Knights and Delegates for their selection of Brother Flynn to this highest K. C. office in the State of Illinois.

Auburn Park represented at Aurora by Past Grand Knights Richard J. Knight and John W. Corcoran who served as Alternates to the Delegate and Grand Knight who were both unable to be in attendance.

A delegation of Auburn Park's members arrived in Aurora under the leadership of Grand Knight Harry J. Cox, D.G.K. John Coughlin, Neil Houtsma, James McLellan, Paul Byrne, Neil Hartnett and the following Past Grand Knights, John Lyons, M. A. McDermott, M. A. Dwyer, John H. Clausen, Richard J. Knight and John Corcoran and brothers James Patrick, John Dillon, Justin McCarthy, T. J. and Dan Sullivan, John Doherty, Vincent Callaghan and John Killackey.

Brother John H. Clausen had the distinction of placing the name of Leo M. Flynn before the convention for the office of State Deputy, and your humble servant was more than pleased to have the distinction of seconding his nomination, which was unanimous. The selection of the next State Convention was given to Chicago and this will give the membership another opportunity to watch the proceedings of this important annual event.

MEMBERS IN THE SERVICE

The following members of Auburn Park have been called into the service of their country: Brothers Leo. Walsh, Joseph Stachler, Joseph Porter, William C. Gehringer and George Driscoll. We do not have the names of the Camps or the outfits to which these Brothers have been assigned but would be pleased to hear from them.

The members of St. Leo's Parish in paying tribute to their beloved Pastor Rev. Monsignor P. F. Shewbridge are sponsoring a party in his honor this evening at St. Leo's High School Hall, 79th and Peoria St. Tickets are 50c per person. Bro. R. J. Knight is general chairman being assisted by our Trustee Bro. Paul Byrne. Let's have a large delegation in attendance.

The membership of Auburn Park is invited to join with St. James in their Night in Cuba Celebration at the Hotel Hayes, 64th St. and University Ave. tomorrow, Saturday evening, May 17. Admission is $2.50 per couple, which includes beverages, refreshments, music, and dancing.

St. Rita Asks All-Out Effort for the June Degree Class

1-3 Thursday.....6048 S. Fairfield Ave.

G. K. Charlie Nash this week urged the members of St. Rita Council to go "all out" in a membership campaign to obtain candidates for the exemplification of the First and Second Degrees, honoring our Chaplain Father Fennessey, to be held in the clubhouse June 26.

At a meeting of officers of our Council last Tuesday night, G. K. Nash informed them that up to date the names of only three candidates have been submitted and asked that they act as the spark to instigate a greater effort on the part of the membership.

As you brothers know, Membership Chairman Jack Devlin is now working nights and thus is unable to devote as much time to the drive as he would like to. Let us show Jack and G. K. Nash that we are whole-heartedly interested in the welfare of St. Rita by having a large class on hand for the exemplification.

Actually every member could obtain a candidate if he was pressed to do so, but our Council leaders do not ask that much, they ask only that the class be a fair representation of the total membership of our organization. The date is little more than a month away so let us begin right now to approach prospective candidates. Application blanks may be secured from any officer or at the Council chambers.

RETREAT

Chairman of our annual Retreat to be held the week-end of June 7 and 8 at Mayslake was appointed at last night's meeting but as this column is written on Tuesday we will not be able to print his name until the next issue of the Columbian. All members who are able should take part in this important spiritual phase in the life of St. Rita Council. If you really want to learn the worth of the Retreat to the individual retreatant talk to some of the men who have made several, such as Joe Gallagher, Paul Bernoski or John McGowan. They will tell you what an inspiration it has been in this troubled world, an opportunity to grasp the full significance of our time and its many violations of the Word of God. Make arrangements with your employer right now to be among the retreatants and make this year's class the largest in history of our Council.

BARBECUE

Reports on the Barbecue books continued to come in this week with indications that if the pace is maintained all past records for our Council will be shattered. But at the same time Chairman Roy Perell warned that the drive has reached the stage where competition from other Councils makes St. Rita's campaign more difficult.

For that reason he urged members not to relax their efforts but to help St. Rita make its mark before the stretch drive in the last two weeks in June. The Barbecue will be staged at Riverview Grove, June 18—only a month away. Reports on the Barbecue may be made at any of the following business establishments: Sullivan's Undertakers, 2438 W. 63rd St.; Martin's Barber Shop, 3303 W. 63rd St., or Stoeller's Grocery, 2918 W. 63rd St.

THINGUMBOBS

One of the outstanding meetings of the year was held in our chambers last night. Tom Walsh, president of the Professional Golfers Association and owner and pro at Westgate, was our guest through the never-failing efforts of Lecturer Harold Hilbert. More about the meeting next week.

The latest startling happenings in world events may have had nothing to do with it but two stalwarts of our Council visited Washington recently. G. K. Nash went to the nation's capitol to visit his brother Tom who is studying for the priesthood there. Matt Nellis, he of the talking golf clubs, visited the faucet of filibustering on business.

The annual election of officers will be held at our meeting of June 5 . . . The Home Association met last Monda and the officers held a meeting night . . . Dr. S. C. Nazareth Urges More Action in Drive for Its Membership Quota

2-4 Tues. . . 17 W. Harris, La Grange

Our meeting last Tuesday night was another one of those lively affairs which are getting to be quite common with us. If you are not attending, you are missing some interesting meetings. Glad to see Frank Stacey of Downers Grove, Mike Weis and Joe Tee of Westmont, on hand. Come often. But I wonder what has become of our trustees? Haven't seen them at a meeting for some time. Another one we miss is our Chaplain. How about it, Rev. Father? If it is transportation, just sing out. This meeting was made very enjoyable by a very fine brand of cigars donated to the council by P. G. K. Galvin, who is now general manager of the Suburban Ice and Fuel Co. Thanks very much.

How about some new members? Just calling your attention to the fact that the end of the fiscal year is fast approaching and if we are to make our quota, we had better get going. If you have any applications, get them in immediately. There will be an exemplification of the first and second degrees at Oak Park Council, May 26th. Let's have a representation at this class.

We welcome Rev. Fr. Stokes of Holy Trinity Parish, Westmont, into membership of our council. We hope he attends our meetings as often as possible, and we hereby delegate Ben Poff to see that he does.

Who was that prominent P.G.K. who attended the recent Derby at Louisville? The scribe knows, but won't tell.

It is with regret that we must report that Brothers Cakora, Walsh and White are still confined to hospitals. Hope these men get back into circulation soon.

Somebody made mention at the last meeting that he thought it would be a good idea to have a helper for the scribe. His idea was that the scribe could have a guest columnist once in a while. Well, now that's just fine and dandy. Here we have been yelling Help! time and again and here comes the answer to the problem. O. K. here we go. If any of you readers wish to contribute a paragraph or two to this column any week, just sit yourself down and write it and mail it to the scribe. Name and address: R. E. Powers, 512 Sherman St., Downers Grove, Ill. Make it snappy and we will see what can be done with it. Don't know what we are letting ourselves in for by doing this, but the chips are down, so go to it. Better make it good, because your name will appear on the credit line.

We have received our certificate testifying that our council is a member of the blood donor group. A nice certificate, too, made doubly so by the beautiful job of framing which was done for us by Mrs. Emil Polivka, wife of our treasurer.

The west end bowling league winds up its activities with a dinner dance next Saturday night, May 17, at the Little Bohemia on Ogden Avenue near Cass Avenue, Westmont. Tickets are available at $1.25 per person.

Now comes one of those unpleasant but necessary reminders. What about your dues? Are you paid up?

Barbecue, Oh, yes. You have heard about it, haven't you. We have disposed of 27 books so far. Our G. K. accounts for three, our D.G.K. has about five to his credit. How many can we give you credit for? Remember the goal which, in case you forget, is 100.

Loyola-H. P. Ladies Enjoyed Mother's Day Celebration to Utmost

2-4 Thurs. . . . . 7435 Cottage Grove Ave.

Last Sunday witnessed one of the most beautiful sights that the long years of celebrating Mothers' Day has seen. Into St. Clara's Church marched a contingent of our members, each of them proudly escorting his wife or mother or favorite girl friend. There they participated in the Holy Mass, and received the Holy Eucharist.

Following this, all present adjourned to the Hayes Hotel where a delicious breakfast was served, and beautiful tribute was paid to mother by our honored guest, Father Thomas Moore of St. Clara's Rectory. District Deputy Jeremiah Sheehan expressed the thoughts uppermost in everyone's heart as only Jerry can. We're sure the Mothers' were as pleased and honored as we were in having them with us. May each and every one of them return with us at the same time next year.

Calling to your attention the next meeting, Thursday, May 27, this will be on open caucus to select our leaders for the forthcoming year. This is one of the most important meetings of the year, for the men chosen will be entrusted with the Council helm for the year ahead. It is most essential that we choose wisely and consider long before the election the qualifications of these men. The caucus will start at 8:30 sharp and we need your help to ascertain the best men we can have. Refreshments will be served as usual.

Get off that chair, throw away the slippers, for from now on we want to see you guys on hand at the Ruggles Playground every Tuesday and Thursday evening at 6:30 sharp. On these nights our softball practice will be held and we want all the man power we can assemble, because this year we plan on being in the running all the way. Athletic Chairman Art Jacobs wants all of you to help him bring back the name of Loyola-Hyde Park to the peak of athletic prowess.

It's Barbecue time, and time for all you fellows to get on the beam, for we want to give the underprivileged youth of our community not a handout but a hand-up. Your efforts will be of immeasurable aid, for only by every Brother doing his part will we be able to succeed in helping our Worthy Bishop, His Excellency Bernard Sheil in his great work. So come on, put your shoulder to the wheel.

This week's puzzler: What Brother of what neighboring council, took out what brother's girl; the date being fixed up by what Grand Knight of what council.

Meet Bro. John Peter Littau, whose barber shop at 29 S. La Salle St. is patronized by all the financial wizards of the "Street."

Don't overlook the presentation of "A Night in Cuba," featuring Senor Montalbano and his Cuban Troubadors, sponsored by St. James Council, on this Saturday, May 17, at the Hayes Hotel, 64th and University Ave. at 9 p. m. The fee of $2.50 per couple covers everything, and we do mean everything. Let's see some of you there.

ETERNAL REST GIVE UNTO THESE THY SERVANTS, OH GOD

Oh, God, the Creator and Redeemer of all the faithful, give to the souls of Thy departed servants the remission of all their sins, that by the aid of pious prayer they may obtain that pardon which they have always desired through Christ, our Lord, who liveth and reigneth with Thee in the Unity of the Holy Ghost. Amen.

CHICAGO NEGRO SCHOOL OWES DEBT TO WOMAN

St. Elizabeth's grade and high school for colored children, which began in 1912 with four small classrooms in the home of the Sisters of the Blessed Sacrament for Indians and Colored People and now has an enrollment of more than 1,000, owes its existence and development to the unflagging efforts of one woman, Mrs. Elsie Shepherd. This bit of unwritten history is told by Horace Johnson, a member of St. Elizabeth's parish. When Mrs. Shepherd (then Miss Hodges) arrived here from the east, she went about having a school set up for the colored children of St. Monica's parish. At Mrs. Shepherd's suggestion, the pastor, the Rev. John S. Morris, went east and succeeded in having Mother Katherine Drexel send five of the Blessed Sacrament nuns here. Early difficulties were succeeded by steady development, which has seen St. Monica's placed under the Society of the Divine Word (1917), then added to St. Elizabeth's parish (1924). Mrs. Shepherd is still a member of the parish she helped to build.

Dowling to Take Communion This Sun. at St. Annes

2-4 Tues. . . . . 2635 S. Hoyne

On Sunday morning, May 18, our council will receive Holy Communion in a body at St. Anne's Church, 38th Place and South California Ave., at the eight o'clock Mass. The Recorder and Lecturer requests that we meet at 38th St. and California Ave. at 7:45 a. m. for the purpose of marching to the church. This is one of the greatest ways to manifest our Catholicity and also to set up an example to the younger generation in that particular locality.

The Pastor of this parish, Rev. DeCelle, is a member of our council and a real booster and our officers would like to fill the church to capacity to show our appreciation for his courtesies shown to us in the past.

Our Lecturer, Dr. Joe Laibe, has arranged for breakfast to be served in the church basement after Mass and he would like to have all the members come down for a short while after Mass and assures me that you will not be detained very long.

G. K. BARKER GIVEN HONOR

At the State Convention held Monday and Tuesday, May 5 and 6, at Aurora, Ill., our Grand Knight was honored by being given the chairmanship of the Committee on Resolutions which is one of the most important assignments of the Convention. Our State Deputy John Bolton realized the integrity and intelligence that Frank possessed and appointed him as chairman.

In response to this appointment our Grand Knight fulfilled the job in a manner that was a credit to himself and our council. He displayed his ability by making recommendations on the resolutions and in my travels around I heard many favorable comments and felt very proud to be a member of Dowling and an associate of our Grand Knight. He made many friends on his first trip and was admired by his new acquaintances and in my estimation will be looked up to in his future trips to conventions. Accompanying him were P.G.K. Ray Gerber, Earl Dunne and myself who wish to congratulate him and convey this message to you members to enlighten you to the type of men you have as officers and the manner that they represent your council at conventions.

We of Dowling wish to congratulate our State Deputy-elect Leo M. Flynn, State Sec'y-elect Ray Gleason, and the three national delegates, Bob DuMais, John Corcoran and Tom Brown, and wish them success during their regime in office.

We also wish to express our felicitations to our State Deputy and P.G.K. of our council, John F. Bolton, for the wonderful manner that he conducted this convention. To sum it all up, brothers, we should be very proud that our council took such important parts in the convention business.

Rec. Tom Gallagher and Warden Austin J. Haley made the trip and paid the delegates a visit on Monday night.

THE SOUNDING BOARD

G. K. Charles Costello and P. G. K. Jack Shealy, delegate, attended the K. C. Illinois State Convention at Aurora, Ill., last week and were attended in turn by P. G. K.'s Frank Daley and Tom Butler, who went along as observers, guides and pinochle partners. The quartet were shepherded and counseled by D. D. John McKeown, who gave a disinguished dignity to our delegation. Our congratulations and best wishes to the newly elected officers of the State Council, especially Leo M. Flynn, whose continued and loyal service to the welfare of the order in Illinois has long merited recognition.

Belated thanks to Harry Quinn for his kindness in taxicabbing ourselves, Tim Fleming and Charlie Quille home from the final night of the bowling season. A full house he had, no less.

In case some one is curious, the bowling banquet was held at the palatial establishment of Frank Hayes and it was a grand dinner. He cooked it all himself, he says.

It isn't what the newepapers tell us that we like to know so much as the facts they do not tell us. The latter are probably much more interesting. G'bye.

ST. PAUL EXPECTS 100 GUESTS AT TEE PARTY

1-3 Tues. . . . . 6713 Olmsted Ave.

It's time we got to telling you the details of our annual spring golf tournament because there remains but one week to the date when we hope you will join your brothers in a day of festivities at Techny Fields. Let me again remind you that it is the hope of the committee to really make this a Century tournament. By that we mean we hope to have at least 100 members and their friends chalked up on the score sheet. So, you see, we are counting on each of you to help make that mark.

Remember, the Alderman Wm. J. Cowhey trophy will be on the shelf again at this event waiting for some one of you golfers to claim it for another year. Possession of it will be yours if you come in with the low gross score, limited to council members only.

CALL FOR "GOOD" GOLFERS

Now we know that our council boasts of good bowlers, promising softball players and men who excel in other sports, but, sorry to say, thus far we can boast of less than a dozen expert golfers. This would seem to indicate that less than a dozen of the members of the council have a ghost of a chance to take home that trophy, for which we are truly sorry. However, one of our members, who is known to speak for the so-called "underdogs" in any sport and particularly the sport of bowling, has done considerable worrying about this fact. And this year he is doing something about it.

Yes, sir, this year, thanks to our past Grand Knight and State Secretary-elect, there will be placed in competition a "good fellowship trophy," to be known as the Raymond F. Gleason trophy. The exact terms and conditions under which this trophy will be claimed for the first year will be announced at the banquet in the evening, but generally speaking, it will be a sort of "out of the bag" victory, so that every member has the same opportunity to be its proud possessor.

PRIZES WELCOME

The committee will receive, with thanks, any donations toward or in the form of a prize for this tournament. You can give anything that will be suitable for the occasion, the only stipulation being that the article shall be worth not less than 50 cents at retail. We ask, too, so that we may have some idea of where we stand on the prize situation, that donors report to H. S. Happ or ye scribe that they will be on the contributors' list, or better yet, see that the contribution is placed in their hands at the earli portunity.

The cost of the day's outing $2.75 per person, which will incl day golf and the banquet in the Luncheon and refreshments will your own. Golfing only will b Dinner only will be $1.50, due to vancing costs of victuals, labor an head. This year, inasmuch as the guests aren't interested in golf, eliminating them from the list drawing of prizes, thereby also inating them from the usual "kit tribution" for prizes usually incl the cost.

Al. Bernert has agreed to be with his camera to enable the go study their form (in slow motic thereby help improve their game

So that's the story, boys, and it has been sufficiently interesting to make you come out on Sunda 25. We most sincerely hope to there. All that we are waiting week from Sunday, the sunshi YOU.

Council Leaders Push Barbecue

Typical of the enthusiastic response being accorded by the various councils to the current Barbecue campaign is the turnout of council leaders pictured above, that gathered at the home of District Chairman, Marco De Stefano, to go over details of the great charity drive.

In addition to the hundred percent representation of council officers there were on hand, seated from left, General Secretary James B. Carney, State Deputy-elect, Leo M. Flynn, Dist. Chairman, Marco De Stefano, Gen. Chairman, Ludwig Streck and Supreme Director, Michael J. Howlett.

Councils Gird for Intensification of Barbecue Efforts in Remaining Weeks

Practically every council in the Chicago area this week is completing a quick survey of its attainments in the current campaign to promote the Fourth Annual Knights of Columbus Berbecue, which will be held at Riverview Park on Wednesday, June 18. The surveys, expected to bare any weak spots in the country-wide drive to provide funds for Bishop Sheil's Underprivileged Youth work, will precede the general re-intensification of council efforts that is anticipated during the remaining three weeks of the campaign.

District Chairmen serving on the executive committee under General Chairman Ludwig A. Streck, have met with the various council chairmen in each section of the city during the past few weeks. They report a decided advancement of individual council attainments over the schedules of the three previous annual affairs, and look forward to a decided increase in the results of the current campaign.

Early Returns Stressed

Last Monday evening, District Chairman George Bamber presided at an enthusiastic gathering of officers from the councils in section number two. Representatives from Americus, Commodore Barry, Feehan, Hennepin-Shields, Hildebrand, Hughes, Phil Sheridan, St. Francis and St. Patrick's Councils were on hand in addition to several members of the general barbecue committee.

One point that has received particular stress at each of the sectional gatherings and that, it is felt, should be brought home to the general membership, is the necessity for each member to make his individual report to the responsible council officer as early as possible. The submission of returns at an early date will considerably lessen the amount of detail that is expected to jam the barbecue headquarters as the campaign nears its close.

Objectives of Program

An extra incentive for additional barbecue efforts was felt during the last few weeks, as the city and nation met in two great testimonials honoring Bishop Sheil and the tenth anniversary of his now world-famous youth program.

In paying tribute to Bishop Sheil and his accomplishments, many of the speakers stressed the well rounded and comprehensive aspects of the program he has developed to keep

SCRIBE'S NOTICE

Early Deadline Next Week

Because of the Memorial Day holiday next Friday, May 30, The Columbian will have to go to press one day early, and therefore move the regular deadline to Monday evening, May 26.

All scribes are urged to submit their Council copy as far in advance of the Monday deadline next week as is possible. Copy mailed late Sunday should be by special delivery in order to assure the least delay.

Your co-operation in submitting all material at the earliest possible date will be greatly appreciated.

Knights Will Aid Drive to Assist Men in Service

Campaign to Provide Recreational Centers for Men in Service Will Open June 5

Members of the Knights of Columbus will unite with other Catholic laymen throughout the Chicago archdiocese on June 5 to launch the United Service Organization's campaign to establish recreational and religious centers adjacent to military camps and naval bases throughout the United States.

The campaign quota for the Chicago district has been set at $679,500. Funds raised in the public campaign will enable U. S. O. to maintain 360 service units which will be operated in behalf of the 1,500,000 men now in military encampments.

Six great national agencies, experienced in the type of work to be undertaken, are co-operating in the U.S. O. program at the request of the Government. In this effort the National Catholic Community Service will act jointly with the YMCA, the Jewish Welfare Board, the YWCA, the Salvation Army and the National Travelers Aid Association.

Because of the efforts of Catholic laymen during the formation of U.S. O., Catholic boys in the service will be assured of Catholic religious counsel and guidance whenever they visit a clubhouse in the communities nearest their reservation.

Father O'Connor Heads Chicago Unit

In explaining the necessity of U.S. O. and tis program, Rev. William O'Conner, a member of the U.S.O. board of directors in Chicago, said, "The Government, through its officers in the Army and Navy, is capable of caring for men in the service while they are on the reservation. Morale in all camps is high.

"However, when the soldier or sailor leaves the encampment for the week-end or other leisure time, the officers cannot be expected to guide the way and see that he meets wholesome recreation. Many of these men are young; they are away from home for the first time. For that reason the Government has asked U.S.O. to take over the tremendous responsibility of providing adequate centers where men of our armed forces will find suitable facilities when they leave camp for a stay in the nearest community."

MEMORIAL MASS TO BE SUNG FOR ORDER'S DEAD

Following the custom of other years, the Illinois State Council has again provided for the celebration of a solemn high mass on Memorial Day, May 30, in honor of the departed members of the order. The requiem mass for the Chicago members will be sung at Old St. Mary's Church here at 11 next Friday morning.

Arrangements have also been made for the celebration of a requqiem mass in each of the See cities of the doiceses in Illinois. Besides Chicago these include Springfield, Peoria, Rockford and Belleville.

KETTELER BOWLERS TO BE FETED NEXT MON.

2-4 Mon. . . . . 3437 Ogden Avenue.

Bowler's Night! To them is dedicated the next meeting of ours, because to them the council is greatly indebted for the prestige and glory they have brought to us. Their egorts are richly deserving of the honor and no effort has been spared to make this a gala evening.

Amongst the bowlers we have the National Singles Champion in the person of Bro. Wally Wisniewski, as well as the runners up in the five-man events at Indianapolis. It is to do these men honor that we set aside this night and we hope that all who can will join us on this occasion.

There will be fitting entertainment on this evening, plenty of refreshments and food and our Worthy Lecturer promises that quite a few baskets of groceries will also be given away. As soon as the regular business of the council is disposed of. You may have your non-member friends join with us in celebrating the event.

The bowlers particularly, are requested to be present, for the awards made by the National K. of C. Bowling Assn. will be distributed.

ATHLETICS

Our softball team is still hard at it, practicing diligently every Tuesday and Thursday evenings at Douglas Park. Bro. Eddie Wenckowski, Chairman of Athletics, would like to see a few more recruits for his team on these evenings. Any brother desiring to try for a berth on the team will be given every consideration. Just report for practice on any of the above evenings.

BARBECUE

Barely more than three weeks remain during which you can dispose of your barbecue books. As an incentive for early returns, the Barbecue Committee will give every member who has turned in a completed book by next Monday night, an exceedingly handsome gift. In other words, Bro. Jos. Milas, Chairman of the Committee is leaving no room for excuses. He himself has broken all records and his only plea at this time is that each member do his individual best. Give him the co-operation he deserves and give the Underprivileged Youth a break.

CABARET PARTY

Our last Cabaret Party and Dance was such a huge success socially that there has been an insistent demand for another. All right, it's a date—June 7, at the Lawndale Hall under the auspices of the Ketteler L.G.A. club. Like the other party, it will be held on a Saturday night, and your admission charge will entitle you to all you can drink and eat. The tickets, as previously will sell for one dollar. To those who did not attend the last affair we extend an especial invitation to join with us this time in a general all-around good time.

DUES

The books of our Financial Secretary are now being audited by an agent of the Supreme Office. If you are in arrears, make an effort to straighten your accounts at our next meeting or mail your remittance to Bro. Frank Estes, whose address is 1925 S. Troy Street.

Incidentally, if any brother knows the present address of Bro. Frank S. Krush, formerly of 2157 W. 22nd Place, kindly inform Bro. Estis immediately. This is an important matter.

Also, Bro. Estis has numerous insurance policies on hand which he would be very pleased to hand to their respective owners, if only they would call for them.

SURPRISE

Bro. Walter Machiewicz and Mrs. Machiewicz celebrated their silver wedding anniversary on May 16 or at least he thought he did. It wasn't until the next day that he realized how high he stood in the esteem of his fellow men when they surprised him with a huge celebration in his and his wife's honor. Many members of Ketteler Council were present to congratulate him, and from the rest of us comes sincere congratulations and may you and Mrs. Machiewicz live many, many years.

Little did we realize that when Father Makaras attended our last meeting that he would be forced to take to his bed with an attack, of all things, the measles. And on the eve of his new appointment too. We all join in wishing Father Makaras a speedy recovery.

CONDOLENCES

Last week we were very much saddened and shocked to hear of the death of Mrs. Frank Weichbrod, wife of our Past Grand Knight and present chairman of Catholic Action. Quite a few members, accompanied by Father McCoy of St. Paul's Church paid their last respects at her bier and there offered their prayers. Every member of our council will fervently pray that God will grant her eternal happiness with Him as her richly deserved reward for a life well spent.

Don't forget the early (Monday evening, May 26) deadline next week.

Lay Plans for All-State Golf Meet

Although not pictured above with the committee members of the 14th Annual K. of C. All-State Golf Tournament that is to be held at Olympia Fields here, June 25, even the weatherman is working to make the event the highlight of the Order's summer activity.

Represented above standing, from left to right, are Marco De Stefano, Alex Sullivan, Judge J. F. O'Connell and Ed Lavin.

Thomas D. Griffin, chairman of the K. C. Athletic Commission, seated left, and Theodore Cornell, look over a portion of the long list of trophies and other special awards that are to be provided for the tournament guests.

Ravenswood Calls for Doubling of Efforts in Barbecue Campaign

1-3 Wed. . . . . 1521 Wilson Ave.

There's not much to write about this week, but next week there ought to be quite a bit of news, especially since Ravenswood is to be host to other councils of our district in administering the First and Second Degrees. Your writer hopes that most of our members were able to attend and to lend their moral support to the degree team and the candidates.

The time has now been reached for us to "get on the ball" with our barbecue campaign. We made a pretty good showing last year, better than the year before, so let's see how much of a gain we can show over last year.

There has been no news from the Hoylers. Is this little fun, frolic, chance and small gain outfit still operating? It is our understanding that the Friday night "Fish Fry Club" is still making the rounds, so perhaps the Hoylers' "franchise" has been taken over by them.

Isn't it about time for us to hear of a few of the boys making ready to trek north for a little fishing? One of these days we may hear that Fireman Joe Grady is Wisconsin bound to wage war on the little residents of the water.

Hope we hear soon from some of the boys who have been very much "not around." Next week your columnist will strive to "get on the ball" for you.

Capacity Attendance Marks Popularity of Latest Assembly Party

The 1941 edition of the Theatre and Supper Party sponsored annually (this year on Wednesday, May 14th) by La Salle General Assembly, Fourth Degree, was voted "best ever" by the capacity crowd of Sir Knights, their ladies and guests who attended.

Some five hundred of them "sat in" on the performance of "My Sister Eileen" early in the evening at the Harris Theatre and laughed uproariously at one of the most amusing comedies presented to Chicago audiences this season.

An additional three hundred greeted the theatre-goers when they arrived at the College Inn after the show. Every available table at the popular night-spot had been reserved several days in advance. The Hotel Sherman chefs had prepared a tasty midnight supper which was relished by all. Dancing and an excellent floor show occupied the merrymakers into the early hours of the morning.

The story is told that a beautiful lady once laughingly remarked to the famous painter, Van Gogh, that she would like to have one of his ears for a souvenir. The legend relates that the artist immediately took out his sword, amputated the member, and presented it to his admirer.

University's Softball Squad Starts Season with Bright Prospect

2-4 Tues. . . . St. Ignatius Auditorium

Manager Jim Kane has been giving his softball squad grueling workouts each Sunday. He believes, however, that there is hidden talent in the Council and would be glad to have these unsung heroes out next Sunday at Legion Park, Peterson Road and the canal, at 10:30, to show up some of the squad who only talk a good game.

The K. of C. League season starts on Thursday, May 29th, so Jim is anxious to get a pennant-winning combination together by that time.

COUNCIL SOCIALS

Apparently our socially inclined members didn't believe G.K. Murtaugh could whip up a good party on short notice, so many of them failed to show up last Saturday. Those who attended, however, report a wonderful time and are ready for another any time Tim says the word.

LOYOLA COMMUNITY Theatre was filled to capacity last Tuesday night to celebrate the Golden Jubilee of Rev. F. G. Dinneen, S.J., our former chaplain, and the pastor of St. Ignatius Church. At least a hundred members of the council were noted in the audience and the whole celebration took on the nature of a major University Council festivity.

The chairman of the evening was Peter Angsten, one of our oldest and most valued members. The speakers included Brother Bill Madden, Director of the Loyola Community Theatre, John C. Hayes, Jr., (who, we hope, will soon take the place left by his father in the Council), and the wife of the Scribe. Rev. Daniel Lord, S.J., was an added attraction, having stayed over after preaching the jubilee sermon at the solemn Mass, to give Father Dinneen and his people an additional treat.

Musical numbers of the evening were given by the boys' choir under the direction of Rev. Raymond Bellock, S.J., and they repeated the successful performance given at one of our recent meetings. Also we were favored by selections by Professor Stephen Erst's senior choir and a solo in tableau "Ave Marie" sung by a most talented young lady of St. Ignatius Grade School. Father Dinneen has promised to come up to our next meeting when we shall hold our own private celebration for him.

PERSONALITIES

Our member, Father Joseph Garrity, Pastor of St. Athanasius Church, Waukegan, has been appointed by Archbishop Stritch as a member of the important archdiocesan committee for the National Catholic Community Service Council, which has charge of the social, cultural and religious activities among the armed forces of the United States.

Ed Dillon, our popular Financial Secretary, is now a member of the staff of County Auditor Lee J. Howard, C.P.A. Mr. Howard is to be congratulated on securing the services of so capable an accountant as our Ed.

Don't forget the early (Monday evening, May 26) deadline next week.

Ouilmette Calls for Recruits to Join Up with Baseball Team

2-4 Mon. . . . . 1217 Wilmette Ave.

Harrison A. Sieven, manager of the council baseball team, has issued a call for players. All Brother Knights interested are urged to report to Brother Sieven, who has always given his time, effort, knowledge, experience and financial assistance to help Ouilmette's baseball team to make a good showing in the league standings and in good sportsmanship.

Brother Sieven led the council teams to three championships in the K. of C. North Shore league when that division was still functioning. When the North Shore division was discontinued the team entered the North Side division and was close to the top each year. All Brothers of Ouilmette Council who do not intend to play on the team should make a special effort to become real Ouilmette boosters by attending the games and giving the players their oral as well as moral support. Watch this column and your meeting notices for further information.

You can also get more "unprintable" inside information if you would attend the next meeting on May 26. We still meet at 1217 Wilmette Avenue, Wilmette, on the 2nd and 4th Mondays.

Did you know that Bros. Al Schafer, Carl Schwall and Gino Matteoni have new cars? Bro. Al passed your scribe Sunday morning while going to eight o'clock mass. Brother Carl Schwall has a new Pontiac, which we understand he purchased through Bro. John Froelich. Bro. Matteoni has a Dodge and from the looks of the car he must have sold many a good meal in his restaurant on Elm street in Winnetka.

Congratulations to Mrs. George E. White for looking so well even after 30 years of married life with our Deputy Grand Knight George E. White. To Brother George we wish that his luck continues and has Mrs. White at his side to guide him for many more years.

Heard that Bro. Joe Lynam is back in town. Hope he attends the next meeting and tells us of his winter in the Southland, where the grass is green, fruit is ripe, and the people hospitable enough to let Bro. Lynam stay as long as he did.

Don't forget the meeting, Monday night. Lots of applications, business, refreshments and inside dope on council activities.

ED MURPHY

The Coats - $12.50

Best way to shake all cares — stake a claim on some South Sea island. Second best — slide into one of these free-and-easy Sportsters, and start enjoying life right here at home. There's something about their vigorous broad shoulders, their comfortable drape, that puts new bounce into your step. Not only for week-ends, either. This year, your sports outfit goes to town for business wear — if you play it safe with the right fabrics, correct patterns. Like these Bond Camel Tones, Donegal Tweeds, Sedan Shetlands. *Who said $20.00?* Bond's price is *only $12.50!*

The Slacks - $6.50

Laid end-to-end, this stack of slacks would reach from here to Zanzibar. And they've given us less than 3 inches to tell you about 'em. The line-up of patterns only would cover more space than this. You've probably never seen such variety under one roof. In crisp *Gabardine,* smooth *Flannel,* sporty *Bedford Cord,* brisk *Covert.* Shucks, we can't do them justice this way. You'll simply have to get your own "eye-full" — to fully appreciate what a bang-up job only $6.50 will do *— at Bond's!*

CHICAGO, MAY 23, 1941 — 100

To Which Party?

"Consider the lilies of the field, they work not, neither do they spin, yet Solomon in all his glory was not arrayed as one of these." Thus it was that the Blessed Christ defined the being of each one of His creatures—the fulfillment of the end of creation.

If current events are to be interpreted literally it is a certainty that man, the most intelligent of all creatures, is decidedly out of step with the plan of creation. Man has repudiated his part in this plan and has substituted a godless one of his own which has resulted in a threat to society and civilization.

The house of human relations has never been more divided. Self-aggrandized leaders are attempting by falsehood and deceit to seek a temporal utopia that can only result in destruction. The hopes of dictators whose persuasion is based on force can, at best, become a temporary victory since these men are openly opposed to the Divine Plan. The Redeemer has pointed the way—the taking of the cross instead of the sword. His conquest is one of construction, not destruction—the reward is eternal life—not death.

What then do we find—"one fold and one Shepherd?" To the contrary, the evil camps of racism, statism and classism, all bereft of Divine inspiration, are alligned against one another in a bitter struggle toward annihilation.

Where do we as Catholics stand? In which camp do we belong? To which party do we bear allegiance? The vital question of the day is a choice between God and Mammon. The great spiritual armies of Christ—those almost unseen, unheard legions—are all around us. They are composed of God-fearing souls who would see the Kingdom of God established on earth. Every Catholic owes it to his God, his neighbor and himself to be identified with one of the militant forces of Holy Mother Church.

For men there is no better spiritual organization than the Nocturnal Adoration Society. On the last Saturday night of each month, nearly a thousand men gather in Notre Dame Church, 1335 West Harrison street, to spend an hour in adoration with the Maker of us all. No racism, statism or classism has place here, for in the Divine Plan all are on an equal footing.

An invitation is extended to all Knights of Columbus and their friends to take part in the next Nocturnal Holy Hour at 11:15 p. m. on Saturday, May 31st. Such intimate contact with the Eucharistic Christ will supply the courage, hope and perseverance so essential in these dark and threatening days.

Two contrary laws stand today opposed; one a law of blood and death, which, inventing daily new means of combat, obliges the nations to be ever prepared for battle; the other a law of peace, of labor, of salvation, which strives to deliver man from the scourges which assail him. One looks only for violent conquest; the other for the relief of suffering humanity. The one would sacrifice hundreds of thousands of lives to the ambition of a single individual; the other places a single human life above all victories. The law of which we are the instruments essays even in the midst of carnage to heal the wounds caused by the law of war.—Louis Pasteur, at the opening of Pasteur Institute.

* * *

What is the law of nature? Is it to know that my security and that of my family, all my amusements and pleasures, are purchased at the expense of misery, deprivation, and suffering to thousands of human beings—by the terror of the gallows; by the misfortune of thousands stifling within prison walls; by the fears inspired by millions of soldiers and guardians of civilization, torn from their homes and besotted by discipline, to protect our pleasures with loaded revolvers against the possible interference of the famishing! Is it to purchase every fragment of bread that I put in my mouth and the mouths of my children by the numberless privations that are necessary to procure my abundance? Or is it to be certain that my piece of bread only belongs to me when I know that every one else has a share, and that no one starves while I eat?—Leo Tolstoy.

NAZARETH URGES MORE CATHOLIC ACTION WORK

2-4 Tues. . . . 17 W. Harris, La Grange

This is one of those weeks when ye scribe wishes he had a flock of friends who would come to the rescue. The reason? No news. Doesn't anything happen to anybody in this council? If it does, it certainly is being kept quiet.

We have often wondered just how many brothers of our council are active members of the Holy Name Society. How about you, mister? You're not? Well, why not?

We have heard of men refusing to join a parish branch because they did not like the officers. How utterly ridiculous. When a man adopts this attitude he is hurting no one but himself. Come on, now, men, let's not overlook this opportunity to belong to a real Catholic organization. Get in touch with your pastor or one of the officers of your local branch and get your name on the books.

We have wondered at times just what disposition is made of the Catholic literature which you receive at your home. Does it go into the waste basket after you have read it? Why not let some one else less fortunate in on it? Don't throw them away after you have read them, save them and get in touch with Bro. Emil Polivka, who will see that they are placed in the proper hands.

Your G. K., scribe and several others recently received an invitation from those live wires of St. Anthony de Padua Council to join in an open house. Mr. and Mrs. Scribe promised to attend but on that night the bowling league of which Mrs. Scribe is a member held its annual dinner at one of the local Downers Grove golf clubs. During said dinner one of those vicious summer storms broke loose. Result, the girls were marooned and couldn't get home. Mrs. Scribe had the family jallopy, so we were stranded, too. All this by way of apology to our G. K. for our failure to attend.

Our council bowling league held its annual dinner recently which was a great success despite the fact that the boys and girls had to adjourn from the designated spot to one more congenial due to some unforeseen and unfortunate circumstances. If you want to hear the details of this, we suggest you ask some of the bowlers. Despite this incident, a rollicking time was had.

On Sunday, May 25, the shrine and grotto at Our Lady of Bethlehem Academy at La Grange will be dedicated. Our beloved Bishop Sheil will celebrate the mass at the academy Sunday morning and the Rev. Wm. J. O'Brien will officiate at the dedication ceremonies. It is hoped that our council will have a representative turnout present at these ceremonies.

What about your financial standing with the council, men? Are you up to date and in good standing? If not, let this be a reminder to you.

Remember your financial secretary is bound by the rules of the order to suspend those in arrears. It is not that he delights in doing this. Far from it, but he has no latitude in the matter. Better check up now and see how you stand.

We have mentioned before in each issue the subject of the Bishop Sheil barbecue. How about it now? Just what are you doing? We mean you, not the other fellow. Remember the cause and remember our goal this year. Let's not fail. If you have completed a book, see the financial secretary immediately.

PAPAL SCHOLARS PLEASED WITH BIBLE REVISION

Kansas City.—Congratulations on the completion of the revised New Testament have been received from the Pontifical Biblical commission by the Most Rev. Edwin V. O'Hara, Bishop of Kansas City, in a cablegram from the Rev. J. M. Voste, O.P., secretary of the Biblical commission.

The text of the cablegram from Rome is as follows: "Best congratulations on completion of revised New Testament and establishment of May 18 as Biblical Sunday for its distribution through national headquarters of Holy Name society. Excellent idea to place New Testament in every Catholic home."

Letters of approval for the new translation have also been received by Bishop O'Hara from the editorial board of the Catholic Biblical Association of America and from the official censors appointed at the Catholic University of America appointed to examine the theological soundness of the revised Testament.

ATTENTION, INSURANCE MEMBERS!

Several field agents are needed in the Order's insurance division. Only members in good standing are eligible. If interested contact General Agent Joseph J. Tushaus, Room 1105, 173 W. Madison St., Franklin 4865.

The Knights of Columbus through out the United States carried out a suc cessful campaign for the purpose o having Oct. 12, the day upon which Christopher Columbus landed at San Salvador, thus becoming the discoverer of the Western Continent, made a lega holiday in the several states. Beginning with the proposal of Anthony Czarnecki, of General James Shields Council, and spreading to other coun cils and to the Chicago Chapter and the State Council itself, the movement was set on foot in Illinois, with the result that the legislature passed an act which was approved by the governor on May 10, 1909, making Oct. 12 a state holiday.

Religion Is Force in Work

"Bishop Sheil's program," one banquet speaker stated, "has as its main objective the instillation in the American youth, love of God and respect for Country. This is accomplished by means of a comprehensive parochial and diocesan program of religious, educational, recreational and social service activities.

"The immedaite aim of the program is to keep young people learning, during that period when their minds demand exercise, and to keep them working and playing within the influence of their parish priests, in the hope that personal association of this nature during a boy's and girl's formative years will help them to live a true Christian and democratic life."

Don't forget the early (Monday evening, May 26) deadline next week.

In the WAKE of the NEWS

BY ARCH WARD.

IN the hectic years after the last world war, crime in Chicago began to take its toll of the city's youth, with the result that scores of young men found themselves within the gray walls of the old Cook county jail on Chicago's near north side. . . . A majority were transferred to penitentiaries and reformatories. . . . A minority never left the building alive. . . . Their last steps were thru death row to the gallows. . . . An eye witness to the imprisonment of many of these young men, the meting out of capital punishment to others, was the chaplain of the Cook county jail, a young priest stationed at nearby Holy Name cathedral on North State street. . . . He was the Rev. Bernard J. Sheil. . . . The fate of these unfortunte youths and the reason for it soon became the dominant problem in Father Sheil's mind and he wrestled with it constantly. . . . He eventually came to the conclusion that there are no born criminals. . . . He became convinced that boys and young men acquire criminal tendencies as a result of suppression of their natural wants and desires. . . . Environment, not heredity, was the original source of delinquency and crime. . . . How would he combat a situation which was natural enough in one of the world's greatest cities, a community of more than 3,500,000? . . . As a boy, Father Sheil was known as Benny Sheil in old St. Columbkille's parish on Chicago's congested west side. . . . He was regarded as one of the best all-around athletes in the neighborhood. . . . His love of sport was realized in a successful career at St. Viator college in Bourbonnais, Ill. . . . The climax of his athletic days was his pitching of a no hit game against Illinois, then of the Western conference, and losing it, 1 to 0, on a throw from the outfield over the catcher's head. . . . However, the new game in which he found himself was not Benny Sheil against Illinois. . . . It required swifter pitching and young Father Sheil knew it all too well after his experiences as jail chaplain. . . . The most logical campaign to a man whose boyhood had been spent in normal, healthy activity was a recreational program which would interest not only the "good boys" but also those who might go bad. . . . That idea remained in Father Sheil's mind the next 10 years while he progressed thru a number of important posts in the world's greatest archdiocese until he finally became the senior auxiliary bishop. . . . He followed with remarkable interest the development of Golden Gloves and other youth activities. . . . Out of his observations and determination to aid underprivileged youth came in 1930 one of the most remarkable developments in modern life—the Catholic Youth Organization, which has been the inspiration for affiliated programs in more than 70 other dioceses thruout the United States. . . .

Bishop B. J. Sheil.

This week-end Chicago and the nation will pay tribute to a great American upon the completion of 10 years of service in the cause of youth. . . . There will be a banquet at the Stevens hotel Thursday night which will be attended by 1,500 men and women happy to have the opportunity to give Bishop Sheil some tangible expression of their appreciation of his efforts. . . . On Saturday night at the International Amphitheater thousands of young people will have their chance to share in the celebration. . . . Stars of stage and screen, some of whom are coming from Hollywood, will have a part in the festival. . . . The White House will send a representative to the dinner Thursday night. . . . Most significant, however, will be the presence at the speaker's table of Bishop Ernest Waldorf of the Methodist church, who was something of a ball player himself; Bishop Wallace Edmonds of the Episcopalian church, and Rabbi Louis L. Mann. . . . Only in America and quite likely only in Chicago, could such a gathering as you will see at the Stevens Thursday night take place.

Dowling's Fourth Degree Club Will Hold Dance Sat.

2-4 Tues. . . . . 3625 So. Hoyne

Next Saturday evening, May 24, our Patriotic Club, composed of members of the Fourth degree, will hold a May Party and Dellar Dance at the Stock Yards Inn, 42nd and So. Halsted St. This club has supported us in all our affairs and now merits the cooperation of the Third degree members.

Bro. Martin Deiterick is chairman of the committee and has planned a very elaborate evening consisting of entertainment and refreshments all for the reasonable price of $1.00 per person. Our D.G.K. John Deschner is President of the Club and this is his first party. He solicits your support. Tickets can be purchased from members or at the door.

COUNCIL ACTIVITY

Our membership drive is on and we must have 90 applicants by June 30 to meet our quota. Won't you help by turning in one application?

BARBECUE—The time is coming close and our committee chairman, Harry Lorden, is anxious to make a check on progress and would appreciate your cooperation by an early report from the members. Let's get busy and make this affair the biggest success of all. Harry Lorden's address is 3350 S. Paulina St.

GOLF—The committee is arranging for our Grand Knight Frank Barker day to be held at Evergreen Country Club, 92nd and So. Western Ave. We picked this location in order that the members and their ladies that do not golf can come out for the dinner and dance in the evening. The committee consists of P.G.K. Earl Dunne, Dr. J. E. Laibe, Geo. Connelley, Sr., Martin Cody, Mike Carroll, Harry Lorden, P.G.K. Ray Gerber, John Deschner and John O'Rourke.

Our Chaplain, Father Wunder, is celebrating his silver jubilee of his ordination on June 19. He came to St. Maurice's Parish as Pastor and soon became one of our best boosters and is now very active in council affairs. The Holy Name Society of his parish in conjunction with various church organizations are making plans to pay him honor and a committee was appointed by our Grand Knight for our participation. We are very happy and proud to share in this opportunity to express our congratulations to him.

NOTES

John Richardson, formerly of Pershing Road and a member known to most of the brothers, was united in Holy Matrimony with Miss Margaret Kelly on April 26 at Holy Ghost Church. They spent their honeymoon in the Ozarks. We wish them many years of happy and prospsrous wedded life.

Softball Chairman Martin Kenny, Jr., has issued a call for material to represent our council in the K. C. League. Practice sessions, to which all are welcome, will be held at diamond No. 1, McKinley Park, each Sunday at 11 o'clock.

P.G.K. Earl Dunne presented his champs in the bowling league with a beautiful leather billfold with name inscribed. He also included league President Lorden and Secretary Hartnett. This was a very kind deed and his team really appreciated his gift.

J. P. O'Donnell, 3522 S. Hermitage Ave., was with us last Sunday at our annual Communion. He has been among the missing for some time, and we were glad to see him. About 330 members attended the Communion service and most of them remained for breakfast.

Gust Laga, one of the oldtime members, is very sick at his home, 3748 S. Honore St. Bro. Anthony Buska, of 6334 S. Keeler Ave. is the proud dad of a tiny baby girl. She was born at the Little Company of Mary Hospital on May 7. Mother and baby are both doing fine.

Bro. Leslie Cahill will be married to Miss Margaret Patricia Burns on Saturday, May 24, at 11:00 Mass at St. Agnes Church. Bro. Cahill has many relatives in Dowling Council and the entire membership extends congratulations.

SICK AND CONDOLENCES

Our Past Chaplain Father Micheal J. Kilbride underwent a major operation last week at the Holy Cross Hospital. He is recuperating very nicely and expects to be up and around this week. Many of our members paid Father a visit.

Mrs. Dunne, the mother of our P.G.K. Earl Dunne, is still very ill at her home.

We were glad to see our popular member, Clement Fralley, up at our last meeting after a long illness. We wish these friends a speedy recovery.

Bro. Henry Boyd, Sr., a past officer of our council, was buried last Wednesday. He was an honorary member and was known by most of the oldtimers. We extend our sympathy to his family and pray for the repose of his soul.

Neri Plans Memorial Service for Departed Members Next Tues.

1-3 Tues. . . . . 7515 Yates Ave.

Next Tuesday evening, May 27, St. Philip Neri Council will hold its annual Memorial Service for departed members. Chairman George Stanley Reig has arranged a most appropriate program for this occasion and it is sincerely hoped that all the men of the council will be on hand. The ceremony will start promptly at 8:30 and will not be lengthy.

The K. C. Softball League will swing into action in another couple of weeks and any member wishing to play with the council team should report for practice without delay. There are a number of vacancies on the team and the manager will be glad to have you. The team practices at 76th lakefront every Thursday evening, 6:45.

BARBECUE

Financial Secretary Henry Doolin requests that those members who have empty Barbecue books make their returns to him at the earliest possible date.

The final standings in the St. Bride's Bowling League show Neri's entry holding down third place. The boys making up the team were Edgar Bourke, Herman Sumner, John Melchior, Emmett McDonald and Henry Doolin. Edgar Bourke finished high man on the squad with a 165 average.

Americus Meets Next Tuesday to Nominate Officers for New Year

2-4 Tues. . . . . 3350 W. Jackson Blvd.

The matter of most importance at this writing is the nomination of officers to assume charge of Americus Council business and social affairs for the forthcoming year.

We sincerely hope that all members will take full cognizance of the fact that nomination and election of officers is not the business or pleasure of a few, or even a majority of the members. This is a matter vitally important to everyone. A full representation of our membership, voicing their individual opinions and helping to select those most capable and by their past efforts most deserving, is the most satisfactory manner of deciding this important issue.

Please make a special effort to attend this meeting on Tuesday evening, May 27.

SCHOLARSHIP

All grade school graduates who are sons or brothers of members are kindly requested to appear at St. Philip's High School building at 10:00 o'clock on Saturday morning, May 24th to compete for the scholarship offered by the council.

SOFTBALL — Members desirous of qualifying for the softball team this year are requested to be at the playgrounds at Albany and Van Buren Streets on Tuesday evenings at seven o'clock.

BOWLING—The team representing our council in the I. B. A. meet at Windy City alleys last Tuesday evening consisted of Harry Ryan, Joe McGuire, Fred Scott, Bill Costello, and Archie Corso, with two alternates. Particulars will be furnished in next week's writeup.

MISCELLANEOUS MUSINGS

Trustee John O'Brien's entrancing personage graces the entrance to his magnificent mortuary, constantly awaiting Americus Council members . . . to come in and pay for the Barbecue books . . . and for Cornwall Post delinquents (they have 'em too) to come in with their 1940-41 Legion dues.

We are glad to be able to report that the infant son of Bob Eichstadt is well on the road to recovery following a recent serious operation. The mother of Steve and Larry Ginocchio has been seriously ill. Frieda Joyce is slowly improving. Your prayers will be helpful in effecting a speedy recovery.

Bill Leahy is taking the fatal leap on Saturday, May 24th, and Ed Fortier assumes the shackles on the 31st. Two of the most beautiful flowers that bloom on the West Side are the lucky ladies. Good luck, boys and girls!

The Military Novena at Our Lady of Sorrows Church on Friday evening, May 30th, is destined to be the most impressive affair of this nature ever undertaken. Cornwall Post, consisting largely of our members, is taking the lead part.

Going through the cards collected at our Communion Mass discloses more of the old timers who were in attendance: Bernard L. Cruise, Ed Welsh, Walter McMahon, Oscar Brouillet, Peter Joyce, Henry Ryan, Ralph Dinges, Ed Langer, Richard Burns, Felix Tomei, Pat Corbray, Ed Denkenwalter, Mike Walsh, John Lang, Henry Schroeder, Joe Crawford, John Fenolia, Patrick Wiley, Thomas Cassidy, Dr. Thomas McCarthy, Roger Scott, Frank McCorry, William Owens, and Peter W. Hayes.

Stepping in out of the rain to escape getting wet is the height of futility, if John Kennan and Jack Tully happen to be inside. Those kids are bad medicine for an old soldier.

May we remind you again . . . nomination of officers on Tuesday evening, May 27th. Your presence will be much appreciated by everyone.

Don't forget your assessments and dues. This last line is just for a select few.

St. Francis Lists Popular Program for Sat. Evening

2-4 Thurs. . . . . 4711 W. Madison

St. Francis Xavier Council members will hold a return engagement at San Callistus Church Hall, tomorrow night, Saturday, May 24, when they present one of their most popular programs—Ladies' Night. All members, their wives, sweethearts, etc., are invited to attend.

The committee, under the leadership of P.G.K. Joseph Defily, has arranged a bill of fare for the evening that includes dancing, entertainment, prizes and refreshments, Everything is free. The hall is located at 2189 Dekalb street, near Taylor and Leavitt streets.

MEMBERSHIP

Membership chairman, D.G.K. Salvatore Cirrintano reminds us that we have only one more month to reach the Century Club. To attain that goal, we must turn in about thirty applications by June 30 the deadline for this year. Bring in that application and you bring honor and credit upon yourself and to your council. Let's see if we can accomplish this by the time we have our next meeting, June 12th.

DO YOU REALIZE

All returns on the barbecue must be in at our next meeting, June 12? If you haven't, as yet, get started. Now is the time to get busy. Whether you've all or part, be sure to make your returns on time, and you'll see Chairman Scotty Frusolone with a big smile. Scotty is anxious to surpass by a wide margin the record of last year. This can be easily accomplished with the cooperation of all the members.

MOTHER'S DAY NOTES

Those who were not present at San Callistus Church last Sunday really missed an inspiring sight. Over 400 people, including members, their mothers and wives, filled the church at the Communion Mass. . . . Distinguished guest speakers were State Deputy Judge John F. Bolton and District Deputy Phillip C. Nilles. . . . Other speakers were Chaplain F. X. Breen, S. J., P. M. Breen, S. J., Rev. Silvio Zanoni, Bro. Joseph Gironda, who addressed the mothers in Italian, Grand Knight Baptiste Mele, and "Sheik" Pintozzi, who gave an amusing talk in the "Riggi" language.

P.G.K. John B. Meccia, J. Caruso, J. Schiavone, V. Candice, N. Damore, S. Cirrintano, C. Principe, A. Raciti and A. Coletta composed the committee that arranged the wonderful program. . . . Bro. Joe Consoli was accompanied by his 85-year-old grandmother, Mrs. Carmella Callary, and his mother, Mrs. Mary Consoli. . . . Sir Knight John Pane-Gasser received the applause of everyone with his Mother's day songs. He was accompanied by Miss Camille Iarussi. . . . The altar boys were, as usual, Bros. Charles Di Giovanni and Anthony Vitullo, who have been serving Mass for many, many years. . . .

Last week we misstated that Bro. Frank Marchese's mother and brother were killed in an auto accident. The correct information is that his mother and sister-in-law were the unfortunate victims. His father, Anthony, and brother, Louis are still in the Palatine Hospital due to injuries incurred in the same accident. . . . We hear that Bro. Sam Fasano, who is stationed at Camp Wheeler, has contracted typhoid fever. Why not send him a card . . . His brother, Rocco, will soon become a member. . . . Mrs. Sam Amato, wife of our past inside guard, underwent an appendectomy at St Elizabeth Hospital. The operation was performed by Dr. A. L. Vincenti, our medical examiner.

SOFTBALL

Again we make our weekly plea for more softball players. There are still some positions to be filled and the time is getting shorter. Manager Joe Conso will soon be pulling his hair—what he ha left of it—if he does not get a team int shape to win the championship.

Practice sessions are being held ever Tuesday and Thursday evenings at Sher idan Park, Polk and May streets.

Brother Coughlin an his committee are leaving nothing un done in an effort to create interest. Thos selling the greatest number of books wi be rewarded for their efforts. Full detail at the next meeting.

GOLF

Chairman Augie Tamburrino announces Wednesday, June 11, as the date of the first 1941 Feehan Tournament, to be held at Pickwick Golf Club. The greens fee is $1.00 and steak dinner $1.00. Prizes and refreshments are on the house. Entries will be accepted at Tuesday night's meeting, the entry fee is $1.00 and the pairing will be made Tuesday night. Since only 32 may enter, and it is first come, first served, see that your entry reaches Augie by Tuesday night. If you can't make the meeting, call Ave. 5641.

MOVING DAY

Arnd, Lyon and Hanley, 77 W. Washington, Room 1510, is the new address of P. G. K. George Lyon. Following the recent dissolution of his former firm, Bro. Lyon has joined Messrs. Arnd and Hanley in the establishment of the above legal association.

And Chancellor Frank R. Reynolds announces the removal of his law office to Suite 1619 in the Conway Bldg., at 111 W. Washington St., where he will continue the general practice of law.

In addition to which, Treas. John (Bud) Schoemer desires to notify you (and anyone else who has money to send to him for barbecue returns, etc., etc.), that he has changed his address to 1320 S. Lombard Ave., Berwyn. There are other houses in the block, and you will notice that he has begun a gradual return to civilization.

Congratulations to Bros. E. C. Krupka and Felix H. Johlie, who may be surprised to learn that they had birthdays last week. And to Bros. Thos. J. Kennedy, Frank R. Reynolds, Dr. E. M. Holmes, Wm. P. Murphy and Francis X. McQuillan, who do their celebrating this week.

Hen.-Shields Asks All Members to Lend Help to Barbecue Campaign

May 28-June 11 . . . 446 N. Parkside Ave.

Chairman Jim Woodward of the barbecue committee and GK Charles Costello, Jr., attended the meeting and dinner called by George Bamber, west side chairman of the barbecue, last Monday evening at the Midwest Club to hear reports and receive suggestions on the progress of the Riverview barbecue on June 18.

The reports that came in are encouraging. We hope that in the final tabulations our council will rank high among the leaders. There is not a great deal of time left until the final date and returns should be made as soon as possible. In these times, particularly, we believe that the magnificent work of Bishop Sheil should be given every help possible. If our members will do their part to the best of their ability it will add to the happiness and satisfaction of all concerned.

SYMPATHY

James J. Doherty, father of Rev. Father James J. Doherty, chaplain of our council, was called to his eternal reward during the past week, his funeral being held Saturday, May 17, to Our Lady of Help of Christians with burial in Mt. Carmel. He was a member of the Police Benevolent Association and Holy Name.

The funeral of Mrs. Florence Audy, mother-in-law of Bro. Eugene Daudelin, was held May 15 to Notre Dame Church with burial in Mt. Carmel.

To Father Doherty and his family, also to Bro. Eugene Daudelin, we extend our sincere sympathy in their loss. We ask your kind prayers that the souls of the departed rest in peace.

THE SOUNDING BOARD

We have three members who were to receive their first and second degrees at the exemplification given by West Section of Councils 1 and 2 at St. Francis Xavier on May 22 at 4715 Madison St. May we remind you for the seventh thousandth time, more or less, that we are in the market for new members? We offer membership in the leading Catholic laymen's society, composed of the finest bunch of men in this country. Help another enjoy membership in the Knights of Columbus by securing his application.

Tom Butler, Tim Fleming, Al Lifka, Miley Devine and Frank Gould rolled into third place in the Booster Squads in the Illinois State Tournament at the Windy City Alleys last week and then on Thursday helped close the West Side K. C. League season at the banquet at the Midwest Club. Revised contracts will be mailed to these bowlers next September.

At the last meeting Dr. Frank Sauer gave an interesting lecture on the effects of food we eat and the progress of medicine in the last century. The illustrated part of the good doctor's lecture held the close attention of all. Thanks for the lecture, Dr. Sauer.

Frank McNerny is booked for the Decoration Day week-end at Tabor Farm to brush up on his golf and social duties. Good golfing, Frank.

If you are wandering around Antioch, Ill., this summer or any other time and in need of groceries, meats, food and refreshments, you can drop in at Ted Smith's resort at Channel Lake, where you will find Ted Smith, a veteran member of Hennepin-Shields, ready to serve you.

Edward J. Lawler, Jr., son of our late PGK Ed Lawler, has applied for membership in the council, as has also Walter M. Kelley. The transfer of Ray J. Kelley to the council was accepted by acclamation as his references were excellent and he was highly recommended.

We have just discovered that Charles A. Sasso, 7310 N. Hamilton Ave., has been at Hines Memorial Hospital since March 15 undergoing an operation. He tells us that he has fully recovered and was to return home during the past week. We are very glad to hear the outcome, even at this late date.

PGK Tom Butler read the trustees' report prepared by Trustee William Phelan, upon which the trustees were rewarded by a rising vote for their excellent and informative work. Mike Hussey reported the Chicago Chapter and called attention to the defense commission work which is undertaking recreational facilities for men in the army. PGK Jack Shealy and GK Costello, egged on by PGKs Orth and Oakey, argued politely for the privilege of reporting the state convention. Costello won, or lost, as you will, and did give a nice report on the doings of the state convention.

Hoot mon, wait till I get me parachute and I'll drop in on ye for a spot of tea. G'bye.

Don't forget the early (Monday evening, May 26) deadline next week.

CARROLL SPEEDS UP BARBECUE EFFORTS

Next Meeting June 3, 6 N. Hamlin Ave.

Every member can find a great many reasons for offering the Knights of Columbus barbecue benefit of our good Bishop Sheil his complete support, notwithstanding, of course, the countless advantages it may hold for the council, and the individual participating member. But, we should not lose sight of the fact that the main purpose of this campaign is to promote a clean and wholesome life for the thousands of unfortunate children who otherwise might not have the opportunities that other boys and girls receive.

Chairman Edward J. Whelan has been tabulating the councils results and the efforts of a great many of the members have been very encouraging, but those who are usually heard from at an early date have not reported as yet. In order that the committee may get an approximate figure on the goal of our drive, each member of the committee has taken upon himself to contact the membership, either in person or phone, and perhaps in this way, a good many may be inspired to complete their job more rapidly.

Among the busy workers on the committee, who may be getting in touch with you soon, are Frank Griffith, George J. Hunt, James Vanelli, James J. Crosby, Daniel J. O'Connell, Ed Murphy, Daniel J. Ryan, K. I. Torgeson, Hal Neibergall, Ed Burke, Eugene Conley, James J. Walsh, George F. Rauh, Ed Baker, Dr. T. P. Lynam, Frank O. Hubbard, Ed Whelan, Joseph Bradley, Michael Martin, Ted Gavlin, P. J. Murphy, Joe Lang, and Joseph Mate.

At a meeting of the officers, recently, it was voted that if any member rates two or more books, he would be invited to attend the Victory dinner, which every member should attend if only to hear our beloved Bishop tell of the many uses for the monies from this affair.

CARROLLITES

Past Grand Knight Joe Byrnes, who was critically injured recently, has astounded all doctors with his remarkable recovery. He is at home now and able to see visitors, but may have to go through a little "greasing job" before he completes the last lap of his road to recovery. Take it easy, Joe, and let's see you around in a very short time. . . . Private Joe V. Powers writes from Camp Forrest, Tennessee, where he is stationed with the 10th Combat Engineers, Company C. He says that everything is under control and he is working harder each day. Sends his regards to Dan Loftus, Ted Gavlin & Company and all the "boys." . . . Checks were received this week from the Knights of Columbus National Bowling Tournament held in Indianapolis in April. The lucky receivers were—Good Bowling, Team No. 1, composing the members of the Majors and Good Bowling, Team No. 2, including some of the top notch bowlers in the intra council league. Among those who received awards for "good fellowship" were Grand Knight James J. Crosby, Tim Ryan, Lambert Porod and George J. Hunt. James Vanelli was cited for his "good bowling" and received a check accordingly. . . . The officers for the next year will be elected at a meeting of the membership on June 17. All members are expected to attend this meeting as something special is planned.

Our good friend Jack "Swede" Lawlor is getting along nicely and has practically recovered from his siege of illness which struck him so suddenly at the peak of his bowling season a few months back. He has not been as active as he might have been and that seems to trouble Jack a great deal. It shouldn't however, and Jack's many friends are going to see that he takes it easy now in order to be back with us the sooner.

Anyone knowing the whereabouts of a one Thomas McCarthy, who resided in Maywood until just recently, please communicate with "Special Agent" George F. Rauh who has been trying to locate him. Seems he has disappeared into thin air and left no forwarding address. . . . Among the names of those who made barbecue returns this week are P. Columbo, T. A. Dillon, John Higgins, K. L. Torgeson, E. S. Kessie, Dr. T. P. Lynam, Frank J. Moore, Timothy Murphy, Daniel J. O'Connell, John E. McGrath, Charles H. Torgeson, James Vanelli and George J. Hunt. . . . Dr. Edward Niles is reported checked in at the Alexian Brothers hospital for treatment.

The Knights of Columbus Golf League will hold its annual golf tournament at Olympia Fields this year on Wednesday, June 25. The fee per person is five dollars which includes lunch, golf, entertainment, dinner, and five hundred prizes.

Phil Sheridan Party Tomorrow Night Will Guarantee Good Time

1-3 Thurs. . . . . 446 N. Parkside Ave.

Well brothers, the 24th of May is tomorrow night. Have you done your share to make our dance that evening a success? All we ask is that each member dispose of one table or four tickets. Surely that isn't asking too much. Cards, dancing, entertainment and refreshments make up the night's program. As this is the grand finale of the fiscal year, we cannot urge you too strongly to boost this party. Tell your friends, and bring your friends.

Lecturer Joe Broderick and his committee are working very hard and are sparing no expense to insure a good time for everybody. Please make your returns to A. J. Flashing, 5842 W. Erie St., as soon as possible. A call to Columbus 9715 will bring any member as many more tickets as is required. Again we implore you to spread the word around about this party tomorrow, Saturday evening, at 446 N. Parkside Ave. Cards at 8:15; dancing at 9:30. Admission, 40 cents, including tax.

COUNCIL ITEMS

Sunday, May 18, Phil Sheridan Council received Communion at St. Lucy's Church and afterward had breakfast at Olson's. The turnout was the best in quite a few years.

The Angel of Death has again visited our ranks and taken another oldtimer. Albert D. Plamondon is the latest member to be taken from us. To the surviving members of his family we extend our most heartfelt sympathy, and know that God in his mercy will grant him eternal rest.

How many times have you thought how you could do something to help the underprivileged youth of our community? The fact that you are a Knight of Columbus gives you the chance now by assisting the Barbecue benefit on June 18. Why not get busy now? If you have not received your book, a call to Estebrook 0157 will bring you one in a hurry. So don't delay.

Garcia Moreno Urges Members' Cooperation for Council Growth

2-4 Tuesday . 155th St. & Lexington

Garcia Moreno, like other councils, has its good and bad periods. During the last few years we have made a good showing in increasing our membership and we acquired some very good members. But in the last year we hit a temporary slump and losses due to deaths, suspensions and transfers kept us from attaining our membership quota.

With the election of officers on June 10, more life and activity should abound in our council. We do want to grow, and the surest road to a successful career is cooperation — cooperation among the officers and in turn enthusiasm and cooperation from the members. No council can live within its own shell and prosper. Its program must be planned in advance and the various chairmen and committees must all work together as a unit to be successful.

We know it is only enthusiasm for their council and order that carries some men through the tasks appointed to them. To accept a chairmanship of any committee is to accept the many sacrifices and hard work there involved. In fairness to you and the officers, let's not forget that pulling together is what really matters. Enjoy your membership and offer that enjoyment to others.

CONDOLENCE

It is with sincere sorrow that we announce the death of Michael Ryan, a beloved and esteemed member of our council. He was the father of Simon and John Ryan. We will always cherish the memory of the fine character and gentle conduct which marked the life of our beloved brother. To his bereaved family we extend our heartfelt sympathy. May his soul rest in peace.

THIS AND THAT

John Mech's Sick Committee report at last meeting found no new names on the list. Alfred St. Aubin visited Bro. Charles Kramer at Edward Hines Hospital, and reports that Bro. Kramer expects to be home shortly. Al St. Aubin had his recently won trophy from the Fourth Degree Club. The next meeting of this club will be June 4 at the home of Romeo Begnoche. Ladies' Night, held after our last meeting, was enjoyed by all. The entertainment was provided by the Martin Family of Bourbonnais, Ill., and was well received. We extend our thanks to these lovely children for their splendid performance. Bro. Horn and wife, Victor Calgaro and John Zmahaz, of Pinta Council, were present. Come again, visitors. The kitchen's M. P. were Andy Curzydel, Frank Walenga, John Reardon and Bill Lemons. Al St. Aubin was the M.C. of the program.

To Alvin Biggerstaff and wife we tender our sincere congratulations on the recent celebration of their 28th wedding anniversary. May many years to come be as happy as those just passed. Joseph Reardon reports an enjoyable evening at the home of Walter Goletz who had a party for his two bowling teams. To those who enjoy dancing, do not forget the party given by St. Susanna's C.Y.O. Club this Saturday night, May 24, at Moose Hall, 15329 Broadway. You are all welcome.

Newman Softball Season Opens; Players Are Needed for the Teams

1-3 Thurs. . . . . St. Mary's Hall

On Thursday evening, May 15, our softball team in the 12 inch league opened the season with a great battle against the strong Lord's team. Nick Ney pitched a creditable game but was handicapped by errors behind him that resulted in a 10 to 7 defeat.

The softball teams are in the hands of Zenner, Zicco and Zmith this year, and they are still trying to fill in spots in both the 16 inch and 12 inch lineups. Players may report at the high school field on Wednesday evening, or at Boltwood on Thursdays.

BOWLING LEAGUE ELECTS

New officers for the coming year, elected at the Bowlers' Banquet on Tuesday evening, were: Jim McNulty, president; John Murray, treasurer, and George Hebson, secretary.

Duplicate trophies were awarded to the sponsors of the two teams that tied for first place, Joe Schafer and Steve Doyle. A fine dinner and program made a fitting close to a great season, for which President Larry Dupre, Secretary John Wiltjer, and Treasurer Ray Buellesbach were highly praised by all the speakers.

LAST MEETING

The customary good attendance prevailed at the last meeting and the brothers were treated to a comprehensive report on the activities of the past year by G. K. Ken Lawson. High points of his report were the fine work of "Bones" Nellessen and his Membership Committee with a total of 51 new members; also the work of the Publicity, Catholic Action and the Sick Committee; the Bishop Magner night; the establishment of the Newman News; and several other outstanding accomplishments.

A report was also offered on the State Convention at Aurora by P. G. K. John Vose and the newly-elected delegate to the National Convention, P. G. K. John J. Corcoran.

After the meeting moving pictures of construction work were presented by courtesy of Bro. Joe Zera, and refreshments were served.

BARBECUE

Joe Jans' team is assuming a commanding lead in the Barbecue race, with 29 books to their credit. Cliff Dalton's team is within striking distance, having disposed of 22 books. Louie Principalis' team has only 17, despite Louie's individual contribution of 11, and Louis McNally's team is just getting started with an even dozen turned in. Both Louies are confident that their teams will come through with a good finish.

Joe Jans brought his personal total up to 13 books to top his brother Matt by one. These two brothers and Principalis are in a class by themselves, but several books each have been sold by Denis O'Mahoney, Wallie Gehant, Jack Cervenka and Paul Konold. What we need now is about one hundred brothers who will turn in just one full book each.

John (Pop) Hearn is confined to his home while recovering from the removal of a cataract from his eye. Cliff Dalton says he will be a much better bowler next year. Do yourself a favor and drop in for a pleasant visit with him at 1123 Monroe street.

La Rabida in Fitting Tribute to Phillip A. Sabatino at Last Meet

2-4 Tues. . . . . 6236 Princeton Ave.

With the council chamber filled to overflowing, many splendid tributes were paid to P. G. K. Phillip A. Sabatino at our last meeting, especially set aside for this outstanding leader of La Rabida Council. The meeting was presided over by P. G. K. Dennis J. Normoyle, Judge of the Circuit Court.

The council presented Bro. Sabatino with a beautiful 21-jewel Hamilton wrist watch, the presentation address being delivered by Bro. Edward A. McGrady, the first Grand Knight of La Rabida Council. P. G. K.'s Daniel Curley, Frank Healey, Edward Scahill, John Mahon and George W. Griffin also added their praises for the good accomplished during Bro. Sabatino's term of office. De Soto's group is the second largest class in the entire order according to the report submitted at the annual meeting of the State Council early this month by State Donor Chairman Robert DuMais. De Soto was credited with a total of 224 donors at that time, only Archbishop Quigley Council tops this group with 278 registered donors. Both units have also added additional members to their donor clubs since the convention figures were released.

During the past week, seven of De Soto's volunteers submitted to transfusions in behalf of their fellow members. More than thirty transfusions have been provided by the men since their organization several months ago.

Illinois Nominations Listed as Election of Officers Draws Near

1-3 Mon. . . . . 64 E. Lake St.

Once again the Council has placed in nomination officers who will be up for election at our next meeting, Monday, June 2. The nominees are as follows: For Grand Knight, Elmer D. Martin; Deputy Grand Knight, James I. Upington; Chancellor, William J. Groden; Recorder, William A. Coty; Treasurer, Edmund M. Butler; Advocate, Gerald J. Haley; Warden, F. J. Pasback; Organist, Louis A. Gareau.

Guards, Stephen A. Stuckel, Daniel O'Rahilly, Harold L. Denhart; Treasurer, Charles Yucius; Delegate to the Chicago Chapter, John F. Tyrel and Edmund M. Butler; Delegate to the State Convention, Daniel F. Murphy; Alternate to the Delegate, Theodore E. Cornell; Alternate to Grand Knight, Joseph H. Geilen. Those are the nominees who will be up for election next meeting.

We were favored at our last meeting by the presence of our Chaplain, Father Belanger, and our District Deputy, Arthur Donoghue.

SAD NEWS

Margaret O'Rahilly, the infant daughter of Bro. Dan O'Rahilly, was struck by an automobile and seriously injured near her home last week and is at present in Loretto Hospital. For some time her life was dispaired of, but as we go to press things look much more hopeful.

We regret to report that our genial brother, Patrick F. Sullivan, has been ill in Hot Springs, Ark. We have written to him and in return have received a communication and asked the local Knights down there to call on him. He is expected to return to Chicago next Friday.

We also learn that Dr. McGregor, in addition to all his other troubles, suffered a fall in which he fractured a hip and is again confined to his bed. The Chairman of the Sick and Relief, as well as Brother Erickson, who visited him, tell us that he has that same indomitable will to smile, which reminds us of an item which carries us back to our grammar school days. We quote from memory: "Sweet are the uses of adversity, which, like the toad, ugly and venomous, wears yet a precious jewel in its head." And that, brothers, we first read in a little country school house in County Cork, Ireland, much more than 40 years ago.

We still have two meetings in which to bring in new members and thus keep faith with our State Deputy, with the chairman and sub-chairman of the Membership Committee of Cook County, and with our own chairman and officers. Why not have a few applicants at the next meeting, which is shockingly close, just 12 days!

Well, the golf season is here and we are being urged to do something about it and a June game is not out of the question, one that would be the warm-up for our regular summer game, which will be along in the early part of August. To carry out our original thought we promise you an opportunity before July 1st to come out for the pure sport of it and join your brothers in a game of golf.

Brother Rudolph Stecher has returned from his honeymoon cruise along the Florida coast and is prepared to take up work, both business and social, from here on.

Barry Will Elect Officers at Next Meeting, June 3

1-3 Tues. . . 2856 Washington Blvd.

Due to having to work at all hours of the day and night it is not possible for a number of the brothers to attend every meeting, but we urge everyone to attend the meeting to be held Tuesday, June 3rd, at which time we will have an election of officers. Come down and do your part to see that we have men best fitted for these responsible positions—vote for the best interests of the Knights of Columbus.

Your scribe has an explanation to offer in the absence of the Barry News in the last issue. The "dope" was all written up by several of the brothers who have the interests of this column at heart, and through a misunderstanding the copy failed to reach the offices of the Columbian. Your scribe is back on the job, after a brief absence from the city and will endeavor to see that this does not happen again, for we all know how important this column is to all of our membership.

Don't forget the interesting feature in connection with the Barbecue at every meeting of your council. Let's each of us get right behind this and encourage our officers to greater effort for the benefit of this worthy cause. Ask Bro. Harry J. O'Connell why he is smiling so graciously these days—well he did his part.

BARRY HOME GUARDS

At present our military unit is conducting a non-commissioned officers school in order that our non-coms may efficiently instruct our unit. The school is in charge of Sgt. Norton.

In what better way could you get the winter kinks out of your body and tone up your system for sprin gthan by joining the B. H. G. and drilling with us this summer. Even if we are never used by our country we can at least prepare ourselves and better our health through this medium.

For those men who do not bowl during the summer or can't play ball, this drill is the best method you could find to keep you in the pink of condition. Come up to the club and join with the fellows in this activity. Everything free.

We regret to report the loss of one of the long and faithful members of Barry, Bro. William M. Bauer, who for 26 years has faithfully supported your Council. Bro. Bauer passed on to his eternal reward May 10th. Our prayers are also offered for the repose of the soul of Kate Chambers, sister of Bro. Charles Chambers, who passed away May 14th.

The boys that took part in this tournament were well pleased and are looking forward to next year when we expect to double our entry and the prize list. At this time the committee in charge of the tournament want to thank the officers of the Council for their wonderful support and consideration and also thank our good friend, John Love for the wonderful service he gave us.

With this slogan "Barry Marches On" we are starting to organize the Barry Bowling League for the 1941-42 season with hopes of having a 16-team league. If any member would like to shoot in this classy league, kindly hand your name in at the clubhouse and we will take care of you. We have made some great plans for bowling for the coming year among which will be the Barry Special to next National K. of C. Tournament with all expenses paid. More about this and other plans later.

BARRY SOFTBALL LEAGUE

Did you know that Bernard (Bones) Boyle is the new manager of Barry Softball team, this year and the team practices every Tuesday night at 6:45 p. m. at Columbus Park, Austin Ave. and Harrison St. If you would like to play with Barry this year show up for practice any Tuesday night. If you know of any member of Barry that would like to try for the team you can call Bones at his home, Mansfield 6545 and he will see that he is taken care of. We have some very good material in the council so get busy and have the boys come out.

"LITTLE DELAYED NEWS"

We understand that Jim Thompson's lost hat has arrived safe and sound from Indianapolis and Jim can get his long lost friend by getting in touch with John Tamburrini. We wonder if Tom Geegan is still off those relatives from Indianapolis. If you want to see three hungry men punish a nice juicy steak, you should have seen Al. O'Malley, Clarence Sheehan and Peter Orofino in action at Indianapolis.

Andy Try said his new Emerson radio is sure working like a charm. John Wall would like to know who said the Oak Park bridge expert was not lucky. Lou Racine threw a scare into some of the bowlers when he showed up at the depot with his wrist all bandaged up. The scare was over when the boys remembered that Lou was a left-handed bowler.

Winding up the bowling notes with this issue all the boys in the league and its officers want to take this opportunity of thanking the members of the Columbian staff for the wonderful co-operation they gave our bowling notes during the last season. (Come back bigger and better next season, gents. We'll be plugging for you—Ed.)

Englewood Fourths Host to Large Crowd at Annual May Party

2-4 Mon. . . . . 150 W. 69th St.

ATTENTION! All those present say "aye," and the following responded: P. G. K. P. J. O'Connor, P. G. K. C. H. Huguelet, Sr., P. G. K. Wm. J. Cleary and his delegation of the International Travel Club, which included Rev. Hurley and Rev. Philbin of Our Lady of Sorrows' Church; P. G. K. James A. Clarke and his large group, "324" Pres. Charles J. O'Brien, D. G. K. Richard A. Phillips, Warden Roy J. Murphy, Inside Guard Joseph Kazek.

Blood Donor Chairman Jack Cullinan, Organist Joseph D. Nolan, Geo. Quinn, Membership Chairman Andrew G. Stoecker, Charles B. Sink, Peter Sink, Jr., Jos. Lenz, C. H. Huguelet, Jr., Wm. Hannan, Philip Huguelet, Edw. Powers, Edw. Mullooly, Edw. Corcoran, Wm. Corcoran, Walter McCarthy, Eddie Bishop, Trustee Fred Smith, Ray Roche, Thos. Maguire, Harry Delaplane, and Frank McGuire, Jr. While other important engagements prevented P. G. K. John A. Mulholland, Recorder Geo. F. Johnson and John M. Long from attending in person, nevertheless they sent a delegation to represent them.

But wait . . . Fort Dearborn Council was represented by G. K. John Devereaux, Fin. Secy. John Feilen, John Logan, Dave "Attorney" Kerwin, J. B. "Curly" Kelly, Frank Wehr, Chas. Reid, Tom Tynan, Bill Schultz and Marty Gallagher, and their escorts. Blue Island's Council's committee had Lecturer Lowell Frasor, Jim Hickey, Dr. Vincentte and Dr. Fiorre. Calumet presented Pete Henry and Bro. Dwyer.

The floor show consisted of Russian and Spanish dance interpretations by Miss Ruth Martin, formerly of the Chicago Civic Opera Ballet, and Barnet the Mystifier, whose feats of magic and sleight-of-hand left everyone spellbound. Tony & Nate, the strolling troubadors, entertained between dances for which Joe Rosner furnished the music.

Yes, sir, the second annual May party and dance of the "Three-to-Four Club" may be gone, but the memory lingers on, and will linger on for quite some time. All that remains now is to hold a meeting and set the date for our next affair. We're going now, boys, so let's keep going.

COMMENT

Last week we reported that P. G. K. P. J. O'Connor was appointed chairman of the Per Diem and Mileage Committee for the State Convention for the TWENTY-SECOND TIME. Congratulations to you, P. J.

Every meeting of Englewood Council is very interesting, and the last one proved no exception. The feature of the evening was the remarks of our Chaplain, Rev. F. J. Geheb, S.J., speaking on the month of June, the month set aside for devotion to the Sacred Heart.

Lecturer Smith's new feature, which makes meeting attendance profitable and enjoyable, proved specially enjoyable for each of the following: Jos. Hannapel, Jas. Kazek, Chas. J. O'Brien, Robert "Tootsie" Dunne, and Joe D. Nolan.

E-NGLEWOOD CHIPS

We have just learned that P. G. K. John J. Hasty returned home after a short sojourn at Hines Hospital and is now back at work again . . . Our congratulations to Jos. Kazek for his efficient work as Warden at our last Communion Sunday, filling in for the "All-American" Warden, Roy J. Murphy . . . Joe Hannapel is attending the Friday night meetings of the Softball League and has entered a team to represent Englewood Council . . . however, he states that HEMlock 6380 is still waiting for names of those who intend to play . . . come on, let's get behind Joe and put a good team on the field.

The Juniors are practicing every Saturday at Hamilton Park, anxiously awaiting the opening of the schedule . . . Received a letter from Pvt. Jos. Malloy last Saturday in which he sends greetings to all members. You could do our members in the service a great favor by dropping them a few lines whenever possible . . . They appreciate it more than words can tell . . . Our congratulations to Santa Maria Council upon their great project of supplying a copy of Father Stedman's Missal to every Catholic in their district who is called for service . . . And thanks to all who helped make the party last Saturday such a huge success.

E-CCENTRIC

Indeed is our "friend" the scribe from Madonna Council. I don't know what his middle name is, but I think it should be "Alibi," for I have never seen a man yet that could evade the question like he does. If your tots are so well trained in baseball as you say they are, how about getting a team together and challenging us to a game, or better yet, file their entry in the Junior Baseball League? (What do you bet he comes back with a lot of chatter about the weather, Hank?—Ed.)

Next meeting will be Monday, May 26, at 8:30 p. m. Come up and hear the report of the State Convention by P. G. K. R. J. Budinger. The first meeting in June, Monday, June 9th, is also important, for on that date the election of officers will take place.

O'Connell Shows Much Action for Membership Work; Promises More

2-4 Tues. . . . . 1100 N. Franklin

Bro. Vic LaPorte brought a new application along to the last meeting and he insists that he's going to bring in more. This is the kind of support our membership chairman, Bro. Marino, has called for, and with our membership committee in full swing, it looks like O'Connell will be up on top in the percentage column this year. Congratulations, Bro. LaPorte. The new applicant is Mr. Frank Ranieri, and we're certain he'll be a good member.

Bro. Nathan reported he had given a blood transfusion during the past week. The council in cases such as this is eager and ready to give a rising vote of thanks. Bro. Nathan urges, however, that every member who has not been typed should do so as soon as possible.

Our Chaplain again asks that those who did not attend Communion in a body with the council on Sunday, May 4, and have not already sent their certificate signed by the pastor of the church in which they performed their Easter duty, or otherwise pledged that they had made their Easter duty, to please do so as soon as possible.

Bro. Clifford reported at the last meeting on the Chicago Chapter meeting he attended. He states that the Knights of Columbus are doing great things not only in a spiritual way, but also in the work of helping the poor and unfortunate, notably the underprivileged youth. Needless to say, our "Big Barbecue," sponsored each year for the underprivileged youth, is doing great work in supplying literature, clothes, food, recreation and learning to these poor unfortunates, hence your utmost cooperation in the Barbecue will add to the benefits extended these children.

Our next meeting, May 27 (incidentally, that's my mother's birthday. Congratulations, mom), promises to be a most important one. Your attendance at this meeting is very important.

Bro. Harry Burke attended last week and seems to have had a swell time. Says he'll be around again soon. Don't forget to ask Bro. Frank McAuliff about the Fourth Degree Club and how they're planning for the next big Fourth degree initiation.

Of our recent new initiates, Bros. Genaro and Cassato were at the meeting. They are both of the opinion that the small cost of initiation is not nearly enough for the splendid exemplifications shown in the first, second and third degrees.

honored with the presence of two visitors at our last meeting. Bill Clark of Debuque, Iowa, and Tom Owens of DeSoto Council being the honored guests.

The bowlers really held sway at the meeting. Past President Joe O'Brien was presented with a beautiful radio by the league in appreciation of services rendered. The Champion Widtmann Markets club was presented with the William P. King medals, the donor doing the presenting personally. Members of the team are John Golden, Larry O'Shea, Joe O'Brien, Marty Sullivan and Jim Coleman.

Father Rausch was the recipient of the bowler's trophy for the high series of the year. He gained the distinction with 707 score. In addition to doing a lot of giving, Bill King was on the receiving end of one trophy. He was presented with the C. Tex Williams award for the season's high game. If we recall correctly the winning score was 276.

Bill King also gave the keglers quite a surprise when he presented them with the checks they won in the National Tournament at Indianapolis. Eddie Droske being the top winner with his fine score in the singles event. Immediately following the council meeting the bowlers convened to elect their officers for the ensuing year. For the results of the election Past Secretary Phil Doyle takes over at this point.

"Here is that man again." I'm pinch-hitting for your new bowling secretary, Art Bradford, who could not attend the meeting of the bowlers due to his wife's presence in the hospital. She is getting along nicely however after her recent operation.

Since none of the old officers were candidates to succeed themselves the following officers were elected unanimously. President, Ed. Cummings; Vice-President, George Loohs; Secretary, Art Bradford; Treasurer, Rev. Father Rausch.

The question of alleys brought about a committee appointment of the officers and Grand Knight Bill Cunningham, to look into the matter and report back at the next meeting of the bowlers which will be held in the latter part of June. It was decided to continue to bowl on Tuesday night. No soap on the picnic. Papa Droske tried his darndest to put it over and even with the help of several distinguished members the proposal fell by the wayside.—Uncle Phil.

Oak Pk. Degree Class Ready for Next Monday Evening at Clubhouse

2-4 Mon. . . . . 641 S. Scoville Ave.

Next meeting will be the Big Night. Oak Park Council will be host to other councils in the district for the purpose of initiating into the order the many candidates awaiting admission. The well known degree team from Nazareth Council in LaGrange will do the degree work.

We would like to have every member of the council who possibly can arrange his time to be with us on that night. There will be a large number of visiting brothers and we must do all possible to make them feel at home. Grand Knight John F. Gearen, Jr., promises to start the regular meeting at 8:00. All officers are requested to be there at that hour.

At this meeting we will be favored with a visit from the General Agent of the Order, Brother Tushaus, who will give a few pointers in regard to the new form of insurance. Brother Tushaus, an able talker, will be able to answer in very few words the many questions that the average member has been struggling with for months. After the ceremonies he will be glad to consider any individual case, so here is the opportunity you have wanted.

The Golf Committee is the one that is in the limelight at the present time. With the onslaught of warm weather the average mind turns to golf or fishing. The fish are quite a long time away, and some of the fellows don't care much for the under-water birds anyway and prefer golf. The committee will report at this meeting, after which you can start passing up the dessert at lunch so as to have the fee out of the lunch money. O. K.?

We are sorry to learn of the death of the father of Brother Conlon of Oak Park Council. He was buried from Visitation Church on Wednesday with interment at Mt. Olivet. To Brother Conlon and his family we offer our condolence in this hour of bereavement.

Brother Fred Bonk is all smiles because once more he is Grandpa Bonk. Thomas Paul Edwards is the youthful cause of joy, and he is the son of Mr. and Mrs. Paul Edwards. Best wishes from us and the Council to the parents and of course, to Grandpa.

On Saturday, May 17, Ann V. Mitchell, daughter of Brother John Mitchell, became the bride of Ray Mottis at St. Bernadine's Church. A reception was held in the church hall following the ceremony. Our best wishes for a long and happy married life to the young couple.

You have probably heard of the barbecue celebration that is to be held at Riverview Park on Wednesday, June 18? Come up to the meeting and hear all of the details. They're good!

How's your picnic appetite? Better start thinking along the picnic line so as to save up for the largest picnic ever held by the council. Details will follow in subsequent issues.

DEARBORN SADDENED BY DEATH OF BRO. MULLOY

1-3 Thurs. . . . . 820 Garfield Blvd.

P.D.G.K. Barney Mulloy died last week after a long siege of illness. His passing is a serious loss to Dearborn. Bro. Mulloy was a member of some twenty years' standing. He was very active and a very good producer, accounting for many members.

To his family we extend our sincere sympathy and pray God to grant him eternal rest.

BARBECUE

In less than one month the annual K. of C. Barbecue will be past history. And again this year, as in the past, at the conclusion of the event each one of us will question ourselves as to why we did not expend more time and effort in assuring the success of this worthy project. Undoubtedly we will all admit that we could have done better, if we had only tried. Thus, let us resolve this year to avoid these critical post-mortems by acting now. We all are certain to fulfill our pledges of aiding christian charity and Catholic action, so important to our position as members of Dearborn and Knights of the Order, if we but work and hustle. We of Dearborn know that We Can and We Will.

DALEY DEGREE

The time is ever growing closer for the exemplification of the "Honor Third Degree" to be sponsored by Dearborn in South Division No. 1 the latter part of June. It is in this degree that Dearborn will pay homage to our renowned Brother, Senator Richard J. Daley. Such an undertaking is no trivial matter and its success is dependent on the highly centralized cooperation of all the members. We all know that unless we work as a unit, there is no council. Thus it becomes the duty of each one of us to unite and act.

The best method to pursue in our endeavors is to contact Chairman Nix or any one of the following: Tom Haggerty, Jerry O'Sullivan, Pat McCarthy or Dave Kerwin. In this it will be possible to exchange ideas and formulate plans for accommodating the batch of applications that will undoubtedly be forthcoming. Your council will profit immeasurably and Dearborn will meet and beat its quota. So get on the Daley band wagon and start your campaign.

FOURTH DEGREE: We were pleasantly entertained last week by the Theater and Dinner party sponsored by the La Salle General Assembly. The evening began at the Harris wherein we saw the highly amusing comedy, "My Sister Eileen." After the show the party adjourned to the College Inn and indulged in a tasty dinner and enjoyed a nice floor show and dancing.

While on the subject of the Fourth Degree, we wish to state that a large delegation of Dearbornites attended the dance of Englewood's "324 Club" last Saturday at the Del Prado. We had a grand time among a large crowd.

MEETINGS: At last meeting a complete revision of the council by-laws was adopted by the members. The new code will now be submitted to the Supreme Council for ratification. And lest we forget, our next council meeting, June 5, will be election night.

SICK AND VISITING: Bro. Markey is ill in the Little Company of Mary Hospital, Room 210. Chairman Charles Gray suggests that we pay a visit to wish him a speedy recovery.

SOFTBALL: The K. of C. Softball League season will open its schedule on Thursday, May 29. Thus will Dearborn begin its fight for the league bunting. Dearborn's opponent in this opening classic has not as yet been revealed. However, we will publish the complete schedule soon. Mgr. Logan continues practice sessions on each Tuesday night at the home field, 57th and Shields.

TRAPPERS: Bro. Bernard Hoffman was voted a $15.00 bill for his attendance record at our last meeting. May we extend our best wishes. Special mention was also given by Lecturer Jim Ivers to Tony De Beck, Frank Anzalone, John Feilen, Jim Kittrick, 'Own Brady, Joe Nix, John Logan, Dick Kerwin and P.G.K. Tom O'Connell.

CURRENT EVENTS: St. Ethelreda's Holy Name Society will sponsor a carnival at 87th and Paulina the week of June 19th to 29th. Rec. Sec. John Downes is President and Bro. Rev. Joseph Woods is spiritual director. June 22nd Annual Silk Hat Picnic.

General Sherman Asks Capacity Attendance for Election on June 3rd

1-3 Tues. . . . . 4300 W. North Ave.

Sherman Knights! Special Notice! Once again the welfare of your council will be decided on for another year. Please come up and help elect the men who you think should be placed in position of authority. Whoever they will be they must have your support, no matter how good and energetic your officers may be without the help of the members as a whole, their efforts will be in vain.

After any kind of a contest where more than one is involved, someone must be the loser, and at times a little hard feeling is the result. Let's try and avoid this, Brothers. Our aim should be and I know it will be all for the glory and good of our grand council. Don't forget the date—June 3rd.

Barbecue—How you doing, fellow? Start your second round yet? Let's not forget those underprivileged boys.

The Marines are in the news. Jim moves again—cheaper than paying rent, he claims. Joe is a F.B.I. If you don't know what that means just ask him. Mike turned in an application signed by another Marine (his son).

Bill Hall's name was omitted in last week's Columbian under the champs' picture. He is the third man from the right and also the captain of the team. Very sorry, William.

Received a report that our medical advisor, Dr. Fleming, is ill.

The bowlers' picnic will be held June 29th at Winter Grove, our old camping grounds. Our new bowling location will be known as the G. and L. Recreation Center. Bert Welker has a little compensation for every one of the men that were out to Indianapolis. Matt Ellgass and Frank Mootz are thinking of turning professional after winning a nice piece of change in the K. C. tournament. Next year they want to bowl in the A.B.C., C.B.C., N.R.A. and W.P.A. tournaments.

There are more than 400,000 Knights of Columbus and your emblem will mark you as a member of this great body of Catholic men. Wear it all the time. It may be the means of bringing a priest to you in case of serious accident.

Our Fin. Sec., Joe Deisenroth, again asks that all members who have mailed dues and have not received receipts, for the last three months, to please contact him immediately

NEWS

P. G. K. Walter Simon would welcome more of our members dropping in to spend an hour with him. Bro. Joseph C. Smith is still convalescing at Mercy Hospital and our splendid District Deputy, Edw. O'Connor, continues to show improvement but is still denied visitors.

We regret to announce that P. G. K. Joseph J. Byrne of Carroll Council met with an accident while driving home from the recent K. of C. Convention at Aurora. We wish all these good brothers a quick recovery.

What prominent softball player of our council is going to middle-aisle it on June 7 at St. Jerome's church?

Due to this month having five Thursdays there will be a three weeks' difference between our last and next meeting. Therefore the next regular meeting will be on June 5 and the main matter of business will be our annual election of officers.

St. James 'Night in Cuba' Wins Acclaim of Large Attendance

2-4 Mon. . . . 64th and University Ave.

On next Monday evening our council meeting will be dedicated to Memorial Night, with special reference to our dead. All members are requested to be present for this occasion.

Brother Ed Muellner, chairman of the "Night in Cuba" party held last Saturday evening at the Hayes Hotel, hung out the SRO sign when Reservation Chairman Brother Clarence Strobel informed him that all seats in the ballroom were filled. Brothers Marty Quinn and Peter Wehle closed the doors, and our council, under the reign of G. K. Pete O'Connell, chalked up another big event for the month of May, not forgetting the fine Communion Sunday activity.

To those brothers and members who attended may we say, "Many thanks," and to those who made advance reservations, a special pat on the back for their extra cooperation.

The Casino Room at Sloppy Joe's was very well managed by Bro. Robert Lee, assisted by Ed Enright and the committee, A. Burke, Ed McBride, Joe McGivern, Clarence Phillips, Mike McGuire, John McKean, and others. Bro. Henry Woodmaster and his committee, consisting of Ray and Frank Steffens and Pete Wehle, performed their duties of caring for the hunger and thirst of the customers in an excellent manner. Likewise, to those on the arrangement committee who gave their services on Saturday afternoon in setting up the ballroom and casino. They were Chairman Ed Muellner, Robert Lee, Peter Wehle, Erhart, Enright, Woodmaster, Frank Strobel and Tom Groark.

We were indeed happy to be honored in having State Deputy-elect Leo Flynn and his charming wife with us. Also Pat Noonan, our District Deputy, and his lovely wife. Others who attended were: Bro. and Mrs. Bill Loftus, who is manager of Englewood's finest men's clothing store, Bonds, at 6339 S. Halsted Street; Bro. Mike Murphy and party; Chas. Collins and party; V. Paul Dory and Geo. Muellner; Bro. Klinger and party; Dr. George Berning and a large group, and other Southsiders. Bro. Clarence Phillips and his publicity committee did fine work, and we appreciate their cooperation. Also thanks to those neighboring councils and scribes who carried publicity for us.

Chairman John McKean has announced that our annual picnic will be held on June 29 at Glenwood, Ill. There will be golfing, softball, music, refreshments, horseshoes, and other events. The committee to aid John is: Bros. Henry Woodmaster, Bob Lee, Ed Enright, Joe McGivern, Ambrose Burke, Dan McKenna, Marty Quinn, Ed Bryar, Pete Wehle, Wilbur Fitzgerald, Joe MacGillivray and Clarence Phillips.

Every Tuesday and Thursday at 6:45 p. m., the softball players will continue practice at Meyering playground, 72nd and South Park Ave., under Manager Mike Connolly. We hope to see them soon in their new outfits, but the season does not open until after June 1st, so we shall have to wait until then.

Don't forget the early (Monday evening, May 26) deadline next week.

San Salvador Ladies to Have Special Treat Next Monday Evening

2-4 Mon. . . . . 24 E. 114th Place

After a long period since our last Ladies' Night, San Salvador throws open its doors to the wives, mothers and sweethearts of our members. This special event will take place on Monday next, May 26. Much care in the preparations are being made to insure a delightful evening for our gracious guests, and we sincerely hope that a goodly number will respond to a hearty invitation.

The details of the refreshments, entertainment and the like are in the capable hands of P.G.K. Kleuskins, and knowing Bill as we do, we feel certain the evening will be long remembered with pleasure by all who attend.

To you kind ladies, we crave your assistance by making sure your men folk do not make any other engagements. We want you to be there with them and enjoy the pleasant company of the other ladies. Incidentally, it may be that some of our fair ones haven't seen how nicely furnished the inside of the clubhouse is and what a cool place it is on these hot days. So again we repeat, please be present and enjoy the evening.

COUNCIL NOTES

As each week passes, the time draws closer and closer to our super-colossal picnic. Soon the final details will be arranged, but in the meantime, we want all of you to remember well the date and place—July 27 at Waring's Grove, Frankfort, Ill.

The first meeting in June is the election of officers and is but two weeks away. We urge all members to take particular notice of this event and do your share in promoting the affairs of the Council by being on hand for this important piece of business.

Haven't gotten around much lately and consequently haven't heard much news. Generally we can snoop around a little, but this time our grapevine is a total "bust." Haven't even any digs to throw the editors way. Say, Ed, you don't happen to have any old copies of The Columbian, say from about 1932 at which time we were scribe? I kinda forget what I wrote in those days. (We got 'em and we're gonna keep 'em!—Ed).

One thing about us, we ain't afraid of calling at 188 W. Randolph 'cause when we do, we'll bring along our trust old 1852 shootin' arm. If that ain't good enough, we'll go borrow some more from Past Chaplain Father Taillon, who has a real collection. At any rate, knives don't scare us none at all.

W. L. Douglas, aged 16, took his first railroad trip and got off at the wrong station. From that grew a shoe industry which eventually put him in the governor's chair.

SYMPATHY

We were very sorry to hear of the death of a sister of Bro. Gerald Callaghan last week. To our brother and the bereaved family Brownson offers its most sincere sympathy. May her soul rest in peace.

SILVER JUBILEE

In regard to the notice sent our members about the Silver Jubilee Mass of our worthy Chaplain, Fr. Reis, on Sunday, June 1, at St. Vincent's Church, the members of Brownson will join with the other parish organizations in forming a guard of honor on that occasion, and for that reason a large turnout of our members is expected.

Badges will be distributed by Warden Anthony Miller in front of the church and all are urged to try and be present by 11:15 a. m. The Fourth Degree members, in full regalia, will act as a special guard of honor and all Fourth Degree members desiring to join this group are asked to call Bro. Loyola-Hyde Pk. Asks Full Member Effort for Barbecue Record

2-4 Thurs. . . . . 7435 Cottage Grove

The barbecue program is now on in full strength and we are pleased to report that a number of the boys have already shown evidence of great success. We would like to add your name to the list. Chairman Charlie Lawler dropped by to urge all the lads to put forth their best efforts. Loyola Hyde Park has already pledged itself to make a greater success of this event than in any of the past years, so help us keep this promise.

The Fourth Degree Club of the council will hold a meeting on Thursday next at the home of Bill Mahler at 8019 Langley Ave. All Third Degree members who are interested in becoming members of the Fourth Degree should attend and get all the details of the plan which makes the fee easier to raise. Full information will be given at this meeting. The time 8:30 p. m.

Brother Art Jacobs is still hunting for some of you softball players to help him put over our team in this year's play. Practice is held every Tuesday and Thursday nights at Ruggles Playground, 79th and Calumet Ave., 6:30 o'clock.

The new Recorder elected to succeed our drafted Brother, Ed Joyce, is Ray McCann, a hard working and sincere member of our council. Ray's choice was unanimous, and we feel it was a very fortunate choice.

Best news of the week: P.G.K. Charlie Lawler's mother is on the road to recovery after having suffered a very serious illness. We are delighted to be able to pass along the news.

A BEAUTIFUL LADY

As one travels around, oftentimes it is heard said: "There goes a BEAUTIFUL LADY." To me the most beautiful lady I ever saw was my mother.

She must have been a beautiful girl in her teens for she was a **beautiful lady.**

I could see, as I grew older, what made her hair turn gray was the worries and cares of her everyday life, yet she was a **beautiful lady.**

I can see her right now, when I needed care, she was there with the kind, sweet way of a **beautiful lady.**

Since God took her away I have no one to say: "How are you today, my Son?" As time rolls by I often wonder why she had to leave me so soon, for I know she must have been a beautiful girl in her teens, as she was a **beautiful lady.**

I could see as I grew older what made her hair turn gray was the worry and care of everyday life, yet she was a **beautiful lady.**

I can see her now when I was sick and needed care she was always right there with the kind, sweet way of a **beautiful lady.**

The above, which was composed by Brother James Shaughnessy, was scheduled for publication preceding our Mother's Day services, but unfortunately was omitted. We felt, however, that such beautiful sentiments would be appreciated by all of us. We express our grateful thanks to Jim and hope he will send many more such articles.

It has been stated in the house organ of the American Business Machines Corporation that if the energy stored in the nuclei of the atoms of a lump of sugar could be freed, it would be sufficient to propel a great Atlantic liner across the ocean and back.

MADONNA TO SPONSOR DEGREE CLASS TONITE

2-4 Fri. . . . . 4624 Emerald Ave.

Tonight at 8:15 p. m. the regular council meeting will convene at the club, 4624 Emerald avenue, and after a speedy business session, the first and second degrees will be exemplified. We suggest that as a surprise members arrive on time.

GET A LOAD

After a generous helping of the mullarkey by Howie Flanigan, we were able to swallow the following gory details of the bowling fiasco:

	W.	L.	Avg.
Boyles	43	32	887
Hermes	41	34	874
Duffys	40	35	875
O'Connell's	39	36	873
Doodys	33	42	857
Miller Banker	29	46	875

High team, 3 games, Boyles, 2,890; single game, Duffys, 1,075.

High series, Barry, 606. High game, Parrish, 254. High individual average, Folks.

The John F. Boyle Solons, by the way, were composed of Marty Morrison, Howie Flanigan, Joe Du Bray, Ollie Kenny and "Duke" McGrath.

WITH VISIONS

Of gray stone walls, prison guards, bologna and bread in front of us, how do you expect us to write about the barbecue? When we used to go down to Uncle Weenie's farm, why barbecue time meant baked ribs done to a golden brown an' just a drippin' with luscious sauce. Barbecue time means tender beef that melted in your mouth, deep dish apple pie hot from the oven, spider corn bread like no one in Green Bay could make, potent apple cider that would take out your teeth, wash 'em and put 'em back in. (That's Green Bay rum.—Ed.) That was barbecuein'.

Barbecue time in Chicago means a little leg work, a little enthusiasm, a little co-operation to bring to a successful end our annual effort to ease the load on the shoulders of Bishop Sheil.

Do you ever stop to think of the number of kids in Chicago who don't have a yard to play in, whose parents can't afford that extra quart of milk, who could go wrong so easily, if it weren't for a restraining hand? Underprivileged, they're called. Since when did it become a privilege for a kid to play baseball, or drink three glasses of milk, or have a good pair of shoes? Don't you think it's about time you "overprivileged" lads came across with the lettuce?

We never thought Madonna would have to offer anything to her members to get their support, but we're doing it. Chairman Flanigan says that a whole box for the White Sox-Philadelphia night game is waiting for the lads who whip up the horses.

ONCE UPON A TIME

Madonna Council, or rather, the roundheads in it, decided to have a golf tournament. So, four months before the date, the spot was selected, the Pabst Colic Cure was all arranged for, the golfers' presents all made ready, and everyone sat back and waited for the happy event.

The committee was immediately clapped in the clink and declared milky in the filbert. In addition, they were accused of subversive activity, plotting to overthrow the government an' bein' just plain nuts. Madonna never does things like that. Ah, well, plan today, golf tomorrow—that's us.

MADONNA'S MUTTERING

—That Bro. Joe Daluga is now at home recovering from an operation, and from all accounts, he's getting along fine. Whether or not he's allowed visitors, we're not sure, but just in case, 6611 S. Peoria is the address.

—And Warden John Horan is in St. Bernard Hospital recovering from a case of flu. We're glad he's feeling better and will be back soon, 'cause then we'll be able to again say to someone, "Doesn't it look swell?" John, of course, is in the capable hands of Dr. Frank Fiore, and—uh, the uh—they do have pretty nurses at St. Bernard's don't they?

—Bill Loftus (Two Pants O'Keefe's boss) is now a financier. Hold up a shiny new penny to the gent and he will discuss his golf game in a dignified tone and won't even count the practice strokes.

—D. D. Pat Noonan missed Communion Sunday 'cause he was down in the Tennessee hills resting up. We like the guy because he puts his heart into everything he does. But it sure looks lykell to see him going around the office barefooted with a rifle over his shoulder. After all!

DEATH OF CARDINAL PUTS SACRED COLLEGE AT 53

The death of His Eminence Karel Cardinal Kaspar, Archbishop of Prague, has reduced the number of Cardinals to 53. This is 17 short of the full compliment of the Sacred College.

Of the present members of the Sacred College of Cardinals, 31 are Italians and 22 are non-Italians. Two of the present Cardinals—His Eminence Gennaro Cardinal Granito Pignatelli di Belmonte, Bishop of Albano and Ostia, and Dean of the Sacred College, and His Eminence William Cardinal O'Connell, Archbishop of Boston—were created and proclaimed Cardinals by Pope Pius X in 1911. Seven were created and proclaimed by Pope Benedict XV, and 44 were created and proclaimed by Pope Pius XI.

In Urga, Mongolia, coffins are frequently used as prison cells.

Don't forget the early (Monday evening, May 26) deadline next week.

St. Rita Is Given Few Golf Lessons at Last Meeting

1-3 Thurs. . . . . 6048 S. Fairfield Ave.

For the multiple reason that there is a dearth of material for this space, the weatherman is behaving himself, and we have a pressing golfing engagement, our efforts will be rather sparing this week.

Lecturer Harold Hilbert chalked up another bell-ringer at our meeting a week ago last night. Heading a three-star double-bill was Tom Walsh, president of the Professional Golfers Association, and owner and pro at Westgate golf course.

Despite the severe storm raging outside, all was clover inside as Mr. Walsh, garbed in brown and white shoes and gabardine strides, took the tools of his trade in hand and showed a packed hall just about all there is to know about the old Scotch game.

Following the lesson Mr. Walsh asked what member had a "perfect" slice. For some unknown reason we were fingered and called into service to demonstrate what not to do in golf. After taking a few swings Mr. Walsh made the necessary corrections and said if we followed his advice our game would drop from the high 130s to the low 120s in no time. We will determine today the accuracy of his prophecy.

The other star on the program was Jack Martin, well known master of the arts of legerdemain and comic. Mr. Martin, without his victims showing one wit of awareness, took a toupee out of Philbin's pocket, Mr. Walsh's golf clubs, a cigar from Charlie Lehnert, and even a deck of cards from Smitty's hind pocket.

With Howie Jeffers and Ray Bernoski as stooges Mr. Martin produced enough Aces to make that guy Hoyle turn over in his grave. And all the tricks were accompanied by a running line of riotous humor that even Bob Hope would be proud of. Yes, sir, it was a fine show.

RETREAT

Two weeks from tonight a group of members from St. Rita will leave for Mayslake for our annual retreat. Have you signed up yet? If not, and you are free to make the retreat, do so immediately. The group, as we said above, leaves Friday night, June 6, and returns to Chicago in time to reach their respective places of employment early Monday morning. Make arrangements with your employer right now to be among the retreatants and thus help to make this year's class the largest in the history of our council.

REMEMBER

The Knights of Columbus Fourth Annual Barbecue for the benefit of Bishop Sheil's Underprivileged Youth Fund to be held at Riverview Grove, June 18. Make reports on your Barbecue books as soon as possible at any of the folloying business establishments: Sullivan's Undertakers, 2438 W. 63rd St.; Martin's Barber Shop, 3303 W. 63rd St., or Stoeller's Grocery, 2918 W. 63rd St.

Our membership drive now in progress for the exemplification of the First and Second degrees, honoring our Chaplain Father Fennessey, to be held in the clubhouse, June 26. Application blanks may be secured from any officer or at the Council chambers.

THINGUMBOBS

Frannie Nash accompanied his brother, G. K. Charlie, on that trip to Washington to visit their brother, Tom, who is studying for the priesthood. . . . Bros. Doc. Saletta and Ted Reincke were seen at the cashier's window at the closing of Sportsman's Park last Saturday. . . . A few other members weren't so fortunate. . . . Bro. Tom Condon is up and around this fine weather and looking hale and hearty too. . . . The usually decorous Ed Shilt tried unsuccessfully to get in the hair of the magician at our last meeting.

Our softball team will play its first game next Thursday night. Practice will be held this Sunday at 10:30 a. m. in Gage Park. Get out your sneakers and come out for the team. It isn't too late.

ST. PAUL GOLFERS HOLD 'STAG' TOURNEY SUN.

1-3 Tues. . . . . 6713 Olmsted Ave.

We hope that you've found time to get out those sticks, dust them off and shine them up for tomorrow or the day after (Sunday, May 25th, to be exact); they will be expected to do you a good turn out at Techny fields.

Come as early as you please and stay as long as you care to. Bring your friends and make your own foursomes. Those who are unable to make a foursome will be taken care of in other groups. If you lack transportation, call the scribe and we will be happy to accommodate by arranging for some one to pick you up and take you back.

TWO TROPHIES UP

There will be two trophies to be awarded at this event. The Wm. J. (Alderman) Cowhey trophy for the low gross scorer in the council and the State Secretary-elect, Raymond J. Gleason trophy for the "good fellowship" award.

Everyone with whom we have talked these past few weeks said they would be there and we hope that, even if we haven't had the opportunity to talk to you personally, you will not be among the missing. It's all for "Alma Mumma."

JUNE ELECTIONS

We musn't overlook the fact that the first meeting in June will be set aside for the election of officers for the ensuing year. As this really is important business, it is incumbent upon you to exercise your right of franchise and cast your vote for the men whom you would like to see occupying the officers' chairs during the coming year.

We are sorry to learn of the death of the mother-in-law of Bro. John McVeigh, Susie O'Bryan, who has been a member of John's household for many years. Many of the members of the council, individually, attended her wake at Suerth's. Please remember her in your prayers.

WE HEAR THAT: The foursome of experts in golf—Gleason, Harbert, Blim and Clark—are all set to do their stuff on the links next Sunday; Harbert is the defending champion while the others will do their best to wrest the trophy from him . . . We expect to hear things from fellows like Carl Faerber, Andy Krein, Geo. Jeske and a couple of the other youngsters and we wouldn't be at all surprised if you read about one of them being defenders next year . . . P. G. K. Guenther has been warming up lately, too . . . A vote of thanks was given to Warden Wm. Gregory for the wonderful rosaries he dispensed to the young ladies who so excellently served our breakfasts on our annual communion Sunday and to any member who cared to have one—while they lasted . . . Dwight Crandall has been active in membership soliciting in Des Plaines; he promises to have a representative group in that district soon . . . Jimmy Dalton has "writer's cramps," which is the reason there hasn't been any softball news in this week's column . . . "What a man, Geo. Ellwanger," is the publicity agent for the soft ballers but we haven't seen any "publicity."

A FEW DONT'S: Don't forget to bring those prizes with you next Sunday. Don't forget the place—Techny Fields. The date—Sunday, May 25th. This tournament will be stag.

Arch. Weber Lists Its Prominent Activities For Coming Weeks

1-3 . . . . . 4758 S. Pulaski Road

Flash! Attention Brother Knights—the following are the big dates on Weber's calendar. Monday, June 2, election of officers for 1941-42. Wednesday, June 18, Barbecue for Bishop Sheil's Underprivileged Youth Fund. Friday, June 27, our council's Mayslake Retreat. Friday, July 4, Basket Picnic at Red Gate Grove.

Any members of Weber Council in the service of Uncle Sam will be given publicity in this column, providing that the news be sent to Frank A. Kubiak, 4950 S. Avers Ave., Chicago. A paragraph will be devoted to our service men's interpretation of army life and therefore you are asked to forward the following information to your scribe: Your location, your schedule of the day, your rank and duty in your company, your social life and your present hobby in camp.

Accommodations for Catholic service men, how many brothers and of what councils you have contacted and if you have partaken of any programs set up by the Knights of Columbus. All of this will be most interesting to our readers, and we urge all now in the active defense program of our country to write the above information to your scribe.

Last Friday, May 15, the bowling league held a meeting and party combined. Distribution of prizes was made and Sir Knight Joseph Zapotoczny was presented with a trophy for one year for having bowled the highest game. At present Bro. Frank Wegzyn, Sir Knight Steve Jas and Sir Knight Joseph Zapatoczny have one leg on the trophy and in order to retain it permanently, one player must score the highest game for two consecutive years.

The first place team—the K. of C. Boosters—each were presented with a miniature bowling ball for their watch chains. These were donated by Bro. J. Swientek. The bowling officers were unanimously re-elected for the coming year. Seventeen players have already signed up for next year, and the president announces that there will be openings for forty men. Many thanks to the sponsors of the league.

The same evening was dedicated to P.G.K. Stanley Jaworski and he was presented with a beautiful K.C. ring and a Gladstone bag. Many thanks to all who participated and to the visitors among whom was Lecturer Kolkowski of St. Joseph's Council. Thanks, too, to Bro. A. Kraft for the smokes and the preparations of refreshments.

BIRTHDAYS & ANNIV.

May 14, Bro. Leo Kucharski. May 17, Miles Balut, and today, May 23, Bro. Thaddeus Kiedroski. Anniversiaries: May 12, Mr. and Mrs. John Trzos—their eighteenth; May 17, Mr. and Mrs. A. Pucilowski—their eleventh; May 25, Mr. and Mrs. A. Kraft—their sixteenth. Happy birthdays and congratulations to all.

Council Briefs: A word was received by P.G.K. S. Jaworski from Privates John Zdzierski and Ed Podgorski at service in Fort Sills, Okla. Your scribe received word from Privates Ed Zytka, Fort Sills, Okla., and John Rosocki at Fort Custer, Mich. Best regards to you all from the council.

McHale's Grand Knight Urges Strong Finish in Barbecue Campaign

1-3 Tues. . . . . 150 W. 69th St.

With less than a month to go on the Bishop Sheil Barbecue Fund Drive, G.K. Tom Mulroy urges every member of our council to put forth his individual efforts to make the drive the most successful one yet. Chairman Chan, Eldon McGuire, co-chairman Leo Kareiva and the committee are doing everything possible to aid this drive. We all feel sure that if each of the members will do his individual part we shall have successful results by the time June 18th rolls around. Chairman Eldon McGuire is anxious to have a real representation at the Victory dinner, so fellows let's give it a real try.

DUES

Fin. Secy. Early Edgeworth is lending every effort to bring the dues of all the members up to date before the end of our present season. Time rolls on so fast we can hardly realize that next meeting is election night at McHale. On July 1st we will go forward with the officers who are elected for the coming year. For this reason Early is anxious to have as many as possible pay their dues now.

SOFTBALL

"Play Ball with McHale," says Manager Leo Kareiva and Leo Wimple, co-manager, the men who are handling our softball this season. Last Thursday night at Hamilton Park (our home grounds for the season) the Leos put the boys through a brisk workout, from all indications McHale's team this year will be much improved over last year.

There is still plenty of opportunity to play so anyone who desires to join should come to Hamilton Park, 72nd and Normal Blvd., next Thursday evening and report to Manager Leo Kareiva. He will put you right to work and you will have a lot of fun along with good recreation.

Let's get behind our team. We can win but we have to play real ball. For information call Leo at Rep. 7268.

NOTES

Bro. Jim Duffy, who had to give up the scribe's job on account of business, reports from Montana that he will be on the road until after June 1st. Jim has done a grand job on new members and this fine work is much appreciated by the entire council. Bro. Frank Cain, a McHale's old-timer is sporting a new Dodge, P.G.K.'s Jerry Sheehan, and Jerry Kennelly attended the banquet at the Stevens Hotel where tribute was paid Bishop Sheil for his completion of ten years service in the cause of youth. Before closing this week's column, let me ask in behalf of our G.K., our District Chairman P.G.K. Jerry Sheehan, Chairman Eldon McGuire and Co-Chairman Leo Kareiva that you will remember the Barbecue. Any news, call J. J. Kelly, Eng. 5151.

St. Cyr's Bowlers End Season With Banquet Program

1-3 Mon. . . . 1609 N. Halsted St.

Last Saturday night, some fifty bowlers, their wives, sweethearts, and the various sponsors attended a gala banquet held at Gus Corsiglias restaurant, and distributed the seasons awards. The Maniscalcos took the prize of the evening for team standings; Joe Gerace taking the individual honors. Each man on the Maniscalco team was presented with a trophy, with Joe Gerace getting the trophy for the highest individual bowler. Joe Lucania sponsor of the Lucania Undertakers presented trophies to his second place team. It was a grand affair, well handled by Coko who made a swell toastmaster.

The officers of the league wish to thank the various sponsors, and Al Long of the Monte Carlo alley's for their fine service. In return the bowlers thank the officers, James Cappetta, president; Joe Zeno, treasurer, and Cosmo Coniglio, the indefatigable, Coko, for a splendid job.

On Monday, May 26th, a meeting of the bowling league will be called at Eli Bates House. All those interested in bowling are requested to be present.

In conjunction with this session a barbecue meeting will also be held. All captains attention is called to the fact that only a few weeks remain in which you can make returns. Get after your man and urge him on to do his bit for this worthy cause.

WHEE!!!

The proudest man in the council chamber last Monday night, was the popular Sam Nicosia who as it is well known by this time, has become the proud father of a little baby boy. Exuberant over the little package from heaven, Sam donated two boxes of cigars to the boys, with the wrapper stamped "it's a boy." We understand that Babe Nicosia is coming along fine, and is happier now than she ever was.

St. Philip Benizi church, will this year conduct it's annual dance at the Lake Shore Athletic Club. Judge Joseph Burke, Past Grand Knight of St. Cyr council, is chairman, and Father Louis Giambastiani, is calling upon St. Cyr council, for it's undivided support in this jubilee dance. Tickets are selling for $1.00. Remember the night, Wednesday June 14.

Chairman of St. Cyr's roll of honor, informs your scribe, that he has received a communication from Private John Bonsignore who is now at Camp Forrest, Tennessee. We are also informed that the boys in the various camps are receiving The Columbian. Drop Tony Manno a a line at 821 N. Karlov avenue, or at 100 N. La Salle st.

ELECTION

At the first meeting of the coming month, the annual election of officers will be held. Be there to exercise your right of the ballot. And a word about membership. We're very near the century mark. In fact it is now about an even bet that we will make it. Put your shoulder to that wheel, and get that extra man to come into the council.

Polish night, with about one hundred and twenty-five men present was a big success. Chief Pole present, was the likeable, conservative Bruno Satkowski, who was master of ceremonies. There were a lot of new men present, which is an encouraging sign of a successful class.

Vincentians Spend $3,000,000 for Poor

Washington.—Figures given out recently at the meeting of the main governing body of the Society of St. Vincent de Paul, revealed that the total receipts of the Society in 1940 were almost $3,000,000. The members themselves contributed $127,000, a sum far in excess of what was spent on overhead thus practically assuring to the poor every dollar that was contributed by the public, the report points out.

Genoa's Communion Date Is Sunday at St. Joachim's Church

1-3 Mon. . . . . 7439 Cottage Grove Ave.

The last regular meeting of Genoa Council was called to order by G. K. James F. Riley, Jr., and after a snappy business meeting the boys retired to the rear to indulge in refreshments that were furnished.

Several chairmen of various groups reported on the progress their groups were making. All information given was very interesting and augurs well for the membership.

Due to unforeseen circumstances the council was unable to hold its regular Communion last Sunday and it is hoped that any one attending St. Joachim's last Sunday in order to go with Genoa members will return again this Sunday and participate in the Mass and Communion and attend the breakfast afterwards.

Chairman Thomas Reilly, former G. K. of the council, promises to each one attending this annual Communion Sunday that they will enjoy one of the finest in the history of the council. A breakfast unsurpassed both in food and entertainment and service will be had.

The officers of the council earnestly request you to be present this coming Sunday at St. Joachim's Church, 91st and Langley Ave., at the 8 o'clock Mass. Father King, Chaplain of the council, will be the celebrant of the Mass. Two of the city's outstanding soloists will be present as in former years, and Chairman Tom Reilly has assured us of an outstanding speaker.

Chairman Ed. Carroll of the softball group is making his contacts now for his softball team in order to get it lined up for the near future so as to engage in inter-council activity. If you are anxious to play this year contact Bro. Carroll or call G. K. James F. Reilly, Jr.

REMARKABLE STORY OF CONVERSION OF ENTIRE FAMILY TOLD

Baltimore.—Joseph McKenzie failed to rear his ten children in the Church, but they all became Catholics, his wife was converted to the faith, and two of his off-spring became religious.

This ususal family history came to light with the death here of Miss Mathilda McKenzie at the age of 86.

The McKenzies of Somerset county in Pennsylvania were of pioneer American stock on both sides of the family. Miss Mathilda's great-grandfather was a drummer boy in Washington's army. The Hostetter family, from which Mrs. McKenzie was descended, had purchased land in 1736 from William Penn's sons.

Joseph McKenzie married a Dunkard girl and promptly began to neglect his religion. Not one of his ten children was reared in the faith. Years later, when his eldest daughter was 25 and his youngest child four, McKenzie attended a mission at St. Michael's church in Frostburg, Md. One night he brought some pamphlets and other Catholic literature home from the mission, and immediately his wife and children began to show a deep interest in the Church. McKenzie returned to his religious duties, and soon his wife and all the children were baptized.

One of the boys, Elias, became a priest, the first pastor of St. Edward's parish in Baltimore. One of the girls, Ann, became Sister Aloysius of the Daughters of Charity of St. Vincent de Paul.

COLUMBUS' PROGRAM PROVES REAL TREAT

2-4 Tues. . . . . 6932 N. Clark St.

As predicted Doc Schuler turned out another nice evening of entertainment for those who were present at our last meeting. Three different types of motion pictures were shown.

It is really too bad that more of our members do not take advantage of the many nice evenings of entertainment that our Lecturer arranges as it takes plenty of time and trouble to satisfy all and that is what Doc tries to do. Many of the wives and lady friends of members were present and refreshments were served after the meeting and it seemed that our District Deputy Marco De Stefano took first prize when it came to eating ice cream.

Speaking of our District Deputy, we of Columbus Council think that we have the best in the city. Marco is always on the job, subject to call at any time. He has the pep and the enthusiasm needed to carry on his duties and we hope that he will be with us for quite some time.

Marco delivered a very nice talk on the Barbecue and it was a shame that every member in our Council did not hear it. I am sure that if any of you who find it so convenient to stay at home and let the other fellow do the work could have heard the plea that Marco made last Tuesday evening your dormant enthusiasm would have been aroused. It is hard to believe that one would sit on the sidelines and let Bishop Sheil do all this work alone and that is exactly what he would be doing if it were not for the red-blooded Catholic gentlemen of our Order who are assisting him in his work.

It is by the little bit of work that we ask you to do in this barbecue drive and the activities of his own organizations that keeps the wheels of progress going for him and if we should fail, so would he—now then I hope that you will run to that drawer and get out that book and dispose of it before it is too late. Remember the Barbecue Day at Riverview, is Wednesday, June 18.

NEXT MEETING MAY 27

We hope that many of our members will be present at our next meeting as Doc has promised another evening of entertainment or refreshments. It will be a good time to settle up on the Barbecue and meet some of your fellow members.

Charley Owens has quit the vacuum cleaning business and is now selling insurance in all types and forms, anybody interested get in touch with Charley. Saw Jack Schmidt along Devon avenue last Saturday buying furniture. You all know that the good looking and popular Jack is getting married in July—more details later. Did not see MacAlinden with him giving any advice.

Another former great athlete and friend of Columbus Council passed to his Eternal Reward last week in the person of Jerry Mooney former star catcher of University Council. Jerry had a host of friends throughout Chicago which was best attested by the crowds at his wake and funeral. Those who knew Jerry will miss him and we ask that the members remember him in their prayers.

The date you are all looking forward to—June 11th—St. Timothy's golf tournament at Rolling Green Country Club.

BUDDHIST MONKS GIVE $200 TO MARYKNOLL

New York.—Buddhist monks of a monastery outside Chungsun in the Kaying vicariate of South China collected $200 and gave it to the Rev. George Krock, Maryknoll missioner, to be used among sick and wounded soldiers in his mission territory.

Father Krock said that the two monks who entertained him at the monastery were excellent hosts. They heated water for him to wash his face, gave him tea, and seated him at a table well laden with peanuts and melon seeds. Many of the monks are deeply interested in the Catholic religion.

ETERNAL REST GIVE UNTO THESE THY SERVANTS, OH GOD

Oh, God, the Creator and Redeemer of all the faithful, give to the souls of Thy departed servants the remission of all their sins, that by the aid of pious prayer they may obtain that pardon which they have always desired through Christ, our Lord, who liveth and reigneth with Thee in the Unity of the Holy Ghost. Pope Gives Address to 4,000 in Wed. Audience

Vatican City.—The number of faithful who gather each Wednesday morning for the public audiences with the Pope have been increasing each week until April 30 there were 4,000.

The Pope for some weeks has foregone the practice of delivering a homily and instead goes from room to room offering his ring to be kissed and speaking now and then to individuals.

On April 30 there were 600 couples of newly-weds and many Italian and German soldiers. The crowd was spread out from the Hall of the Throne through the Hall of the Tapestries, antechambers, consistory and adjacent rooms up to the Hall of Clement.

It took the Pope from 9:45 to 1:30 to complete this task, which he is known to enjoy but which is a great physical strain.

Don't forget the early (Monday evening, May 26) deadline next week.

HUGHES LADIES VOTE PARTY SUCCESS AGAIN

1-3 Tues. . . . . 4711 W. Madison St.

Hughes Council's Ladies' Night on Tuesday, May 20, was a marked success. Each detail was handled superlatively, but then we have come to expect nothing less from Lecturer Joe Ryan and his able committeemen. The ladies' night featured "A Night at Monte Carlo," which had found so much favor with the ladies at a previous affair.

G. K. Dr. Louis Postilion had words of welcome for all the fair sex and their escorts, and it goes without saying that the evening moved along with smooth entertainment punctuated by happy laughter.

BOWLERS' PARTY

On next Wednesday, May 28, Hughes Council's Bowling League will have its post-season party at Frank Hayes' Barbecue, North avenue and Harlem, at 6:30 p. m. All of the bowlers, their friends, their wives, sweethearts, etc., are invited. The tariff will be $1.25 per person.

Bowling Commissioner Nicholas Mulroe and the Council League officers, notably Chick O'Malley, president, and Harold Enright, secretary, have endeavored earnestly to make this party a grand success, and the co-operation of all will assure it being a fitting finale to an extraordinary season.

COUNCIL ITEMS

Chairman George N. Daly, D. G. K., has his barbecue committee on its toes, but unless every member pitches in and does his share, Hughes Council will not finish in the blaze of glory to which our unit has become accustomed. You help the Bishop Sheil Underprivileged Youth Fund, you help Hughes Council and you help yourself by disposing of the barbecue books.

During June, Hughes Council will hold its annual election of officers. G. K. Postilion is particularly eager that every member participate.

Softball Delegate Charles A. O'Malley, aided by his alternate, Thomas P. Dailey, are busy whipping a good squad of softballers into shape for a big season defending the city-wide championship laurels captured by Hughes last year. Mgr. Frank Linskey is confident that the team will make a splendid showing and naturally is hopeful to gain a place in the finals. Temporarily at least, Hughes' home grounds will be the same as in previous seasons, at Fillmore and Kostner, where practice sessions have commenced. Any member desirous of playing should contact one of the aforementioned at once.

PERSONALS

Bro. John (Shadow) McDonald writes from Fort Casey, Wash., that he is becoming an artillery expert, for he is with Battery B, 14th Coast Artillery, at Fort Casey. Drop him a line.

Bro. Jim Kennison, another of Hughes' trainees, assigned to Camp Lee, Va., was recently promoted to corporal and when Fin. Sec. Dan Harper telephoned Mrs. Kennison so he could send Jim the bowling prize money, she could not keep the gratification out of her voice when she proudly announced, "Jimmy is now a corporal." Maybe Kennison will make the army his career!

We regret to learn that Mrs. Edward Gorman, charming wife of the expert bowler, had to undergo an operation in St. Elizabeth's Hospital last week. It is a happy privilege to report that she is doing nicely, and the prayers and best wishes of her myriad of friends is for a speedy and complete recovery.

If you read this on Friday, you can hustle right over to the Windy City Bowling Alleys, Cicero near 21st street, and watch Hughes Council's star bowlers compete in the IBA tournament. The team, made up of Erve Lauterbach, Sr., Thomas P. Dailey, Edward Hustoles, Albert Gilbert and Joseph Delaney, top average men in the council league, bowl in the tournament at 6:30 p. m. on Friday, May 23. Good luck, boys.

De La Salle Invites Last Minute Efforts for Barbecue Record

1-3 Tuesday . . . 1105 E. 47th St.

We are now in the final month of the Barbecue campaign. Treasurer Billy Meehan and his committee ask the help of every member in order to do our share on this great program for the underprivileged youth. Just once each year we are asked to participate in this worthy cause to aid those who do not happen to be as fortunate as we are. You would not deny to yours anything that you possibly could give them to promote their health and education. Surely we will not turn a deaf ear to our good Bishop and his call for our help.

For De La Salle council we hope that we will be successful but to do this we need the help of every member. We know that most of us are very busy and have many obligations but of all we ask your aid. If you have not yet done your part you still have time so please avail yourself of this opportunity to help.

DUES ARE DUE

With the end of the fiscal year only a month away it is the wish of the Grand Knight to have the affairs of the council in shape for the new administration. If you happen to be in arrears with your dues or assessments it will be greatly appreciated if you make a honest effort to pay up by July 1st.

We need some new applications for the First and Second Degrees, which we are to have at our own council the second meeting in June. Have you made any effort to get in that friend or relative who is just waiting to be asked to join our order?

Brother John Sullivan is now vacationing in California. Have a good time, John.

Chicago Hgts. Promises a Lot of Real Treats for Meeting Programs

2-4 Monday . . . . 1527 Otto Blvd.

Lecturer Oscar Fox has cooked up a surprise dish for our next meeting on May 26 at 8:00 p. m. sharp. A great surprise it will be, and we are assured of much entertainment and interest. Lunch and refreshments will be served as usual and we ask you, as true and loyal members, to be present on this occasion.

Inasmuch as the meetings of Chicago Heights Council are of such high caliber, it is a shock to us that they are not better attended. We wonder if the absentees are aware of the fun that they are missing. We should endeavor to attend more meetings and cooperate with our leaders.

COUNCIL AFFAIRS

How about the barbecue? Are you in full swing and getting stronger every minute? Our Grand Knight, Walter McMurray, or Matt Walwer, will be more than obliging if you pay them a visit in this regard. The purpose of the drive is sufficient in itself, without any decorative phrases from us to urge you on to new and greater attainments. It is a privilege and a joy to help those needy youngsters on the road of life. Won't you do your part—today?

SOFTBALL SEASON is here and as usual our council will endeavor to be represented in the league. It is important that our reliables check in along with the new timber that is needed and welcome. Please attend our next meeting, so that plans may get under way immediately.

SICK AND VISITING: We are sorry to announce that Mrs. Joseph A. Smith, wife of Bro. Jos. Smith, is confined at St. Bernard's Hospital in Chicago due to injuries sustained when she was struck by an automobile on May 14. The accident occurred at 67th and Halsted streets. The last report is that she is in a critical condition. Your prayers are urged for a speedy recovery.

Bishop Sheil Thanks Knights for Assistance in Care of Needy Youth

An expression of appreciation to the Knights of Columbus of Chicago for their part in furthering the care of the underprivileged youth here was delivered to Supreme Director Michael J. Howlett last week by the Most Reverend Bishop Bernard J. Sheil.

The letter, an acknowledgment of the valuable assistance performed by the local Knights through their efforts in the promotion of the annual barbecue in benefit of the Bishop Sheil Underprivileged Youth Fund, said:

"There are times when it is rather difficult to find the proper words with which to express sincere appreciation for the help and encouragement that have been lent to my work among the needy and underprivileged youth of the Archdiocese on the part of the Knights of Columbus.

"There are times, also, when it is indeed a pleasure and a joy to be able to acknowledge such aid—if only because of the wonderfully noble quality that always characterizes gestures of generosity and friendliness, whether these acts be among people of the same faith, or people of different races and creeds.

Lauds Charity Record

"The achievements and attainments of the Knights of Columbus, both in furthering the welfare of the community and the nation, are too well known to every member of the Order to need enumeration here. They constitute a brilliant chapter in the history of the Church in America, and every Knight should be rightly proud to identify himself with so fine and worthy a cause.

"Certainly another deserving cause—the cause of Youth—needs the sympathy and support of every adult, whether a member of the Knights of Columbus or not. In helping me help thousands of needy boys and young men who have come to the C.Y.O. in search of food, shelter and clothing during the past ten years, the Knights of Columbus have performed a service that will long be cherished not only by myself, but by the youthful beneficiaries of the program themselves, the thousands of boys who, either already grown into manhood or now developing into manhood, will always remember the care and the attention given to them and who will forever be grateful and thankful.

Will Attend Barbecue June 18

"To you, therefore, as Supreme Director of the 35,000 Knights in the Chicago area, I extend my heartfelt and profound appreciation for the splendid aid that your Knights have given my Underprivileged Youth Fund through these annual Barbecues.

"May I earnestly wish you, and all the other members of the Order, unprecedented success with this summer's Barbecue, which, through the grace of God I hope to attend on June 18th in order to express my thanks in person."

List Hundreds of Trophies for All-State Golf Meet

Advance Council Foursome Entries Indicate June 25 Tourney Will Break Record

The affair at Boston in 1776 had nothing on the tee party being planned for the Knights of Columbus at Olympia Fields here next June 25. There may be less feathers and fewer war whoops at Olympia that Wednesday than there were in Boston harbor, but there's sure to be just as much noise and cause for celebration.

Already more than five hundred trophies and other special awards have been lined up for distribution to the expected one thousand golfers who will attend this fourteenth annual All-State K. of C. tournament.

Attractive Program Planned

Thomas D. Griffin, chairman of the Illinois K. C. Athletic Commission and head of the tournament committee, said yesterday that the men in charge "are confident that no amateur tournament, and few professional ones, can equal in entertainment value or in sporting prominence the unusual features of the affair that is being planned for the Knights of Illinois next month."

"Our all day program," he said, "will provide every guest with all of the outdoor recreation that the varied facilities of the Olympia Club has to offer."

In addition to the free use of the club, tournament reservations also include luncheon at noon, refreshments on the course, and a place at the banquet Wednesday evening.

"The constant increase in reservations that we have experienced each year of the tournament and the steady flow of entries this season, have proved the popularity of this tournament over and over again. We know we have one of the finest social activities of the summer in this event and we hope that every Knight of Columbus will be on hand to enjoy it," Griffin said.

Invite Council Foursomes

Edward V. Turner, chairman of flight arrangements, appeared pleased with the number of council foursomes that have already been entered in competition for the Fred B. Snite championship cup, last won by Sid Smith and his team-mates from Archbishop Quigley Council. This event adds considerably to the popularity of the tournament as a whole, and it is hoped that an increased number of councils will enter their best foursomes in the flight this year.

Although the executive committee voted to discontinue the distribution of an award to each foursome, a score or more of other items have been added to the list of several hundred general prizes open to all tournament guests. Topping the list of these popular awards is the fur piece donated by Bro. John J. Moran of University Council, and the large domestic rug offered by the Olson Rug Company.

find when they visit neighboring cities in their off-duty hours that they have 'two strikes' on them because of their uniform and the over-loaded entertainment facilities of most towns.

"It is true that the townspeople do bend backwards to show their hospitality by offering clean entertainment and by providing sight-seeing tours, or other similar features. However, when the week-end loads of visiting soldiers from the camps enter these cities there simply aren't enough activities to go around."

There are thousands of young men in every Army camp in America, Curran asserted, who are starving for "the welcoming hand of fellowship and wholesome entertainment, simple privileges which, by providing to the soldiers and sailors of the last World War, earned the Knights of Columbus international fame."

Marquette Asks Large Attendance at Election Meeting Next Thursday

1-3 Thurs. . . . . 1928 Devon Ave.

Next Thursday, June 5, is the date of our regular meeting and a large attendance is requested to help in selecting council officers for the next fiscal year. As usual, refreshments will be served.

At our second meeting on June 19, we are inviting the ladies of our members to a card party on the council—at which we will provide them with sandwiches, cake and coffee. We want the ladies to read this column and to remember that we expect you on this evening and if necessary to show the initiative by leading that brother member up to our council chambers and especially do we (of the committee) appeal to that member who has absented himself for some time. We want his wife, daughter, sweetheart or mother to be with him on June 19. The committee feels sure you will be pleased with the program arranged for the evening.

HELP! HELP! HELP!

HELP WANTED! Only a fraction of our membership has disposed of their barbecue books. Two hundred members of Marquette Council should make their Bishop Sheil Underprivileged Youth Fund returns at our meeting next Thursday, June 5, or 25,000 kids will be without the necessary aid you extended last year. You aren't going to let tots go without food, clothing and shelter because you didn't do your best for the Barbecue.

Won't you please help in this worthy project? Bishop Sheil will thank you, and pray for you and so will the little tots who may never have had a chance in life if it were not for the good Bishop, and the charity of the members of our order.

SOFTBALL

Please communicate with Softball Manager Chas. B. Cronin (Sheldrake 5635) if you desire to play on our team, K. of C. league schedule is now arranged and this is the last call. Step to the phone, please, and call Charley Cronin if you are interested.

AMERICUS' ELECTION BOOKED FOR JUNE 10

2-4 Tues. . . . . 3350 W. Jackson Blvd.

The nomination of officers took place at the last meeting . . . too late to classify in this article. For full particulars see next week's notes. Election will take place at the next meeting, June 10th. Your presence at that time is vitally important.

CONDOLENCES

The Angel of Death has seen fit to summon to her eternal reward the beloved wife of P. G. K. Leo J. Joyce. Encouraged by the birth of a baby girl, Freida fought valiantly to stay and enjoy the pleasures of her recent blessing of motherhood. God must have some other need for such a kind and gentle soul. Strong willed, possessed of a beautiful character, she made the supreme sacrifice.

The passing of William A. McGuire was also a severe blow to his many friends in Americus Council. Bill was a member of Cornwall Post and of the 33rd Division veterans' organization. He received citations from the U. S. Government for meritorious military service in both the Spanish American and World wars.

DECORATION DAY

The annual Memorial Day Mass of Norman J. Cornwall Post, No. 275, American Legion, will be celebrated in the Novena Chapel at Our Lady of Sorrows Church, at 10 o'clock. Immediately following the Mass, Post members and the Junior Fife and Drum Corps will march to their monument at Central Park Ave. and Jackson Blvd.

In the evening Cornwall Post members will act as Guard of Honor at the 9 o'clock services. This will be the most colorful and impressive military ceremony ever undertaken. Americus Council members and their friends are cordially invited to join in the celebration of this great event.

COUNCIL ACTIVITIES

SOFTBALL practice is in full swing. The boys practice every Tuesday evening at Van Buren St. and Albany Ave. These teams have been unusually successful the past few years. All the young fellows are invited to get out to these sessions. You may have just what it takes . . . the particular talent required to make this year's team the most formidable aggregation of players in the K. C. League.

There has been a dearth of rooters, both male and female, at the games. Watching these young fellows perform is a treat in itself. Your presence at the scheduled games encourages them. Let's all get together and make this a banner year for the softball players.

MEMBERSHIP—Though a date has not yet been definitely established, a number of applicants will receive their degrees at an early date. If you have in mind anyone who is eligible, please see that he fills out an application, and bring it to the next meeting.

BOWLING—Last week's notes mentioned that full particulars would be furnished this week regarding Americus Council's participation in the I. B. A. meet at the Windy City alleys. On the way to Cornell Post meeting that evening, your Scribe personally visited the alleys to secure first-hand information. We arrived late, the bowlers had departed. We hope to have this information for next week's issue, because we know a goodly number of our members are deeply interested in bowling contests in which our members take part.

DON'T FORGET—(1) Election of officers next Tuesday evening . . . (2) Buttonhole that prospective eligible member and give him the works . . . (3) The list of delinquent members has simmered down to an almost negligible number.

General Sherman Asks Good Tournout to Pick Council Leaders Tues.

1-3 Tues. . . . . 4300 W. North Ave.

Our next meeting, June 3, will be of vital importance to us all. Come up and exercise your right of the ballot in the good old American way or forever hold your peace.

Your G. K., Joe Schmitz, is especially eager that every member participate. Our council being comparatively small but very large in its activities should make election night very interesting.

We had a large attendance at our last meeting. Sure nice to see some of you boys once in awhile. Why not come up more often. It really should have been Bert Welker night. The members paid him a tribute well earned for his hard work and good sportsmanship. For whenever Bert was asked to help on any committee he would do so willingly and unselfishly which accounts for so many of our successful affairs. Keep up the good work.

It is good news that we get from St. Anne's Hospital. Mrs. Joseph Traush presented Bro. Joe with a fine boy. All three doing nicely. Uncle Nick Traush is so proud he, too, is passing out cigars.

From our last report we understand Dr. Fleming is much better. Maybe now the good doctor will take it a little easier and get some of that much needed rest.

Don't forget Father Sesterhenn's sauer kraut dinner.

ON THE BARBECUE

Every member can find a great many reasons for offering the Knights of Columbus barbecue benefit of our good Bishop Sheil his complete support, notwithstanding, of course, the countless advantages it may hold for the council and the individual participating member. But we should not lose sight of the fact that the main purpose of this campaign is to promote a clean and wholesome life for the thousands of unfortunate children who otherwise might not have the opportunities that other boys and girls receive.

At a meeting of the officers recently it was voted that if any member rates two or more books he would be invited to attend the Victory dinner, which every member should attend if only to hear our beloved Bishop tell of the many uses for the moneys from this affair. Please make your returns early.

Bro. Jos. W. Deisenroth, our Fin. Secy., is new in the nursery business, The Greenland Nurseries, in fact. Joe deals in all kinds of flowers, bulbs and plants. The address is 5530 W. Berenice.

Due to rifling of the mail, some of the members who have sent dues are listed as being behind. We have warned you repeatedly to check this matter; if you find yourself on the Automatic Assessment Loan through your failure to check this matter, do not blame anyone but yourself.

NERI IN HOMECOMING CELEBRATION TUESDAY

1-3 Tues. . . . . 7515 Yates Ave.

Next Tuesday night, June 2, St. Philip Neri Council will hold a Home Coming celebration in the clubhouse that all the members might gather together on the occasion of the council's 25th anniversary. It's home coming for everyone. Oldtimers and newtimers alike are expected to reserve this meeting date as a "must." A fitting program has been prepared and Honorary Degrees will be administered to eligible members. We expect to see you.

Charley Girsch, one of the founders of the council, is chairman and he is assisted by Joseph R. Bohnen, Paul C. Corkell, H. J. Dalton, Ray Duffy, Peter J. Ewerts, John Golden, James A. Malooly, Gerald F. Ryan, Dan Hansen, John R. Thompson and Gerald J. Graham.

LAST MEETING

The First and Second degrees were conferred on a large class of candidates at the meeting last Tuesday night. The degrees were run in conjunction with Calumet and Santa Maria Councils and was under the able supervision of District Deputy Patrick Woods. The team performed nobly. Neri's new members are Arch Reagan, Ed. Donnellan, Jr., Harold S. Walters and Paul L. O'Toole.

WEDDING BELLS will ring on Saturday morning, June 7, for Roy Mills and Miss Margaret Olsen. The wedding will take place at St. Brendan's Church. At the conclusion of a brief honeymoon, bride and groom will part for Roy is a commissioned officer in the National Guard which schedules him into camp about the middle of June.

Another June wedding is that of Bernard J. Bitter, son of the esteemed Treasurer, who will exchange vows with Miss Wanda Rogall at St. Leo's Church on the 21st. Bernard has just received a commission in the U. S. Navy so he too may not be around very long.

IT'S A GIRL

The E. Kevin Glynn's are the proud parents of a baby girl—Marguerite Catherine—born on April 29. All are reported doing nicely.

We regret to announce the death on April 2 of Mrs. Glynn's father, Mr. M. Peltier. Also, Charles Kowalski's mother passed to her eternal reward during the Easter season.

Dan Hansen is back on the job after a siege of illness that laid him up for over two weeks. He reports to be doing well now.

Not doing so well is the son of Victor Gonya, who was seriously injured in an auto mishap a few weeks ago. The young man was on a vacation trip south when his car struck a bridge abutment near Morganstown, Ky. He was confined to the hospital there for several weeks and is back there now for treatment.

Mrs. Bert Kew is still quite ill. She has been below par for some time and we hope she soon recovers.

We don't suppose Joe Lapota is feeling any too good these days. Joe is the picture of health but he got his questionnaire last week.

Do not try to find out too much about your friends if you would retain their friendship.

Hennepin-Shields in Plea to Members for Aid to Charity Fund

June 11-25 . . . 446 N. Parkside Ave.

Next Sunday a collection will be taken in all the Catholic Churches of this diocese for the benefit of the Associated Catholic Charities, and the funds thus secured will be distributed as needed during the coming year to the various Catholic charitable organizations which look to the Associated Catholic Charities for assistance in carrying on their worthy and necessary activities. With all due respect and cognizance of present and future conditions, it is obvious that the institutions in question will need a greater amount of money in the coming year than the past and we believe it is the duty of every Catholic to contribute to this call next Sunday as generously as he can.

We mention this collection, as many might think that the Associated Charities contribute to the C.Y.O. According to our understanding, such is not the case. In carrying out his program for the Underprivileged Youth, Bishop Bernard Sheil has only himself, his friends and some charitably inclined people to look to for funds to continue his magnificent work. We hope that the Knights of Columbus can be numbered with his friends and charitably inclined people to help him in his efforts.

We trust that you will keep this in mind when disposing of tickets in your possession for the Annual Barbecue at Riverview Park on Wednesday, June 18th, remembering also that the efforts you put forth will have, not only immediate effects today, but will increase in value year after year, as the Underprivileged Youth of today becomes the worth while citizen of tomorrow.

Please endeavor to dispose of your barbecue tickets and make returns on same as promptly as possible.

ELECTION OF OFFICERS

Another year has passed by, in fact two years, since the junior Charles Costello was elected to office as Grand Knight of this council, the election taking place at the Midwest Club, Madison and Hamlin Ave.

Now comes another election and Grand Knight Charley is retiring on his laurels, feeling that neither present emergencies nor disturbed conditions make it necessary for him to seek another term. As he says: "I ain't running." Election of officers will be held at the first meeting on Wednesday, June 11th, at 446 N. Parkside Ave. We would like to see a large number of members present that evening.

THE SOUNDING BOARD

The retreat class at Mayslake the week end of May 16th numbered about seventy-five, of which over a dozen were listed as members of this council. We congratulate Chairman Jack Shealy on his excellent efforts in signing up the council delegation, and only for several unavoidable events, he would have had a much larger crowd. The retreat was conducted by Father Leonard and the retreatants were very highly edified by his lectures and conduct of the retreat.

Among those remembered as being present were Jim Woodward, who was responsible for five retreatments, including one non-Catholic, George Rogers, James Zarcene, Clarence McDonald, Joseph Gladstone, Al O'Donnell, William Gibbons, William Welch, Frank Cash, Frank Daley, Phil (Hap) Murphy and Chairman Shealy. Mike Hussey was there in a finincial spirit, if not in person, which also goes a long way. The retreatants returned to home and office Monday morning, happy and refreshed both in body and mind.

Although Jim Grace has lived within a block of us for over a month neither hide nor hair have we seen of him. Might as well stayed on the North Side. Of course maybe we don't go to the same places. Must look into that.

We hear Maurice Garvey is holding open house Decoration Day, account Junior Garvey is making his first Communion. All the uncles and aunts were invited so we will get in on some excuse.

It would be a nice thought to say a prayer Decoration Day for the boys who gave their lives for their country and one more that the boys of our time may not be called on to make the same sacrifice.

We see by the papers the British have lost their "Hood." A hood can be dispensed with, but when the British lose their pants, it will be time to worry. G'Bye.

It's as easy to tell how many needy children there are in Chicago as it is to count the waves in Lake Michigan. . . .

There's a Lot of Both

Like the changing surface of Lake Michigan, the vast army of our underprivileged youth changes too.

Sometimes — *more often than you think* — it's because some boy or girl drops out, victim of undernourishment, cold or ill health, things that so small an item as a cup of soup, a pair of shoes or a blanket might have once cured.

Sometimes — *not as often as you think* — that army changes because someone saw that the little needs were satisfied while they were still little — before it was too late.

You can help take care of a lot of those needs
while there is still time to take care of them.

Here's Our Chance

What is the most important problem facing the Catholic Church in the United States today? There can be only one answer in this crucial hour of national defense—the care of the morals and morale of the men in the armed forces.

Catholic chaplains in the forces are severely handicapped in their work because they are so few amongst so many. We can depend on them as key men at the point of action to do more than their share of the work of spiritual defense. But if we let them attack this problem alone without "all-out" civilian aid—they will truly be "the lost battalion."

Catholics have a paramount interest in what has to be done for the armed forces principally because the largest percentage of any religious group in uniform are Catholic men. Beyond this more selfish viewpoint, there are the aspects of brotherhood and the duties that we, as Catholics, owe to both God and country.

The first line of civilian defense of morals and morale has been put in the hands of United Service Organizations. This group is a composite of six service organizations who have combined their efforts and resources to handle the public welfare aspects of national defense. One of these six groups is National Catholic Community Service, a special organization set up by the Bishops of this country to care for the Catholic men in the armed forces.

Here in Chicago, the Archdiocesan Committee of N.C.C.S. has been organized under the direction of Archbishop Stritch. In its ranks are representatives of all the outstanding lay organizations within diocesan precincts.

Now it is not enough that these representatives serve on the local committee of the N.C.C.S. directorate. The plans that they are given must be translated into action by the organizations they represent. If the thousands who comprise the membership of the Catholic lay organizations act only then will the objectives of N.C.C.S. be accomplished. Beyond that there are many thousands of Catholics who are not members of any group but who should be willing, because they are Catholics and Americans, to volunteer financial and material assistance in furthering the cause.

This is the first time that Catholics have been given the opportunity to show what they can accomplish by collective action as a group for the cause of national defense. There must be no ifs or buts about it. Catholics cannot and must not fail to uphold all and even more of their share of the public welfare work contingent on national defense. They can do this best by supporting the program of the National Catholic Community Service.—*The New World.*

Chicago Heights Asks Full House at Election Meeting on June 9th

2-4 Mon. . . . . 1527 Otto Blvd.

Our next meeting, June 9, will be an all-important one. At this time we will select our officers for the coming year. Plans are completed for the accommodation of a large attendance of members, as it is the duty of all members to be present for the careful selection of officers.

By being present you will show your interest in the council and all of its phases, in its leaders upon whose shoulders the burden of promoting success is placed. Our Grand Knight is especially anxious to have a large crowd, so that an enthusiastic meeting may be held. Let's fill the hall at 8:00 on June 9.

BARBECUE

Do you know that the Barbecue is less than three weeks away? That doesn't leave much time, so hurry and don't let yourself be termed a slacker or a quitter. We as Knights of Columbus should do all we can to aid Bishop Sheil in his marvelous work among the poor youths of Chicago.

IN MEMORIAM

Today, Decoration Day, we will offer our prayers for the departed members of our council, for their relatives and their friends, that God may grant eternal rest to them. Your scribe would also like to remind you that the Grand Knight or the secretary of the council should be immediately notified in case of the death of a member or a member's relative.

Any sick member, at home or in the hospital should see that notice of his illness is relayed to us. We consider it a binding duty to console our members at such a time, and appreciate receiving notification so that we may do so.

University in Appeal for Generous Efforts in Barbecue's Behalf

2-4 Tuesday.....St. Ignatius Auditorium

The Barbecue for the benefit of Bishop Sheil's Underprivileged Youth Fund is less than a month away. Barbecue Chairman Jim Dolan begs all those who have not as yet contributed to this most worthy cause to get busy immediately so that the Council can do its share. A successful Barbecue campaign will top off this year's successful season and show University to be the leading Council on the North Side.

MEETINGS

This week's meeting cannot be reported now since the Editor has called for an early deadline because of the Decoration Day holiday. However, the meeting is listed as a memorial to those members who have died during the past year. It is also scheduled to honor our past Chaplain, Father F. G. Dinneen, S.J., on the occasion of his Golden Jubilee as a Jesuit.

At the next meeting on June 10 the election of officers will take place. No rumor of machine or other politics has reached the ears of the scribe, but it is hoped that there will be a large turnout so that the election will reflect the sentiment of a majority of the Council members.

Wise men make mistakes; fools continue to make the same mistake.

BARRY INVITES EARLY RETURNS IN BARBECUE

1-3 Tues. . . 2856 Washington Blvd.

The barbecue committee asks that all members who have sold books will please make returns to the financial secretary as soon as possible so that an account and accurate report of our progress may be made at the next meeting.

Take your book out of the dresser drawer and make returns at the next meeting. Help us bring your council to the top of the list in this campaign to aid youth to a better and cleaner life. No better opportunity can be had to do a real work of charity with less effort than the sale of your barbecue tickets.

BARRY DEFENSE UNIT

The Barry defense unit which started out so clumsily last spring has developed into a real military unit with all the "esprit de corps" that could be hoped for. In that period we have not lost a single member, and except for sickness not a member of the company has missed a single night's drill at the gymnasium at Barry clubhouse.

What better opportunity could be afforded to any loyal red-blooded American than to prepare himself for any emergency? We don't know what is in the cards for the future, and I am sure that a man who is trained is far better equipped to take care of himself and his loved ones than one who is not. From the health angle what better time could there be for a man to get the kinks out of his system from the winter than a few simple calisthenics and a little snappy close order drill?

For the benefit of any of you men who are now reading this, why don't you come down some Friday evening any time after 7:30 and watch the boys drill, and if you are interested, see Lieut. Robinson, who will be happy to explain anything you may want to know regarding the organization.

BARRY ITEMS

This is just to let you know that Bro. J. J. Boland was meandering around Massachusetts, and apparently enjoying himself, from his postcard to us recently. We are glad to hear from Bro. Boland and trust all of our brothers who travel will drop a card to the clubhouse.

Our prayers for the speedy recovery of Bros. Jim O'Connor, who is at the Mercy Hospital; Bro. Anthony Marek, who is at home at 4627 W. Chicago avenue, and Bro. Bill Goggin at home, 163 N. Humphrey, Oak Park. We need you fellows back on the job and hope to see you again soon.

We are very proud of the brothers who have gone out and worked like the dickens on the barbecue and are confident that those who have not reported will demonstrate that they, too, have been on the job in true fashion.

At the last meeting, Bro. E. C. Weigle carted away a fine radio presented by the council as a reward for his good efforts in behalf of the barbecue campaign. Several more will be distributed to the hard-working members at the next meeting. Come up and get yours.

Have you been reading the "Remember" column found on page four of The Columbian most weeks? There have been several nice pragraphs about our council, some submitted by our members and others dug up by the editor. We have a lot of important council history, so let's send in a few more items and acquaint the folks with what we have accomplished.

ECHOES OF MAY 17TH

We understand that Bro. John Wil has been found. Johnny disappeared Saturday night and for awhile all ho his return was abandoned. Hov like the proverbial bad penny, J turned up—and he didn't miss a either.

How about that impromptu duet took over when the orchestra gav Mammer Morrissey, sitting in for Br (who was attending a meeting of the becue committee in White Su Springs) and Gert O'Malley sat in traps and piano, and there ensued rific din. How they could start and ish together and go their separate in between, will always be a myste us.

e ran into Grand Knight Bill Cun-gham one night last week. (Guess ere?) He had just returned from a eting of the North Side Barbecue Com-tee. He was looking a little down in mouth. At first we thought he had gered his last confederate dollar on ter's Cap in the Derby. When he ed me if I could guess how many O'Connorites had come up with Bar-ue returns, not wanting to be accused overestimating, I replied, "About 90." next utterance almost floored me. said, "You missed by a little bit. 've received exactly ten returns."

Ve're just hoping that some bloke from ther council doesn't mistake this col-n for his own and take a gander at it. ie does, and the word gets out, we'll the laughing stock of the order. Just gine, ten returns from over five hun-i members. At first I thought there some mistake. Therefore, I gave Finsecy, John Metzen, a jingle and rerified the Grand Knight's statement. or weeks we've been writing about hop Sheil and his great work in be-f of Underprivileged Youth. Herb ffis of the Times and Arch Ward of Tribune, authors who make our mn look like it was copied from a grade primer, have also been devot-a great deal of space to the same lect. Recently men from all over the ld gathered in Chicago to pay tribute his great Champion of Youth. And , when Fr. O'Connell is extended the ilege of joining in this great move-t, we have to plead with you to so.

erhaps we're a bit premature in taking to task. Maybe there'll be an ava-he of returns next week, which will arrass me to the extent that I'll to a bright shade of vermillion. And sure you, that if this should happen-'ill be a pleasure.

KNIGHT LIFE

nny how clannish the Irish are. elie Dineen will travel miles just to a bright eyed colleen sing Irish songs . . . Take Eddie Wilson's word for it. Trying to beat the evening prices at your neighborhood cinema is false economy. Eddie tried it last week and he knows.

The council softball team worked out last Thursday evening in spite of a California dew. And now Manager Bill Sullivan is thanking his stars that he decided to play the boys in spite of the rain. He has discovered another star. (That word "another" might cause a little discussion.) Father Phalen, a new member of the council assigned to Our Lady of Mercy Parish, now figures prominently in Bill's hopes for a title this year. The young priest is dynamite at the plate and is as sweet a fielder as we've ever laid eyes on. . . .

A married men versus single men softball game was scheduled for last Sunday afternoon, weather permitting. Bill Sullivan joined the henpecked lads with such stars as Doc MacDonald, Jack McGuire, Maurey O'Brien, Dick Navin, Phil Doyle and several others. The boys whose pockets still jingle were sparked by Ed O'Connor, Chuck Dineen, Ed Wilson, J. Raymond Bodkin, Tom Mahoney and other future soldiers.

Art Bradford is having a different type of trouble. He has a tough time losing at pin ball games. . . . . An expedition whose ability is approached only by those of Admiral Byrd will set out to accomplish great things in the near future. All members of the crew will be members of Fr. O'Connor Council. Because of the danger that foreign spies might read this column (somebody reads it) we are not able to divulge further

If you want to sit in on a series of ifs, whys, buts, excuses and arguments just watch a euchre game in which Bill Messett and Frank Kotnaur are partners. . . . Back again for another season of bat watching is little Mickey Sullivan, son of Manager Bill and apple of the team's eye. There's no danger of any equipment being lost when Mickey's around. He firmly believes that the bigger they are the harder they fall. . . .

The next council meeting, Thursday evening, June 5, will be the occasion of the annual election of officers. It is the wish of Grand Knight Bill Cunningham that a representative number of members will be present to select capable men for the various offices.

Just in case our opening paragraph might be misconstrued, we really consider it a privilege to work with our editor, Harold DuChateau. He has always been more than willing to cooperate with us and on several occasions has granted us privileges for which we felt hesitant to ask.

[That July Fourth deadline is STILL an early one!—Ed.]

Damen's Officers Will Be Chosen at Meeting of Thursday, June 5th

1-3 Thurs. . . . . 6 N. Hamlin Ave.

Election of officers comes on June 5, the first Thursday in June, in our council chamber at 6 N. Hamlin Ave.

Grand Knight William J. Hopkins has completed his second term as executive officer of Damen Council and is now retiring, as is the custom.

Who shall succeed him to carry on the splendid program of achievement for the council and the order? The answer, and the naming of the individual to captain our ship is in the hands of loyal Damenites. Be at the meeting on June 5 and call the turn on all your officers for the coming year.

MEMBERSHIP

First and second degrees will be conferred on the candidates of seven affiliated councils of the west side on June 19. Our officers will invest these candidates in our council chamber under the direction of Damen Council. How about signing up that prospect now?

DAMENEWS

Softball is coming into its own in Damen. Under the leadership of Wally Fitzgerald and George Reithal a fine team is shaping up. Why not join the players? See Fitzgerald or Reithal at next meeting.

Barbecue, barbecue, no fuss, no bother, just kick in, hit your bosses, watch them grin ——— Sure, brother knights, it's a pleasure to invite everybody to the big K. of C. barbecue at Riverview Park.

The knights of Chicagoland may well be proud of their work for the underprivileged youth of Chicago by their assistance to Bishop Sheil. You are part and parcel of this humanitarian movement when you assure its financial success. See Financial Secretary Jim Crowley or Chairman John Caulfield as soon as possible.

George Reithal, Jr., our lecturer, took the important step on Decoration Day. With Katherine Hastings he exchanged the vows of matrimony at Our Lady of Lourdes Church. So to the groom and to the bride we say: May the blessings and joys of a happily married state be yours.

We are sarry that the sadness of parting has come upon Thomas J. Foy. His brother, George O. Foy, was called to his eternal regard and laid to rest May 27 after mass in St. Thomas Aquinas Church. May God grant him eternal peace.

John Caulfield, deputy grand knight, is battling the flue germs.

Don't forget election of officers June 5.

Dowling to Elect Council Officers at June 10 Meet

2-4 Tues. . . . . 3625 S. Hoyne Ave.

At our next regular meeting, Tuesday, June 10, at St. Maurice's Hall, 3625 S. Hoyne avenue, we will hold our annual election of officers for the ensuing year. This is a very important meeting and your Grand Knight wishes to stress the importance of your presence.

This meeting is important for the reason that the officers selected are to represent you for the year and you should take part in picking these men and use your judgment to elect the officers that are best fitted and an asset to your council. If in your estimation you are not satisfied with any officer this meeting is the time to express yourself and not after he is elected. It is your duty as a member to be in attendance and help place men of ability in office to guide the destiny of your council.

Your G.K. also wishes to inform the membership that all members in good standing and of third degree rank are eligible to seek office.

MEMBERSHIP

Our drive for members is going strong but our Chairman D.G.K. John Deschner is not satisfied with present results. We have until June 30th to reach our quota of 90 applicants and again he is appealing to each member to get at least one new member. Our council has never failed in the past and I am sure that the brothers will put on a sprint and finish 100%.

THE BARBECUE is less than one month away and Chairman Harry J. Lorden is anxious for returns. If by chance you laid your book to one side, lets get it out and take care of the matter as it merits every member's support.

BLOOD DONOR—P.G.K. Raymond Gerber is waiting for the brother that would like to join the honor roll and have his blood typed and become a member of the Blood Donor Group.

SOFTBALL — Marty Kenny Jr. is looking for some softball players. If interested phone him or Tim Cronin.

GOLF—We are in the process of organizing our committee for our big day known as Grand Knight Frank J. Barker Day. You will receive tickets and we hope you give us your cooperation.

COUNCIL NOTES

IMPORTANT—Due to the summer season I find news items very scarce and in order to keep your Column interesting I must depend on you brothers for news. Drop me a card when you take that vacation. R. F. Kelly, 7th floor, 910 S. Michigan Ave.

Our P.G.K. Earl S. Dunne celebrated his 15th anniversary in the tire business with a dinner and a very elaborate show at the Congress Hotel on Monday evening, May 26th. We congratulate Earl and wish him many more years of prosperity.

Several of our members are ushers in St. Gall's Parish. Jim Riley, Henry Fortier and Tom McGeehan.

St. Gall's Parish in sponsoring a picnic at the Oaks Grove on Sunday, June 29. Many of our members belong to this parish and merit our support and cooperation.

The Wollschlager Undertakers won the bowling championship of St. Maurice Holy Name Society League, which bowled at the 35th and Archer bowling alley. The league held a huge bowling party in St. Maurice hall and a beautiful bronze plaque was awarded to the winners. We are proud to mention that two of our popular members and bowlers in our league, namely, Gene Connelly and Jerry Wollschlager, were bowlers on the champions' team.

Harry Lorden is now taking names for members desirous to bowl with our league next year. If you wish to bowl send in your name to Harry Lorden, 3350 S. Paulina St. It makes no difference what you roll—you can be placed on a team.

Our popular dentist Dr. R. C. Michels brought his movie projector with many pictures he took in Mexico and showed them to the brothers. We thank Doc for his interest in the council and invite him to show us some more in the future.

We are happy to report that our past chaplain, Father M. J. Kilbride, has left the hospital and is recuperating.

La Rabida Fourths to Hold Dinner Meeting Next Wednesday Eve.

2-4 Tues. . . . . 6236 Princeton Ave.

On Wednesday, June 4, La Rabida Fourths will hold their regular monthly dinner meeting at Hofmann's Grill, 821 W. 69th Street. A choice steak dinner will be served promptly at 7:00, and the meeting will follow immediately thereafter.

You will note that the meeting this month, which will be the last of the summer season, is being held on Wednesday evening instead of Thursday, as several members have heretofore reported that Thursday was too inconvenient for them to attend. Let's have a large attendance present on this occasion, brothers, as this will be our last opportunity to break bread together until fall.

BARBECUE

Just three weeks remain until the date of the Barbecue—June 18. This splendid project is in benefit of Bishop Sheil's Underprivileged Youth Fund. It will be an outstanding success as far as La Rabida is concerned, if only each member will do his share. Bro. E. C. Tacci has already disposed of seven books, so everyone of us should be able to account for one. Bro. John Farrell and his committee have worked hard on this activity, so let us not fail to do our part.

GOLF MEET

The annual golf tournament sponsored by the K. of C. will be held at Olympia Fields Country Club on Wednesday, June 25. This will bring together many of the outstanding golfers in this jurisdiction.

However, should your game of golf be good or bad, there will be a place for you in this tournament. Keep the date in mind and take advantage of this opportunity for a splendid day's outing.

MEMORIAL MASS: Friday, May 30, at Old St. Mary's Church, 9th and Wabash, the annual Solemn High Mass for the souls of the departed members of the Order will be celebrated. All who can should attend this Mass and join in prayer for those who once were associated with us.

The lucky gents who left the meeting with two ducats each for the game were D. D. Pat Noonan, M. W. Williams, Mike Hofbauer, and Howie Meagher. Lucky lads.

FAST WORK

Has been done by manager Jim Casey with the softball team. He claims that a goodly crowd of players has been showing up for practice at Boyce Field. Next practice date is set for Tuesday night at that spot. First game Tuesday, June 3rd.

Biggest problem now is to uniform the lads.

NO WORD YET

About the Golf Tournament. After all our delicate (?) hints and open action on the floor the subject is still a closed book. Of course we're not pointing a finger at anyone, but it sure looks strange with all of our woods and irons liars going around with their tongues hanging out.

And that's no bunk-er either. (ouch) It's not a fair way to treat the guys.

REMEMBER

You only have about two weeks in which to complete your Barbecue records. And F. S. John Pollick is awaiting you with open arms. What we couldn't do with two thousand cart wheels! Man, oh man—aw, we can dream, can't we?

HOLIDAYS

Are the nuts for everyone especially us, because then we can loaf and pity the poor sucker who has to labor. It also provides the boys who do sneak away for a couple of days an opportunity to do a little prevaricating about golf, fish, etc. And—it also gives us a beautiful alibi for no column.

OOPS!

We almost closed the col. and we just remembered the nasty remarks the Editor and Scribe of Englewood had to say about us last week.

Well, we talked to Billy Webb about this Junior League—you know Billy just built a home out in Beverly Hills and he was having a little trouble with the hot water tank. So we checked the whole pipe system and finally found a joint that was clogged and when we opened it we found some mud in it that some careless pipe fitter left in there. Everything is O. K. now and Bill says he doesn't have a bit of trouble. (This is where we came in, Auntie, let's go now?—Ed.)

Nazareth Urges Full Support for Charity Collection This Sun.

2-4 Tues. . . . 17 W. Harris, La Grange

In this column from time to time we have advocated, in as strong a manner as possible, the cause of Catholic Action. There are many forms of Catholic Action, which brings us to the subject in mind, the Catholic Charities Collection which is to be taken up at all churches next Sunday.

Here is a glorious opportunity for each of us to participate in something really worth while. Sometimes we may think that things are tough for us. We may sometimes grumble because we do not have all the things we would like to have, but what about those people, old and young, who live in the various institutions maintained by the various charitable organizations in our diocese?

Think about the aged who are alone in the world, the children who were it not for the loving ministrations of our kind Sisters would doubtless be lost to the faith. We beg of you, men, think of these things, think hard and long, remembering the cardinal principle of our order, Charity, then give and give plenty even if it hurts a little.

In another field of Catholic Action we note a very fine thing which appeals to us greatly. St. Joseph parish in Downers Grove has no facilities for providing a high school education for the children of the parish and as a consequence, practically all these children are forced to attend the Downers Grove High School. Every year at graduation time our boys and girls have been placed in a position where they have been more or less forced to attend a non-Catholic religious service for their baccalaureate ceremonies. This was the picture until last year when the pastor, Rev. C. F. Meade, provided for these services to be held in the parish church. The services were held again this year last Sunday. Right here and now we compliment the Rev. Fr. Meade for his action. More power to him and may he continue the practice.

A word to those of us who are members of the Third Order of St. Francis. Don't forget next Sunday. The rally of Tertiaries of the Chicago district will be held at Holy Name cathedral at three p. m.

POT SHOTS

How are you doing with that barbecue book? Still got it? Well, for goodness sake, how come? Keeping it in your pocket huh? Now you listen to me. Didn't I tell you before not to do that? Does a merchant sell his goods by keeping them down in the basement or in the storeroom? He does not. He displays his goods, puts them where the public cannot fail to see them. Why not do that with that book? Get it out in plain view. Make people ask you what it is, then sell them. If you are not so good at selling or maybe do not have the opportunity to sell then let the book out to one of your friends, or the girl friend or the wife, or your son or daughter.

Last winter at the Downers Grove bowling alleys Brother Spevak was having one of his rare bad nights and he was heard to mutter something to the effect that he couldn't understand why everything had to happen to him. Wonder if he is still in the same frame of mind. The reason? Mrs. Spevak stepped into the local movie house last Saturday night, entered her name as a contender for the awards and doggoned if she didn't win.

Brother Mayerowicz walked the plank recently. Off the deep end and splash into the well known sea of matrimony. Congratulations Hank. May it be a long and happy life. Joe Mrvicka of Downers Grove is a recent papa. He has complained in the past that his gas station business kept him on his feet too much. You "hain't seen nothing yet," Joe. Congratulations. Hope mother and baby are doing well.

Genoa Enjoys Fine Communion Program at Annual Services

1-3 Mon. . . . . 7439 Cottage Gr. Ave.

Genoa Council held its Annual Communion Sunday last Sunday and a large attendance was present and thoroughly enjoyed the breakfast and repartee. The whole affair was efficiently and capably handled by chairman P. G. K. Tom Reilly who used his inimitable wit and sarcasm to a happy medium.

Among the speakers were Father Joseph King, Genoa Chaplain who celebrated the Mass, Bro. Michael F. Mulcahy, Bro. and P. G. K. Frank McGillen, G. K. James F. Riley, Jr., and several other brothers of the council. Mr. Ryan and Mrs. Keating entertained the breakfast group with their singing and piano playing. The Mass was also made more beautiful with the singing and playing of Mr. Ryan and Mrs. Keating.

However, with all that were present there were still several well known members noticeable by their absence. It is difficult for the officers and other members of the council to excuse this neglect on the part of the membership. Perhaps though it was due to the fact that there was a slight misunderstanding due to the date on which the Annual Communion Sunday was to be held. We hope that that was the cause and that no other reason would be deemed sufficient, even by the members themselves.

ELECTION OF OFFICERS

The next meeting of the council will bring together the membership for the purpose of electing new officers. At this meeting which of course is the outstanding meeting of the year it is hoped that a record breaking attendance will be present. It is also hoped that there will be no misunderstanding of the rules of the council and of the Knights of Columbus organization that is, that in order to vote every member must be paid up to date with his dues and insurance premium. The members of the council are in rather good shape along this particular line. However, there are several members that are in arrears. It is hoped that this matter will be straightened out before or on that evening. Contact Bro. Walter Kramer or G. K. James F. Riley, Jr., about this matter at once if there is any doubt as to your standing in the matter.

Historians tell us that Lucullus, Roman Consul and General, spent the equivalent of $10,000 for a single meal for Caesar, Pompey, and himself.

Calumet Puts on Full Speed for Barbecue Drive

2-4 Mon. . . . . 6646 Stony Island

At our last meeting Chairman Ty Hyland made a comprehensive report on the condition of our own "national" affairs. Principally concerning our standing in the drive to help our good Bishop Sheil in his worthy undertaking of aiding the underprivileged youth of Chicago.

As we write these lines we can visualize the many members of Calumet at home with their families, enjoying good things of life. But there are many thousands of families in Chicago where enough food is never at hand for the hungry children. Now you have the opportunity to do a good turn for these unfortunate children. We furnish the man-power and the organization to see that these children will be properly fed to aid them in education so that they will be able to carry on thru life.

We must appeal to each member of Calumet Council to make a last hard final drive for this barbecue. At the present time we are equal to last year's standing but that is far from satisfactory. The percentage of members who worked last year and did such a splendid job, was but a small percentage of the membership. This year Chairman Ty Hyland is making an earnest endeavor to bring every member into the picture and we hope that the response between now and the date of the Barbecue, June 18, will be heavy and will include the name of every member of Calumet. Let's make it a grand slam.

We are appreciative of what you have done so far, and will more than appreciate your continued efforts to the closing date. Mail your checks to Ty Hyland or Walter Popjoy at the Council office, and do it now.

SOFTBALL NEWS

Calumet's softball team has been practicing for the past month and is now ready for the opening game June 5. Our opponent and place of the game will be announced later. SUNDAY NITE CLUB—In spite of the warm evening, a fine crowd assembled for this last meeting of the season. Bro. Michael P. A. Murphy was an unexpected visitor, and furnished some fine impromptu entertainment. Terry Scully made a fine M.C. and through his efforts much enthusiasm was evidenced by the ladies for our picnic, about which you will hear much in the near future. Bro. George Harrington in his usual good manner kept the card games going, and handled this detail to the entire satisfaction of all. Chairman Gene Davis wishes to express his thanks to the members who h aided him throughout the year wh has made his task an easy one. A our thanks to the many boosters a guests.

COUNCIL NOTES

O'Connell Cites Many Reasons for Helping Youths Thru Barbecue

2-4 Tues. . . . . 1100 N. Franklin St.

We learn with regret that Mrs. Bertha Beck, mother of our Bro. Ted Beck, passed away suddenly during the past week. Mrs. Beck suffered a heart attack on Thursday morning. Due to the suddenness of this tragedy it was impossible to summon the entire council to attend the wake, however a goodly number of the members were present. The prayers of our entire membership will be offered for the repose of her soul.

Everybody's talking about the barbecue on June 18. Tell your friends about it and don't forget to be at Riverview Park on this memorable day. Remember your attendance at this great affair will bring countless hours of happiness and fine opportunities to the poor underprivileged youth of our great community.

Those of you who attended last meeting know what this affair means to these unfortunate children. The following are among the activities that are afforded them:

Religious activity comprising Holy Hours, spiritual rallies, retreats and Novenas; recreations—athletics, games, boys' camps and vacation schools; education—scholarships, study clubs, Lewis School of Aeronautics, etc.; social service—home for dependent boys, home for parolees, medical centers, dental department, counseling service, employment bureau, etc.

So you see the great work your cooperation in this activity will do. Let's get behind the barbecue one hundred per cent.

That's all until next week when I'll give you the lowdown on the meeting held Tuesday, May 27. In closing may it be here stated that ye scribe on last Thursday turned 31 years old. Be seeing you, gang.

covery to you, old pal. Bro. Geo. Lewis made a hurried departure from the meeting chambers prior to our last meeting, due no doubt to the excitement that attends each session. He is slowly recovering from a recent illness, and he was ordered to keep away from anything that might cause too much pressure on his nervous system.

Dan Herlihy, cast and all, is back to work, but is taking things easy these days. That "nimble-footed" gentleman, Jerry Bousk, is hobbling around these days on a sprained ankle. It must be pretty tough when a fellow can't get around to see his girl friend and, oh, how he misses her. Congratulations to the Peter Orricos; the bride is the former Josephine Petramala, sister of Eugene.

SOFTBALL NEWS

Having missed the last session of practice this worthy scribe does not know whether they played their scheduled game against Lafayette Council. Be it as it may or may not, the softballers are surely getting in shape, and very rapidly, too. Remember the season opens next week, boys, so get out there and support your team.

Attendance has been very poor at these games in the past, so, fans, let's show a little more interest this season. Games will be played as usual on Tuesday and Thursday evenings at 7 p. m. Our home contests will be fought on the same battleheld, Columbus Park, Austin an Harrison Sts. Plan to be there and give Mgr. John Failla's best team in years a grand send-off.

Auburn Pk. Increases Barbecue Committee For Drive on Record

2-4 Thurs. . . . . 7740 S. Emerald Ave.

On last Thursday evening, May 22, a special meeting of the enlarged Barbecue Committee was called prior to the regular council meeting at the clubhouse. The members outlined a program that will merit your cooperation to make this venture a success. According to the records we are slightly ahead of last year's results, but have set the goal at one hundred books and expect to accomplish this within the next four weeks.

A list was compiled by the Grand Knight and Chairman John H. Coughlin and each of the committee took a list of ten names and promised to contact these members within the next week. Then just prior to the week of the Barbecue another contact will be made, and with this definite program we should obtain some excellent results.

The committee in charge of the Barbecue asked for a list of voluntary workers at Riveview Grove on June 18th and Bros. James Sheil, Niel Hartnett, Chas. Connelly, John Corcoran, Niel Houtsma and John Coughlin, along with the Grand Knight, will represent Auburn Park on that occasion. Just keep in mind that these tickets entitle the bearer to entrance to grove on the day of June 18th. Impress this upon your friends and be assured of an excellent turnout either in the afternoon or evening of June 18th.

BR. BOYLAN SERIOUSLY ILL

The chairman of the Sick and Wake Committee reported at the meeting last Thursday evening that Bro. John F. Boylan is seriously ill at his home at 8323 Hermitage Ave. Bro. Boylan has been ill for some time, but has taken a turn for the worse, and while no one can see him at the present time, we hope and pray for his speedy recovery. He has been a member of the council for many years, and in the old days was one of the many active members.

TRUSTEES MAKE APPEAL

It is not necessary to outline the activities of our Trustees and finance officers of the council during the past eighteen months. In order to show our appreciation we should heed the appeal made by Bro. John Rooney at the last council meeting to make a special effort, both Insurance and Associate members, to pay dues and assessments prior to July 1st of this year. They have a very special method in making this request, inasmuch as at that time, the State and National per capita assessments are due and payable, along with other financial obligations, and unless you all cooperate by balancing your account with the Financial Secretary this will be impossible.

The council audit will be made shortly after the first of July, which is the end of the current fiscal year, and to reduce the amount of uncollected dues this procedure is very necessary.

SOFTBALL TEAM

Bro. Tom Cole, our softball representative, announces a change in the location of the practice field. On Monday evenings hereafter the boys will assemble at 80th and Normal Ave. at 6:30 o'clock for practice, and on Thursday evening will be at 77th and Yale on the Street Car Men's Field. Brother Cole also states there is room for several more players and if any are interested call Tom Cole at Prospect 5759 or Paul Byrne at Vinc. 1330 any evening between six and six-thirty o'clock and come out for practice at the two locations. They are playing a practice game each week and last Friday evening met the fast aggregation of Street Car men at 77th Street. Tom says the league play will get under way not later than the first week in June.

Brother James Casey attended the last Council meeting and reports that he expects to join with the draftees of his District and enter into Uncle Sam's Army on June 3rd. We wish Brother Casey the best of good luck and hope his advancement is rapid.

Brother Joseph Porter, one of our members in the service, is in Camp Lee, Va., in the Quartermaster Corps, and requested a K. C. traveling card, so expects to visit the Council in the east during his stay in Virginia. Joe seems to be getting along very well and is feeling fine.

Quigley Members Will Cast Ballots Tuesday for Council Leaders

1-3 Tues. . . . . 1035 W. 31st St.

At approximately 9:15 p. m. Tuesday night, June 3, District Deputy Patrick E. Noonan will call the assembly to order, appoint the necessary clerks and tellers, and then declare nominations are in order for the following officers:

Grand knight, deputy grand knight, chancellor, advocate, recorder, warden, treasurer, trustees, inside guard, two outside guards, delegate to state convention, two alternates to state convention.

The above is in accordance with by-laws which state that all officers except the financial secretary, lecturer and chaplain, shall be elected annually by ballot, at the first regular meeting in June of each year, and shall hold their offices for the term of one year.

It is the duty of every member to partake of this election. The officers are but the voice of the membership. They are Quigley's representatives here and in other spheres of Knights of Columbus activities. You alone possess the instrument to elect an officer or officers. Your VOTE is your mighty possession, use it intelligently and righteously, but be sure you use it.

BARBECUE

With less than three weeks remaining, every member's effort is solicited to make the fourth annual barbecue, sponsored by the K. of C., an inspiring success. Quigley Council has always finished high among the leaders in previous drives, and will undoubtedly be among the leaders this year. How high will be indicated by the support received in the coming weeks.

SOFTBALL—The K. of C. softball league will soon get under way and you are advised to watch the Columbian for opening schedule. George Grabinski is enthused about the club's prospects, and looks to a large Quigley following to give the boys the needed encouragement. Practice is held every Monday at Wilson's playground, 34th place and Aberdeen street, beginning at 6 p. m. sharp.

BLOOD DONORS: The latest member of Quigley's Blood Donor Unit to give a transfusion is Joseph Janick. This brings the number of transfusions close to forty, a saving of approximately $2,000 to the recipients.

CLUBHOUSE—The clubhouse committee, under the direction of John Berny, has worked endlessly and tirelessly to finish the recreation room and invites any member to lend a hand on any night of the week.

Tonti Requests Every Member to Participate in Thursday's Voting

1-3 Thursday....4221 W. Irving Pk. Blvd.

At our next regular meeting on June 5 an election of officers for the ensuing fiscal year will take place. This is your opportunity to show your interest in your Council by exercising your privilege and right to nominate and vote for the men whom you believe should direct its destinies during the next fiscal year.

As a member of the Order it is your duty to attend this meeting, if possible, and we therefore urge you to make a special note of the date and let nothing interfere with your being present on this important occasion.

BARBECUE

The returns, to date, on the Barbecue books are very encouraging. To you brothers who have worked so hard we extend our sincere appreciation for a job well started. To all we say—if possible, speed it up a little and give the bookkeeper a break.

Now, how about you fellows who have done nothing for this good work in the past years? The Council records show that quite a percentage of our members failed to make any returns. We feel that this percentage could be reduced considerably. Therefore if you have not registered in the past, please make every effort this year to be included with those who are making this great work the success it has been. When the records have been written, WHERE WILL YOUR NAME APPEAR?

Some marriages mean war and some mean an armed truce.

St. Francis Goes Into Final Lap of Century Race

2-4 Thursday . . . . . 4715 W. Madison St.

The month of June, like a horse race, is the "home stretch" in two of St. Francis Xavier Council's drives. The first is membership.

Using the parlance of horse players, the council has proved itself a "front runner" by virtue of having secured up to date 75 new applications in its race to reach the Century Club. During the next few weeks the council can prove that it is a real "thoroughbred" and finish ahead if the members will secure the 25 applications needed to attain our goal. It would certainly be a shame to quit just when success is within our grasp.

And so, brother members, bring in those applications—with the initiation fees, of course—to the next meeting, June 12, in order that they can be read for the first time. This will make them eligible for the first and second degrees, which will probably be exemplified June 20 or thereabouts. The exemplification of the third degree will take place June 27 at St. Philip High School. Remember, the applications must be in at the next meeting to be counted in on this year's record.

BARBECUE

Still using the language of the sport of kings, the council has shown itself to be a "slow starter" in the barbecue drive. But it is expected to put on a "burst of speed in the stretch." In order to spur the sale of books, Chairman Scotty Frusolone has announced that all the members who sell one or more books and make the returns at the next meeting will be shown special consideration. He also promised that it will be a pleasant surprise.

If you can't sell the entire book, return it so that some other member can complete it. We are out to surpass all previous records and the only way we can do it is with the cooperation of all the members. Do not wait until the night of the barbecue to make your returns. Do it at the meeting.

THIS 'N' THAT

June 12 has another important significance in the council, for on that night the members can exercise their power at the ballot and elect the officers for the coming year. . . . Three more prospective members were born during the last two weeks, thus enabling the membership to smoke free cigars. The proud daddies are Bros. Peter Bruno, Dan Laurino and Anthony Pecci. Mrs. Pecci was given a blood transfusion. Bro. George Padulo was the donor. . . . PGK and Mrs. Joseph Defily will celebrate their 18th wedding anniversary June 10. . . . Bro. and Mrs. Victor Boetto celebrated their 16th on May 16. . . . On June 2 Bro. Daniel Frusolone will reach the ripe old age of 20. . . . Congratulations to all.

Bro. Victor Belmonte found a man's hat at the Mother's Day program. If you know its owner get in touch with ye scribe (Hay. 5429) and it will be promptly returned. . . . Warden Anthony Vitullo recently sold a new Plymouth to Bro. Pat Guerrierri.

SOFTBALL

Manager Joe Consoli has been informed that the first league game will be played June 5. In the meantime, practice sessions are being held every Tuesday and Thursday nights at Sheridan Park, Polk and May streets. You still have time to try out for the team if you'll hurry over to Sheridan Park or call Joe at Webster 2398. As soon as we can get it we will publish the entire schedule.

De Soto Softball Squad Ready for League Battles

2-4 Fri. . . . . Clark and Belmont

For the past two weeks an energetic and hustling group of DeSoto youngsters, including myself (exception) whose vacation consisted in nothing more than enjoying the liberty and freedom connected with a vacationing wife—which isn t half bad—have been bearing down on some intensive training at the Waveland Ave. patch, and with the aid and guidance of Muggsy Art Booz, a powerful and talented nine is being whipped into shape which should prove a formidable foe for any of the opposition in the North Side K. of C. League.

Included in the gang working so faithfully are Bros. Dick Smith, sterling third sacker who lately has experienced some difficulty going down for the hot ones because of an increased mid-section; Joe Shemroske, one of the best infielders around these parts; Jimmy Sullivan and Eddie Agnew, both of whom hit them a country mile; Harv. Dohm, who still takes two and hits sharply to right; Frank Hoffmann, who comes out to play wearing his Sunday britches; Ray Horn, who talks most hitters into "balloon-tires" with his chatter and wisecracks; Bob McGonigle, Bill Sheehan and Johnny Rosch, who make a set of sweet outfielders, and Bill Schatz, Hank Nierman, Ray Hoffmier and Jack Thomas, who are capable for any department. They're a peppery and gniker lot and with a little moral support from the membership it appears very much that they'll be right up there in the money when the "umps" calls the last out.

On Thursday evening they played their first game, a practice game, with the parish team of St. Celestine's Church, which was arranged by Manager Art Booz. Hope they won. There will be one more work-out on next Monday evening at Waveland Ave. and the Lake, after which the league schedule will commence. If any brothers wish to be with us, come out next Monday and contact Bro. Art Booz.

ANNUAL COMMUNION

On last Sunday, May 25, more than five hundred DeSotoans attended Our Lady of Mount Carmel Church to participate in DeSoto's forty-first Annual Communion for its members. Celebrating the Mass was our distinguished Chaplain, Rev. Monsignor John Casey, and supporting in the ceremony were several beautiful numbers rendered in excellent fashion by DeSoto's Male Chorus, under the able direction of Bro. Bud Hugulet.

After Mass more than two-thirds of the members attending repaired to the Belmont Hotel to partake of the delicacies of a fine breakfast and to participate in the ceremony commemorative of DeSoto's forty-one years of successful activity in the Order of the Knights of Columbus. Particularly honoring us with his presence on this memorable occasion was the State Deputy-elect, Leo M. Flynn, a grand fellow, an inspiring speaker and a fervent and devoted member to all activities of the Order. The State Deputy rendered a most informative and interesting talk on the efforts and collaboration of the Knights of Columbus in connection with providing recreational, educational and religious facilities for the youth of our nation inducted into army service. We are indeed grateful and most appreciative for his attendance and for his excellent talk.

Also attending was Monsignor Casey, who offered some very interesting observations on the necessity of the Knights of Columbus assuming the leadership in reviving and re-establishing true Christianity and religious fervor in the nation.

Supporting our Grand Knight, Gene Scanlan, were all our past Grand Knights, including D. D. Jules Altenhofen, Tony Cremerius, Frank Kennedy, Jack Thomas, Frank Wohlleber, Pete Kandel, Matt Seifert, Ed. Sullivan and Jerome Crowley, the latter providing us with an excellent talk in his usual inimitable fashion. Bro. Joe Cella, Lecturer, acted as the toastmaster, and performed like a master.

BLOOD DONOR CHATTER

Practically every week since the inception of DeSoto's Blood Donor Unit, we have been reporting that one or more of our members has unselfishly and willingly joined the ranks of active blood donors, and once again we learn from Chairman Frank Wohlleber that the most recent donors are Carl German and Rudy Hillenbrand, thereby adding to the enviable record being established by this splendid organization in this noble endeavor.

GOLF—The southern zephyrs are with us, apparently to stay, and old Sol is blazing in all his blasting glory, indicative of the necessity of relegating things like business and work to the moth balls and hieing out to the open spaces and fairways for a few rounds of golf. It's great stuff—ask Carl Stoegbauer, Jerry Horn, Hi. Mertz, Howie Lally and Frank McDermott, who skipped after Communion last Sunday to whack the pellet around a bit.

First in order will be the State K. of C. Tournament at Olympia Fields, Wednesday, June 25th. DeSoto expects to send a large contingent to the tournament this year, and take it as gospel truth that the five bucks it costs will be doubly repaid.

Next comes DeSoto's Tournament, the date for which has not as yet been determined. Bros. Joe Merki and Johnny Braband are busily engaged at present arranging for a suitable course and a suitable price.

We understand that on last Wednesday, May 21, a degree team from DeSoto Council under the direction of District Deputy Jules Altenhofen exemplified the First and Second Degrees at Ravenswood Council. The team performed very ably and among the newly initiated was Bro. Peterson of DeSoto.

Just learned of the recent death of Mrs. Augusta Ficht mother of Bros. Paul and Henry Ficht long standing members of DeSoto Council. Mrs. Ficht passed away on last Thursday and was buried Saturday from St. Constance Church. We join their many friends in DeSoto Council in extending to Paul and Henry our deep and sincere sympathies.

We were also informed of the death of Dorothy Leonard daughter of our late Chancellor Walter Leonard who passed away on last Sunday May 25th. Many of us remember Walter whose renown as a Lecturer still lives vividly in our memory. To Mrs. Leonard we offer our sincere condolences.

St. Anthony Ladies Are Treated to Fine Party at Last Calumet Meet

1-3 Thurs. . . . . 73rd and Grand Ave.

All credit should be given to Lecturer Richard Maley and his committee for the very fine performance arranged for our Ladies' Night last week. We had a large attendance of our own membership and were honored by having quite a number from other councils among whom were: Guy Macina, Cook County Membership Chairman; District Deputy Marco De Stefano and wife; Joseph Himpler and wife (Joe is G. K. of Nazareth Council); Financial Secretary of Washington Council Robert L. Lovejoy and wife; Chancellor of Washington Council Dominick Sanserino and wife as well as a large group from Lafayette Council Glee Club.

The singers furnished much of the entertainment and a very fine job they did. Thanks a lot boys for coming out and make your next trip very soon.

Chicago Doesn't Need Clairvoyance to Know Ladies' Night Was Tops

2-4 Tues.....64 E. Lake St.

This week's report of the doings of Chicago Council must of necessity be brief because zero hour at the Columbian editor's desk was Monday evening and, not being gifted with second sight, ye Scribe could not write up any description of last Tuesday's "Petit Barbecue" (Ladies' Night) except to say that a good time was had by all—which covers a great deal of ground.

However, you may rely on Lecturer Bill Pellicore and his aides, Sam Mercurio et al., to rouse the crowd.

BARBECUE

The Barbecue is only a short distance away. We are hoping along with the Co-chairmen Jack Caponi and Charlie Schroeder that our returns will exceed last year's. Our good Bishop needs all we can scrape together for him. A judge comes out this week with the statement that most of the crime in Chicago is committed by boys. At a meeting in St. Louis of a Presbyterian Church assembly, one of their members blames "the church" (his words) for not training youth (and he takes the pains to mention the Catholic Church in his list). Well, the Presbyterians are not handicapped by a lack of money. Our own C.Y.O. certainly is. But the work inaugurated by Bishop Sheil would never have gone as far as it has were it not for our annual Barbecue Our Bishop can do a lot more—with more money. Your personal contribution may be by the sale of a huge flock of tickets—or by just a couple; but it all helps. We ask you to do the very best you can. And please get your returns in soon.

ELECTION

Our next meeting will occur on Tuesday, June 10, and will be occasion of our annual election of officers. Our officers are OF the Council, FOR the Council and should be elected by ALL of the Council. But there are always a lot of absentees on election night and a lot of other meeting nights. Why not turn over a new leaf and commence to attend meetings more regularly?

The boys are out these Saturdays and frequently on other weekday evenings practicing softball at Garfield Park (Jackson Blvd. near the bridge). Why not join them?

If a theatrical performance doesn't make a woman laugh or cry she thinks that she isn't getting her money's worth.

ILLINOIS TO CHOOSE OFFICERS MONDAY

1-3 Mon. . . . . 64 East Lake St.

The most important business of the next meeting will be the election of your officers who have been nominated by you and who are awaiting your confirmation. However, you understand that under the rules of our council approved by the Order, the name of any other person who is eligible may be written in. All of this so that you may be properly advised.

MEMBER ITEMS

Bro. Pat Sullivan arived home from Hot Springs, Arkansas, Friday morning and was met at the depot by Frank J. Kelly, his neighbor and long standing friend, and by your Scribe. Pat tells us he lost some 30 pounds, but his eyes have the glint of youth and this in spite of the fact that he has not been entirely restored to perfect health. We hope that he may be able to attend the warm-up game of golf which your council proposes to give on or about June 19.

Margaret O'Rahilly, daughter of Mr. and Mrs. Daniel O'Rahilly, is making a very fine recovery of health since she met with that serious automobile accident. We join with her parents and family in offering a prayer of thanks.

We learn that Dr. McGregor's condition has not changed and he still is confined to his home at 5560 Jackson Blvd. Let us remember one of the corporal works of mercy, "To visit the sick."

STATE GOLF TOURNEY

The annual State Golf Tournament is again being held at Olympia Fields. The date is June 25, the price $5.00; all day golf, lunch, dinner, prizes; hence our golf warm-up will serve as a preparation for the state tournament as well as our regular golf tournament.

The results of the barbecue continue to trickle into the chairman, Harold B. Erickson, and everything looks as though last year's figures will fall about as soon as Crete.

As to our warm-up golf engagement, it occurs to us that in this every member of the council could well afford to join. Play golf for perhaps 75c, play as much as you care to and call it a day. You may remain and have dinner, you may go into the rapid service section of the clubhouse and get a sandwich and say to your partner, "Well, I would have had a wonderful score if I hadn't taken 7 strokes on the 6th and 9 on the 10th."

What we are trying to say is that it is an opportunity to come out of our shells, set aside glorious pretense, be ourselves, act like members of the Order with a fraternal feeling made easy by the thought that life after all is so terribly uncertain and on the whole really gives satisfaction except insofar as we make it satisfactory.

IMAGINARY WRONGS

We feel that most misery comes as a result of imaginative wrongs. We have in mind an experience of our own: A gentleman for whom we have always had a great affection said to us some two years ago, "Mr. Blank, are you sore at me yet?" This came as a shock because we were not sore at him and furthermore had no idea of why we should be. Well, this good man said something had happened some ten years before and he thought that your Scribe still was sore at him. Too much of that is indulged in by many of us.

A defeated electioneer speaking for one of the candidates promoting his candidacy said it should not be taken as an indication that we are bitterly opposed to or unfriendly towards those who for whom we have failed to vote. So up and down the chain of events we carry in our hearts the thought that Jones is very unfriendly because perhaps he passed us by with what appeared to us a cool nod of the head, forgetting that Jones may have some substantial worries in his own mind at the moment. So before sermonizing too much, brothers, let us laugh a little, play a little and join in the activities offered to us through the medium of our council, feeling like children of a common Father, mostly imperfect in many little ways, and that those whom we are prone to term perhaps unfriendly would, in reality, come to our aid in case the storm of adversity should become a swirl around our feet.

K. C. Softball League Will Open 10th Season Next Thursday, June 5

By JOHN E. MINER

The Knights of Columbus Softball League will inaugurate its tenth season on Thursday, June 5. The number of councils participating will reach forty and there are still a few doubtful entries. Teams still desiring to enter should contact the writer at Dorchester 0253; the league secretary, John Burke, at Columbus 7318; or the chairman of the schedule committee, Ted Lee, at Republic 2116, before Sunday, June 1. he balmy spring breezes have descend- upon your Scribe and he'd much ner be lying lazily on a sandy beach iewhere, with nothing to do but look crystal clear water, munch popcorn, hot dogs, drink some of Vince Col- t's Cheer Up, or Phil (Shorty) Cas- na's super collossal Pepsi-Cola. But brother knights, we shall continue ive you the news as it happens. know that many of you must feel e the same as I do. Thus, any one hese days a motion will be made to only one meeting during the sum- months but before that a number important events will transpire in ncil circles.

r instance on June 5 Vic Priola and all-star St. Cyr softball players will de in blitzkrieg fashion the Knights olumbus softball league. Soon after beautiful new uniforms which St. is buying for the boys will be mud ed signifying the fact that the boys sliding and running and doing all in power to bring honor to St. Cyr. Maggiore our popular Grand Knight be on hand at most if not all of ball games just like he was a week Thursday night when he watched boys in softball practice at Manierre ol and congratulated them for the spirit which they are displaying.

IMPORTANT DATES

mes the first Monday in June and Cyr's election of officers. We ask f you to be there so that you may part in this annual election of offi- and have a voice in the destinies ie council for the coming year.

e second meeting of June will wit- another First and Second Degree. is our last opportunity to make the ury Club. It is not impossible to it and all indications at this time favorable. Do your bit to put St. on the map and bring honor to our d Knight. Nothing would make chief happier.

mediately after our second meeting ine the biggest event ever spon- by the Knights of Columbus will place at Riverview Park. It is the l barbecue for the benefit of p Sheil's Underprivileged youth, this year takes place on Wednes- June 18. We may now be having mple of prosperity reminiscent of ay twenties. But great poverty prevails among thousands of boys irls in this great city of ours. How you like to know that through help, small as it might be, a boy l has, through athletics or through supervised recreation been spared a life of misery?

The Underprivileged Youth Fund is the process through which thousands of boys and girls are yearly put on the straight and narrow path, and kept within the folds of the Catholic Church. A deadline date will shortly be set. We have a mark to achieve. St. Cyr is a council of prestige. Never once has it let the Knights of Columbus down. District Chairman Marco DeStefano solicits your undivided attention nad support in this event.

ABOUT THE MEMBERS

We mentioned something about a golf tournament of our own in some past issue, and we certainly hope to have one. There has been a lot of talk concerning just such an affair, and we may get around to it before long. Joe Strano, the alleged golfer, has a set worth somewhere in the neighborhood of seventy-five dollars. He tells me that he's played at the game of golf for some ten years, but Joe has a sore back, so he claims, and that is the reason why he still shoots around 115.

His partners, the other two Strano boys, Augie and Sam, and Joe Rubinelli, Sam Ranochio, Mike Cavaretta, your Scribe (who has a lot of nerve teasing someone else about his golf), the Pepsi-Cola king, Vic Rizzo, Jasper Abbinanti, Joe Guagenti, Tony Romano, Dick Guerrera, Joe Romano (he's a golfer, too), Joe Epinfanio, Dr. Bruce Zummo, Anthony Dina, and a score of other boys from Cambridge and Elm gurantee Joe that if he would only listen to the advice of these ten or fifteen fellows and participate in the K. C. All-State Golf Tournament to be held at Olympia Fields on June 25 he could easily cop the prize in the rookie class.

Here's your big chance, golfers. All the golf you can play and all the food, sunshine and fellowship you can take in for the sum of $5.00. Remember the date. Tuesday, June 25, at Olympia Fields.

St. Cyr's meetings are held on the first and third Mondays of the month, at the Prudential Hall, 1609 N. Halsted St. It is a place easil yaccessible to all of you. Try attending a meeting here and there. It will do you a lot of good to meet the boys.

Garcia Moreno Would Like Enthusiastic Aid Be Given to Projects

2-4 Tues. . . . 155th St. & Lexington av.

Enthusiasm can be cultivated and can be the means of success for our council. With it, our council activities become vigorous and joyful—without enthusiasm, council life becomes dull and drab. With it, we can progress and grow to more importance in our Order. With just a little conscious effort, enthusiasm can be cultivated.

The Barbecue for the Bishop Sheil Underprivileged Youth Fund is one of the finest acts of Catholicism. It should be considered a privilege for us to be able to extend a helping hand to the needy youths of Chicago. We pray for its success.

On Tuesday evening, June 10, our membership will elect its new officers. These new officers' tasks will be no easy one. They need the help and cooperation of all of us if their administration is to be a success. The appointed chairmen of the sick, membership, athletics, lapsation, Catholic Action and Lecturer's committes all must function and can only with the aid of the membership.

The job of the scribe needs the help of all council officers, chairmen and members if he is to cover the news of the council. His task of presenting an interesting column each week is a hard one. In July your present scribe will complete seventeen years on the job. He is getting rusty with age, and perhaps a new broom is needed. Don't you think so?

THIS AND THAT

Barbecue Chairman Marty McGee asks that we put some real action into the Barbecue drive. He would like to see the fruits of our work at the next meeting, June 10. Because of the early deadline this week, we find a scarcity of news, but the little we have is joyous news.

Mrs. Harrison Duck, Clytus Brault, Clyde White, Patsy Walenga, daughter of Victor Walenga, and Mrs. Henry Hilgendorf all celebrated their birthdays last week. We extend our sincere congratulations. Frank Battista, one of our popular barbers, is back on the job after a two weeks' honeymoon. Welcome back, and don't forget the second and fourth Tuesday evenings.

Last Saturday night, a large circle of friends gave a surprise party in honor of Mrs. Henry Hilgendorf to help celebrate her birthday. The party was held at her home and it proved to be one surprise her husband "Hank" put over on her. She received many beautiful gifts and her sincere thanks to all for the kindness shown her. In closing, we ask that all of you let us hear about your birthdays or anniversaries. Don't be bashful, just drop a postcard to the scribe. Thank you and cheerio.

St. Paul Scores Another Hit at Last Golf Meet

1-3 Tuesday.....6713 Olmsted Ave.

Your Council did it again! Yes, sir! With old Sol shining and a little strong "southwester" blowing the boys and their friends turned out en masse to record another very successful spring golf tournament. With sixty-four golfers registered and a dozen or so dinner guests I guess we'll admit that that was all one could expect even though our hopes fell a little short of the mark which we, with fingers crossed, were telling about.

Council members in the 80 and 90 group were Ray Gleason, Geo. Harbert, Henry Blim, Gene Sass, H. Clark, W. Holl, W. Krien, Wm. Brunkhorst, Art Hedman, Rev. Fr. Kiley, B. Daleske, Geo. Jeske and yours truly. By virtue of the fact that all the other Council members beat themselves, we are happy to be the proud possessor of the Wm. J. (Alderman) Cowhey trophy for the coming year.

A few of the guest low scorers were: Geo. Jeske, Jr., M. Heimerle, Fred Pandow, Roy West, Stanke, Judson, Boyle, J. A. Dix, L. Henke, Jr., and Peters.

Wm. (Bill) Brunkhort was indeed fortunate that his number entitled him to take home the Ray J. Gleason trophy which trophy was up as a "good-fellowship" proposition by the State Secretary-elect. Ray has always sponsored ideas whereby the great majority of members who support our undertakings in a spirit of good-fellowship, cooperation and loyalty have an equal opportunity to win something worthwhile and this trophy was really worth while.

Our old pal, Tony Zillner, must have packed the cadies in the jar which was the subject of a guessing contest because he put down the exact number of pieces therein. Tony will have a "sweet tooth" for a long time to come.

We don't know what Father Kiley did to come in with all that bogus money he turned up with but anyway he had a pile of it. At least a bigger pile than anyone else had, so he (lucky Kiley, they calls him) received the "fin" for his ability (?) to gravitate it to himself. Everyone received a prize and we know that they all had a wonderful time so that made it a perfect day.

We want to express, publicly, our sincere appreciation to Bros. Alex Kremer and H. S. Happ for the hard work done in handling the work connected with the tournament and also to thank all the members who came, with their friends, to chalk up another successful Council event.

ELECTION TUESDAY

Don't forget that next Tuesday will be devoted to the election of officers for the coming year. Elections are always important business because through them travel the men who are destined to be your leaders and you should be sufficiently interested in these men to give them your support at the ballot box and help and cooperation in their endeavors to foster and maintain the high standards set for St. Paul of the Cross Council and to keep aloft the banner of religious tolerance for Holy Mother Church in this bewildering world of ours.

Ravenswood Pleased with Splendid Work of Degree Team Wed.

1-3 Wednesday.....1521 Wilson Ave.

Ravenwood's last meeting was May 21st, welcomed seven new knights to our ranks, four of whom were new initiates and three re-instatements. Bro. Knights Charles Rogers, Lawrence Grady, Patrick Waters, John Lawless, Albert Carroll, Joseph Sharkey and George Sayer, we salute you and congratulate you upon the honors of Knighthood.

We of Ravenswood—old timer and newest member alike—were especially fortunate in receiving District Deputy Jules Altenhofen's fine support and assistance. The degree team that he banded together for the giving of the degrees was second to none and probably was superior to any team that Ravenswood Knights have seen perform in quite some time. P. G. K. Frank Wohleber, Frank Fitzsimmons, P. G. K. P. Neff Kandel, Larry Mertes, Jack Thomas, and G. K. Gene Scanlon of De Soto Council and P. G. K. Wm. King of Fr. O'Connor Council and Frank McGlinn of Ridge performed in grand style. The choir was composed of Bros. Harry Whrheim, Jos. Hassmer and Dick Meire, all of De Soto Council.

Judging by the comments ye scribe overhead upon the conclusion of the degrees and from the spontaneous rising vote of thanks tendered by the members, the degree team gave a performance that we hope will be duplicated whenever it is again our turn to so entertain the other Councils from our district. This is an opportune moment to again thank District Deputy Altenhofen, and the supporting officers who, if such was possible in such a collection of brilliant fraternal men, was a standout. G. K. Morgan, D. G. K. Citti and their able assistants led by Warden Bill Weideman are to be congratulated for the preliminary arrangements and for the assistance they gave the others, and to Bro. Bud Keil for providing the floral decorations.

After the initiation refreshments were served by Lecturer Art Collins, Clem Morgan and Joe Grady. When you read the words "were served" don't think of it in the manner in which you would think of a tea party, for after all there is work to obtaining and distributing refreshments, both liquid and solids, to a group of men. Also a word of appreciation to the guards, George Shilling, Jim O'Reilly, and Dave Heelan. And then there are the fellows who must keep the official record and pay and approve the bills. Thank you, Recorder Bill Barr, Fin. Sec. Matt Blesius, Treasurer Bill Egert and Trustees Wilbur Beaton, Pete Farrow, and Ed Arend.

COMING AND GOING

Lecturer Art Collins has announced that Clem Morgan, the Glenview Flash, will entertain us with a short instructive and humorous talk and the joys and the hardships of insurance adjustments. I for one will enjoy it and perhaps will better know how to collect for the next banged fender . . . The Hoylers are not to be thought of as the late lamented, as was hinted in this column a short while back. They are very much in existence and have dedicated themselves to the proposition that "Bill Egert should never have received those new tires as a present in the first place" . . . The Golf Tournament is being talked of more and more each meeting. Any time now you can expect an announcement that a number of fellows have accepted the challenge bid of Champion Mike Metzger . . . Look for an announcement of the date of the second meeting in June . . . Get going on your Barbecue sales. Several fellows have already reserved a spot for that radio . . . Trustee Beaton wishes to inform each any everyone that the opinion expressed here last week concerning his family was definitely an understatement. Ye scribe confesses that it was.

Leo Issues Special Call for Election of Officers on Tuesday

1-3 Tues. . . . . 820 W. Garfield

On next Tuesday, June 3, election of officers will be held. Grand Knight Wagner issues a special call to the entire membership to be present on that evening and thereby participate in this very important function.

SOFTBALL: Manager Peterson is proudly awaiting June 5th and the first game of the 1941 season. Many additions have been made to the "Fighting Irish" of Leo and every game will be worth seeing. The home games will be played at 51st and Union Avenue. The starting time will be 7:15 p. m. Remember that if we had the best team and provided the best games, something would be lacking if there were not a good crowd of members on hand at every game to cheer the boys on. Make it your business to attend all the games. Others in your family will enjoy them too so bring them along.

BLOOD DONORS: The members are proudly wearing their blood donor pins and have their identification cards handy. But several still have to call for them, so take care of this matter. Dr. Gallagher and his associates will be on hand meeting night to complete the distribution. Get yours now.

Now is the time to come to the clubhouse and register your approval of the fine work that the Bishop is doing. A member of the committee is at the clubhouse every night to serve you. The White Sox play their first night game June 4 and tickets will be given at the next meeting to those who have been active in the barbecue work.

SCHOLARSHIP: We are happy to announce that the daughter of Bro. Leo Sweeney, our retreat chairman, has won a four-year scholarship at Maryknoll College in New York. This was presented to her by the Wisconsin State Council of the Knights of Columbus as a result of her essay on Americanism. To the young lady and the proud family the Council extends congratulations.

THANK YOU

May I take this opportunity and this method to express my deep and sincere thanks to all for making the night in my honor such a grand success. It was a rare moment, and I am deeply grateful for such a spontaneous and unforgettable occasion. May I be always worthy of your confidence, respect and friendship.

KETTELER PACKS HALL TO HONOR BOWLERS

2-4 Mon. . . . . 3437 Ogden Ave.

Not in many a night have we seen such an attendance and such a galaxy of distinguished visitors as was witnessed at our last council meeting. This memorable meeting was the occasion of honor and glory bestowed upon our champion bowlers. As runners-up in the Knights of Columbus National Tournament they received the plaudits of the assembled brothers. The award for the singles championship was then bestowed upon our own Bro. Wally Wisniewski, and also his appointment as a director to the National Bowling Ass'n was announced. The ovation he received only bespoke his ability and popularity amongst his fellow bowlers.

Amongst the distinguished guests, and we feel just proud of having them, were State Deputy-Elect Leo Flynn, State Secretary-Elect Raymond Gleeson, District Deputy John McCune, Past Grand Knight Elmer O'Brien of Hughes Council who presented the awards for second place in the Illinois State playoffs; National Bowling Director Bro. James Collins of Feehan Council, P.G.K. Wm. O'Connell of St. Patricks Council, Grand Knight Martinowicz of Weber Council and Fin. Sec'y Jos Nowakowski, also of Weber Council.

And thus our bowling league and our Major League team have brought to us prestige and honor. To them our council is deeply indebted, a debt that is not very easily discharged, but the officers of Ketteler Council want even the humblest of the bowlers to know and to accept their sincerest thanks for the splendid job they have done.

CABARET PARTY

As announced, our second Cabaret party and dance will be held Saturday evening, June 7 at Lawndale hall. Our first affair was a brilliant success socially, so much so that we were besieged with requests for another. In response to this plea we are offering you another chance for a wonderful evening of fun and enjoyment.

The party will be along the same lines as the last one. Your ticket of admission will cost one dollar, for which you will receive all the refreshment you can eat and drink. You can dance. You can enjoy yourselves to your heart's content, if only you will come. The byword is "Remember the last party? Let's go to this one!"

KETTELERETTES

LADIES' AUXILIARY — The last meeting of the season will be held by the Ladies' Auxiliary at Lawndale hall on June 4th. As this is the last meeting as many as can should try to be present.

LOST—One Baldric at St. Ludmilla's church on our last Communion Sunday. Same was found by Bro. John B. Daniels and can be had by calling John at Rockwell 8359.

GOLF—All the details and arrangements for our annual golf tournament have been completed. It will be held, rain or shine, June 15th, at Maple Crest Golf Course, located at Joliet and Wolf Roads. Dr. Krupa is chairman of the tournament. Any brothers who wish to participate can make reservations by contacting Bro. Krupa. Some very worth while prizes for all participants are on the list and every one will be assured of a very good time.

CONGRATULATION—Father Derwinski, our worthy chaplain, celebrated his twentieth year in the priesthood. The occasion was celebrated by his parishioners with a banquet which was attended by a large delegation from Ketteler Council. From the entire council comes sincerest congratulations and felicitations and to you Father Derwinski we wish to say "God bless you and help and guide you in the great work you have undertaken."

A guard of honor of seven sir knights from our Fourth Degree Club attended at the anniversary Mass that morning. They were: Tom Bogan, Frank Estis, John Vielinski, John Daniel, Jos Milas, John Bonk and John Musialowicz.

MEMEBERSHIP

June 30th is the deadline, and the council is so close to the Century Club, that one last drive is being launched to reach that coveted goal. Not so many applications are needed but they are needed to accomplish our end. So let's get together and secure the application that will put us over the top.

We were all happy to see Bro. George Gersch back on the job as lecturer after his recent and prolonged illness. We sincerely hope that he will be able to carry on as he has in the past.

Epiphany Parish is holding its spring, outdoor carnival until June 1st at 25th street and Keeler avenue. Father Cummings who is a member of our council extends to all a cordial invitation to this grand affair.

CONDOLENCE

Somewhat belated but none the less sincere sympathies are extended to Bro. Barney Maier upon the death of his beloved wife who passed away April 28 and was buried at St. Mary's Cemetery on May 1st. Barney is a charter member of our council and all the old timers join with him in their prayers for the repose of Mrs. Maier's soul. May she rest in peace.

Hildebrand Election Expected to Draw Big Attendance Thursday

1-3 Thurs. . . . . 5711 W. Chicago Ave.

Next meeting Thursday June 5 . . . It's election of officers on that evening and we anticipate a large attendance to take part in this important business . . . A salute to Bro. Walter Brooks on his contribution to our good work by his donation of fine red blood to an unfortunate soul last week . . . He joins the ranks of our other mighties . . . How about that Barbecue Book? . . . Seems that we should have some returns on hand ere this . . . Remember, the date is fast approaching and we must make our quota on this fine Catholic activity . . . So let's hear from some of those best sellers this week . . . Our illustrious Grand Knight is planning to retire from his arduous duties, and we are loath to see him do so because he is the best Grand Knight the council ever had, and no exceptions to this statement . . . However, we agree that he is entitled to his choice of retiring if he so desires . . . His years of service have given the council a new lease on life, and something that will keep the good ship Hildebrand in the forefront in the future . . . We hope he changes his mind, as we need his valiant leadership as never before, and we do not like to draft him for the office again this year . . . Unanimously we grant him the right to continue in office, or to accede to his wishes whatever they may be . . . So please be on hand at next meeting, June 5 . . .

Washington Urges Big Attendance at Election Meeting on June 3rd

1-3 Tues. . . . . 503 Main St., Maywood

Next Tuesday, June 3, the members of Washington Council have one of the most important duties to perform—that is, the annual election of officers. We urge each and every one of you brother knights to be on hand if you are interested in any way in the council, and choose and elect carefully the brother knights whom you wish to lead us for the ensuing year. Many brothers think this election of officers is merely a formality, and that just a handful of brothers can do the job. This is not the case and we certainly hope that this appeal will reach all of you and that we shall see a very large attendance on Tuesday, June 3, at 8:30 p. m.

IN MEMORIAM

We regret to announce the death of Mr. John Hullihan, the father of Inside Guard Ed Hullihan. Requiem High Mass will be offered for the repose of his soul.

FIRST AND SECOND DEGREES

The First and Second Degrees were conferred on a class of candidates last Monday, May 26, at the Oak Park Council Clubhouse. The conferring of the degrees was in charge of the team from LaGrange, and the brothers who received the degree were solemnly impressed.

BARBECUE

The drive is rapidly drawing to a close. The date of this event is June 18. Your committee urges all brother knights to report on it as promptly as possible. In fact, they ask that all books be in the hands of the committee not later than next meeting, June 3.

SICK LIST

When last heard of, P. G. K. O'Donnell was getting along swell. Although still in the hospital he is in good spirits and says he is going to be on hand real soon.

Bro. E. McCann, who has been a patient in the hospital, is now receiving visitors at home. Any of you brothers who can should give Emmet a call and let him know you are thinking about him.

P. G. K. Jim Carey is still confined to his home at 212 S. 6th Ave. We understand that he is able to receive one or two visitors at a time, and certainly would appreciate a call.

Miss Julia Mary Hoff, daughter of Warden Hoff, is in the Loretto Hospital recovering from an emergency appendectomy. We are glad to learn that she is getting along nicely.

HERE AND THERE

P. G. K. John McFall says he has turned over a new leaf starting last meeting. He is going to be a regular attendant from now on. Bro. Bill Keys was among those present at the last meeting. Glad to see you any time, Bill.

The month of June brings to mind again notice of our Quarterly Communion, which will be held on Sunday, June 29. Watch for this date and keep it in mind.

Dearborn to Hold Annual Election at June 5th Meet

1-3 Thurs. . . . . 820 Garfield Blvd.

Next Thursday, June 5, will be one of the most important meeting nights of the year. It will be at this meeting that the annual election of officers will take place. This should be of vital importance to each brother because choosing the proper staff for administering the duties and activities of the council is a most important feature.

The men of your choice will guide Dearborn's course for the ensuing year and on their shoulders you will place the responsibility of maintaining the council's position in the Order. Thus there devolves on each one of us the obligation to be present at this meeting.

BAR-B-Q

Let us remind you once more that less than one month remains before the K. C. Barbecue benefit is concluded. Even though returns as reported have been very good to date, there remains a great deal to be accomplished. District Chairman Small and McGillen together with our own Barbecue Committee Chairman, Chancellor Ruff, urge that we bear down and continue our good efforts.

At the June 5 meeting a set of tickets to the night games at Comiskey Park will be given to those members who have worked hardest on the drive. Be sure also, to have all returns ready for Fin. Sect. Feilen at this meeting as it will be the last session before the big event.

DALEY DEGREE

As a prelude to the exemplification of the third degree to be sponsored by Dearborn in South Division No. 1 in honor of Senator Richard J. Daley, Dearborn joined with Division one in the exemplification of the first and second degrees one week ago. These degrees were sponsored by Madonna and held at thir club house. The class of candidates was a large one and treated to very good degree work from the excellent team. These men deserve your congratulations for a splendid exemplification. Also, thanks to D. D. J. Sheehan for a stirring salute to Columbianism.

After the meeting, Madonna assumed the role of genial host and served tasty refreshments. G. K. Noonan and Madonna have the thanks of Dearborn for an interesting evening.

The degrees revealed that Dearborn is redoubling its efforts to assemble one of the largest classes of candidates for the "Daley Degree" in late June. Such accomplishments as these will certainly assure a real class to upbuild Dearborn and a fine turnout to pay homage to an active member. Keep up the good work. Contact chairman Joe Nix and his committee to discuss suggestions and formulate plans. The co-chairmen, incidentally are Tom Haggerty, Pat McCarthy, Jerry O'Sullivan, or Dave Kerwin. Above all, solicit every eligible man, sell him Dearborn and sign him to an application for membership in our great Order.

Weber Urges Complete Council Attendance at Election Monday Night

1-3 Mon. . . . . 4758 S. Pulaski Rd.

Monday, June 2, will be Election Night. Grand Knight Julius Martynowicz urges attendance of the entire membership on this all-important occasion. Bro. Cushing, agent from the Supreme Office, will also be present. Bro. James Swientek will type those members who have not yet been registered with the Donor Group.

Committee reports were 100 per cent complete at our May 19 meeting. Baseball manager Henry Cysz made a plea for more players. Practice is every Tuesday and Thursday at 5:00 p. m., at Edwards School Grounds, 49th and Karlov. Sir Knight James Swientek presented our council with a certificate of recognition from the Supreme office to our Donor Group. He also typed three more members. "Gold Pot" winner was Sir Knight Ed Zytka, but Ed wasn't present as he is in service with Uncle Sam. The Lecturer distributed straw hats to the following: John Zolna, Stanley Jaworski, Jos. Nowakowski, Henry Kendzior, Frank Smolarek, Walter Kortorba, Frank Wieruszewski, Richard Wojcik, Joseph Bartusiak, James Swientek.

BIRTHDAYS AND ANNIV.

Bro. Ray Zdziarek will celebrate his birthday on June 1; the following will celebrate their anniversaries—May 28, Mr. and Mrs. Frank Chromik, Jr. 2nd; May 29, Mr. and Mrs. Peter Bartus, 3rd; May 29, Mr. and Mrs. A. COUNCIL BRIEFS

Register now for our Mayslake Retreat on Friday evening, June 27. Basket Picnic on Friday, July 4 at Red Gate Grove. Sir Knight Jas injured his knee while bowling, but how about that scar on the nose? G. K. Julius Martynowicz is ready to meet all comers for a golf game. Bro. Frank Wegzyn is shooting in the 80's.

The scribe is in receipt of a letter from Bro. John Rostocki located at 10th Infantry, Company H, Fort Custer, Mich. He writes as follows: "The Army life is certainly O. K. Our program starts at 6:00 a. m. The first hour is spent in making up our bunks, sweeping the barracks, etc. At 7:00 we have breakfast, after which we march to the parade grounds, do exercises, take our guns apart and refit them again. Learning all parts of the guns is very detailed. We also pitch tents and so on until the general inspection each Saturday by the colonel. Our clothes and appearance are checked two or three times a week. Lunch is at noon, dinner at 5:00. Dancing at the Hostess House at 7:30, and then back to camp with lights out at 9:00. We are permitted to roam around the bunk house until 11:00.

We do have a recreation room for our company with pool tables, lounge chairs, sofas, magazines, radio and books, but we seldom get a chance to use these as are either too tired or have mail to answer. Must close now, but let me hear from anybody in Weber Council. I promise to answer all questions. My very best regards to all."

McHale Will Elect Council Leaders at Next Meeting, June 3

1-3 Tues. . . . . 150 W. 69th St.

At our next regular meeting Tuesday, June 3rd, our council will elect its new officers for the coming year. This is a very important council affair and we urge every member to attend and to take an active interest in the selection of the men that you feel are capable of upholding the traditions of Archbishop McHale Council. There will be plenty of refreshments after the meeting.

AT OUR LAST MEETING we had the pleasure of being host to six other councils in our section in the exemplification of the First and Second degree. There was a large class present, among which were Joe Sheehan, son of P.G.K. Jerry Sheehan, James O'Connor, Arthur J. and Donald Jr., Usher's Brothers, and their cousin, John C. Usher and Wm. Shean. McHale welcomes these fine young men, gentlemen, and trusts that it will be our pleasure to see them at our next regular meeting Tuesday, June 3rd.

BARBECUE

Are you working hard to sell your Barbecue Book? Fellows, let's do a job on this. It's really not hard and, if you need help, ask the good woman to give you a lift, or your daughter, or your son, just think of the feeling that you will have to step up to Fin. Sec. Earl Edgeworth next meeting nite, with a complete book. Let's put McHale and the Barbebue over with a bang!

SOFT BALL

Last Thursday evening, May 22nd, our soft ball team met an all star team from Hamilton Park and defeated them by a score of 7 to 5. Some fine pitching was done by Bro. Joe Sheehan. The infield sparkled with some real fielding, by Glen Shotty, Leo Karieva, Leo Wimple and real stick work was done by Jack Rogers, Jim and Pat O'Connor. Manager Leo Kareiva and his Co-Mgr. Leo Wimple are very pleased with the work of the team. Thursday, May 29th, our team will play at 72nd and South Park (Meyering Field). Our opposition for that game will be St. James Council. Drop over and see the boys in action. We would like to see Bill and Jerry Hogan turn out for this sport.

COUNCIL NEWS

Mark your calendar for August 5, when at Ryan's woods, we will have a swell softball party, with refreshments and dancing.

Bro. Steve Owens is still in the Wesley Memorial Hospital. Bro. Jack O'Connell Jr., son of that popular McHale member and a nephew of Jim O'Connell, enlisted in the Aviation Commission April 30th and is now stationed at San Francisco, California. He will leave there June 14 for the Philippine Islands. McHale members send their best wishes.

The National defense program is working its way into our council ranks; several of our younger members are now in service. I would appreciate any member of our council sending me the names and addresses of any of our members that they may know have gone to camp.

Past President Chas. Catuno of McHale Bowling League made the boys very happy at our last meeting by passing out the checks that were received from the National tournament. If you have any news, call J. J. Kelly.

ETERNAL REST GIVE UNTO THESE THY SERVANTS, OH GOD

Oh, God, the Creator and Redeemer of all the faithful, give to the souls of Thy departed servants the remission of all their sins, that by the aid of pious prayer they may obtain that pardon which they have always desired through Christ, our Lord, who liveth and reigneth with Thee in the Unity of the Holy Ghost. Amen.

De La Salle Will Pick Council Leaders for Coming Year Tuesday

1-3 Tues. . . . . 1105 E. 47th St.

Our next meeting of Tuesday, June 3, is one of great importance to every member of De La Salle Council. We meet to select officers for the coming year.

We sincerely hope that each member will be present as the nomination and election of officers is not the business or pleasure of just a few. This is a matter vitally important to all.

A full representation of our membership voicing individual opinion and helping to select those most capable is very necessary. Please make every effort to be present. A short business meeting will start promptly at 8:30 p. m.

Bro. William H. Burns passed away last week. Bro. Burns was a member of our council for a number of years. To his family we extend our sincere sympathy and pray God that his soul rest in peace.

Don't forget the Barbecue. It's only two weeks from now.

HUGHES EXTRAVAGANZA DECLARED BIG SUCCESS

1-3 Tues. . . . . 4711 W. Madison St.

Guys like Florence Ziegfeld, Earl Carroll, George White et al., will be regarded as second-raters if our worthy lecturer, Joe Ryan, keeps on producing extravaganzas like Hughes Council's "Ladies' Night at Monte Carlo" on Tuesday, May 20. The lecturer and his committee, abetted by the council officers, can point with pardonable pride to the success which attended this spectacular evening of fun.

It was all fun—and in fun—and everybody had a wonderful time, with refreshments being served, including sandwiches and some of those delicious potato chips that Bro. Frank Van Heule generously donates. As "Midge" Gorman expressed it, "whoever was responsible for bringing Frank into Hughes Council deserves a medal or special honor of some kind."

HARD WORK

There was a great deal of detail involved in staging the affair and Lecturer Ryan had a competent corps of assistants in managing the affair and operating the various "booths." When it came time to tally the results at the end of the happy evening, the board of auditors at the head of the chamber looked like the mathematicians who expert for the mutuels at a race track. Probably the most enjoyable phase of the entire evening was the distribution of the various gifts and every lady in attendance was presented with a token. Jim was inundated with work and none tried harder to please. Incidentally, a salute to all the handsome young men who worked tirelessly that evening, from the dispensing of refreshments to the operation of the various games, and too much praise for worthy service cannot be heaped upon their deserving brows.

BOWLING LEAGUE PARTY

At Hayes' Barbecue on last Wednesday, May 28, Hughes Council's bowling league sponsored a dinner for the bowlers and their friends, including the ladies, God bless 'em. Nick Mulroe, Chick O'Malley and Harold Enright spared no effort—or expense—to make this a real party, and although a full and authoritative report cannot be given at this writing, owing to an early deadline, we have every confidence that a good time was had by all.

Speaking of bowling, reminds that it pays to have a friend in court, for PGK Elmer J. O'Brien distributed some handsome checks to Hughes' bowlers for Indianapolis performances in the National K. of C. Tournament. Bro. Eduardo Hustoles and Alberto Gilbert, who are really only pseudo-Spanish, got a good dividend for their high place in the doubles event with a big total, and some of the majors also cashed in handsomely for good bowling. But no less attractive were the sizable checks passed out to other bowling teams and individual bowlers.

BOWLING NOTES

Evidently Hughes' representatives in the I.B.A. tournament did not displace the leaders, but the boys did all right, we know. Incidentally, the following list completes the individual averages for the council league:

ELECTION OF OFFICERS

The annual election of officers for Hughes Council will be held at a June meeting. GK Dr. Louis Postilion urges that every member attend both the June 3 and the June 17 meetings, for matters of importance will come up for attention at each session.

Mgr. Frank Linskey is not without confidence in the 1941 softball squad and believes that once the boys round into shape they will pile up sufficient victories to assure Hughes a berth in the citywide championship finals and an opportunity to defend the title won so gloriously last season.

No definite golf program has been released for publication, but it will not be long until the council golf committee shapes up a summer schedule, which will likely be climaxed by the championship tournament competition for the Peter M. Kelly Memorial Trophy. Incidentally, members desiring to play in the All-State Golf meet should make reservations as early as possible. Details are available on page one of this issue.

DGK George N. Daly, chairman of the barbecue committee, does not want any member to slacken in his efforts for this cause. It is a wonderful opportunity all around. You are urged to continue your good work and check with a member of the committee in reference to any additional details.

Englewood Promotes Program of Catholic Action During June

2-4 Mon. . . . . 150 W. 69th St.

Sunday, begins the month of June, the month set aside for devotion to the Sacred Heart of Jesus. At our last meeting our Chaplain, Rev. F. J. Geheb, S. J., stressed the importance of this month, how rich the indulgences are for the devotions, and also the many promises attached to them. There is no devotion more pleasing to the Sacred Heart than Holy Communion. It fills us with hope and confidence.

"We hear so much about defense," said Father Geheb, "but that is material defense. We need it, that is true, but we need a greater defense . . . spiritual. The Blessed Sacrament is given to us in the form of food. All devotions (Novenas, litanies, prayers, etc.) to the Blessed Sacrament are good, but the greatest is Holy Communion."

Recently a card was sent to every member of the council, reading as follows:

"In keeping with the wonderful success of the recent Holy Name Society Drive, and in furtherance of Catholic Action, at this time it is called to your attention that the month of June is specially given over to devotion to the Sacred Heart of Jesus and that it is traditional with Englewood Council members to receive Holy Communion every Sunday and first Friday, and daily if at all possible, during this month.

"May we count on your co-operation by receiving the attached return post card so that we may report to the council your interest?"

Attached was a reply card addressed to our Catholic Action Chairman Harry L. Delaplane, showing how many times during the month you would receive Holy Communion in honor of the Sacred Heart. Have you sent in your card yet? If not, do so tonight.

E-XERCISE

in generous portions awaits those who enroll as a member of the Council Softball team. Athletic Director Joseph Hannapel is working diligently to mold a winning team to represent Englewood and needs only your full cooperation. The season will open soon so be prepared when you are called, for many are called, and all are chosen.

The other athletic activity of the council during the summer months is the Junior baseball team, and while awaiting for the official season to open it is engaging in practice every Saturday at Hamilton Park. On Saturday, May 17th, while we were "dolling up" the Del Prado Hotel for the 324 May Party and Dance, the boys took the measure of the strong Pirate team, 9 to 5. We are still on the lookout for a pitcher and a couple of hard hitting outfielders. It was nice to see P. G. K. Jack Hasty at the Park last Saturday.

The "Three-to-Four Club" has been taking a well-earned rest following their tremendous success at the May Party and Dance, but will resume their monthly meetings, Wednesday, June 4th, at the home of President Charles J. O'Brien. All fourth degree members of the council are invited to attend these meetings.

E-ULOGY

When making the report of the May Party and Dance given by the "324 Club" on May 17th, we purposely omitted one item, for it would have been lost or overlooked in the extensive report given and it is an item that is worthy of special mention.

Those who attended know that as each lady entered the Crystal Ballroom she was presented with a gardenia. Many fine compliments were paid to us for such a splendid gesture.

These flowers were f u r n i s h e d through the courtesy of Bro. Edw. Powers, the super insurance salesman, and it is to him that we pay tribute this week as the man of the hour. Many, many thanks Ed, and success to you in your future endeavors.

SETTERS RECORDS NEW GAINS FOR BARBECUE

2-4 Thurs. . . . . 4711 W. Madison St.

Speaking before the members of Father Setters Council assembled for the Barbecue Rally on Thursday evening, May 22, District Chairman Marco De Stefano congratulated the organization on its splendid accomplishments and prophesized that, with the continued enthusiasm and co-operation of all Setterites in conjunction with the unified work of all the other councils in the Chicago area, the 1941 Barbecue will surpass those of 1938, '39 and '40.

The last three Barbecues have, as you know, produced some $55,000, which was turned over to His Excellency, Bishop Bernard J. Sheil, to aid the underprivileged youth through the medium of the Catholic Youth Organization.

In pointing out the honor and privilege of the Knights of Columbus in working with Bishop Sheil in a cause so noble, Chairman De Stefano enumerated the manifold forms of aid thus rendered to the less fortunate boys and girls. These include the furnishing of sorely needed medical and dental care, scholarships, food, clothing and the maintenance of the summer schools and of the athletic programs of the C. Y. O.

Just prior to the address of Chairman De Stefano, the co-chairmen of the Barbecue Committee of Father Setters Council, William N. Hoffman and Edward M. Fitzgerald, made a joint report that returns now far exceed those of comparable dates preceding the 1938, '39 and '40 Barbecues. In voicing the confident expectation that such magnificent work will continue right up until June 18, Co-chairman Fitzgerald pointed out that members in need of additional tickets will be furnished them at once, upon making a telephone call to him at Columbus 2981. Returns should, of course, be made directly to Financial Secretary Thomas A. Lavin, 5315 W. Adams St.

PATRICK J. DeVOY

Ever since his entry into Father Setters Council in 1914, Patrick J. DeVoy has been one of the most prominent and genuinely popular leaders of the organization. He served on every important committee and was unsparing of his time and talents on behalf of his council and its members. He acted as Trustee for several terms and held many other offices and responsible positions, fulfilling each with honor and distinction.

In addition to his activities in Father Setters Council and in La Salle General Assembly of the Fourth Degree, Bro. DeVoy was a leader in many other affairs. He was a Trustee of the Chicago Police Pension Board, an officer in the Spanish American War Veterans and was active in athletic circles, the latter interest following naturally from his career in the United States Navy, where he was at one time lightweight boxing champion.

Recently Pat retired from active service with the Chicago Police Department and moved to 1085 E. 6th St., San Bernardino, Calif. In order to maintain his activity with the Knights of Columbus, he has requested a transfer from Father Setters Council to San Bernardino Council No. 905.

In granting the request for the transfer, we salute Sam Bernardino Council and express our sincere tribute to Patrick J. DeVoy, one of the finest American, Catholic, Knights of Columbus we have ever known.

CONGRATULATIONS

Miss Peggy Lavin, daughter of Financial Secretary Thomas A. Lavin, was a member of the team from Siena High School, which won first honors in the state-wide commercial contest held recently. The Siena team had been entered in open competition with schools from all parts of Illinois and it was an outstanding achievement to defeat all opponents and win the undisputed championship. The members of Father Setters Council congratulate Miss Levan and her teammates for their well-deserved success.

Grand Knight Maurice J. Kissane and Lecturer Edmund Dyer wish to express our thanks to Henry Iding, well-known member of the council, for his generosity in donating two of the merchandise prizes awarded at the Barbecue Rally. Bro. Iding is Chicago district manager for the Louden Packing Company of Terre Haute, Ind.

Popular Acts Are Booked to Entertain Barbecue Guests

Dinner Menu Will Be in Charge of District Deputy De Stefano and Corps of Aids

An elaborate program of "extra" entertainment is being planned for the fourth annual Knights of Columbus Barbecue at Riverview Park on Wednesday, June 18, in benefit of Bishop Sheil's Underprivileged Youth Fund, in addition to the regular features of the day long outing, General Chairman Ludwig A. Streck announced today.

George Bamber, chairman of the entertainment committee, he revealed, has booked several talented professional acts for production Wednesday afternoon and evening. Among those now listed is the famous radio team of "Mac and Bob," the blind musicians and singers who are currently featured on WLS programs several times during the week and on the National Barn Dance program each Saturday night.

WLS Stars Featured

Also among the barbecue attractions is Ted Morse, who as "Otto" and by impersonation as "Little Genieve," the roly-poly miss of the wise-acks and whiney voice, has almost an unlimited capacity for producing laughs.

Georgie Goebel, another WLS singing favorite, will be another featured performer of the barbecue program. The young baritone's attainments have been varied and noteworthy. He enlisted the services of two boyhood chums for a small orchestra, the nucleus of which comprises Harold (Spence) Spencer, accordionist; Richard (Boots) Karlow, clarinet; and Goebel, guitarist and director. When occasion demands this complement is augmented for engagements as a dance orchestra, but the trio is most in demand because they are a peppy and versatile threesome, with a neat routine of songs to add variety to their program of instrumental numbers.

As at the last two annual affairs, the barbecue dinner will be prepared and served by Marco De Stefano and his staff. Dinner will be served from early evening until all guests are satisfied. The established price of 50c a plate will again prevail while children's portions will be available at twenty-five cents a plate.

Volunteer Workers Needed

Volunteer workers, to man the several booths that will be set up for operation Wednesday afternoon and evening, are asked to contact Secretary James Carney at barbecue headquarters, 155 North Clark street (State 1880) this week-end. Assignments to the different booths and for definite times will be made to accommodate the workers in all cases. Council groups are particularly invited to share in this phase of the barbecue program.

Ask Returns Be Made Now

Although the sales campaign for the barbecue has maintained the lead established early in the drive over those of other years, Chairman Streck has asked that every member continue his efforts to the last minute.

Assembly Climaxes Year of Fine Programs with 'Lads', Dads' Nite' Wed.

As a fitting climax to a series of excellent programs, La Salle General Assembly, Fourth Degree, will sponsor its annual "Lads' and Dads' Night" feature on Wednesday, June 11, in the Palmer House. The boys, from eight to eighty, are assured a very pleasant evening.

An exceptionally fine program of all-star vaudeville will delight the Sir Knights as well as their sons. A large supply of playground balls will be distributed, and all the boys will get the usual candy bars and ice cream.

The Assembly considers this annual event as one of the high-lights of the year and the members as well as their sons look forward to this program, held each year during the month of June. Comptroller Theodore E. Cornell promises that the 1941 program for the boys will top any of its predecessors. Admission will be by 1941 membership card.

The Assembly's business session will begin promptly at 7:45 p. m., and will be featured by the annual election of officers. At the close of the meeting (approximately 8:15 p. m.) the boys will be admitted and the program will go on.

Reservations for State Golf Meet Are Mounting Steadily

Entries for Championship Flight to Close June 20; Others Monday June 23

The registration of seven more council foursomes and eighteen individuals, made over the holiday week-end for the Knights of Columbus All-State Golf Tournament, considerably strengthens the committee's assurance that the June 25 affair at Olympia Fields will be another demonstration of "all-out" Order activity here.

All three courses at the million dollar club will be used by the thousand Knights and guests expected to attend this, the 14th annual running of the popular affair. The championship flight for the Fred B. Snite and the Thomas D. Griffin trophies (council and individual low gross) will be over the number one course, while both other fields will see action under the maneuvering of those contestants seeking a hold on the hundreds of other special prizes and awards that have come to be a traditional mark of the tournament.

Heading the list of special awards to be distributed in addition to the dozen or more championship trophies is the lady's fur piece donated by the Moran Furriers, 58 West Washington, and the domestic rug presented by the Olson Rug Company. Five hundred

Knights Mobilize to Take Lead in U.S.O. Drive Here

D. D. Edward J. Molyneux Is Named by Flynn to Head Local K. C. Campaign Efforts

Speaking to more than a hundred representatives of the councils of the Knights of Columbus in the Chicago archdiocese, who were gathered at the Sherman Hotel here last week, Rev. Wm. A. O'Connor, head of the local unit of the National Catholic Community Service, called for the Order's whole-hearted support of the $679,500 campaign of the United Service Organization here to establish recreation and service centers for the men in the nation's armed forces.

Commenting on the Order's great record for service to the soldiers and sailors in World War I, Father O'Connor said the Knights "are being asked by the bishops of the United States to duplicate your fete again, and to share, with the mobilized efforts of the entire Catholic resources of our country, in the problem of preserving the moral and the morale of our young men in military service."

To Establish 360 Centers

Under the plan of the United Service Organization, Father O'Connor explained, the nation's six leading social agencies, acting jointly with the National Catholic Community Service, under whose jurisdiction the Knights of Columbus effort will be expounded, will unite to provide for the establishment and maintenance of some 360 recreational centers adjacent to Army camps and naval bases throughout the country.

Provisions for the erection of the buildings will be made by the national government but their maintenance and the services offered will be in charge of the individual groups affiliated with the U.S.O. A national goal of $10,765,000, of which the Chicago quota is $679,500, has been set to provide the funds for the operation of the centers.

In addition to the establishment of the service centers near the various military reservations, a local program, now in the early stages of its development here, is also endorsed by the organization. Under this phase of the N.C.C.S. program, service men visiting Chicago are to be entertained or cared for in parish and neighborhood recreation centers.

Name K. C. Chairman

Following the explanation of the campaign's mechanics as provided by Father O'Connor, State Deputy-elect, Leo M. Flynn announced his appointment of the Knights of Columbus Committee that will co-ordinate the efforts of all local councils for the drive.

District Deputy Edward J. Molyneux was named committee chairman and Henry L. Phoenix, secretary and treasurer. Thirteen district chairmen including: Francis McMahon, Frank McGlinn, Richard L. Judge, Joseph H. Halm, Elmer O'Brien, Charles Nash, John Ruberry, John Shealy, John B. Meccia, Thomas Hayes, Bruno Satkowski, Charles Morgan and William P. King were named in the State Deputy-elect's appointments.

Barbecue—

Continued from p. 1.

"Real assistance can be offered the barbecue committee now," Streck commented, "if each member will see that his returns are made to his council officer within the next few days. All returns must be turned in not later than Saturday, June 14, so that the general committee is not overwhelmed by a last minute rush."

The campaign so far, he said, had met the highest expectations of the committee but not until late Wednesday evening, when the final tabulations are made, will there be any real measure of how successful the drive to benefit Bishop Sheil's Underprivileged Youth Fund has been.

U. S. O.—

Continued from p. 1.

In addition to these men, a committee of from one to three men is expected to be appointed in each council at once so that the Order here will be "in gear and ready to move as the drive gets underway."

Heading the U.S.O. effort in Chicago which was officially put underway last evening at a dinner meeting held at the Stevens Hotel, will be four of Chicago's outstanding business and civic leaders.

Hughston M. McBain, first vice-president and general manager of Marshall Field's will act as general chairman of the Chicago committee assisted by vice-chairmen Herbert J. Lorber, Hays MacFarland and John J. Gallery, Jr. Thomas E. Dewey is national chairman.

other prizes, with the aggregate value of over two thousand dollars, are also listed to tempt one of the largest turnouts in tournament history.

Entry Deadline, June 20

All entries for the championship flight must be made to Secretary R. E. Gorman, 105 West Madison street, Dearborn 7300, by Friday, June 20; all other entries must be in by Monday, June 23. Pope's Plea for Less War Violence Is Lauded

Washington.—The appeal of Pope Pius to the warring nations to avoid unnecessary brutalities, useless destruction and wanton slaughter of non-combatants reflects in some measure a prevalent state of mind in Washington but the hope that it will be heeded is acknowledged to be very slender.

Since the appeal was made the Germans have launched their most savage attack upon London, killing a large number of people and destroying houses and historical edifices which cannot be replaced. It was promptly followed by an attack by the Royal Air Force on Berlin. The air attacks snuffed out the lives of many victims, among them women and children.

Now, tragically enough, the Vatican City itself may be drawn into this orbit of savage destruction. The British Government has announced that if Athens or Cairo are made the targets of German air attacks, the British air force will attack Rome.

The prevalent feeling in Washington is one of horror and helplessness. The rules of warfare, laboriously built up through the centuries, no longer prevail and the possibility that the battling nations can be induced to limit the areas of destruction and avoid utterly useless slaughter is felt to be remote.

Vatican City alone is in a position to raise its voice against the brutalities of war and it may now find itself the victim of these brutalities.

Boys among the Zulus are instructed to eat very fast because they are looked upon as future warriors who will have to be accustomed to leave a meal at a moment's notice in order to go to the battlefield.

K. C. Barbecue Workers

District Barbecue Chairman, George A. Bamber, seated third from right above, following a dinner meeting of the barbecue officers from those councils in his district last week, announced that his section was well on its way toward setting another record in the annual charity campaign.

Officers represented at the meeting, and pictured above from left to right were: seated, C. J. Costello, T. J. Cregan, Ludwig Streck, general chairman of the 1941 affair, George Bamber, district chairman, J. F. Collins and C. B. Mele.

Second row, left to right: J. F. Korbel, L. G. McSteem, A. J. Flashing, J. F. Woodward, B. J. Cunningham.

Rear row, left to right: J. De Filippo, J. W. Hartford, Geo. N. Daly, A. Frusoline and J. A. Dunne.

Oak Park to Elect New Officers Next Meeting; Golf Tourney Sunday

2-4 Mon. . . 641 S. Scoville Ave., Oak Park

The next meeting will be the election of officers. It is the duty of every member who possibly can to be at that meeting and help select the officers to run the council for the coming year. By your attendance at this meeting you also give inspiration and confidence to those who will guide the council for the period to follow, and by giving them that confidence you will do much to insure a successful administration.

To be a council officer and to do the job right requires that the incumbent give up much of his personal liberty, and that he spend money that otherwise would not be spent, and further that he constantly look to the inetrests of the council. If you want to be assured of good officers you should be present to see that good officers are elected and that you give them the will necessary to do the job right.

GOLF MEET SUNDAY

On Sunday, June 8, at the Midwest Golf Club, Oak Park Council will hold its golf tournament. Tee-off at 12:30. Here the golfing elite of the council along with the duffers will try their hands at the good old game. Skill is a secondary factor in our tournaments. The primary factor is good fellowship. If you join with us in this tee and bunker tournament you will find an unusually good bunch of fellows for partners. If you get 70, whether for 18 holes or for nine, it will make no difference. The only requirement for entranc is that you leave any grouches at home. They are taboo out at the tournament.

The fee for golf and for a fine dinner is only $2. Many of you who play golf have paid that for the golf alone. This fine course is reached by traveling west on Roosevelt Rd. to Tri-State highway, thence south to the first crossroad south of the Mayslake sign. Follow that road west one Irish mile to Midwest. Remember, 12:30, Midwest Golf Club, Sunday, June 8.

Your scribe wishes to express his thanks and the thanks of his family to the many members who have extended their sympathy in one way or another following the death of his father on Decoration Day. The loyalty and devotion of friends is one of life's greatest consolations.

This column is of necessity rather brief, but we feel that our members will understand.

PAPAL GUARD UNIFORM CHANGING

Armed forces of the Holy Father, with a thousand years of military history behind them, are "going ancient" instead of trying to keep up appearance with the modern armies of the world. The latest change has been the abolishing of the military caps of the Palatine guards, adopted after the last war. They have been replaced with the 19th century shako—a high headpiece falling over the nape of the neck with a slender red plume in front.

Damen's Calendar Is Filled with Important Activities for Month

1-3 Thurs. . . . . 6 N. Hamlin Ave.

Two important and weighty duties facing Damen Council this fiscal year, in addition to the election and installation of officers, are the Barbecue for the Underprivileged Youth, and the conferring of the First and Second Degrees.

The election of officers took place Thursday, June 5. Installation occurs at the July meeting. At this writing we do not dare even hazard a guess as to our leaders, not having the gift of prophecy. But should the election have proceeded in as quiet a fashion as in former years, no great oratory or thundering applause was evidenced at the election on June 5. These by-plays and unessentials are eliminated.

BARBECUE

Indications are that a great throng will fill Riverview Park to overflowing for the Columbian testimonial to Bishop Sheil. This testimonial takes a concrete, practical form through the purchase of tickets for the event by members of the Order and their friends, the proceeds being donated to the Bishop of Youth to be used as he sees fit in carrying on his work for underprivileged boys and girls.

We need not recite the list of activities that are aided by this contribution. The important thing is that each Knight dispose of at least one book of tickets for the event on June 18. Make returns to Jim Crowley or John Caulfield as soon as possible before the big date.

DEGREES

Damon Council is host for the First and Second Degrees to be conferred on June 19 in our chambers at 6 N. Hamlin avenue. Proposers of candidates could remind the neophytes of the date, and if possible arrange to accompany them to the initiation. This will be a courteous gesture to make the newcomers feel at home.

We invite the councils affiliated with us to the ceremony, particularly the Grand Knights, Financial Secretaries and other officers, as well as members.

Because this exemplification is one of the latest to be held before June 30 we welcome candidates from all councils in Chicagoland.

SOFTBALL

Wally Fitzgerald and George Reithal are still seeking players for the team entered in the K. of C. league. You're invited to set aside your pipe and slippers and to take up the bat and cleats. You may be the jewel shining on our diamond in the rough.

D'ya know we're thinking one team could be a family affair what with all the Creightons, Crowleys, and the Sloans. How about another team for those of us unlucky as not to be born into a large family.

Help the Barbecue on its way; June 18 is the lucky day.

FAULTY VERSION OF POPE'S TALK CORRECTED

London.—An inaccurate version of the Pontiff's Easter message represented the Holy Father as appealing to belligerents to abstain from the use of still more destructive weapons "until such means be used first by the enemy." A Vatican radio speaker heard here pointed out that in reality His Holiness implored the warring powers to abstain entirely from the use of new and more terrible weapons.

St. Paul Will Devote Complete Efforts to Success of Barbecue

1-3 Tues. . . . . 6713 Olmsted Avenue.

We haven't had the chance heretofore to write much about the Barbecue but this week affords an excellent opportunity to make at least one appeal to the membership to get behind it.

As you know that date of the Barbecue is June 18. This makes us realize that there isn't much time left so we should get busy at once. D.G.K. Gene Sass, chairman of the Barbecue Committee, has high hopes that there will be at least 175 books completed this year which, while it means a very substantial increase over last year, is not impossible of attainment.

You have only two weeks to accomplish this goal so it is hoped that you will not fail your council. The second meeting in June is the day before the Barbecue and it is planned to use that meeting night as a sort of roundup so that you may kill two birds with one swoop in that you can attend the meeting and settle up with the committee at the same time.

I'll repeat again what P.G.K. Geo. Harbert told us after the first victory dinner and on several occasions since. It was "that if you could have attended that dinner and heard the talk of the Rev. Bernard Sheil after he was presented with the check for his Underprivileged Youth Fund, you would really go out and work for him. Now men, this is probably the greatest charitable cause that you could contribute to and it need not cost you more than a little of your time. Your friends will be disappointed if you do not give them an opportunity to help this cause along.

This is your opportunity to be a "regular fellow" with the kids who share in the undertaking so admirably thought out and sponsored by a man whose work in the field of youth movement, especially the underprivileged youth, has been the wonder of juvenile organizations everywhere and has been given the highest praise in the press and elsewhere but most of all by the subtle, though impressive, method of imitation. Help the kids from "back of the yards" and other slum districts of our large city and assist the Most Reverend Bishop Bernard J. Sheil in his efforts to ameliorate the conditions of these underprivileged youngsters.

SOFTBALL

The softball team is due for a little space and so we start out with the names of the men on the team captained (or should we say managed) by that old stalwart Jimmy Dalton: Rudy Hoffman, Ed. Lally, Monk Donohue, Ray Donohue, Carl Giarruso, Frank Sebastian, Dan Kelly, Paul Kapser, Joe Czarnecki, Wm. Brunkhorst, Gene Sass, Joe Schmidt and Geo. Hartke. Games scheduled for next week are Tuesday, June 10, De Soto at De Soto; Thursday, June 12, University at Norwood Park Field; Friday, June 13, Vinci's at Olympia Fields in Edison Park.

Now, we hope you will turn out, especially at the home games and give these youngsters a hand and be entertained with some snappy soft-ball playing which will make you wish that you were young again so that you could be a participant instead of a spectator. Now everybody, "Yea, St. Paul of the Cross."

We hear that Bro. Geo. Berresheim is ill and confined to St. Francis hospital in Evanston. We're all pulling for you George, and hope your stay in the hospital will be of short duration and that you will be back in the council chambers again soon. . . . The Lallys' started their vacationing early this year at Fox Lake. (We hope you will give us the dope on your vacations when you have them. where you go, etc., so we can pass the news along).

CHICAGO, JUNE 6, 1941 100

The U. S. O. Campaign

(From the message of the Administrative Board of the National Catholic Welfare Conference, issued April 26.)

The American people has, through orderly democratic action, expressed its solemn judgment that to be safe in the world today our nation must be strong. That judgment is reflected in the greatest defense effort in the history of the United States. An adequate program of national defense, as we see it, embraces both strength in arms and strength in spirit. With armed strength, it is not for us as Bishops to deal. We leave that to our civil and military authorities. Our particular part in any program of national defense must have to do with the things of the spirit.

We are deeply concerned, therefore, with seeing to it that the spiritual influences of their home communities shall follow our boys who answer their country's call to train themselves to be their country's defenders if the need arise. Our Government has followed the best of American traditions in entrusting the task of maintaining morale for camp communities and defense areas to private agencies, whose service is inspired and guided by faith in God and love for man. We deeply appreciate the confidence this invitation implies, the challenge it carries and the cooperation it promotes.

The National Catholic Community Service is the agency which the Bishops of the Catholic Church in the United States have commissioned to do their share in this providential work. In doing this work on a national scale, the National Catholic Community Service is associated with similar agencies, representing our fellow citizens and other faiths, in the United Service Organizations for National Defense.

A nation-wide appeal for funds to carry on this work will be made during the month of June. We are confident that the soul of America will give a generous answer to this appeal for the means to throw the saving influence of home and church around the young manhood of America, in whose hands the defense of all that we hold dear will finally rest. We are confident, too, that our Catholic people will co-operate wholeheartedly in making this answer an eloquent expression of their interest in the souls of their soldier-sons.

ARMY CAMP NAMED FOR TEXAS CATHOLIC

San Antonio.—One of the two new Army camps for enlisted men, honors the memory of Private David B. Barkeley, Company E, 356th Infantry, 89th Division, A. E. F., a Texas Catholic who received the Congressional Medal of Honor posthumously. The other enlisted man so honored was Corporal Harold D. Roberts, Company A, 344th Battalion, U. S. Tank Corps, of San Francisco, awarded the same medal posthumously.

This is said to be the first occasion in modern times when the War Department has named permanent Army stations in honor of enlisted men. Camp Barkeley is near Abilene, Tex.; Camp Roberts, near Nacimiento, Cal.

Private Barkeley volunteered with another soldier to reconnoiter the enemy's position on the opposite side of the River Meuse near Pouilly, France, on November 9, 1918. He swam the river, reached the enemy-held opposite bank, scouted the terrain, secured the needed information and was returning to the American-held side of the Meuse when he was seized with cramps and drowned.

Corporal Roberts also lost his life through drowning. When his tank slid into a 10-foot shell crater in Montrebeau Woods, on October 4, 1918, it was immediately submerged. Knowing that only one man had a chance to escape, Corporal Roberts pushed his gunner through the back door of the tank.

Charles Laughton and Clark Gable battled to get out of "Mutiny on the Bounty," both of them telling Director Frank Lloyd that the story was ridiculous and unbelievable. In reality it became one of the season's greatest hits.

San Salvador Officers Will Be Chosen Next Monday Night, June 9

2-4 Mon. . . . . 24 E. 114th Place

Hear Ye! Hear Ye! All brothers are requested to attend the council meeting next Monday night, June 9. The reason for our urgent and special request is, of course, that at this meeting San Salvador will elect its officers for the coming year. The ability of the council to function successfully in all the various endeavors throughout the year rests largely upon the interest evidenced by the membership as a whole.

First and foremost, to be sure, is the response of the members upon an occasion as important as the election of officers, whose task is to guide your council through the days ahead. In fact, it is your duty and obligation to assist by your attendance at the meeting of Monday next. We hope and urge that not a single person be absent. So, let's go, men, and really crowd the council chambers.

PICNIC

It is with what we hope is becoming modesty, that we announce the appointment of your humble scribe to the post of general chairman of the picnic. Of course, we appreciate the huge amount of work necessary to make this momentous affair a huge success. However, the success of the picnic will depend, not on the chairman, alone, but upon the cooperation of the membership in assuming the various tasks and responsibilities in which they may be asked to assist. Unfortunately, through circumstances beyond our control, the Ninth Ward Democratic Organization has been assigned the same date for its picnic, but at a different location of course.

You can readily see, therefore, the necessity of working even harder than ever this year in the face of this unexpected competition. We are blaming no one for the duplication of dates, it's just one of those things in which no one is at fault. It has been decided that every Friday evening will be meeting nite for the picnic committee and we urge your faithful attendance. The first job we have to do, however, is to be sure that everyone is furnished with a picnic book. If you do not have yours at this writing, please rectify the situation at once. If any members have suggestions for the picnic, kindly drop in to the meeting so that we may hear them.

COUNCIL NOTES

By golly, we almost forgot to remind you, also that four tickets to the All-State Golf Tournament will be given away next Monday at the meeting. Be on hand to get the complete details. The golf tickets will be based on attendance basis. If you run across Rec. Sec'y Tim Griffin, and if he is walking with a fine military gait, it's because he just received his 1-A classification.

We wonder if this guy Ed we keep throwing bouquets at all the time, would get lonesome if he didn't have three or four fellows pitching curves to him. We just wonder.

(Rest easy Mr. Scribe, we like your "bouquet pitching" plenty. What makes us mad is chaps like a certain "Mutter and Beg" man we could mention who thinks he's got all the gravy just because a prominent (that let's us out) member of the Fourth Estate bought (that proves it wasn't us) his lunch recently. We don't eat too often and would like to rate an Annie Oakley over there too, but we'd at least leave the silverware on the table when we'd finished—at least most of it.—Ed.)

Genoa Elects Robert Stadler Grand Knight; Wm. Hanney, D.G.K.

1-3 Mon. . . . 7439 Cottage Grove Ave.

At a meeting of the Council held last Monday evening, with the chamber filled to capacity an election of officers for the coming year was held. G.K. James F. Riley, Jr., acted as chairman and supervised the election as he refused to seek a third term on the ground that he was of the opinion that two terms were enough for any Grand Knight and that the honor and responsibility should be given to some of the other council members.

After the usual business of the meeting was attended, a short recess was taken so that arrangements could be made for the election to follow. D.G.K. Robert Stadler was nominated by P.G.K. Frank McGillen for the office of G.K. and he was unanimously elected to that high office.

Without question in any one's mind, G.K.-elect Stadler was the logical man to lead the council through the coming year and each and every member of Genoa Council knows that he is the man to lead the council to greater glory and maintain the high standards carried on by G.K. Riley.

G.K.-elect Stadler has always been an outstanding member of the council. He has brought in a large number of new members; he has been most active in every affair sponsored by the council; he has been chairman of practically every important committee and has always come through with flying colors. He headed the Golf Day Committee and the Barbecue Committee. He is chairman of the Blood Donors Group. Yes, there are only a few committees that could be named or activities mentioned that G.K.-elect Robert Stadler has not been in the foreground on, working and helping to lead it to success. The council is honored with his election.

The following members were elected to the respective positions: D.G.K. William Hanney; Chancellor Leo Schiavone; Recorder Jerry Getty; Treasurer Ben O'Neill; Advocate Francis X. Poynton; Warden James Large; Outside Guard, Martin O'Brien; Inside Guards Mike Cullen and William Morrissey; Trustee Wm. McSherry; Frank Gorey; Delegates to the Chicago Chapter, Earl V. Cates, Philip Jordan; Delegates to the State Convention, G.K. James F. Riley, Jr., P.G.K. Frank McGillen and Thomas Moore.

Bro. Frank Gorey has been appointed Chairman of the United Service Organization for Genoa Council. This committee will have charge of keeping contact with Genoa members who have entered the service of the United States. Five members of this committee will be named in the near future.

Bro. Ed. Carroll, chairman of the Softball Committee, and Manager Tom Ryan announce that a practice game will be had in the near future.

In "An American Doctor's Odyssey," Dr. Victor Heiser lists the following ten words which he says few people spell correctly: "Inoculate, embarrass, harass, supersede, innuendo, rarefy, vilify, plague, desiccate, picnicking." How about it?

Our nomination for the world's best eater is Father Holbrook of Evanston, Ill. The young priest starts off with three ham sandwiches and then glides into a large steak, after which he tapers off with three or four large perch.

Feehan Ballots on Choice of Council Leaders Next Tues.

2-4 Tues. . . . . Hamlin and Madison

Next meeting, Tuesday, June 10, is the date of the annual election of officers. It is both your duty and your privilege as a member of Feehan Council to be present and to express your preference as to whom you want as officers during the ensuing year.

The calibre of our officers has always been most excellent, a fact which can be directly attributed to the keen interest the members have always manifested in their selection. Therefore, we are looking forward to a large turnout next Tuesday night.

GOLF

On Wednesday at Pickwick Golf Club our first golf tournament of the year will be staged. Pickwick is located on Shermer Road (the continuation of Harlem Ave.), about two miles north of Milwaukee Ave. Greens fee $1, and steak dinner $1. Get your mind off the pressing cares of the moment and fill your lungs with fresh air (if you think they can stand it). Come early or late; we'll be there all day and into the night. Refreshments and prizes are on the council.

Some pairings for the match-play tourney have already been made, but they are not complete, as there are still a few openings left in the quota of 32. In all likelihood, a few of these first round matches will be run off on Wednesday. Chairman Augie Tamburrino has chosen Bros. Turk Fogarty and Frank Reynolds to round out his committee, thus leaving himself wide open to charges of dictatorship. It works like this, according to the kibitzers: Reynolds and Turk are a mortal cinch to take opposite sides on any given question, thus giving the chairman the deciding vote. Simple, isn't it?

BAR-BE-CUE

Last call for Barbecue returns. Tuesday's meeting will be the last before the big K. of C. Barbecue, which will be staged at Riverview Park on Wednesday, June 18. Make the most of the remaining few days in a special effort to get your returns in early in the event that you are unable to make the meeting. Every little bit helps.

THERE HAVE BEEN

some changes made in the occupations of a few of Feehan's members. Tom Fitzgerald has become an electrical appliance magnate, having bought himself a piece of Rohrs Radio and Home Appliance Shop, 715 Hillgrove Ave., in LaGrange. Tom assures us that he is in a position to make a good deal on any of the popular brands of radios and refrigerators. And he is also prepared to lug it right into your parlor or pantry, as the case may be.

And then George Becker tells us that he has regretfully severed his connection with the Pepsodent company and has gone in for manufacturing bearings. George has become a partner in this enterprise also. Good luck to both these lads in their new connections.

DISSA AND DATA

We could have got to last meeting on time had we known that Bro. Bill Kleisner was going to bring his portable radio set with him. The meeting was suspended while the President made his address to the nation, and then resumed where it left off. Why doesn't somebody tell us these things?

Bro. and Mrs. Ed. Condon, Jr., have been doing a little sightseeing in the East. A sort of warm-up for summer vacation.

And speaking of vacations, Bro. and Mrs. Joe Michaels have returned from a couple of weeks' sojourn in Florida, where they visited Joe's folks, whom he had not seen for a few years.

We regret to report the continued illness of Financial Secretary Howard Edler's wife. It is our earnest hope that her condition will soon show a decided change for the better.

Congratulations to Mary Adele Collins, daughter of P. G. K. Bill Collins on her graduation from Rosary College. A graduation party was held in her honor at the Carleton Hotel in Oak Park. And to Bros. Frank Bent, Wm. L. Martin, Elmer McNeil, John R. Sullivan and Thos. A. Downey, who celebrate birthdays this week.

Condolences: Feehan Council mourns the passing of Charter and Honorary Member Bro. John E. Murray, who was buried from St. Mel's Church on Tuesday morning. To Mrs. Murray we extend our heartfelt sympathy in her bereavement.

Barry Points to Need for Early Barbecue Returns

1-3 Tues. . . . 2856 Washington Blvd.

In just a couple of weeks now and the barbecue will be a happy memory and your Grand Knight is anxious that all brothers who have not already done so make returns to Bro. Phil Cullen. Barry is really going to town this year in the help we are contributing to this worthy cause, and your faithfulness to this work will be greatly appreciated by all of your officers.

BLOOD DONORS: Barry has a good representation in this group now, but Bro. George Bamber would like to see those who have not already enrolled in this courageous group of men to see him at any time.

MEMBER DRIVE

The date for the next exemplification of the Third Degree of our order by Barry has not yet been set, but from the membership drive in progress we should have a good class and all members are urged to secure application blanks the next time you are at the clubhouse and bring in those Catholic gentlemen.

The Knights of Columbus have a good deal to offer, and your clubhouse is a splendid place for the men to meet and participate in the various activities of your council. Just a kind word to those brothers who, on account of work, or being away from the city on jobs, make it possible for us to have a good clubhouse for all of the brothers to enjoy, and even though you may not make use of the club facilities yourself, you are nevertheless making it possible for the rest of us to enjoy them in a truly Catholic atmosphere.

The Barry Home Guards are going strong now, and in view of the emergency existing in this country at the present time it behooves all of us to brush up a bit and every brother is invited, without any cost whatsoever, to see Lieut. Robinson, himself a valued member of Barry, and who was a captain in France in the last war, for details on how you can best serve your country in the coming trials.

SOLDIERS' WELFARE PROGRAM

Our hats off again to Past Grand Knight Jim Curran, who wrote such a splendid story in last week's Columbian on the welfare of our heroes. And when you are approached for your contribution to the facilities for entertainment of our soldiers, be as liberal as you can, for those of us who were in the last war surely did appreciate our K. C. huts in France, as well as the good work the Salvation Army lassies did.

The drive is now on for this service which includes the Y. M. C. A., Salvation Army, and the Knights of Columbus. The whole country is getting into the swing of things and it is up to each and every one of us to do our part, to the success of our great nation.

It is with sincere regret that we report the loss of Bro. William J. Goggin, who so faithfully served Commodore Barry Council for many years. Our deepest sympathy to the bereaved family of Bro. Goggin.

If you want exercise, and plenty of it, see Bro. Bernard Boyle, who will enroll you as a member of Barry's softball team. These brothers really have a lot of fun out of our softball activities during the summer and all members who are so inclined are urged to get in on this in order that we may have a winning team for Barry.

St. James to Combine Special Program with Election Next Monday

2-4 Mondays . . . 64th and University Ave.

On next Monday evening we will hold our election of officers, so we are in hopes of a fine turnout. There will be an excellent program as well as refreshments. Remember the time—8:15 p. m.

In a fitting and memorable display led by our chaplain, Rev. Fr. J. P. O'Donoghue, services were conducted to honor those members who have passed to their eternal reward. Bro. Chris Davis sang "Lead, Kindly Light" and "Ave Maria"; Bro. Larry Duby sang "Rock of Ages," while the entire council joined in several hymns. GK P. A. O'Connell aided by DGK Jos. MacGillivray and Acting Chancellor Dr. C. J. Strobel and Chairman Peter Wehle presented a fine program. PGK Frank Prindeville gave the eulogy while Bro. Ambrose Burke gave a talk on "Our Order and Its Dead." Bro. Clarence J. Phillips rendered the music and final prayer was said by our worthy chaplain. We thank those who presented such a worthy tribute.

Last Sunday evening a fine program arranged by the fourth degree club was enjoyed by the members at the Hayes Hotel. Under the capable hands of the committee in charge, Bros. Tom Groark, C. J. Strobel and Clarence Phillips, the evening will long be remembered by those present.

SOFTBALL

Last Thursday evening we had a practice session with Tom Mulroy and McHale's team from which we emerged victorious. Timely hits were made by Thornton, McKenna and Connolly, and the pitching by Merigold proved the undoing of our opponents. Our first game will be held Thursday as the season begins this week. Manager Mike Connolly states the boys are in fine shape and eagerly awaiting to begin. Remember our home diamond is 72nd and South Park and all games will be played on Thursday evenings, 7 o'clock. Let's attend and urge them on.

The annual state golf tournament will again be held at Olympia Fields and the date is Wednesday, June 25. The chairmen in charge will be Dan McKenna and Dr. C. J. Strobel, who will receive all applications from those desiring to enter. See them at next Monday's meeting.

Chairman John Greene desires all members to turn in their barbecue books by next meeting as this is the final meeting before the big event. Although we have some returns, there are many who have not as yet reported. Kindly help John to put this over in a big way. With less than two weeks remaining let's go over the top and boost such a worthy project!

JUNE 29TH

Chairman John McKean announces that the above day is reserved for our annual picnic and it will be held at Glenwood, Ill. Details will be outlined at the meeting with a brief setup as follows: Softball games, golf, horseshoes, refreshments, music, prizes and other entertainment. The following committees are cooperating: Transportation, Robert Lee and Pete Wehle; refreshments, Jerry Loughlin, Henry Woodmaster, F. Mayer and Tom Groark; golf, Ambrose Burke and John McKean; softball, Mike Connolly and Ed Enright; publicity, C. Phillips and E. Enright; finance, Dan McKenna and Martin Quinn; prizes, Ed Bryar, Joe McGreal, Jos. MacGillivray and Pete Wehle; music, Larry Duby and Joe McGivern; entertainment, C. J. Strobel, Henry Steffens, John McKean, P. J. O'Connell and several others who are asked to cooperate on this.

MEMBERSHIP COMMITTEE: Only another meeting before our "Pete O'Connell class" will be exemplified, so turn in that application now and help Bro. Ambrose Burke in making this a success. If you are in need of membership blanks see him Monday evening. We need but a few more.

CHICAGO CHAPTER MEETING

Last Wednesday the Chicago Chapter meeting was held and Clarence Phillips and Frank Mayer, our chairmen, will have the latest news to present to us for Monday. The boys who attended the meeting first had luncheon at Little Cozzi's restaurant and then adjourned in a group to the Chicago Chapter headquarters.

We are pleased to welcome the following to our ranks: Bros. J. Connolly, W. Beck, Jos. Connolly and J. T. Ferguson, who were all admitted to membership in St. James.

See you Monday, June 9, at 8:15 p. m.! Remember your barbecue tickets, also that new member!

De Soto Barbecue Efforts Renewed for Final Drive

2-4 Fri. . . . . Clark & Belmont

Brothers, I realize that Barbecue and all its related trimmings and aspects have been pumped into this column for the past month with such unrelenting constraint that by now you are chock full right to the brim. But within a fortnight this great campaign for the Bishop Sheil Underprivileged Youth Fund will reach its finale at Riverview Park. Hence, this last hopeful appeal to bring home to you the urgent necessity of each members' cooperation in the final stages of this undertaking.

All members of De Soto have had their books for the past few months, which, under ordinary circumstances, is ample time to effect their disposition. Despite this fact, however, and the further fact that the Barbecue Committee, under the able leadership of Warden "Candy" Strehlow, has utilized every possible means to solicit and stimulate the membership to a determined effort in behalf of this great endeavor, the returns to date have not been particularly satisfying,—nor encouraging for that matter, when we consider that in all three previous campaigns De Soto Council established a record unsurpassed by any other participating council.

To maintain this enviable record your Grand Knight, Gene Scanlan, and the Barbecue Committee urge a more definite and determined display of effort in the few remaining days to assure the disposition of your books. Your cooperation will result in incalculable benefits to thousands of little children directly dependent upon your noble efforts and in addition your Council, as a result thereof, will be in a position to continue the fine type of entertainment and activity it has offered its membership in the past.

Redouble your efforts so that when this great undertaking reaches its finale, your council will have maintained that same standard of successful achievement of which it so justifiedly boasts and to which it is unqualifiedly entitled.

ELECTION OF OFFICERS

At our next meeting, Friday, June 13, the very important business of electing officers for the ensuing year will occupy the attention of the membership.

The Annual Election affords you the opportunity of providing your council with the type of officers and leadership to which it has become accustomed and to whom it is deeply indebted for its progress and achievement. After the election it is very possible that some form of entertainment will be provided for your enjoyment, but to date I am not informed as to what it might consist of; nevertheless, we urge your attendance.

MEMORIAL SERVICES

At our last meeting, which was aptly termed Memorial Night, a very impressive ceremony was conducted commemorative of those of our brothers who have preceded us in the past two years to their inevitable eternal abode, and whose names we hereinafter mention so that in a spare moment you may utter a prayer that God, in his infinite kindness and memory, may gather them into his heavenly fold:

Eugene P. Murphy, James C. Downes, Philip Henkes, Peter A. Birren, James V. Gavigan, G.K. John S. Flannery, Servatius J. Puhl, Rev. Anthony J. Thommes, Bro. Albert J. Kaiser, Albert Niedbalski, Eugene Gravel, P.G.K. Adam Schneider, Albert J. Wathier, Frank C. Eichberger, Joseph Konen, Charles Graf, Jacob M. Delles, Peter J. Rausa, George Winkelmaier, and Lucien F. LaCroix.

Past Grand Knights, Al Birren and Pete Kandel, were in charge of the conduct of the services and accomplished a splendid piece of work. Assisting them were Grand Knight Gene Scanlan and Deputy Grand Knight Frank Fitzsimmons, together with Wardens Jack Dice and Mike Behles, Jr., all of whom performed their respective tasks in an admirable manner.

Participating in the services was De Soto's Male Chorus, under the direction of Brother Bud Hugulet, which provided the musical accompaniment to the ceremony, and, although not being present personally, I am informed the renditions were beautiful.

Rendering inspiring and interesting talks were John T. Lillis, associated with the Catholic Home Finding Bureau, and our own P.G.K. Jerome Crowley, who delivered the eulogy. I have been told by many brothers that the ceremony in its entirety was as elevating and engaging a program as has ever been presented at our council.

SOFTBALL

I am informed by Brother Art Booz, President of DeSoto's Softball team which has been entered in the K. of C. League, that the team officially opens the season with its first league game on next Thursday at California Avenue and Irving Park Boulevard with Father O'Connor Council as its opponent.

On next Tuesday, June 10, the team will play its first home game at Waveland Avenue and the lake with St. Paul of the Cross Council providing the opposition. It should be convenient to many of us to attend the game on next Tuesday and give our team an abundance of moral support.

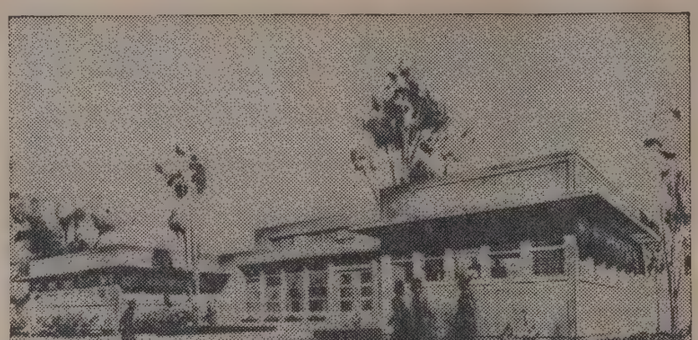
ST. BENEDICT'S PICNIC

Brother Mike Behles, a great DeSotoan and an untiring worker for St. Benedict's Church, asks that the following note be brought to the attention of the membership:

"The Annual Parish Picnic of St. Benedict's Church will be held on Sunday, June 8th, at Harm's Park, Berteau and Western Avenues. Gates will open at one p. m. and races, games of all kinds, baseball games, refreshments and such will fill out the afternoon. In the evening, dancing will prevail. It is to be an old fashioned all day picnic complete with merry-go-round, hurdy-gurdy and swings. Our Pastor, Reverend Fasnacht, extends an invitation to all."

We urge the attendance at the picnic of all our members who can possibly do so as Mike guarantees a most enjoyable time.

Model Recreation Center



Residents of Chicago and adjacent communities will join in cooperating in the $679,500 campaign of the United Service Organizations, opening June 5, to establish recreation centers adjacent to all Army camps and Navy bases.

Shown above is an architect's sketch of a typical service center as it will appear when placed in operation for the use of sailors and soldiers during their off-duty hours. The national quota in the campaign has been set at $10,765,000. Thomas E. Dewey, District Attorney of New York, is national chairman. State Deputy-elect Leo M. Flynn heads the local Knights of Columbus representation on the committee. Other order representatives on the Chicago archdiocesan committee are Henry J. Lynch, Jerome J. Crowley, Michael J. Howlett and Jacob E. Mueller.

June 2—Private Casey Chromik, who is now at Camp Forrest, Tenn., and Bro. John Golec; June 8—John Rozewicz, our Recording Secretary. June 4—Mr. and Mrs. Walter Dalka will celebrate their eleventh anniversary. Congratulations to you all.

CATHOLIC ACTION

A man might say proudly, "I am a Catholic. For references check the Knights of Columbus and the Holy Name Society. You will be convinced that I am indeed a practical Catholic. Check my parish and you will find my name on the roster." This is well and good, but! What about your credentials? Have you made your Easter duty? Did you present your council with a written proof to that effect? If not, this is the last week that you have to fulfill your duty. Remember, fortune lost, nothing lost; courage lost, much lost; honor lost, more lost; soul lost, all lost.

ARMY LIFE

A letter from our past D. G. K., Private Ed Zytka, located at "A Battery, 32nd Battalion, 8th Trg. Reg. Rep. Center, Fort Sills, Okla., reads as follows: "I am glad to hear that everything is running so smoothly in our council. I am in the communication section of the Field Artillery. Stringing telephone wires keeps me busy because I am in the middle of everything in this job. Our gunners are very good here, and I would hate to be a target for them. Except for twice on kitchen duty and guard duty, army life has been o. k. Our present quarters are tents, but by winter we expect to be in barracks.

"Indoor softball is a favorite recreation here. We listen to all the chain radio programs, read the Chicago Trib, Cardinal Council Chronicle, and the weekly Columbian. Plenty of rain and sandstorms, and at times it gets as high as 105 in the shade. The other members of our council here are in the Field Artillery with the big guns. We visit on Saturday or Sunday. Ten weeks gone by, only forty-two to go. My very best regards to the 4th Degree Club, the council and officers. Anyone may write, and be assured I will answer as promptly as I can."

Council Briefs: Barbecue, Wednesday, June 18. Make your returns by June 16 at the latest. Mayslake Retreat is June 27, 28 and 29. It's a date for the Fourth Annual Basket Picnic on July 4 at Red Gate Grove (99th and Archer Ave.). The first game of our softball season was played last night.

CATHOLIC U. AWARDS 34 EDUCATIONAL GRANTS

Washington.—Thirty-four awards of fellowships and scholarships in the Catholic University of America for the 1941-42 academic year were announced by the Most Rev. Joseph M. Corrigan, rector of the university. Valued at $25,000, the awards represent one of the largest grants for graduate studies thus far given in any Catholic institution of higher learning. Successful applicants include 18 students who were reappointed to the grants they received last year. Sixteen of the $1,000 fellowships for graduate work in any department of the university, including the professional schools, were endowed by the Knights of Columbus and have been awarded each year since 1914.

CARDINAL EXTOLLS JESUITS

At a celebration in Naples marking the fourth centenary of the Society of Jesus, Carlo Cardinal Salotti spoke of the glory and merits of the order. . . . In thanksgiving for the recovery of the Very Rev. Agostino Gemelli, rector of the Catholic University of Milan, from injuries received in an automobile accident, the professors have donated a wrought-silver lamp that will burn perpetually in the university church.

Call on your Council chairman with all Barbecue returns before Friday, June 13.

HUGHES NAMES GEO. DALEY AS NEW G. K.

1-3 Tuesday.....4711 W. Madison St.

The election of officers was held at the meeting on Tuesday last, June 3. G. K. Dr. Louis Postilion had sent out a personal appeal to all the members of Hughes Council to attend this significant session, for the importance of selecting able leaders to support the activities of Hughes cannot be overemphasized.

We have said many times before, and hope to say many times in the future, that Hughes Council has been particularly blessed in its official personnel. The functional efficiency of the administrative officers for the last two decades—indeed, throughout the colorful history of Hughes—has been worthy of meritorious recognition.

For the past two terms, Dr. Postilion has been the administrative head of Hughes Council; during his reign as Grand Knight our unit has made noteworthy advancement, including the absorption of Commercial Council, which strengthened the quality of the membership as well as enlarged the roster. It has been customary during recent years for a G. K. to serve no longer than two terms, and the DR tradition has not penetrated Hughes Council, for Dr. Postilion graciously declined the third term which the membership wished to have him accept. He refused to be drafted, and it was fitting that his good friend and the Council's able D. G. K. for the past two terms, George N. Daly, ascends to the G. K.'s chair.

Much could be written about what Dr. Postilion has accomplished, but all active in Hughes affairs know in how large a measure he has contributed to steady growth and beneficial advancement. His record adds another briliant chapter to the annals of Hughes Council.

While the complete roster of officers will be published in the next issue, it goes without saying that all elected are imbued with the highest ideals of Columbianism, steeped in the lofty traditions of Hughes, and determined to carry on the same success which has attended Hughes undertakings during recent years. Installation of officers will take place at the July meeting; there will be only one meeting during July and one during August, exact dates to be announced in a subsequent issue.

PROGRAM NOTES

Wednesday, June 18, at Riverview Grove, Chicago, the fourth annual K. of C. Barbecue will be held. This is one of the most important undertakings of Columbianism in the Chicagoland area, with the proceeds going to the Bishop Sheil Underprivileged Youth Fund. But by now everybody should know about the barbecue, its purpose, its benefits to the individual member, to the member's council and to the underprivileged youth of this area. Chairman George Daly, who has been tirelessly promoting ticket sales, urges a last minute drive on the part of all members so that Hughes may again point with pride to its part in this admirable drive.

BOWLING—"Hats off" to the officers of Hughes Council's Bowling League. As a fitting finale to an outstanding season, they put on an extraordinarily successful dinner party at Hayes' Barbecue, North Avenue and Harlem, on Wednesday, May 28. There was a grand outpouring of knights and their ladies, nearly 100 all told, and revelry continued long after the dinner hour, with Julius Lamassey, young Raymond O'Brien, and vivacious Mrs. Ann Brown keeping the entertainment lively and lively.

Secretary of the League Harold F. Knight, P. G. K., with his usual facility and felicity of speech, kept the afterdinner tempo exactly right, with some of the team sponsors being called upon to take a bow. And the occasion was fittingly turned into an opportunity to fete the Council Bowling Champions, Lauterbach Coal team, which accepted the plaudits graciously, modestly. Four of the major bowlers, notably P. G. K. Elmer O'Brien, Anthony Slanina, Frank Kaminski and Ed Kowalski, also were present.

COUNCIL ITEMS

Congratulations and best wishes are strictly order for June with Dan Cupid scoring repeatedly in the ranks of Hughes' members. The family of G. K.-Elect George Daly will be especially busy and just how his gracious wife, May, is going to manage all the many details is something only one of her capabilities knows. Tomorrow morning, Saturday, June 7, Lorraine Virginia Daly, lovely young daughter of the G. K., will be married to James Joseph Healey, at a ten o'clock nuptial Mass in Presentation Church, 758 S. Springfield Ave. A week later, Saturday, June 14, the Vonne Ellen Windchy-William F. Brown nuptials at ten a. m. in St. Carthage Church, 7320 Yale Ave. On June 21, Ann Korbel, the daughter of Bro. Al Korbel, will be joined in holy wedlock to Bro. Charles Votava, Jr., and then on June 28 shall come the Helen Butler-George Daly, Jr., marriage ceremony. A busy month. And June promises to have more lovely brides than ever before.

Hughes Council's softballers had practice sessions the last few Tuesdays at the training camp home grounds, Fillmore and Kostner. Mgr. Frank Linskey is still looking for material, so all you fence-busters come out and help Hughes to retain the citywide softball championship won last season.

A special party for Hughes Council's prospective benedicts will be held at Hayes' Barbecue, Harlem and North Ave., on Wednesday evening, June 11. Everybody is invited. "Entree" at 8 p. m.

Speaking of marriages, when Lorraine Virginia Daly, lovely daughter of G. K. and Mrs. Daly, and her prospective groom, James Joseph Healey, emerged from the marriage license bureau last week, a daily newspaper photographer took the picture of the couple and this appeared in the Sunday edition of the Herald-American. A charming picture.

Sorry to learn of the passing of the brother of Mrs. John Kennedy. Some of the members attended the Blaney obsequies. Requiscat in pace.

We regret to learn of the death of Samuel Hall, father of Bro. George S. Hall. A delegation of members paid their respects at the Peter M. Kelly Undertaking Parlors. May his soul rest in peace.

Marquette Anticipates More Barbecue Action by Entire Membership

1-3 Thurs. . . . . 1928 Devon Ave.

Results of our council election held yesterday will appear in the next issue.

The results of Marquette's barbecue drive are far from satisfactory this year. The needy youths may not receive the aid previously given by Bishop Sheil and made possible by the Knights of Columbus, unless this last week brings on a more spirited drive. Please start working on your books, brothers, contact your friends, merchants, customers, fellow-workers, etc. You can make returns to any of our officers. Please look for final rules on your last minute returns in next week's Columbian.

JUNE 19 MEETING

The entertainment committee really wishes that the ladies of our members would circle the calendar for June 19, and make that Marquette member escort them to the card party we are having in their honor. Entertainment and refreshments will be just a part of the proceedings. Remember the date and visit with us that evening.

COUNCIL NEWS

Softball: Softball Manager Chas. B. Cronin has his team organized and is ready now for the K. of C. Softball league schedule.

Ye scribe received a letter last week from Pvt. Earl Gallagher, 108th Engrs., Camp Forrest, Tenn. He asks to be remembered to all. We were glad to hear from Earl, and to know that he is in good health. We always found him a loyal and attentive member—a splendid Catholic—and we know he will be one of Uncle Sam's stalwarts.

The New World of last week published a story on the Rev. Michael M. Ries, C.M., who celebrated the 25th anniversary of his ordination to the priesthood. He is pastor of St. Vincent's Church, a distinguished priest and our former chaplain. A testimonial banquet was tendered Fr. Ries last Sunday evening and on the committee were Bros. Wm. V. Rudd and Pat O'Donnell of our council.

Bro. Thos. J. Cassidy's wedding is scheduled for June 7 at St. Jerome's Church. We congratulate him and wish them both the best of everything in the years to come. A week ago, a bachelor's farewell party was given for Tom and all present, including many Marquette members, had a swell time.

Several of our members marched down Michigan Avenue with their Legion Post in th Memorial Day parade (still young fellows). St. Timothy's Holy Name will hold its annual golf tournament next Wednesday. Many of our members will be present. Would like to hear from Rev. Father Capt. Wm. V. Cunningham and Sgt. Richard C. Butzen of the 202nd Anti-Aircraft, Fort Bliss, Tex.

CALUMET TO ASSEMBLE FOR ELECTION MONDAY

2-4 Mon. . . 6646 Stony Island Ave.

Once again another year has passed, and we find ourselves coming to the end of a season that has passed all too quickly. The call now goes forth to all members of Calumet to again assemble next Monday to select their officers for the coming year. This obligation, brothers, is one that you must attend to. You are responsible for the safe continuation of your council, and your interest should warrant your attendance at this annual election.

Last year you made a fine selection of officers and the record of the year established by them, from the Grand Knight down to the alternates to the state convention, was indeed an enviable one. Calumet has gone forward this past year with rapid strides. Our membership has increased, our financial condition is sound, our activities have been numerous and interesting and the co-operation of the members in general most helpful.

This year it is important that officers be elected who will carry on this good work and continue to lead Calumet forward. Grand Knight Birmingham has done a splendid job and we must place in office for this coming year members who will by hard and consistent work keep Calumet in first place in all activities. The business of the meeting will be dispensed with in short order. The election will start early and Lecturer Frank J. Walsh has assured us that all arrangements will be made for your comfort should the evening be warm. We ask that you arrange your affairs so that nothing will keep you away from this meeting. Let's make it a capacity crowd.

BOWLING PRIZES

The juicy melon received by Calumet from the National Bowling Tournament was cut at the last meeting. Chairman Joe O'Connor and Sec. Mike Murphy, Jr., were on hand to slice out the juicy portions to the lucky ones. In all there were thirty-four bowlers at the tournament and twenty-eight were winners. This is certainly a fine record, and speaks well both for the bowling winners and the good fellowship winners. No finer group of men ever represented any council than those of Calumet at this tournament, as evidenced by the amounts of good fellowship prizes won by our teams.

Among the bowling winners were Steve McCarthy and Jim McMahon, $14; Bernie Gartlan and Ty Hyland, $7; Eddie Maas and Tom Dillon, $8, and John McDowell and Bob Hatton, $4 in the doubles. Jim Shinners, $13; Wilf Byrne, $6; Jim Murphy, $5, and Jack Flaherty, $4 in the individual winnings. Team prizes: Crocombe's Korkers, $16, split between Harry LaMasney, Francis Winegart, Walter Popjoy, Joe Lamb and Bill Holden. Whalen's Boosters, $9, to Doc Gilroy, Bob Hatton, Lee Conry, Howard Maloney and Joe O'Connor, Cummings Morticians, $6, Bud Doyle, Barney Hensgen, Jim O'Malley and Mike Cleary. McNichols Standard Service, $10, Jim Shinners, Tom Fitzgerald, Eckie O'Malley, Jim McMahon and Bill McNichols.

The league is now formulating plans for next season, and many new applicants are coming in. Let us hear from you now as to whether you will be with us. We plan on 10 teams this next season, so there will be room for all. One of our new members, Bro. Joseph Skibinski, who operates a Texaco Service Station at 95th and Indiana has signified his intention to bowl, and also will sponsor one of the new teams. We suggest to sponsors that they see Joe O'Connor or Mike Murphy Jr. as soon as possible and arrange their teams for next year.

COUNCIL NOTES

At our last meeting one of the finest and largest crowds of the year were present and were delighted with the fine straight talk given by our Chaplain Father Terrence. The subject "Religion and the World Today," was handled by him in a manner that was clear and understandable to all. Comments after the meeting were all most complimentary and Father increased his status as a masterful orator. Awards of barbecue books at the meeting were made to John Bergman and Bob Ward. Lecturer Frank J. Walsh, assisted by his corps of experts, Arch Mahoney, Capt. Gilmore, Geo. Harrington, Terry Scully, Wilf Byrne and Bob Ward took care of the wants of the hungry and none left unsatisfied.

Our softball team is all set for the first game of the season, Thursday, June 5. Our opponents will be Genoa at our home grounds, Avalon Park, 83rd and Woodlawn Ave. One of our new members, just transferred from DeKalb Council, Bro. Ed. Conlon is now located at 7857 S. State St., he has one of the most modern barbershops on the south side.

Word comes from Canada that Bro. Earl W. Fischer and wife are enjoying their vacation in that beautiful country.

Since our last meeting D.G.K. Bob Rafferty reports the death of Herman Selz, a grand old man and a member of Calumet since 1917. Always a pleasant, genial gentleman, well liked by all and a loss to Calumet is his death. Also the death of the mother of Bro. Cyril Leanhardt. Both these deaths occurred during the past week, and the wakes were both attended last Friday night by a large delegation of members of the council, headed by the officers. Our sympathy to these bereaved families and the prayers of the council will be offered for the repose of their souls.

Use of World's Wealth for War Is Deplored

Dublin.—Deploring the load of debt imposed by the war on present and future generations, His Eminence Joseph Cardinal MacRory, Archbishop of Armagh, and Primate of All Ireland, in his annual pastoral, voiced the hope that a "new world order, rich in blessings for mankind" will proceed from the "present destruction and terror."

"The saddest and most galling thought," the Cardinal said, "is that this vast wealth, poured out by both sides to enable them to spread destruction and death, would have sufficed for many a generation to come, to feed all their poor and meet every legitimate demand of labor.

"If we believe in a God at all how could we expect Him to continue to tolerate the contempt and neglect with which He is treated by statesmen and their peopies?

"If we regard the statesmen, we see them guilty of encroachment on the God-given rights of the Church, the family and the individual; we see them responsible for an unjust and utterly indefensible distribution of wealth and raw materials, such a distribution as cannot fail while it lasts, to be a fruitful cause of discontent, dissensions and wars; we see them setting at naught the sanctity of holy marriage and legalizing divorce; and, finally we see them providing in many countries a Godless education for little children, so dear to the Heart of Jesus Christ.

"There might be another reason for God's permitting the war; it might be that in His mercy and love for mankind He intended out of great evil to draw even greater good.

"Should a new world order, rich in blessings for mankind and destined to endure, come forth from the present destruction and terror, humanity will be amply compensated for its present sufferings. God grant it.

"If it come to pass, there is one man who will have very special reason to rejoice; our Holy Father, Pius XII, who has prayed and labored so much for a just and lasting peace, and has been at such pains to point the way in a new world order."

Cows perspire only through their noses, dogs only through the tongue. Birds do not perspire.

Call on your Council chairman with all Barbecue returns before Friday, June 13.

ENGLEWOOD CHOOSES LEADERS MONDAY NITE

2-4 Mon. . . . . 150 W. 69th Place

Monday, June 9, 1941, is the next meeting of Englewood Council at which the election of officers for the coming year will be held.

CATHOLIC ACTION

Continuing our comments of last week regarding devotions to the Sacred Heart during the month of June, Chairman Harry Delaplane reported at the last meeting that only 18 cards had been returned to him, divided as follows: 8 to receive Holy Communion weekly, 8 monthly, and 2 daily. While this is an encouraging showing, and somewhat larger than last year, still it is far from what it should be.

It is not yet too late to send in your card, and on it show how many times so far you have already received, and how many times more you will receive during the balance of the month. As Father Geheb said at our last meeting "It is the earnest desire to receive Holy Communion frequently, daily if possible. If we, the memebrs of Englewood Council want to show real devotion to the Sacred Heart we must be enthusiastic."

E—PITAPHS

Sir Knight F. Louis Huguelet, a charter member of Englewood Council, passed on to his eternal reward Saturday, May 31, at his home, 1254 East Walter street, Northbrook, Ill. He was a brother of Emil Huguelet, also a charter member of Englewood, and P.G.K. Charles, our present financial secretary. Also the father of P.G.K. John and Louis, of Englewood Council, and Adalbert, director of the De Soto Council Male Chorus and the Catholic Casino Choir.

He was a retired tea and coffee merchants, a former clerk of Northfield township, former secretary of the Northbrook Civic association, a captain in the 3rd Illinois provisional regiment during the Spanish-American war, and a captain in the old Chicago drill team, the Zouaves. The funeral was held Tuesday to St. Norbert's church in Techny with burial at St. Mary's cemetery, Chicago.

On Monday evening, P.G.K. James A. Clarke, Chancellor Henry J. Kohlmann, Lecturer Joseph Smith, Organist Joseph Nolan, and Athletic Director Joseph Hannapel drove to Northbrook to attend the wake. Others seen there were Lorenz G. Fuerst, Louis Sink, and Walter Biedermann. To his bereaved family we extend our deepest sympathy.

We were also sorry to receive the news that the Rev. Francis J. Schikowski, pastor of St. Martin's church, and a very close friend of Englewood Council, also was called to his eternal reward, May 23. He was born on December 19, 1865, ordained to the priesthood on June 22, 1890, and became pastor of St. Martin's church on June 1, 1908.

Many of the members of the Council attended the wake at the church, and were also present at the funeral Mass. The pallbearers included Charles H. Huguelet, Sr., Frank G. Hasse, John Melsheimer, Joseph Lenz, and Joseph Le Penske.

E—XCERPTS

Miss Una F. O'Brien, daughter of Trustee John P. O'Brien, became the bride of Austin L. Wood on Saturday, May 17, at St. Dorothy's church. A reception was held at the Del Prado hotel, after which the couple left for a brief moneymoon at Turkey Run, Indiana. Congratulations.

On May 31 John C. O'Brien retired from active duty with the Commonwealth Edison Company, after 44 years of service. He was the assisting manager of lighting sales. His employes gave him a few farewell receptions and he was the recipient of many gifts, among them being a refrigerator and range to furnish his newly built home in Miami, Florida. Another gift included cigars from all his employes, and attached to each cigar was a sentimental and farewell note. He left Mondy for his Miami home where he expects to establish his permanent residence. To him and Mrs. O'Brien we offer congratulations and wish them luck, health and happiness in their new surroundings.

E—NGLE WOOD-CHIPS

We were pleased to see a new member of the Council, Harry B. Wilke, in attendance at the last meeting . . . He as well as Joseph P. Poncer and Philip Huguelet, son of our financial secretary, received the honors of the first and second degrees at McHale Council on May 20, for which we thank the officers of McHale . . . Also present at our last meeting were P.G.K. John A. Mulholland, P.G.K. John J. Hasty, P.G.K. P. J. O'Connor, P.G.K. James A. Clarke, Wm. Hannan, Carl Boebel, Peter Sink, Jr., Harry Delaplane, and Charles Huguelet, Jr. . . . Bro. Wall is still convalescing at home and can now have visitors . . . He is at 417 W. 79th St. and would appreciate seeing some of the members . . . How many members are interested in entering the annual state golf tournament to be held June 25 . . . How many members are interested in playing softball this year? . . . For both subjects call Athletic Chairman Jos. Hannapel at Hemlock 6380 . . . The first softball game is to be played next week, so be prepared when you receive the call . . . Leo Poynton, son of Advocate J. B. Poynton, hopes to make his home soon in Peoria, Ill. . . . That won't be too far to come to the Council meetings, will it Leo? . . . The trustees again rendered an excellent report of the financial affairs of the council of the first three months of the year 1941, and once more we offer our congratulations on such a splendid and accurate report . . . That's all for now . . . And don't forget to come up Monday night, June 9, and help elect YOUR officers for the coming year.

E—XPERTLY

handlel was the alibi-ing of our good friend and weather expert Donegan, but perhaps he would let us know just what Billy Webb said when he came back to the house after slinging the mud from that pipe line in the basement. Perhaps he is still waiting for one of his well-known invitations, and while this is not being delivered on a silver platter, we hereby invite him to bring his team to Hamilton Park some Saturday afternoon. No accept . . . comes the revolooooshun.

La Rabida to Conduct Election at Its Regular Meeting Next Tuesday

2-4 Tuesday . . . . 6236 Princeton Ave.

The next meeting of La Rabida will be held on Tuesday evening, June 10, at which time the council will be called to elect the officers who will guide the destinies of this council for the ensuing year.

Every member of the council should make an earnest effort to be present on this occasion to assist in the selection of officers who have the ability and desire to serve the council faithfully and well. All that we have to say about our past officers and our officers-elect should be said on this occasion, and then after our selection has been made, stand one and all behind the officers for a bigger and better council.

BARBECUE

Just ten days remain before the date of the annual barbecue, Wednesday, June 18, at Riverview Park. It is the wish of our worthy grand knight, Cornelius Driscoll, that every member of the council take advantage of this opportunity to assist Bishop Sheil in caring for his underprivileged youths. You have all received your books incident to this affair. Please let each member of the council make returns for at least one book.

SICK AND CONVALESCENT

Bro. Andy Bulger, our financial secretary, is still confined at Washington Blvd. Hospital. Bro. John Farrell, chairman of the sick committee, who visited Bro. Bulger, reports that he is very sick. Bro. Bulger was injured about three weeks ago when he fell down the steps of the general office of the Pennsylvania Railroad.

Bro. Leonard O'Shea is the proud daddy of a baby girl born at Lewis Memorial Hospital on May 24. Mother and baby are reported doing well.

GOLF MEET: The annual golf tournament sponsored by the K. of C. will be held at Olympia Fields Country Club Wednesday, June 25. This annual affair usually attracts many La Rabidians for the day's outing. Let this year be no exception.

St. Anthony Will Join West Division No. 3 for Degrees, June 17

1-3 Thurs. . . . . 73rd and Grand

On Tuesday, June 17, our candidates will receive their First and Second degrees at St. Paul of the Cross Council. Make a date now so that you will be sure to attend. An enjoyable evening is assured. If you have any prospects, try and get their applications in by the next meeting so that they will be ready for the initiation class.

Judging from the reports received, St. Anthony de Padua Council is really doing its part in the Fourth Annual K. C. Barbecue drive. If you haven't done your part as yet, you have only one more week in which to get busy. The date of the Barbecue is June 18, and we hope you will attend to help make it a greater success.

This, the month of June, is the last month in our fiscal year. Be sure to send your does to Bro. Scheitler so that he may be able to make an excellent report to the auditors.

We just learned that Bro. Charlie Hart has been confined to his home for the past three weeks due to an attack of asthma. At this writing, however, he is said to be improving. We trust that his recovery will be permanent.

Georgie Goebel

When only a lad in grammar school, and a boy soprano in the church choir, GEORGIE GOEBEL got his first experience in radio on the WLS National Barn Dance. His exceptional voice thrilled audiences from Coast to Coast. He was 12 years old then. Now he is 21, a baritone, musician and orchestra leader. This young man of exceptional attainments will be one of the several entertainers at the K. C. Barbecue on June 18 at Riverview Park.

Garcia Moreno Election Is Highlight of Meeting Next Tuesday Evening

2-4 Tues. . . . . 155th and Lexington

A very important meeting of our Council will take place Tuesday evening, June 10. This is a last reminder to our membership, for on that evening our council will hold its annual election of officers. D. D. Edward Martens of Blue Island will conduct the election. Every office to be filled carries with it many responsibilities and to insure success of these various offices, men who will share the obligations should be elected.

Much of the work of the Order and our council is carried on all through the year, and each officer is called upon to make many sacrifices of his time. These officers must make those sacrifices if our council is to grow and prosper. It is rather hard for a council to live within its own shell and survive. To make our council successful and popular we must visit other councils, take part in their activities and build an everlasting fraternal spirit.

We have a splendid council and a splendid membership. Let's keep it that way. We who do not attend meetings should get back on Garcia Moreno's band wagon. Renew your interest and pledge your cooperation next Tuesday evening. It is team work that counts every time, and we elect a new team on this night. You may be on it.

THIS AND THAT

D. D. Henry Hilgendorf, Charles Moran, Harrison Duck and the Scribe visited Chicago Heights Council and had a most enjoyable evening. Our thanks to their Grand Knight, Joe Dionne, and Lecturer Oscar Fox. The scribe met George Levreau of Askum, Ill., in Harvey recently. He looked great and said hello to all the boys.

After our last meeting, Joe Knoll, Simon Ryan, John Ryan and the scribe were invited to John Kerkhoven's home to hear the President's message to the Americas. Thanks John, for the pleasant hospitality. Irvin Kramer holds the first Notary Public commission to be issued by Governor Green. Charlie Kramer is now home from Edward Hines Hospital. We hope you will be out and on the job soon, Charlie.

Jackie Latz spent some time on the sick list, and was a very sick fellow. However, he is now out and about again. Joe Knoll and John Kerkhoven spent the holiday week-end in Michigan, while Hank Hilgendorf chose Wisconsin. All holders of barbecue books should make their returns, if at all possible, at our next council meeting. Al St. Aubin is the man to see.

Softball News: The council team defeated Calumet City 11-3 and Dixmoor 4-1. The boys are playing a fine brand of ball, but could use a few council rooters. They are in second place in the league standing, only one game out of first place. It's up to the members to get out and root this hustling team into first place.

Help the Barbecue on its way; June 18 is the lucky day.

Hen.-Shields Asks Good Attendance for Election Wed

June 11-25. . . 446 N. Parkside Av

Next Wednescday evening, June 1 the annual election of officers of Hen nepin-Shields Council for the period July, 1941, to July, 1942, will be hel at our meeting hall at 446 N. Parksi avenue.

This is a council procedure in whic every member should be intereste The welfare, progress and success the council depends on the initiati and efforts of its officers in co-oper tion with the members, and we are sti enough old fashioned to believe th the members should express themselv for the benefit of the conduct of t council, instead of accepting the id of letting "George" do it.

Our Grand Knights have alwa tried to do the best they could, and o idea is that they can always do bett with the full co-operation of the me bers. We hope to see a full represe tation at the next meeting on June 1 To compensate for the oratory a campaign efforts, lunch and refres ments will be served following t election.

Mac and Bob

No team in radio enjoys a wider popularity in the rendition of sentimental ballads than Mac and Bob, the blind musicians and singers, who are featured on WLS programs several times during the week and on the WLS National Barn Dance, broadcast from the Eighth Street Theatre, Chicago, each Saturday night. They are among the actors who will be featured on the Barbecue program at Riverview Park on June 18.

Mac and Bob met each other 23 years ago when they were studying music at the Kentucky School for the Blind in Louisville. They began harmonizing together and soon their renditions of ballads and songs of the South attracted much attention. They were prevailed upon to try radio and after an audition at WLS they were accepted immediately, not only by the radio station, but by an enthusiastic listening public. At the present time they are tops in the receipt of fan mail among all artists on the WLS roster.

Santa Maria "Laddies" Will Have Grand Time Wednesday with Dads

2-4 Thurs. . . . . 9020 Commercial

Call all dads and their lads! Once again Santa Maria Council is inviting all the dads of our council, be they dads in fact or fancy, to bring along their lads to the meeting of Thursday, June 12, for a very special night of entertainment. As in the past, the entire evening will be turned over to the boys and the entertainment committee headed by such experts as Lecturer James Malloy, Deputy Grand Knight Joe Komar, G. K. Al Schott, and others who have become boys themselves again in their effort to provide a good time for all.

There will be games, entertainment, gobs of prizes, and true to boyish hearts, loads of refreshments. If you haven't a son of your own, borrow one. Don't pass up the opportunity of giving some lad a big night. This will be Santa Maria's last big entertainment for the summer months, so be on hand to wind up a snappy entertainment year with all the dads and lads.

SUMMER MEETINGS

During July and August, as has been customary in the past, Santa Maria will hold two meetings during the hot summer months. They will be on July 24 and August 28. The meeting of July 24 will be induction night for the newly elected officers. Keep in mind our coming election on June 26.

We are especially anxious to select a good staff of officers and we want all the help we can get from every member in making the decisions. Remember, every member has the privilege of voting for the new officers, and the privilege is your strongest safeguard for a strong and efficient council. Don't fail to be on hand.

NOTES

The members welcomed back our veteran member, Bro. Pat Coyne, who has been absent from recent meetings due to illness, but he says he's all better now and will be on hand as long as he is able. Any day, Bros. Bill O'Neil, John McManus and Michael McParland may be seen sunning themselves on the La Salle Street side of the City Hall during lunch hour. Maybe we'd better call them the curbstone trio. Bro. Doc Neville is sporting a sun tan two shades darker than leather. He looks a picture of health and says he owes it all to his Wednesday golf date, come rain or shine.

If you are thinking of sending someone a Mass card for condolences, don't forget the D. of I.'s Mundelein Chapel Fund. For the sum of $5 the deceased can be enrolled as a beneficiary in all the Masses said at Mundelein. Miss Margaret Neville, Regent of the D. of I.'s, has the cards and can supply you at a moment's notice. New member, Bro. Edward Gorney, attended his first meeting after having recently received the first and second degrees.

Catholic Population of U. S. on Increase

New York.—An increase of 889,965, bringing to 22,293,101 the number of Catholics in the U. S., Alaska, and the Hawaiian islands, is reported in the Official Catholic Directory for 1941, issued by P. J. Kennedy & Sons, New York, NCWC has announced. The Military Ordinate, which comprises all Catholic chaplains on active duty with the U. S. armed forces, has expanded to more than three times its normal size, the Directory reveals. There are now on duty 269 chaplains who care for more than 300,000 Catholics in the rapidly expanding forces.

Converts Number 76,707

The unprecedented number of converts reported in 1940, 73,677, was topped by this year's total of 76,705, or 3,028 more than were recorded in 1939-40.

The Boston archdiocese reports 456,023 more Catholics than in 1940, and the Chicago archdiocese has a gain of 136,100. Archdioceses with Catholic populations in excess of a million are Chicago with 1,536,100; Boston, with 1,500,382, and New York with 1,004,173. The Brooklyn diocese, which last year because of a revision of figures reported a decrease, now shows a gain of 18,937, for a total of 962,063.

Comparative figures on the number of clergy and religious in the U. S. reveal that there are 152,159 professed sisters; 35,839 priests, both diocesan and religious, and 7,762 professed brothers.

The total number of Archbishops is 21 and Bishops 122, an increase of seven over 1940.

The number of parishes has grown to 13,224, which, with an increase in missions now numbering 5,897, brings the total number of churches to a new record of 19,121, an increase of 388. Seminaries total 201, one less than last year, because of a reclassification of these institutions in the Manchester diocese. Seminarians, however, number 15,507, or 420 more.

A total of 304 orphanages, one less than in 1940, shows a continued decline in the number of orphans, 31,827, a decrease of 1,797. Homes for the aged increased by ten to 181, while six new hospitals brought the 1941 total to 709.

Other statistics on Catholic institutions follow: Colleges and universities for men, 143; colleges and academies for girls, 682; high schools, 1,442, an increase of 31; parish grade schools, 6,660, an increase of 63; total number of students attending Catholic universities, colleges, high schools, and academies, 493,754, an increase of 13,720; total number of pupils in parish grade schools, 2,017,094, a decrease of 91,798. Excluding seminarians and students of religious orders, there are 2,510,848 young people attending Catholic educational institutions.

Call on your Council chairman with all Barbecue returns before Friday, June 13.

ILLINOIS' NEW LEADER IS ELMER D. MARTIN

1-3 Mon. . . . 64 East Lake Street

Your new officers have been elected. Elmer D. Martin will take over the leadership of the Council July 1, or as soon thereafter as he can be installed. There are two other new faces in the official family, that is to say, William Groden as chancellor and Gerald J. Haley, as advocate.

We would love to say something to the members of the Council—to ask that you continue your interest, increase it if you can, and for most of us that would be entirely possible. We would ask you to realize the importance of a vital Catholic organization which stands ready, able and willing to perform such acts as may be deemed necessry for the welfare of the Council for the Order, for the Church and the State.

SERVICE CAMPAIGN

Last week's issue of the Columbian is a striking example of the power represented by the organization of the Knights of Columbus. It has been asked by His Excellency, Archbishop Stritch to take a leading part in the United Service Organization which is being brought into being by the government of the United States to promote the well-being of those of our young men who are now in the armed service of the United States.

Through the medium of the National Catholic Communitly Service, of which our Supreme Knight is executive chairman, the Knights of Columbus are asked to take a leading part in manning the buildings which the government will asign to them, adjacent to campsites. The archbishop has asked us to lend our active aid in promoting auxiliary services in cities and towns adjacent to camps and bases.

This is because all creeds recognize the vital necessity of reasonable opportunities for healthy entertainment for young men who have been called to the colors and are without friends or acplaintances because their homes are in many cases, very far distant. This, as has been explained, is a really vital necessity. Well, you probably have heard about that, but the point we want to make is this—it is one proof of the necessity for a really live Catholic organization such as the Knights of Columbus capable of accomplishing necessary results in the shortest possible time and the continuation of such efforts

COUNCIL BRIEFS

And so, brothers, at the risk of repetition and during the time of the year when perhaps most of us are thinking of vacation periods and pleasant weekends—may we again ask your support for the new officers during the coming year believing as we do, and in that belief you join, that the order is performing a great work in its everyday routine of fraternal business; that it stands ready and willing to step into a position of responsibility where its efforts are needed to promote the general welfare of the people of a community, state or nation having, of course, special reference to promotion of welfare of the people of our faith which, in turn, is productive of the greatest good for the public in general.

Word comes to us of the engagement of Brother Walter H. Skarzynski to Miss Brandell, daughter of Mr. and Mrs. Sidney Brandell. To Walter and his bride-to-be our very best.

Once again during the current fiscal year, we regret to have to report the death of another of our members, Walter M. Dierkes who joined the Council in 1908 and for many years, lived with his wife and family in Oak Park. His wife preceded him in death by four years. He is survived by his six children to whom we extend the condolences of the Council. Our members attended the wake Monday, after the meeting and said prayers for the repose of his soul. That makes death Number 11 during the current year.

The Grand Knight appointed Spaulding John Robb to be the chairman of the Committee of Five from the Council to assist the National Catholic Community Service in doing its share towards the promotion of the healthy environment for men in the service of Uncle Sam.

We were glad to have as a visitor P.G.K. George Harbert of St. Paul of the Cross Council who made a really fine appeal on behalf of the barbecue; and gentlemen, the capable Harold B. Ericksen is most anxious to have you make a return on your book. Someone may call on you within a period of two weeks. Barbecue day is June 18, Riverview Park.

Catholics in bomb-torn London have a special devotion to Saint Agatha who has been a patron against fires since the Middle Ages.

Help the Barbecue on its way; June 18 is the lucky day.

Ketteler's Star Bowlers Honored

Scores of distinguished visitors were on hand at Lawndale Hall here last week when Bishop Ketteler Council turned out full-force to honor its star bowlers. The Ketteler team finished second in the K. of C. National tourney, second in the A.B.C. competition, and were also runners-up in the K. C. major league finals here last month.

Pictured above, from left to right, are: G.K. Tom Bogan, State Bowling Treasurer Elmer O'Brien, State Sec'y-elect Raymond F. Gleason, and State Deputy-elect Leo M. Flynn with the members of the championship squad, Capt. and singles champion, Walter Wisniewski, Sam Saric, Ray Suchocki, Edward Plewa and Stanley Karbas.

Columbus Expects Big Turnout for Important Election Meet Tuesday

2-4 Tues. . . . . 6932 N. Clark St.

Our next meeting of Tuesday, June 10, is one of importance to every member of Columbus Council. We meet to select officers for the coming year. We sincerely hope that each member will be present as the nomination and election of officers is not the business or pleasure of just a few. This is a matter vitally important to all.

A full representation of our members voicing individual opinion and helping to select those capable is very, very necessary. Please make every effort to be present. A short business meeting will start promptly at 8:30 p. m.

BARBECUE

Are you working hard to sell your barbecue book? Fellows, let's do a good job on this. It's really not hard and, if you need help ask your good friends to give you a lift. Just think of the thrill you will have when you know that you have done something worth while for the poor unfortunate people of Chicago. As I have previously stated our aim in this Order is Charity, as our good Bishop Sheil has repeated on many occasions. The money from this Barbecue drive is the largest single contribution that he receives.

We are away past our last year's mark and it seems that the members of our Order are awakening to the fact that this is a most deserving undertaking. One can have full peace of mind if he knows that he is capable of doing a little work for this worthy cause. It is my intention to start to list the members who have returned their books in the next issue of the Columbian. Please do your part for such a worthy cause as the time is very short.

HERE AND THERE

Well the van is backing up to the furniture stores these days and Jack Schmidt is at the door waiting to greet them and sign over the check. It will not be long now, and we are satisfied because although Jack is going away up to Michigan to be married he will be right back in St. Timothy's to feather his nest. Speaking of St. Timothy's—that Annual Golf Tournament of theirs will be held next Wednesday at Rolling Green Country Club. Anyone who has been fortunate enough to attend any of these tournaments knows that he is in for a day of action and pleasure and the committee in charge welcomes any member of Columbus Council to be with them on Wednesday, June 11. Joe MacAlinden and Doc Schuler will be on the job trying to take home a few prizes. Have not heard from any of my stooges lately so will have to make this week's line a little short. However the two things that I want to impress on you is first, that we want every member present next Tuesday evening at our Annual Election, and secondly, we want you to hurry and get rid of your Barbecue book before June 15, as all books must be in the hands of our Financial Secretary by that time—LET'S GO, ONE AND ALL.

It is said that three hundred and twenty words make up 75 per cent of all English words in common use, while ten words make up a fourth of those in general circulation. The ten are: The, and, to, you, of, be, in, we, have and it.

O'Connell Shows Good Membership Activity in Successful Drive

2-4 Tuesday.....Hill and Franklin

We learn with sorrow of the death of Mr. Anthony Masar, father-in-law of our Past Grand Knight Bro. Ben Nathan. Some years back Anthony Masar, Jr., was one of O'Connell's basketeers, but due to his moving to California his membership in O'Connell was necessarily terminated. To the bereaved family we extend our sympathy.

Here is some good news. Bro. Vic LaPorte has become one of our leading applicanteers, he gets 'em and Bro. John Cossata closes 'em. During the past month this lively duo has placed three applications on the Grand Knight's rostrum. That's what Bro. Marino and Bro. McAuliff, our two membership chairmen, mean when the say—"Membership Cooperation."

Bro. Meier asks that the members get behind our big Barbecue. The response is not as active as it might be and he states that there will be a big surprise in store at the next meeting for the ones who cooperate with the Barbecue chairman. I, for one, will be on the upper deck.

At the last meeting we read the following application for the second time, that of Frank Raniere, 1004 Campbell Ave. The application was balloted upon favorably. Also we had the first reading of the following applications: John Creely, 5806 N. Western Ave., and Richard Powers, 2317 Rosemont Ave.

ELECTION NEXT MEETING

Here is a most important announcement—June 10 will be the date of O'Connell's next meeting. The Council will hold its annual election on that night and it is hoped the chambers will be packed to capacity.

It is pointing out these differences which enables us to draw sound conclusions, therefore we want a large attendance at the meeting so that every worthy candidate may be nominated. However, placing the name of your friend up for nomination, and then using your enthusiasm to elect him is the biggest injustice you can do him, if you are not prepared to stand behind him for the endurance of his regime; by that I mean, don't just elect a man to office and then casually bow out of the picture until next year when election time rolls around again.

Be faithful to him by attending the Council meetings regularly, be prompt in your cooperation with Council duties, religious duties and any act that might lead to the betterment of the Council. If you are not prepared to do these things you are certainly not a friend of the man you put in office.

CYR-IOUSLY SPEAKING

Private Frank Latino writes from Camp, where he sends all the boys his greetings, and states that he would be happy to pay one buck for one of Tony Brancato's expert haircuts.

The regular June weddings will take their quota this month. Among others to be married are Louis Petricca, who will take unto himself a wife on Sunday, June 8, at the Holy Rosary Church. Ciro Messino's daughter will also be married on the above date and the second of Sam Sanassardo's children will march down the aisle on Sunday, June 21. Joe Birtola is another of our young men who is to be married the third Sunday of this month. To all of these prospective newlyweds, our sincere congratulations.

At a bowlers meeting recently, the annual election of officers was held. Sam (Rynie) Rannochio, was elected president, Joe Strano, treasurer, and Cosmo Coniglio, was again endowed with the job of secretary. A committee of nine has been appointed to frame new rules and regulations to conduct this coming session which again will be conducted at Al Long's Monte Carlo alleys. Congratulations to the new officers, and may the coming season, under this new leadership be filled with a lot of happy evenings.

DEGREES NEXT MEETING

At the next meeting another First and Second Degree will be held, with that little extra push on your part, in getting that extra member it will be possible to achieve the century club. Let's go.

Father Hubbard, Noted Arctic Explorer, Offers Equipment to U. S. Army

Santa Clara, Calif.—Equipment developed by Father Bernard Hubbard, S.J., in many years of exploring in the Far North—such as packs for dogs that enable the animals to carry 65 pounds all day "and still wag their tails"—has caught the eye of the United Statas Army.

The famed Alaskan explorer has offered the army his specially-bred pack dogs and new lightweight equipment for use in defense of the Far Northern frontier. Army officers are showing keen interest.

The dog pack was developed on the glacier priest's last expedition. The pack is slung across the dog's back and is cinched with breast and belly straps. A load of 65 pounds—equivalent to a soldier's full pack—can be divided into bags on each side.

"A dog can carry 65 pounds comfortably all day and still wag his tail," the Santa Clara University geologist explained.

Army officers, among them Col. H. L. White, of the 9th Corps Area Headquarters, and several from the Quartermasters' Corps, were advised by Father Hubbard to use pack dogs exclusively in Alaska in place of sleds.

"A dog can swim and climb," he pointed out. "Any place a man can go, a dog will follow. But you're stuck with a sled when the going is rough."

Father Hubbard has developed a blue-eyed pack dog which has strains of bulldog, wolf and Newfoundland. They are raised on a ranch near Chico, Calif., by the explorer's brother, Capt. John Hubbard, U.S.A., retired. The priest has offered these to the Army for arctic work.

Among other equipment developed by the glacier priest are alpaca-lined jackets of a light, weatherproof fabric for use by soldiers; trousers of waterproof linen lined with kapok, fawnskin boots and a stormproof tent that sleeps eight and weighs only nine pounds.

Ketteler Sponsors Request Cabaret Party Sat. Night

2-4 Mon. . . . . 3437 Ogden Ave.

Saturday night, June 7, is the big night on your calendar. It is the night of the Cabaret Party and Dance. It is the night set aside for your enjoyment and pleasure. Bring your family and friends to what will be the finest party you will have ever attended. Your ticket of admission will entitle you to food and refreshments, and it will be the cheapest Saturday night's entertainment you can buy.

Sponsored by the L. G. A. Club, it will be conducted along the same lines as our last party, which proved a complete social success and for which we had so many requests to repeat. We honestly believe that this party will prove even better than the first one.

All arrangements have been completed to provide for you an evening of fun and relaxation—an evening in which you can dispel all fears and cares and worries. Come one and all and let the rest of the world go by! You'll never regret it!

ELECTION OF OFFICERS

As is the annual custom, the election of your officers occurs at the first meeting in June. This is our next meeting, Monday, June 9th.

It is your duty and obligation to elect to office men who have your confidence, men who will represent you as you wish to be represented. Let every one fulfill his obligation according to the dictates of his conscience, and the council will always flourish. Bear in mind, however, that you are best represented by honest, courageous and conscientious men. Let that type of man be your choice.

WANTED

Wanted by the Membership Committee, twenty-five men who can go out and bring in one application for membership. That is the necessary and required number to fulfill our quota and entitle us to membership in the Century Club. The Membership Committee is striving hard to reach this goal before the deadline and with cooperation from the membership as a whole this can be accomplished.

This same committee has worked hard and long during the past year, and a little help from the sidelines wouldn't be remiss.

BARBECUE

Bro. Jos. Milas, chairman of the Barbecue Committee, has done a splendid job of direction and has set an enviable record and example for all to follow.

Ravenswood Barbecue Committee Asks Every Member's Full Support

1-3 Wednesday . . . . . 1521 Wilson Ave.

This past week every Ravenswood member received a letter from Trustee Peter Farrow, chairman of our barbecue committee. In this letter he has urged each of us to do our part for the barbecue. And it is well worth our while, both from a spiritual as well as a temporal viewpoint, to assist Bishop Sheil in this, the worthiest of causes.

Ravenswood should certainly have a large representation at the victory dinner, and I have already reserved my place. Doesn't take much to make a success out of this—just a little work by each one and the job will be well done. So let's start now, one and all, and put our council, the poor kids and the C.Y.O. over the top during these last final weeks before the big date, which is June 18.

NOTICE

Watch for a notice concerning the second meeting in June. It may be moved ahead. The officers and trustees are considering changing the date because it conflicts with the barbecue. The second June meeting is customarily the time to elect our new officers. If this is to be changed it will have been decided at the meeting before the next issue of The Columbian.

NEWS

GK Charlie Morgan is out of town at present. He and Mrs. Morgan drove down to Gulfport and Biloxi, Miss., on a combination business and pleasure trip. They are expected back next week. Bro. Henry Mawicke and his wife are celebrating their forty-first wedding anniversary on Thursday, June 5. Sincerest congratulations from your many friends within the council.

When are Bros. Bill Collins and Al Courvoisier expected home on furloughs from the Army and Navy? There are a lot of fellows who would like to see them. Ye scribe and family will soon be off for Dakota on a short vacation trip. We'll be back in time to collect (we hope) on the 18th. Who wants the scribe's job for a couple of weeks? And let's hear from some of you fellows.

Take a lesson from Joe in unselfish and loyal devotion to council activity.

As chairman of the committee he has arranged to compensate for every completed book turned in at our next meeting a basket of groceries to replenish your larder. Incidentally, this will probably be the last opportunity for most of you to make your returns, so make it a point to be present at the meeting.

SOFTBALL

The softball team, after some hard and strenuous practice is just about set to go. There are still a few weak spots in the team that need bolstering, so if any brother wishes to lend strength to the team, report to Bro. Eddie Wenckowski. Practice is held every Tuesday and Thursday evenings at Douglas Park, directly across from St. Anthony's Hospital.

If you can play, report for duty; if you can't play, come out anyway and lend them your moral support.

DUES

The books of the council are still being audited by the agent from the Supreme Council. If by chance you are behind in dues, make payment to Bro. Frank Estis, 1925 S. Troy St. Better still, come up to the meeting Monday night and pay your dues.

Don't neglect and jeopardize your standing in the council. Suspension usually follows this neglect; you hurt no one but yourself and your family. It is a protection sorely needed by all of us and a duty we owe our loved ones and dependents to protect them in case of unfortunate and unforeseen happenings.

A REMINDER

Just a few last words so that the event remains uppermost in your minds. The Cabaret Party and Dance, June 7, at Lawndale Hall! Everybody is welcome, so come one and all and enjoy yourself to the limit.

Bring your non-member friends and let them see for themselves what Ketteler Council does for its members. See you at the party!

University Planning "Father Dineen Night" for Tuesday's Meeting

2-4 Tues. . . . St. Ignatius Auditorium

University Council's own celebration of the Golden Jubilee of our past Chaplain, Father Dinneen, S. J., will be held at our next meeting. Father Joseph Lannon, S. J., Chaplain, and P. G. K. Bart Quigley have been appointed co-chairmen, so we may expect a most enjoyable evening.

An officers' meeting is being held this week to make final plans for the celebration and also for the election of officers, which will take place the same night. We look for a capacity crowd, as all our members who can possibly make it will undoubtedly be on hand to felicitate our own Jubilarian.

LAST CALL FOR BARBECUE

Chairman Jim Dolan of the Barbecue Committee is so busy on his big job that he hasn't time to report progress, but, as Jim says, the story isn't worth telling until all the returns are in. He urges every member who has not reported to get in touch with him or Treasurer Francis Walsh as soon as possible, so that the council will be gloriously represented on Barbecue night.

SOFTBALL

As we write this, we are told that the softball team is in strict training and practicing nightly for the first league game to be held on Thursday, June 5. Don't forget to come out Sunday to Legion Park for the council's own games, because, whatever the results of Thursday's game, Manager Jim Kane expects to find a need for some new blood to strengthen his nine.

St. Pat's Fourth Club Proves Champions at Staging Fine Parties

1-3 Tues. . . . . 6 N. Hamlin Ave.

Success of the Patsquad Club's first annual cabaret party was made possible by the attendance of some two hundred merrymakers who came to divert themselves—and divert themselves they did. Although the S. R. O. sign was hung out early, it made little difference to them for their object was to have fun and to this end they "struggled" endlessly.

The program was packed with one thrill after another and no small wonder none cared to leave the premises when the band played "Home, Sweet Home." It was one of those parties one hears so much about, yet very seldom attends. If you were one of the fortunates, then we can still hear you singing the praises of the boys who worked so hard to put this cabaret party across—as you wished it.

Your stamp of approval invites them to sponsor more of these affairs. On behalf of Pres. Art Maloney and his energetic staff and all the members of the Patsquad Club, we say "Thanks for your helpful co-operation." Congratulations, Patsquaders, and may we have more of these gay festivals.

BARBECUE

It will be barbecue, barbecue, barbecue from now until Wednesday, June 18. All right, suppose you don't like this particular species of meat, we are not asking you to "lump" it. All the officers and especially Jas. Hartford, urge you to do is to sell it. They're not asking you to sell the real product, but a reasonable facsimile of the same; in other words, the oft-talked about barbecue books.

Remember the revenue derived from the sale of these ducats goes to benefit the underprivileged youth whom Bishop Sheil has always looked after.

ABOUT THE MEMBERS

Mrs. Tony Palotto is now back to normal following her recent breakdown and this news is very pleasing to her many friends. John (Tranquil) Burke is now ready for the "best of them," be they under seven years of age or over seventy-five. The mighty right arm is ready to flail again and the guy is sure getting sassy! George Damata is marking time these days. It won't be long, now, old pal. Don't say we didn't warn you. Whoever he is, "Giglesoup" was seen imbibing milk in the post office canteen here recently. Must have been the "morning after" the "night before."

SOFTBALL NEWS

Under the able managerial reins of John Failla the boys are showing a lot of class these days and have started to serve notice to their west side rivals that the time has come when St. Patrick's Council will again take its place among the elite of the West Division Softball League.

In their initial practice game the boys came from behind to "haul in" a well-merited decision 8-5 from Lafayette Council. Their hitting and fielding showed the results of the long spring training grind the boys faced during the month of May. In their encounter against Barry Council, our boys really played "heads up" ball, winning a 7-6 verdict.

Remember, friends, by the time this issue is mailed to you, the season's inaugural league contest will be history, but that doesn't mean that we don't want your loyal support. We need it, and badly, too. Remember all games are played on Tuesdays and Thursdays at 7 p. m. When in doubt as to location of games call the scribe at Nev. 2935 and get complete details.

Ridge Members Plan Picnic This Sunday at Momence, Illinois

1-3 Tuesdays . . . . 8219 S. Halsted St.

Ridge Council will hold a basket picnic at Momence, Ill., this Sunday, June 8. Those wishing to go will meet at 103rd and Vincennes at 10:30 a. m. sharp. You bring a basket lunch and the milk and soft drinks will be taken care of by the committee. Those wishing to go and having no car please call R. O'Hara, Grovehill 4061; Matt Thometz, Cedarcrest 0762, or Ed Hyland, Vin. 7058, and arrangements will be made for transportation. Bring out the old slack suit and limber up the arm for a good ball game and a grand time for the family and the kids.

BARBECUE

To date there are 13 complete books turned in to Chairman Mike Feyerer and the affair is less than three weeks away. Let us treat the underprivileged youth the same as you would have your own treated. Stand by Bishop Sheil and your officers. Put your shoulder to the wheel, heave, and make it a 100 per cent try. What say, brothers, are YOU trying

Auburn Park Schedules Annual Election for the Meeting Next Thursday

2-4 Thurs. . . 7740 S. Emerald Ave.

Another milestone has been added to the history of Auburn Park Council, another fiscal year having passed, and according to the rules of our order the annual election of officers will be held at the first regular meeting in June, Thursday evening, June 12, at 8:30 o'clock.

This is one of the most important meetings of the council year, and even though you are somewhat negligent in your attendance at other meetings, it is your duty as a Knight of Columbus to have a voice in the selection of your council officers. The brothers who assume this responsibility each year give considerable of their time and effort for the success of the council. It should be your obligation to be present on this occasion to show that you are interested in their accomplishments.

You will receive by mail a formal notice of this meeting. Make a special effort to be on hand early and to take an active interest in council affairs. The meetings recently have been very interesting, and the attendance has been on the increase, particularly of the newly initiated members who are anxious to take an active part in council activities.

MEMBERSHIP CAMPAIGN

In accordance with the plan outlined by New Haven in paying tribute to our Supreme Director Francis P. Matthews by naming a class of candidates in his honor, our committee on membership is making an effort to increase McHale's membership. The committee has done a very creditable job. Beginning with the fiscal year July 1 last year, we have had initiated into Auburn Park Council a total of twenty new members, five of whom took their first and second degrees on Tuesday, May 20, at McHale clubhouse. We also have approximately seven additional applications which are to report at St. Rita Council on Thursday, June 19, for the first and second degrees.

This in addition to the marvelous job done by our financial secretary, Bro. John H. Clausen, in getting reinstatements of the older members who have renewed their membership within the past year, should bring our total very close to our quota. You can be of great assistance in this drive by turning in one application, so your candidates may take their first and second degrees on June 19, and the third degree at Perez clubhouse, 67th and May streets, during the latter part of June. This will practically wind up the activity during the summer season. It would be a great accomplishment should we make our quota of about 40 members, and with the start that has been made this should not be an impossibility. Can we depend upon you?

NEW COMMITTEE APPOINTED

No doubt you have noticed in the recent issues of The Columbian of the activity being planned among the Catholics of Chicago, in which all Catholic organizations are to participate, and which the Knights of Columbus are to take a most active part, in the solicitation of $10,000,000 during June in order to take care of the spiritual welfare of the young men in the forces of our country.

Full details are not complete, order to get started in the proper ner, Bro. John H. Coughlin has appointed as the representative the Little Flower Parish, Bro. J Clausen in St. Sabinas, Richa Knight in St. Leo's, and John W coran in St. Carthage Parish in to lay the groundwork for this paign. Our new State Deputy Bro. Leo M. Flynn, is vitally inte in this movement, and we of A Park Council are expected to co ate most heartily in this Cathol tion program.

Bro om Parsons is the proud daddy by boy. Congratulations, folks. d w hope he can bowl better than his d.

Bro ick Walsh is feeling better and ould njoy a few visitors. Drop in and y llo.

Bro Dr. Patnaude is at home again ter s recent operation.

G. l Dan Boyd is reported to be very k o r a golf match he had with Judge Seyfarth. Dan, don't you know yet the Judge can't count any higher than five? Wonder how Bro. Jim Coffey is getting along with the M. P. assignment.

Yes, you're seeing right. Blue Island has a column this week. It seems as though your scribe is slipping. Two weeks ago yours truly started his vacation and in the excitement forget all about The Columbian. Last week his intentions were good but it seems as though he forgot about Friday being a holiday, the result being the writeup arrived at the editor's desk a few days late. So, begging your pardon, I will do my best to see that you have some news for the next two weeks at which time your new scribe, whoever he may be, will take over.

As tomorrow night is meeting night there is a scarcity of news right now but next week we will publish the names of your new officers and the results of the election.

SOFTBALL

Wonder what happened to all the boys who wanted to play softball. Looks like Manager Bill Creighton will have to play two or three positions himself.

It looks as if Blue Island will once again have a large representation at the state golf tourney at Olympia Fields on Wednesday, June 25. Those already reporting foursomes are GK Dan Boyd, Judge R. B. Seyfarth (better known as Long Ball), Dick ("Baseball") Bentson and Lecturer Lowell Frasor. There are still quite a few brothers who are usually on hand for this event but who have not as yet been heard from, such as DD Ed Martens, Bros. Geo. Karg, Jim Hickey, Joe Martens, Bill Creighton, John Reuss, Bob St. Aubin and Justin Boyd. What say, brothers, let's all get a foursome. Don't forget guests are cordially invited. The price is $5 for the whole day and it's well worth it.

MEMBER NOTES

Winchell reports that Brother Charlie Monihan has finally popped the question and that a favorable answer was received. The lucky young lady is none other than the daughter of Trustee Dick Walsh. Listen, Charlie, before you say "I do" on June 21 be sure you get a pass for the national tourney next year, and if you're not successful see your father-in-law; he was always on hand and must have a fine bag of excuses. How about it, Dick?

How about that meeting the bowling league was going to have? Let's hear from Secretary Gene Kemp.

Understand Ma Hawker put on quite a party for the members of the Haas and Ryan teams a couple of weeks ago.

Your scribe would appreciate any news you might have about any member or yourself. Just give me a ring at Blue Island 1611 or drop a postcard to 2509 Cochran St. Every bit counts.

Chicago Heights Will Pick Council Leaders at Monday's Session

2-4 Mon. . . . . 1527 Otto Blvd.

Our meeting of May 26 was started promptly and adjourned early to enable the entertainment to commence at a reasonable hour. Feature of the evening was "By the Waters of Minnetonka"—something unusual and very interesting. A handsome turnout of members enjoyed the program besides visitors from Garcia Moreno Council, among whom were D.D. H. Hilgendorf, D. G. K. Frank Mech, Scribe Pop White, Bros. Beaupre, Moran and Whistler. Special Agent Cushing was also among those present. We were pleased to have these fine representatives with us.

The next regular meeting will be Monday, June 9, and want all of you to be present. Our officers for the coming year will be elected and as previously announced, it is your duty to be on hand to participate in the election. We are sure you will agree with us that the success of our council depends on the leaders chosen and then the cooperation given the leaders throughout the year. You will indeed be a very busy man, if you cannot take time off to attend this meeting.

CONDOLENCES

The officers and members of our council extend their deepest sympathy to Bro. Claude Niederkorn, his brother Paul and his sister. Their beloved mother was called to her eternal reward on May 28. Funeral services were held at St. Agnes Church on Saturday with burial at Oak Lawn Cemetery. May her soul rest in peace.

NEWS

We are glad to announce that Mrs. Joe Smith, wife of Bro. Joe Smith, has been able to leave St. James Hospital and is now at home where she is getting along nicely. Are there any new additions in your family, or have you a son or daughter graduating this month, or any one getting married? If so, let the Scribe know. Call 1505 or send a card to 1906 Circle Court and your Scribe will gladly insert the news in our next issue. It will be of interest to the readers and will help the Scribe fill his weekly column.

Chicago Will Pick Council Helmsmen at Tues. Meeting

2-4 Tuesday . . . . . 64 E. Lake St.

Tuesday, June 10, is the date set for the annual election of officers for Chicago Council No. 182. The meeting will be held in the seventh floor council chamber at the DePaul University Building, 64 E. Randolph St.

It is the duty of every member of Chicago Council to attend and participate in this election. The meeting will be called to order promptly at 8 o'clock p. m.

Softball: Lest you forget—Saturday afternoon in Garfield Park, Jackson Blvd., under the bridge. All the regulars who can come and all applicants for places on the team. Manager Paul Rito will provide further details at next Tuesday's meeting.

THE BARBECUE

One of the most interesting talks we have ever listened to was given at Chicago Council's "little barbecue party" at our May 20 meeting by Father Harold Kenny, assistant director, under Bishop Sheil, of the Catholic Youth Organization.

In our broadcasting for the annual barbecue we have been telling you of the great work being accomplished and planned for the benefit of "our underprivileged youth," but never before have we had the facts brought to us so forcefully as by Father Kenny. We have read about what our good Bishop is doing to provide opportunity and attractiveness to other activties to lure the careless or wayward boys and girls away from wrong living.

We have heard other people speak of what is being done, but Father Kenny placed facts, instances, right before us to show that CYO has reduced the work of the police in certain sections, cut down the number of juvenile court cases and even reversed the habits of gang leaders so they are exercising their leadership in the interests of Catholic youth.

The summer schools and such details (important and expensive) as providing milk for the children attending; the great need for other things which can only be obtained with money, such as tools for the boys attending the aviation school at Lockport, books for the summer school as well as working material. As one of the audience put it, "now we have something really tangible to talk about and really should go to town wih our barbecue sales."

Father Kenny came as the guest of our co-chairman, Charles Schroeder, and the council is duly grateful both to Father Kenny and to Bro. Schroeder for having thought about bringing Father Kenny to our meeting.

The party, by the way, was quite a success. There were a few games, with a pause to permit us to listen to our President's nation-wide radio address. And lunch was served. The radio was thoughtfully provided by Grand Knight Henry L. Phoenix. Lecturer Bill Pellicore received a number of articles donated as prizes for this event and distributed them at the close of the party.

Tickets are going like hot-cakes for the Chicago Chapter's mammoth barbecue at Riverview on Wednesday, June 18. Buy a few tickets and help swell the fund Chicago Chapter is gathering for the furtherance of Bishop Sheil's undertaking. Your contribution in itself may not be as large as you would desire but the volume of many small contributions is what turns the trick. As you are well aware, idle hands and idle minds lead to trouble, police courts, jails. Isn't it worth while helping to keep our less fortunate boys and girls onto the better path?

Chairman Jack Caponi is aware that many cannot attend our June 10 council meeting. Nor is it convenient to visit our barbecue treasurer, Nick Reuland, at his real estate office (5345 W. Madison St.). Chairman Caponi will pick up your returns if you call Calumet 6282 and ask for him any time from 8 in the morning to six in the evening. (That's a long day but Jack's on the job.) Or you can reach Co-Chairman Charles Schroeder at Independence 2573 after 7 in the evening and he will make the pickup. Time is flying. Act promptly.

SICK LIST

Here's good news: Bill Serritella celebrated his twenty-sixth birthday last Sunday with cake and everything. The family and a host of friends on hand to join in the jubilee. Bill took great pride in displaying a handsome new wrist watch, a birthday present from his girl friend. Many happy returns of the day, Bill. Hope you have seen the last of your troubles.

Ed O'Connor has been afternooning in the garden surrounding the Alexanian Brothers' Hospital—which indicates sure improvement. When the ban on visitors is raised we'll let you know.

Bro. Edward L. Madden at St. Anne's Hospital, would welcome visitors.

WELCOME TO OUR CITY

Bro. Sam Caruso announces the arrival on May 18 of a boy at his home. The young man's fighting weight is eight pounds and he has a voice destined to excel his namesake, the great Enrico. "Enclosed herewith is an application; sign him up for Chicago No. 182."

BLOOD DONORS

A group of our blood donors responded to a call for a transfusion for one of the officials in their mail service department. The volunteers included Chairman James Minnick, Mike Bonahoom, Gus Caponi and Paul Rito. Bros. Minnick and Bonahoom were selected and provided the necessary transfusions and the patient is on his way toward recovery.

TINKLE TINKLE

On Saturday morning, June 7, at St. Edmund's Church in Oak Park Miss Rose Viviano, daughter of Mr. and Mrs. John Viviano, will become the wife of our popular and handsome Bro. Sam Mercurio. The bride will be attended by Miss Tina Coco, her cousin, and the best man will be Tom Viviano, brother of the bride. The ceremony will take place at 10 o'clock and will be followed by nuptial high mass.

After the wedding breakfast and reception the happy pair will leave for a honeymoon trip which will take them through the Far West, including sunny California, with a visit to Sergeant Leo Gorski. The good wishes of the council attend Bro. Sam and his bride for years and years of marital happiness.

St. Augustine Expects More Enthusiasm for Final Barbecue Weeks

1-3 Monday.....5209 S. Justine

The day of the Barbecue is less than two weeks off. June 18 is getting closer and closer but the returns on our barbecue books are not cause for any rejoicing. Even adding inducements has not stimulated any great demand for additional books nor have many heeded our cry for prompt returns. Get in touch with Chairman Joe Handzik at 5310 Honore St., Prospect 8135, as soon as possible.

As mentioned last week, all members who attend the State K. of C. tournament at Olympia Fields on June 25 will be reimbursed $2.00. This reduces the already nominal fee of $5.00 to only $3.00. This is surely a small fee for a tournament that none other can equal in entertainment value or in sporting prominence. The all day program will provide everyone who attends all the outdoor recreation that the varied facilities of Olympia Club has to offer.

CONDOLENCE

Too often it is the unpleasant duty of your scribe to report the death of a member or of their loved ones and today the duty is doubly unpleasant. Last Saturday Bro. Basil Glenday buried his father and on the same day Organist Tom Clancy saw laid to rest his great-aunt who raised him from infancy. We extend our sincerest sympathy to the bereaved families and pray God to grant them eternal rest.

OUR OWN

Bro. Police Captain Frank Demski was given quite a write up in last Sunday's issue of the Southtown Economist. Of course we all knew how good a captain of police he is but we didn't know that he is a singer of renown. The next time you come to our meeting, Captain, you better bring your music with you. (And make it soon.)

BOWLERS' PARTY

The party given for and by the St. Augustine Council bowling league has been tabbed "success." Music, eats and refreshments were of the best. The highlight of the evening was the presentation of a golf bag and some clubs to Bro. John Putz for rolling that perfect game. Should John go out and get a hole-in-one this Council will buy him a game of checkers.

There being but one meeting in June (third Monday) it might be wise to set that day aside to pay your Council dues for the quarter. Fin. Secy. Al Labuhn is expecting the auditors next month and he refuses to catch h——l for the members' negligence.

Nothing pleases the average young girl more than to be mistaken for an actress.

Carroll Calls for Members for Late Barbecue Efforts

Next Meeting June 17, 6 N. Hamlin Ave.

Charles Carroll Council has placed a call for membership-wide co-operation in the barbecue project, which is now entering its "eleventh hour." Success rests with the pledges of co-operation which have come from the individual members. The barbecue committee, headed by Chancellor Edward J. Whelan and Recorder George F. Rauh, is doing everything in its power to honor His Excellency, Bishop Bernard J. Sheil, with a good increase in our efforts over the previous years.

Grand Knight James J. Crosby looks to the membership for the support in backing up the promises made in this charity campaign with gratifying action. The response to the appeal from the members of the committee contacting the membership during the last two weeks is far beyond all expectations and all previous records of participation. Certainly with the manpower of Carroll Council united in action, there can be only one result ahead—COMPLETE SUCCESS!

FROM DANNY RYAN

Dear Ken: Thanks for your nice long newsy letter. So you are now a "letter carrier" for Uncle Sam. Well, I am now a "litter carrier" for Uncle Sam. You carry the "mails" and I carry the "males." I am in a collecting company, i. e., we pick up the wounded from just back of the front lines and and carry them on a litter or stretcher back to the ambulances where they are taken to hospitals. We are a non-combatant unit, but if anyone ever says, "Oh! You've got a safe job," we tell them we are right in back of the front lines and open to shell fire and long range machine guns, and are without weapons. Next to the infantry we suffer the most casualties.

This is Memorial Day and a holiday and I have spent it doing the three R's, (reading, 'riting and resting). I went to that great metropolis of Tullahoma for a few hours this a. m., but if you walk five minutes in any direction you are out of it. It was a sleepy southern town, but now with all the soldiers, it is a boom town.

We have had terribly hot and dusty weather here, but it has rained for a few hours this afternoon and is now cooler and muddy. The mud is sloppy, but preferable to the choking dust, which has caused a lot of throat trouble down here. I like the medics a lot better than the Field Artillery and find it a lot more interesting and more in my ability. It is like going to school again and all we have done so far is sit out under the trees and listen to lectures about hygiene, first aid, etc. I am getting used to the army and don't mind it. . . . The last two week-ends I spent in Chattanooga and Nashville. It does a fellow good to get out of here once in a while and do, eat and sleep as he pleases, but this week-end I am broke and will stay "home." . . . I miss the boys up at Carroll and wish I could get The Columbian. . . . Say hello to the boys for me.

Well, I have some more letters to write; this is my fourth and I am still going strong, having just fortified myself with a bottle of root beer and a pint of ice cream.—(Signed) Danny, Company C, 108th Medical Regiment, Camp Forrest, Tenn.

The above letter was received by the writer in detail and judging from its contents, Danny has begun to exercise an influence for good in every phase of his service life.

SICK LIST

Gene Conley is at the Loretta Hospital, Harrison street and Central avenue, recovering from pneumonia. . . . Herbert Burdick is still at St. Ann's Hospital, where he has been under observation of specialists to determine his ailment. The cause being found now and Herb is gaining ground day by day. . . . Our P. G. K., Joe Byrne, has entered the "victory lane" and is fast recovering from that unfortunate accident a month ago. . . . Dr. Edward Niles is at home now from the Alexian Brothers Hospital. His address is 4342 W. Van Buren street. . . . District Deputy Edward O'Connor is detained at the Alexian Brothers Hospital and is happy to see his many friends visit him occasionally.

SOFTBALL

Carroll Council witnessed the first game of its softball team of the season's schedule with LaFayette Council at our home diamond at the May Public School, 5000 W. Harrison street, on Thursday evening, June 5. A fine cheering section was present and the boys certainly put on a fine exhibition. Carroll Council is entered in the Far West Division of the K. of C. Softball League with LaFayette, Barry and Hughes councils. The next game of the series will be played with Hughes at 44th and Fillmore on Tuesday evening, June 10.

Among the players on the Carroll team are Tommy Carroll, Bill McNamara, C. V. Ryan, Ed Ryan, Eddy Ryan, Ed Aubin, Everitt White, Dan Loftus, Ed Baker, Jim McNamara, Jim Crosby and Dave Burke. Manager of the team is C. V. Ryan and delegate to the league is Ken Torgeson.

MEMORIAM

Carroll Council officers and members are deeply saddened by the sudden passing of our good friend William J. Riley, beloved father of Bill Riley, also a member of the Knights of Columbus. As he bore his many crosses in his lifetime as a true Catholic gentleman and a Knight of Columbus, he was called to receive his eternal reward of everlasting peace and happiness. Devoted to his wife and children in life, he shall be ever devoted in his service to God in death.

ELECTION OF OFFICERS

At our next regular meeting, Tuesday, June 17, the election of officers for the ensuing year will be held. Show your interest in your council by your attendance at this meeting!

Recruits for the next season's intra-council bowling league are now being solicited by the league's secretary, Joe Bradley, and president, Edward L. Baker. Among the newcomers to the league will be Frank Shea, Ken Torgeson, Paul J. Roberts and Joe Mate. Bowling will again be on Friday evenings at 9 o'clock at the air-conditioned Cinderella alleys at Madison and Central.

Loyola-Hyde Park Lists Election of Officers for Meeting Thursday

2-4 Thurs. . . . 7435 Cottage Grove

At the next meeting on Thursday, June 12, Loyola-Hyde Park will hold its annual election to appoint council officers for the next year. All council members are urgently requested to be present to participate in the determination of what men will handle the future of our council.

COUNCIL ACTIVITY

Have you sold any barbecue tickets yet? If not, shake the dust from your book and start working. Chairman Charles Lawler asks that all members who have disposed of their books turn them in at once.

The softball team is beginning to shape up pretty well. The boys won a close game the other night with the able assistance of P. G. K. Bill Leeland, and in doing so looked like champions. However, they need a few more members out there shagging flies.

The Loyola-Hyde Park Juniors whipped the strong Hamilton Park Aces last Saturday by a five to four count. Looks like Jack McGuire's youngsters are going to be just as good and tough as they were last year.

Don't let this hot weather make you forget that our financial secretary is sweating even more than he did this winter for our dues. Hunt up that abandoned dues card and do your duty.

Bro. Joe Klingleschmidt has joined the ranks of Uncle Sam's army and is now keeping Rec. Ed Joyce company down in Tennessee.

What ever happened to Gene Sullivan? Art Bourgeau is now getting back to normal after a long illness. Our hard-working membership man, Geo. Birmingham, was reported a little under the weather recently. That pipe finally got the best of him.

We are proud to announce that P. G. K. Dick Judge has been appointed district chairman for the N. C. C. S. This activity is to help provide monies to improve the recreational and religious facilities of the boys in the army camps.

You are requested to pray for the speedy recovery of the wife of P. G. K. Martin Whalen.

Your presence at the meeting on next Tuesday evening, June 10, will be most helpful. Please make a special effort to attend.

AMERICUS MUSINGS

In the absence of a report from any of the bowlers, and not being endowed with the gift of clairvoyance, we'll have to give the report on the I. B. A. tournament a pass. We're not even sure they bowled! Who knows?

The dollar winners at the last meeting were P. G. K. John A. Cooke, John J. Powers, Joseph McGuire, Edward Aylward and Edward O'Callaghan.

Don't forget, we're holding a first and second degree within the next week or so. Bring your application with you to the next meeting.

Bro. Frank Sattler enters the armed services of his country on June 11. Frank is a progressive fellow, and we know that his ability as it unfolds itself to his superiors will soon place him in line for corporal or general or something.

HISTORICAL DATA

The history of Americus Council is replete with incidents that indicate progress in fraternalism and it has many times verified the hopes and aspirations cherished by those who conceived the idea of organizing it, and it reflects the utmost credit on the past and present personnel.

With the feeling that the members will derive a certain amount of pleasure from a synopsis of the events which have transpired since the council's inception the writer has delved into the archives and made excerpts from the records that should be of interest to both the old and new members.

The first meeting was held at Marquette clubhouse, then on Dearborn avenue near Division street, on Oct. 20, 1907. The future destinies were placed in the hands of the following officers: G. K., Richard C. Gannon; D. G. K., Peter C. Hoey; Chancellor, Edwin Lawlor; Recorder, Edward Casey; Fin. Sec., Joseph Murphy; Treas., George W. Nolan; Advocate, Harry Bailey; Warden, Michael J. Howlett; I. G., John A. Foley; O. G., Frank Cornwall; Trustees, Thomas W. Brennan, Fenton Lawlor and Dennis McCarthy. (How about a lot more of these items for the "Remember" column found on page 4 of most issues?—Ed.)

Make your barbecue returns as early as possible to John Crawford. The time is getting short and we would like to hear from the entire membership as soon as possible. This project deserves a lot of help and we're counting on you for some of it!

SPECIAL: Albert Finney, son of an old time Americus member, won the scholarship offered by the council in the exams recently written at St. Philip's. Congratulations, Albert!

Attend the Barbecue, June 18, Riverview Park.

Sherman Fourth Club Will Climax Season at Meeting on June 24th

1-3 Tues. . . . . 4300 W. North Avenue.

June 24 will be the last meeting of the Sherman 4 Club until September. Please try to attend. There will be a Fourth Degree escort for the dedication of St. Genevieve's Church on June 8.

Bro. Geo. Kohl, Sr. reports that Dr. Fleming is still ill. Bro. Geo. will try to have Dr. Fleming's assistant and a nurse up to one of our future meetings for a blood typing.

Our Chaplain, Father Mike Sesterhenn is in St. Elizabeth's Hospital, Claremont, Oakley and Le Moyne Sts., room 350. Father Mike would appreciate a visit from the members.

He is sorry that he will be unable to attend his Sauerkraut Dinner tomorrow evening (Saturday) at 6:30, for men only, but he asks all members who can to please attend. It is at Holy Trinity Parish, Taylor and Wolcott Sts.

District Deputy Mike Geraty, in a speech before election, pleaded for a fair chance for the new officers, and harmony and good fellowship no matter what the outcome. May I add that there can be only one winner to each post and to lose does not mean that your place in the council is less than the winner. Abe Lincoln is a good example of that. He went on again to win the highest post in these good United States.

ELECTION RESULTS

The results of the election are as follows: Bert Welker was elected to the office of Grand Knight. It was a close race between himself and present Deputy Grand Knight Ray Groh. Bro. John Slepicka was elected Deputy Grand Knight.

One of the best sports of the evening was Geo. Kohl, Jr. He declined to run for Deputy Grand Knight. It was his silent effort for harmony in the council. I hope in the future it does not go unrewarded.

Bro. Ken Buckley won over Bro. Bill Hall for Chancellor. Bro. Max Thiel was unanimiuosly elected Recording Secretary. P.G.K. Terry Clark was reelected Treasurer for the council, by unanimous vote. Bro. John Ruh was elected Warden.

P.G.K. Bill Connell, Jr. was unanimously elected Advocate. Bro. Tom Tierney unanimously for Inside Guard. Brothers Fred Savaglio and Jack Ryan unanimously for Outside Guard.

G.K. Joe Schmitz was elected delegate to the State Convention. P.G.K. Harry Kohl was unanimously elected Trustee. P.G.K.'s Al Loiselle and John Barth, Jr. were elected alternates to the State Convention.

Please do not forget to make returns for your Barbecue books.

We regret to have to notify you that Bro. Tom Judge's wife passed away on Monday, and Bro. Ed. Dietz's father passed away a week ago. The council extends its sincere sympathy to them in their hour of sorrow.

"LIVING GOD" DRAMA REVIVES MAN'S FAITH

Los Angeles.—An affecting letter from a fallen-away Catholic, a shut-in, who stated that his faith was revived as a result of listening to the radio presentation of "The Living God" during Holy Week under the auspices of the National Council of Catholic Men, was read by Screen Actor William Gargan, who played the part of the Roving Reporter in the drama, at dinner given members of the cast by Pedro de Cordoba, director of the presentation, and Mrs. De Cordoba.

Hundreds of other letters received by members of the cast from all parts of the United States indicated the widespread appeal of the program.

For the last forty years the annual catch of codfish in the western North Atlantic has averaged about one billion, one hundred million pounds.

Otto

A comedy star with an unlimited capacity for provoking laughs is the rotund Ted Morse, known to WLS radio audience as OTTO, who is one of the comedy highlights on the National Barn Dance Show. This popular comic will perform for the K. C. Barbecue guests next June 18 at Riverview Park.

With fun written all over him this 225-pound comic has the agility of a sprinter, and is all over the place in any show. Moon-faced as to countenance and grotesquely costumed, OTTO has only to look at an audience to get them in a hilarious mood.

WRECKED CATHEDRAL IN LONDON WAS OLD, BELOVED STRUCTURE

"I haven't even a throne," said the 77-year old Archbishop-Bishop of Southwark, Most Rev. Peter Amigo, as he walked with reporters over the charred timbers which fill the nave of his wrecked Cathedral of St. George, burned out by fire bombs.

"My cathedral has been loved by everybody for over 90 years," he added. "I cannot rebuild it. That will be left for my successor."

DESIGNED BY PUGIN

A. Welby Pugin, when at the height of his fame, was chosen to design St. George's Cathedral. It cost $150,000, but it would cost $1,000,000 to replace it today. The plan was considered an ambitious one at the time, for Catholics were fewer, many of them were extremely poor, and there was still active hostility to their religion.

Father Thomas Doyle, who labored for many years in South London before the Catholic Emancipation Act was passed, undertook the task of raising funds, and he travelled throughout the country seeking support. The pennies of the poor helped him greatly, but he secured donations from, among others, the reigning Emperor of Austria, King Louis of France, the Queen of Spain, and the King of the Belgians.

To avoid attracting hostile attention the foundation stone was laid at 7:00 o'clock in the morning, on May 26, 1841. The building was opened on July 4, 1848, in the presence of the Vicars Apostolic of England and several visiting Bishops from Belgium—it was originally designed to serve the needs of the Belgian community here, and the "Catholic Directory" of 1835 describes it as "the Belgian church to be."

When the English Hierarchy was re-established in 1850, St. George's took its place as a Cathedral, together with the buildings still in use as cathedrals in Birmingham and Nottingham.

It has been estimated that an acre of land in the world's temperate zone receives from the summer sun an amount of heat equivalent to that which would be received from burning 250 tons of high-grade coal.

Call on your Council chairman with all Barbecue returns before Friday, June 13.

DYING CONVERT TELLS HOW CATHOLIC PAPER LED HIM TO FAITH

When admitted to a nursing home in the north of England a man asked for a priest. He was not registered as a Catholic, but a priest was sent for.

He told the priest he had been a reader of the Universe, London Catholic newspaper, for 20 years, and that he wanted to be received into the Church.

Before arrangements could be made for his formal reception the man's condition became worse. The priest gave him conditional absolution and he died.

"When you hand out Catholic newspapers," the Rev. Lawrence Campbell told Brothers of St. Vincent de Paul in Newcastle-on-Tyne, "you never know where the seed may fall and flourish."

DEARBORN ATTEMPTS NEW BARBECUE RECORD

1-3 Thurs. . . . . 820 Garfield Blvd.

The Barbecue drive is now nearing the home stretch, less than two weeks remain in which to successfully achieve our goal. Dearborn started in high gear toward this end and has consistently maintained a terrific pace to overcome last year's efforts. Your committee is both pleased and thankful for this exhibition of true Dearborn spirit. However, human beings are prone to lag in the waning days of any type of project, and thus our chairman, Chancellor Steve Ruff, and the committee feel the necessity to issue a cautioning word against a possible let-down. To slump in our efforts now would be serious as well as disastrous in the opinion of Chairman Ruff. And he urges us to keep up the old hustle and make prompt returns in order to preserve and, if possible, better the past splendid records of our council.

A glance at the fin. sec'y report to date serves to corroborate the above statements concerning council efforts in this drive. The returns have been constant throughout the weeks of the campaign and in some instances have already surpassed those of prior years. Specific details of the report reveal that certain of our brothers have performed their duties nobly. Through their individual efforts, Dearborn has shown splendid progress and surprising returns to keep the council in the race and overcome last year's record. Our quota this year was set at a mark higher than last and with just a small amount of effort on the part of each member will result in Dearborn surpassing the quota.

"ALL-OUT" FOR YOUTH

After unburdening all the dry details on you permit me to guide you back a few years. The following may seem repetitious to some, but there are many who have been absent at the various times Gen. Chairman Streck and our District Chairman Frank McGillen and Frank Small have explained the purposes surrounding the origin of the barbecue. (There is just the slim chance that a member not realizing the worthiness of the cause might neglect to co-operate fully.)

Of course the main object of this project is to provide knighthood the opportunity to render "All-Out" aid to Bishop Sheil in his efforts to render assistance to the Youth of our city, who never had a chance. A trip to the schools, homes and recreational centers established by the kindly Bishop will illustrate our point more explicitly. Inspection of these numerous centers will reveal that youths, who were shorn of home and schooling due to various and sundry causes, are now enjoying these privileges and opportunities because Bishop Sheil has the courage of his convictions and a place in his heart for our youngsters. Through his efforts boys and girls are taken from the streets, educated and set to useful industry, rather than lives of crime and dissipation.

It has been no easy task for the Bishop, what with lack of time and a multitude of diocesan duties. But in the face of such odds he has accomplished this task successfully. The record shows case after case of boys and girls who have been prepared for the struggles of every day life just as you and I have and after all it is such work as this that strengthens and preserves sound government. Thus if so important a leader of the Catholic hierarchy can find time from his duties together with a thoughtful compassion in his heart, why then, cannot we, as Catholic gentlemen, devote just a small portion of our time and muster our efforts to aid so grand a religious personality? Think it over, but act quickly as less than two weeks remain.

MEMBERS AND MEMBERSHIPS

APPLICATIONS: On Friday night, June 27, South Division No. 1 will conduct an exemplification of the Third degree. Dearborn is sponsor and has termed it an honor degree to pay tribute to a real Dearbornite, Senator Richard J. Daley. Just three weeks, then, remain to prepare our candidates and ready them for a banner class. Such an accomplishment will render appropriate and timely appreciation to one who has accomplished much for Dearborn.

In addition to rallying around an active member, our efforts can also serve to meet and beat the quota on new Members which is set down by the Supreme Council. This year's mark will expire on June 30. Thus exactly three days previously, we can, by serious and determined effort, surpass the quota placed upon us. To do this requires that each member solicit and obtain one application. This does not seem to be a superhuman request on the part of G.K. Devereaux and Chairman Nix. Small effort is involved. Members do not necessarily have to go out of their way in this accomplishment. But just think that for a minimum of energy on the part of each one of us, we can join with Bro. Daley in celebrating this degree by presenting him with a banner class and at the same time give the council sufficient new members to pass its quota and preserve our strong position in the Order.

FOURTH DEGREE: The Silk Hat Club will conduct its annual picnic for the kiddies on June 22 at the Forest Preserve, the same site as last year. This is one event that the club holds to afford fun and frolic for the youngsters and in the past has always attained this end. The details as to time and directions will be furnished in a later issue.

SOFT BALL: Mgr. Jon Logan's boys will have completed their opening game by the time this issue reaches you. However, a complete report of this game as well as the full schedule of Dearborn's games will be published in the next issue. The boys are well conditioned and should give a good account of themselves and of Dearborn this year. Predictions are not in order at this time but we might add that the players are imbued with that Dearborn spirit—"We can and We Will."

CURRENT EVENTS: June 19-29, St. Ethelreda's Carnival sponsored by the Holy Name Society of which John Downes, rec. sec'y, is president and Bro. Rev. Joseph Woods is spiritual director; June 22, Silk Hat picnic; June 25, State Golf tournament.

S.O.S.: Watch the future issues of this column for details on the activities of the United States Service organization.

McHale Issues Call for More Recruits for Council Softball Team

1-3 Tuesday.....150 W. 69th St.

Manager Leo Karieva of our softball team asks that Council members wishing to play softball report to him at Hamilton Park on Thursday nights so that our Council will have a real team when the season gets under way.

Here is a real sports activity that is very healthful with plenty of fun and the opportunity to meet some real fellows from other Councils. Let's get behind Leo, you could not play under a finer fellow.

A week ago Thursday our team had a warm up game with St. James Council. The battle ended at 7 to 6 in favor of St. James after 12 innings. Council members that enjoy watching a ball game should follow the team and give them your moral support. Bring the family along.

COMING EVENTS

August 5 is the date set for our August meeting night at Ryan's Woods, an annual affair at McHale. Every year it gets bigger and better for our entire membership looks to this night for a good time.

We will have a softball game, then a short business meeting, after which comes dancing and refreshments. Of course bring the ladies. Our thanks to Bro. N. C. C. S. CAMPAIGN

Some of us will remember that during the last war our organization played a large part in the recreational and social life of our soldiers while in Europe. With so many of our young men in the service and many more to come, our government has asked all charitable agencies to again step into the field as a unit. This unit will be known as the United Service Organization. Our order, the Y. M. C. A., Salvation Army and others will each be doing its part under the one heading. Naturally, a project of this nature will require considerable finances. You may be called upon to help, either as a solicitor of funds or a donator or both, so be ready.

At our last meeting many of the boys subjected themselves to one of those I. Q. tests. The same kind of test is used by one of our leading universities. As might be expected (?) the boys from the west end demonstrated their superior intellectual qualities.

The annual K. of C. All State golf tournament will take place at Olympia Fields on Wednesday, June 25. Any brother wishing to play in the tournament kindly get in touch with Bro. Andrew Eichhorn by phoning him at Irving 6490 before Sunday, June 15.

Committee Hopeful of Setting Record As Council Barbecue Returns Pour In

Membership Asked for All-Out' Assistance During Last Few Days

EXPECT BIG CROWD WED.

Sometime late next Wednesday eve-, June 18, a new entry will be le in the history of the Annual ghts of Columbus Barbecue in fit of Bishop Sheil's Under-ileged Youth Fund.

Wednesday's affair, the fourth in series of charity drives under-n by the Chicago Councils, has, ughout its three-month promo-al campaign, forged steadily ahead he records set in previous years. this reason the early anticipa-n, expressed by General Chairman vig Streck and his committee, for ided increase in the final donation he Underprivileged Youth Fund year, appears now to be a cer-y.

Project Has Proved Itself

natever the size of this year's ribution may be, the value of the ecue programs has been definitely lished. Originally conceived by eme Director Michael J. Howlett, irst barbecue was sponsored in after two years of study and de-ment. Now, after three succes-annual campaigns, the local coun-have been able to provide in ex-of $50,000.00 in support of Bishop 's program.

s outstanding accomplishment direct contrast to the realiza-of the Order's effort here in 1934 $8,000.00 was raised by direct sments on the council treasuries e Bishop's work. Although less 30% as large as the donation ed by any single year of barbe-ffort, the ability to provide for 934 donation was a very serious em to the average council.

ate Deputy Asks Final Drive

Commenting on the fact that the ecue program have permitted the ils here to continue their whole-ed support of the underprivileged movement without any strain ir own treasuries, State Deputy, John F. Bolton also expressed sh that the 1941 campaign would in an unqualified success for en council in the jurisdiction.

"The fourth annual Barbecue next esday," he said, "falls on the eve termination of office as your at Deputy and as one of the last er Order activities here during my inistration, I of course am keenly ol that it will attain a new re-d of success.

"His hope is naturally secondary, t real wish that we, as an organ-ati that has become the spearhead tholic Action throughout the oce, can again through our united for measurably increase the scope d e benefits accruing to the thou-nd of needy boys and girls in Chi-go through the administrations of sh Sheil.

(Continued on page 2)

Prime movers in the current barbecue campaign that will reach its climax here next Wednesday evening at Riverview Park are State Deputy Judge John F. Bolton (left) and Supreme Director Michael J. Howlett.

Both men have, through their attention and leadership, contributed much to the success of the local councils' great charity drive to benefit Bishop Sheil's Underprivileged Youth Fund.

Local Councils to End Year's Membership Drive With Class Named for State Deputy

The year's membership efforts of every council in the Cook county area will come to a close over the next week-end in a series of major degree exemplifications dedicated to retiring State Deputy Judge John F. Bolton.

Scheduled for Friday, June 27, the major degree classes will include candidates from every council in the city. Units from north divisions one and two will induct their initiates at Belmont Hall, Belmont and Clark streets, under the sponsorship of De Soto Council. All three west sections will be represented at the ceremonies to be given by St. Francis Xavier Council at St. Philip's gym, 3141 West Jackson boulevard. The four south sections will convene for their exemplification at Father Perez clubhouse, 6710 South May street.

All degree ceremonials that night are scheduled to start promptly at 8:30 p. m. and participating councils are urged to have their candidates on hand well in advance of that time so that the host council may have sufficient time to properly register the inductees.

Series of First and Second Degrees

In order to insure a properly representative class for every council at the major exemplifications June 27, a city-wide series of First and Second degrees is also being sponsored over the next several days. Each section of the city will have at least one such exemplification between now and next Friday so that all Chicago councils will have opportunity to participate in the John F. Bolton class on the twenty-seventh.

First and Second degrees listed for the coming week include North Division 1, at Marquette Council, June 19; West 1 and 2 at Damen, June 19; West Division 3, at St. Paul of the Cross Council, June 17; South Division 1 at Fort Dearborn, June 19, and South 2 at St. Rita, June 19.

Next week councils of North Division 2 will induct their First and Second degree candidates at Chicago Council on June 24. Candidates from the units comprising South Divisions three and four will receive their degree honors at the ceremonies to be conducted at St. James Council, Monday, June 23. Detailed information on these degrees will be found in the regular Official Bulletin on page 15 of this issue.

Class Is Tribute to Great Leader

The renewed membership efforts on the part of every council in the city to have representation in the testimonial classes honoring State Deputy Bolton is an eloquent tribute to the state leader's ability and guiding genius. During his two years in office he has led the Illinois jurisdiction to spectacular gains in membership and other Order activities.

One of the State Deputy's early innovations for the successful promotion of membership work in the separate councils was the establishment of the "divisional system" of degree work.

Under this sectional plan all councils in the Chicago area were grouped according to their locations and were assigned definite dates for exemplification of their degree work. According to the schedule set up by the State

K. C. Golfers Ready for Big Day June 25th at State Meet

Largest Championship Flight in History Expected for 14th Annual Tournament

Still "up and coming" are the reservations for the fourteenth Annual Knights of Columbus State Golf Tournament to be held at Olympia Fields here, on Wednesday, June 25.

One of the largest championship flights in recent years—which, since the tournament has never failed to draw more entries than the preceeding year means the largest in Illinois K. C. history—will take to the number one course at Olympia that day to compete for the dozen or more outstanding trophies that are being offered.

In addition to these "proficient" council foursomes, "dubs" of varying degrees of golfing dexterity will trudge over the number two and three courses after the assured goal of a lot of fun and relaxation. Several hundred special awards—two thousand dollars worth—will also tempt the best efforts of all the one thousand guests who are now confidently expected to attend the all-day outing.

Brilliant Program Offered

The fun will begin early, according to Thomas D. Griffin, chairman of the Illinois K. of C. Athletic Commission, under whose supervision the affair is planned, and it will continue all day. Every possible feature, conducive to the success of a tournament has been provided, he said, by the enthusiastic and hard working general committee.

In addition to all day golfing privileges, locker facilities, lunch, refreshments on the course and a place at the evening banquet are all included in the five dollar entry fee. Banquet reservations alone, which also cover full participation in all phases of the evening's program, are priced at $2.50.

Entries may be made with Mr. Robert E. Gorman, tournament secretary, at 105 West Madison Street, Dearborn 7300. Council foursomes must be entered by next Friday, June 20, in order to allow the committee sufficient time to properly schedule the competing teams. Group or individual reservations not entered in the championship flight may be made until Monday, June 23.

Trophy List

Among the long list of special awards that will be offered at the tournament a partial list now includes: a $325.00 Silver Fox Jacket donated by John J. Moran; Diamond-set 4th Degree Button from La Salle Assembly; Card Table and four chairs through the courtesy of James M. Whalen, Sanitary District Trustee; Smoking Stand from James J. Sullivan; Roulette Set donated by Stevens-Maloney Co.; Silver Key Chain from the Edward Kirchberg Jewelry Company; Baked Ham from the John P. Harding Company; One Dozen Golf Balls donated by George Halas, May & Halas, Inc.; Side Chair offered by the Johnson Chair Company; One Dozen Golf Balls by Harry Schuster; One Dozen Golf Balls offered by K. Program Filled Real Need

"When our councils first undertook the task of providing extra funds to the great amounts needed by Bishop Sheil in his work with our underprivileged youth, many needy young boys and girls could not be attended because of the limited funds then available.

"Today there is still a vast army of neglected children in Chicago who have too little to wear, who never have enough to set and who frequently do not know where they can sleep or be 'at home.' This army is smaller now than four years ago when we first enlisted in the cause of bringing to these young people a healthful, Christian way of life. But even $50,000—the total realized by our three previous barbecues—can go only so far when it is spread over the long months of the year and when there are so many who must be assisted.

"We should, each one of us, as fathers and as Catholic Knights, give all the aid we can to Bishop Sheil and his great program. Our most immediate means of lending this assistance is in the promotion of the barbecue benefit next Wednesday.

"I therefore urge every member in the jurisdiction to do his utmost to see that the donation resulting from Wednesday's affair, is a real measure of our interest in the welfare of our young Catholic citizens of tomorrow."

Early Returns Urged Now

Chief of the activities yet remaining before the close of the current campaign next Wednesday, is that of entering all ticket returns. These may be made—if necessary—as late as 9:00 o'clock next Wednesday evening at Riverview Park where a barbecue office will be opened. Wherever possible, however, the returns should be made to Secretary James B. Carney at 155 North Clark Street by tomorrow evening, or Monday morning.

Deputy, each unit was provided, through its own choice, with at least one date during the season in which it was expected to conduct the First and Second degree ceremonials.

Every division was thus provided with a definite series of degree exemplifications, and these were scheduled so that no long period occurred between one exemplification and another. Councils were thus relieved of the problem of holding a number of applications for any length of time before being able to arrange for a degree.

So well has the plan operated that the Supreme Office has given its development considerable attention with the thought of setting it up on a national scale for other jurisdictions in the nation.

Cardinal O'Connell Repeats Views About War and United States

Boston.—Expressing a desire that his words should "go all over the country," His Eminence William Cardinal O'Connell, Archbishop of Boston, told 300 members of the Knights of Columbus that this country should stay out of war and that "slimy slogans" ushering the country into war should be denounced as "insults to the intelligence" of the American people.

"We should not try to impose our government on the whole world," he declared. "Many of the people in those other countries know perfectly well what the American form of government is and most of them don't want it."

FAVORS DEFENSE PREPARATIONS

The Cardinal said he is whole-heartedly in favor of defense preparation, but added that America should "not run around to everybody's fire, trying to extinguish all the blazes, and come back and find its own house in ruins."

Asserting that his anti-war position is entirely compatible with his love of country, the Cardinal declared that "to say the word peace nowadays would be almost to bring down upon your h a torrent of abuse." "Is that ratio or just hysteria" he asked.

At the conclusion of the Cardinal ad- dress the 300 men knelt in the grea hall to receive his blessing.

The Cardinal said in a voice trem ling with emotion: "I'm getting old, me and I need your help. There is so muc left to be done in the world. Please pr for me and the work that I still have to do."

PECIAL NOTICE! — Ravenswood ıncil's next meeting will be held Mon- evening, June 16, at our clubrooms, Wilson Ave. This meeting is the st important of the year, for at that e the officers for the coming year will elected. G.K. Morgan has issued an eal asking each member to make a cial effort to attend. The change of ting nights is not to be permanent. This one evening was changed in order not to conflict with Barbecue night.

Trustee Peter Farrow reported at the last meeting that so far this year our Barbecue sales are lagging. Each year in the past we have been able to surpass the preceding year's sales. Naturally the committee members, Trustees Farrow and Beaton, co-chairmen, Treasurer Wm. Egert, James O'Reilly and John Piquette not only hoped but expected to maintain our record. It's squarely up to us, the Knights of Ravenswood Council, to keep up our record. Let's give the committee support thereby helping Ravenswood in every way.

D.G.K. Mike Citti very capably handled the G.K.'s chair at the last meeting, G.K. and Mrs. Charles Morgan are in Gulfport, Miss. for a week or two. Charlie will be back for the election and the Barbecue. The next opportunity you have congratulate Bro. Morgan on his appointment as one of thirteen district chairmen of the National Catholic Community Service, known also as the United Service Organization. The purpose of this organization is to help provide recreational entertainment facilities and programs for Catholic young men in training camps.

Bro. Clem Morgan, who gave a very enlightening and interesting talk on the thrills, chills and woes of an insurance adjuster at Wednesday's meeting, is another Morgan "with something on the ball." Old-timers at the meeting were Mike Metzger, Clarence Buckheit, Frank Fortmann, Ed Arenn, Sr., and Frank Engel. Newcomers were Larry Grady, Charlie Rogers and George Sayer. Hope old-timers and new alike continue to attend more and more meetings.

The council extends its deepest sympathies to former trustee, Dr. Earl Courvoisier upon the death of his mother who passed away last Friday. May perpetual light shine eternal upon her soul.

The Lay Apostolate—

It must be admitted that it is very difficult, especially for laymen, to recognize and accord with the proper position and conduct as to church affairs of the laity.

At one end of the attitude are those who regard the full scope of the layman to be included in attending Mass, approaching the Sacraments, saying his prayers. Oh, yes—and making proper contributions. At the other end are those who seem to think the laymen should run the Church.

So far as their own individual well-being is concerned, those in the first class are apparently the better situated. Nothing is more disagreeable than the lay Church dictator, male or female.

If, however, the Church at large or in general is to be considered, a different situation arises, and the conviction is growing that the Church is concerned in the matter.

Pope Pius XI issued a thrilling encyclical on the subject in which many very helpful suggestions are contained.

With reference to Catholic action, His Holiness said:

"But especially in our time when the integrity of faith and customs is always gravely menaced and when priests, because of the scantiness of their number, are powerless to meet the necessities of souls, it is all the more urgent to have recourse to Catholic Action, thanks to which the laity is supplying numerous collaborators to the apostolate comes to the aid of the clergy and supplements its small number. The idea of sustaining the clergy in this manner was held by our predecessors and already put into practice when, in the most terrible difficulties of the Church and of humanity, they sounded, so to speak, the rallying call; they exhorted fervently that all the faithful fight, under the direction of the bishops, the holy battles and provide for themselves eternal salvation in the world to come."

With respect to the scope of lay Catholic activity, the Pope pointed out:

"In effect, Catholic Action consists not merely of the pursuit of personal Christian perfection, which, is, however, before all others its first and greatest end, but it also consists of a true apostolate in which Catholics of every social class participate, coming thus to be united in thought and action around these centers of sound doctrines and multiple social activity, legitimately constituted and, as a result, aided and sustained by the authority of the bishops."

As to the character of Catholic Action, the great pontiff said:

"This chosen legion of Catholics, thus united and at the disposition of the ecclesiastical hierarchy, receives its mandates from the same source from which it receives its vigorous impulse. That is why, because of its divne mandates from the Church and its hierarchical apostleship. Catholic Action will never be of a material order, but spiritual; never of a worldly order, but celestial; never political; but religious. Moreover, social action should be mentioned to good purpose since it tends to extend the reign of Christ, thus to procure for society the greatest good and, consequently, everything that goes with it; that is to say, all those things which by nature belong to a nation are called political—welfare that is not private or individual but common to all citizens."

This will help us all not only to realize the aid we may give but also the peace we can assume and occupy under the approval and in conjunction with the Church in the momentous world betterment.

No one has success until he has the abounding life. This is made up of the many-fold activity of energy, enthusiasm and gladness. It is to spring to meet the day with a thrill at being alive. It is to go forth to meet the morning in an ecstasy of joy. It is to realize the oneness of humanity in true spiritual sympathy.—Lillian Whiting.

In the Twentieth Century war will be dead, the scaffold will be dead, hatred will be dead, frontier boundaries will be dead, dogmas will be dead; man will live. He will possess something higher than all these—a great country, the whole earth, and a great hope, the whole heaven.—Victor Hugo.

COLUMBUS PULLING FOR SUCCESSFUL BARBECUE

2nd-4th Tues. . . . 6932 N. Clark Street

During the past few weeks the annual Knights of Columbus Barbecue in behalf of Bishop Sheil's Underprivileged Youth Fund has been the principal topic of conversation in this corner. There is nothing unusual about this. Any one can readily realize that this is the greatest work of Charity ever undertaken by our Order in Chicago.

In the past ten years Bishop Sheil has developed an organization unparalleled in the world in the care of underprivileged youth. In the past three years the Knights of Columbus in the Chicago area have contributed nearly $50,000.00 to our beloved Bishop to help further this cause. During the past three years how much of this did you help to contribute? Did you ever sell just one book? If the question were asked face to face, the majority of you would be embarrassed at your lack of interest in this wonderful work.

Now for the fourth consecutive year the Knights of Columbus are in there pitching their hearts out for the Bishop and his kids. Are you one of these Knights or are you hanging back letting the other fellow do it all. The Barbecue at Riverview Park next Wednesday will be a lot of fun for those who attend, but in reality it is just an excuse to dig down in your pocket and lay out a little green for this great cause. Now is the time to start the digging. Get rid of your book at once. If you do this, we are confident that you will have more satisfaction in your heart for the little work that you have done to make the underprivileged happy than all of the joys the ball games or movies may give you. Do it now before it is too late—sell that book of yours and get it to Frank Coffey before next Wednesday.

ANNUAL GOLF TOURNAMENT

The Sextros, Doc Schuler and Walter Nietschmann will represent Columbus Council in the Fourteenth Annual Golf Tournament to be held this year at Olympia Fields, Wednesday, June 25. All members of the Order are invited and there will be other foursomes made up of members of our Council who will participate in the day's doings. Why not get in touch with Grand Knight Eddie Roche to make reservations for you.

INSIDE INFO

Our next meeting will be Tuesday evening, June 24, and during the months of July and August we will have only one meeting a month. This meeting will give you a good chance to straighten out with the Financial Secretary before you go on your vacation, or perhaps to bring in an application to P. G. K. Eddie Kelly. We will also have on hand that evening an enlarged picture that was taken in front of St. Jerome's Church on the occasion of our Annual Commun Sunday back in "1921" and it will b great treat to some of the Old Timers see this picture. We will also have picture that Jack Schmidt took on occasion of our Annual Communion Sa day this year and I assure you that will enjoy both. Talking about J. Schmidt, who is about to take the fi jump into the matrimonial sea, I th he should come around and attend meeting if he is in town before he ta that final dive.

I would like to hear from some of brothers when they go on their vacati as well as those who are in the ca throughout the country. If any of brothers of our Council are retre minded, Walter Nietschmann or Art Sl will make reservations for you at Ma lake.

As this is the roundup for another y of activity in our Council and chan will be made, this is an advertisement a new scribe to serve our Council for coming year. Three years of writ these notes sort of takes all the c versation out of one and for the G of the Service a new scribe should appointed. For the position apply to newly elected officers.

Bro. Dr. Plucinski made a brief but pungent talk on the advisability of joining our Blood Donors Group which now numbers about sixty-nine. The annual picnic was discussed, and it was decided to go into it further at the next meeting scheduled for June 19. The election proceeded with Bros. Sobiesk and two members serving as an election committee.

Our congratulations to Bro. Tony Tomlonovich and his wife on the recent birth of a very charming daughter.

Bishop Sheil Underprivileged Youth Fund

Dearborn Presses On in Drive for Barbecue Record

1st and 3rd Thurs. . . 820 Garfield Blvd.

The case of the underprivileged youth has been presented to the public. The verdict will be reflected in the returns and turnout next Wednesday at Riverview Park. Undoubtedly our needy await, with anxious expectation, this finale because on this depends to a great extent the bare necessities of their existence. The order came to the front for them the past three years. Will its response be as great this year?

In a project of this kind the order must necessarily depend on each individual member, because without the membership the K. of C. would not exist. Thus ultimately and actually the eyes of the underprivileged are upon each and every one of us. Can we fail them in their hour of need? We know we won't.

We are especially confident that every Dearbornite will heed the call. Certainly these closing moments before the event will find every man of Dearborn exercising all the sales ability at his command. We can and we will come through for these young folks. They won't await next Wednesday in vain.

ELECTIONS

At our last meeting was election night and a grand turn out was present including Past Grand Knight Francis McCurrie, Bob DuMais and Francis Williams who all gave stirring talks on the activities of Knighthood. After a short business meeting our genial District Deputy Judge Hermes opened the election and the following were elected for the ensuing year:

Grand Knight, J. Devereaux; Deputy Grand Knight, J. Downes; Chancellor, D. Kerwin; Recording Secretary, J. Kittrick; Treasurer, O. Brady; Advocate, W. Sullivan, Jr.; Warden, A. Riley.

Inside Guard, J. Wilhelm; Outside Guard, G. Alberts; Trustees, A. Wilhelm, O. Heilman; Delegates, DuMais, Linklater, Read, Dunlap, Quattrocki; Delegate to Convention, DuMais; Alternate to the Grand Knight, McCurrie; Alternate to the Delegate, J. Feilen.

Chancellor Steve Ruff failed to seek office for a second term due to the presence of other activities which prevent him from giving Fort Dearborn full hearted support that is necessary in such an important position. However, Dave Kerwin his partner was elected to office of Chancellor and the writer knows from his past history he will give a fine performance and will be a great asset to the Grand Knight.

MEMBERS AND MEMBERSHIPS

Applications: for membership for the Senator Richard Daley Honor Degree have started to pour in. At the meeting we received 14 new applications most of which were gathered up by P. J. McCarthy and J. O'Sullivan to whom much credit can be given for the splendid effort being made. Kindly heed the call and bring your applications in before the next meeting, which is the night of the Richard Daley Class. A 3rd Degree Class on June 27 at Perez Clubhouse honoring State Deputy John Bolton will be held in conjunction with all other councils, so get all applications in as soon as possible.

Fourth Degree: The Silk Hat Club is sponsoring its annual picnic for the kiddies on June 22, at the Forest Preserves and we will notify you later as to how to get to the grounds.

In Memoriam: It is with deep regret that we record the passing of the Mother of Earl Dunne P.G.K. of Dowling Council. We pray that God will grant her eternal rest.

Soft Ball: Dearborn's Soft Ball Team met Leo in their first game at O'Toole Field at 51st and Union, on June 5, 1941, but were unable to defeat our worthy opponents who seemed to have the Indian sign on our team which made it impossible to beat. Better luck next time John.

The wife of our Lecturer James Ivers is seriously ill in the German Deaconess Hospital. We ask your prayers for her speedy recovery. . . . Irwin Brazil is passing out cigars these days because Mrs. Brazil presented him with a baby boy. . . . Fred Beyers chest expansion has grown considerably since he became a grandfather. . . . We regret to record the passing of John Kelly's mother-in-law. May her soul rest in peace.

Ridge Election Again Brings Ray Hallstein to Helm of Council

1-3 Tuesdays . . . . 8219 S. Halsted St.

At our last meeting of Tuesday, June 3, the following officers were elected: G. K. Ray Hallstein, D.G.K. Frank McGlinn, Chancellor Matt Thometz, Recorder Edward Hyland, Treasurer Mike Feyerer, Advocate Pete Franzen, Warden Mike Mulligan, Inside Guard George Fitterer, Outside Guards Bud Burke and Mike Tometz, Trustee Leo Marcoux, Delegates to Chicago Chapter, George Fitterer and James Landgraf, Delegates to State Convention, P.G.K. George Kohlman and G. K. Ray Hallstein, Alternate to Delegate, Frank McGlinn and Alternate to G. K., Leo Marcoux.

Due to their enthusiasm and hard work in council affairs, two new members were elected to office, G. Fitterer and J. Landgraf. Congratulations, Brothers! The election was conducted by D D Jerry Sheehan, who also gave a stirring talk on the Barbecue. Members not present missed a masterpiece and wonderful plea, as only the worthy D D can give. Do not forget the underprivileged youth.

Plans have been made for a Council scrub team to play softball among themselves—for the big boys to take down that waistline, and for good-fellowship. All those interested, come to the next meeting, and a place to play will be arranged for.

Brother Moylan, who journeyed all the way from Long Island to see his old Buddy, Brother Foote, was a guest of Ridge at our last meeting and enjoyed it very much, especially the D. D. handling the election and his barbecue plea.

An expression of gratitude to Ridge Council No. 1703:

"These few words are the expression of heartfelt gratitude for your sympathy and the service you so kindly rendered.

Mrs. Otto J. and Richard Gehrer."

During July and August there will be only ONE meeting each month, to be held on the 3rd Tuesday.

Auburn Park Outing at Shelter House Is Planned for June 20

2-4 Thurs. . . . . 7740 S. Emerald

Brother John H. Clausen has reserved a date with the Cook County Commissioners through Brother William Donne for an outing of Auburn Park Council's members at the Shelter House located in the Dan Ryan Woods, Cook County Forest Preserve, at 86th and Leavitt Street, just east and north of 87th and Western Avenue, on Friday evening, June 20. The proceeds of this affair is to be used exclusively for the High School Scholarship Fund.

The price of admission is $1.50 per couple, and should the members decide to attend on this occasion not being accompanied by their ladies, the price is $1. There will be a ball game on the baseball diamond just outside the Shelter House, and all are to participate. Later in the evening there will be dancing and refreshments. This location being famous as one of the outstanding cool spots in Chicago on a warm evening, it is hoped there will be a large turnout.

The tickets are being printed and will be mailed to each member, and if you are unable to be present, please make an effort to dispose of the tickets mailed to you. The pinochle game will be in session, also any other games you desire to play, and you will be assured of a most enjoyable evening and supporting a most worthy cause. This location is very difficult to secure, being reserved practically every night and Sunday during the summer, and those of you who have never attended one of these summer outings are really missing something. Let's increase this Scholarship Fund in Auburn Park to make it possible to give additional scholarships in south side parochial high schools.

FIRST, SECOND DEGREES

In order to get all prospective candidates initiated in the various councils in the South Division Group No. 2, of which Auburn Park participates, and have all the candidates possible available for the Third Degrees, which are planned for the latter part of this month, St. Rita Council will put on the First and Second Degrees at their clubhouse on next Thursday evening, June 19. The proposer of an applicant should arrange for his attendance on this occasion, as there will not be any more degrees until the Fall season. All should attend these degrees to make them more impressive.

CONDOLENCE

Had a report during the holiday weekend that the Angel of Death called the father of Brother Thomas Patterson on May 27. He was laid to rest on Thursday, May 29. The council officers received word too late to notify the membership, and only a few of the members were able to pay their last respects. We extend to Brother Patterson and the bereaved members of his family our most sincere sympathy.

TOURNAMENT JUNE 25

To the golf enthusiasts of the Knights of Columbus this is a very popular announcement, as this annual K. of C. State Golf Tournament, which is again being held at the Olympia Fields Country Club, is one of the outstanding tournamets of the season, and while the price for the entire day is $5 per person, it is really a day's outing that will not be forgotten. You can play a round of golf in the morning and another round in the afternoon.

Dinner will be served at seven o'clock in the evening. The prizes are so numerous that practically every one who plays will receive one. There are also many attractive souvenirs, entertainment and refreshments. Let's have Auburn Park Council represented in this outing with a number of foursomes. Get your friends together and call Grand Knight Harry J. Cox, phone Regent 3819, any evening and he will make reservations for you. If you want to make a reservation during the day, call Past Grand Knight Richard J. Knight at Triangle 6210, who will be pleased to serve you.

SOFTBALL ACTIVITIES

The 1941 softball season in the Knights of Columbus League is under way. Since the last report in the Columbian, Auburn's representatives have played four games, playing on Tuesday and Thursday evenings, but from now on the regular schedule of Thursday evening ball games will get underway. The division in which our team participates is composed of four teams, so in all probability there will be three rounds of play until the middle of August, until the playoffs get underway.

The home field of Auburn Park is located at 77th and Yale Avenue, just a short block east of Vincennes Avenue and north of the 77th Street car barns. Come over and cheer these boys on to victory. The complete schedule of play is not ready for distribution as yet, but by referring to the sports column of every issue of the Columbian you can follow the team without any difficulty. Brothers Paul Byrne and Tom Cole, as well as the players, are giving of their time and effort in the interest of Auburn Park and are most deserving of your support.

SOFTBALL

Under the direction of Manager Le Kareiva, the McHale softball tea played against St. Rita Council tea in the opening game on June 5. A though St. Rita won the game by a to 5 score, Leo was well satisfied wit the team since the fellows had n practised together enough to real get going. On Tuesday, June 10, t team played Englewood Council Meyering Park, 72nd and South Pa Ave. It appears that we have son standout ballplayers such as the Ush boys, Richard Weyer, Russell Rya Jim O'Connor, Leo Wemple and a fe others.

There is room for more players b there is also room for some moral su port from all of the Council membe who want to see a good brand of b displayed. True to tradition, Barry again has lected a high type of officer and ery member of Barry can expect the llest efficiency in the administration our Council in the ensuing year.

Grand Knight Cunningham, who was nch-hitting for P. G. K. Jim Curran nce Jim joined the colors, had a irited three months as Acting G. K., id it was with a good deal of en-usiasm that his election to head ir Council took place.

Our own District Deputy Jack Mc-eown, and his worthy assistant, P. K. John Bannon, both of Hughes ouncil, will install the officers of your ouncil at the meeting June 17 in the ouncil chambers. You owe your of-ers your attendance at this installa-tion, and in return you can expect be well repaid after the ceremonies e over with Barry style and good llowship. Our last meeting was unusually well ttended. Of course, it was the night of ur annual election of officers, and that enerally brings out a few brothers who eem to hibernate the rest of the year. Ve hope that these brothers will take ore interest from now on and be present t more meetings. The result of the lection was as follows:

loved ones. If you are not physically able to affiliate with this group, please feel free to come down and witness the maneuvers.

BARRY NEWS: The next time you attend a meeting will you kindly put some note of interest on the back of your attendance card. Your scribe is digging for news and I know there's "beau coup" if the brothers will only loosen up with it. Bro. Dan Hernon is helping, so is our Grand Knight Bro. Joe Dunne, Pro. Phil Cullen, Bro. Frank Lyons. Guess I will have to get Bros. Joe Farmer, Dan Keating, Maurice Flynn, Bill Dunn, Arch McGowan, and the other faithful contributors who were so active last winter in helping to write this column.

ALL STATE GOLF: The 14th annual K. of C. golf meet will be held at Olympia Fields on Wednesday, June 25. That is the week after the Barbecue and will be the highlight of summer K. of C. sports activity. Entry fee is only $5.00; and we say "only" because that price covers all day golf, refreshments on the course, locker, luncheon, and a place at the evening banquet. About $2,000 worth of trophies and special awards are to be given away so that there is a prize for almost every guest no matter how much of a dub he may be at the game. Mike Cunningham is on the committee and will be glad to take your reservation; phone him at home, Man. 5451.

Commodore Barry Council, its officers and members, will join in congratulating Bro. Dr. John J. Gearin on his recent appointment as chief of the medical staff at St. Anne's Hospital. Bro. Gearin has always been a real Barry booster and has been medical examiner for Barry Council for many years. We all wish Bro. Gearin years of continued health, and hope he will be able to carry on this noble work for many years to come.

SOFTBALL "BAD" NEWS

On Thursday, June 5th, Barry lost the opening game of the 1941 season to Hughes Council (league champions). It was a close game and we held the rascals to a 3 to 3 tie up to the last inning when they put on their two run rally to win 5 to 3. The batteries for Barry were Andy Chuippi, pitching, and Adolph Melone, catching. Both teams played tip-top ball; several regulars were missing but if the real Barry talent would show up with us on this Softball league we would make the good brothers of Hughes blush!

Our best wishes and sincere fraternal blessings to Bro. Anthony Imbrognio, who was recently married. Best of luck to the happy couple and we assure the new Missus that the brothers of Barry know that our Tony will make a good husband.

GOOD OLD DAN SAYS: Sooner or later, a man, if he is wise, discovers that business life is a mixture of good days and bad, victory and defeat, give and take.

St. Augustine Expects Busy Week-end to Wind Up Barbecue Campaign

1-3 Mon. . . . . 5209 S. Justine St.

During the past two months we have tried to impress you with the urgent need of financial success of the Barbecue. You have read in these columns the good that could be accomplished for yourself, for this council and above all for the underprivileged youth. The time for accounting is at hand. Next Wednesday, June 18, at Riverview Park, the books will be closed and the results counted. If our council does not equal or exceed last year's record, then as far as we are concerned, the Barbecue will not be a success. At least we can take no honor for whatever other councils have accomplished.

It is important that all books, used or unused, all money for tickets be turned over to our committee before Wednesday. For this purpose there will be someone at our clubhouse on Friday and Saturday nites and on Sunday afternoon. For those who attend meeting Monday nite, a special desk will be set up for making returns. No returns can be made after Monday nite except at Riverview Park. All returns must be made to Chairman Joe Handzik at 5310 Honore street, or to Treasurer Michael Novak at 1338 West 52nd street.

On next Monday, June 16, the annual election of officers will take place. If you're not at this meeting to voice your opinion or to vote for your favorite candidate, then don't go around moaning for the next year about who should have been elected. As an added attraction Lecturer Henry Rieger has arranged for about a dozen attendance gifts and refreshments.

GOLF TOURNAMENT: All members wishing to attend the Illinois K. of C. Golf Tournament at Olympia Fields on Wednesday, June 25, please make their intentions known at next meeting so that ample transportation can be furnished for those who do not drive. Remember this council will absorb $2.00 of the regular $5.00 fee for all of our members who attend.

Englewood Picks R. A. Phillips to Lead Membership

2-4 Monday . . . . 150 W. 69th Pl.

Well, folks, here they are. The list you have long been waiting for. They are your officers for the ensuing year:

Grand Knight, Richard A. Phillips, Sr.; Deputy Grand Knight, Harry L. Deleplane; Chancellor, James A. Shevlin; Warden, Joseph Kazek; Treasurer, Adolph Minster; Recorder, George F. Johnson; Advocate, Jas. B. Poynton; Inside Guard, Matt Steffens; Outside Guards, John Lyons and John Cullinan.

Trustees, (3 years) Leo C. Jann, (1 year) Joseph C. Smith, (to fill vacancy of Fred Smith, who has resigned because of the pressure of his studies at law school); Delegates to Chicago Chapter, PGK Raymond J. Budinger and PGK John P. Loughnane; Delegate to State Convention, PGK John P. Loughnane; Alternate to Grand Knight, PGK Raymond J. Budinger; Alternate to Delegate, PGK John A. Mulholland.

These officers will be installed at the first meeting of July, Monday, July 14.

The election was again capably supervised by PGK George Griffin of LaRabida Council, in the presence of our District Deputy Wilfred Byrne, and they should be complimented upon the conduct and decorum with which they fulfilled their duties. This also applies to John M. Long who acted as Judge of Election, and Adv. J. B. Poynton and PGK Wm. Mugg of McHale Council who were the Tellers of Election.

The appointed offices will be announced as soon as they are made by the newly elected Grand Knight.

E-PITAPHS

John P. Long, a retired policeman and recently in the real estate business, and father of Sir Knight John M. Long, Assistant State's Attorney, was fatally injured in a fall in his home Sunday, June 1. He was a brother of the late Ald. James A. Long of the old 31st ward. He is survived by his widow, and three sons. The wake was attended on Wednesday evening by a large number of council members. To the bereaved family we extend our heartfelt sympathties.

E-XTRA

At the last meeting a resolution was adopted whereby the initiation fee of the Council has been reduced to $5.00. This should be a great incentive towards increasing the membership of the Council.

E-BLOOD DONORS

On Monday evening, June 2, I was called to St. Bernard's Hospital to give a transfusion to Mrs. Hamilton, and on the following morning she was the recipient of another transfusion from Bro. Jos. Lenz. This is my third transfusion since Englewood's Blood Donor group was organized. We have, to date, only fifteen members enrolled and typed at St. Bernard's Hospital. This project is worthy of better support, so an appeal is being made for more members to call and be typed.

E-NGLE WOOD-CHIPS

Well, here it is the day after election . . . and whatever happened to that championship golf foursome that we were going to enter in the State Tournament at Olympia Fields on June 25? . . . . Congratulations to Anna Belle Loughnane, daughter of G. K. John P. Loughnane for the high honors she received at the commencement exercises at St. Casimir's Academy. . . . Among them being a scholarship to Mundelein College. . . . She gave a farewell piano recital at the Academy on Sunday, June 8. . . . Also congrats to Mary Quealy upon her graduation from Loretto Academy. . . . If we had a Council track team, we would have a potential 100 yard and 220 yard prospect, in the person of Len Hannapel, son of Athletic Director Joe Hannapel. . . . He is one of the mainstays of Mount Carmel's track squad. . . . Also was a member of the winning relay team in the recent track meet held at Loyola. . . . Among the large attendance at the last meeting, we were pleasd to note eight Past Grand Knights. . . . John A. Mulholland, Patrick J. O'Connor, James A. Clarke, John S. Ryan, William J. Cleary, Walter A. Schaefer, Raymond J. Budinger, and John J. Hasty. . . . We hope they come around oftener for it is always inspiring to see Past Grand Knights in attendance at Council meetings. . . . The best acceptance speech made at the election was given by Lecturer Joe Smith, upon his election to the office of Trustee. . . . It was "I'm speechless." . . . Congratulations to Tom Maguire upon his re-election to the Presidency of St. Columbanus Holy Name Society.

Tonti Expects Complete Cooperation in Final Details of Barbecue

1-3. . . . . 4221 W. Irving Park Rd.

The returns on the barbecue books have taken a sudden downward trend and at present it does not look as encouraging as last year. Therefore, brothers, we are counting on you to do your utmost to get your returns in before June 18.

If you cannot dispose of an entire book, call chairman Ray Ruzkowski at Irving 4215 and he will bring out some books that are already started. If you cannot make your returns to the Fin. Secy. before the date of the barbecue, bring your books to the park and they will be accepted and credited there.

NEWS

The daughter of Bro. Joseph Smoczynski is being married Saturday, June 21, in St. Genevieve's church. Bro. Erwin Szpekowski will be best man.

Bro. Frank Mikulski left on June 5 to do his bit in Uncle Sam's army. We do not know where he will be stationed, but hope to hear from him when he gets settled.

The K. of C. All-State golf tournament will take place on Wednesday, June 25, at Olympia Fields. If you care to go, make your reservations through Andy Eichhorn before June 15. Andy can be reached by phoning Irving 6490.

At our last regular meeting, the annual election of officers for the ensuing fiscal year took place. G. K. Eugene Raith did not wish to be a candidate for G. K. again, so the unanimous choice of the brothers was Louis T. Buettner to fill the office of Grand Knight.

G. K. Eugene Raith has been very sincere and conscientious in discharging his duties as G. K. When Gene assumed the leadership of Tonti two years ago, the general outlook in the Council was very pessimistic, but under his able leadership an optimistic view was soon evident.

The other officers elected were: Deputy Grand Knight, Andrew Eichhorn; Chancellor, Alois Zelazny; Recording Secy., Len Kriessl; Treasurer, Edward Ciessau; Advocate, William Stevenson; Warden, George Schordje; Inside Guard, Andrew Manczak, Sr.; Outside Guards, Frank Miller and Leo Sliwinski; Trustee (3 yr. term) P.G.K. J. Robert Anderson; Delegate to the state convention, G. K. Eugene F. Raith. Alternates P.G.K. John Olsta and P.G.K. Charles Ruzkowski.

Rev. L. Jasinski was also present at the last meeting and we again had the pleasure of listening to another one of his timely and inspiring talks. Noticed along the sidelines were P.G.K. George McDonough, who has been absent for a long time because he now lives out of town, and Bros. Lou Alten, Henry Gordon, that Gas Station man, Joe Zimka and Joseph Wilkie.

FR. O'CONNOR NAMES CUNNINGHAM 'PREXY'

1-3 Thur. . . . . 4660 No. Kedzie Ave.

Bill Cunningham was again the unanimous choice of Fr. O'Connor Council for the Grand Knight's post. Bill in starting his second successive year in the driver's seat will be aided by the same group of officers with two exceptions. They are Treasurer, Eddie Zaleski, and Warden, Bill Fialkowski. Both of these gentlemen did not choose to run. Eddie Zaleski because other interests would not permit him to devote full time to his office and Bill Fialkowski because his work will keep him away from a majority of the meetings. Eddie and Bill have spent many years in the service of Fr. O'Connor Council and neither left anything to be desired. We regret their inability to continue and extend a sincere word of gratitude to both of them.

Walter Fulle, who was unable to attend the meeting because of having to attend his daughter's graduation, was rewarded for services rendered by being returned to the office of Deputy Grand Knight. Other officers elected were John Golden, Chancellor; Walter Kelly, Recording Secretary; Harry Browne, Treasurer; Bill McCarthy, Warden; George Fitzmaurice, Advocate; Joe Nolan, Trustee; "Old Faithful" John Anderson, Inside Guard; Jack McGuire and Eddie Wilson, Outside Guards; Bill King, Delegate to the State Convention; Alternates to the Delegates to the State Convenion, Joe Nolan and Mary Hough.

In the absence of our own District Deputy, the election was conducted by District Deputy Mike Geraty. As usual, Mike turned in a fine performance. Many thanks, Mike!

A BOX SEAT

If someone told you that you could give some deserving kid a break in life, at no cost to yourself, and receive a box seat to see your favorite major league team play in return for your efforts, you'd think the guy was wackey. Well, it's true. All you have to do is dispose of your barbecue book and you've turned the trick. Your selling one book will get you the price of a first row seat at any major league park.

In addition you'll be giving life's breath to some little tyke whose stomach might be touching his backbone were it not for the food and shelter afforded him by Bishop Sheil's Underprivileged Youth Fund. You have just five days in which to dispose of your book. Returns may be made at Riverview Grove next Wednesday, June 18, when the fourth Annual K. of C. Barbecue will be staged.

SPORTS CORNER

Fr. O'Connor's first Golf Tournament of the year will be held at the Arlington Country Club, Sunday, June 22. The Green Fee will be $1.50. More dope on the tournament netx week.

For the first time in many a year, Fr. O'Connor's softball team opened the season with a loss. They dropped their initial tussle of the year to DeSoto Council by a score of 4 to 2. Bill Sullivan, starting his twenty-first season with Fr. O'Connor Council, hurled all the way. He would have hung up a victory had it not been for some wobbly fielding and a baserunner who was suffering from insomnia. As we go to press the lads are preparing to meet their arch-rivals from St. Cyr Council.

The team plays all its home games at California Park, California and Irving Park Road. Watch the sporting section of the Columbian for the schedule of games.

KNIGHT LIFE

The wedding of George Loohs and the former Miss Lorraine Baum last Saturday at St. Pascal's Church was well attended by Fr. O'Connorites. Some of those spotted by your Scribe were George Fleischauer, Maurey O'Brien, Dick Navin, Joe O'Brien and the best man, Pete Jung.

Loads of good luck to a couple of good friends of ours who middle aisle it tomorrow at the Holy Name Cathedral, Miss Rosemary Carroll and Mr. Frank Abbate. Frank is the young man who won our golf tournament last year shooting a brilliant 75. He promises to take time out from married life and will be at Arlington next Sunday to defend his title.

Word reaches us that the Swedish Club was packed to capacity last Suday evening with well wishers who were paying tribute to Tom Mahoney at a party given in his honor on the occasion of his retirement from the police force. . . . Back in Chicago for a brief stay is Lloyd Bennett. Lloyd was at the last council meeting. He invites you to drop in and see him whenever you're down Kansas City way.

Rumor has it that the softball team will have a new member added to its ranks. Eddie O'Connor informs us that he has obtained the application of Bob Calihan, former Detroit University basketball star and a member of the World Champion Detroit Eagles.

Hildebrand Votes Its Present Pilot Back to Job for Seventh Time

1-3 Thurs. . . . . 5711 W. Chicago Ave.

All hands on deck . . . it's a broadside this year for the good ship Hildebrand with the one and only Harry J. Leddy again at the helm . . . against his wishes, the sentiment of the members overrode his judgment and he was reelected grand knight for the seventh term . . . a tribute to his fine leadership and a compliment to the membership for their splendid selection. . . . And now we launch on another year of activity, and in keeping with our pledge to the Worthy GK, we will unite behind him to give more of our time and effort in making his tasks easier and more pleasurable . . . so we promise to do that in many ways. . . . Back to their respective offices go Bernard Grothouse, as deputy grand knight; Joseph DeFilippo, chancellor; Clarence Reuter, recorder; Walter Kampa, warden; George Brewer, advocate . . . a fine corps of officers, and with their united efforts augmented by our own we can with confidence look forward to another year of progress. . . . Next meeting is Thursday, June 19. . . . Installation of officers in July . . . perhaps the 18th . . . a big night —watch for it. . . . To hand comes word that Earl and Mrs. Nerius enjoyed a fine vacation in the Smoky Mountains of Tennessee. . . . How about the barbecue book? . . . Should be disposed of ere this and returns made to the secretary. . . . If not, this is a reminder that the big event is Wednesday, June 18, and your returns are anxiously awaited. . . . Glad to see PGK Jim Gillen at the meeting with his old pal, George Lennon. . . . Joe Ronan is looking better every year. . . . George Brewer, our venerable and learned advocate, renders some decisions on parliamentary procedure that keep the lads guessing. . . . John Hamilton, one of the real oldtimers as far as membership goes, looks the same today as when we met him for the first time. . . . And, believe it or not, Ed McGeean of the charter member class has been in retirement from the police department for four years and not a grey hair in his head! . . . How they do it—well we shall find the secret. . . . See you at the BBQ, Riverview, Wednesday, June 18.

De La Salle Elects Emmett Markey G.K., Joe O'Brien Deputy

1-3 Tues. . . . . 1105 E. 47th St.

Your new scribe has now taken over the literary (?) duties of this council and hopes to do even a little bit as well as his illustrious predecessors. But, enough of my woes and let us proceed to the doings of the council.

The election of officers took place last meeting with the following results:

Grand Knight, Emmett Markey; D.G.K., Joe O'Brien; Chancellor, Fred Henning; Recorder, Howard Brennan; Treasurer, Bill Meehan; Advocate, Dan Laughlin; Warden, Jim Young; Inside Guard, Bill Bardon; Outside Guards, Rolland Prior and Art Guthman; Trustees, John Engle, 3 yrs. and Eddie O'Keefe, 1 yr.; Delegate, James Crowe; Alternates, Alex MacDonald and Howard Brennan.

With the new regime under way under the guiding hand of Emmett Markey, De La Salle should have a banner year. The choice was so well liked that Emmett was elected by popular acclaim. Why not exhibit our enthusiasm for the council welfare and show our collective faces at the next meeting. We know that Emmett is the right man for the office, but human endurance has a very definite limit, without cooperation his good work will be nullified.

SIDELIGHTS

Two old timers who pay their dues, but have bigger and better things to do on Tuesday nights, put their best foot forward and graced Brother Bill Bardon's festive board last meeting. They are none other than Eddie "Silent Sam" O'Keefe and Frank "Judge" Duffy, the mainstays of St. Columbanus bowling league. However we hope to see them a few more times before the ball and ten pins again attract their attention.

By the way, how are all you boys out there doing with the Barbecue Books? Bro. Clarence Fingleton, currently one of Uncle Sam's beloved nephews, having his mail sent to Camp Forrest, was the fortunate member to be rewarded for his barbecue efforts at our last meeting. In the interests of yourselves and the Barbecue, get those returns in and take out another book or two.

HAVE YOU HEARD about the U. S. O. program that will be inaugurated in the very near future? The initials stand for the United Service Organizations, which will see to it that our soldier and sailor boys have some diversions after their day is over. The Knights of Columbus have a very important role in this program, so don't ignore it, when it is called to your attention.

Very tentative plans have been made for the golf tournament, with something more definite to be decided upon in the not too distant future. What we need is opinions on locations, so all you golfers come and speak your piece.

CARROLL WILL MEET TO ELECT OFFICERS TUES.

Next Meet June 17 . . 6 No. Hamlin Ave.

Charles Carroll Council will select its officers for the ensuing year at the next regular meeting, Tuesday evening, June 17. The advice and wise counsel of each and every member is essential, therefore, preparations are being made for a large turnout. As a climax to the "beefing," that famous Hank Evert beef will be served to ALL WHO ATTEND. The business session will begin promptly at 8:30 p. m., and after the annual election of officers, the "boys" will partake of the social free-for-all and "beefing."

MEMBERSHIP

Let's finish up front, fellows! Roll up your sleeves, and take an inventory of all your relatives, friends, and social acquaintances. Welcome them in the Order of the Knights of Columbus and get the signed applications to the Membership Chairman without delay. It is time to work fast. The year is winding up and we must "take to the wheel" so that our council may be one of the leaders when the old year shakes hands with the new. DON'T WASTE TIME. Ask that friend to join today. Council activity is becoming greater day by day, and even greater days are ahead for the Order.

GOLF TOURNAMENT

The 14th Annual All-State Golf Tournament will be held at Olympia Fields Country Club on Wednesday, June 25, announces Executive Committeeman James J. Walsh. Entry blanks are in the hands of Recorder George F. Rauh. As in all other years the entry fee of $5 covers the greens fee, locker, luncheon, refreshments, dinner, and entertainment. Non-golfers are cordially invited to come out for the dinner at $2.50 the plate.

The tournament will be featured by a Championship Flight in which the best golfers from each council compete. The golfer turning in the low gross score wins two trophies, one of which is retained by his council. In addition, the council whose foursome shoots low gross in the Championship Flight wins the Team Championship Trophy. ALL ENTRIES FOR THE CHAMPIONSHIP FLIGHT MUST BE RECEIVED BY JUNE 21; ALL OTHER ENTRIES MUST BE IN BY JUNE 23.

CARROLL'S SOFTBALL TEAM has started play in the K. of C. league, with the opening game of the 1941 schedule on June 5, playing Lafayette Council at our home field, 5000 West Harrison street. Although the team went down in defeat, the fellows are all "good sportsmen" and present "excellent material." The circuit this year in the Far West division, of which Carroll is a defender, features three of the strongest teams in the Chicago area playing a rotating schedule at the various home diamonds. Entered in the division besides Carroll, are Barry, Hughes, and Lafayette Councils.

The Carroll team was out to defend its laurels, Tuesday evening, June 10, with Hughes team at 44th and Fillmore. The starting time is 7:00 o'clock every Tuesday and Thursday evenings. Barry Council will be the next team to face Carroll. Battling Carrollites include Ed Ryan, Charles Rauh, Ed Aubin, Tom Carroll, Bill McNamara, Leavitt White, Vinc Ryan, Tim Ryan, Jim McNamara, Ed Baker, Joe Mate and Jim Crosby. Manager C. V. Ryan advises more of the members to come out for the team and especially a large "rootin' section."

CARROLLITES

Gene Conley is still confined to the Loretto Hospital at Harrison and Central, where his condition is determined as "quite serious." Members are advised by the family that no visitors are allowed until further notice. The members of Charles Carroll Council are asked to pray for the speedy recovery of Gene Conley . . . Tom Crosby, son of Harold A. Crosby and nephew of our G.K., graduated from Quigley Preparatory Seminary recently with high honors. Congratulations Tom. Margaret Mary, pretty daughter of Thomas Whalen, graduated with honorable mention from Immaculata High School, and was one of the few winners of the scholarship awards to Mundelein College.

Among the members of Carroll Council seen at Bishop Ketteler's cabaret party last Saturday evening were G.K. James J. Crosby, Recorder George F. Rauh, Kenneth L. Torgeson, Joseph A. Mara, Thomas J. Carroll, Edmund Aubin and his fiancee lovely Miss Ann Kenny, Vincent Ryan, and Timothy Ryan. . . . A large delegation of Carrollites attended the wake of our dear friend William J. Riley, led in prayer by Chaplain Rev. John S. Kennedy, last Friday evening. . . . District Deputy Edward J. O'Connor is still at the Alexian Brothers hospital and would appreciate any visitors from Carroll. . . . John B. Clark is confined to his home in Oak Park.

University Asks All Members to Attend Barbecue Wednesday

2-4 Tues. . . . . St. Ignatius Auditorium

All members who can possibly do so should attend the Barbecue next Wednesday at Riverview. Bring your wife or sweetheart. Bring the older children. And don't forget to get your returns in to Francis Walsh, Treasurer, 6253 Wayne Ave., before that date.

CONGRATULATIONS

A large crowd from the council attended St. Ignatius Church Saturday morning, June 7, to witness the marriage of John Garrity's daughter, Winifred, to James Moran. The wedding was performed by our fellow member and cousin of the bride, Father J. A. Garrity, of St. Athanasius Church, Waukegan, who was assisted by another cousin, Father Anthony Hart. John tells us that the bridegroom's application for membership in University Council will be ready as soon as he returns from his honeymoon.

ELECTION OF OFFICERS

Next week we shall be able to give a full account of the election held on Tuesday, June 10. It is to be hoped that the new administration may be able to find a really competent scribe, as the present one seems to be unable to ferret out those interesting news items that grace the adjoining columns in the Columbian.

Emil Polivka, who will see that good use is made of it by distributing it among those less fortunate, the inmates of our homes and penal institutions. A world of good is being done in the field of Catholic Action in this way.

It will not be very long now before we will be arranging for our annual golf tournament and also our council picnic. These are the two big features of every summer and this year we hear they will be put on in the usual manner.

U. S. O. DRIVE

Did you read the announcement on the first page of last week's issue of The Columbian regarding the campaign of the National Catholic Community Service? In case you did not, then here briefly is the plan. In the vicinity of every military post throughout the country it is planned to erect buildings to be used by our boys in the service. The buildings are to be erected by the government with full recreational facilities. The Army will own the buildings but the various organizations such as the K. of C., Y.M.C.A. and others will operate them. The operation of the centers for our Catholic boys will require a large outlay of money. The national goal has been set at $10,765,000. The Chicago quota is $679,500. It is our duty individually as knights to see to it that this program is put over. Some day very soon you will be approached to help with a little of the financial wherewithal to help promote this thing. Let's not be too hesitant about giving. Remember what it is being used for and give a hand to this really worthwhile project.

Feehan Asks Council to Turn Out in Full Force for K. of C. Barbecue

2-4 Tues. . . . . Hamlin and Madison

When this is printed Feehan's last meeting before the Barbecue will have been held, and all returns for tickets should be in the hands of the treasurer. If you still have some returns to make at this late hour, call G. K. Jim Collins at Merrimac 5158, and he will arrange to call for them. And please remember that next Wednesday, June 18, is the date of the affair at Riverview Park.

Full details of the program have been appearing in The Columbian for the past several issues. Just in case you haven't given the matter the proper attention, permit us to remind you that a barbecue dinner will be served by the K. of C. in the picnic grove of the park at 50 cents a copy, with a children's plate at 25 cents. Tickets for the various rides can be purchased here from our committee, at half-price. Why not join the throng and give the family a treat by coming out to Riverview on May 18?

GOLF

Feehan's first Golf Day of 1941 will likewise be past history by the time this is read. We feel certain that we can say in advance, however, that it will have been that successs these parties have always been in the past.

Only one week from Wednesday, June 25th, the annual Illinois State K. of C. Golf Tournament will be held at Olympia Fields. This tournament has the reputation of being the largest Fraternal golf event in the country, and annually attracts a goodly attendance from Feehan Council. The fee is $5 for the entire day, which includes a delicious luncheon, a fine steak dinner, all the golf you can play, refreshments on the course and a chance at many beautiful prizes.

DISA AND DATA

When G. K. Jimmy Collins excused the absence of Barbecue Chairman Ed Morrissey on the pretext that he was attending the nut and bolt show at Navy Pier, Warden Bro. Em Gorman got all excited. Emmy is the Railway Express representative in that territory, and he figured he'd been scooped. After pitching and tossing all night, he dashed down to ye old pier bright and early the following morning, eager to make up for lost time and lost orders. His sweet anticipation turned to gall, however, upon being greeted by a very large and completely empty barn. It seems Bro. Collins was laboring under a misunderstanding. Bro. Morrissey was not attending the nut and bolt show, but a meeting of the executives, etc., of his own company. A sort of Tea at the Drake —followed by Foam at Sieben's.

P.G.K. Harold Crotty has recently acquired the title of "grandpop." His daughter, Mrs. Jane Ryan, being blessed with a little girl at St. Anne's Hospital just last week. Mother and daughter doing fine and grandfather doing the bragging.

D.G.K. Len McSteen has become a country squire. He is ordering a velvet jacket and a briar pipe to match the new home he is building in the pastures of Addison and Oak Park Aves. Housewarming notice later.

CONGRATULATIONS to Bros. Gene T. Le Presto, Edward McKiernan and John W. Keating, who celebrate birthdays this week.

A few people go around the world, but the majority of us are satisfied to pass through it.

ST. CYR DEGREE CLASS IS NEXT MONDAY NIGHT

1-3 Monday. . . . . 1609 N. Halsted St.

This coming Monday night, at our regular meeting, St. Cyr will conduct a first and second degree. An expected thirty-eight to forty men are to be initiated into the Knights of Columbus, and this number in conjunction with the previous men initiated will well-nigh bring St. Cyr Council into the fold of the much envied Century Club. Promptly at the hour of 8 p. m. Grand Knight Joseph Maggiore will call the meeting to order, and as soon thereafter as possible the Century Club Class will get under way.

Sponsors, attention! Be sure to have your candidates at hand Monday night. As it stands at present we have enough men to fulfill the requirements of the Century Club. However, if a few of the men do not show up, it might mean the difference between success and failure. Grand Knight Joseph Maggiore asked your scribe to make a personal appeal to all sponsors to do all in your power to have your man there.

BARBECUE

On Wednesday night the Bishp Sheil Barbecue for Underprivileged Youth will be held at Riverview Park. All district captains are urged to see their men so that early returns can be made. A Barbecue meeting will be held tonight (Friday, June 13) at Eli Bates house, at which time you should appear, if possible.

At the last Cyrfour meeting, the Fourth Degree Club of St. Cyr Council held its annual election of officers. James Giambrone was again elected to the office of president, with Joe Zeno as vice-president, Joe Arcuri, secretary, Charley Micucci, treasurer, and Emory Fonte, Frank Collura, and Sal Greco elected to the status of trustees, with Tom Oppicella as sergeant-at-arms.

Many important events are in sight for the Cyrfours this coming year. The first of the major events will be held on Sunday, August 24, when a picnic for members and their families will be held at St. Paul's Grove, Lincoln and Dempster.

Mr. and Mrs. Frank Barbaro, one of the more active men in St. Cyr Council, has recently done something which I am sure all of you will agree is a true gesture of sympathy and generosity. These two fine people some two weeks ago adopted a baby girl from St. Vincent's orphanage. Good Catholic people, we are all sure that a splendid home will be furnished for the fortunate infant. Congratulations, Frank and Mrs. We like people like you.

SOFTBALL WIN

In our first softball venture of the year, St. Cyr defeated its first rival by a slam bang score of something like twelve to two. Manager Vic Priola is all enthused over his stalwarts, who promise to bring the championship to St. Cyr Council. This past week, St. Cyr played O'Connor Council, but because of the deadline we are unable to give you the results of the game. However, watch the Columbian for details concerning our softball stars. The season has just started.

John Manisco, one of the Manisco boys, was recently called to the colors. John joins a number of others from St. Cyr who have been called in the last few months. Arrangements have been made with our very able editor, Harold DuChateau, to forward the Columbian to our boys at camp.

Thanks, Harold, I know the boys will appreciate it.

Among the prospective June newlyweds, we find that John Leptich will take unto himself Miss Florence Cardella on June 21 at St. Philip Benizi Church. Peter Gutilla is to marry Miss Mary Wilkin on the same date at St. Alphonsus Church, and Jennie Sanassardo, daughter of Warden Sam Sanassardo, will be married to Robert Gasser on the same date at St. Genevieve's Church. Congratulations!

Here is the summer schedule of meetings: One meeting in July, two in August, and one in the month of September, the July and September meetings being held on the third Monday of the month.

Oak Park Picks Jos. P. Cagney as Leader; Earl Kelley, D.G.K.

1-4 Mon. . . . 641 S. Scoville, Oak Park

Oak Park Council held its annual election of officers at its last meeting and elected the following to guide its progress for the coming year: Grand knight, Joseph P. Cagney; deputy grand knight, Earl Kelley; chancellor, Joseph T. McDonald; recorder, John Burns; treasurer, William F. Bosley; advocate, Harold DuChateau; inside guard, Charles Lex; outside guards, Andrew J. Pusateri and LeRoy O'Donnell.

Delegates to the Chicago Chapter are Joseph T. O'Neill, Edward Devine and Andrew J. Pusateri. Delegate to the state convention is John F. Gearen, Jr.; alternate is Joseph T. O'Neill, and the alternate to the grand knight is William T. Schaefer. The members of the building association are John F. Gearen, Jr., John Cox, John Koehler and Joseph Kamin. Trustee is Milton B. Frigon.

The election was conducted by District Deputy Joseph T. O'Neill in his usual efficient manner. All of the members present were impressed with the splendid manner in which everything went along, especially when Joe was pretty near cornered in a motion trap.

COUNCIL ITEMS

The golf tournament was a success with some of the brothers reaching for success in many ways. Bro. Tom (Thomas J.) Graham reached his peak with an eagle 2 on the 270 yard hole, the 15th. For this feat he received three golf balls. How about making the "hole in one" club, Tom? Bill McDonald received the honesty prize (little brown jug). Tom Stiel won a golf ball for an extra good shot on the 17th. He stilll wants to know how a golf ball can be lost so easily.

The C and C team played the Mc and Mc team, fight to a finish, but at last reports the auditors are busily engaged in checking up the score. The match involved so many complications that the bookkeeping system bogged down and the results may have to be determined by the memory system. Prizes were given by Pete Smith, Joe Kamin, Tom Steil and Arcturus Grill. All had a fine time and the party was a real success. Many thanks to the efficient golf committee headed by Joe Cagney for a job well done.

Attention of all members is directed to the third degree exemplification to be held at St. Philip's Hall on Friday, June 27. At this time the many candidates we have will take the major degree and it is expected that a large number of the members will be present to watch them.

The Oak Park Fours are sponsoring a boat trip on the night of July 16 and it is hoped that the members will show up in large numbers for this wonderful recreation. On a hot summer evening there is nothing so helpful as a fine lake breeze. Try it and see!

St. Pat's Rewards Its Officers With Speedy Reelection

1-3 Tues. . . . . 6 N. Hamlin

With our young, handsome District Deputy, John F. McNamara, officiating in his first capacity of that nature, all incumbents, from Grand Knight Thomas Cregan down to the Guards, were re-elected to serve for another year. Thus were these capable men rewarded for their splendid and meritorious work during the fast receding year.

Serving their posts in this manner was the prime reason why St. Patrick's Council has assumed its place among the leading councils of the jurisdiction. They gave their all, and now in return you have given them your vote of confidence. The fact that all of them were re-elected by acclamation proves beyond doubt that their sincere efforts were appreciated by us to the fullest extent.

So, brother knights, we join you in extending to the newly-elects our sincere congratulations and good wishes to keep up the good work for the year 1941-1942. Let's all get behind the officers and add greater prestige to that which we now have. Let's make this council the "talk of the town." You've got the material—now go ahead and use it.

BARBECUE NOTES

Brother knights, the time has come when we will have delivered our last dissertation on barbecue. The drive which opened some three months ago is now in its last few days, because on June 18 at Riverview Park there will be held at the picnic grove the benefit which thousands have awaited these many weeks.

Your officers are asking you to make every effort to sell as many tickets as possible in the stretch so that we may surpass last year's quota. With the exception of ten or fifteen members who have done more than their share, the rest of us have fallen down on the job. It is not yet too late, men. Busy yourselves in the next few days and dispose of the tickets on hand.

Make all returns to Chairman James Hartford at the meeting of Tuesday, June 17. If you cannot attend, simply call him at Berkshire 3572, and Jimmy will be glad to call on you at your home and pick up the money and the books. If you comply with Bro. Hartford's wish, then he can relax when all his Barbecue transactions are completed, so please do your part to speed up the final returns.

SOFTBALL

Friends, it behooves me to report that the mighty heralded softball team went down to defeat in the initial game of the season, 7-2, at the hands of Bishop Ketteler Council. In view of the way the boys had been performing in practice games, this was a stunning upset. Manager John Failla's chief dilemma was the absence of several of his star ball players on whom he had counted.

So much for this obituary, friends. Now let's concentrate on our next few games. Remember, they are played on Tuesdays and Thursdays at 7 p. m. For location, call this department at Nev. 2935. Fans, get out there and support your team. It needs you very much. There will be plenty of action and thrills and fun.

May we add that Bachelor Geo. Damato will join the ranks of the benedicts on Sunday, June 15, when he weds the lovely Henrietta Fiorita, sister of Mike, at St. Callistus Church at 2:30 p. m. A gay reception will follow in the evening at 6 o'clock at Odd-Fellows Hall, 3350 Jackson Blvd. You are all cordially invited to attend.

CARNIVAL

Our good friend, Father Kelly, from Our Lady of Mercy Working Boys' Home, wishes to announce the dates of the annual carnival, held each year at 1140 W. Jackson Blvd. This year there will be only three nights—Friday, Saturday and Sunday, June 20, 21 and 22. As in the past, dinner will be served on all three nights for only 50 cents.

Your cooperation to this worthy enterprise will be gratefully acknowledged in this column later. There will be more news next week. Keep those dates in mind, brother knights, and tell your friends about this carnival.

ABOUT THE MEMBERS

Brother James De Tolve rushed to St. Luke's Hospital on June 4 to give a transfusion to Frank Garcia, kin of Sam Freda. Nice work, Jimmy. The patient is doing right well at this time. We are sorry to learn of the serious condition of Mrs. Garvey, mother of that handsome chap, Frank. May she enjoy a very speedy recovery, Almighty God.

We were happy to see Bro. Dan Herlihy at our last meeting. He should be back to normal in a few weeks. Geo. Latelle's infected arm has responded to treatment, and now watch "Tubs" do his stuff. Lay off, pal, or you'll wind up with the other arm in a sling.

Blue Island Elects Edward Hansen, G.K., Emil Dohrman, D.G.K.

1-3 Tues. . . . . Gregory & New

Newly elected officers for Blue Island council are:

G. K., Edward Hansen; D. G. K., Emil Dohrman; Chancellor, Al. Klein; Warden, Robert St. Aubin; Treas., Joe Lentz; Rec. Sec., John Reuss; Advocate, Richard Seyfarth; Inside Guard, Al. Larotonda; Outside Guard, Jim Hickey; Trustees, M. J. Dalton and Charles Monehen.

There they are boys your newly elected officers for the coming year and I am sure you will agree that with these men to guide our council we can look forward to a very successful term.

At this time we have not heard any of our new Grand Knight's plans, but you can rest assured that Ed will have some new ideas and plenty of hard working committees to get the ball rolling.

BARBECUE

Brothers, this is a last minute plea that you get your barbecue books in. We know that everyone has done his best to put Blue Island Council up near the top in our section by selling at least one book. Now if you will cooperate just a little bit and turn your books in to save the committee a lot of running around at the last minute it would be highly appreciated.

You may leave your books at Joe Lentz's, at the home of your Financial Secretary, or with any officer of the council.

COUNCIL ITEMS

Blue Island Council will play ball this year in the Blue Island Softball League. All games will be played at the lighted stadium at 123rd and Western Ave. on Monday evenings. Bro. Bill Creighton, our genial manager, is moulding quite an aggregation to represent our council. All they need now is a little rooting from the boys on the sidelines, and I am sure they will give a good account of themselves. Mgr. Creighton announces that any brother who wants to try out for the team may report to him for practice on Tues. or Thurs. evening at 123rd and Lincoln St., on the east side of Blue Island.

Our Quarterly Communion, the last Sunday in June, will be held at St. Isadore's church.

Bro. Tom Hannon is confined to St. Luke's Hospital. If you get into the city, drop in and pay Tom a visit.

Good to hear from Bro. Steve Gura who is now serving a year's service with Uncle Sam. The boys at home send their regards to you Steve and wish you were here to cover the hot corner in our ball club.

Don't forget the State Golf Tourney at Olympia Fields on June 25. For a day of real sport it can't be beaten.

Wonder what's happened to Brothers "Red" Groskopf, Stan Rosaves, Tom Parsons, Gene Kempf, Bud and Joe Phillips and Geo. Karg. Let's see you boys at our next meeting.

Bro. Tom Donovan has gone and done it, yep you guessed it! Ann Smith is the lucky girl wearing the diamond. Tom says the wedding will take place next month, congratulations, Tom.

Marquette Elects John Hesse Grand Knight; Jas. Buckley, D.G.K.

1-3 Thur. . . . . 1928 Devon

At our last meeting our annual election of officers took place with the following results: Grand Knight, John E. Hesse; Deputy Grand Knight, James J. Buckley; Chancellor, Patrick T. Driscoll; Advocate, Dr. Edward S. Meyer; Recorder, Clarence J. O'Hara; Treasurer, John V. O'Hara; Warden, Walter T. Pettis.

Inside Guard, Phillip T. Wetter; Outside Guard, Harry Hofherr; Trustee, Atty. Roy J. Egan. Delegate to State Convention, Jerome J. Graham; Alternate to Delegate, George J. Loderbauer; Alternate to Grand Knight, Arthur D. Donoghue; Delegates to Chicago Chapter, Joseph H. Meyer and Frank E. Wilhelm.

These are your officers, brothers, and it is up to each and every member of our council to support them for the good of our council.

BARBECUE

Barbecue returns should be made at once to any of our officers in order that they be turned in at Riverview Park next Wednesday. However, there is no objection if you are coming to Riverview yourself—you may then remit to our committee at the grounds.

Brothers, please complete your books. Our council has been among the leaders in selling these tickets in the past—the purpose behind this barbecue is of such a commendable and noble character.

LADIES' NITE

Next meeting, June 19, will be hurried through to enable our entertainment to proceed for the ladies. Games will be played and coffee, sandwiches and cake will be served. So please remember the committee wants each and everyone of you to be present.

Bro. Thos. Carroll, pres. of our bowling league, has made arrangements for our league to bowl next September at alleys located at Ridge and Clark St.

Bro. Tom Cassidy is now honeymooning following his marriage last Saturday at St. Jerome's Church. We wish Tom and the new Mrs. Cassidy well.

ST. RITA SELECTS TED LEE FOR GRAND KNIGHT

1-3 Thurs. . . . . 6048 S. Fairfield Ave.

St. Rita Council unanimously elected D.G.K. Ted Lee, grand knight for the ensuing year at the meeting a week ago last night. In accepting the honor bestowed upon him, Grand Knight-elect Lee praised his predecessor, Charlie Nash, for his splendid work in the post and asked the members to give him the same support in carrying out the work of his office.

We were beginning to think it couldn't happen here but it finally did when John McGowan relinquished his post as recorder to take the office of deputy grand knight. John, as we all know, has long been the most diligent worker in the council. Grand Knight-elect Lee could find no worthier assistant.

Under the capable direction of District Deputy Pat Noonan the voting for other offices ran smoothly with all officers being unanimously elected. The remainder of the slate includes Joe Shanahan, recorder; Howard Jeffers, chancellor; Frank Holek, treasurer; Joe Clerkin, warden; Joe Philbin, advocate; Jim Boyce, inside guard; John Schmidt and John McNally, outside guards and Frank Small, trustee. The present terms of the other two trustees, Bill Stoeller and Charlie Clarke, have not expired.

Under present plans the new officers will be inducted at our meeting of July 3. Let us all get behind them and make certain that their terms in office will be marked with glory and achievement.

BARBECUE

On next Wednesday night the Knights of Columbus Fourth Annual Barbecue for the benefit of Bishop Sheil's Underprivileged Youth Fund will be staged at Riverview Park. Our council chairman, Roy Perell, informs us that his committee will begin visiting member's homes today to collect returns on Barbecue books.

If you will not be at home please leave same with some member of your family in order that the work of the committee will not be delayed. Even if you have not disposed of your book have it available as all books must be turned in. Returns may also be made at Herbert's (Martin's) Barber Shop, 3304 W. 63rd St.; Stoeller's Grocery, 2918 W. 63rd St., or Sullivans Undertakers, 2438 W. 63rd St.

DEGREES

Eight more candidates signed up for membership in St. Rita Council this week, bringing to 15 the total number of candidates who will be inducted into the First and Second Degrees at ceremonies in our chambers next Thursday night, honoring Chaplain Father Fennessy.

Daniel O'Connell will enter a team in the Annual K. of C. Golf Tournament to be held at Olympia Fields Country Club next June 25. As yet the team has not been chosen, but if you are interested, contact the Financial Secretary, Bro. Joseph H. Meier and he will make the necessary arrangements.

Bro. Jos. Meier, Geo. Erkensivich and John Stubing, who were among those who played last year, ask as many of the members as possible to come out and play golf on that day.

SOFTBALL TEAM WINS OPENER

On last Thursday evening, June 5, De Soto's softball team, entered in the K. of C. Softball League, started the season in great fashion by winning its first encounter at the expense of a peppery squad from Father O'Connor Council by a score of 4 to 2.

Behind some brilliant chucking by Lee Schram, the gang played an errorless and faultless game, Johnny Rosch performing the feat of the evening with a great shoestring catch in the eighth inning with the bags drunk. Doing much of the hitting was Bill Sheehan and Manager Art Booz with three blows each while Dick Smith, Joe Shemroske and Jim Sullivan collected two apiece.

COMING ACTIVITIES

At the meeting of Friday, June 27, the third degree of the order will be exemplified to all eligible initiates and candidates of DeSoto Council. The degree will be conducted at our council chambers and will involve the collaboration of several north side councils whose respective candidates will participate in the receipt of the degree. We ask your attendance.

DeSoto Council No. 11, Ladies of Isabella, will conduct its annual grocery shower for the Little Sisters of the Poor, who maintain the old people's home at Fullerton and Sheffield Ave. The shower will be presented at the Paul Revere fieldhouse at 2509 Irving Park Blvd. on next Monday evening, June 16, at 8 o'clock. The admission is a pound or more of groceries for the old folks. Miss Loretta Marx, chairman, assures everyone that the program, "My Memory Book," will be very entertaining and afford many good laughs.

Our deep regrets are extended to Bro. Bud Huguelet whose father, F. L. Huguelet, passed away recently. He was buried from St. Norbert's Church in Northbrook, Ill., to St. Mary's Cemetery on last Tuesday, June 3. Members of DeSoto's male chorus, whom Bud so ably directs, attended the wake in a body.

We note that DeSoto's softball team has suffered the temporary loss of one of its hard hitters and most able players in the person of Eddie Agnew, who was suddenly stricken with appendicitis. He was rushed from work to St. Francis Hospital in Evanston, where an emergency appendectomy was performed. Latest reports indicate he is doing nicely and we hope and trust his recovery will be full and complete.

Just a short note from Lecturer Joe Cella advising that DeSoto's annual picnic is set for Sunday, Aug. 10, at Northwestern Park.

Hennepin-Shields Asks Championship Efforts in Last Barbecue Drive

June 25-July 9...446 N. Parkside Ave.

Champions and thoroughbreds have one thing in common. When the chips are down they have that extra something which brings them up to the finishing line leading the parade. You don't win the race at the eighth, quarter or the half, but in the old home stretch.

The drive for Bishop Sheil's Underprivileged Youth Fund, ending in the big annual Barbeque at Riverview Park, next Wednesday, June 18th, is in the home stretch. Whether we are champions or turn out to be just "selling platers" will be determined by the final returns.

The reason and merit of this drive for funds for Bishop Sheil need no explanation. We hope that all members have tried to do the best they could. Returns should be made to Fin. Sec. Joe Hannon, 2221 W. 13th St., promptly as possible, but to insure that all ticket returns are made, booths will be found on the Barbeque grounds, where returns can be made and will be accepted up until 9:00 p. m., Wednesday evening. Come on, Champs, do your stuff!

INSTALLATION OF OFFICERS

According to scheduled program of procedure, barring fire, flood, tornado, sickness and draft, the installation of officers elected at the meeting during this past week, will be given the walkaround with music and inducted into their various offices according to ritual at the next Council meeting on Wednesday, June 25th.

D. D. John J. McKeown will do the inducting in his own inimitable way with suave aplomb and knightly dignity, assisted by his well trained aides from Hughes Council.

THE SOUNDING BOARD

It is rather embarrassing at times to discover that one of our members has been laid up for some time or been confined to the hospital for several weeks, before the news of his condition reaches our Sick Committee. Strange as it seems we do have a Sick Committee that is willing and glad to perform its duties when sick reports arrive, but unfortunately none of them are gifted with second sight, telepathy or are omniscient, so they are dependent on reports that reach them before they can act. Inform the Grand Knight of illness or death and fellow members will be only too glad to rally round.

We may be running a risk in reminding these babies that time marches on, but what of it? So here goes. Pete Murphy celebrates his twenty-sixth wedding anniversary this month. Frank Hayes admits to twenty-five on June 7th, Jim Oakey twenty-four on June 5th, Julius Comyn twenty-four on May 30th, Tom Butler nineteen on June 10th and Jack Shealy fourteen on June 4th. Congratulations, boys, and more power to you. Now we are going.

It is Father's Day next Sunday, and Papa will know it is his day when he gets the bills. Poor Pop. G'BYE.

Classes will be held at the school, Eighty-first at Prairie avenue, and all subjects for which there is sufficient registration will be offered to the students.

A summer school was inaugurated by Mercy High School several years ago to give an opportunity to students who wish to earn extra credits or make up work. Classes are open to boys and girls. Three sessions will be held daily from 8 a. m. to 10:30 a. m., and from 10:30 a. m. to 1:30 p. m. and from 1:30 p. m. to 4 p. m.

WELSH TOLD TO WATCH CATHOLIC TOTS FOR EXAMPLES OF FAITH

Liverpool.—The sight of little Catholic children walking to Mass inspired a non-Catholic member of the Ogwen Rural Council at Bangor, Wales, to defend them against a bigoted attack by an Evangelical Church Council. "The Catholic children," the council was told, "are an example to the Welsh. You can see these little children going to Mass every Sunday morning while our own are in bed." The Evangelicals, it is reported, protested the sending of refugee Catholic children to the district, but the rural council notified the Evangelicals that it could not subscribe to bigoted sentiments.

Recorder Breen was advanced to the office of Grand Knight, William Doody a veteran of many years of council activity is the new Deputy Grand Knight and John Kelly returned to the office of Chancellor which he held with distinction several years ago. Bro. Jack Fanning was elected Recorder to succeed Bro. Breen. Grand Knight Clarence P. Wagner, Deputy Grand Knight James Grannan and Chancellor George Balling did not run again.

The rest of the officers were reelected and are as follows: James D. Foley Treasurer; John Cashman, Warden John Mortimer, Advocate; Frank Gajewicz, Trustee; Charles Mullins, Inside Guard; Thomas E. Sinan and John Delehant, Outside Guards; Delegate to Convention Clarence P. Wagner; Alternate to G. K. Timothy J. Ryan; Alternate to Delegate John McVady; Delegates to the Chicago Chapter, Bros. Carr, M. Gleason, Delehant and Mullins. There were no contests and all are the unamimous choice of the Council which augurs well for the year to come.

MEETING FEATURE

One of the big features of the meeting was the distribution of tickets for the first White Sox Night ball game on June 4. Among the hard workers supporting the Barbecue drive who were given tickets were; Tom Longan, Arthur Goodman, James Grogan, Tom Redden, Chas. Joyce and Charles Wabich. Bro. Ruberry and his committee are to be complimented in planning such a stimulating event. The results show in the increased efforts of the members to acquaint themselves with the work of Bishop Sheil and shows that our members believe in this project and want to do the utmost in helping the Councils of the Chicago area to present the Bishop with a record breaking fund. There is still time to help. Make returns any night at the Clubhouse. The big event will be at Riverview on Wednesday June 18. We have a meeting on June 17th and books will be accepted up to the close of the meeting.

SOFTBALL

Our 1941 softball team under the capable management of Brother Edward Peterson met our traditional and friendly rival Fort Dearborn in the first game at 51st and Union Avenue last week. The boys got off to a flying start and with the first win under their belts and looking forward to their encounter with Dowling at the same grounds on the 10th and Weber at 48th and Karlov on the 12th. The games are fine, fast and a pleasure to watch. Rooters are needed to cheer the boys on. Watch for dates and places of future games.

THE MEMBERSHIP CAMPAIGN will come to a close for this season on June 30th. We have five candidates waiting for the honors of the degrees and these will be accommodated at Fort Dearborn on Thursday June 19 for the first and second degrees while the third will be held at Father Perez Clubhouse on Friday June 27. Bro. Jos. A. O'Neill one of our new members has three candidates in the new class. With this kind of a start we are sure that Joe will prove that he is to become one of our most active members. Thanks Joe for your help.

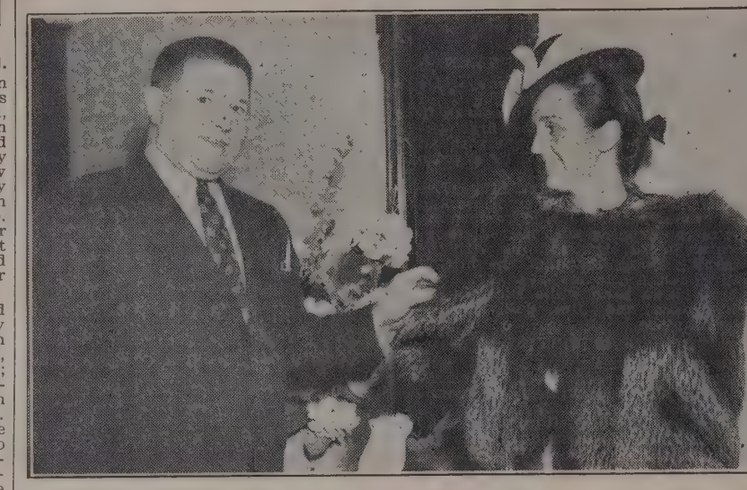
DOTS AND DASHES

Father William A. Ryan, C. M., son of Mr. and Mrs. Thomas Ryan of 5437 S May St. and Brother of Frank Ryan of Leo Council will celebrate his first Mass at St. Gabriels Church, 45th and Wallace St., on June 29 at 12:00 noon. A cordial invitation is extended by the happy family to the entire membership to attend the first Mass as well as the reception at the Visitation Community Center that evening from 7 until 10:00 P. M.

Jerry Dowd was in the other day looking hale and hearty and still evincing a keen interest in everything that pertains to the order.—Bro. John Ruberry is perfecting his plans to co-ordinate the work of the committee of the various councils under his jurisdiction in the United Service Organization work of which the National Catholic Community Service will play such an important part. Details will be given at the next meeting June 17. . . Now is a good time to examine your account with the Council and become a paidup member before the year closes on June 30. The prompt payment of dues and assessments by every member is vital to the council's existence. Show your interest by attending to this very important matter.—We had a nice letter from Bro. Leo Francis White who holds forth in the Twin cities. He sends his regard to all his friends.

The girls at an Elmira, N. Y., aviation plant are not going to allow college coeds to have a monopoly on "Greek letter" organizations. They have formed one of their own, according to Novena Notes. It is called: "Gotta Koppa Poppa."

State Golf Meet Award



Heading the list of several hundred special awards that will be given to the thousand or more golfers expected at the 14th Annual K. C. State Golf Tournament to be held at Olympia Fields here Wednesday, June 25th, is the $350.00 fur piece modeled above by Miss A. Hewitt for John J. Moran who donated the valuable gift.

Tournament reservations are priced at $5.00 and include all day golf, locker, lunch, refreshments, and a place at the evening banquet and entertainment. Golfers are expected to swing their own clubs.

Newman Names Wally Gehant New G. K. and B. J. Nellessen Deputy

1-3 Thurs. . . . St. Mary's Hall, Evanston

In an election meeting that made up in speed and dispatch what it may have lacked in excitement, Newman Council chose its officers for the coming year. Grand Knight Ken Lawson did not choose to run for reelection and Deputy Grand Knight Walter D. Gehant was thereupon elected enthusiastically and unanimously to become the new leader of the council.

"Wally" has become known as one of the most faithful and energetic workers in the council. His membership extends over the past eight years, and he has worked on the lecturer's committee, membership committee, publicity and various others. He has been president of the bowling league and enjoyed a year of marked success in that capacity. As chancellor and deputy grand knight he has filled his offices with distinction, and at the present time deserves a large part of the success with which the barbecue committee is meeting this year under his chairmanship. He is employed in a junior executive capacity by the Public Service Co. and is a very eligible bachelor, having been too busy with K. of C. affairs to become embroiled in romance.

Having picked a tried and proven man for the first office, the membership then moved on smoothly to back him up with Bernard J. Nellessen as deputy grand knight, Joseph Giannini as chancellor and Henry Mersch as warden. John Cecil (Pat) Craig, the retiring lecturer and recent benedict, was made advocate and Edward E. Fitzgerald is the new treasurer. In the most passive struggle of the whole pusillanimous evening, E. William Miller retained his office as recorder. Frank Michelletti remained as inside guard.

Just to give the judge of election, PGK Con Hayes, and his assistants, PGK Nilles and Atchison, a little action, there were three nominations for outside guards, and Lloyd Manning and Casper Zenner were triumphant candidates when the votes were counted.

Three new delegates to the Chicago Chapter were elected, Edward Atchison, Sr., George Amidon and Denis O'Mahoney. The retiring grand knight, Ken Lawson, in accordance with custom, was chosen delegate to the next state convention, and also in accordance with long-established tradition and the customary collusion, John J. Corcoran and E. N. Muldoon became alternates to the grand knight and delegate.

OLD MEMBER PASSES

Bro. Edward T. Stokes, a long-time resident of Evanston and member of Newman Council, was called to his eternal reward on Wednesday, June 4. A large group of brothers gathered at his home to recite the rosary on Friday evening. Our sympathies are extended to his family.

FOREIGN AFFAIRS

Bro. Roy Decker, the nomad of Southern baseball, communicated with Eddie Bell last week, and asked to be remembered to all his friends. His present address is 115 N. "I" St., Pensacola, Fla.

Bro. John Baumhart was presented with a nine-pound son on May 2. Both Mrs. Baumhart and the future member are doing well.

The softball team won a 13 to 11 victory over Hews Drug Store at Mason Park on last Wednesday evening. Our member of the All-Star team, Nick Ney, pitched a nice game and was supported well in spots, with George Hebson, Gene Amidon, F. Burke and Joe Flinn turning in nice plays afield, and Zicco and Dalton clouting the ball freely. The Bureau of Recreation has instituted a new rule that any base runner from whom the bag is concealed by the first baseman's foot is automatically safe, and this was quite a handicap to our boys. They hope to get Rog Kilby back to guard the initial sack for another year and eliminate this difficulty.

Neri's Election of Officers Scheduled for Tuesday Evening

1-3 Tuesday. . . . . .7515 Yates Ave.

Once each year the membership of a Council is obliged to gather for the purpose of choosing officers to guide the destinies of the Council for the coming year. The meeting of next Tuesday night, June 17, is election of officers at St. Philip Neri Council. All members of the Council are urged to be on hand for this meeting, which will be under the supervision of District Deputy Judge John Prystalski.

BARBECUE BOOKS

The 1941 edition of the annual K. C. Barbecue at Riverview Park is next Wednesday, June 18, all books, be they all sold, partly sold or completely unsold must be returned to Financial Secretary Henry J. Doolin or another responsible officer of the Council by this week-end. For your convenience the Caravel Club will be open Sunday from 10:30 to 5 o'clock in the afternoon.

The officers are extremely anxious to get the records all straightened out as there is considerable bookkeeping in a venture of this nature. Please give them your cooperation. Returns to date have been coming in very well with all indications pointing to the best year Neri has ever had. In order to beat last year's record the Council will have to turn in something like one hundred paid-up books. That we will seems almost certain at this time. A final tabulation of our best salesmen will be given later.

SOFTBALL

The K. C. Softball League swung into action last Thursday night. The opener pitted Neri against the highly touted boys from Loyola-Hyde Park with the result that Neri now has one win. The score was 19-9.

The victors showed an amazingly potent attack with long hits boon off the bats of Joe Lapota, Ray Di Jr., John Miner and several ot Dick Carroll and Mike Chapis formed in stellar fashion and, al all, the team didn't look half The regularly scheduled game for Thursday evening has been postpo The schedule of other K. C. ga will be found regularly on the s page.

LAST MEETING

The Homecoming celebration, c inally scheduled for the first mee in June, was postponed until next An important part of the Homec ing ceremony was to be the awar of Honorary Degrees to eligible m bers of the Council. It was discov at too late a date to make the ne sary arrangements that Neri has eral more candidates eligible for t honors than was originally thou In order that all be treated with e consideration it was decided to p pone the meeting to a later date.

R. I. P.

We are sorry to announce the p ing of Mrs. Barthelmew O'Tool her eternal reward. Mrs. O'T mother of ten children, passed a last Wednesday and was buried St. Philip Neri Church on Satu morning. COUNCIL NOTES

Roxy and Mrs. Slaski have just ted their fourth wedding anniy as of June 9th. From the way ill and coo at each other, one suspect they were still on their honeymoon. May they continue their wedding bliss for many, many more years.

Congratulations to Bro. Tony Vodar and Mrs. Vodar upon the arrival of new baby boy to their household—a future Knight of Columbus. Mrs. Vodar, who is in the German Deaconess hospital is doing splendidly and Tony can't understand why the buttons keep popping off his vest.

Bro. Stanley Swierz, we learn with regret, has been admitted to the veterans hospital at Dwight, Ill., for treatment. You brothers who go motoring on Sunday, if you find yourselves in that vicinity, drop in and say hello to Stanley. He would more than appreciate it.

At our last Council meeting, Father Regis McCoy of St. Paul's church honored us with his presence. Father McCoy, practically a stranger in our midst, has displayed an intense and lively interest in our affairs. His talk of the evening left us with food for thought. Dwelling upon Bishop Sheil's work, upon his own work in behalf of that movement, his words did not fall upon deaf ears. We hope that Father McCoy will favor us frequently.

We sincerely regret the news of the passing of Mrs. Otto Peska, wife of Bro. Peska. Members of the council as well as officers unite in offering their prayers for the repose of her soul. May she rest in peace.

Next Monday night is the regular meeting night of the L. G. A. club at Lawndale Hall. The Council will conduct its special meeting on this night and you are again reminded to make your returns for your Barbecue books at this meeting. It is positively the deadline and all returns must be made by this time.

Brownson Urges Last-Minute Efforts for Success of Barbecue

2-4 Fri. . . . 4740 N. Western Ave.

Now is the time to make an all out effort to insure the success of the Barbecue to be held next week, June 18, at Riverview Park. Get busy on your Barbecue tickets now and help P.G.K. Frank Kohler, Council chairman who is trying to put Brownson up among the leaders.

Do it now, help Bishop Sheil in his efforts to put this drive over and arrange your parties to attend the big affair next Wednesday eve.

MEMBERSHIP

In a final effort to fill our yearly quota all completed applications will be acted on and candidates will be initiated in the Judge Jno. Bolton classes that will receive their degrees, First and Second, at Chicago Council, 64 E. Lake St., Tuesday, June 24, and the Third Degree under the sponsorship of De Soto Council will be exemplified at Belmont and Clark Sts., on Friday eve., June 27.

SPORTS—A warm-up tournament for members and their friends has been arranged for next Sunday, June 15, at Northbrook Country club. The charge is $1.25 and this will include golf and a chance to take home one of the four $5 tickets entitling you to attend the K. of C. All-State tournament at Olympia Fields on Wednesday, June 25. Come out and play with the gang and arrange your foursomes for the state tournament.

LAST THURSDAY eve Brownson took Marquette 7 to 2 for first game on our softball schedule. The boys looked good both in the field and at bat and the new men are shaping up well.

Our annual election of officers will be held Friday eve., June 13, so try to be on hand and get a look at the new lineup for the coming year.

Wm. Erwin, our very busy financial secretary, requests that all members make a special effort to pay their dues and assessments up to date as we are nearing the end of this audit period and anything unpaid goes on in red and when Bill has to use red it makes him see red, so stay out of the red.

FIRST MASS

A cordial invitation is extended to members of Brownson Council by Mr. and Mrs. Jno. J. Brennan to assist at the "First Solemn Mass" of their son, the Reverend William V. Brennan, C.M., on Sunday, June 22, at 11:30 o'clock, Church of St. Vincent De Paul, Webster and Sheffield Ave. A reception will be held the same evening from 4 to 8 p. m., at the Lake Shore Club of Chicago, 850 Lake Shore Drive.

Two other sons, Edward and Hugh, are brother knights in Brownson. The Council wishes to offer its congratulations to Past Grand Knight John and Mrs. Brennan and the family on this happy occasion.

We are glad to hear that Dink Craine is back on the job, hope to see you soon.

Fin. Sec'y Bill Erwin is recovering from something or other, looks like his razor slipped. Bill's little girl Patsy has been ill but we hope she is all right now.

MADONNA AIR ARTIST KEEPS MULARKEY HOT

2-4 Fri. . . . . 4624 Emerald Ave.

We haven't heard a whisper of campaign talk, haven't received a single stogie, kissed a single babe (or married one either) and here it is election night. We had intended staging a torch light parade, but at the last minute the West Kenwood Mother Hubbard Club backed out as did the Canaryville Nightshirters. Also on our intended program were the meistersingers from Happy McCarthy's Choir Loft; unfortunately each time we stuck our noggin in the door, someone would whip out that friendly tavern polka and we'd get it right in the glimmer. So we are off of parades.

The council is extremely fortunate in securing two armless tellers for the election, thus eliminating any of the 61st precinct short-pencil stuff. As is the usual custom these gents will receive solid gold widgits for their services. A widget you know, is a headless pick without a handle.

FOR THE LUVVA—

Lecturer Marty Morrison has just returned to town after a spell of absence and we just found out today where he was. Good ole' Mart was surveying a course to Glen Eagles Country Club where—take it easy boys—Madonna's Golf Tournament will be held on Sunday, July 20. For a day of golf, dinner, concentrated vitamin A, B, C and (bur-r-rp) D—on the course and an opportunity to share in the load of liars awards, the cost is $2.75 (for national defense).

Glen Eagles, as you all know is located three feet east of Council Bluffs, Ia. at 123rd and Bell Road. To reach it, you drive out Southwest Highway to 123rd St., turn west and pray that you've got enough gas in the tank (D'ya wanna try for tha fifteen dollar question?).

WELL TODAY

Is reckoning day as far as the Barbecue is concerned. Remember that book of tickets a guy left at your house couple a months ago? Well, you rummy, you were supposed to sell those and settle up with John Pollick by this date. Of course, you really have till next Wednesday to turn 'em in, but why not do it now. After all, when you go out to Riverview Park that night you can't ride The Dipper, or Ferris Wheel or Roller Coaster, holding a book in your mitt, and screaming "Somebody Take This." It's silly to think of it.

SEEMS LIKE

The Softball team came a cropper, as Lord Whistlebritches would phrase it. According to the schedule as laid down at Munich, Madonna was to play League games each Tuesday and Thursday. So last WEDNESDAY someone calls Mgr. Jim Casey an' says, "Too bad your team lost last night, old man, better luck next time." An' Jim says "Wattall is this?"

Anyway the boys played Quigley's team a practice game and after having a six run lead, wind up on the small end of 14 to 9. Madonna's pitcher blew up and they are still shooting biscuits at him.

WE WOULDN'T

Tell a soul but a heel is different. So we'll tell you that in his palmier days, George O'Brien, garnered many a trophy at White City Ballroom for performing a la Fred Astaire. It leaked out after all these years.

Nor would we tell you that Tom Hayes has a new gas buggy which he deftly wheels thither and hither. Nor that Walker Smith, act man of General Motors has been shifted closer to home. New York to Detroit.

Nor have we yet received a bomb from Joe O'Connell, our California dew man for the terrible faux pas we committed a while back.

ROUNDLY CASTIGATED

Are we by Englewood's ebulliant penman for neglecting to tell you what Billy Webb had to say about that Junior League stuff. So into the Maxwell we jump and push it out to Beverly Hills again (We get pretty dam tired doin' it, too).

Well, just a little ways down the street from Pat Noonan's they are building another of those $20,000 shacks, and as we see it, we remember reading somewhere that a bricklayer has to lay so many bricks a day to stay in the do-ray-me.

So we throw a watch on the guy for an hour and at the end, the trowel-tosser has set up 360 bricks. We multiply that by eight but the answer ain't the way we read it before. Does anyone know the correct number?

Ouilmette's Scribe Is Popping Those Buttons —It's a Baby Girl

2-4 Mon. . . . . 1215 Wilmette Ave.

Your scribe hopes that this little bit of Council news makes this issue of June 13. It is now early in the morning and the newcomer in the home is raising the dickens.

Yessir brothers, that newcomer is here and it is a girl, Barbara Ann, weighing 7 pounds 4 ounces at birth and just a lovely sight. Both mother and baby are doing fine. She will be patriotic we know because she was born on Memorial day. All candy, cigars and liquors, etc., can be sent to 1519 Washington Ave., Wilmette.

ANNUAL ELECTION

Last night Ouilmette Council held its annual election with the following results: Grand Knight, George E. White; D.G.K., Nichols J. Miller; Chancellor, Harry M. Peters; Recorder, Richard J. Miller; Warden, Leon Steffens; Advocate, Leo Hassenauer; Inside guard, Edward Hanke.

Outside guard, John Froelich; Trustee, Richard Murry; Treasurer, Phil Hillinger Jr.; Delegate to Chicago Chapter, Peter J. Thalmann; Delegate to State Convention, John Selzer; Alternates, P. J. Thalmann and Joseph Lechner.

Have you sold your barbecue tickets? If not, get going as the time is short so start right now and report to F.S. Pete Steffens. Brother Tom Troy is right up there working hard along with many more brothers.

Ouilmette Council's officers and members join together in offering their sympathies to Bro. Joseph Rossberger upon the death of his father, Wm. Rossberger. Your Grand Knight asks that you remember him in your prayers.

Have you seen Bro. J. Alten's new Cadillac. He probably has "suit" club running now and making plenty of do-re-mi just like Larry Schaefer with his clubs.

There were a few more items, but I just cannot think of them now and besides Barbara Ann is now going back to bed and so am I.

St. Paul Elects Gene Sass Council Pilot, Ed Simon as Co-Pilot

1-3 Tues. . . . . 6713 Olmsted Ave.

The election of officers at the last meeting resulted in but a few changes in the officer personnel, but in order that you may have a complete record, here is the result as best as I can remember them: G. K., Gene Sass; D. G. K., Ed. Simon; Chancellor, Geo. Ellwanger; Advocate, Matt Perz; Treasurer, Al. Westemeier; Recorder, Frank Gilfoyle; Inside Guard, Wally Holl; Outside Guards, Jimmy Dalton, Eddie Kasper and John Lidinsky; Trustee, Geo. Briscoe; Delegate to the State Convention, P. G. K. Harold Roeser; Alternate to the G. K., Herb Clark; Alternate to the Delegate, Joe Guenther; and last, but not least, the good old Warden, Wm. S. Gregory.

The installation will take place at the July meeting. Under the present plans (we hope that we have learned not to be too positive), the installation will be performed by State Deputy-elect, Leo Flynn, and State Secretary-elect and our own P. G. K. Raymond F. Gleason, which, as you may realize, will be the first official acts of these new state officers.

Your Lecturer, Jerry O'Donahue, is planning on winding up his two-year term with a bang-up party to be given at Simson's, which is located on Rand Road (Route 12) at Euclid Ave., which is near the Old Orchard and Rolling Green golf courses, on the evening of Saturday, June 28. Jerry has planned this party as a sort of farewall to G. K. Harold Roeser and a welcome to G. K.-elect Gene Sass. Jerry asked me to emphasize that there will be no speech-making, no master of ceremonies, and no toastmasters—just an evening of fun.

It is hoped, therefore, that you will be on deck with your best smile and your best girl. Remember the date, June 28, and the place is Simson's. Postcards will be sent out requesting a response, which we hope you will take the time to fill out and MAIL so that Jerry will know how many to plan for. This is important and should be treated accordingly.

Plans have been changed a little with respect to the closing of the barbecue campaign in that because the next meeting will be given over to the exemplification of the First and Second degrees, the campaign is scheduled to be closed on Monday preceding the meeting. It is hoped, therefore, that you will arrange to turn in your book to some member of the committee or officer of the council on or before that date. Do this if at all possible, otherwise bring it to the meeting on Tuesday.

We are sorry, indeed, to learn of the death of the mother of Bro. Ed. Boyle. To Ed. and the other members of the deceased's family, we extend our sincerest sympathies.

Damen Names Popular John P. Caulfield to Head Officers' List

1-3 Thurs. . . . . 6 N. Hamlin Ave.

John P. Caulfield was chosen to succeed Wililam Hopkins as Grand Knight of Damen council at the election of officers in the council chambers in the Midwest Athletic club last week. It was a wise choice on the part of the many members who participated in the vote. Caulfield, who lives at 4020 Harrison street with his wife, the former Miss Margaret Noonan of Holy Family parish, and their two children, Regina, 12, and John Jr., 9, has been a member of Damen for 22 years. During that period, the popular fellow has held several offices in the council, including that of Chancellor and Deputy Grand Knight.

Caulfield, who was born in Holy Family parish 40 years ago, is proud of his new position, but he is prouder still of the fact that his daughter will be graduated from St. Mel grade school Friday night, June 13.

Other officers elected at last week's balloting were: Bert Lannon, Deputy Grand Knight; Joseph A. McMahon, Chancellor; Thomas Foy and Homer Shaver, succeeding James Feeney and Thomas Hoy as members of Chicago chapter. Parke J. Brown was reelected as the third member of the council's committee in the chapter.

William Hopkins delegate to the state convention and Thomas F. Brown, alternate.

Officers reelected include: John I. Lardner, Treasurer; William Berg, Recorder; Robert McBride, Warden; Herbert O'Connell, Advocate; Frank Marnell, Inside Guard; William Crowley and Joseph Creighton, Outside Guards and John P. Coffey, alternate to delegate to state convention.

John J. Gorman, trustee, Henry Henningsen and Henry Forster are the other trustees.

Before the voting Hopkins appointed a National Catholic Community Service committee at the instanee of State Deputy Elect Leo Flynn. Important work confronts this committee, members of which are Thomas Brown, chairman; Albert Ewing, Thomas Foy, Thomas Hey, Ray McJohn, and Charles H. Prince. The group will be retained by the incoming Grand Knight.

James Crowley, treasurer of the Barbecue committee, requests that council members make book returns before the big annual event in Riverview park June 18. John Heraty, who joined the council only a few weeks ago, set an example for the older brothers by turning in the application of a new member recently. . . . William Wheeler, Sr., brother-in-law of John T. McEnery and a former member, was called to his eternal rest. He was buried in Calvary cemetery last Saturday. May he rest in peace.

The venerable McEnery, first Grand Knight and a charter member of Damen, is reported seriously ill at his home in Oak Park. Pray for his speedy recovery. . . . Roger Gorman, another old-timer has been removed to his home at 3816 Polk street after having received treatments in Garfield park hospital for an unannounced ailment. . . . Brother Paul Griffith had the misfortune to be struck by an automobile at Pulaski road and Madison street nine days ago. He is said to be recovering in Loretto hospital.

Scribe John Coffey also is confined in his home at 4928 Monroe street with a leg injury, suffered while playing volley ball at Austin High school, where he is a member of the faculty. . . . Walter Fitzgerald, manager of the Damen softball team, and George Reithal, chairman of the squad, predict a winning season in the Knights of Columbus league, which Damen has joined for the first time since 1939. Their enthusiasm is the result of Damen's 14 to 7 victory over Chicago council on diamond No. 3 in Garfield park, Chicago's home grounds, in the season opener on June 5.

Illinois Will Sponsor 'Warm-Up' Golf Date at Sportsman's Thursday

1-3 Mon. . . . . 64 East Lake Street

We are pleased to announce the date of our "warm-up" golf game is Thursday, June 19, at Sportsman's golf course, Dundee Road, one and a half miles west of Waukegan Road. It has two 18 hole golf courses and those of us who played last year will not soon forget the great courtesies with which the council and its members were received by the management and that the course itself is second to none. This game may very well be called "a preliminary one" which will be followed, perhaps the latter part of July or August, by our regular annual golf game.

On June 19 you may play golf all day for 75 cents. Enjoy a sandwich between games and in the evening order what you care to—a sandwich or the regular dinner which will run from $1 up. The point is you are the master of what you do and what you pay for on that day. So get up a foursome and don't be too particular about your score.

While you do not have to reserve anything, it would be nice if you gave Chairman James I. Upington a ring at Superior 4687 or Columbus 1879. Again, all of these things are incidental. Come on out.

MEMBER ITEMS

Chairman Ericksen of the barbecue tells us that sales have already exceeded last year's and that we are now heading for an all-time Illinois Council mark and it would appear that that objective will be taken in rather short order. Will you, therefore, make returns on your book as speedily as possible?

Deputy Grand Knight Martin's mother has shown considerable improvement from her recent serious illness.

Alderman James R. Quinn has joined the law firm of our brother, Robert E. Crowe. Robert Emmett, by the way, is back in fighting shape again, which, needless to say, we were pleased to learn.

The next meeting of the council will be Monday, June 16, at DePaul Hall. It's the last meeting of the present fiscal year. Appropriate gifts will be distributed to those fortunate ones in attendance which will make you a guest of the council at its golf tournament next Thursday.

The council, by appropriate action taken at its last meeting, will hold but one meeting during July, August and September. The dates are as follows: July 7, Aug. 18 and Sept. 15.

In the past few months our mer have been a little lax in obtaining members and if we expect to kee council up among the leaders, we get busy and give our officers the port and cooperation they are entitl It is very discouraging to a chairm be appointed and not to get the h the membership, so again we urge y get back into that old time spiri turn in that application.

2-4 Mon. . . . . 24 E. 114th Pl.

It is with pleasure that we report the reelection of Joseph M. Du Bois as Grand Knight for the ensuing year. Along with our hard-working Grand Knight, the following brothers were elected to fill the other offices: Deputy Grand Knight, Frank Marcolini; Chancellor, Emil Royer; Advocate, Henry Blouin; Recording Secretary, Stacey Rimkus; Treasurer, Stanley Hodur; Warden, Joseph De Marco; Inside Guard, John Kristin.

Outside Guard, William Mason; Trustee, Wilfred Kleuskins; Delegate to State Convention, P.G.K. Wilfred Kleuskins; Alternate to Dlegate, P.G.K. Chas. M. Du Bois; Alternate to Grand Knight, F. J. McMahon and Delegates to the Chicago Chpter include Hugo J. P. Haub, William Mason, F. J. McMahon, Guy Macina and William Cassidy.

To the newly elected officers, we extend our sincere congratulations and express a hope for a successful year.

PICNIC

The chairman of the various picnic attractions have, in most instances, been notified of their selection and are already making the necessary preparations. As chairman of the picnic, it is, indeed, a distinct pleasure to receive the ready response of the brothers, and the eagerness with which they are assuming their tasks. Such willingness can only mean a highly successful affair, one, we hope, in which will be exceeded, all past picnics. If you should be approached to serve on some committee, please accept and do your share in providing for the enjoyment of the huge crowd that always attends.

Another item of importance is the books of tickets. If you do not already have your book, get one as soon as possible and make the return as quickly as possible. So far, Bro. M. M. Cooney, Jr., has distributed quite a number of them, but there are many left. As usual, the picnic committee will meet Friday evening at the clubhouse, and all of you are invited.

COUNCIL NEWS

Bro. Tony Susnis takes great pride in announcing the arrival of a future K. of C., little Albert Benedict Susnis. Sam Polise is also the new daddy of a fine baby girl. To both proud fathers we extend our felicitations.

Bro. Hugo J. P. Haub, our perennial Chapter Delegate, suffered cuts and bruises last week when his car was forced off the road and into a ditch. Luckily and happily, none of his injuries are serious. Our efficient and hard-working Fin. Sec. James Burke is at present in Sacred Heart Sanatarium in Milwaukee, for a complete rest as a result of over-work and strain.

Four tickets to the State Golf Meet at Olympia Fields were given to the following brothers last Monday evening: D.G.K. F. Marcolini, Chaplain Father Chiminello, Vince Guastalli and Tim Griffin. However, besides these four, there are at least three other foursomes from San Salvador who plan to attend.

People from All Walks of American Life Make Up Broadway "Parish"

New York.—The large-scale diamond jubilee celebration of the founding of the Shrine and Parish Church of the Holy Innocents, on 37th street west of Broadway, brought out the fact that the church, once attended by a number of old New York families, is now practically without a regular congregation.

Shoppers, visitors, transients, theater and society people, and neighborhood workers form the chief part of the crowds that attend the seven daily and eight Sunday Masses, daily novenas, and other services. Now in the heart of a busy commercial district in Manhattan, the "Church of Broadway" keeps the pastor and his nine assistants on the go all day. The Very Rev. Msgr. Aloysius C. Dineen celebrated his tenth anniversary as pastor in conjunction with the church's jubilee.

Apart from the convenience of its location, Holy Innocent Church has two famous attractions. One is the painting, "The Madonna of New York." The other is the "Return Crucifix," probably the most touched and most kissed devotional object in New York. Before it Joyce Kilmer prayed and received the gift of faith. The painting is the work of C. Bosseron Chambers, who, one evening in the days of the first World War, entered the church and saw a man kneeling before a large crucifix with every evidence of deep contrition. Later the artist persuaded the man to pose for what was to become known as "The Return," and the subject revealed that in truth he had that very evening repented of a dissolute life. After serving in the French army, the man resigned and entered a monastery.

45,000 Assured at 1941 Catholic Summer Schools

Washington.—Summer sessions will be conducted by 113 Catholic universities, colleges and normal schools this year, according to information received by the NCWC Department of Education, NCWC announces. It is expected that seven more institutions will offer summer courses, and this will bring the total to 120. Seventeen of the sessions will be exclusively for members of religious orders.

Enrollment in Catholic summer schools for 1940, taken from the questionnaires received in the Department of Education's biennial survey of Catholic colleges and schools, totaled 44,706. A conservative estimate for this summer is 45,000 students.

An institute of Catholic social studies is planned by the Catholic University of America.

The Leper Window in medieval architecture was a low window in the chancel wall of a church, often guarded by a wooden shutter and iron bars to enable lepers gathered in the churchyard to attend Mass.

ETERNAL REST GIVE UNTO THESE THY SERVANTS, OH GOD

Oh, God, the Creator and Redeemer of all the faithful, give to the souls of Thy departed servants the remission of all their sins, that by the aid of pious prayer they may obtain that pardon which they have always desired through Christ, our Lord, who liveth and reigneth with Thee in the Unity of the Holy Ghost. Amen.

Value of Catholic Church Stressed in Upbuilding of South American Goodwill

Washington.—"Flash in the pan" conferences about inter-American relationships are scored by the Rt. Rev. John O'Grady after a tour of South America. It takes years of work before one develops any influence, he avers. People there resent the attempt to change their programs in a short period of time.

Because the Church in South America feels the threat of American Protestanism and because the Church leads in the social service field, the whole problem becomes a religious one. For many years the flow of culture and ideas has been from Europe. South America is now looking to the United States for help. But if they are to have a real influence, Americans must develop people who are willing to go down there as missionaries, as nurses, as social service workers, as teachers.

The demand for higher standards of nursing education was partly met by a school of nursing education established by the Rockefeller Foundation in Brazil in 1923. Specialized training is sought in the whole field of social service. This movement is almost entirely a Catholic one, and there has been a significant relationship between South American schools and the National Catholic School of Social Service in Washington.

Hughes Confident of Bright Future Under New Staff

1-3 Tuesday . . . . . 4711 W. Madison St.

The election of officers held at the first meeting in June, was a sort of love feast, if we make our meaning clear, for there were no exciting contests for the various offices. With Dr. Louis Postilion declining a third term as G. K., the other incumbents were "moved up." All of the officers have been active in the administration of Hughes Council affairs for many years; they have zealously promoted the interests of the council, and it goes without saying that during the ensuing year these officers will carry on in the highest traditions of our unit.

The roster for the coming year is: G. K., George N. Daly; D. G. K., James A. Ryan; Chancellor, Arthur Carroll; Treasurer, Charles A. O'Malley; Recorder, W. Ray O'Brien; Advocate, Arthur Kreutzer; Warden, Nicholas Mulroe; Assistant Warden, Bernard Dailey; Inside Guard, George J. Daly; Outside Guard, Michael Kirby; Trustee, John Novak; Delegate to the State Convention, P. G. K., Dr. Louis Postilion; Alternate to the Delegate, P. G. K. Harold F. Enright; Alternate to the G. K., P. G. K. John C. Bannon.

Delegates to the Chicago Chapter—James A. Ryan, Charles A. O'Malley, John F. Korbel, Thomas P. Dailey, Patrick J. Barrett and Lou Hoberg, new Hughesite, P. G. K. of Commercial Council and an honorary delegate to the Chicago Chapter.

ELECTION HIGHLIGHTS

D. D. and P. G. K. John H. McKeown assumed the chair to conduct the election and he operated with that efficiency of manner, sincerity of purpose, and suavity of mien that are characteristic. From the names of the incoming officers, it is readily perceived that those who have occupied posts of lesser importance in the past administration have been sent to a higher position, with such stalwarts as Recorder O'Brien, Advocate Kreutzer and Michael Kirby remaining in their positions, where they rate as "fixtures," Trustee John Novak was re-elected.

It was only with the greatest reluctance that the declination of Past Treasurer Alf McDonough was accepted; he pleaded pressure of business, state of health, etc. In a time of urgent need, Bro. McDonough assumed the position of Treasurer and his conduct of that office has contributed in no small measure to the advancement of Hughes. Of limitless capacities, a gentleman and scholar of the old school, with an abundance of personal charm and color, Alf McDonough has been the right man in the right place for Hughes Council for several terms, and it would be ungrateful not to accede to his request when he expressed the wish to retire.

Fortunate, indeed, is our council to have an active knight of the amazing abilities of Bro. Charles A. O'Malley to assume the office vacated by Bro. McDonough. Fin. Sec. Daniel L. Harper very effectively told of the importance of the office of Treasurer, and he voiced the sentiments of those in attendance when he felt happy that "Chick" O'Malley would take up for Past Treasurer McDonough.

D. G. K.-Elect James A. Ryan was absent from the city, unable to attend the election, but sent a telegram from Atlantic City. "Quick work," as D. D. McKeown remarked, with his tongue in his cheek.

It was with regret that we learned that Lecturer Joe Ryan's mother has been ill, necessitating his absence, but he had provided refreshments for those in attendance.

The two fine young sons of Dr. H. Ganey were in attendance, but Bro. Ganey himself is still confined to Hines hospital, though last reports are encouraging. He has the best wishes and prayers of all of us for a speedy and complete recovery.

SOFTBALL—HUGHES, 5; BARRY, 3

Mgr. Frank Linskey's team got off to a winning start by defeating Barry Council, 5 to 3, in the season's opener. Joe Garvey, stellar outfielder resumed where he left off last season in the championship finals, performing spectacularly. Garvey opened the game with a double to center, romped to third and scored first run of the season's competition when Mgr. Linskey doubled. The sixth was the next scoring inning. Bob Bergeron singled to right, took second on an error, and scored on Dan Brown's bingle over short.

The last inning was a big one, for after two out Jim Shanahan, Hughes' former manager, drew a pass and scored ahead of Joe Garvey when latter doubled deep to center and kept going at his tremendous speed to score because of dilatory Barry fielding. Erve Lauterbach, Jr., Roy Bergeron and the new pitcher, Conroy, all looked good. Barry played fine ball, were not discouraged at any time, and it was an interesting contest from start to finish. Hughes' five runs were scored on ten hits; Barry scored three runs on eight hits. There were quite a few rooters out for Hughes Council.

COUNCIL NOTES

EXTRA! Scoop by G. K.-Elect George Daly, who announces that the big secret is out and Mgr. Frank Linsky's wedding date will be August 2. Congratulations to the tall, stalwart, handsome groom, and best wishes to the bride.

The nuptial Mass for Lorraine Daly, daughter of the G. K.-Elect, and James J. Healey was one of the highlights of the season on Saturday, June 7. Elmer O'Brien, Jr., stalwart son of P. G. K. Elmer O'Brien, Sr., rendered Ave Maria and other selections in beautiful voice.

The party for Hughes' prospective grooms took place at Hayes' Barbecue last Wednesday evening. Bro. William F. Brown and Miss Vonne Ellen Windchy will be married Saturday morning, ten o'clock solemn nuptial Mass, St. Carthage Church, 7320 South Yale (300 west). Bro. Charles Votava, Jr., and Miss Ann Korbel, daughter of Bro. Al Korbel, will be united in marriage on Saturday, June 21, and the month of brides comes to a big climax with the Bro. George Daly, Jr.—Miss Helen Butler ceremony on Saturday, June 28.

Hughes Council will join in promoting the Third Degree, designated as "State Deputy, Judge John F. Bolton Class" on Friday, June 27, at St. Philip's Gym, as a fitting tribute to our State Deputy who is indeed one of the most beloved members of our Order. Hughes will also join with Damen Council for the First and Second degrees on June 19 at the Midwest Athletic Club. All of our members are asked to attend these affairs and your loyalty will be appreciated.

Gar. Moreno Pledges Loyalty to Officers Elected Last Tuesday

2-4 Tuesday . . . 155th & Lexington Ave.

Last Tuesday evening our council elected its new officers. The results will be published in the next issue of The Columbian. This new staff of officers will be looking forward to your help, advice and cooperation. To elect officers, and then not support them is not the true meaning of Knighthood. If we sometimes become dissatisfied with any phase of our council activity, let us stop and think for a moment. Our officers cannot work miracles, but with your help and cooperation they can succeed in attaining our quotas and in filling their part of the council and Order's programs.

Let's not expect the impossible from them, but in July when this new team takes over let's all get right in there with the support we promised when we elected them. Let's not be pessimistic, but rather look on the good side of our council's work and activities. Look toward the goal we can attain with confidence in our officers, and a determination to make good. Let us do this for the good of our council, ourselves, our membership and for the success of Garcia Moreno Council.

DUES AND ASSESSMENTS

June is the last month of the second quarter. This is only a kindly reminder that you might look at your dues book and see if you are in good standing. If your book shows that you are six assessments in arrears, then you are in danger. During the balance of this month, all of us might try to bring our obligations up to date. Members who are six assessments in arrears at the end of this month must be placed on the A. A. L. Look at your dues book today. Tomorrow might be too late. Protect your loved ones.

BARBECUE BOOKS

Wednesday, June 18, is the date of the Barbecue. There is but a day or so left in which we can contribute our share to this worthy cause. Our books must be sold and returns made at once. Our share in this Barbecue reaps for us a silent reward from thousands of underprivileged youths in Chicagoland. We hope these books will be the measuring rod of the charitable heart of our membership, and we hope the measure will not be found wanting.

THIS AND THAT

The Fourth Degree Club met at the home of Romeo Begnoche, P. G. K. This club is open to all members who plan on taking the Fourth Degree at some later time. It meets the first Wednesday of each month. D. D. Henry Hilgendorf conducted the election of officers at Blue Island Council. To Edward Hansen, Grand Knight-elect, and to Pat Dorhman, Deputy Grand Knight-elect, we extend our sincere congratulations. The scribe was present and enjoyed their hospitality.

Chubby Wisell and wife, of Aurora, spent the weekend in Harvey. It won't be long now for Paul Powers and Joseph Doheny. It is June, you know! Our picnic will be held in August, so in a very short time our new officers will go into action. A phone call from Peter Bantz, scribe of Chicago Heights Council. He wanted to know our picnic date. Last year, Bro. Bantz was a real booster of our picnic, and promises the same support this year. Our sincere wishes to you also for a speedy return to better health.

The mailman failed to leave one line of news from our members, so we take it for granted that all are enjoying good health. At least that is your scribe's earnest wish. If this column becomes rather dull, don't blame the scribe. News is the life of it and every member can in some way contribute something to make it more interesting. Until next week, thanks and cheerio.

CALUMET MAKES FINAL APPEAL ON BARBECUE

2-4 Monday.....6646 Stoney Island

Chairman Ty Hyland and his hard working barbecue committee make one final plea to all members to make final returns at the council office not later than Monday, June 16. After that date, it will be necessary to take yourself to Riverview Park on Wednesday, June 18 for the final accounting. This is the day of the barbecue, so we trust that Calumet will be represented by a large crowd. We know that Calumet has already done a fine job, and this week should bring us over the top, that is; if you who have failed so far will come through this week. So lets get busy and finish up the good in grand style.

SOFTBALL NEWS

Our softball schedule for the year is out, and our first game has been played and won. Our first victory, a practise game, was won on June 5th, against Genoa, whose team is not yet organized. This week on Tuesday the 10th we meet Loyola-Hyde Park, and on Thursday, June 12, Santa Maria.

On June 19th, Thursday evening at Avalon Park, 83rd and Kenwood, we meet St. James Team. On June 24th, Tuesday evening, we meet St. Philip Neri, June 26th, Genoa, both these games are home games at 83rd and Kenwood. July 3rd, we meet Loyola Hyde Park at their home grounds, 79th and Calumet. Make it a point to get out to these games and root for Calumet.

NEW OFFICERS

The principal business of the evening at our last regular meeting was election of officers. We believe as fine a group of officers were selected and in our Grand Knight Elect, Ty Hyland, we believe that we have selected a man who will exceed the fine records made before his time. His fine work in the handling of the Barbecue Committee for the past two years, his masterful handling of the Chancellor's work at degrees, his able assistance at all officers meetings, his friendliness, sincerity and ability stamp him as an outstanding Knight and his unanimous selection by the members was a vote of confidence and a mark of appreciation for his good work.

His group of officers named to assist him are all men of like character and ability. Headed by Joe O'Connor as Deputy Grand Knight, he has one with the full knowledge of what organization and co-operation means. In Chancellor Val O'Grady, we have selected a fine able speaker, a young man of character and ability, who has proven his worth by his earnest efforts as Asst. Chairman of the Membership Committee. Warden Tom Mulcahy who in his first year proved his ability by his close attention to his duties and his fine conduct in that office, was again chosen to succeed himself. The same for Oran Cox, our Recorder, whose record for the first year in office was perfect.

Advocate Walter McDermott, who through business connections will not be able to continue, will be followed by Bro. Edward Maas, one of our younger and newer members. Ed has proven by his good work and general co-operation worthy of the office, and will be of valuable assistance to the council. Treasurer Bob Ward was again elected to succeed himself, while Trustee Michael Patrick A. Murphy was elected to the three year term, succeeding himself as Trustee elected to fill a vacancy last year. Inside Guard John E. Lawler's fine work during the past year demanded reelection, and that young active athlete Wilf J. Byrne was again re-elected to his position as outside guard.

As per custom, our retiring Grand Knight Birmingham was elected as Delegate to the State Convention. P.G.K. Frank J. McGreal, Alternate to the Delegate. P.G.K. James B. Lynch as alternate to the G.K. Delegates to the Chicago Chapter headed by that fine affable character, the one and only Pat O'Brien include Bros. Mansfield, Cleary, Gasperi, Mahe Harkins, Quinn, Barton and Hart

Champ Foursomes to Battle for State Golf Crown Wed.

Expect Twenty Council Teams Will Enter Championship Flight at Tourney

It will be the "wearin' o' the green" for sure next Wednesday at Olympia Fields when an expected attendance of one thousand "Casey" golfers begin blasting out the divots—and some new records—in the running of the 14th Annual Knights of Columbus State Golf Tournament.

Defending champions, Sid Smith, Johnny Krutilla, Lee Creagin and a strong team from Leo XIII Council, second place winners of last year, are expected to be among the sixteen or more council foursomes who will compete in the championship round again this year. Calumet, runners up in the 1939 tourney, also promised to have a top flight foursome in competition.

Many Trophies on List

Among the near dozen championship trophies and special prizes that are to be awarded as a mark of Illinois K. of C. golfing supremacy are the Fred B. Snite Cup to the council whose individual shoots low gross, the Thomas D. Griffin trophy to the individual for low gross and the Albert A. Horan cup to the council whose foursome posts team low gross.

Second, third and fourth place winners will take the John J. Gorman, the William S. Toohey and the Pat Flanagan trophies respectively, while second place council low gross will be awarded with the Judge Le Roy Hackett cup.

A special match event, between members of the Order serving with the city police and the fire departments, will compete for a new cup donated by Judge John F. O'Connell. In a previous series the police squad bested the fire brigade and took permanent possession of the award. Frank McNamara, of Leo Council, led the police team last year with a 40-38-78 total.

Cup for Downstate Champs, Too

The Leo M. Flynn trophy will also be up again this year for the individual low gross score posted by any downstate council. State Secretary-elect Raymond F. Gleason will donate the second place cup in this event. Last season fifteen downstate units were represented at the tournament by some 86 golfers. Not all of these were entered in the championship flight, however.

A special cup, awarded each year by State Deputy Bolton for the council with the largest percentage of its membership in attendance, will also be available. A diamond-set Fourth Degree pin, donated by the La Salle Assembly, will be among the many other spectacular special awards.

Golfers who will not play in the championship flight will have opportunity to take home some of the hundreds of special prizes that are to be awarded. These trophies, numbering well over two hundred items, will reach the astonishing total of more than $2,000.00 as their aggregate value.

Reservations for the tournament are now being taken by Secretary Robert E. Gorman at 105 West Madison

Fred B. Snite

Thomas D. Griffin, State Chairman of the Knights of Columbus Athletic Commission and head of the executive committee for the K. of C. All-State Golf Tournament to be held at Olympia Fields here next Wednesday expects a record attendance of 1,000 guests at this, the 14th annual affair.

Patron of the famous amateur tournament since its inception in 1928, Bro. Fred B. Snite of Elmhurst Council has again virtually allowed the committee to "write its own ticket" in providing the many extra features that have counted so much in increasing the popularity of the tournament each season.

U.S.O. Campaign Draws Fine Response Here as Drive Hits Intensive Phase

With the United Service Organizations campaign entering its intensive phase in metropolitan Chicago, Catholic laymen and clergymen throughout the district today redoubled their efforts in behalf of the $679,500 drive to provide recreation centers for the armed forces.

Paced by outstanding corporation gifts, the campaign is drawing enthusiastic response. Hughston M. McBain, general chairman of the campaign, announced that volunteer workers are making every effort to complete their solicitation tasks by July 4.

"This is a campaign where speed and quick results are imperative," he commented. "The soldiers and sailors need recreation facilities. They need these centers where they will be able to discuss problems with leaders of their own faiths. To delay this matter would be tragic and I know that the people of Chicago will respond generously and at once in behalf of these boys who are doing so much."

Several days ago Mr. McBain visited Camp Forrest near Tullahoma, Tenn., to interview officers and enlisted men as to their preferences and recommendations concerning the U.S. O. centers.

A number of boys interviewed by Mr. McBain were Catholic boys whose homes are in Chicago and suburban communities nearby.

Without exception, these young soldiers told Mr. McBain that they have "practically nothing" to do with their leisure hours off the military reservation. They walk around the few blocks of the town's business section, stand around on street corners, window shop and try to crowd their way into jammed shops, cafes and lunch counters.

"Many of us down here are beginning to hate to see a week-end come because it means only a trip to Tullahoma and nothing to do. If we had somewhere to go, somewhere that didn't cost a lot of money and a place that we could have our fun, meet the kind of people we want to meet, it would mean everything," these young soldiers told Mr. McBain.

Meanwhile, leaders of business and industry joined with club leaders of the district in supporting Chicago's U. S. O. effort.

At a meeting in the Palmer House last week these leaders laid plans for

Bolton Class Next Friday Will Climax Membership Drive

Huge Classes Seen in Tribute to State Deputy as 1940-41 Campaign Closes

One week from tonight, the sixty-five councils of the Chicago area will climax the efforts of their 1940-41 membersip campaign in a series of major degree exemplifications named in honor of retiring State Deputy Judge John F. Bolton.

Three large classes including candidates from practically every council in the city will be inducted in the testimonial ceremonies that are expected to put a score or more of the Chicago units over their respective membership quotas and to add several others to the rank of Honor Roll or Century Club councils.

Flynn Praises Move

State Deputy-elect Leo M. Flynn lauded the purpose of the testimonial degrees as a well deserved expression of esteem and appreciation to the State Deputy from the entire local membership.

"None of the many honors," Flynn stated, "that have come to our State Deputy during the long years of his service to the Order here will equal, to him, the tribute of next Friday's city-wide testimonial degree classes.

"It is at once most fitting and proper that our entire membership have—and avail—itself of this opportunity of expressing to State Deputy Bolton our gratitude for his unselfish devotion to the duties of his office as well as to express our esteem for the high calibre of leadership that has marked his administration.

"I urge every council to spare no effort toward achieving a sizeable delegation of both candidates and guests at the respective testimonial classes next Friday."

Three Degrees Scheduled

The initiations will take place at Belmont Hall, Belmont and Clark

Local Knight to Officiate at Eucharistic Congress

Sir Knight John Pane-Gasser of St. Francis Xavier Council here will be one of the forty-odd members of the Equestrian Order of the Holy Sepulchre who will officiate at the Ninth National Eucharistic Congress at St. Paul and Minneapolis next week.

Pane Gasser, who received the papal appointment to membership in the Equestrian Order several years ago, is the only lay member of that order in this area. His Excellency, Archbishop Samuel A. Stritch, is a member of the organization, and as a Grand Commander holds one of its highest ranks.

The Hon. Michael F. Doyle, Secretary of State under Woodrow Wilson and Grand Comamnder of the Knights, made known that the Order would officiate in the sanctuary at all of the Pontifical Masses during the Eucharistic Congress and would also serve as an escort to the papal legate, His Eminence, Cardinal Dougherty, Archbishop of Philadelphia.

Cash donations with which suitable awards will be purchased for distribution Wednesday evening have also been received from L. J. Condon, Marquette Council, St. Paul of the Cross Council, Thomas Kivlan, H. E. Wagley, Max B. Arbeiter of WGES, Elmhurst Council, Father Setters Council, Dudley Faust of WBBM, Chicago Council, and from Charles Carroll Council.

U.S.O. Campaign—

speeding up Chicago's participation and prepared for an all-out effort for the next two weeks.

State Deputy-elect Leo M. Flynn, representing the Knights of Columbus at the session, announced that in accord with the general program of the executive committee here, seventy-five members of the local councils have been appointed to inaugurate the U. S. O. effort in the Knights of Columbus circles. Since only two hundred such representatives were called from all the organizations in the city, the seventy-five man committee appointment accorded to the Knights of Columbus is lookd upon as a distinct tribute to the organization and, it is certain, will call for an universal response from the Knights.

All degree work is scheduled to begin promptly at 8:30 p. m. that Friday evening. State Deputy Bolton, it is expected, will attend each of the separate functions being held in his honor and will deliver a short address to the candidates and guests.

BIRTHPLACE OF ENGLISH PONTIFF MAY BECOME PROPERTY OF NATION

London.—The birthplace of the only English Pope, Adrian IV, who reigned from 1154 to 1159, may become the property of the nation. The place is known as Breakspeare farm, at Bedmond, Hertfordshire. Nicholas Breakspeare was the name of Adrian IV before his election to the throne of Peter. Mrs. Amy Gertrude Hogan, who owns the property, has directed that, if her niece should die before her husband, the house should go to the National Trust and should be retained "as a place of public interest."

PARENTS OF 'QUIZ KIDS' STRESS HOME TRAINING

Chicago.—A home atmosphere that is stimulating, affectionate, religious, and happy is the ideal of the parents of Jack Lucal, 14-year-old "Quiz Kid" expert of Fenwick high school here. Mr. and Mrs. Lucal, who consider parenthood their biggest job, stress guidance rather than obligation in training their children. An example is Jack's music lessons. When he was four years old his mother told him: "If you want a lesson just ask me; if you are not interested we must not waste time."

ST. CYR MAKES CENTURY CLUB

1-3 Mon. . . . . 1609 N. Halsted St.

Onward, and onward, under the capable leadership of Joseph Maggiore, St. Cyr makes unprecedented strides. For the first time in its thirty-five years of history, a report which will resound throughout the councils in the state of Illinois is today being brought to you by your scribe, who like all other St. Cyr men, is jubilant over our hard earned victory. Yes, brother knights, St. Cyr is the proud recipient of the Century Club award, which was confirmed last Monday night at our First and Second Degree. Some thirty men took the honors of the degrees, and this number, together with all others initiated in the past year, brought St. Cyr's total well over the hundred mark.

Acting as Grand Knight at the degrees was State Secretary-elect Ray Gleason. We certainly appreciated the visit from this distinguished brother, and hope that he will come again to see us. Also present were Henry Phoenix, Grand Knight of Chicago Council; Grand Knight-elect Al Irving of Columbus Council; Eddie Guana, Grand Knight of Daniel O'Connell Council; Judge Sullivan, and our Past Grand Knight, Judge Joseph Burke of the Appellate court. All in all, Monday night will undoubtedly go down in history as a red letter day in St. Cyr annals. In behalf of and at his request, Grand Knight Joseph Maggiore wants your scribe to thank all those who participated in this membership drive. We're with you, chief. Onward to greater heights.

MORE GOOD NEWS

Latest reports show that our barbecue campaign far surpassed any other records ever established by St. Cyr Council. At our last meeting something like 230 members had reported that they had disposed of their books. Due to the Columbian deadline we are unable to give you final reports; however, let us be assured that we have much to be proud of. Anthony Scarpinato, our Lecturer, came in with eleven books, and if you don't think that is work, why don't you try it some time?

Mike Cavaretta is another brother knight who comes in for a good deal of mention. He has disposed of something like five or six. Others there must be who have achieved equally enviable records; however, until final reports are turned in, your scribe has no way of knowing. A further report will be given in the next issue of the Columbian.

OUR SOFTBALL stalwarts have been battering our opponents all over the lot. The first to feel the onslaught was the St. Paul of the Cross team which fell before our warriors to the tune of 12-2. Next in line was Father O'Connor Council, who suffered defeat by the overwhelming score of 15-7.

DeSoto didn't do so bad. However, our six runs were sufficient to give us a victory over their five. Morris Liberti, Eddie Klimek, Herb Morin, and excellent pitching by Dominick Donile, together with the expert fielding and hitting by the other men on the team, has been the cause for the victories presented to you. From time to time your scribe will feature one or more of the boys. A little of their personal life will no doubt add to the interest of any ball game. You have your grand chance to watch the boys in action next Thursday night in their new uniforms at Stanton Park, where they meet our opponents from Brownson Council. Come on out and give the boys a cheer.

A number of bowlers' meetings have been held. Rules have been formulated, and President Rannochio expects sixteen teams to be bowling in this year's tournament, which will be held at the Monte Carlo alleys. All those who wish to bowl this year should turn in their names to Rynie or Coko. Rynie lives at 1952 Bisseli St., and can be reached at Lincoln 7916, and Secretary Coko lives at 1336 Ridgeway Ave., and his telephone number is Albany 6936.

Turn your names in, together with $1.00, by August 1, and shortly after Labor Day a new and revised St. Cyr league will sound the gong. The cost for each session of bowling this year will be $1.25. This is twenty-five cents more than last year. However, most of this money will be returned at the end of the year via prizes. Remember to turn in your names now.

The Third Degree in conjunction with De Soto Council will be held on June 27th at the Belmont hall.

New Catechism Expected to Cause Many Changes in Teaching of Religion

Los Angeles.—The new edition of the Baltimore catechism, now in Rome for final approval, will prepare the way for notable changes in the teaching of religion, was the prediction of the Rev. Gerald Ellard, S.J., of St. Mary's College, St. Marys, Kan., as he delivered two addresses at the annual meeting here of the California unit of the secondary school department of the Catholic Educational Association and the Teachers' Institute of the Archdiocese of Los Angeles. If the ideas of sacrifice exemplified in the Mass are to be translated into terms of the daily problems and duties of students, Father Ellard warned, defects in present-day textbooks and methods of instruction must be relentlessly eliminated.

Because compulsory education laws have, in some parts of the country, resulted in the enrollment in high school of 90 per cent of the youth, the ingenuity of educators has been taxed and a lowering of standards has resulted, declared the Rev. James T. O'Dowd, assistant superintendent of schools in the Archdiocese of San Francisco, who was elected chairman of the California unit at the meeting. Administration and financial needs, he said, have caused a drop in standards required for promotion, and school work has been varied to hasten promotions. "The accepted standards seem to be those of the least progressive students," Father Dowd told the delegates.

Employment of radio quiz contests as a means of stimulating the interest of high school students was recommended by the Rev. Merlin Guilfoyle, assistant Chancellor of San Francisco.

Eight hundred nuns and 30 priests attended the sessions, held at Immaculate Heart College.

San Salvador Golfers Will Trek to Tourney at Olympia, June 25

2-4 Mon. . . . . 24 E. 114th Pl.

The item of interest during the current week-end that is occupying a great deal of attention is the K. of C. State Golf Tournament which is to be held next Wednesday, June 25, at Olympia Fields. So far, there are at least four foursomes from San Salvador who will be there, and of course, there are always a few who discover at the last minute that they can attend.

The price, as you know, is five dollars, but you really get more than your money's worth. The fee includes all day golf, refreshments, lunch, dinner, and a host of valuable prizes. For anyone who enjoys golf, that's the place to spend the day.

MEETING MONDAY

Next Monday evening is meeting night, an item which we hope none of you have overlooked. We are getting along into the summer and of course that means our picnic, among other things which are undertaken by the council. "Among the other things" are two rewards that are made each meeting night. Why not come up? These are based solely upon attendance.

PICNIC

Yes sir, we are going to keep right on talking about the picnic, from now until the date rolls around. July 27 is not too far away to start planning to bring the family and friends. We guarantee them a good time. Several new features have been added to increase the enjoyment of the day.

The old stand-bys will include a softball game between the married and single men (which the single men have never won yet), games and races for all ages, autographed baseballs for the boys, a great big doll for a lucky little girl, plenty of refreshments, free dancing, and just lots of other items. Meantime the picnic books are still available, so you should all get busy.

HELP! HELP!

We are in a quandry and not knowing just what to do, we are going to leave this problem in the lap of your friend, Harold, the editor. (He's the "Ed" you guys wondered about). At any rate, Harold, if you were the scribe and you had to tell the folks about the arrival of a nice big baby boy, weighing seven and one-half pounds, which event took place last Friday, the 13th, just how would you go about it? Maybe you know how to make the announcement, we're stumped! We promise if you do a good job, we will lay off the clay bouquets for a little while, anyway. [We practiced for years on what we'd say Oscar, but when it finally happended (the moring we were going to press, too!)—all we could get out was, "gu-lp."—Ed.].

AMERICANS ARE URGED TO STUDY MORALITY ISSUES OF THE WAR

Washington.—Asserting that the world cannot exist half slave and half free, the Rev. Dr. Charles A. Hart, assistant professor of philosophy of the Catholic University of America, told the Washington Catholic Evidence Guild that Americans must know more about the moral issues involved in the present war "if we are to secure that faith for our effort that is so necessary to success."

Dr. Hart said: "We must secure from our leaders the promise that it will be a different kind of America, at home, with far greater social justice for all, that will come out of the vast effort America must give."

He outlined this five-point program as the American objective:

1—Guarantee to all nations, large or small, of their own right to life and independence and reparation for evil suffered in the war.

2—The necessity of avoiding the danger of material forces becoming tyrannical.

3—International and not unilateral reorganization, with juridical institutions guaranteeing the faithful fulfillment of peace pacts.

4—Protection of rights of minorities.

5—Moral and religious basis of international pacts.

DEARBORN WORKS FOR LARGE DEGREE CLASS

1-3 Thurs. . . . 820 W. Garfield Blvd.

Little time remains before the membership drive for the present year culminates at the end of this month. However, there is still time to flood the council chambers with signed blanks. If we get on our toes now it will be possible for Dearborn to present an extremely large group of candidates to the exemplification of the Third Degree at Perez on June 27th.

This degree will serve a two-fold purpose for Dearborn. We will surpass our quota for the current fiscal year and at the same time honor our State Deputy Judge John Bolton, inasmuch as this class will be initiated in his honor. We know of no better way to bend our efforts than to work as tribute to Judge Bolton. He has been a real knight and a splendid man. And anything we do in this regard is small repayment for the great things he has accomplished for knighthood. We want an overwhelming class because he deserves it.

In addition great satisfaction will be ours in achieving our quota and perhaps surpassing it. Knowing Dearborn's great responsive powers and spirit to accomplish, we readily say "We can and We Will."

MEMBERS AND MEMBERSHIP

BLOOD DONORS: June 18th, in addition to being the date of the great K. of C. barbecue, marked a memorable date also for Dearborn. It was the second anniversary of the institution of the Dearborn donor group. The group has accomplished much in these two years and has performed notably in the field of Catholic Action. At the present time it is functioning 100% efficiently, is growing rapidly and averaging many transfusions a week. We call on the members to salute this group.

MEETINGS — At our next regular meeting, the third Thursday in July, the installation of your officers for the ensuing year will take place. It would be appropriate for the members to attend and welcome their staff and wish them well in their endeavors for the next year. Of course refreshments will be on hand.

STATE GOLF—June 25th will be the day to participate in the annual State K. of C. Golf Tournament to be held at Olympia Fields. As many as possible should arrange to enjoy this outing and benefit by the exercise. Contact P.G.K. Du Mais for the details.

FOURTH DEGREE—The annual Silk Hat picnic for the kiddies will take place Sunday, June 22nd at the Forest Preserve South. Many beautiful prizes and delectable refreshments will be the main business of the day. We can promise an enjoyable day for the children as the Silkers are a very hospitable group. To reach the grounds drive by way of Southwest Highway to 119th St., turn right and drive west for about one mile, then turn into the grove at Forest Preserve south. Follow the markers. If not driving take street car to 79th St. and Western Ave. and meet bus at 11 a. m.

SOFT BALL

Dearborn bested Madonna 7 to 6 on June 10th. The team was led by "Rosebud" Hoffman who drove out a double and homer, each with two men on. The next game on the 12th was taken by Quigley by the score of 7-3. Dearborn did not garner a hit until the final inning at which time they put on a rally which fell short of winning.

Games to be played are June 24 with Weber at home, 57th and Shields. June 26th with Leo at Dearborn's field. Get out and boost your team.

S. O. S.

D.G.K. Tony Pidone has been appointed as chairman of Dearborn's U S. O. Committee. Contact Tony, get the details and co-operate with him. This is a very beneficial work.

NUN IS SEATED AS CITY COUNSELMAN

Monte Carlo.—Sister Josephine of the Sisters of Charity and Christian Instruction of Nevers, who has devoted 43 years to caring for the poor and sick, has been appointed to the Municipal Council of Perigueux, the chief town of the Dordogne. A recent law in France permits women to serve on municipal councils.

r. Setters Will Hold 35th Annual Election at Thursday's Session

4 Thurs. . . . 4711 W. Madison St.

The thirty-fifth annual election of ficers of Father Setters Council will held on Thursday evening, June , at 8:30 in the customary council amber at the above address. All embers are earnestly requested to at- nd and participate in the choice of ose who will administer the affairs the organization during the coming 1941-42 season.

Election time is always a period of interest and excitement and it provides an opportunity for all interested members to gather and express, through the medium of the ballot box, their respective voices in the selection of the governing body of the council. Hence, an unusually large attendance is anticipated.

An additional item of interest at the next meeting will be the complete report on the success of the 1941 barbecue which will be a matter of history by the time this is off the press.

LAST MEETING

The winners of special prizes at the last council meeting, held on Thursday evening, June 12, were: Mike Solon, Bill Hoffman, Ed Fitzgerald, Ed Simonek, Michael O'Meara, Thomas F. Lavin and Ed Kouba. The awards were donated by the following: Bros. Henry Iding, James P. Kissane, John Riordan, Schmid (proprietor of the Schmid Drug Store, 6000 W. North avenue) and by the Paul H. Bading Market of 352 S. Kostner avenue.

Among the prominent members of Father Setters Council in attendance at the gathering were Nick Bell, Pete Chval, Joseph Doyle, Tom Kelliher, Art Forster, Joe Repplinger, M. Skisak, Nick Rosenau, Emil Fik, Roy Bedore, John F. Hickey and Austin E. Ryan.

Bro. Edward M. Fitzgerald has been on a vacation in California and, according to word just received from him, he had the pleasure of calling on Bro. Edward S. Rye in Hollywood last week. While a complete report on this Hollywood business has not yet been received, it is understood on good authority that Bro. Fitzgerald was offered several important parts in a number of moving pictures now in the course of production. We shall take this up with Eddie at the next council meeting, provided he fs back in town by that time.

CHICAGO, JUNE 20, 1941 100

Where Credit Is Due

During the few remaining days before the close of the 1940-41 membership campaign, the members of every council in the Chicago area will have, as a real incentive for an intensification of efforts in behalf of their own council increases, the thought that their candidates may yet be included with the city-wide testimonial classes honoring State Depuy Judge John F. Bolton.

Few are man's way of paying graceful tribute to the energies and devotion of his deserving fellow workers; yet, when on occasion some individual—by stint of his extra attention to detail, by grace of a deeper application to duty or by reason of a sterner conformance to his ideals—rises above the expected fulfillment of his obligations, then a grateful public attempts the expression of its esteem.

Next Friday the whole organization of the Knights of Columbus in Chicago will be represented in such an expression of tribute to the retiring State Deputy. Three major degree classes named in his honor will be inducted to full Order membership in various parts of the city.

During the thirty-eight years that Judge Bolton has been affiliated with the Knights of Columbus, many and varied honors—civic as well as Order—were rightfully tendered him. He served as the Grand Knight of his council, Daniel Dowling, for four years between 1912 and 1915 and was soon thereafter appointed District Deputy, a post he filled with distinction for more than twenty years.

He was appointed to the staff of the Fourth Degree in 1916 and served as Master for the Northern District of Illinois for the several years preceding his election as State Deputy of Illinois in May of 1939.

In all of these offices, Judge Bolton evidenced a degree of sincerity and interest to Order advancement that has been equalled by few men anywhere in the nation. And, because he saw, as the means of advancing the ideals and purposes of the Knights of Columbus, a numerically strong organization, he centered much of his interest toward the problems of increasing council memberships. The degree of his success in this major task is evidenced by the fact that the Illinois jurisdiction now stands second to only one other in the number of active insurance members.

Because membership increases have always meant so much to the State Deputy, nothing that the councils could do here will equal to him the tribute of next Friday's testimonial classes. And, since his labors have never been in behalf of the individual unit but for the progress of all, it is appropriate that all our councils have this opportunity to share in the acknowledgment of his efforts. Only a large delegation from every Chicago unit will make the testimonial the real tribute it should be.

'MILITIA' WILL PROVIDE SCAPULARS FOR SOLDIERS

New York.—Five hundred thousand scapulars for men in the armed service of the United States is the first objective of the newly-organized "Scapular Militia" sponsored by the Carmelite Fathers of the New York Province. The scapulars are to be distributed to the men through their military chaplains.

The Scapular Militia, which has as its motto "A Scapular and Medal for Every Catholic Service Man,' has received the approval of the Most Rev. John F. O'Hara, C.S.C., Military Delegate, and of the Most Rev. Hilary M. Doswald, Superior General of the Carmelite Fathers, who sponsored a similar project during the first world war.

With each scapular men in the armed service will receive a scapular medal and a leaflet reminding of the promise of the Blessed Virgin to intercede for those who, at time of death, are wearing the scapular.

CHARITIES BENEFIT FROM ESTATE

Philadelphia.—Numerous Catholic charities shared in the $430,000 estate of Murtha P. Quinn, prominent Catholic layman.

2nd Centenary Noted by Passionist Fathers

Detroit, Mich.—On May 15 the members of the Congregation of the Passion, familiarly known as Passionist Fathers, celebrated the second centenary of the approbation of their rule of life. On May 15, 1741, Pope Benedict XIV gave the official sanction, remarking as he did so: "The Congregation of the Passion has come into the world last, whereas it ought to have been the first."

The Congregation was first begun in 1720 by St. Paul of the Cross, a contemporary of St. Alphonsus Liguori, and ranked with him and St. Leonard of Port Maurice as among the greatest of all modern missionaries. From Italy the Congregation spread over the whole world, and is particularly well known in English speaking countries, and in some of the countries of South America, notably Argentina.

The Passionists have always been especially beloved in England, because St. Paul of the Cross was much interested in the conversion of that country. The saintly Father Dominic, C. P., received the great Cardinal Newman into the Church. St. Paul of the Cross is the patron of policemen and firemen in England. In Ireland the Fathers are no less well known and loved; the great monastery and church of Mr. Argus in Dublin being a focal point for the religious life of that city. It is worthy of note that the impetus which has made the Legion of Mary a world-wide and powerful instrument, was supplied by an Irish Passionist.

Coming to the United States in 1852, the Passionists now have 21 houses, in two provinces, ranging from New York to California, and from Michigan to Alabama. In this country they are now probably the only large community devoted expressly to the work of missions and retreats. The Passionist method of conducting a mission is particularly beautiful and impressive. In several large eastern cities, and at Sierra Madre, Calif., the Fathers carry on an extensive program of laymen's retreats.

The Congregation is also well represented in mission work, both home and foreign. American Passionists are at work among the colored population of the south, in North Carolina, and particularly at Ensley, Ala.

La Rabida's Election Brings J. F. Farrell Highest Council Honor

2-4 Tues. . . . . 6236 Princeton Ave.

Deputy Grand Knight John F. Farrell, who during the past year was internationally famed as a blood donor, was unanimously elected Grand Knight for the ensuing year at the annual election of officers last June 10.

The election opened with the surprise announcement of Grand Knight Cornelius Driscoll that, due to the pressure of personal business, he was not a candidate to succeed himself. Bro. Farrell's nomination followed and he was unanimously elected Grand Knight.

Bro. Farrell has been a member of La Rabida Council for ten years, having transferred from Aquinas Council, where he had been a member for the same period of time. The new Grand Knight has served his council as Chancellor and Deputy Grand Knight. He is past president of the La Rabida Fourths and the present chairman of the Barbecue Committee.

He has likewise served on many important committees within the council and was in charge of the famous Memorial Night and Christmas Party in 1939. Bro. Farrell in private life is a street car conductor, assigned to 77th Street Depot and has been treasurer of its Federal Credit Union for the past three years. Congratulations, John, and much good luck!

The complete roster of officers for the ensuing year is as follows: Grand Knight, John F. Farrell; Deputy Grand Knight, Harry A. Dion; Chancellor, Basil Giaretta; Recording Secretary, Patrick J. Lee; Warden, J. Coogan; Treasurer, Frank Florian; Trustee (for three years), Daniel F. Curley; Advocate, George L. Griffin; Inside Guard, Lawrence Krause; Outside Guards, John Follis and John Gera; Delegates to Chicago Chapter, Cornelius J. Driscoll and George Griffin; Delegate to the Convention, Cornelius J. Driscoll; Alternate to Grand Knight, John J. Mahon; Alternate to Delegate, Frank Healey.

IN MEMORIAM

Joseph P. McMahon, brother of Bros. Thomas and John McMahon, passed away suddenly in his sleep on June 9 at his residence, 7915 Chappel Ave. A large delegation headed by Grand Knight Cornelius Driscoll attended the wake. Funeral services were held on Friday, June 13, at Our Lady of Peace Church. May his soul rest in peace.

GOLF MEET

The annual K. of C. All-State Golf Tournament will be held Wednesday, June 25, at Olympia Fields. 2 Great Rallies Endorse Post-War Peace Program

London.—Climaxing months of joint Christian effort for the promotion of principles on which a just and lasting peace should be based, two great inter-denominational meetings were held at the Stoll opera house and endorsed the famous Times letter, which accepted the five peace points of Pius XII. One session was held under the auspices of Arthur Cardinal Hinsley and the other under the sponsorship of Anglican Archbishop Cosmo Gordon Lang of Canterbury. Much time at the rallies was devoted to discussion of the role Christian forces will play in the reconstruction of Europe when the conflict ends.

COUNCIL NOTES

RICE and old shoes were in order last Saturday morning when P. G. K. Chas. Lannon and Marie Garagan were married at St. Ita's Church. A large delegation from the council was on hand for the ceremony and the happy couple departed shortly afterward for sunny California and all points west on their honeymoon. The council extends to the bride and groom lots of happiness and best wishes for the future.

WE WERE SORRY to hear that our pal, Andy Martin, met with an accident while on the job. He fell off a ladder and broke his ankle. Andy is now recuperating at Alexian Brothers Hospital and would appreciate a visit from any of the boys.

GENE VIRNICH is the proud papa of a baby boy, and is he proud. Congratulations to Gene and Mrs. Virnich on this happy occasion.

Abraham Lincoln Piotrowski was up to the last meeting after an absence of several months attending school out of town. We expect to see Abe Lincoln out for softball practice soon.

Glimpsed out on the golf course, Joe Sinke, Andy Schmitt, Matt Kass and a friend, Rudy Rusch. If these boys could golf like they bowl—wow!

Jim O'Byrne, Joe Dvor, Walliser and Doc Tabaka. The Doc is not so bad, but look out for that man Walliser—can he sock 'em.

Frank Papke, Bill O'Neill, Al Long, Tom Casey. If size meant anything, Al should be champ. Boy, what a score he can run up.

Gene Virnich and the Adams brothers just dropped in to say hello. Jno. Paulus, Bucar and Peterson as part of the gallery and doing their good deed for the day. Claire and Ann Houston and her folks having tea in the clubhouse; good day for it.

NEXT MEETING will be set aside to honor the old-timers as old-timers' night. Warden Anthony Miller is in charge of arrangements, and Tony says there will be a gift presented to all members in the council 25 years or more. This is always a big night, so try to be on hand and enjoy the festivities.

NUMEROUS 'STREETS OF MOURNING' AFTER BELFAST BOMBINGS

Dublin.—"Streets of mourning" was the term aptly used to describe the harrowing scenes in Belfast during the funerals of the unidentified dead, following the recent air raid. The funerals took place from St. George's Market, where the bodies had been laid out in rows in coffins for some days. Most Rev. Daniel Mageean, Bishop of Down and Connor, officiated at the Catholic service held in the market hall, and 80 priests attended. Later the priests walked behind the line of army lorries which were used to convey the bodies to Milltown cemetery where the graveside prayers were recited by Bishop Mageean.

In Derry city, which was also a victim during the "blitz" on the North, ten Catholics, representing two families, were fatally injured. Requiem Mass was celebrated in the Cathedral for these victims by Most Rev. Niel Farren, Bishop of Derry, and the funeral procession was attended by 16 priests.

It is told of one Passionate Father that he anointed 50 dead and dying amid the ruins while the raid was in progress. Universal tributes have been paid to the clergy for their calm courage in patrolling their areas, while bombs were dropping, to bring solace to the afflicted and injured.

In 1840 there were only a million and a quarter Catholics in this country.

DOWLING RENAMES FRANK BARKER G. K.

2-4 Tues. . . . . 3625 S. Hoyne Ave.

At our last regular meeting, Tuesday, June 10 at St. Maurice's Hall, our Council held its annual election of officers for the ensuing year. The meeting was full of interest and pep.

At the business of the election of officers our Grand Knight Frank Barker invited any of the members who might have any inspiration to seek office in the Council to have their names presented before the members and he informed them that regardless of caucus they are more than welcome, as a good spirited fight in an election wakes the officers up to the fact that they must be on their toes.

We should feel very proud of our selection of officers and in my estimation the coming year should be very prosperous for the Council as the elected brothers pledged their support to our Grand Knight.

Our Grand Knight was very reluctant as to taking the chair for another year but after much deliberation agreed to accept. The following is your staff of officers:

Grand Knight, Frank J. Barker; Deputy Grand Knight, John Deschner; Chancellor, John Sheehy; Recorder, Thos H. Gallagher; Treasurer, Henry Fortier; Warden, Austin Haley; Advocate, Martin Dietrick; Trustee, Herman Vorier; Inside Guard, Jas. Curley; Outside Guard, Patrick Linehen.

Delegate to State Convention, Richard F. Kelly; Alternate Delegate to G. K., Earl S. Dunne; Alternate Delegate to Delegate, Raymond F. Gerber. Chapter Delegates to be appointed by the Grand Knight.

The election was very quiet with no disturbances and our Judge of Election, P.G.K. Tim Cronin and his two clerks, P.G.K. Bill Furlong and Denny McGrath, performed very well.

It is very important that the membership support the newly elected officers and with your cooperation our Council is destined to go places this year.

MEMBERSHIP

The membership committee is working very hard to reach our quota, which closes June 30, and our Grand Knight would appreciate any help you can give to acquiring new members for this drive. We still have to get around 90 candidates to reach our aim and this can be done if you will put your shoulder to the wheel.

Our recorder, Tom Gallagher, Laf. 8081, or Chairman John Deschner, can give you new information as to membership that will help you if you will inquire. It is only a few weeks to go and I am sure we will put on the steam and again put our Council on top.

INSTALLATION — On Tuesday evening July 8th, our officers will be inducted into office and it is only proper that we should pack the hall to give them encouragement and show them that you are cooperating. Our District Deputy will perform at installation.

BOWLING—Secretary of the bowling league sent out a questionnaire to those who bowled last year and inquired as to whether they would bowl or not next season. If you did not bowl with the league and desire to, give your name to either Harry Lorden or John Hartnett and they will fill any vacancies. They would like to have early returns on questionnaires in order to contract for alleys.

GOLF—Remember the date, Sunday, June 20th, at Westgate Country Club, 135th and South Ridgeway avenue, in honor of our G.K., Frank J. Barker. Cost, $2.50 per person, dinner and golf, or $1.25 each. Ladies and gents invited; many wonderful prizes. Tickets will be mailed to you and the committee will appreciate response.

COUNCIL NOTES

I understand Bro. Tom McGurn, one of our policemen, is quite a basketball player and he feels happy on root beer.

Our popular dentist, Dr. R. C. Michels, brought up his movie projector and showed us the pictures of our last Retreat, also the St. Maurice dedication.

The McKinley Post No. 231, of the American Legion, are sponsoring a huge carnival which opens Friday, June 20th and will continue until July 2nd. The affair will be held on California avenue, just south of Archer avenue. Our popular member, Tom Shanahan, is commander of the post and many of our brothers are members. This is a big undertaking and Tom invites all members to attend.

The following brothers were each awarded a pair of box seat tickets for the White Sox night game of June 12th, for their good work on our barbecue: Chas. Flahant, Jos. Fratto, and Anthony Wengerowski. Our chairman, Harry Lorden, and our Grand Knight wish to thank the brothers who helped in any way to make the barbecue a success.

The U.S.O. Organization is being organized and your Grand Knight solicits your cooperation as the purpose is for the comfort of our boys in service and merits the support of every Catholic.

Bro. Gus Laga is in a very serious condition at home and we ask your prayers for his speedy recovery. Bro. Jos. Nowak is still confined to his home and we are pulling for Joe and hope to see him up and around very soon.

LETTERS OF THANKS

P.G.K. Earl S. Dunne, on behalf of his family, wishes to thank the members of our Council for their wonderful expression of sympathy in their hour of sadness. They also wish to express their appreciation to our Grand Knight Frank Barker and Recorder Tom Gallagher for the large attendance at the wake and funeral of his loving mother.

The family of Mr. Joseph A. McMahon, late Master of the Fourth Degree, acknowledged with great appreciation our kind expression of sympathy.

St. Joseph's Solicits Member Cooperation for U. S. O. Campaign

1-3 Thur. . . . . 57th and Archer Ave. (Summit)

The second regular June meeting was to be held last night, June 19, and of course any news therefrom will not be available until next week.

The many friends in the conncil of the Shusta family extend their very sincere sympathy to the family on the death suddenly of Mrs. Shusta last week.

What have you done regarding the U. S. O.? Maybe your son has been drafted or maybe some friend of yours. Everyone must pull together in times like these and therefore when you are asked to contribute to this worthy cause, do so, remembering that your effort may be the means of keeping some young man on the right road and certainly it will help to furnish some healthy receration.

Some of us who were in the last war know what these social arrangements can mean to a man away from home, since the lack of them was then very evident. So when we think of United Service let's act and put this program over. There is a local chapter of this organization which can be reached through your G. K. or the writer.

Whatever you do, "Do it now."

St. James Degrees to Be Held Monday Nite in Council Chambers

2-4 Mon. . . . 64th and University Ave.

At next meeting, June 23, after a brief business session, St. James Council will hold a first and second degree initiation, a class named for Grand Knight Peter O'Connell. All members are urged to have that new member on hand for next Monday evening. A fine degree team has been arranged with several members of this council so you will have the opportunity of seeing a wonderful exemplification.

The writer contacted Chairman John Greene, Monday evening, to find out the latest news on the Barbecue. John stated that we are almost 200 per cent better than last year. Complete details will be given at Monday's meeting. We all thank John for the fine work he has accomplished and likewise the title of Champion should be bestowed upon him. He has turned in more complete books than anyone we have read of, barring none. For such a worthy cause, a more noble deed is yet to be heard of. We all know you have worked hard, John.

Likewise several of the members worked at the various booths at the picnic grounds, including the writer who also aided.

PICNIC—JUNE 29

Only another week left for our big picnic. Buses leave almost every hour from 111th Street and Michigan and also plenty of cars have been arranged for transportation. Chairman John McKean and Joe MacGillivray announce that the committees will be given final instructions next Monday evening. A softball game between St. James' number one and number two teams will be a big attraction of the day. Mgr. Mike Connolly will have one team and Jim Bird will captain the other, so you will see a fine game with the boys in their new outfits.

Golfing at Glenwood, dancing, horse shoes, athletic events, entertainment, and other attractions will be featured. So plan now to attend. The time, 10 a. m., Sunday, June 29. The place: Glenwood Forest Preserve, near Thornton, Ill. Additions to the committee were: Bro. Butler, Ray Socha and Francis X. Strobel.

Golf: Those who have not as yet entered the All-State Golf Tournament may do so by contacting Chairman Dan McKenna or Dr. Clarence Strobel next Monday. This is an affair you will enjoy immensely, so plan to attend.

MEMBERSHIP: Chairman Ambrose Burke has urged all members to have that new applicant on hand for next Monday evening so that we will have a fine class to honor our Grand Knight who is retiring after four years of faithful service. Several are in but we would like a few more to swell the list.

SOFTBALL: This Thursday we met Calumet at their home diamond at 83rd and Kenwood and as the result is not known yet, we are in hopes that the boys are off to a good start. We have a game for next Tuesday, Thursday we meet Loyola-Hyde Park so plan to attend all the games. Rooters are needed. Let's go.

SICK: Bro. Henry Woodmaster is still confined at the Jackson Park Hospital and Henry has requested few visitors as a complete rest is needed to speed his recovery. Also, Bro. Zingrone is ill. Our sick committee will have a report at the meeting.

Buller, Hollywood, Ill., we bid a fond farewell as he has been transferred to Nazareth Council.

D.G.K. Thomas J. Gannon was the first to congratulate George. Tom has been consistently a conscientious worker for the good of Americus Council since he joined our Order in May, 1930. We who know Tom well, have observed with full appreciation his genuine interest in every phase of K. C. activities, and have the highest admiration and respect for his natural ability. CORNWALL POST

Third Annual Cornwall Post Carnival June 20th to June 29th, inclusive, at Van Buren Street and Kedzie Avenue. Many members of Americus Council spent their leisure hours prior to the World War on this corner and in the neighborhood. You are invited to "Come on down, and listen to some of the old-guys tell of their early playdays." The Carnival spirit of Cornwall Post will get under your skin and you will find yourself cavorting around with the kids.

The purpose of the Carnival is, of course, to enhance the funds of this organization, and to help defray the expense of the large demands for service work. Senior Vice-Commander (Trustee) John J. O'Brien will tell you how much expense is incurred by Cornwall Post in assuming the responsibility of decorating the graves of 1,522 World War and Spanish American War veterans at Mt. Carmel with flags. A floral spray is placed on the grave of each Cornwall Post member, the deceased members to date numbering thirty-nine. Your presence at the Carnival will be most helpful and greatly appreciated.

It is hoped that all members of Americus Council will make a special effort to attend the installation of officers on Tuesday, June 24th. It would be an ideal time to bring an application for membership. The proceeds of any Barbecue tickets not previously turned in will be gladly received. Statements for third-quarter dues and assessments will be in the mail on July first.

MANY ANCESTRIES REPRESENTED

New York.—Virtually all of the ancestries that have gone to make up the American nation were represented in the clergy present when Archbishop Francis J. Spellman offered a Mass for living and dead victims of war.

Hen.-Shields Names Roy F. Cummins as New Grand Knight

June 25-July 9 . 446 N. Parkside Ave.

At the last meeting of the council, when the annual election of officers was held, the following members were chosen as the spark plugs of the council for the coming year: Grand Knight, Roy Cummins; Deputy Grand Knight, Mike Hussey; Chancellor, James Woodward; Treasurer, James Grace; Recorder, E. G. Green; Warden, Charles Quill; Advocate, Frank Cash; Delegate to State Convention, P. G. K. Charles Costello; Alternate to Grand Knight, Jas Shealy; Alternate to Delegate, William Orth; Delegates to Chicago Chapter Past-Grand Knights Joe Murphy, James Shealy and D.G.K. Mike Hussey; Outside Guard, Joe Geraci; Inside Guard Mike Gibbons; Trustee, Thomas Butler.

These are now your council officers. Co-operate with them and do unto them as you would have them do unto you.

The above named newly elected to office will be installed and invested with the emblems of their respective offices at the next meeting on Wednesday, June 25, by District Deputy John McKeown and his aides from Hughes Council. It would be nice to see another representative crowd of members assist in the installation. Lunch and refreshments will be served.

BARBECUE

At the last available report, the drive for the barbecue at Riverview Park has been successful and the number of books sold represent a goodly percentage of our membership, so much so that our council record will compare favorably with any other in the Cook County district.

The success of this undertaking is due to the efforts of Jim Woodward, chairman of the barbecue committee, and his assistants consisting of Ray Byrnes, Joe Hannon, William Ryan, James Grace, George Green, Frank Cash, Tom Butler, Mike Hussey and Jim Oakey. Our sincere thanks go to these men for their labor and perseverance in behalf of the barbecue.

THE SOUNDING BOARD

The election meeting was exceptionally well attended, which would indicate that most of the members are interested in the welfare and conduct of the council. With the exception of recorder, warden and outside guard, the offices held by those faithful old warhorses, George Green, Charlie Quill and Joe Geraci, an entire new slate was picked. We extend our sincere congratulations to Roy Cummins, Mike Hussey, Jim Woodward, Jim Grace, Frank Cash and Mike Gibbons on the elections. These men have given faithful continued service for the welfare and benefit of the council for the past several years and their election to office insures this same faithful service working for the continued progress and prosperity of Hennepin-Shields.

Congratulations to P. G. K. Frank Daley, who was elected president of the Holy Name Society of St. Catherine of Siena Parish recently, succeeding Frank Butler. The new president has always set a god example so we are not surprised at his selection.

With five Past Grand Knights sitting in the front row, no wonder Father Doherty, our chaplain, got his council and society mixed up a bit at his Holy Name meeting. No apology needed, because both are good.

We hear that Ralph Carroll has been undergoing a siege of sickness. We hope by this time Ralph has fully recovered, but in the meantime let's hear more from the sick committee.

P. J. Dunn, one of our regular meeting comers, was very well pleased with the results of the election. Couldn't be any better picking himself, he says. Emil Thul should come oftener, instead of once a year.

The Third Degree will be conferred at St. Philip's Hall June 27. Members having candidates are asked to see that their candidates attend.

Frank Hayes served communion breakfast to the Holy Name of Our Lady of Mercy on June 8. We mention this because we think that social gatherings of this nature with a spiritual background, like the Holy Name, where men meet and get to know each other, exerts an exceptionally good influence in knitting closer the bonds to Motherr Church. Naturally we include the Knights of C. in this same category.

This is the month that a lot of new brides suddenly discover that knowing the right sort of fancy clothes to wear here and there isn't a darn bit of use in frying an egg. G'bye.

AUBURN PK. RE-ELECTS HARRY COX TO G.K. POST

2-4 Thurs. . . 7740 S. Emerald Ave.

Our Grand Knight Harry J. Cox was rewarded by the membership of Auburn Park Council at their meeting on last Thursday evening for the efficient service rendered during the past twelve months by being the unanimous selection to succeed himself as G. K. for another year. With the progress that has been made in council activities under the leadership of Harry Cox we can be well assured that further progress will be made during the year to come.

The following officers were also selected for the ensuing year: Deputy Grand Knight, John H. Coughlin; Chancellor, James V. Sheil; Recorder, Charles Connelly; Treasurer, George Wrocklage; Warden, C. J. Houtsma; Advocate, G. (Mike) Gorman; Inside Guard, Vincent Flynn; Outside Guard, Walter Fox; Trustee (unexpired term), Edward Morrissey; Trustee (three years), A. (Tony) Gallagher; Delegate State Convention, John F. Shanahan; Alternate to Delegate, Richard J. Knight; Alternate to Grand Knight, John W. Corcoran.

Now that the selection has been made of our leaders it is the duty of every member to support them in their endeavors. We are also grateful to Bro. John F. Shanahan, who handled the election of officers, which duty has been performed by Jack Shanahan for many years.

THIRD DEGREE AT PEREZ

Four groups of councils on the south side are sponsoring third degree at Perez clubhouse on Friday evening, June 27, an inasmuch as our council has seven or eight candidates, those of you who are sponsoring these applicants please make it a point to see that they are on hand early on that evening to take their third degree.

STATE GOLF—We expect several foursomes from Auburn Park to participate in the Annual State Golf Tournament on next Wednesday, June 25, at Olympia Fields. If you have not made your reservations contact Dick Knight, Triangle 6210 and he will make the necessary arrangements. The tariff for this party is $5 per person for the entire day, including golf, luncheon, dinner, refreshments and prizes. Let's show the new State Deputy-elect, Leo M. Flynn, that we are really behind this activity.

FOREST PRESERVE PARTY—This is a last reminder that tonight starting any time after 6 o'clock, Auburn Park's membership will gather at the shelter house located in the Dan Ryan Forest Preserve, just east of Western avenue and north of 87th street, to participate in an evening of frivolity and fun, and we hope there is an exceptionally large turnout of the members and their friends. There will be a softball game starting at approximately 7 o'clock with Auburn Park's team from the K. of C. Softball League, against a team composed of veteran players, who so kindly assisted us in this endeavor last year.

Our worthy warden, Neil Houtsma, is chairman of this affair, and is doing everything possible to make it pleasant for those in attendance. There will be music, dancing, refreshments and cards after the ball game, and the price is $1.50 per couple, so bring your ladies, and to those of the members who decide to come out alone the price of admission is $1, which includes everything, no additional expense involved.

If this affair proves successful from a financial standpoint it is planned to have scholarships for the daughters and younger sisters of high school age. This has been talked about for a long time in Auburn Park. Let's make it a reality.

Had a report from Bro. Paul Byrne, and while the first game in the K. of C. Softball League with Englewood Council was postponed, our boys on Tuesday evening, June 10, went to Gage Park at 55th and Western avenue and took on the fast aggregation from St. Rita Council to the tune of 17 to 7. This is getting started in the right way, fellows. Let's hope you keep this stride and continue to report victories in the league this year. Have a flash that on last Thursday evening Auburn wins over McHale Council to the tune of 6 to 5, which makes two in a row. Nice going, boys.

Thursday evening, June 26, at the clubhouse promptly at 8:30 o'clock the last meeting of the current fiscal year will be held, and inasmuch as there will be only one meeting during the month of July and August, you should make an effort to be in attendance, especially those who have not balanced their account up to June 30. The semi-annual audit will be made at that time, and in order to have an encouraging report it is necessary that the uncollected dues be reduced to a minimum.

Tonti Members Pledge Full Cooperation and Loyalty to New Staff

1-3 Thurs. . . 4221 W. Irving Park Rd.

At our last regular meeting, the annual election of officers took place. The brothers are to be complimented on their choice of men to guide the destinies of their council during the next year.

We have a fine staff of officers to lead us and your whole-hearted cooperation and loyalty are solicited to further strengthen the unity of our Council.

The K. of C. will soon have a definite plan regarding the part they will play in helping to establish recreation centers for the men in the military and naval services of our country.

When the plans of the United States Service Organizations are completed, I know Tonti Council will cooperate to the fullest measure.

Congratulations to Recording Secretary Len Kriessl and Mrs Kriessl on their 25th wedding anniversary.

Gar. Moreno Council Names John Mech and Jos. Dehnert to Lead

2-4 Tues. . . . . 155th & Lexington

At our last meeting our annual election of officers was held with D.D. Edward Martens in charge. The results of the election are as follows: Grand Knight, John Mech; D.G.K., Joseph Dehnert; Chancellor, Wm. Powers, Jr.; Recorder, Martin McGee; Treasurer, Alfred St. Aubin; Warden, Andrew Curzydel; Advocate, Andrew Klaczynski; Trustee (3-year term), John Doheny; Inside Guard, William Lemons; Outside Guard, La Vern Lau; Delegaate to State Convention, James Mann; Alternates to Delegates, Alfred St. Aubin and Romeo Begnoche; Deleates to Chicago Chapter, Francis De Mayo and Martin McGee.

The following appointments will be made by Grand Knight-elect John Mech at a later date: Membership, Lapsation, Organist, Athletics, Lecturer and Scribe. Our heartiest congratulations to our newly elected officers. May the year ahead of them bring the fulfillment of their fondest hopes for their council.

Our sincere congratulations to Grand Knight-elect John Mech. You have worked very hard for your council. You're starting soon, on a new road and we want you to know that our very best wishes go to you for a very successful administration.

The membership turned out in large numbers at this meeting. Other notes of the meeting were: Sick committee reported that John Kerkhoven was confined to his home with a wrenched back. Simon Ryan was on the sick list but is now o. k. again. He was present at the meeting. Charles Wisell, manager of the softball team, reported that the league disbanded and that our council team will play free lance games. Marty McGee made a very interesting report on the barbecue books.

Grand Knight James Mann announced that Francis De Mayo has been appointed chairman of the annual picnic. Cy Katity was the chairman, but due to his work he asked to be relieved of the job. The Grand Knight also announced that Simon Ryan is the council chairman of the United Service Organization. You will all be asked to help the U. S. O. P.G.K. Frank McMahon of San Salvador Council is the general chairman of this district of the U. S. O.

After the meeting, refreshments were served by Frank McCoomb, Charlie Moran, Richard Walenga and Jackie Zea. Thus the most important meeting of the year is now over, but with this new team of officers, let each and every one of us contribute our part, no matter how small, that our council in the coming year will reach new heights in membership, activities, and a real fraternal spirit.

THIS AND THAT

D.D. Henry Hilgendorf conducted the election of officers at Chicago Heights Council. To Grand Knight-elect George Pallo and D.G.K.-elect Walter McMurray and other elected officers we extend our sincere congratulations. Joint installation of Chicago Heights officers and ours will take place this year in Harvey on Tuesday, July 8. To Henry Stein, on the recent celebration of another birthday, our congratulations. We are indeed happy to report that the mother of Al St. Aubin and Vin. St. Aubin will soon be home from her long confinement at the hospital. Our sincere wishes go to her for a speedy return to good health.

The council's annual picnic will take place in August. So in the very near future committees will be appointed and then the real work to put it over in a big way will be the ambition of these committees. So to insure its success, all members will be asked to do their bit. Tuesday evening, June 22, is the date of our next council meeting. This will be the last meeting of the present officers, as our new officers will be installed at the first meeting in July.

These officers have served us for the last two years. Let's show our appreciation of their efforts by being present.

RALEIGH KEAN NAMED NEW G. K. AT MADONNA

2-4 Fri. . . . . 4624 Emerald Ave.

In a setting as peaceful as Sleepy Hollow on a Sunday afternoon, Madonna's officers for the 1941-1942 term were elected at the last council meeting. With gravy menu, D. D. Pat Noonan wielding the ice-crusher we call a gavel, conducted the in-and-out-of-office business, and successfully ended with no bodies strewn across the greensward.

Heading another of Madonna's youthful coterie of executives (no desks of their own, though) comes Grand Knight-elect Raleigh Kean, who so nobly executed the office of D. G. K. for the past two years. He and his staff will be inducted into office on Friday, July 11th, wreathed in rosemary and garlic.

TOMORROW

Saturday, June 21st, Raleigh will be inducted into the National Council of Married Men when he exchanges marriage vows with lovely Jo McGrath at St. Gabriel's Church at 10 o'clock Mass. Jo will be attended by her sister Mary Alice and the Misses Mary Kenny and Helen Burns, while Raleigh will have the man power of his three brothers, Larry, Del and Ed.

Upon their return to the city the newly-weds will reside in the same building as G. K. George Noonan and his beauteous boss, so Jo and Gert can borrow cups of sugar, onions, eggbeaters and what-not.

Unfortunately, the latest initiate into the League of Desperate Men won't be able to borrow any suits from the G. K. if he should get the urge. There appears to a slight discrepancy in weight—or else we've got the blind staggers. (Careful, laddy, ol' Georgie Porgie chased us up and down these columns for mentioning his form divine out loud here not so long ago.—Ed.)

THE NEW DEPUTY

Didn't get a star for his vest, because he's a star in his own right. Marty Morrison is one of the finest bathroom baritones on Emerald Ave. and also one of the finest Lecturers we've had in many a day, rounding out a successful season this year. Living right next door to the clubhouse, Mart will never be able to use that time honored alibi that's he's too far away to be on hand.

Good old Charlie is again Chancellor, and anyone who witnessed the degrees a couple of weeks ago will have to agree that Charlie Scannell is tops. Harold Kane is the new dough watcher. Gerald Finnegan replaces one of the finest Wardens we've ever had, John Horan, who has retired for a year to regain his health. Geo. Latchford, Jr., was re-elected Advocate.

THE THREE

Watchdogs of the council's eighteen cents are John Morrissey, Joe Halloran and Jim Ryan. Outside Guard Mike Crilly was moved inside as a reward for standing out in the wintry blasts last July, and two new Outside Guards, Frank Jackson and Tom Carmody, add to the handsome array of officers. Oh, yes, we're still in the rut, which rounds off the complement of the staff for 1941-1942.

IT WAS GOOD

To see all of our new knights who were initiated at the last session, attend their first regular meeting. Next Friday night, June 27th, they're due to take their Third Degree at Perez Clubhouse, 67th and May Sts. After that they should be ready to whale 'ell outta the old pill at the Golf Tournament July 20th at Glen Eagles, Kansas City's fastest growing suburb.

Father William Ryan, brother of Treas. Jim Ryan, was ordained last Sunday at the Church of the Assumption, Perryville, Mo., and will say his first Solemn Mass at St. Gabriel's at noon next Sunday. Reception will be held the same evening at Visitation Community Center, 920 W. Garfield Blvd., from 7 to 10. To Father Bill, our warmest congrats.

AT HOME

After an extended trip to the Smokie Mountains and the Atlantic seaboard are Vin and Laura Donegan, who report an extreme drouth south and east. No rain for days and days—but cloudbursts? Twice a day and four on Sunday.

Vin says the best part of the trip was thinking about it three months ago.

Colonel Forrest X. Bordelon, pride of Chawtobacco Parish, La. (those crackers are funny people), is also just returned with his family from the old Bordelon manor in Alexandria, La.

He also reported a slight precipitation (12 feet, to be exact), which flooded a complete town. The Colonel relates how he stood on a dammed breakwater and saw a beautiful blonde ba— er, girl, being washed out to sea. A gentleman to the last corpuscle, he heaved her a bar of Ivory soap, which helped wash her back.

Incidentally, he returned with a sleek new Pontiac.

And when this reaches the editorial desk, we shall be far, far away from the maddening crowd.

No more meetings, no more books,
No more editor's sassy looks. Yah, yah, yah!

(Don't be late to bed, sonny, and don't forget the early—June 30—deadline for the July 4 issue—have a good time NOW. Ed.)

OAK PARK TO INSTALL NEW STAFF NEXT MON.

2-4 Mon. 641 S. Scoville Ave., Oak Park

On next Monday night, June 23, the council will install its officers for the coming year. This is a grand opportunity for you to pay tribute to one of the finest Grand Knights in the history of the council. It is the last chance to let him know that you appreciate the two years of service that he has given, frequently at great personal sacrifice, in order that our council might progress. Give him the type of sendoff that should accompany a job well done. Then you also will want to welcome the new officers. By your presence and enthusiasm you will give them the will and the courage to face the many obstacles of the coming year. They do this, not for the glory, but for service, that your council might well uphold its part as a link in the great chain, the Knights of Columbus. Be there!

Sunday, June 29th, will be the regular quarterly Communion Sunday of the council. The details for this day have not as yet been completed, but full particulars will be in the next issue of the Columbian.

The months of July and August will have only one meeting, as has been the practice in the past. It is hoped that all of those who can will be present. One meeting a month is not a hardship on anyone.

MEMBER ITEMS

One of the popular members of the council, also of the Fours, is now on his way to Colorado. Traveling is not new to him, since in the course of his work he is called upon to do that quite often, but this time it is different; he is on his honeymoon trip, accompanied, of course, by his bride. This member is Frederick J. Bohling, who was joined in holy matrimony with Catherine Ann Crowley, of Antigo, Wis., at the Holy Name Cathedral on Saturday, June 14. To Fred and his bride we extend the best wishes of his many friends in the council for a happy wedded life.

Another of the well known younger element also took the step to matrimony. On Saturday, June 14, at Ascension Church, James J. Flanagan and Genevieve Karthold became man and wife. Congratulations, Jim, and best wishes to both for that long and happy life. To the wives: The meetings are held on the second and fourth Mondays. Do send the boys over; you can have them on the other evenings!

Keep your eye peeled for the greatest picnic in the history of the council. It won't be long now.

Brother George Balcom has been ill for some time and we hope that he is now on the way to recovery. Brother Balcom has been a member of the council for many years, being one of those who has two of his sons, Walter and James, also members of the council.

Genoa's New Leaders Inducted Into Office by D. D. Judge Prystalski

1-3 Mon. . . . 7439 Cottage Grove Ave.

Genoa Council held its regular monthly meeting last Monday evening. The meeting was called to order by P.G.K. James F. Riley, Jr., who filled the job for the last time in his own capable and splendid manner. After the business of the meeting was attended to and various reports were given by chairmen of the committees on Membership, Softball, and divers other committees, the installation of the newly elected officers of the council for 1941-1942 were inducted by District Deputy Judge John Prystalski.

G.K. Robert Stadler was installed as G. K. and the other officers also assumed their new positions. G.K. Stadler thanked the membership for their confidence and faith in him and assured the members that he would devote untiringly his efforts to the success of the council.

MEMBERSHIP CHAIRMAN

The outstanding appointment of G.K. Stadler was that of P.G.K. James F. Riley as membership chairman. Bro. Riley accepted this appointment and promised the members that during the coming year he would exert every effort toward fulfilling the membership quota and keeping Genoa Council on the honor list for the Illinois Councils.

Without question this will be accomplished because there are only a few things that James F. Riley, Jr., goes after that he doesn't attain, and we feel certain that this will be one which he will fulfill. It will be up to the members of the council to work toward this end and cooperate to the fullest extent with the membership chairman.

The position of organist for the coming year has not been filled; however, there are several applications being considered and the office will be ably filled in the very near future.

SOFTBALL

The softball team, under the direction of Marty O'Brien and Ed Carroll, is working hard and after this week should be in good shape. The first game will be with Loyola-Hyde Park Council at Avalon Park during the week.

Anyone interested in playing with the team should contact Bro. Ed. Carroll or the Grand Knight.

GOLF DAY

Several members of the council have submitted their applications for the State Golf Day on Wednesday next, June 25, to be held at Olympia Fields Country Club. Anyone anxious to play should arrange their attendance with D.G.K. Wm. Hanney by calling his house or his office as soon as possible. The cost is only $5.00 and everyone attending is assured an excellent game of golf, with dinner and luncheon served and an evening of entertainment. Wm. Hanney's house telephone is Radcliffe 1056, office number is Franklin 7111.

CONDOLENCES

The members express their sorrow to Bro. George Munger in the loss of his father who died during the week. May his soul rest in peace.

We understand that Art Sweeney has been confined to his home during the past week or ten days due to illness. Hope that you are up and around soon, Art.

Englewood Prepares to Advance Council Banner to New High

2-4 Mon. . . . . 150 W. 69th Place

Now that another year has been written in the annals of the council, and now that another election has been held and new officers elected, it's time to look forward to see that the next year, when completed and recorded, will be as successful and eventful as all previous years.

However, there are two words that every member must learn before this can be true, the first is "cooperate" and the second is "support."

Let us take each word separately and analyze it a little better. Cooperate, according to Webster, means "to operate together for a common object." And what is our common object? It is to keep Englewood Council among the leaders and place it on the high standard it has been. How can we do that? By "operating together" for all purposes and functions, no matter what they be, social, civil, athletic, etc. When appointed on committees, serve on them.

The second word "support" has many definitions and meanings, but the one that I think most appropriate is "to show to be true or trustworthy." This is a meaning that is self-explanatory, and if analyzed thoroughly needs no further comment.

There is no doubt, that the combination of your newly elected officers, together with the exemplification on your part of these two words, will result in a banner year for your council. And always remember, the more you do for the council the more you do for yourself. You can only get out of anything, what you put into it.

"E"-THLETICS

Athletic Director Joseph Hannapel has attended almost every meeting of the league since they "opened for business" this season. He has entered a team in the league. He has appealed to the members, both personally and indirectly by phone or mail. And what happened? The first game we were scheduled to play had to be postponed. The second game was called for Tuesday, June 10, at Meyering Park against McHale Council. It is true that this was the night following the election of officers, but nevertheless, there should have been a better representation, than Joe Hannapel and his son, Leonard, Louis Sink, Richard A. Phillips, Jr., and myself.

This week we are scheduled to play Auburn Park twice, once due to postponement, and the other regularly scheduled. What is in store cannot be seen right now, but I hope that by the time next week's column is prepared that we can give a brighter rendition of what happened. There are only four teams in our bracket, McHale, Auburn Park, St. Rita and Englewood. Four rounds will be played, and there should be no trouble for Englewood to "cop the bracket" if Joe is given the support he is entitled to. Come on out. Watch the Sports Page for the following week's schedule. E-ncourage E-nglewood's E-ndeavors.

Besides his duties as Athletic Director, Joe Hannapel has been appointed chairman of the United Service Organization Committee of Englewood Council. Watch for further details regarding this most important activity. It is one of the most worthwhile projects undertaken by the Knights of Columbus since the last war.

E-NGLE WOOD-CHIPS

Well here it is . . . what? . . . a day when the sun is shining . . . and how is Dick Phillips, Jr., progressing? . . . he was the victmi of a "crooked" ball in our game against McHale and came out with a "crooked" finger, making it necessary to miss the St. Rita game last Thursday, which incidentally was postponed due to "wet grounds.". . . Another graduate last week was Len Hannapel, son of Athletic Director and USO Chairman Joseph Hannapel, from Mount Carmel, and another thing, Len was the only oboe player in the band last year, whcih brings to mind that Anna Belle Loughnane again won the xylophone championship in the annual Diocesan competition, this year grabbing the honors from all male competitors, which in itself is remarkable and this being the third or fourth successive year that she has walked off with these honors . . . and not to be outdone, her sister, Betty, received the "blue ribbon" in the solo competition of the flute division. . . Too bad that Phil is down at Camp Forrest, Tennessee, for they need that cornet to make a good band. . . Anyway, congratulations and good luck on future undertakings in the music world for Anna Belle, Betty, and Len. . . Philip Huguelet is continuing his education by attending the summer classes at the Armour School branch of the Illinois Institute of Technology . . . whew, some monicker; how can they get all that on one of those small class pins? . . . In the meantime, don't forget the next meeting of the council, Monday, June 23rd, 1941, and above all, the installation of officers on Monday, July 14th.

McHale Officers Will Assume New Duties at Next Regular Meet

1-3 Tues. . . . . 150 W. 69th St.

At our next regular meeting, McHale Council will hold the installation of officers elected at our recent meeting. These men will handle the affairs of our council for 1941-42. Plans are being made for this occasion and there will be plenty of refreshments, so why not plan on attending. Your presence will lend support to these newly elected officers, so let's have a large turnout.

All members of McHale are asked to attend the Third Degree to be exemplified on Friday, June 27, at 8:30 p. m., at Father Perez Clubhouse, 6710 S. May St. It will be known as John F. Bolton Class, in honor of our retiring State Deputy, who has made such untiring efforts for the membership program. McHale Council will have many candidates in this class and we should have a large member attendance also. Chancellor Eldon McGuire, chairman of the membership committee, reports that McHale Council will go over its quota in this year's drive for new members. Nice work, Mac. Bro. Jim Duffy has turned in four more applications. Jim, along with Bro. Jack O'Connell, is doing one of the most outstanding jobs of bringing in new members that our council has seen in years. Congratulations, fellows!

COUNCIL NEWS

In a recent issue of a newspaper published by the students of Parker High School, a son of one of McHale's most popular P. G. K.'s was given quite a write-up. They call him "Mighty Mite" campus leader, selected as being the most popular senior boy, president of his sophomore class, A Cappella chorister, cheer leader and baseball manager. To us he is just a chip off the old block. William Mugg, Jr., is the lad with this fine record. We congratulate him and wish him continued success.

We received a card from P. G. K. Bill Collins, who is in New York on a vacation with his family. Vinc Aaron, son of Tom Aaron, is stationed at Camp Grant doing his bit for Uncle Sam. Margaret Berta, daughter of the dean of McHale Bowlers (Fred), took part in a musicale a week ago Sunday night at Hackmann Hall, Academy of Our Lady. The girl friend and I took this in, and it was beautiful. Bro. Doc Ryan had another son graduate from Mt. Carmel a week ago Wednesday night. Bro. Jack Stevens had a son graduate from De La Salle and a daughter from St. Xavier. Congratulations! I have tried to follow the (Major) P. G. K. Con Kelly around the country but I couldn't. He had been in Michigan, Indiana, and was getting ready to leave for Missouri. He had just recently been down East. Bro. Fred Barzen has a gas station and tavern at 127th and Cicero Ave. All members and their friends are invited to drop in and see Fred.

SOFTBALL

The softball team of our council is at present shaping up to be a team that will give the other councils a battle. McHale met and defeated Englewood, 7 to 4. Our boys were nosed out by Auburn Park in a thriller, 6 to 5. Manager Leo Kareiva is doing a fine job with the softball team and is being well supported by such stars as Bro. Joe Sheehan, Russell Ryan, Dick Wyer, A. Usher, Paul Terry, Joe O'Connor, D. Usher and F. Mulroy. Two of the boys have just returned from their vacations, Leo Wemple and Pat O'Connor.

Be sure to come out and watch the boys play. At recent games we had the pleasure of having Bro. Tom Hackett and his charming wife, Jack and Jim O'Connell, Charlie Cotuno, Earl Edgeworth and his son, Tom Flood, Bill Morin and Jim Duffy. While on your vacation drop us a card and let us know where you are.

Remember that when you're in the right, you can afford to keep your temper, and when you're in the wrong, you can't afford to lose it.

OUILMETTE TO INSTALL OFFICERS NEXT MONDAY

2 & 4 Mon. . . . . 1215 Wilmette Ave.

Big meeting next Monday, Brothers; be sure to attend and see your newly elected Grand Knight, George E. White, and his staff of officers selected for the year 1940-41 installed into office. For the last twenty or more years we have always been saying "Let George do it." Now we must reverse things and say "Let's do it for George."

Since he first became a member of Ouilmette Council, Brother George E. White has always been working and striving to place his Council and Brother Knights in the front of things and then sitting back to let us reap the benefits. Who was it that fixed the wonderful Christmas parties, picnics, lunches, dances, bowling league, etc.? No one but George. So what do you say, Brother Knights, let's all attend Monday's meeting and give Brother White a start on his new office that will surely mean prosperity and success in every undertaking we tackle the coming year. The Council is indeed lucky to have a man like Brother White at the helm to guide us.

On the other end of the hall we will see Brother Nicholas J. Miller, sitting in the Deputy Grand Knight's chair that he has already occupied for four terms in the 36 years he has been a member of the Council. Ouilmette Council needs a cool, level head to bring things back to order in the meetings when they get out of hand. We have made a very wise choice in placing this responsibility in the hands of a man who can at a short moment's notice fill in any office or committee and bring all things concerned to a happy conclusion.

Other officers to be installed are: Harry M. Peters, Chancellor; Richard Miller, Recorder; Phil Hillinger, Jr., Treasurer; Leo J. Hassenauer, Advocate; Leon Steffens, Warden; Edward Hanke, Inside Guard; John Froelich, Outside Guard; Richard Murray, Trustee for three years; Anthony Ludovic, delegate to Chicago chapter; Peter J. Thalman, delegate to Chicago Chapter; Anthony Ludovice, delegate to State Convention; Joseph Lechner and Peter J. Thalman, alternate to the Grand Knight and delegate to State Convention.

This is a fine array of officers and each and every one is a hard worker and will endeavor to do his best to the fullest extent of his ability to make the coming year a happy and momentous one. So Brother Knights, we predict that you will miss a grand time and a splendid opportunity to get a start on the band wagon if you miss Monday's meeting.

"OUIL-MENTIONS"

Ouilmette Council's retiring officers, incoming officers and members join together to congratulate Brother John Meyer and his wife upon reaching their fifth wedding anniversary. We hope that Brother John and his wife have very many more anniversaries and that each one will be full of fond memories and bright hopes for the future.

It looks as if the Council might still get that fish dinner promised us about five years ago. Last Sunday, Brother John Holzheimer was seen at the Skokie lagoons and had a mess of sardines or something just as small. Also we know that Brother Andy Schwall has been doing some casting on the sly and may surprise us some meeting night with a couple of bass. Last but not least, Dr. Fred Genster and Larry Schaefer are going up to Squirrel Lake and promise to send home a carload. We don't know if they are going up to catch fish or to get away from it all.

Years ago, when Brother John Huerter was a small boy he had pigeons and chickens. Hardly a week went by that he didn't get in some trouble with a neighbor over stolen or killed birds. Now his son Joe is dabbling around with chickens and pigeons and things look very promising for a quick settlement between young Joe and the same old neighbor. We hope Brother John gets things settled quickly if they start popping.

If you want to learn anything about the State Golf Tournament, Council Tournament or the annual picnic you will have to attend the meeting Monday night.

THIRD DEGREE

Friday, June 27th, is the date of the next Third Degree. Feehan Council has a number of candidates who are expected to partake in this exemplification, and there is a rumor of a few new wrinkles which should cause a goodly crowd to be present at St. Philip's Gym, Jackson and Kedzie.

GOLF—Despite an extremely damp and dreary day, Feehan's first tourney last Wednesday can nevertheless be termed a success. Upwards of 30 amphibians ferried out to Pickwick Pond and floated around for several hours, battling wind, rain, pneumonia and par. Conditions failed to bother Bros. Gus Tamburrino and Roger Power, who brought in identical scores of 79. We won't talk about the others. Suffice it to say that everyone went home with a prize after taking on a well earned and badly needed steak dinner. The weather for the next one can't possibly be as bad, and if it comes off no sooner than one month hence, our togs might even be dry by then.

Oh, yes, lest we forget, the highlight of the day occurred at the eighth hole when Gus Tamburrino and yours truly both sunk our approaches. Are we kidding? Well, we didn't believe it either until we looked in the hole. This feat put us on a par with Augie Tamburrino as a golfer. We should have quit then—and for keeps.

Several matches have been run off in the match-play tournament. The victors to date: Turk Fogarty beat Jimmy Collins 1 up; Ray Tuohy beat Joe Brophy 1 up; Harold Crotty beat Frank Reynolds 5-4 (conceded); Frank McQuillan beat Tom Fitzgerald, 6-5; Augie Tamburrino beat Bill Collins, 6-5; Ed Morrissey beat Frank Tamburrino, 3-2; Tom Collins beat Bud Schoomer 2 up, and Joe Malloy beat Ed Imhof 1 up.

CONDOLENCES: A body of Feehan members gathered together last Friday to pay their final respects to Mrs. Margaret Thoner, wife of Bro. Ollie Thoner, and mother of Br. John Thoner. To these bereaved brothers Feehan Council extends its heartfelt and sincere sympathy.

CONGRATULATIONS: To Bros. P. G. K. Art Harmon, Edw. A. Riley, John J. O'Connor, Wm. J. Dunne and Leo M. Karcher, who celebrate birthdays this week.

Blue Island Expects Large Delegation to Attend Golf Tourney

1-3 Tues. . . . . Gregory and New

All aboard! last call for the K. of C. State Golf tourney to be held at Olympia Fields on Wednesday, June 25th. Don't miss this event, Brothers. Golf all day. Luncheon, dinner, prizes, entertainment. Refreshments on the course and many more things too numerous to mention. All in all, gents, it is the finest golf tourney that is held anywhere.

Blue Island Council already has between twenty and thirty men signed up to play. So, how about you sending in your reservation now? The whole day will only cost you five dollars, which is really cheap when you consider what you get for your money. As an added attraction you can bank on seeing Judge Seyfarth do the rhumba, Dan Boyd will take a drink, Geo. Karg will probably be there with a package of firecrackers and then Aldy. Gerdes will be there with a package. Rich Bentson will come in with an 81 on the first nine. Jim Hickey will be there with his hearse to see that all the stiffs get home safe.

As a finale there is always the floor show in the locker room put on by the Brothers from Blue Island. If this isn't reason enough for you to be with us on the 25th at Olympia Fields I give up, but I feel confident Blue Island will run off with the attendance prize this year.

So much for the state tourney. Our own council has selected three dates for their own tourneys. The first one will be held July 27; the second, Aug. 24th, and our Pow Wow will be held Sept. 28, probably at Glen Eagles C. C. More about this later.

Leo Holds Party for Softballers at Club Tonight

1-3 Tues. . . . . 820 W. Garfield Blvd.

Tonight, Friday, June 20, all roads lead to our Clubhouse which is the scene of the Annual 50-50 party for the benefit of the softball team. Every year Manager Peterson and his boys take this means of obtaining the money to run the team so as to reduce the drain on the council treasury. The boys are counting on you to make this party a success. It will be a wonderful opportunity for you to have an enjoyable evening with your friends, have plenty of refreshments and meet the members of the ball team personally.

We have a fine team this year that surely is going places and with the proper kind of a start at the party this will be assured. So we ask all to be on hand tonight and give the team and the manager a rousing sendoff. The boys are counting on you. While the team went merrily on its way and knocked off Dowling and Weber to make it three straight it seems proper to print what the manager had to say about the first game.

Bro. Peterson writes, "Joe Healy, playing his first game for Leo pitched all the way against his former mates (Ft. Dearborn). Joe also climaxed a five-run first inning with a home run. Dom. Lostroscio with two singles, a double and a walk and Russ Boyle with a single, double and a triple were the hitting stars. The game was well attended by our members but we would like to have still more of them out to cheer our boys on to victory."

Well said Ed, and lots of luck on your team and the party. Next Sunday, June, 22, our team will participate in a night ball game under the lights at Normal Park. There will be three games at 7, 8 and 9. Leo will play Visitation. All stars in the feature game at 9:00 p. m. All in all it looks like a big softball year for Leo with the pennant flapping in the breeze.

TUESDAY AFTERNOONS

As you know every Tuesday afternoon the council has been having socials that were very popular. Bro. Ruberry and his committee did a grand job. As the season is now closed, Bro. Ruberry presented his final report to the council at last meeting showing in detail expenses and receipts and with statistical information in the Ruberry manner. The net profit was turned over to the Building Association for use of an important nature. We hope to have bigger and better socials in the fall. The council was well pleased with the report and at the suggestion of Grand Knight Wagner a rising vote of thanks was tendered to Bro. Ruberry and the loyal workers of his committee.

DOTS AND DASHES

Bro. John Polaszewski of 5441 S. Laflin St. gave a blood transfusion to Father Boyle of Tinley Park at St. Bernard's Hospital last week. We are very proud of John and the distinction that he has brought to himself and to the council. . . Mr. and Mrs. John S. Hickey invite the members to the wedding of their daughter, Catherine, to Mr. James Joseph Walsh on Saturday, June 21, at Visitation Church at 10:45 a. m. Congratulations to the happy parents and the couple.—Installation of officers at the next meeting July 1. Make plans now to be on hand. It will be a gala night. D. D. Pat. Woods will be on hand to officiate. . . Pay your dues now. The quarter and the fiscal year are drawing to a close. Be up to date when June 30 rolls around. Financial Secretary P. Jos. McNamara will be on hand every Tuesdany and Friday evenings for your convenience.—Contribute when requested to the USO and help the NCCS. De La Salle Urges All Members to Lend Full Cooperation to Council

1-3 Tues. . . . . 1105 E. 47th St.

Last Tuesday De La Salle Council chambers were graced with the presence of a number of candidates for entrance into the order. Thanks to the thoughtfulness and hard work of Bros. Bill Bardon and Jim Young, the hall was decorated and generally overhauled for the occasion. It's really wonderful what a little work and cooperation will do for the advancement of a council, and with such good example as this, why don't we all pitch in and show our interest? Lately we haven't been seeing many new faces at the meetings, and that, my friends, is just what we mean by cooperation.

It doesn't mean much to us as individuals to come down to the meetings, but think what it means to the council to have a meeting or two that can be pointed to with pride. So why don't some of you members desert the fireside occasionally and see what the inside of the building looks like.

Speaking of new faces, where are Frank Murphy, Eddie Durkin, Ray Webb, James Moriarity, Neil Buttimer and Ed McAuliffe, to mention but a few? Why not surprise us and yourselves by coming down next time? Remember there is only one meeting in July and one in August and those empty chairs get mighty dusty when nobody uses them. Now don't get me wrong, we do have a good attendance, but what we are driving at is that we want NEW FACES.

COUNCIL ITEMS

The officers wish to thank those whose hearty cooperation made the Barbecue such a success. The returns are not complete at this writing, but next meeting should bring some welcome news. Here again is the old idea of cooperation. It only goes to show what can be done with a little concentrated effort.

How many of our boys are in the service of their country? We have a report on a few of them, but are not sure that we have the complete list. Any news that we have from them we will be glad to pass on to the readers of this column. Furthermore, the soldier boys themselves are welcome to write, care of the council.

While on the subject of letters, we had a letter from our P. G. K. and good friend John L. Husung, reporting favorably on his new venture in the Pacific Northwest. All's well with Bud, so let us wish him all the blessings of a happy and successful life in his new home and business. If he should read this, we all hope that he will write soon again so that we may follow his progress.

Bro. Ed. O'Keefe should have something definite to report on the council golf tournament by the time next meeting rolls around. Speaking of golf tournaments, don't forget the general tournament at Olympia Fields in the very near future. This should give all our pros a chance to warm up for our own shindig. Maybe if O'Keefe would direct a few of his oratorical talents this way we might be able to hear a report of something definite next time.

Have you done your part for the U. S. O.? Don't forget it; maybe some day you will be mighty glad that you had remembered it.

Ravenswood to Attend Picnic Sponsored by Friend, Father Malloy

1-3 Wed. . . . . 1521 Wilson Ave.

In the absence of the scribe who with his family is in South Dakota, someone must undertake this job and while the result may not equal the efforts to which you are accustomed, you will at least have notes. We all hope that Wally and family have an enjoyable trip.

Now that the barbecue is over and we are certain that through the efforts of Trustee Farrow and his committee we have done at least as well as in other years, we might well give our support to another worthy cause and surely support the efforts of one, who for more than twenty years has supported Ravenswood in every endeavor.

On Saturday, June 21, from 11:00 a. m. to ?? our good friend, Father P. J. Molloy is conducting his annual picnic for the benefit of Annunciation Parish at Harm's Grove, 4200 North Western Ave. Father Molloy promises games, rides, refreshments, novelties and free dancing, rain or shine. And all of us know that Father Molloy always puts on a real show. Let's give him support.

And the election of officers for the ensuing year is a matter of record. Your substitute scribe will defer announcing the results until the return of the scribe. In the meantime, you are advised that the meeting of June 16th was well attended. It was good to see Organist Keiffer, Chancellor Mawicki, Brothers Father Molloy, P.G.K. McIlwain, O'Malley and Gorman of the old-timers and Bros. Carroll, O'Grady and Rogers from among the new members.

The Holy Name Society of Our Lady of Lourdes invites our members to join with them in retreat at Villa Redeemer from June 27 to June 29. If you are interested, and we hope that many will be so inclined, notify Father McLoraine at Our Lady of Lourdes.

1-3 Tues. . . . . 2856 Washington Blvd.

Tuesday, June 17, the recently elected officers were installed with all the pomp and ceremony for which Barry Council is noted. We all join in wishing them every success for the coming term, particularly Bro. Cunningham, whose shoulders will be bowed with the weight of the responsibility of Grand Knight.

FLASH: Hello, Brothers. Glad to have seen you at Riverview Wednesday for the Barbecue. Many thanks for the support you've given to our efforts in behalf of the underprivileged youth of Chicago. We'll see you at the next meeting and give you the full details of Barry's part in this year's Barbecue.

BARRY COUNCIL DANCE

The Dance Committee, of which Bill Kennelly is able chairman, is formulating the plans for a dance which will long be remembered by those who attend as one of those gala occasions which come but seldom. Bill is doing a lot of hard work and deserves plenty of support. There will be more of this in the coming columns.

BARRY COUNTRY CLUB

Don't forget that the Commodore Barry Country Club opens this month with the coming of the La Salle Street Cashiers, who are holding their annual golf tournament June 28 and 29. We have planned for this season to be our most successful, and with all the care and time that has gone into the preparation there is no reason why it won't be our best. Everything has been done to cater to the guest, no matter how discriminating, and we hope we won't be disappointed.

FROM HERE AND THERE

We note that Bro. Tom Hoskins is traveling in foreign climes. Just received a card from him in Quebec and see that he is quite impressed by the churches in Canada. News has filtered in through Bro. Cunningham that good old Jim O'Connor, who was in the hospital, is now at home convalescing. We all wish him the best of luck for a speedy recovery. The Sick and Visiting Committee reports that Bro. John Olinski is on the sick list. Don't let it get you down, John; we're pulling for you. Bro. Al. Schults of 3008 N. Whipple St. is also in the hospital. Keep your chin up, Al. We all wish you a successful and speedy recovery.

BENEDICT OF LATE

We are all happy to hear that Bro. John Flavin is being joined in the holy bonds of matrimony on Saturday, June 28, with Miss Margaret Delaney. The wedding will take place at St. Sabina's. Loads of good wishes, John, from all of us, and may your wedded life be long, happy and prosperous.

It is with a real degree of sadness that we hear of the passing of Mrs. Joyce, the beloved wife of Past Grand Knight Leo Joyce of Americus Council. Please accept our heartfelt sympathy in your bereavement.

BARRY DEFENSE

The Home Guards are rapidly filling their ranks and are now beginning to take on the appearance of a real military unit. Their uniforms are really snappy and they make a fine impression. The close order drill under the direct supervision of First Sgt. Cook is reaching the high point of efficiency. In the near future the entire regiment will meet at an appointed place for inspection and review by staff officers, and in the meantime show your patriotism by becoming a member.

Gen. Sherman to Hold Monthly Meetings for Summer on 3rd Tues.

1-3 Tues. . . . . 4300 W. North Ave.

Bill Ehrler, brother of Bro. George Ehrler, died Monday, June 16. He was buried at St. Barnabas. We extend our sympathy.

There will be only one meeting instead of two, during July and August. It will be on the third Tuesday of these two months.

Bro. Matt Ellgass made a grand speech at the meeting on last Tuesday. He asked for cooperation to the new officers.

Father Mike is still in St. Elizabeth's hospital. Drop him a line or visit him.

COUNCIL ACTIVITY

Last meeting of the Fourth Degree Club for the summer is June 25. The main topic is the coming dance in November. Please attend, if possible. Bro. Jack Ryan was one of the honor guards at the dedication of St. Genevieve's church on June 8.

Bowling picnic at Winter's Grove on June 29. Come one, come all. One and one-half miles west of Harlem on Lawrence, then north on East River Road. See markers.

Bro. John Ruh received a different gift on Father's Day. His daughter, Lorraine, who is preparing to become a nun sent him the following gift. She gave her devotions in proportion to what she would like to give her Dad: 1 suit—went to fifty Masses for him; 1 tie—100 visits to church; 1 shirt—5 stations for him; pair of socks—50 rosaries; hankie, 25 acts of charity; sweater—500 aspirations; 1 hat—5 holy hours; 1 pair of shoes—10 holy communions. You are a lucky man, Bro. John!

Newman Appointments Set Up Council Staff for Busy New Season

1-3 Thus. . . . . St. Mary's Hall

My dear friends the story this week will be according to Grand Knight Gehant entitled "There will be some changes made." When a new president, governor or mayor assumes office naturally they make several changes. The same is true of our new Grand Knight.

Wally insisted on starting his reign of office on a new platform. Therefore he called forth two well-known carpenter contractors, Bros. Otto Menke and Tom McIllwee, to tear down the old platform and build a new one, the new one to be two feet higher than the old one. The Grand Knight also had them cut down the pedestal one and one-half feet.

The following committee chairmen were appointed: Lecturer, Tim Jans; Financial Secretary will be Past Grand Knight Tom Hayes. Past Grand Knight Con Hayes is the only chairman of the past year's appointees who has been asked to accept the same leadership of the Sick and Relief committee. His same efforts during the past year were especially appreciated by all the membership and particularly by those who were ill during that time.

Dr. Edw. W. Keefer was selected as scribe and John C. Craig, newly elected advocate, will serve as Publicity chairman. Rev. M. J. Mockenhaupt, pastor of St. Nicholas Parish, has again kindly consented to be Newman Council's Spiritual Director.

The important position of membership chairman was given to Bro. Cliff Dalton to succeed Deputy Grand Knight Bernard Nellessen. Special committee appointments were given to Bros. John Newton, Joseph Jans, Edw. Bell, Chancellor Joe Giannini and P.G.K. Kenneth Lawson. Bro. Gregory Konald has kindly consented to again act as Newman's organist. Bro. Andrew Smith will have charge of Newman's softball teams; Edw. Coursey, golf, and James McNulty, bowling.

Tom Steigelman, who has acted as chairman of the Publicity committee for the past two years, figured he could not accept the chairmanship for another year due to the fact he might be called by Uncle Sam in the very near future. Tom served faithfully and well. Newman hasn't missed one week during his two years as chairman without having a column in The Columbian. The same is true of Deputy Grand Knight Bernard Nellessen, who has been chairman of the Membership committee for the past two years. There were always applications read at the meetings when Bro. Bernard was chairman.

UNITED SERVICE ORGANIZATION

The Evanston Committee for the United Service Organization opened their campaign for funds with a meeting at the North Shore Hotel last Friday. Newman Council was represented by Past Grand Knights Con Hayes, Ed Bell, Ed Arnold and Tom Hayes.

The meeting was presided over by Mr. Ira Rosenberg as Chairman of the Evanston Committee. Mr. Rosenberg outlined plans for a ten day campaign with all organizations represented cooperating to solicit their own membership and friends.

In keeping with this program, Co-Chairmen Cliff Dalton and Joe Giannini are now receiving contributions and all members are urged to send in their own donations and any others they are able to secure for this inspiring cause.

NEWMANITEMS

Bro. Joe Jans is now called Joe Jans, the miracle man. At this writing (Sunday, 14th) Joe has sold twenty-seven barbecue books. Newman Council challenges any brother in the county to come close to that record. His brother Matt sold fifteen books, as did Bro. Louis Principalli. Bro. Sackrider sold his book at Techny. At the present time it looks as though the brothers of Newman Council will sell between 180 and 200 books.

We were sorry to hear of the passing of Mrs. Thos. Mahon, mother of Bro. Burns Mahon. Mrs. Mahon died Friday morning at Techny and was buried Monday morning, High Mass being celebrated at St. Mary's Church. May God grant her soul eternal rest.

Police Lieutenant Anthony Schult just informed me that his son, Anthony, Jr., is stationed at Camp Forrest and would like to hear from some of his many Newman Council friends. His address is Private Anthony Schultz, 33rd Division, Signal Co., Tullahoma, Tenn.

All softball games for the past two weeks have been called off on account of too much rain.

Charlie Steiglman's daughter Harriet is vacationing in Panama. Dr. G. J. Fitzgerald is driving a new New Yorker Chrysler Sedan. Past G.K. Edw. Arnold just returned from a business trip to Iron Mountain, Mich.

Thanks a lot, P.G.K. Tom Hayes for 'scribing" for the past month. Your columns are always interesting.

University Re-elects Tim Murtaugh as G.K., James A. Brown, D.G.K.

2-4 Tues. . . . . St. Ignatius Auditorium

Our annual election, enthusiastically replete with oratory but devoid of partisanship, marked our last meeting night. Grand Knight Tim Murtaugh was unanimously chosen to succeed himself, the council feeling exceedingly fortunate in convincing him of the necessity for carrying on another year.

Also re-elected were the following: D. G. K., James A. Brown; Chancellor, Martin Clarke Jeffers; Treasurer, Francis A. Walsh; Advocate, J. Thomas Moore; Trustee, Perice J. Fenlon; Delegates to Chicago Chapter, John B. McGuire, F. J. Rooney, James Dolan, J. Thomas Moore and John T. Donahoe. As our able Recording Secretary, Joseph J. Newhouse, found his increasing contracting and legal business made it impossible to continue, Thomas C. Dasse was elected to succeed him. The council prevailed upon Guy Stanwood, the old reliable, to take Dasse's place as Warden.

New Inside Guard is Jim Malone, and Outside Guard, the gentle and quiet but determined young new member, Jerome F. Conway. Members are warned that no slipshod or underhanded methods of trying to get into the council chamber will be tolerated during Jerry's administration.

The council's own celebration for Golden Jubilarian Father F. G. Dinneen, S.J., pastor of St. Ignatius Church and our former Chaplain, preceded the election. P. G. K. Quigley paid a brief but fitting tribute to Father Dinneen as a friend of University in presenting him on behalf of the council with a substantial donation to the new parish library.

BARBECUE

The tardy scribe, in making his Barbecue returns to our esteemed Treasurer on Monday night, ran into a scene of mild jubilation. Francis and Barbecue Chairman Jim Dolan were checking receipts and discovered that the committee's hard work had apparently resulted in breaking our last year's record. Hence the celebration. Details next week.

Our charter member, Dr. George F. McGregor, is seriously ill at St. Francis Hospital, Evanston. The prayers of the brothers are earnestly requested for his speedy recovery.

Chicago Is Host to Division for Degree Work Next Tuesday

2-4 Tues. . . . . 64 E. Lake St.

The First and Second Degrees of our Order will be exemplified for a large class of candidates at Chicago Council's meeting next Tuesday evening, June 24th. The class will include candidates from several northside councils including De Soto, St. Cyr, O'Connell. Sponsors of our own candidates should make every effort to ensure the presence of every qualified applicant as this puts them right in line for the big Third degree exemplification at Belmont Hall on the Friday evening immediately following (June 27th).

Candidates who miss this initiation would, in order to qualify for insurance without another examination, have to seek entry with an exemplification somewhere else in town, involving considerable inconvenience both for candidate and sponsor and too late for the major degree this season.

The meeting will be called to order promptly at eight o'clock so that the initiation ceremonies may be concluded at a seasonable hour.

GOLF CLASSIC

The great All-State Golf Tournament takes place next Wednesday (June 25) at Olympia Fields. The closing date for entries was set for June 20 but perhaps you can talk with Chairman Frank J. Casey (Central 7600) or Henry J. Lynch (Randolph 6070) they can squeeze you in. Anyway, the entry fee of five dollars covers a full day of fun and frolic with entertainment and eatments on a grand scale. Or if you choose to attend only the banquet in the evening, the expenditure is $2.50.

There will also be a report next Tuesday evening from Chairman Bill Brogan concerning our very-own Council Tournament and very likely Bill will be ready to tell us when, where and how much. Further than which, deponent sayeth not.

ARMY-NAVY

There will be up-to-the-minute information about our men already in the service as well as the progress of plans for the K. of C. participation in recreational arrangements for service men visiting in town. Our G.K. Henry L. Phoenix is secretary of the general committee appointed by State Deputy Leo Flynn and he will tell us all about it, you bet.

SOFTBALL

Good news emanates from the facile pen of Manager Paul Rito who reports a win over Americus Council's team with a score of 7 to 6, Steve Mazol starring with a home run. Paul himself registered a hit but progressed no further than first base, according to his confession. (Well, Paul, we did not see the game but we can feel confident that you did better than that; otherwise the team would have lost.)

There was a game this week (Thursday at Sheridan Park, Polk and May Streets) with that go-getting team from St. Francis Xavier Council but our story, filed on Tuesday, has no report.

Manager Rito issues another call for players. Come down to next Tuesday's meeting and get full information.

Weber Hears Details of Drive to Furnish Needs of Service Men

1-3 Mon. . . . . 4758 S. Pulaski Rd.

At last Monday's meeting a communication explaining the N.C.C.S. was read by Grand Knight Julius Martynowicz. It explained in detail the aims of the United Service Organization to establish service centers adjacent to the army camps and naval bases for the use of the men in service. The drive in Chicago has begun and the goal is $679,500.00.

Membership Chairman, D.G.K. John Zolna asked the sponsors of the recently received six applications, to follow through with these candidates to initiation which will be held before the end of this month. Bro. Vince Lelewicz, chairman of the picnic, stated that all plans are completed for the Fourth Annual Basket Picnic, sponsored by Arch. Weber Council. The location is Red Gate Grove, 97th and Archer Ave.

Trucks will leave 48th & Pulaski at 10:00 a. m., 12 noon, and 1:00 p. m. They will also stop at Archer and Lockwood for those living west. Baseball, dancing, races, souvenirs for the children, and gate prizes will comprise the day's activities. Admission is free. The date is July 4. Through a dispensation of our Archbishop, you are allowed to eat meat that day.

CATHOLIC ACTION

One week from today, Weber's retreat will start. At present we have ten members registered, and we hope that more will voice their intentions of coming along very soon. The date is June 27, at 6:30 p. m., and we will meet in our council chambers.

SOFTBALL

In their first game of the season, Weber scored a victory due to the forfeit of Daniel Dowling Council. In the second, vs. Quigley, we lost 11 to 5, and the third was really a struggle—after a 2 to 2 tie (with Leo) we lost because of an error. Final score was 3 to 2. Watch the sport section in The Columbian for the schedule.

COUNCIL BRIEFS

Athletic Chairman, Bro. Mitchell Mazurek, was married last Sunday to Miss Lottie Flowiak. The ushers were our Organist, Art Nowakowski and Bro. Henry Kedzior. Congratulations! Our council will participate in the Third Degree to be held next Friday, June 27, at Fr. Perez Clubhouse, 6710 S. May St.

All Sir Knights of the La Salle Assembly who were drafted in the service of the United States will have their dues waived for one year.

CALUMET TO BE HOST AT DEGREES MONDAY

2-4 Mon. . . . . 6646 Stony Island

Our next regular meeting, the final of the 1940-41 season, will be held next Monday evening, June 23. THE PLACE: WEDGEWOOD HOTEL ROOF GARDEN, 6400 Woodlawn Ave., at 8:15 p. m. sharp. There is a special reason for changing our meeting place for this meeting. The Wedgewood Roof Garden is noted as being the coolest spot in Chicago on a warm evening. High atop this hostelry, mid palm trees swaying gently in the cooling breezes direct from the lake, is a wide open promenade under the stars with comfortable seats. An ideal place for a meeting on a warm June night.

Calumet has been signally honored for this meeting. It ends our year's membership drive and we have a fine class of candidates ready for their reception into the first and second degrees of our order. This class will be known as the "State Deputy Bolton Class," in honor of our retiring State Deputy. Supreme Director Michael J. Howlett, together with State Deputy Judge John F. Bolton, State Deputy-elect Leo J. Flynn, our own District Deputy, Judge John J. Prystalski, Cook County Membership Chairman Guy G. Macina, and many other prominent Knights will be present.

Nothing is closer to the hearts of these men than furthering the good of our Order. Membership is the life blood and sustaining factor in the advancement of Knighthood. They have given much of their time and ability to further this cause, and now is your opportunity to show by your presence your appreciation of their efforts.

In keeping with the usual high class of degree work in Calumet we will have our own degree team in action this night, who will present to our class of candidates the work of these degrees in a manner that will leave with them a most lasting impression.

BUSINESS MEETING

Grand Knight Birmingham has promised that the business of the meeting will be dispatched within as short a time as possible. We know from past meetings that this promise is always kept, and we assure you that the degrees will start not later than 8:45 p. m. We make this one special last appeal to every member of Calumet. Attend this meeting. It will be the final meeting conducted by Grand Knight Bill Birmingham. Our retiring Grand Knight has done a fine job for Calumet. You who elected him made no mistake. Calumet has gone forward under his leadership. He has been a Grand Knight for all of Calumet, and this night is one that is dear to his heart.

No more fitting tribute could be paid to the retiring State Deputy and to our own Grand Knight than to have every member of Calumet present. It will leave with them a lasting memory that their work has not been in vain. It will show them that you appreciate what they have done for you and your Order. It will be most edifying to the class of candidates to know that such a fine large group of Catholic gentlemen are by their presence showing that they appreciate their entrance into the Order. We again ask that you be present. Accept this invitation. Let's make it the finest meeting of the year.

COUNCIL NOTES

As we go to press we learn that G. K.-Elect Ty Hyland has done it again. Calumet has gone over the top on our Barbecue drive. More next week. Bro. B. T. Hensgen, that Barney to you bowlers, is now being addressed as 1st Lieut. Hensgen, Const. Q. M., U. S. A., Omaha, Neb. He is soon to be a captain. Congratulations, in fact double congratulations, the other for that new son born on June 10. . . Cigars are being passed around by our Advocate-Elect, Eddie Maas, the father of a new son. . . The father of Bro. Tom Dillon, one of our new members, who is a police officer, was stricken while on duty, and is seriously ill at home. He is the uncle of the rest of the Dillons of Calumet, Tom, John, Ed, Walter, etc. We hope and pray for a speedy recovery. . . Just in case some of you members at the last meeting may be wondering, Jim Grant and Jim Higgins have made up. Were seen sipping a soda in the drug store through one straw. . . Card from Bro. Earl Fisher who is vacationing with our good neighbors in Canada. Reports a fine time from Quebec. . . Don't forget—next Monday, WEDGEWOOD HOTEL meeting. See you there.

Hughes Twirler Pitches No-Hit, No-Run Game in Battle with Lafayette

By JOHN E. MINER

To J. Conroy of Hughes Council goes the distinction of pitching the first no run, no hit contest of the season. A feat of this kind is rare indeed and we wish to congratulate Conroy, a new man in the league this season. Lafayette was the unfortunate victim.

In the North Division Manager Nic Pirola of St. Cyr has rounded up a formidable aggregation, having won their first three contests. St. Francis of the West Division also is undefeated after three contests. The temporary leadership in the Central Division rests between Leo and Quigley, who clashed last night.

A number of contests have been postponed to date because of wet grounds and by mutual agreement. All managers are urged to play these games off as soon as possible to prevent a schedule congestion at the end of the year. Managers are also requested to send in score cards of their games.

LEAGUE MEETINGS

At the meeting of June 6 it was decided to eliminate the section of the playing rules specifying that the pitcher wear a plain black or blue shirt.

Nazareth Expects New Barbecue Record When Final Returns Are In

2-4 Tues. . . . 17 W. Harris, La Grange

Well the barbecue for 1941 will be a matter of history as you peruse these lines. At this writing we cannot give you the results but we will go out on the limb clear to the end right now and predict that this affair will be the biggest from a financial standpoint of any we have had. We are basing this prediction on the returns from our council to date. Your barbecue chairman is not giving out any figures here; wait until you get the figure after the affair is over. Be in attendance at the next meeting Tuesday, June 24, and get the dope.

At this juncture let us pin the badge of honor on Brother J. D. Murphy of La Grange for his very fine Christian spirit. Brother Murphy in returning the book which he took in its entirety himself, wrote a letter stating that he had received many material benefits during the past year and in appreciation he was returning the book paid for but no tickets removed with instructions that any financial benefits accruing therefrom were to be remitted to the barbecue fund. Now men, there is something. We know he does not desire any applause for his action but we extend to him a sincere and heartfelt thank you.

ANNUAL ELECTION

Our last meeting was well attended, it being our annual election of officers. Glad to see so many of the absentees present. Among them P.G.K. Foley, P.G.K. Robinson, (wonder if he still plays hand ball) Ben Martin, E. G. Spevak, Chris and George Tenuta, Ed. Schoen, Joe Miller, Joe Noeth, Joe Tee, Mike Weis and several others. Welcome boys, come oftener. Of course the unholy three from Downers Grove would come marching in after the meeting was half over, as usual. We refer to P. G. K. Simmons, "Doc" Lalonde and Frank Wrona. There was much action at this meeting, the main feature, of course, being the election of officers.

The results show the following elected: G. K., D. R. Francis; D. G. K., Leo Kriz; Chancellor, Ben Poff; Recorder, Jos. Halm; Treas., Carl Knudsen; Advocate, Jim Robinson (Westmont); Warden, Matty Machtemes; I. G., Bob Lester; O. G., Bill Gersch; Trustee for three years, A. J. Lalonde; Del. to Chicago Chapter, Ed. Bessler and Jim. Henderson; Del. to convention, G. K. Himpler; alternates, P. G. K. I. F. Sweeney and P. G.K. P. J. Simmons.

This is a strong lineup men, so regardless of whether your man won or not, let's get behind these officers right from the start and make the next year one of the best ever. We were glad to have as visitors the G. K. elect of Illinois Council, Brother Martin, and also Steve Morris from Downers Grove.

Notice to all concerned: Please be on hand at the next meeting to express your wishes on two subjects. One is that the council shall absorb the cost of dues for the clergy of our council, the other is that we shall make a donation to the Chicago Chapter to help defray the cost of distributing the Sunday Visitor. This is your money that is being spent, so be on hand to state your wishes.

We have advised you of the formation of the U.S.O. and its aims, so we now advise you that our own P. G. K. Halm has been placed in charge of this work for our district which includes the following councils: Washington, West Chicago, Wheaton, Naperville, and Elmhurst, as well as our own.

Our council is making a retreat at Mayslake this year on the weekend of July 4. Those of you who have never attended a retreat and you men of the Third Order, here is your chance to do something for yourselves which will bring you lasting benefits. Don't miss it. Get in touch with Joe Halm, Paul Simmons or Doc Lalonde; they will be glad to give you the details. Ed. Bessler announces that a few of the pictures of the blood donors group which were recently taken are still available. If you want one of these, please see him.

Golfers attention: The 14th annual all-state golf tournament will be held June 25 at Olympia Fields Country Club. The entry lists are now open. We understand that Joe Mrkvicka and the Rev. Father O'Shea, both of Downers Grove, will enter. Whether you are top flight or dub, you will have a chance in this tournament. Get your name in now.

We are always glad to see one of Nazareth honored, so we now tell you that Brother J. C. Tully of La Grange was recently elected to presidency of the Chicago Notre Dame Club. Nice going. P. G. K. Sweeney and Chris Tenuta send word from Camp Davis, Wilmington, N. C., that everything is lovely down there.

Here's a chance to get in some Catholic Action. The parish of the Holy Trinity, Westmont, is holding a carnival June 26, 27, 28, and 29. Let's get out there one of these nights and help these boys along. Incidentally, our thanks to the pastor, Father Stokes, for selling one of our barbecue books. Don't forget our next meeting, June 24. Be seeing you there.

ARMY CAMP NAMED FOR CATHOLIC CHAPLAIN

Washington.—Camp McQuaide at Watsonville, Cal., was named in memory of the Rev. Joseph P. McQuaide, of San Francisco, who was chaplain of the 250th Coast Artillery for many years, according to an announcement from the office of the Rt. Rev. Msgr. William R. Arnold, Chief of Army Chaplains.

Born in Boston, July 5, 1867, Father McQuaide was educated in San Francisco schools and at Sacred Heart College and Santa Clara University. After receiving his theological training at St. Mary's Seminary, Baltimore, he was ordained on February 22, 1891.

He served in France and on the southeastern front during the World War and was awarded the Distinguished Service Medal of France. Previously he had served in the Philippines with the First Volunteer Cavalry in 1899.

Of the marriage licenses issued in New York every year, over eight thousand are never used.

De Soto Proud of Record, Re-names Gene Scanlan G.K.

2-4 Fri. . . . . Clark and Belmont

At our last meeting, Friday evening, June 13, the membership engaged itself with the annual election of officers. As a fitting reward and expression of gratitude for the splendid administration given De Soto during the past year, G. K. Gene Scanlan was extended a unanimous vote for re-election. Great strides have been made by De Soto during his term, not only within the confines of its own organization, but with his policy of participation in all activities of the order irrespective of their particular application to De Soto, the sphere of its influence has become widespread.

De Soto has abandoned its quasi-isolationist policy and is now dominated by a spirit of friendly cooperation with its associate organizations. During his regime, one of the finest of K. of C. activities, the Blood Donor Movement, received its inception, and through his determined efforts and constant application the group in De Soto has developed into one of the largest units in the entire order. At the present time under the guidance of its chairman, Frank Wohlleber, the unit is daily doing work of inestimable value. Reasonably successful also has been the various membership drives which have added handsomely and materially to the ranks of our council.

Without going into further detail involving the many accomplishments of Brother Gene, it is sufficient to record that he has displayed qualities of leadership, ability, courage, sincerity of purpose and an acute appreciation of responsibility. On behalf of the membership it is apropos at this time to avail ourselves of this column to exhibit our appreciation for his untiring efforts in our behalf and to assure him that his compensation will manifest itself in our whole-hearted and undivided cooperation in his every undertaking during the coming year.

In addition the following were elected to the offices designated: Frank T. Fitzsimmons, deputy grand knight; C. J. Strehlow, chancellor; Joseph A. Cella, warden; James J. Hausman and Louis B. Kraft, assistant wardens; Frank E. Freiden, recorder; Edward P. Duffy, treasurer; Charles F. McCarter, trustee; Norman Mertes, advocate; Donald J. Cloth, inside guard; William R. Jackson and Michael M. Behles, Jr., outside guards; P. G. K. Anthony C. Cremerius, delegate to the State Convention and P. G. K. Frank P. Kennedy, alternate to the delegate; members of Advisory Committee: Mel Langenbach, Joseph Merki, Sylvester Popke, Frank Geissler, Phil Ofenloch and John Snick.

In scanning hurriedly over the names listed above, you might notice the absence of Mel C. Langenbach as a chair officer. Preoccupied with an employment that necessitated constant out-of-town trips which unavoidably caused his absence from many council functions, and entirely aware and cognizant of the responsibility his position in the council entailed, he felt constrained to resign his office, especially when no immediate change in his situation was expected. This action, brothers, was a most admirable and unselfish gesture when you consider the fact that Mel was entitled to all the honor and prestige which a chair office afforded.

He served for two years as one of the most ingenious and hard-working members of Frank Fitzsimmons' Lecturers' Committee and then followed with two tough years as lecturer. From there he moved up to warden and thence to chancellor from where, in a few short years, he would have graced the grand knight's chair. Relinquishing this great honor for which he strove so energetically, could have been generated by no other motive than pure and unadulterated unselfishness and a keen sense of responsibility. For his splendid efforts in past endeavors of the council, we extend him our deep and lasting gratitude.

NEXT MEETING

At our next meeting, Friday evening, June 27, De Soto will exhibit the third degree of the Order to all its eligible candidates. The ceremonies will be conducted in conjunction with all councils on the north side who will seek the induction of their respective initiates. All sponsors of candidates will kindly have their prospe members assemble at the counc later than 7:30 p. m. on the above All members are urged to atten gigantic induction ceremony in to give all possible aid and assis to the visiting councils.

LUMBUS' NEW GRAND KNIGHT IS AL IRVING

Tues. . . . . 6932 N. Clark St.

had a very nice crowd last Tues-evening on the occasion of the an-election of officers and those pres-lid a nice job of picking capable to run the affairs of our Council he coming year. The following are duly elected officers:

and Knight, Al Irving; Deputy d Knight, Claude Dollohan; Chan-, Al Weimeskirsch; Recorder, ld Borchardt; Warden, Charley s; Treasurer, Fred Sextro, Jr.; Ad-e, Joe Gabler; Inside Guard, John ch; Outside Guard, Tom Ward; ate to State Convention Edward e; Alternate to Delegate, Doc. R. huler; Alternate to Grand Knight, rd Kelly; trustee three years, Ar-Shay; Lecturer and Financial Sec-y to be appointed by the Grand ht-elect.

ll brother knights here is the list ur officers and it is up to you to rt them. Remember that they are your elected servants and they can do what you ask them to do and how much of that depends on your eration. Get behind them and as-them in their efforts so that their n will be lightened and that Co-us can make rapid strides in the near future.

EDDIE ROCHE

r retiring grand knight declined mination, stressing the many ur-calls of his business during these g times. It is with deep regret we see the passing of Eddie as the ng light of our Council as he has many and big things while he was l knight. Picking up the cause Doc Schuler had re-cemented our Eddie kept the wheels of progress lumbus Council going so well that re now completely out of debt and is due a great deal to the splendid eration of his predecessor Doc er.

lie, during his term of office, vis-nany councils throughout the city emented the feeling of fraternal-etween our neighboring councils. as made many friends and we hope rust that he will give the grand t-elect that spirit of co-operation as always been his since he joined abus Council. To Al Irving we bid he best wishes of all the members lumbus Council and hope that the pep and interest that you have yed during the past fifteen years member of our Council will aid n keeping up the high standard in it we are held throughout the city. owing Al as I do, I know that he ot only bring credit to our Coun-t with the aid of the other young s who have been elected with Columbus in the next year will ess both in membership and high n. To Eddie, again we thank you l that you have accomplished and that you will ever be sitting on de lines waiting at all times to those in charge in carrying out ends toward which you and Doc so earnestly sowed the seed for.

ALONG THE LINE

e you made your reservations for annual golf tournament of the ts of Columbus which will take at Olympia Country Club next sday. Call either Eddie Roche or Doc Schuler and they will see to it that your reservations are made and that you will have a good time with fellow members of Columbus Council. OUR NEXT MEETING WILL BE TUESDAY, JUNE 24, and as this is the last meeting to be presided over by our present grand knight let us all turn out to show him how much we appreciated his efforts during the past year. REMEMBER NEXT TUESDAY EVENING.

Another officer who went into retirement with Eddie Roche was his aide de camp, Joseph Patrick Isidore MacAlinden, who found that his social engagements hauling the nurses to and from Jim Doyle's Riding Academy was too much and we were pleased to see that he was replaced by the Grand Old Vet, Joe Gabler, who promises to come out of retirement to aid Al Irving during the coming year. Did not receive any answers to the ad inserted last week for a new scribe—wonder if it is war conditions.

St. Augustine Elects George Copps, G.K.; Edw. Conrad, D.G.K.

1-3 Mon. . . . . 5209 S. Justine

After an election packed with excitement and enthusiasm the following officers emerged victorious and they will guide your council for the coming year. Each and every one has publicly pledged himself to a year of hard work in his speech of acceptance. What a great council this would be if each member would do likewise.

Grand Knight, George Copps; Deputy Grand Knight, Edward I. Conrad; Chancellor, Leo A. Heinen; Recording Secretary, Dr. F. N. Werner; Treasurer, Stephen Sefcik; Warden, Chris Thelen; Inside Guard, Fred Heilman; Outside Guards, Chas. Subr and J. Kolmodin; Advocate, Dr. F. G. Kuchler; Trustee, Ed. Feulner; Delegates to State Convention, G.K.-elect George Copps and G.K. Phil Kushenbach; Alternate to Grand Knight, P.G.K. Leonard J. Heinen; Alternate to delegate, P.G.K. Dr. F. G. Kuchler. The election was ably conducted by D.D. James J. McDermott.

GOLF TOURNAMENT

Still "up and coming" are the reservations for the fourteenth Annual Knights of Columbus State Golf Tournament to be held at Olympia Fields, on Wednesday, June 2. Proficient golfers and "dubs" of varying degrees of golfing dexterity will trudge over the number two and three courses after the assured goal of a lot of fun and relaxation. Several hundred special awards—two thousand dollars worth—will also tempt the best efforts of all who attend. The fun will start early, in fact, we have it on good authority that P.G.K. Dr. F. G. Kuchler will again lead the "dawn patrol" which leaves for the course some time before dawn.

In addition to all day golfing privileges, locker facilities, lunch, refreshments on the course and a place at the evening banquet are all included in the five dollar entry fee (of which this council absorbs $2.00 for each member attending). The main thing is to make reservations and make them NOW. Just get in touch with any officer of the council and express your wishes. Bring along your friends; all are invited, but just remember that two bucks is only for you.

BARBECUE

It wouldn't be fair to just not say a word about our barbecue committee because the affair is now over. We don't know yet how much our members were able to do this year, but that can hardly detract from the fine job done by the barbecue chairman, Joe Handzik. Joe is probably one of the hardest working members we have and he didn't let down for a minute during the entire barbecue drive. Thanks a lot, Joe, for a big job and regardless of the outcome you gave all you had.

WELL WHATADYA KNOW?

Didn't know if Fin. Secy. Al Laubuhn was running for some office or collecting dues when he spent Saturday afternoon visiting all his friends. Could it be that he was showing off his new Nash? Received a long distance phone call from Brookfield (collect) and here it was G.K. Phil Kushenbach to tell me that his cherry tree has blossoms. Don't call again, Phil, until you've got your own chickens—on the table. Trustee Nick Shaefer and family were badly shaken up when a tree on the boulevard showed up directly in front of their car. Nick says "another close shave." There is a dandy picture of Bro. C.B.M. J. N. Thielmann with a class of recruits at the Midget Bar in our club house. Take a look at it. And speaking of sailors, Bro. Henry Foertsch, with his crew of "The Flying Dutchmen" are stealing all honors to be had among sea scouts. Bro. Henry Forst took unto himself a son-in-law a couple of weeks back. Hank looked like a bridegroom when he walked down the aisle with Dorothy.

Learn from your mistakes, but don't cry over them. We best redeem the past by forgetting it.

Ketteler to Hold First and Second Degree Class Mon.

2-4 Mon. . . . . 3437 Ogden Ave.

At the next regular meeting of the council on next Monday night, all candidates awaiting their advancement to membership in our Order will be initiated into the first and second degrees. The sponsors of these candidates are requested to see that they are on hand early. The degrees will start early so that everyone may depart for their homes at a reasonable hour.

At this writing it is not known to your scribe what your Worthy Lecturer has planned for the evening but definitely there will be some inducement which should warrant your presence. So come on up to the meeting and meet your friends and witness the induction of the new members.

MEMBERSHIP

The present membership committee held its last committee meeting on Monday night. During the past year, under the guidance of their able chairman, Past Grand Knight Sam White, they have through their efforts procured or helped to procure, eighty-seven candidates for the Order.

This is a gratifying report, but one that could only be made through the untiring and persistent work of the committee. This council really and truly owes them a debt of gratitude. It was the fond hope of the membership committee to make the Century Club, but we can take consolation in the fact that, in falling short, we did do a splendid job.

GOLF TOURNAMENT

Last Sunday at Maple Crest golf course, we staged the most successful golf tournament since we first started to interest the golfers. In spite of threatening weather, some seventy brothers turned out to participate in the tournament. Dr. Krupa who headed the arrangements committee is to be congratulated on the unusual success of the tournament and thanked for the many fine prizes that were available to the fortunate low shooters.

Bros. Emmett Holland, Frank Kosmach, Stanley Hines and Dr. Krupa, for their fine shooting, will represent Ketteler Council in the State Tournament next month.

SOFTBALL

The softball team which got off to such a splendid start suffered a setback when St. Francis Council beat them 8 to 6. We played good ball up until the late stages of the game when St. Francis staged a late but successful rally. However, it will be a different story when we meet Damen Council at Garfield Park on June 24th.

Bro. Wenckowski would appreciate the moral support of the brothers by their attendance at some of these games. Make it a point to see some of these games occasionally and you will spend some enjoyable evenings.

COUNCIL NOTES

Our last party was just as much a social success as the previous one but a good time was missed by many. The attendance was not quite up to expectations, but we are pleased to say that we gave those who did attend a rollicking good time. Perhaps our next party will be better attended.

Bro. Joseph Knapczyk suffered an unfortunate accident while playing ball. He broke his ankle sliding into second base and will be confined to his home for several weeks. He lives at 1820 W. Cullerton St. if any brothers care to pay him a visit.

Bro. Rossbach, absent from our meetings for several years, was seen at our last meeting. We hope he will come again soon and more frequently.

With the coming of the summer months and the slowing down of council activities, your scribe is finding it increasingly difficult to make this a worth while column. Any news or items of interest concerning the members can be sent to Bro. Joe Sargent at 1001 S. Mason Ave. Or phone Franklin 6760. When you go on your vacation drop him a card and he'll tell all about your trip and your adventures.

Special Library for the Sick Has More Than 6,500 Volumes; 17 Librarians

Seventeen Protestants, several Jews, and one Negro are registered at St. Peter's library for the sick, instituted in 1938 by Father Leander Conley, O.F.M., the Denver Catholic Register stated in a special article recently.

The library is for the service of the sick, regardless of race or creed, and in less than three years has grown to include more than 6,500 volumes, 1,700 subscribers, and 17 volunteer librarians.

The charge for a book is nominal, five cents a month, for Father Leander believes that bad literature can be combated by making good reading accessible to all. For those too poor to pay this modest sum, no charge is made. Relatives or friends may take the books to the sick subscribers. The organization functions on a non-profit basis, writes Cecilia M. Young in Our Lady of Perpetual Help. Donations from friends, entertainments, and subscribers' fees keep the library running and add 40 to 50 volumes to the shelves monthly.

The library is open every week-day from 10 a. m. to 9 p. m. Saturdays, the hours are from 12 noon to 6 p. m., and Sundays from 10 a. m. to 6 p. m. There is a library science class for those who wish to become professional librarians. Three different bulletins of the library are issued monthly.

St. Peter's church, situated in the heart of the business district, actually has no parish. But it is a busy center, nevertheless. Fifty-four meetings are held here each month by the Franciscans. There are five different branches of the Third Order, and a number of organizations for young people who frequent the center. These include a Dramatic society, a Glee club, and a baseball team.

Neri Golfers Await Tee Time at Olympia Fields, Wed., June 25

1-3 Tues. . . . . 7515 Yates Ave.

Notes in brief from Neri . . . Last Tuesday night was election of officers with District Deputy Pat Woods manning the gavel. Few, if any, changes in the slate of officers was anticipated. The elected line-up will be given next week . . . Neri plans to take part in the exemplification of the Major Degree at Father Perez clubhouse, 6710 S. May St., next Friday night, June 27. All candidates for this Degree are asked to kindly keep next Friday night open.

Several members of the council have expressed their intentions of taking part in the K. C. All-State Golf Tourney to be held Wednesday, June 25. This tourney is one of the real bargains offered to golfers and should not be passed if you have an opportunity to take it in. Fee for the entire day is only $5, which includes refreshments and banquet in the evening. Numerous prizes to golfers . . . Anyone wishing to go out in the evening for the banquet can easily get accommodations by calling Wm. T. O'Neill.

Bill Carney's 10-year-old son Bobby is having an awful time these days. Bobby recently fractured his right arm playing a game of softball, which means he'll play no more ball this summer. The irony of the whole thing is that Bobby's left arm hasn't been long out of the sling, for he had that arm fractured in February.

A few of the current high school grads are Miss Audrey Bourke, Loretto Academy, daughter of the Edgar Bourkes; George O'Donnell, Jr., Mt. Carmel; Miss Mary Elizabeth Huston, Aquinas, daughter of the Joe Hustons; John Zidec, Jr., Mt. Carmel, and Miss Marjorie L. O'Neill of Loretto.

John Henry Quigley, first son of the John P. Quigleys, has presented a diamond ring to Miss Sue Walters of South Shore. Got a date in mind, John? . . . On Saturday, July 5, 10 o'clock, in St. Leo's, Miss Mary Catherine McCarthy will become Mrs. John Leo Rach. Congratulations, John.

The softball team can still use a number of ball players. The team is pretty well lined up, but there is a scarcity of reserve strength. There was no game last night (team plays on Thursdays), but there is a game at the 76th St. lakefront diamond next Thursday night. Try and get over . . . John Zidec has been ill for some time now but is reported doing better.

Thomas J. Leyden, octogenarian plus, showed up the other day with his Barbecue book all sold. Very nice going, sir. Hope you can take in a meeting one of these days . . . Charley Girsch suffered a relapse recently in his fight back to health. Charley was back in Mercy Hospital for a few days after having spent three weeks there not so long ago. Stay in there and pitch, Charles.

It's easy to get all the financial credit you want when you don't want it.

FR. O'CONNOR TO GOLF SUNDAY AT ARLINGTON

1-3 Thurs. . . . . 4660 No. Kedzie Ave.

Fr. O'Connor Council's first golf tournament of 1941 will be held this Sunday, June 22, at the Arlington Country Club. Just in case you don't know the location of this beautiful rolling green course, it is situated on Dundee Road, two miles west of Wheeling, Illinois. The route to follow is Waukegan Road to Dundee Road. Turn west on Dundee Road and drive two miles west of Milwaukee Ave.

You are entitled to eighteen holes of golf and a crack at one of the many beautiful prizes to be awarded for the nominal sum of $1.50. Co-chairman of the Tournament, Father Rausch, Joe O'Brien and Dick Navin have devoted quite a bit of time to this outing to insure all who attend a perfect day. It makes no difference if you're a dub or a pro, you stand an equal chance of copping a prize next Sunday. This will be a handicap tournament.

Your gentleman friends are invited to attend. All who play golf, be they Fr. O'Connorites or not, are entitled to a chance at taking home a prize.

25TH ANNIVERSARY

Our belated congratulations to Father John Coleman of Fox Lake, Ill. Father celebrated his twenty-fifth anniversary as a Catholic Priest last Sunday. Your scribe remembers when Father Coleman used to visit the kids in the first grade of Our Lady of Mercy School. He used to tell me that I'd never amount to anything if I didn't take my schooling more seriously. I guess I fooled him though, I'm going to be a soldier and get a uniform and everything.

Father left Our Lady of Mercy for Fox Lake and St. Bede's Church some time ago. Our loss was St. Bede's gain. And even though we do begrudge the Fox Lake folks of Father's presence, we do wish him many more happy years as a priest. However, we wish he could spend all of them with us.

R. I. P.

The officers and members of Fr. O'Connor Council extend a sincere message of sympathy to the family of Bro. Albert Downs. Brother Downs, a member of Fr. O'Connor Council for the last twenty years, was called to his eternal reward last Friday. May his soul and all the souls of the faithful departed, rest in peace.

ACTIVITIES

FR. O'CONNOR'S SOFTBALL SQUAD is playing a very consistent game this year. The lads have played three games to date and dropped all of them. They lost their opener to DeSota by a 4 to 2 count. In their second encounter they jumped to a six run lead on St. Cyr Council only to have the visitors edge them out in the latter innings. Last week they bowed to Brownson Council, after overcoming a six run lead. Brownson pushed over the winning talley with two out in the last frame.

Their next opponents will be St. Paul of the Cross from down Edison Park way. Let's hope for better news next week.

NO MEETING—Because our nex meeting date falls within the July 4th weekend, it has been postponed. The next council meeting will be held Thursday evening, July 17, at which time the newly elected officers will be inducted into office by District Deputy Julius M. Altenhofen.

KNIGHT LIFE

Still no word from honeymooner George Loohs. George and his pretty little wife are at Lyndon Station, Wisconsin...For the council's leading defense worker we nominate Big Bob Niermann. The tall lad is putting in many hours of overtime helping to complete the new airplane plant on the edge of Chicago.

Bill Sullivan was afforded a slight spark of hope that his softballers might win a game this year, when he inserted Wallie Powers in the lineup last week. The newcomer covered a lot of ground in the outer garden and gives definite promises of filling one of the club's weak spots.

Alex Cysinski of Brownson Council attended the recent game between Fr. O'Connor and Brownson. It sure was swell to see Alex again, but we'd rather have seen him on the sidelines than behind the plate...

Fr. O'Connor welcomes to its ranks Paul Mercer, who joined the Council last week. Paul in addition to being a softball player is going to be a proud papa within the next few weeks.

St. Rita Chaplain, Rev. Fennessy, Honored with Large Degree Class

1-3 Thurs. . . 6048 S. Fairfield Ave.

Because this stint is written on Tuesday, while the barbecue was held Wednesday, and the exemplification of the First and Second degrees lats night, we will be unable to give you any news on the two events until next week.

However, as we go to press Membership Chairman John Devlin informs us 15 candidates are in the degree class honoring our chaplain, Rev. M. J. Fennessy. Jack and G.K. Charlie Nash wish us to thank the brothers who sponsored candidates for the degrees.

Regarding the barbecue, we do not know if St. Rita Council set any records, but from the way Chairman Roy Perell and his committee were scurrying around during the last week, picking up returns, it appears as if we did all right.

THINGUMBOBS

Any day now we can expect some definite word on the where and when of our annual picnic . . . Bro. and Mrs. Thomas B. Gaynor will celebrate their twenty-fifth wedding anniversary tomorrow. A silver anniversary Mass will be said at 11 a. m. in St. Brendan's church, Marquette road and Racine ave. . . . P.G.K. Richard Kelly of Dowling Council, brother of Mayor Kelly, has moved into our bailiwick . . . He is now living on Fifty-fifth street, near Troy . . . Our bald-headed bowler, Adolph Leverenz, has been awarded the plumbing contract on Schalk's new bowling establishment now under construction on the far South side.

Our softball team won a game by forfeit from Englewood Council a week ago last night.

Dreadfully sorry, we haven't anymore news. How about some help. Mail interesting items to J. J. Madigan Jr. at 7951 S. Hermitage Ave.

Chicago Heights Asks Large Attendance for Meeting Next Monday

2-4 Mon. . . . . 1527 Otto Blvd.

Just to remind you, in case you have forgotten, about our next meeting Monday, June 23. This meeting marks the close of the fiscal year and we therefore urgently request all members to be present. Incidentally, it would be nice to have a crowded council chamber and thus give our Grand Knight, Joe Dionne, a grand send-off, after his two years of untiring effort in the council's behalf.

Similarly, there are several other officers who are relinquishing their posts after their tenure of office, and therefore to the retiring Grand Knight and the other officers, we express our sincere appreciation for the manner in which they have brought to the front the name of Chicago Heights Council.

This is the last meeting of the year, and for that reason we again urge you to be present and help prepare for the new officers when they take the reins of the council next month.

The complete results of the election are as follows: Grand Knight, George Pallo; Deputy Grand Knight, Walter McMurray; Chancellor, William O'Neal; Warden, Robert Bergin; Treasurer, Bion Murphy; Recorder, Wm. Mathews; Advocate, Ralph Einhorn; Inside Guard, John Piacenti; Outside Guard, Vern Einhorn; Trustee, Joe Dionne; Delegate to the Chicago Chapter, Walter McMurray and John Holwell; Delegate to the State Convention, Daniel P. Birgin, alternate, Joe Dionne.

Flash: There will be a new deputy grand knight elected at the next meeting, due to the fact that Walter McMurray, D. G. K.-elect, has since been transferred to Cleveland, Ohio, due to a promotion. We congratulate Walter in his new duties and wish him the best of luck. With that big smile and sunny disposition, he will keep going until he reaches the top of the success ladder. We regret that we will be missing him for a long time.

Father Celestine extends a cordial invitation to all members of Chicago Heights Council and friends to attend a summer formal dance at St. Ann's Auditorium on Saturday, June 28, sponsored by the Blessed Virgin Sodality. Music by Art Collins Melodians. Entree 9:30 p. m. Admission, $1.00 per couple.

Marquette Grateful to Members for Execellent Response to Barbecue

1-3 Thurs. . . . . 1928 Devon Ave.

Columbian deadline prevents reporting the Barbecue of last Wednesday, but the next issue will indeed make up for this. Pictures of the winners will be published and other details made public. However, ye scribe who is also barbecue chairman, can give thanks to our members for their interest in this worthy cause. Our men responded favorably and Marquette Council will be counted among the leaders of the north side at the barbecue office.

The entertainment committee had everything in readiness for our Ladies' Night last Thursday, and a good attendance was anticipated when these lines went to press. More about it next week.

This morning's mail brings a letter from D.G.K. Schmal advising that he is very much contented in his new position in Savannah, Ill. Charley also made returns for his second barbecue book. We wish him good luck in his new endeavors. The grapevine has it that a bundle from heaven will shortly arrive at Bro. Tom Carroll's home.

Bro. John D. Hanley attended the graduation of his sister-in-law from Mundelein College. She is Miss Helena Jeanne McGinnis, daughter of Police Captain John J. McGinnis and Nellie V. McGinnis, prominent clubwoman. Miss McGinnis graduated with high honors, having won a fellowship at the University of St. Louis, where she will resume her studies in September. Scholarships from Fordham and Nebraska State U. were also offered her.

An invitation has been received to attend the wedding of our popular Recording Secretary, Clarence J. O'Hara, on June 28, at St. Veronica's Church. The lovely bride-to-be is Mary Myrtle Sykes, daughter of Mr. and Mrs. Frederick W. Sykes.

Don't forget the All-State Golf Tourney at Olympia Fields next Wedn on June 25. Our P.G.K. Tom Gri in charge and promises fine prizes food, luncheon and dinner, with ple refreshments in between.

Rome.—The life of Friar Be Boyl who accompanied Christoph lumbus on his second voyage t New World and thus became th missionary to America, is being pared by the Order of Minims. details of Friar Boyl's life have disputed and the new biography tended to clarify many points.

The Order of Minims is one austere orders of mendicant herm friars founded in the fifteenth c by St. Francis of Paula.

One of the disputed points in t of Friar Boyl is his birthplace. historians say he was born in Ar others in Catalonia. Another question is whether during his s Montserrat Friar Boyl was a Be tine monk or only a hermit pries

All agree, however, that Friar was ordained in 1481. King Ferd then ordered him to France to tiate with Charles VIII for the re tion of the counties of Roselle Cardena. Most missionary writ today believe that Friar Boyl wa a Benedictine, although the Benedictine No. 9, issued in 1 connection with the fourth cen of the discovery of America, s was uncertain that Bernard Boy ever a Benedictine monk.

Loyola-H. P. Chooses Jack McGuire to Fill Grand Knight's Role

2-4 Thurs. . . . . 7435 Cottage Grove

The annual election of officers for the Loyola Hyde Park Council took place at the last meeting. Those elected to direct and carry on the activities of the Loyola-Hyde Park group were: Grand Knight, Jack McGuire; Deputy Grand Knight, Bentley Baker; Chancellor, John R. Joyce; Warden, Herman Rack; Treasurer, Richard Fay; Outside Guards, Charles Mellon and William Percy; Inside Guard, Joseph Gonzales; Trustee, Arch Hermanns.

The installation of officers will take place at the first meeting in July and the appointive offices of Financial Secretary, Lecturer and Scribe will be announced by the Grand Knight-elect in the immediate future, following the installation. We are sure that under such astute guidance as will be vouchsafed by the combined force of these newly-elected officers, Loyola-Hyde Park Council will continue to carry on as successfully as it has done in the past. Good luck to you all.

The next meeting of the Fourth Degree Club of Loyola-Hyde Park Council will be held Tuesday, June 24, at the home of Bro. Tom McNicholas, 8043 Langley Ave. President Dick Judge urges all Fourth Degree members, and as many Third Degree members as are interested in joining this group, to be present at this meeting.

A number of members of Loyola-Hyde Park are taking in the State K. of C. tournament, which is being held at Olympia Fields Country Club on Wednesday, June 25. The brothers are meeting in a group, and leaving from 79th and Eberhart Ave., at approximately 8:30 a. m. The tournament is always a gala event worth participating in—why not shine up that number three iron and join the crowd?

Bro. Richard Martin can tell you what the inside of an army camp looks like, even if he isn't "in uniform" yet. Bro. Martin returned from a visit to Camp Forrest, where he visited his brother. Bud Martin, and saw Past Recorder Ed Joyce and the rest of the Loyola-Hyde Parkers who are answering the bugles.

Mrs. Richard Judge and Richard Junior are vacationing in Wisconsin. Mothers, watch your daughters—Dick is around.

Bro. Bernie Rupp marched down the isle to Lohengrin—and having taken unto himself a bride has become another of the benedicts in knights' armor.

We are happy to report that the wife of Past Grand Knight Martin Whalen is recuperating at South Shore Hospital from injuries sustained in a recent accident.

Past Grand Knight Charles Lawler wishes to extend his appreciation to the membership of Loyola-Hyde Park Council for the splendid cooperation shown in the recent Barbecue returns.

Pinta Names Stanley Prymas to Council's Helm for 3rd Term

1-3 Thurs. . . . . St. Mary's Church

Though our meeting was not attended as well as was expected, the election of officers took place under the able guidance of District Deputy Edward Martens of Blue Island.

We dispensed with the usual order of business to allow Bro. Martens to conduct another election the same evening in Argo.

It is with pleasure that we report the reelection of Stanley Prymas as Grand Knight for the ensuing year. Bro. Prymas has worked hard toward the interest of Pinta Council and we know that he will continue his good work.

Other officers elected at last meeting were: Anthony Stepenski, Deputy Grand Knight; Anton Bubula, Chancellor; Frank Pietsch, Recorder; William A. Reich, Treasurer; Joseph Cole, Warden; Joseph Stepenski, Advocate; Stanley Burda and John Zmahar, Inside and Outside Guards; Thomas Kinney, Trustee; Joseph Berschinski, Delegate to State Convention, and William A. Reich, Alternate to Delegate. Bros. Berschinski and A. Stepenski were elected as Delegates to Chicago Chapter.

The newly elected and reelected officers of Pinta ask the cooperation of the membership in all future undertakings of the council as well as for attendance at the meetings.

At this time I would like to mention that the Installation of Officers will be held at the second meeting in July instead of the first.

After the last meeting Bros. Perry, Price and Gertzen started reminiscing about the good times they had during Installation month and started to plan visits for the near future. Bro. Prymas asks for a capacity meeting on July 19 for there are a number of important items on the calendar that need the interest and cooperation of all brothers in our council.

We take this time to congratulate Bros. Calgaro, Henck and Paul Christeck in their new positions and wish them the best of luck.

Bro. A. Stepenski asks the brothers who have not had their blood typed for the Blood Donors' Club to get in touch with him as soon as possible.

Bro. J. Zmahar is walking around with a twinkle in his eye. Could it be that his fancy is turning back that certain way again.

We wonder what excuse Bro. Fred Giltmier is using these days so he can get the recently purchased car out of the garage.

Bros. Emil Velkavrh and Ray Michalak ask for news of the council and if the brothers have time to write them a few lines.

HAWAII CATHOLIC SCHOOLS SAVE TAXPAYERS $665,578

Catholic schools in the Hawaiian Islands save taxpayers annually a total of $663,578, states the "Catholic Herald" here after an official survey.

The survey reveals a total enrollment of 8,689 pupils in the 19 parochial schools in the Islands. It is estimated that with the inclusion of capital expenditures, such as school buildings and equipment, Catholic schools save Hawaii more than $1,000,000. Although Catholics receive no subsidies for the maintenance of their schools, they contribute nearly 17 per cent in taxes to the support of public schools. Public school enrollment is placed at 92,104.

Catholic school enrollment showed a gain of 380 students over last year's figures, but the public school enrollment decreased.

ETERNAL REST GIVE UNTO THESE THY SERVANTS, OH GOD

Oh, God, the Creator and Redeemer of all the faithful, give to the souls of Thy departed servants the remission of all their sins, that by the aid of pious prayer they may obtain that pardon which they have always desired through Christ, our Lord, who liveth and reigneth with Thee in the Unity of the Holy Ghost. DOMINICANS' GENERAL ELECTION POSTPONED

Vichy.—The general election chapter that was to meet in September at the Roman Angelicum has been postponed until the Easter vacation in 1942, announces the Most Rev. Martin Gillet, master general of the Dominican Fathers. The war, he said, would prevent the attendance of certain members. If more than a six-month postponement is necessary, authorization for a further delay will be obtained from the Holy See. The master general reveals that more than 1,000 Dominicans now are mobilized in the war areas and that, so far as is known, 12 have been killed and 700 taken prisoner in the present conflict.

CARROLL LOOKS AHEAD FOR COUNCIL PROGRESS

Next meeting July 1. . . 6 No. Hamlin Ave.

The twenty-ninth year of Charles Carroll's birth is near its close, and the present officers look to the members for continued support in an earnest effort to end the year with spectacular gains in membership and other Order activities.

This has been a remarkable administration for Carroll and the good work is expected to continue with even more vigor in the coming year. Each member is expected to do his part so that our council may be kept in first place in all activities. The members should take more advantage of the many opportunities which Carroll offers and the attendance in the ensuing year should be even more regular to make sure of complete success in everything we do.

FIVE POINT PROGRAM

FIRST: Increase effectiveness in the efforts of the Council and its members to perform worthily in the fields of Catholic Activity.

SECOND: Cooperation with Council officers and members in the formulation of new Council programs for the greater enjoyment and benefit of the membership.

THIRD: A vigorous Council-wide effort to extend the Insurance benefits of the Order to more members.

FOURTH: Creation of a definite organization within the Council to publicize more adequately the activities and accomplishments of the Order and the Council.

FIFTH: Maintenance of Council-manpower, through an organized effort, to be planned in detail by the Supreme Officers and directed to the offcers of the Council for consideration and action.

SOFTBALL TEAM

Carroll's softball team certainly can "take it" , , , , and how! Losing three games in a row, the fellows will come up for another "try" against Lafayette, Hughes (the league champs) and Barry, when the schedule rotates in the Far West division of the 1941 performance. Up to the present time, our battling Carrollites have been "taking it on the chin" so to speak, but with the quality that these fellows have for fair play and good sportsmanship, you will not find them "taking the full-count" for a knockout. You'll find them ALL doing their part in playing the game every Tuesday and Thursday evening at 7:00 P.M. The schedule of games may be found in the league's column of the Columbian every week. Let's see a nice rooting section at our games so that they may be cheered on to victory.

Our G.K. Jim Crosby was out at the playing field, last Thursday evening, pinch-hitting for one of the absentees. If you think there isn't any life left in Jim, you should have seen him catching those "flies." And he didin't need a basket, either! George Hunt was catching for the team, and a good job was done, too.

Conspicuous by their absence was Charlie Rauh, Ed Aubin, Dan Lotuf, Tom Carroll, and Bill McNamara, as verified by the score of the game. The fellows on the Barry team were real "sports."

Our good friend P.G.K. and Trustee Dan O'Connell came out to the game with his little son, Lanny. When the spectators weren't noticing the league softball game, they had their eyes on Lanny. He played as good a ball game (rolling the ball with the writer, seated on the ground) as anyone on either team, Guess he's a "chip off the old block" anyway.

Among the list of players on the Carroll team at present are Micky Machesky, Jim Crosby, Dave Burke, George Hunt, Ed Baker, Len Baker, Tim Ryan, Ed Aubin, Charlie Rauh, Jim McNamara, Joe Mate, Bill McNamara, C. V. Ryan, Charlie Boland, John McCann, Tom Carroll, and Dan Loftus. The roster is climbing and the team manager is looking for more recruits to man the Carroll team.

BOWLING TEAM

Carroll's intra-council bowling league is beginning to take shape for the coming season, which will open at the Cinderella alleys at Madison and Central. The games will be played on Friday evenings as in previous years and eight alleys will be used. Three sponsors have expressed their wish to "sign on the dotted line" for Carroll and the other five will be in within a fortnight.

League President Ed Baker has been doing a great deal for the league and certainly his interest should be justified by some immediate action from the members. Any member so desiring to bowl in the coming season should contract Ed or the league secretary, Joe Bradley at the earliest moment.

Among the prospective bowlers, who may be seen in the alleys next season (we hope) are Dr. George W. Andrews, Edward F. Aubin, Charles F. Boland, David J. Burke. Jr., Edward L. Baker, Joseph J. Byrne, Joseph J. Bradley, Otto Baumgartner, Ancil N. Barton, James J. Crosby, Harold T. Crosby, Eugene Conley, Michael E. Cosgrove, Alfred A. Camparini, George Hajeck, James E. Hanley, Danield G. Loftus, George J. Hunt, William H. Lang, Charles J. Murphy, Timothy J. Murphy, Michael P. Martin, Joseph T. Moreau.

Joseph M, Mate, James B. McNamara, William E. McNamara, Harold A. Niebergall, Stanley N. Olejnik, Michael J. O'Connell, David I. O'Neill, Daniel J. Ryan, C. Vincent Ryan, Timothy M. Ryan, Charles G. Rauh, Paul J. Roberts, Joseph J. Schuck, Matthew F. Shea, Kenneth L. Torgeson, Edward J. Whelan, Thomas J. Carroll, Ralph Boldt, Michky Machesky, Thomas Donnelly, Fred Cote, Lambert Porod, John Wurbia, Edmund Ryan, Vic Gorny, Thorton Whelan, Robert Dunn, George A. Albert, and Richard Eagan, Jr.

League officers are Edward L. Baker, president; Tim Ryan, vice-president; and in that all-important office (the hard one) is Joseph J. Bradley, secretary-treasurer. These officers look to your support in the coming season and deserve every cooperation that you can give them at present in lining up the players.

CARROLLITES

FLASH! Dick Eagan, son of our good friend and member Richard J. Eagan, will marry the lovely Miss Dorothy Suman of Oak Park on Saturday afternoon,June 28 at St Catherine of Sienna Church at Central and Washington. Congratulations Dick. . . Gene Conley is still in pretty bad shape at the Loretto hospital, Central and Harrison. Whether visitors are being allowed or not, has not come to the writer's attention from the family, but we trust and pray that Gene is gaining ground faster and that his recovery may be only a matter of a short time now. Jim Hanley is reported to have been operated on for an appendectomy and is doing nicely. . . District Deputy Edward J. O'Connor is still at the Alexian Brothers hospital and any members desiring to visit with our good friend Ed may do so. Ed would feel a lot better to know that we cared.

O'Connell Praises to G. K. Timothy Clifford and Bro. Edw. Gauna

2-4 Tues. . . . . Hill and Franklin

This column is dedicated to our Grand Knight and our Grand Knight-elect.

The elected and appointed officers of Daniel O'Connell Council express herewith their deepest gratitude for the honor our brother members bestowed upon them at the last meeting night. As you read the list of your newly elected officers in last week's issue, I should like to dedicate the rest of this week's space to two men. First our Grand Knight Bro. Timothy D. Clifford, and second, our Grand Knight-elect Bro. Edward Gauna.

Our Grand Knight Bro. Timothy D. Clifford, by way of resume, has been an active member of Daniel O'Connell Council for upwards of thirty years. Having during his long period of membership heaped glory not only upon himself and the Council, but on the Order of the Knight of Columbus itself. His participations have been many. He has actively served on some sixty-two or more separate committees, having been chairman of almost 70 percent of them.

Bro. Clifford held almost every office in the Council. He has been selected as representative of Daniel O'Connell Council a number of years in connection with the Chicago Chapter, and, likewise has been selected delegate to the State Convention several times. It goes without saying that his name is not only recognized, but acknowledged in every Council in Chicago and its environs.

During the past year O'Connell has accomplished a great deal under his guidance and we are justly proud of his membership in our Council. G.K. Bro. Timothy Clifford has attained the highest rank our Council has to offer, and now his name shall be inscribed on the immortal roll of Past Grand Knights of Daniel O'Connell Council.

To Bro. Edward Gauna, our Grand Knight-elect, we offer our best wishes and guarantee of every possible aid during your regime. To those of you who may not know our Grand Knight-elect, may I take this opportunity to introduce him by his accomplishments. Bro. Gauna has been a member of O'Connell Council for almost fifteen years. He too has held almost every office the Council has to offer, except that of Treasurer, and Financial Secretary.

He was in the Council but a short time, when because of his energetic and sincere willingness to cooperate, he was honored with the post of Outside Guard, he progressed from there to Inside Guard, Warden Chancellor, Recorder, and Scribe, Deputy Grand Knight, and now G.K.-elect. Bro. Gauna has never been content with merely holding an office, his hobby is "go-getting," and this is proven by his active sponsorship of new candidates, and likewise his ability to sell any activity the Council has tried to put over.

Hence he reached the peak of his ambition on our last meeting night, at which time the members in recognition of his service elected him to the office of Grand Knight of Daniel O'Connell Council. Our sincerest wishes for a prosperous regime.

Barbecue Results Will Be Revealed at Victory Dinner

Presentation to Bishop Sheil Will Be Made at Dinner Meeting Here Next Monday

No one will officially know, until next Monday evening, just how much greater than in other years were the results of last week Wednesday's K. of C. Barbecue in benefit of Bishop Sheil's Underprivileged Youth Fund, but every member of the executive committee is currently wearing a broad grin and is singing "You've Got a Surprise Coming, Brother."

Such omens as these plus the fact that one of the largest outpourings of Knights of Columbus and their families in the city's history, gathered at Riverview Park to enjoy the whole Barbecue program, cannot possibly indicate anything but a most satisfactory ending to this, the fourth such annual charity drive sponsored by the Chicago councils. Definite figures on the amount of this year's donation to Bishop Sheil's fund will be released next Monday evening at the "Victory Dinner," official finale to the campaign.

The dinner meeting, which is to get underway in the Red Lacquer Room of the Palmer House here promptly at 6:30 p .m. will be attended—in addition to all of the State officers and the members of the barbecue committee—by all of the local Grand Knights and "star" barbecue salesmen.

Highlight of the affair will be the presentation to Bishop Sheil of the donation realized by the membership here through its promotion of the barbecue. Distribution of the council returns for its ticket sales will also be made to the respective Grand Knights that evening.

"Wind-up" Session Tuesday

At another important "wind-up" session, held Tuesday evening at the Chapter offices, 173 W. Madison St., General Chairman Ludwig A. Streck presented the eighteen individual barbecue "beneficiaries" with the tokens of their good fortune. These happy individuals, in the order of their participation, were: Janice Wenckowski, 1603 W. 23rd St.; Mary E. Lynn, 6684 Northwest Highway; Mrs. Sheil, 8050 Peoria Ave.; Pete Michell, 1728 Adams St.; John Treff, 818 Monroe St., Evanston; Sid Spivak, 704 S. Central Park Ave.

W. J. Moriarity, 2110 E. 72nd St.; George Ramilliard, 905 S. Oakley Blvd.; John T. Kelly, 2616 W. 38th St.; J. Itzkowitz, 4619 N. Lawndale Ave.; Charlotte Perkwas, 3325 S. Aberdeen St.; J. B. Panken, 6317 Warwick St.; Milton Panoch, 4904 Cermak Road, Cicero; J. J. Lang, 1636 S. 48th St., Cicero; Dennis O'Neill, 1745 E. 79th St.; Mrs. Hazel Lee, 1380 Hyde Park Blvd.; G. G. Anderson, 1523 E. 56th Place, and Curlin Mulvaney, Marshall Field's.

Thousands at Affair

The mammoth crowd of more than two thousand guests that attended the all-day barbecue program at Riverview Park on June 18 came early and stayed late. Family groups that arrived in early afternoon were still on hand

Welcome Bishop at Barbecue

Over two thousand Knights of Columbus and their families, gathered at Riverview Park on Wednesday, June 18, to participate in the order's Fourth Annual Barbecue benefit, heard Bishop Sheil thank the local councils for their interest and assistance in the cause of the underprivileged youth here.

Welcoming the Bishop as he appeared to address the Barbecue guests are, from left to right above, State Deputy-elect Leo M. Flynn, Supreme Director Michael J. Howlett, His Excellency, Bishop Bernard J. Sheil, State Deputy Judge John F. Bolton and General Barbecue Chairman Ludwig A. Streck.

Enthusiastic Support of Order for U.S.O. Is Urged by Supreme Knight

Enthusiastic support of U.S.O. by the Knights of Columbus has been given through its Supreme Knight, Francis P. Matthews. In a statement to the U.S.O. and also sent to every State Deputy and every Grand Knight of the order, Mr. Matthews unqualifiedly commends U.S.O. and its plans. His statement said in part:

"The defense emergency places an obligation of Patriotism and Charity at the door-step of every American home, in every pay envelope, with every salary and dividend check, and on the directors' table of every corporation.

"That obligation binds each one of us, whether Jewish, Catholic or Protestant. It commands our utmost effort in moral and fiancial aid to safeguard, and provides for the spiritual and materail wellbeing of the chief defenders of the American way of life.

"The primary objectives of the U.S.O. are maintenance of good spirits among America's young defenders; provision for them of opportunities for wholesome recreation in their leisure time from camp or naval station, and, where necessary, from defense factory, and of facilities for attending their religious duties and for obtaining the guidance and consolation of their respective faiths.

"By authority of the Archbishops and Bishops of the United States, the National Catholic Community Service-U.S.O. plan will control the defense activities of all Catholic groups and organizations. It, therefore, becomes the method to be followed by Knights of Columbus when making their contributions in this particular field of Catholic activity during the present emergency. Full details of the programs of the National Catholic Community Service and the U.S.O. in general have been supplied to State Deputies and Grand Knights.

"Your subscription check for the U.S.O. will be your answer to the dictators' threats; your reply to their calumny that democracy does not work in a crisis; and through a patriotic and generous response to the urgent need of this critical hour, your reaffirmation of the ancient 'Faith of our Fathers'."

SCRIBE'S NOTICE

Early Deadline Next Week

Because of the Independence Day holiday next Friday, July 4, The Columbian will have to go to press one day early, and therefore move its regular deadline to Monday evening, June 30.

All scribes are urged to submit their Council copy as far in advance of the Monday deadline next week as is possible. Copy mailed late Sunday should be by special delivery in order to assure the least delay.

Your co-operation in submitting all material at the earliest possible date will be greatly appreciated.

K. of C. Golfers Put On Own Blitz at Olympia Fields

Arch. Quigley, Eight Time Winner, Is Favorite as 14th State Golf Meet Opened Here.

Just about the time that the blitz forces of Messrs. Hitler and Stalin were thinking up something really nasty to do to the other last Wednesday forenoon, a battalion of Illinois K. of C. golfers—one thousand strong—began laying down their own barrage of bone-covered pellets at Olympia Fields in their fourteenth annual battle for the All-State Knights of Columbus golfing crown.

Not a whit less dangerous either were the rolling hills of Olympia than the open moors of the Ukraine as these trophy-minded gentry swung their ammunition over the sand traps or water hazards in the quest of a par score. It was really an "all-out" effort with every man for himself and the Fred B. Snite Championship Cup.

Quigley Favorite Again

Early morning scores—the best available as The Columbian went to press, but by no means the final tallies—indicated that Quigley, eight times winner of the team low gross championship cup, was out to make it nine straight. Their foursome entry included veterans Sid Smith, whose 73 was individual low gross last season, and Johnny Krutilla, Lee Creigan and James Cotey.

Calumet's squad listed Wm. Hearne, Wm. Fox, James Grant and Michael Murphy, Jr. Another hard-hitting foursome from Feehan Council including Rodger Powers, Joseph B. Collins, Edw. J. Morrissey and Auggie Tamburrino were battling grimly away to better their not-so-bad showing of last year.

Father Perez Council was represented by George Stoeck, E. Fox, Wm. Casper and R. Hooker, and at halftime were still in the van of the pack. Some eighteen to twenty added foursomes were expected to turn in their scores by nightfall.

In the private feud between the police and fire squads, the police seemed to hold a questionable advantage over the smoke-eaters and were ahead at the seventh barrier. They should have been—it was their club and ball the boys were using.

All Assembly Officers Are Unanimously Re-elected

In the annual election of officers, held at the regular June session of La Salle General, Fourth Degree, all of the officers of the Assembly were returned to their respective positions by a unanimous vote.

For the coming twelve months the following Sir Knights will again guide the destinities of the organization: Faithful Navigator Jerome J. Crowley (De Soto); Faithful Captain Edward Kirchberg (Ouilmette); Faithful Comptroller Theodore E. Cornell (Illinois); Faithful Scribe James A. Ronan (La Fayette); Faithful Pilot Andrew Bankert (Father

late that night to witness the final features of the barbecue program.

At least two thousand of these guests were on hand to hear Bishop Sheil thank the Chicago Knights for their devotion to the cause of the underprivileged youth.

"The church is proud of the Knights of Columbus," the Bishop said in his address to the assemblage, "proud of the frequently manifested program of Catholic Action that has been so important a phase of all K. of C. activity, and proud of your record for so genuine an interest in civic welfare."

He especially praised the local membership for its recognition of the problem of caring for the "vast army of our underprivileged boys and girls who, without the spiritual guidance and physical care that the Chicago Knights have here made possible, would never know the meaning of Christian brotherhood or have any concept of civic responsibility."

Perez); Faithful Inside Sentinel Charles Patterson (St. Patrick); and Faithful Outside Sentinel Howard Brennan (De La Salle).

Just prior to the election, Faithful Comptroller read the reports on Membership and on the Finances of the Assembly for the past six months. Both reports were eminently satisfactory to all present, showing that the organization has progressed both financially and numerically during the period.

Lads and Dads Program

Apparently weather conditions proved no deterrent to the hundreds of Sir Knights and their sons who enjoyed the annual "Lads and Dads Night" program which followed the election. Despite the heavy rain early in the evening, the Red Lacquer Room was filled to capacity, and the fathers as well as the sons were loud in their applause of the exceptionally fine features presented for their entertainment. Red, white and blue paper hats for the boys added a touch of color to the festivities, and the usual presentation of softballs, flashlights, candy and ice cream finished the very successful evening.

Oak Park Installation Expertly Handled by D.D. Jos. T. O'Neill

2-4 Mon. . . . 641 S. Scoville, Oak Park

Oak Park Council officers were installed by District Deputy Joe O'Neill in his usual efficient manner at last Monday's meeting. A fairly large number of the members were in attendance to see the new officers assume their posts for the coming year.

The following were the officers installed: Grand Knight, Joseph P. Cagney; deputy grand knight, Earle Kelley; chancellor, Joseph T. McDonald; recorder, John Burns; treasurer, Wm. F. Bosley; trustee, Milton Frigon; financial secretary, Thomas J. McCarthy; advocate and lecturer, Harold DuChateau; inside guard, Charles Lex; outside guards, LeRoy O'Donnell and Andrew J. Pusateri.

Next Sunday, June 29, will be the quarterly communion Sunday of the council. All of the members are requested to attend the 8 o'clock mass at St. Catherine of Siena Church, Washington and Austin Blvds., on that day. Following the mass breakfast will be served at the clubhouse and, as usual, there will be a short talk. No member has attended one of these breakfasts and gone away feeling that he could have dispensed with any part of the morning's arrangements; so well have the speakers conveyed their message. This time will be no exception, so do your best to get out and give our new grand knight, Joseph Cagney, the same loyal support that you have given to our past grand knight, John Gearen. Do be there at 8 o'clock!

To those members who read this paper on Friday, please hurry over to St. Phillip's Hall at Jackson Blvd. and Kedzie, where some of our brother members are taking the major degree of the order.

We wondered as we looked over the members present at the last meeting just how many of them knew that in their midst was a man who had given to the community of Oak Park a period of 20 years' service that has distinguished him and his colleagues as outstanding throughout the whole United States. The member referred to is Bro. James J. Maloney, usually called the father of the council. His service of 20 years with the Oak Park playground board is a service of which we should all be proud. It is an unselfish service, without pay, for the benefit of the children of the community. How well the work has been done is attested to by the standing of Oak Park playgrounds.

Incidentally, another Maloney comes in for congratulations, as we understand that Mr. and Mrs. Roy Maloney celebrated their 25th anniversary on June 20.

John Brennan, our affable first grand knight, looked fine after his trip to the lumbermen's convention at Denver. By the way, John, you didn't see anything of Charlie Lex on the trip, did you?

Eddie Devine is still in the hospital but is reported as getting along nicely. See Andy (Andrew J.) Pusateri about visiting.

Don't forget the Oak Park Fours' boat trip on Wednesday, July 16. Tickets are available from any of the Fours, or see the financial secretary. Also see the financial secretary if you have not paid up to June 30. It would be nice to have all accounts collected and all bills paid, and money in the bank—or are we dreaming?

Dies After Short Illness

Patrick J. Murphy, Past Grand Knight of Charles Carroll of Carrollton Council, No. 761, Knights of Columbus and Sir Knight of the La Salle General Assembly, Fourth Degree, died on Monday morning, June 23, after entering the hospital a little over a week for a minor operation. His sudden passing is a sad loss not only to his Council but to the entire Order here.

As one of the key individuals in organizing Carroll Council in April, 1903 and as a Charter member, his devotion to his many tasks have been typical of the true Catholic gentleman and Knight of Columbus for over thirty-eight years. He was elevated to the Grand Knight's chair in 1905 and again in 1906 and since then has not left this chair in spirit, but has given constant service and effort to the expansion of the Council's interests and activities. Being recognized for his valuable service to the Order, "P.J." was called upon many times by the State and Supreme Officers for his excellent advice and wise counsel and demonstrated the highest caliber of ability in the execution of his appointed duties.

NATIONAL DELEGATE

Serving as Delegate to the National Convention on numerous occasions, his natural talent for speech coupled with his keen wit and remarkable memory time and again captured and held the interest of his many audiences. As a Degree Officer, he won distinction for himself and his Council.

Charity, Unity, Fraternity and Patriotism guided and motivated him during an active and colorful lifetime spent in the cause of Knighthood and the advancement of Catholic Action.

Thousands of Knights throughout the Chicago and Cook County jurisdictions paid their respects to this "gallant man of action" at the family residence at 227 South Taylor avenue, Oak Park. Funeral services, attended by high ranking Church and Order dignitaries, filled the St. Lucy's Church and accompanied the remains to its final resting place at Calvary. Surviving Mr. Murphy are his wife, Mona Sheehan Murphy, a son, John J., two brothers, the Rev. William A. Murphy, Cornelius, and two sisters Mrs. Julia O'Brien and Mrs. Mary O'Connor. Mr. Murphy is also the brother of the late Sister Mary Gilbert, B.V.M. and of James Murphy.

ST. RITA INDUCTS 13 AT DEGREE LAST WEEK

1-3 Thurs. . . . . 6048 S. Fairfield Ave.

Thirteen candidates from St. Rita Council and five from other South Side councils were inducted into the First and Second degrees at exemplification ceremonies held in our chambers a week ago last night. All the candidates passed with flying colors and gave definite promise that they will be worthy additions to their respective councils.

As you know the degrees were held in honor of our chaplain, Rev. M. J. Fennessy. A packed hall, including thirty guests from other councils, attended. Among the prominent visitors were District Deputy Pat Noonan, Tom Mulroy, Grand Knight of McHale Council, and G.K. Dick Phillips of Englewood.

Between the First and Second degrees G.K. Charlie Nash turned the floor over to P.G.K. Doc Hoffman, who in the name of St. Rita told of the wonderful work done in our behalf by Father Fennessy and presented him with a set of breiveries. Father Fennessy was highly pleased with the gift and told the members never to hesitate to call on him if he could be of any service.

The degree team, which put the boys through their paces in fine fashion, consisted of G.K. Charlie Nash, P.G.K.'s Frank Small, Chris Mathis and Charlie Clarke, D.G.K.-elect John McGowan, Jack Bracken, and Bro. Loughnane of Englewood Council. Following the evening's program the attendants repaired to the basement to partake of suitable refreshments, on hand through the efforts of Lecturer Harold Hilbert.

A Third degree will be held at Perez clubhouse at 8:30 tonight. Many new candidates from St. Rita Council will be inducted. Try and attend.

BARBECUE

In the news section of the Columbian you will find the names of the individuals who gained fame and fortune at Bishop Sheil's Fourth Annual Barbecue for Underprivileged Youth. More than thirty members of St. Rita attended the barbecue a week ago Wednesday night at Riverview Park.

As far as our council's sale effort went, we can be justly proud of the work done by Co-chairmen Roy Perell and Connie O'Sullivan and their committee. Also the members themselves can take a little bow for our council sold 169 books and 11 chances. The barbecue chairmen wish us to thank the membership for its noble effort.

INDUCTION

At the next meeting July 3 the induction of the new officers of St. Rita Council will be held. They include G.K. Ted Lee, D.G.K. John McGowan, Recorder Joe Shanahan, Chancellor Howard Jeffers, Treasurer Frank Holek, Warden Joe Clerkin, Advocate Joe Philbin, Inside Guard Jim Boyce, Outside Guards John Schmidt and John McNally, and Trustee Frank Small. At that time G.K. Lee will make various appointments for the coming year.

The first meeting of the picnic committee was held last Tuesday night. G.K.-elect Ted Lee announced that it will be held Sunday, Aug. 3, at Sudent's Grove. Jack Bracken has been appointed chairman. More later.

THINGUMBOBS

Members attended the wake of the father of Bro. John Shanahan at Sullivan's Undertaking Parlors last Sunday night. . . . Joe Goyer, Art Manfredi and a few others golfed in the annual K. of C. tournament last Wednesday. . . . Our softball team dropped one to Auburn Park, 5 to 0, last Tuesday. Bro. Father Lynch was on the mound. . . . With summer here many members will be going vacationing out of town. Drop us a line at 7951 S. Hermitage Ave.

O'Connell Attendance at Meetings Forecast Bright Season Ahead

2-4 Tues. . . . . Hill & Franklin

There's quite a bit to tell about this week, so I won't waste words. In addition to all our regulars, we saw a lot of the old timers at the last meeting; they promise that attending O'Connell meetings is going to be a regular thing for them from now on, so you can make up your mind that we're going to have a lot of fun.

Among those present we noted Bros. Ted Beck, Howard Snyder, Jim Wendell, Ed Hughes, Harry Burke, Eddie McKeever (by the way, Ed, how's "Mom?" and say hello for us), Bro. Michaels, Ted Peloquin, Carl LaPresti and Dr. Al Baldassano.

Our Worthy District Deputy Bro. Marco DeSteffeno, who is more or less a regular attendant at our meetings, was on hand to give the members a very interesting talk. We're always grateful for these visits because each time we always learn something new.

Bro. Stubing's daughter is confined to St. Francis Hospital. My latest report is that blood transfusions were given b Bros. Harry Klein, Ted Peloquin and Jas DeRicco, and that Miss Stubing is doin nicely. However, it might be well to offe a prayer for her speedy recovery, as we as for the recovery of Bro. Vic Bonano son, who had suffered a similar illness but who has since been taken home fro the hospital. The entire council extend its best wishes for their speedy recoveries

Remember Bro. Angelo De Pento? Yes that's right, the old Basketeer of O'Con nell Council. Well, boys, his title is now Dr. Angelo DePento, and he is one of th leading, if not the foremost, obstetrician in the state of Arizona.

Everyone knows Bro. Ed Manley. Bu did you know that he is a member of th executive board of umpires in the "Amer ican Softball Association of Umpires Illinois"? Also that Bro. Manley ap peared in a news reel some time ago?

You've all heard about it. You've see it in the popers, and it is the U.S.O which means United Service Organiza tion. The main work of this organizatio is to provide recreation centers for th men in the armed forces of our great na tion. If you read the front page of las week's Columbian, you will realize th problems presented to the men in charg of the soldiers and sailors. Hence it the problem of this great organization t provide the facilities for recreation.

Bro. Jos. C. Meier has asked me t make this appeal to you. If you have an old desks, chairs, tables, rugs, lamps stools, or office equipment of any kind that you are not using or do not want the organization would greatly appreciat your donation of these to this cause. you are in a position to make any suc donations, kindly contact Bro. At our next regular meeting, Tuesday evening, July 8, our newly elected officers will be inducted into office. The ceremony will be conducted by our District Deputy, and our Grand Knight would appreciate a large attendance on this occasion.

It is very encouraging to your officers to know that they have the support and cooperation of the membership and being present is a fine way to show them that they can depend on you. Furthermore, it is your duty as a member to give this cooperation.

Our lecturer, Dr. Jos. Laibe, has made plans for entertainment and refreshments, and is desirous of filling the hall to capacity. Remember the date, July 8, at St. Maurice's Hall, 3625 S. Hoyne Ave.

RED CROSS WAS USED BY 16TH CENTURY SAINT

The red cross was used by St. Camillus of Lellis, founder of the Ministers of the Sick, as a badge of service for those caring for the sick and wounded 200 years before the modern Red Cross was organized. St. Camillus, born in Abruzzo in 1550, chose as the badge of his order a red cross worn over the heart, it was recalled by the Rev. Mario Venti, S.J., at a conference in Rome. Leo XIII in 1886 proclaimed St. Camillus the heavenly protector of all the sick and all hospitals; in 1930 Pius XI proposed him as the model and patron of all nurses in the world.

THE 'NEW' BIBLE

The fact that we live in times of startling change has been again emphasized by the announcement that a revised English translation of the New Testament has been completed and will replace the one which has been in use for the past two centuries. Many of the familiar Biblical expressions will disappear in the new translation; the arrangement of numbered, separate verses will give way to the modern style of paragraphs and sections, presenting the Sacred Writings in more readable, attractive form. The unusual words and word-endings, ancient and quaint, which successive generations have come to consider an essential part of the Bible language, will be replaced with present-day spellings. Some corrections and many simplifications will be embodied in the new work. For a time, at least, it will seem very strange, almost disturbing, for the usages of hundreds of years in a field held in such reverence cannot be readily set aside.

Yet it is obvious that the step now being taken is a necessary one, if the Bible is to have the meaning it should for all the people. The original writings were cast in terms and forms which were familiar to the people of their day; translations into other languages were made according to contemporary standards; when the college at Rheims issued its translation of 1582 it was phrased according to the English language then in use; when Bishop Challoner prepared his revision in the 18th century he made it conform to the changes that had taken place in English speaking and writing; similarly, this new translation will abandon words and idioms that no longer convey the meaning they did 200 years ago and will express the meaning of the inspired writers in the language in use today. The Bible remains unchanged, its meaning certified by the Church; the only revisions have been made in the form in which that meaning is expressed for users of the now changed English tongue.

The purpose of the revision, of course, is to bring the Bible closer to the average Catholic, to make it have more meaning for him, to lead him to turn to it more readily and more understandingly. These are days of almost unlimited reading—some of it good, some of it indifferent, much of it positively harmful; these are also days of vitally important issues needing study for their solution. If reading of the Bible were to supplant some of the current useless and dangerous reading, light, now lacking, would be thrown on these problems. Most helpful then the new revision should prove, attracting attention to the Bible by the almost sensational fact that the changes are being made, and holding that attention by making the reading of the Scripture easier, more interesting, more enlightening.—The Pittsburgh Catholic.

ST. JOHN OF GOD FRATRES OPEN FIRST HOUSE IN U.S.A.

Los Angeles.—The first U. S. foundation of the Order of St. John of God, nursing brothers whose history goes back more than five centuries and who have 136 institutions scattered throughout the world, has been established in Los Angeles. The organization traces its history to St. John of God, who died in Spain in 1559 and was canonized by Pope Alexander VIII in 1690.

Under the direction of Brother Mathias Barrett, assisted by Brother Leonard Mondat and Brother John Dubuc, a home has been acquired, and the Brothers are already about their work of caring for jobless and needy men.

Brother Mathias is former superior of Notre Dame of Mercy Hospital in Montreal. He was a pioneer in the establishment of the order in Canada in 1927. In Canada, the order also operates several hostels for aged and jobless men, a refuge for crippled boys, and a training school for the brothers.

Brother Leonard is a native of Montreal and Brother John was born in Holyoke, Mass.

Every year Easter services are held in the Colosseum in Rome where so many Christians were martyred in the early centuries.

PRELATE SEES U. S. O. AS BOND OF UNITY

New Orleans.—The U.S.O.—the United Service Organizations—"will constitute a bond of unity between the masses of our civil population and the youth of the land that has been gathered into training camps," the Most Rev. Joseph Rummel, Archbishop of New Orleans, declared in his written indorsement of the campaign for funds being conducted by those organizations.

Archbishop Rummel also said the six United Service Organizations, which include the National Catholic Community Service, "will effect a system of defense which will be a formidable bulwark of strength and endurance for the nation." The Archbishop also included an appeal for "fervent prayer that God may continue to bless our nation and guide wisely those who in these critical times carry the burdens of government."

Quigley Installs Leo Gawrych Tues. Night for 3rd Term

1-3 Tuesdays . . . . . 1035 W. 31st St.

Quigley Council will usher in a new fiscal year Tuesday night, July 1, when DD Patrick Noonan will install Leo Gawrych in the grand knight's chair and the subordinate officers in their respective posts.

Tuesday night will mark the start of GK Gawrych's third term, a term that is regarded as the proper stimulus for an outstanding and progressive council year.

Committees are now being formed and any member desiring to serve on any particular committee should advise the grand knight. Appointments already confirmed by GK Leo Gawrych appear as follows: Financial secretary, John J. Jankowski; lecturer, Kasper Knasiak; scribe, John Golden; assistant warden, Stanley Osowski; organist, Jerome Budny.

THIRD DEGREE

Quigley will send a large group of initiates to the third degree exemplification at the Father Perez clubhouse tonight, June 27. This major degree will wind up the council year, and a large number of Quigleyites will be present. All second degree members are urged to participate.

BARBECUE

Following the inspired leadership of Barbecue Chairman Anthony Krolak, all previous barbecue records were toppled. The chairman and his committee are to be extolled for the wonderful achievement accomplished. A total of 287 books were disposed of and the committee and those who sold three or more books will receive a ticket to the banquet at the Palmer House on June 30. In addition Quigley had two winners—one disposed by Pete Mitchell to Paul Raske and another disposed by Max Przekwas to Charlotte Przekwas.

Ancient Tree Symbolizes Church History in Hawaii

Honolulu.—For 111 years the stumps of an ancient Algaroba tree and the Catholic Church have run parallel courses in the territory of Hawaii, which has been elevated to the rank of a diocese. Today the ancient Algaroba, from which have sprung all the Algaroba trees in the islands—and they now cover more than one-quarter of the land area of the territory—is the symbol of the inspiring history of the church on the islands.

The seed of the original Algaroba was planted in 1828 by Father Alexis Bachelot, superior of the first unit of the Order of the Sacred Hearts of Jesus and Mary from Paris, which arrived here July 9, 1827. After nearly four years of trial, tribulation, and persecution, the priests, two besides Father Bachelot, and a lay brother were forced to leave the islands by order of the Hawaiian chiefs.

TWO ATTEMPTS FAIL

Two more attempts to set up a Catholic mission in Honolulu, on the present Fort street, near the site of the modern Cathedral, were thwarted by hostile Hawaiian chiefs.

Finally in 1842, on the demand of the French government, permission was given to the Sacred Heart Fathers to practice and teach the faith in Hawaii. Today only one French priest resides in the territory and most of the other priests of the Sacred Heart order are American citizens.

THREE CHURCH LEADERS DIED AT SEA

A strange coincidence of the history of the Church in Hawaii is that the first and latest Bishops and the first Prefect Apostolic all died at sea. Father Bachelot, first Prefect Apostolic, died on board while in exile in the South Pacific. Bishop Rouchose, the first of the Hierarchy to head the Church in Hawaii, was aboard a ship that was wrecked in 1842, when he was returning to the islands from France. No word has ever been received about his tragic end. The late Vicar Apostolic, Bishop Stephen P. Alencastre, died on board the Matsonia, Nov. 9, 1940, while returning from Los Angeles. Today, with a Catholic population estimated to be more than 125,000, the islands have 75 priests, 70 brothers, 244 nuns, six Catholic high schools, two boarding academies, 18 grade schools, two orphanages, one hospital and one preparatory seminary. Thus, like the Algaroba, the Catholic Church has flowered and spread throughout the territory in a little more than a century.

Since 1928, Australia has had a flying medical service to look after health emergencies in remote regions.

The original draft of the Constitution, penned by James Wilson, secretary of the Constitutional Convention, was insured for $500,000 during the short period it was placed in Independence Hall in Philadelphia during the four months Sesquicentennial celebration of the Constitution there.

was well along in his eighties, Bro.

Bro. Lyden enjoyed excellent
lth and was always regular in at-

re boy his folks migrated from the East to the plaines of Iowa where they settled amid the hardships of the times to cultivating the ground. For several years he resided in South Shore with part of his family. Funeral services were held in St. Bride's church last Tuesday morning and interment was in Des Moines, Iowa.

We regret also to announce that Herman Sumner's father passed away about two weeks ago at his home in Kentucky. He had been ailing for some time and was well along in years.

St. Joseph's Picnic Arrangements Are Now Being Well Considered

1-3 Thurs. . . 57th and Archer Ave.

Due to the smallness of the attendance at our meeting of last week and the warm weather—there was not very much business transacted and the meeting was disposed of in a very short time. The writer took charge of the meeting, because of the absence of our Grand Knight.

The matter of the council picnic was brought before the Council and it was decided to hold a special meeting of the officers and any interested members on Monday, June 23.

These notes are written on the 24th, but as we had to work late Monday night we were unable to get to this meeting and do not yet know what transpired. We hope to obtain this information for publication in next week's issue.

Some say it is commercialism, but when we see something new and striking in connection with a member of the Council we think it "news."

An item of this kind is the striking and artistic alterations made by Bro. F. Jalovec to his place of business. Frank is the owner of the New Process Laundry and has completed alterations which make his place the most artistically fronted business house in the community. We congratulate him on its appearance and wish him success, as a man not afraid to make a venture.

Don't forget there will be no meeting next week, July 3. It is put forward one week and will be held on Thursday, July 10. This will be installation of officers and you are asked to be present for this important ceremony.

Next week is our greatest national holiday, July 4, a day when all Americans should be proud and happy. We offer a word of warning that you make neither yourself, your family or anyone else unhappy by the promiscuous use of fireworks. Remember it is better to be safe than sorry, so be careful and in particular with the children.

The American Legion Display on July 4 will give you all the fireworks you need to see and under expert and safe supervision.

ENGLEWOOD CITES ADVANTAGES OF U.S.O.

2-4 Mon. . . . . 150 W. 69th St.

With so much space being given in our daily papers, the Catholic weeklies, as well as the Columbian, to the United Service Organization, or as it is so well known now, the U. S. O., you probably are well aware as to its fundamental purpose.

For those who are not well acquainted with this activity we will take the privilege of quoting part of the comments of Hughston M. McBain, general chairman of the campaign, as shown on the first page of last week's issue of the Columbian.

"This is a campaign where speed and quick results are imperative. The soldiers and sailors need recreation facilities. They need these centers where they will be able to discuss problems with leaders of their own faiths. To delay this matter would be tragic and I know that the people of Chicago will respond generously and at once in behalf of these boys who are doing so much."

The Knights of Columbus are taking a very active interest in this work, and every council is being asked to do their share. Joseph Hannapel has been appointed Chairman of the Committee from Englewood Council, and he will probably be calling upon you very shortly.

This matter has not been discussed at any of our meetings as yet, but probably will be at the meeting held on Monday, June 23. Inasmuch as it will be too late to hold this column for any news of that meeting you will have to wait until next week to find out just what is expected of us, as members of Englewood Council, and as Knights of Columbus. We did not fail the boys in the last war an we must not fail them now. Be ready to do your share when called upon.

E-THLETICS

The softball team is looking for its initial victory. Last week we played Auburn Park twice, and came out of the short end of a 9 to 6 and 7 to 1 twin loss. But this is not the fault of our efficent and capable manager, Joe Hannapel. He needs the men to play for him. We have made appeal after appeal to come out and the last game seemed to show the best results of all, for believe it or not, we had ten men.

On Tuesday, June 17th, we played at Meyering Park, and in scouting around to see what Englewood members were available for the game we found P.G.K. Charley Hugelet and his son, Phil. This still left us a few short so we asked Charley if he cared to join us. He did and played a really remarkable game at first base, besides getting a couple of base-knocks. If he can do it, so can you. There is no age limit, so come out one and all for a good evening's entertainment and exercise. As far as we could find out Charley had no ill effects other than cramped fingers, which kept him from writing up several thousands of dollars of insurance the next day.

We cannot give you the schedule of games to be played for the printed schedule has not as yet been distributed by the Softball League, so as last week we must ask you to refer to the Sports Page to see where we play. We will list the home diamonds of the teams in our section so you will know where to go. Our home grounds are at Meyering Park, 72nd and South Park. Auburn Park plays at 77th and Vincennes, McHale at Hamilton Park, and St. Rita at 55th and Western. All games start at 7:00 P. M. but Joe would like to see you about 6:30 P. M.

E-VENTS

If you are looking for a place to spend next Sunday, and you don't care about a ballgame or swimming, then go to Glenwood Forest Preserve, near Glenwood, Illinois, to attend the Picnic and Outing given by St. James Council. Admission is free. Just pack a lunch, gather the family into the car and drive out along any south route to connect with Indiana Avenue (Route 52) direct to the grounds. If you don't want to bother with a lunch, refreshments may be obtained on the grounds. There will be games and amusements for children and adults, as well as a good Softball game.

Thomas More Library Exclusive Distributor of Revised Testament

An announcement of unusual interest to Columbian readers is found in that the Thomas More Library & Book Shop of Chicago has been approved as the official, exclusive distributor of the Revised New Testament in the archdiocese.

Catholic Action has been a leading activity among the councils of the Chicago area for quite some time and the "Thomas More" is an outstanding example of Catholic Action actually at work on a definite project.

Under its charter and by-laws all net returns from the business of this organization must be used to expand the facilities of the library or given to a charitable or religious society. It is a "not for profit" Illinois corporation.

ORGANIZED BY NAZARETH MEMBER

The project was organized in 1939 by John C. Tully, a member of Nazareth Council, La Grange, who is well known to thousands of Chicagoans as a pioneer radio manufacturer, president of the former Bremer-Tully Mfg. Co., and as a founder of the Radio Manufacturers Association.

The revised New Testament was heretofore handled through the parishes of the archdiocese, orders in most parishes having been placed through an envelope system. In order to keep the price as low as possible the National New Testament committee who have charge of publication under the Episcopal committee did not allow for a trade discount as on ordinary publications. Through the voluntary help given by the parishes it was thus possible to provide a 780-page volume in wholesale lots at the extraordinary price of $1.00. The non-profit service now being supplied by the Thomas More Book Shop is to provide for those who did not order through their churches on Biblical Sunday, May 18th.

PRESENTS DIFFICULT SALES PROBLEM

"The New Testament cannot be sold retail at $1.00 without a loss," said Mr. Tully on our recent call at the book shop. "We are attempting to reduce our loss by charging a dime for handling and so far no one has objected. In fact, after seeing the book, most of our callers tell us, we should charge more. Our object, however, is not profit but to get the New Testament into every Catholic home in the archdiocese. We ought to distribute another 100,000 copies but to reach this goal we will need cooperation and will be most grateful for any help that the Columbian and the members of the Order can give us."

Mr. Tully, by the way, was the organizer and first Grand Knight of Notre Dame council, the first college council to receive a charter. The young man who was at that time his roommate at Notre Dame is now the Military Delegate, The Most Reverend John F. O'Hara, C.S.C.

The trustees of the Thomas More are John J. Maher, vice president; John O. Wilkinson, secretary; Robert J. Bayer, treasurer, and Mr. Tully, who as president has during recent months devoted most of his time to the project.

Tonti Cancels Meeting of July 3rd Because of the Holiday Vacation

1-3 Thurs. . . . . 4221 W. Irving Park Rd.

Due to the fact that July 4 falls on Friday this year and most business houses will be closed for the weekend to allow their employes a three-day holiday, it was voted at our last regular meeting to dispense with the meeting of July 3. The installation of officers, scheduled for this evening, will take place on July 17.

BARBECUE

Although the barbecue book sales did not equal those of last year, Chairman Ray Ruzkowski feels that we made a sincere effort to do our best, and wishes to thank the brothers for the cooperation given him. Bro. Charles Kadolph received a midget radio for his excellent efforts. Financial Secretary Frank Ruzkowski also received a radio. GK Eugene Raith won the radio that was on display in the council chambers.

PGK Bruno Satkowski of St. Cyr Council paid us a visit at our last meeting and, acting in his capacity as a chairman of the United Service Order, he gave us a very interesting and enlightening talk on the aims of the U.S.O. A committee from Tonti Council was appointed to aid in the U.S.O. work and consists of PGK John Smith as chairman and PGK John Olsta, PGK Bob Anderson, Treasurer Edward Ciessau and Bro. Joseph M. Wiedemann.

The U.S.O. aims to erect and maintain recreation facilities for the men in the armed forces of the United States and also for defense workers. When you are approached by a representative of the U.S.O. for a donation, be as generous as you can, because it is a worthy cause.

RUE DES INVALADES

Bro. Albert Menkicki is in the Lutheran Deaconess Hospital and was the recipient of a blood transfusion from PGK John Olsta. Your prayers are asked for his speedy recovery.

The wife of GK Eugene Raith underwent a painful eye operation last week and is now at home. We are happy to hear she is making favorable progress and hope for her speedy recovery.

The wife of Bro. F. Sears is also confined to her home due to an illness.

WEDDING BELLS

Wedding bells will ring out on July 5 for Bro. Andrew Manczak, Jr. Andy will be married in St. James Church. The best of luck and happiness is our wish for the bride and groom.

We were happy to have Lambert Young of Father O'Connor Council present at our last meeting and hope he drops in to see us again in the near future.

NEWMAN INVITED TO PARISH OUTING SUNDAY

1-3 Thurs. . . . St. Mary's Hall, Evanston

My dear friends: The epistle this week will be according to our deputy grand knight, Bernard Nellesen of the Public Service Co., who sent in the following items entitled "Let there be light, and there was light."

ST. NICHOLAS PICNIC

On Sunday, June 29, at Earhardt's Grove, Touhy Ave. and Talcott Rd., St. Nicholas parish is holding its sixth annual church picnic and summer festival. Deputy Grand Knight Bernard Nellessen is general chairman. Among other officers of Newman Council active on the picnic committee are Grand Knight Gehant (formerly an usher at St. Mary's) and Cliff Dalton.

Among the special features will be a softball game between St. Nicholas Holy Name and Newman Council at 2:30 p. m.

The members of the council have an obligation in supporting this affair in that their chaplain, the Rev. W. J. Mockenhaupt, is pastor of St. Nicholas Parish.

The committee is providing free transportation to all who are not driving their cars. Busses will leave the church every hour during the day with the return trips starting at 8 p. m. Earhardt's Grove is located one and a half miles west of Park Ridge, on Talcott Rd., one block south of **Touhy Ave.**

JOSEPH FLINN—UNIV. 0502
DR. EDW. W. KEEFER—GRE. 3320

We are pleased to announce Bro. Keefer has accepted the job of council scribe for the coming year and we wish to advise that he plans to follow the previous year's practice of asking a different member to write the news each month. For July Bro. Flinn will take over. Joe will do a grand job and each of the brothers will be glad to have a phone call from you if you have an item you would like to have in the column. Just don't forget to call one of the above numbers.

Congratulations to Bro. and Mrs. Hofstetter on their 30th wedding anniversary on June 20. We are glad the brother took time enough out to attend the last meeting for the installation of officers. We were all looking around for Bro. Pat Craig and finally learned that he and Mrs. Craig are vacationing—a belated honeymoon, and our best wishes to both couples.

Next paragraph for congratulations goes to Bro. Al Gassner and Mrs. Gassner, somewhat belated, over the arrival of the third member of their family, another boy. That isn't what kept Al from attending the last meeting; instead, we heard they were entertaining guests from that very distant state of Washington.

Ask Bro. Ed Coursey about the golf tournament. Plans are under way, and he may need a little help if you have a few extra hours.

Bro. and Mrs. Peter Ledenback are celebrating their 25th wedding anniversary Saturday, June 28. Send your returns on the U.S.O. to Bro. Andy Konold, 1110 Grove St., phone Davis 1165. Bro. Tom Steigelman is taking tennis lessons.

Bro. John Vose is attending night school studying German. He bought a lot in Techny cemetery and wants to be able to talk to someone on resurrection day. No doubt, folks, your milk supply runs very low these hot days. If you want good milk and need it in a hurry, call Bro. Willard Uttenreuther, University 4173.

Bro. Tom Zicco informs the publicity department that Newman's ball teams won their games last week. He also says that both teams will be wearing new uniforms in the near future. Games will be played with Waukegan and Lake Forest Councils. Probably District Deputy James Corcoran will be the umpire. He is a good judge of balls and strikes.

At this time Newman Council wishes to say goodby and good luck to Bros. James Shea, Henry Polletti and James Forgioni, who left for Uncle Sam's army last Thursday.

Bros. Tim Jans and Cossy Zender throw their hooks into Lake Michigan almost every night off the Lincoln St. pier. Joe Jans sold 33 barbecue books. Newman's total books sold, 216. Father Mockenhaupt and Joe Reichman sold lucky tickets. Bro. Louis Principaili celebrated the feast of St. Louis last Saturday evening. Among the guests were Bros. Joe Zera, Pete Pennachia, Charles Segneri, Andrew Virgili, Marty Corcoran and Thomas Loyola Sullivan.

Along with the installation of Newman Council officers last week a new activity is being undertaken with the organization of a fourth degree club. Acting Secretary Joseph H. Flinn called the initial meeting for 8 o'clock sharp on Thursday evening before the regular council session at St. Mary's school, at which time by-laws were to be drawn up, a program planned and officers elected. Retiring Grand Knight Kenneth Lawson and Grand Knight-elect Walter Gehant are sponsoring the club in order to further the already large gains made this year in fourth degree membership, which now totals upward of seventy.

The fourth degree, being the patr degree of the K.C.'s, the club is plan an active part in the north end Fo of July celebration with the entry float depicting some form of Cat Action.

ABOUT THE MEMBERS

We've often wondered why Geo (Fatstuff) Latelle has a body gu wherever he goes. Can it be beca he fears the wiles of one guy wh they call (Short)? Sam (glass-a Bassarelli has given the boys on softball team a demonstration on h a ball should be propelled in orde cut down advancing base runners. kid sure is a wiz.

Bro. Joseph De Frank deserves s word of praise from this departm for aligning six new candidates membership into our council. We lieve that makes him the champ sponsor for 1940-41 if our guess is amiss. Great work, Joe.

Inside Guard J. E. Scully he of infected toe, is back to work, altho the injured member is not fully shape. We have not heard any repo anent the condition of Mrs. Garvey we do hope and pray that she is out danger.

We are certainly elated to hear good news that John (can't keep h down). Burke was finally rewarded meritorious service by the C.S.L. H now a "white collar job man." though we envy you, pal, we do w you the best of luck. Congratulatio

SOFTBALL NEWS

Once more our boys were thum after having apparently "sewed-up" game. Leading 4-1, going into seventh our boys did not reckon w the recuperative powers of Americ and consequently, the final res showed us on the short end of a score. Our showing to date is a thing but encouraging and though Pats is down we are far from be out. Watch our smoke from now o

In our next pair of games we m St. Francis on July 3 at Harrison Central, and then on Tuesday, July we encounter Damen Council at G field Park. All games start promp at 7 p. m.

The softball players' chief lament the lack of the brothers' cooperation attending these contests. At most our games we see the same five or fans. Can it be that the boys are sl ping that much? We think not, and we urge your moral support.

FR. O'CONNOR GOLFERS ENJOY FINE TOURNEY

1-3 Thursday.....4660 N. Kedzie Ave.

For the first time in many weeks, we don't start this column by preaching Barbecue. The fourth annual Barbecue at Riverview Grove last week was a tremendous success. If you did your part we are proud of you. If you were unable to do not feel too badly. If you were able to support this affair and did not, sit right down before you kick yourself in the back of the lap.

Dick Navin and Father Rausch did themselves proud last Sunday in conducting the first golf tournament of the year. The outing was a huge success. As usual, several members of Brownson Council were present. Among them were Tom Casey, Bill O'Neill, Doug Pons, Dick O'Malley and Johnnie Leech. John Leech came up with a seven on the first hole, but hurriedly acknowledge a 12 when his caddy reminded him that he forgot to count five misses. (We don't mean the feminine type of Misses either—John would never forget them.) Other visiting Knights were Al Stagg, Bob Boland and Joe McGuire of Americus Council.

Low gross score of the day was turned in by a visitor. Joe Donlon, Jr., of the Edgebrook A. C., toured the course in 86. Frank Abbott, winner of last year's tournament, had a bad day. He called it quits at the fourteenth tee when a few drops of rain fell. Bobbie Nelson did an excellent job as secretary. Council members who took home prizes were Dr. J. V. Wolfe, J. Durkin, Bob Fiedler, Fran O'Grady, Dick Savage, Bob Niermann, Bob Turnes, Ed Droske, Bill McCarthy, Harry Browne, Doc MacDonald, John Golden, Jimmy Mangan, Paul Mercer and Dan Smith.

Winners on the Guest List were Joe Donlon, John Leech, Bill O'Neill, Tom Casey, Bob Boland, Al Stagg and E. Pickrall.

Jack Kennedy was present with Mrs. Kennedy and their future knight. He kept telling me something about some guy going to Benediction at the wrong church. He claims the guilty one's wife sent him a letter of complaint. The highlight of the tournament was Dan Smith's birdie 3 on the eight hole. Garry O'Brien's youngster looks like a better golfer than his Dad, and that's quite an order for the lad to fill.

Jack Hausmann claims he is always good for a laugh and he was no exception Sunday. We watched him play a few holes and then advised the caddy to summon the air raid wardens. Jack IA McGuire officiated in the Ed Wilson, Ed O'Connor, Paul Mercer match. He looked just as cute as could be in a red baseball cap. The inseparables, Wilson and O'Connor, defied all the laws of human nature by even getting up to play golf.

Staging a tournament must really be a lot of work. The day after the tournament, the two chairmen, Dick Navin and Father Rausch, left for a week's vacation in Mechanicsburg, Ohio. Johnnie Golden worked like a horse all day. In fact we even saw him pulling a wagon around the course.

NO MEETING

Once again we remind you that the regular Council meeting of Thursday evening, July 3, has been canceled. The next regular meeting will be held Thursday evening, July 17, at which time the newly elected officers will be inducted into office. The reason for canceling the July 3 meeting is to give you the opportunity to do whatever you wish of the Fourth of July week-end.

SOFTBALL

Fr. O'Connor's softball team suffered its fourth straight setback last week. They dropped a 6 to 5 decision to St. Paul of the Cross Council. In this last week they have played two games. Both of which were played too late to make this issue. Next Thursday, July 3, they meet University Council at California Park, Irving Park and California Ave. The following Tuesday, July 8, they play De Soto Council at Waveland Ave. and the lake. On Thursday, July 10, they play St. Cyr Council at Stanton Park, Clybourn, Evergreen and Larrabee Sts.

KNIGHT LIFE: Congratulations to Father Eugene Luke who was recently made pastor of St. Petronella's Parish in Glen Ellyn, Ill. . . . Grand Knight Bill Cunningham has been confined to his home for the past few days, the reason being a very bad cold. Here's hoping you are up again by the time you read this, Bill!

It pays to be practical. Kenneth Goode tells about an artistic friend who designed the ideal house for herself and then forgot to put a door leading into the dining room.

ILLINOIS MEMBER HEADS INDUSTRIAL RELATIONS GROUP

New president of the Industrial Relations Association of Chicago, which is reported to be the largest group of its kind in the country, is Harold F. North, industrial relations manager of Swift & Co. and vice-president of the American Management Association. He was elected at the annual meeting last night. Over 300 attended the meeting. Mr. North is a Past Grand Knight of Illinois Council here.

Two other local leaders in industrial relations, and an authority on safety were also elected officers of the association. William M. Edens, second vice-president of the Continental Illinois National Bank & Trust Company, was named vice-president. George G. Traver, secretary and treasurer of the Greater Chicago Safety Council, became secretary, and H. L. Bills, director of industrial relations for Acme Steel Company, won the post of treasurer.

Speaker of the evening was Harold H. Swift, vice-chairman and director of Swift's industrial relations for more than 25 years, who urged employers to recognize their workers as individuals, not as "labor" or as working "gangs."

"If the present emergency trains us to think of people in bulk—as whole nations, as classes, as armies of marching men, as gangs of any size whatever (the Hitler ideology), then it will be the blackest experience through which America has ever passed," he said.

Local Servite Brother Remembers Meeting 'Little Flower' In Rome

At 78, Brother Frank of the Servite community at Our Lady of Sorrows church can look back on a life full of rich experiences. Most treasured in his memories are his meeting with St. John Bosco, founder of the Salesians; St. Therese of the Child Jesus, the Little Flower of the Carmelites, and Blessed Mother Frances Xavier Cabrini, foundress of the Missionary Sisters of the Sacred Heart.

In 1871, Brother Frank and his father spent a week with Don Bosco. In 1888, he met the Little Flower in Rome. In 1917, he visited with Mother Cabrini.

On the occasion of the world pilgrimage of the Third Order of St. Francis that marked Leo XIII's jubilee in 1888, Brother Frank, then a layman, attended an audience granted to the Tertiaries. In his excitement over seeing the Holy Father, he mislaid a package containing precious religious articles he had collected in Rome.

He had left the Vatican before he discovered his loss, and as he rushed back to the Sala del Trono, the Swiss Guards detained him for questioning. After his release, he spied a group of pilgrims talking in one of the Vatican corridors. Among them was a Frenchman holding the lost package. In gratitude for the return of his precious bundle, Brother Frank offered a small reward to the finder. "No," said the other, "just have a Mass said for me." "Non, pour moi—No, for me" said the beautiful girl who stood at the side of the man who had found the package.

Brother Frank asked for his new friends name and address and was handed a card on which was written: "M. Martin and daughter Via Giusti, with the Sisters of Perpetual Adoration."

The daughter was Therese Martin, who had come to Rome to seek her entrance into the Carmel at Lisieux. "Theresa was very attractive, a little pale—an unusually charming girl," says Brother Frank. He too was staying at the convent in the Via Gusti, and he had many occasions for visiting with M. Martin and the saintly child.

For God and Country—— United We Serve

Everyone wants to help defend their country and to help those who are doing the most to defend it. That is why there is now being organized a great nation-wide effort to help bring to our soldiers and sailors a service program which will contribute to their morale and show appreciation of what they are doing.

The need for this help is immediate. Within camps and naval stations every effort is made to develop morale, but when required duties are done for the day the soldier or sailor is eager to get away from bounds. He seeks relaxation in the nearby communities.

Many of these communities are too small to accommodate this sudden influx of eager youth. Boys in uniform stand on street corners—wondering what to do, no place to go, no good friends to whom they may turn.

To answer this problem—this challenge to America's civilian population—the U. S. O. was formed. Operating jointly to assure its success are the National Catholic Community Service, the Salvation Army, the Jewish Welfare Board, the YMCA, the YWCA and the National Travelers Aid Society.

The United Service Organizations plans to set up 360 service clubs adjacent to camps and naval stations throughout the United States so that the influence and comfort of the American home community may be brought to those who have been separated from their homes to service their country.

The activities of the U. S. O. will not be confined to their own buildings. It will cooperate with local groups to marshal all community resources for the betterment of morale. It will include counsel and guidance, religious service, social events and diversified group recreations.

To carry through this program, and to provide it at the earliest possible date, the U. S. O. is endeavoring to raise $10,765,000 throughout the nation. Chicago's share in this quota is $679,500. This is your opportunity to join in the work of national defense. Participation in this enterprise is an acknowledgment of the debt we owe those who are guaranteeing our safety and the continuation of our democratic way of life.

BACK A BUDDY

I want to help the soldiers and sailors—the men we know as buddies and relatives. I am enclosing $..... herewith as my contribution to the United Service Organizations.

CHAS. CARROLL RETAINS G.K. JAMES J. CROSBY

Next Meet July 15.....6 N. Hamlin Ave.

The membership of Charles Carroll Council voted unanimously to retain the leadership of Grand Knight James J. Crosby at the last regular meeting of June 17. During his tenure of office Jim has given to Charles Carroll Council unstintingly of his time, thought, energy and genius for its welfare and progress, and has constantly exercised a keen interest in the affairs of the Council and has demonstrated the highest caliber of executive and administrative ability in the conduct of his office. His close association with each and every member has been a source of admiration for over a quarter of a century.

During his long period of activity he has held countless chairmanships of the various committees, and has always executed his duties noteworthily. As a degree officer he has won distinction for himself and his Council throughout the Chicago and Cook County jurisdiction. Characterizing Jim, as well as every real Knight of Columbus, you will find a fine fraternalism, good fellowship, sincerity and spirit of fairness which could never be erased. Therefore, on his record alone he merited the continuance of the job that he has so ably planned and executed during the previous year.

The complete roster of officers who are entrusted with the leadership of the Council for the ensuing year are as follows: Grand Knight, James J. Crosby; Deputy Grand Knight, Robert J. O'Day; Chancellor, Edward Joseph Whelan; Recording Secretary, George F. Rauh; Warden, Joseph J. Bradley; Assistant Warden, George J. Hunt; Treasurer, Frank O. Hubbard; Trustee (for three years), James J. Walsh; Advocate, Don Ryan; Inside Guard, Ted Gavlin; Outside Guards, C. Vincent Ryan and Matthew F. Shea; Delegates to Chicago Chapter, K. L. Torgeson, Frank Griffith and William E. McNamara; Delegate to the Convention, John F. McNamara; Alternate to Grand Knight, Daniel O'Connell; Alternate to Delegate, Joseph J. Byrne.

APPOINTMENTS

Immediately following the election, the following appointed offices were made: Financial Secretary, Michael P. Martin; Chaplain, Rev. John S. Kennedy; and Lecturer, Ken L. Torgeson. Other appointments to the various standing committees will be announced after the first meeting of the new officers. In keeping with the "five point plan of progress," members will be selected to head the Membership, Publicity, Catholic Action, Insurance and Program committees.

INSTALLATION

Installation of the newly elected officers will take place at the next regular meeting of the membership on Tuesday evening, July 15. As a vote of confidence to these selected leaders of your Council, a large turnout should witness the ceremonies.

CARROLLITES

According to an official report, Charles Carroll Council has surpassed its Barbecue efforts of the three previous years. Council Barbecue Chairman Edward J. Whelan and his able committee are to be highly commanded for their efforts in behalf of this noteworthy drive. We are justly proud, too, of each and every member who saw his duty to help out and accomplished whatever he could. Carroll Council has come out on top again and this would not have been possible were it not for the fine cooperation of those members who gave of their time to this work. Thanks, fellows! . . . Attorney William J. Condon announces the opening of offices for the general practice of law at 4000 W. Harrison St. Bill is also affiliated with a loop office at 134 N. LaSalle St. Best of luck, Bill! Glad to see you "hang out your shingle" in the old neighborhood . . . Congratulations to lovely Miss Janet Hubbard, daughter of our Treasurer Frank O. Hubbard. Janet graduated from Trinity High School in River Forest and received a scholarship to Marymount on the Hudson, New York. But, then, we could expect this, judging from Frank. You have a mighty fine dad there, Janet, and we would like to join with him in this very happy moment of your life and wish you the best of happiness . . . Mrs. Michael J. Kearney, wife of Michael J. Kearney, and mother of John Kearney, passed away suddenly. Funeral services were held on Monday, June 23, at Saint Thomas Aquainas Church. May her soul rest in peace . . . Still on our "sick list" are D. D. Edward J. O'Connor, Gene Conley, John O'Connor, Jim Hanley and John B. Clark. A visit to these members will be greatly appreciated, fellows! . . . Correction, please! Charles Carroll Council is entering its thirty-ninth year of existence, having organized and received its charter in April, 1903. Also, the little son of our Past Grand Knight Dan O'Connel is "Larry" not "Lanny." The typewriter that your writer used did not have any "r's" so he substituted a couple of "n's" instead.

SOFTBALL

The following is the softball schedule of the Far West division for Carroll Council: July 3, Carroll vs. Lafayette; July 8, Hughes vs. Carroll; July 10, Barry vs. Carroll; July 17, Carroll vs. Lafayette; July 22, Hughes vs. Carroll; July 24, Barry vs. Carroll; July 29, Carroll vs. Lafayette; August 3, Carroll vs. Hughes; and August 7, Carroll vs. Barry. Our playing field is located at the May School, 5000 W. Harrison St.; Lafayette at Grand Ave. and Long Ave.; Commodore Barry, Columbus Park, Austin and Harrison Sts.; and Hughes at Kostner Ave. and Fillmore St. Each challenging team will play at its own home playing field.

Santa Maria Officers Will Be Announced in Next Week's Column

2-4 Thurs. 9020 Commercial Ave.

By the time this reaches you, Santa Maria will have a new staff of officers and we will give you their names in the coming issue.

This June marks the end of eleven years of our being scribe. We started in June of 1930 and have had the job ever since with the exception of a short interval when our good friend John Brassell of the Daily Calumet held down the fort.

Maybe we will continue. We don't know yet who will be assigned the duty. We have had all the write-ups bound in books and they make quite an imposing array of columns. Some day we must figure out how far they would reach if laid end to end. From here—to there at least.

During the months of July and August there will be but one meeting each month as has always been our custom. The meeting will be held on the fourth Thursday of each month.

Have you been attending the softball team's games? If not, you should. Bro. John Nash tells us the team lost to St. James, but evened things up by beating Loyola-Hyde Park last week. Bro. Nash received a painful injury to one of his fingers, but is recovering rapidly.

Bros. Martin Holleran and Bill Cullen, together with friends Pat Allman and Shelius of South Chicago, flew to the Louis-Conn fight last Wednesday evening.

Speaking of the Louis fight reminds us of the story Gordon Nash tells about Bro. Joe Higgins. Joe went to one of the Louis melees and sauntered down the aisle to his ringside seat. The announcer was just announcing the main event. Bro. Higgins carefully seated himself, looked around, reached down to pick up the program he had dropped and after he was all set, focused his eyes on the ring. To his chagrin the fight was over.

Ground has been broken for the new St. Peter and Paul Church and School, and we're anxiously awaiting for the building to rise. We're to be the first tenants in the lodge hall, you know.

Hen.-Shields Will Start New Year of Council Growth at Next Meet

July 9 . . . . . 446 N. Parkside Ave.

During the past week our officers for the next twelve months were given their badges of office and turned loose to guide the destiny and fortunes of Hennepin-Shields Council, so that at our next meeting, Wednesday, July 9, GK Roy F. Cummins will conduct his first full meeting with all solemnity due to the occasion.

Grand Knight Cummins and his staff face a year in which the momentous events taking place in the nation are bound to exert some influence one way or another in the circle of fraternalism. However, with the cooperation, aid and interested participation in council affairs by every member, we feel that any problems which may arise will be successfully solved.

PGK Charles Costello, Jr., and other retiring officers, under the conditions which confronted them for the past two years, did an excellent job of conducting the affairs of the council, and we are glad to extend our congratulations and thanks for their good work.

We expect our new officers not only to equal the high standard of leadership established by past administrations, but to surpass it, as there is no standing still in the road of progress and prosperity. As the character in "Alice in Wonderland" said: "You got to run twice as fast if you want to get any place," our slogan for the coming year should be: "We are running twice as fast" for a better council and a greater order.

RALPH F. CARROLL

Ralph F. Carroll, a member of our council for the past twenty years, was called to his eternal reward following an illness of several weeks and an operation, on June 21.

His funeral was held Tuesday, June 24, from Costello's chapel to St. Matthew's Church with burial in St. Joseph's Cemetary. Members of the council paid their last respects in person at the chapel home Monday evening.

In the years of his membership in our council Ralph Carroll was an active and interested member, always ready to respond to the call of council duty and until the beginning of last season was a steady member of the council bowling league. He was, most of all, a sincere, clean-minded Catholic gentleman, blessed with a sense of humor. As a good personal friend of long standing we will miss Ralph a great deal.

Bro. Carroll leaves a brother, Don J., and mother, Mrs. Belle Dodge Carroll. To these we extend our sincere sympathy. May his soul rest in peace.

MEMBERSHIP

Those eager and ambitious young men who have graduated from high schools and colleges during this month are beginning their struggle for their share of life, liberty, justice and the pursuit of happiness.

In addition to these things, our Catholic young men should feel the necessity of continuing their program of Catholic Action and associating with men of their own faith. The Knights of Columbus offer these features to their members and without doubt a great number of our Catholic young men would be glad to become members of the knights if they were invited to do so. As a member you can extend that invitation.

THE SOUNDING BOARD

We wish to extend our sympathy to Bro. Edward J. Hughes and members of his family in the recent loss of his father-in-law, James J. Ronayne, whose funeral was held June 23 to St. Mel's Church with burial in Mt. Carmel. May his soul rest in peace.

The picnic season is with us again. St. Mel-Holy Ghost parish will hold its annual picnic and homecoming on June 29 at Thatcher's Grove. We understand that Bros. Joe Murphy, Frank West and Frank Cash are lending their good efforts for the success of the picnic. For the first time in its history. Resurrection parish is holding a picnic on July 13, also at Thatcher's Grove, and George Green, one of our boys, is up to his ears in tickets, booths and all that there picnic stuff. Success to both picnics.

When two bullies live on the same street there is bound to be a fight and generally the neighbors do not care which one gets licked. G'bye.

Nazareth's Barbecue Drive Surpasses Last Year by Wide Margin

2-4 Tues. . . . . 17 W. Harris, LaGrange.

Well, now that the fourth annual barbecue has faded into history let's take a hurried glance at the campaign. Last year, our sales amounted to 74 books. With this to shoot at, your barbecue chairman set 100 books as this year's goal. Early returns were very slow and reports not too enthusiastic, but toward the end of the campaign, things began to take on a more roseate hue and when all returns were in, we reported to barbecue headquarters the night of the big event with 91 books sold and receipts amounting to $684.00.

Your G.K. and barbecue chairman wish to thank each and every one of you for your splendid help during this drive. Without your cooperation we could not have reached such a splendid figure. Making your returns early as you did was also of great assistance to our financial secretary.

Your chairman cannot overlook this opportunity to thank Financial Secretary Polivka for the fine manner in which he handled the accounting end of the venture and the cooperation extended at all stages of the campaign. All in all it was a glorious and successful campaign.

NEW OFFICERS

As announced last week our new officers have been elected. What remains now is the appointments. It would be out of order for the writer of this column to endeavor to predict what those appointments might be. We can only hope that they are for the best and those appointed will serve with a will and with one objective, the betterment of the council as a whole.

As for your scribe, well it has been fun meeting you. It has been a pleasure serving under G.K. Himpler. He has been helpful and cooperative at all times and we express our appreciation. If at any time you have had a sly dig or jibe slung your way, forgive please. It has all been in fun. Who is going to be the next scribe? Just read the column. If it has a different tone you will know then you have a new scribe. If it is the same old "Mullarkey" you can relax and say: "Well that man is here again."

We were glad to see Chris Tenuta at our last meeting. Hadn't seen him for some time. Chris is in the Quartermaster dep't. U. S. Army and can be reached in care of Chief Materials Inspector, Camp Davis, Wilmington, N. C. Brother John B. Ziegweid, son of our past advocate A. B. Ziegweid, was recently commissioned an Ensign in the U.S.N.R. and has been assigned to duty at Boston, Mass. He enlisted as a seaman last October and after a cruise on the battleship Arkansas and study at Northwestern University Naval School he graduated June 12 and received his commission. Nice going, John.

Wonder how Jack Warner is getting along. We heard he had been sick but have heard nothing since. It is with regret we bring news of the death of Mrs. Grimes, wife of Brother Art. Grimes of Brookfield. Please remember her in your prayers. Mrs. Kartje, wife of Chris Kartje of Brookfield, recently returned from Mayo Bros. hospital and is recovering in fine shape. Hope she continues on the road to complete recovery.

Now comes the annual announcement regarding meetings. During July and August, as in past years, we will hold one meeting each month, that is the second Tuesday. Remember this now. No meeting on the first Tuesday, during July and August. We have been sitting back wondering if those so-called ball players from the east end would have the nerve to look for another ball game this year. It begins to look like after their fluke win last year they are going to retire! 'Fraidy cats!

De La Salle's Degree Class Impressed With Dignity of Ceremony

1-3 Tues. . . . . 1105 E. 47th St.

On Tuesday, June 17, De La Salle Council played host to a number of candidates for the First and Second degrees, and to say the least the degree team was superb in the manner in which the degrees were conferred. Those officiating were;

First degree: Grand Knight, Tom Mulroy, P.G.K. of McHale; Deputy G.K., Emmett Markey, G.K. of De La Salle; Chancellor, Norman B. Northam, P.G.K. of McHale; Warden, Jim Young of D. L. S.; F. S., Earl Edgeworth of McHale.

Second degree: Grand Knight, District Deputy Edward J. Molyneux; Chancellor, Norman B. Northam; Warden, Wm. J. Perry of Perez; Inquisitors, Frank McGlynn, D.G.K. of Ridge, and E. J. Johnson, P.G.K. of Perez Council; F. S., Earl Edgeworth. From all appearances the candidates were well impressed with the ceremonies.

Now that the Barbecue is over we can report that 101 books have been turned in, which adds considerably to the council coffers. Orchids (dandelions might be better, they don't wilt under hot air) to Bro. Ed. O'Keefe, who at the last report had sold 10 books. Here we have the Perfect Knight, a worker and an amiable fellow (a compliment to him for a change). Why can't we all be imbued with Bro. Ed's spirit and take the good of the council to heart and not just let the other fellow shoulder the burden. May we hear longer and louder from Bro. O'K.

As for the meeting, it was well attended with some of those new faces about which we have been talking lately, being present. We certainly hope that very soon some of our long lost brethren will exhibit their various countenances at our bi-weekly gatherings. There are some new members in the council who as yet know only those who have been attending regularly and all of us rookies are anxious to meet our brother knights.

The next regular meeting will be held on July 8th instead of July 1st, for on that day De La Salle is conducting its installation of officers at our regular clubrooms.

Speaking of meetings, the one and only meeting during August will be held on August 5th. Let's hope that we have a quorum anyhow.

Word has been received that P.G.K. Pat F. Clark's wife is confined to her home. Let us hope and pray that she will soon be completely recovered.

It is a beautiful day outside, but here I sit pounding the Remington and cudgeling my brain for material for this column. Doesn't anybody know something about somebody? Why is it that when it comes time to glean a little information, that we almost invariably draw a blank from 95 per cent of the fellows? Surely there must be some items of interest floating around and outside the council these days. Why, it's getting so we hardly even hear about those of our brothers who are ill or otherwise confined to their homes.

Speaking of being confined, we sincerely hope that Bro. James Morgan is well, and if he should care to drop a note to the council, all of us would be pleased to hear from him.

Try to keep this little matter in mind about council news and whenever you have an item of interest, bring it in person at the next meeting or drop us a line. We are especially interested in hearing from those of us who haven't been too active lately.

Not long ago Our Dumb Animals printed a story verified by a dignified housewife, that her cat, "Joe," used to cavort around the house regularly with a little mouse which made its home there.

SOFTBALL HIGHLIGHTS

Your hustling and peppery ball-club entered in the K. of C. Major league is still knocking the apple around for a 500 average, losing Monday evening to Marquette at the Waveland Avenue garden by a score of 12 to 8, but coming back with undaunted spirits the following evening at Wells Park to take the sails out of Bronson by a score of 11 to 3.

The gang looked like a real ball club in the latter with Manager Art Booz, Harv. Dohm, Bill Schatz and Dick Smith doing some timely hitting, the latter also performing some sparkling work in the field. Aiding the boys in no small measure by their presence at Waveland avenue was Frank Kennedy, Joe Cella, Joe Merki, Jerry Horn and Ed. Sturch, who took keen delight in berating your scribe—suggesting that he go to the bone-yard and get a new arm and a couple of pins to stagger and wobble down to the first sack; attending the second game were Charlie McGonigle, John Schuetz, Johnny Schageman, George Hansen, Nick and Pete Greisch, Bill Jackson and Bill Sturch, the latter performing a neat job as coach.

The team plays Ouilmette on Thursday, July 3rd, at Lincoln Park, North avenue and Dearborn street, and on Monday, July 7th, the opposition will be Father O'Connor at Waveland avenue and the lake. Come out and give the boys a boost.

"DE SOTOENLY SO"

Understand the June bug stung Chick Thoma rather badly—I hear something about a ceremony in the very near future—that's about all I know presently, but will certainly get snooping around for the rest.

Just learned that the Phil Ofenloch's celebrated their 22nd wedding anniversary on last Saturday, June 21st. A large group of friends tendered them a party in celebration of the event, but Phil had a party all by himself when he ups and snatches himself a dashing new two-tone sport Plymouth, for what—possibly the honeymoon.

Chicago Scribe Opens New Field to Council Notes—Tries the Piano

2-4 Tues. . . . . 6932 N. Clark St.

His face is red; his voice is mute (words cannot do justice to the occasion). Ye Scribe, arriving home long after midnight, put in a couple of hours hammering out what he thought to be a first class story of the very fine exemplification of the First and Second degrees at last Tuesday's meeting of Chicago Council—but it's home on the piano this lovely Wednesday morning and we cannot go back after it so we beg your indulgence until next week when we probably will dress it up a little better for your reading pleasure.

But we must take a moment to hand a bit of praise to Chancellor-elect Bill Pellicore who was called upon to make his unheralded debut with only a scanty preparation. This applies also to Assistant Warden John Hebel. You will hear from these young men in other ceremonies during the year.

Sorry we cannot write more now. Wednesday morning was a mighty busy time for the Scribe and he had to hurry away from his typewriter to take care of customers.

THANKING YOU

In the absence of Chairman Jack Caponi from last Tuesday's meeting, Co-chairman Charley Schroeder asked the Scribe to be sure to put in this note of thanks to the Co-Pilots who worked tirelessly for the success of the Barbecue and for all members of the council who did their part (and more than their part, in many instances) in the disposal of the tickets. Chicago Council did exceptionally well as the result of this splendid co-operation and Brother Schroeder was fervent in his praise of the co-workers. He expressed the hope that future calls for assistance may receive an equally unselfish response.

"Religion in Army" Discussed by Chaplain

Boston.—"There never was morality; there never was disinterested loyality; there never was patriotism without faith in God and reverence for His Law," declared the Rev. David C. Sullivan, Catholic chaplain at Westover Field, Mass., in a radio address carried by 20 stations. Captain Sullivan, speaking on "Religion in the Army," lauded the religion of the young men under his care and pointed out the necessity for maintaining that faith when he said: "He best loves his country who best loves his God. He best serves his country who best serves his God."

St. Cyr to Send 108 Men Through Degrees Tonight

1-3 Mon. . . . . 1609 N. Halsted St.

Tonight (Friday) Belmont Hall, located at Clark and Belmont Aves., will be the scene of the initiation of the St. Cyr Century Club Class. Composed of one hundred and eight men, this history making class will participate in a Third Degree which will live for a long time in the memories of St. Cyr men.

It is expected to get proceedings under way at approximately 8 o'clock. Thus we urge you brother members who have candidates to get in touch with them and be sure to have them on hand before the appointed hour.

Grand Knight Joseph Maggiore, still enthused over our recent success, gives his solemn promise that his work is not yet finished. Recently re-elected to another term, the "Chief" says that this year's mark is merely the shadow of coming events. Says the "Chief." "If it can be done once it can be done twice." There brother knights is the philosophy of our esteemed Grand Knight. And there brother knights is the reason for our accomplishments. Joe doesn't want the credit. He's too modest for that. However, if we did not like our leader, it is not very likely that we would get behind him to such an extent, is it?

ANOTHER RECORD SHATTERED

Friends of St. Cyr this year, were either of a very benevolent nature, or enjoyed more prosperity than other years, or if we want to strike a happy medium, we might say that they had a little of each. However the point which your scribe wishes to make is that all previous barbecue records were shattered beyond recognition.

Disposing of three hundred books (230 reported in the last issue) it is an accomplishment which will go a long way in helping our much honored Bishop Bernard J. Sheil, promote his work among the underprivileged youth in Chicagoland. Behind this cause 100% we have only done that which was our pledged duty, namely to relieve the suffering of those who might not have the privileges of our own lives.

OTHER ACTIVITY

You have all read a lot concerning the United Service Organizations. You also know that one of the principle organizations behind this mass movement, just as in the previous World War, was the Knights of Columbus. Many of you will be called upon to donate through your respective places of employment. However, this is one time we must give, and give until it hurts. Past Grand Knight Bruno Satkowski, is district chairman, in charge of our own council, LaFayette, and Tonti Council. Soon he shall make his appeal to you. Listen to his plea.

Long absent from our council chambers is our enthusiastic member, Bro. Anthony Cancilla. Tony has been ill for some time, and his absence has certainly been noted. However latest reports, show that Tony is rapidly on the road to recovery, and before long will be back with us.

Another member who is ill and has been for some time is Brother Mike Pecoraro. Mike is seriously ill and is at the Danish-American hospital, located at Grand and North Ave. Drop in and pay the brothers a visit.

Dave Falzone is now in the private insurance business. Dave is located in the Marshall Field Apartment Building at 1366 Sedgwick street, and his telephone number is Mohawk 1341.

Shortly Brother Sam Lupo will be the proud recipient of a little package from heaven, so right here and now, Sam, we will take it upon ourselves to have you pledge a box of cigars in honor of the great coming event.

Sam Leto is president of the Gar-Cliff Orioles. And just about all of the Gar-Cliff Orioles are members of our council. Their meetings were held on Monday nights. But this conflicted with St. Cyr's meetings. So the boys did just what any loyal group of boys would do. They changed their meetings to Fright nights.

Mrs. Lucchese, wife of Brother Peter Lucchese, has been seriously ill for some time. At our last meeting we offered our opening prayers for her speedy recovery.

Mrs. Frank Stipati was injured in an automobile accident while on a holiday trip to Wisconsin. Your scribe is informed that her injuries are not of an extreme nature, and that Mrs. Stipati is well on her way to recovery.

Private John Bonsignore, who is at Camp Forrest, Tennessee, soon will be shifted to Camp Custer.

Our summer schedule is as follows: Meeting on July 21, two regular meetings in August, and one in September on the 15th.

Many of you soon will be taking vacation trips. Your whereabouts is news, and very vital news to your friends in the council. So drop a line to your scribe, Tony Manno, at 100 North La Salle street, or 821 Karlov avenue. It's sure to make interesting reading.

Tour Chaplain

The Rev. Hugh Calkins, O.S.M., of the Novena Staff of Our Lady of Sorrows Church, has been selected by the 336 Catholic Tour Club to accompany their club as chaplain on treir tour to New Orleans, Florida, Cuba, etc. Father Hugh will conduct Novena Services to Our Sorrowful Mother each Friday on this Southern Breeze Tour, leaving Chicago, July 13, with Powers Tours handling the details.

Weber Retreatants to Leave for Mayslake Early This Evening

1-3 Mon. . . . . 4758 S. Pulaski Road

The brothers who are making the retreat will meet tonight, Friday, at council chambers at 6:30 o'clock. The reason for this early departure is to make it in time for the supper hour at Mayslake. All of the brothers will be well taken care of by the nuns at the retreat house, so you needn't miss out or be late because of your supper. Due to the crisis in world events today, we are warned by Catholic Action Chairman James Swientek that this may be our last chance to make a retreat.

PICNIC

It's a date one week from today. July 4 is the day for Weber's fourth annual basket picnic at Red Gate Grove, 97th and Archer Ave. Dancing, baseball, races, souvenirs—all these with admission free. Invite your friends and relatives, your neighbors, but mainly bring your own families. Trucks leave from 48th and Pulaski Rd. and also stop at Archer and Lockwood at 11, 12 noon and 1 p. m. Chairman Vince Lelewicz and his committee expect to see you there.

ARMY LIFE

Have just received a letter from Bro. Private Casey Paulinski, Battery B, 14th BN., 5th Trg. Regt., F. A. Replacement Center, Fort Bragg, N. C.: "Hello, officers and members. Army life is entirely different from civilian life but nevertheless it is great. The strict discipline and obedience, fulfillment of orders from your superiors, make it so. We become accustomed to that eventually and if we slip it's 'K.P.' on Sunday or so-called 'Kitchen Police.' I have learned to operate an army truck and tractor, likewise learned to fire a 30-30 rifle, a 155 cannon, and at present firing a machine gun.

"Very sorry to say but Fort Bragg has no social activities whatsoever. It is terribly monotonous during free time because we have nothing to do. I try not to miss Sunday mass and have served twice. Because of poor organization it is very hard to locate the regiment where mass is being celebrated. But what is the difference? I am doing it for your country and mine. We'll be leaving in a few weeks. Wishing all of you a lot of luck and success in the council. Do write me a line or two, brothers. Thank you."

SOFTBALL

With two losses and one victory plus the results of Tuesday's game, Weber vs. Fort Dearborn, we may have a standing of 2 and 2. Sorry, but thus far we have not received the season schedule, therefore I can't write our future games. Athletic chairman, how about it?

Birthdays and anniversaries: June 24, Ted Kudla and Otto Rodono; June 29, Peter Bartus. Anniversaries: June 24, DGK and Mrs. John Zolna (7th); June 27, Mr. and Mrs. Frank Wieruszewski (5th), and Mr. and Mrs. Stanley Rudzewicz (10th). Congratulations to you all.

Council briefs: Barbecue report will be in next meeting. Apology to Bro. Joseph ("Red") Majka for leaving his name out of list of ushers escorting the newlyweds, Mr. and Mrs. M. Mazurek.

Julie Carter of Hollywood, California, owns a rabbit which really is a rabbit. According to the American Magazine, this particular member of a traditionally timid lineage has forsaken vegetables for meat, is about twice the size of an ordinary rabbit, and chases the dogs of the neighborhood as a pastime. He answers to the name of—yes, you guessed it, "Butch."

CALUMET CLOSES YEAR ON NOTE OF PROGRESS

2-4 Mon. . . . . 6646 Stoney Island Ave

With the meeting held last Monday evening, Calumet rounds out another year of successful activities and prepares to turn over the affairs of the council to its new officers.

Two fine years of progress under G.K. Bill Birmingham have passed too quickly. Many fine things have been done, the principal one being the betterment of the financial condition of our council. When he took office financial affairs were not in the best of shape, but as he leaves his office he turns over to his successor, G.K.-elect Ty Hyland a council solid financially, bonded in unity, active in all affairs and a great increase in membership. His fellow officers, committee chairmen, members and in fact all the council have co-operated in a most wonderful manner, and the general condition is the best criterion of their good work.

First of all membership has increased, while we did not make the century mark this year, we came very close to that goal. Since the first of the year 56 members have been taken into the council, which brings our membership into the 1300's again. These together with those previously elected are for the most part insurance members. All young energetic Catholic gentlemen who will be a credit to our Order. They will aid by their activity and interest in creating a new spirit and will do much to increase attendance at meetings and to bring in more new members.

Our Barbecue Committee fuctioned more smoothly than ever before. It is certainly a fine thing to show an increase each year in this worthy charity. This year we exceeded our last years record by over 20 per cent due to the fine work of the committee and the grand co-operation of the members.

Our Bowling League functioned as never before. A bigger and better league, more spirit, more rivalry and more good fellowship. Calumet again being the first council to ever send a house league to a National Tournament. Our entertainment committee we can all agree who have attended the meetings and other functions of the council, has given us entertainment of the best. The Ladies nights' were most successful. They are always considered one of our best assets. The class and variety of entertainment has been such that all have enjoyed it. The cost to the council has been very nominal. This speaks well for the Lecturer. He did a swell job.

The Sunday Evening Club, The Young Peoples Club and many other activities have kept the interest of the members and aided materially in bringing new blood into the council. All in all it has been a fine year and one we rather dislike to see come to an end. We have enjoyed it and hope that this coming year will bring added laurels to Calumet.

LAST MEETING

Our meeting of last Monday was a fitting climax to this fine year. The large attendance at the meeting was in itself a tribute to the retiring officers as well as to welcome the incoming class of candidates. A fine class of fine young men. The degree team was excellent and their work most inspiring and well deserving of the fine tribute paid by both State Deputy-elect Leo J. Flynn and our retiring State Deputy, Judge John F. Bolton. They were both much impressed with the fine showing and the splendid manner in which the whole evenings business was conducted.

We always like to have these two fine Knights with us. They are always close to Calumet and we always welcome them most cordially. We believe they feel at home with us, and that is the way we want it. To them Calumet offers its fullest co-operation at all times. Especially to our good friend Leo Flynn we stand behind him, and when he needs help will always find Calumet ready to aid him 100 per cent.

ADIEU

Many items of interest have been occuring that we know you members will want to know. Many new activities are in the making and you will be advised of them through these columns. However, that we will leave to the new scribe. As this issue goes to press, your present Scribe receives a discharge from the "pen." This is the 105th issue in which this column has appeared through my humble efforts. I know many weeks you have perhaps thought the column a little dull and uninteresting, but you have always been kind in your compliments.

My thanks to the Editor of the Columbian, Mr. H. F. DuChateau for all his thoughtfulness and patience in caring for Calumets notes. My thanks also to the many members who have supplied me with interesting items and the committee chairmen who were always prompt with their information on the activities of their respective groups. It has been a privilege and a pleasure to have worked with the officers and members in this capacity for the past two years. My compliments to the new Scribe, Joseph C. Lamb, and I am sure you will all enjoy the column under his able editing.

Now that you have finished reading this column, put on your hat, get a friend and go over to Perez Clubhouse for the Third Degree (Friday, June 27th) you still have time to get there.

Washington Officers Will Assume Positions at Next Regular Meet

1-3 Tuesday.....503 Main St.

Due to unforeseen circumstances, our newly elected officers were not installed last meeting. However, we have been assured by Dist. Deputy Joe O'Neill that he will be on hand Tuesday, July 1, at 8:30 p. m. to do the job. Come on up and enjoy a good meeting. Lecturer Wyand says he will have refreshments to suit the occasion.

QUARTERLY COMMUNION

Next Sunday, June 29, the Members of Washington Council will receive Holy Communion, at the 7:30 a. m. Mass, at St. James Church, Maywood. Let us make this a large turnout. We have been quite successful in the past, and your officers are desirous of continuing the good work.

SUMMER MEETINGS

During July and August, Washington Council will hold only one meeting per month, on the first Tuesday of the month. Be sure to keep this in mind. Another thought, if you have any news items be sure and get in touch with either the Grand Knight or the Recorder as it is rather difficult to follow through in the long intermissions of only one meeting per month.

BARBECUE—True to promise, a reward was given to the brothers who sold one complete book. The lucky men were Warden Hoff, J. P. O'Sullivan, Dan McCarthy, and Inside Guard F. Carey. Congratulations.

THIRD DEGREE

Our candidates will receive their major degree on Friday, June 27, at St. Philips, Kedzie Ave. and Jackson Blvd. We have several boys going through, and it would be a nice gesture to attend this Degree in large numbers, to give these newly elected brothers a real send off.

SICK LIST—Our sick list this week consists of P. G. K. Max Bertsch and P. G. K. Pat O'Donnell. Bro. O'Donnell is undergoing a serious skin grafting operation on his arm, at Passavant Hospital, and he would appreciate some visitors any evening.

Leo's Installation to Be An Important Part of Next Tuesday's Meeting

1-3 Tuesday.....820 W. Garfield Blvd.

Next Tuesday evening, July 1, is meeting night and installation of officers will take place. D. D. Patrick Woods and staff will be in charge of the exercises. Grand Knight Wagner issues a special call to all to be present on this occasion so that the incoming officers may be properly impressed and feel confident that the Council is behind them in their program for the coming year.

Lecturer Guldan promises to make the reception, after the installation, interesting and Charley has been doing a good job of this for two years. Grand Knight-elect Breen on behalf of his brother officers will also appreciate a large turnout and solicits your continued cooperation and interest in the affairs of the Council. Plan now to be on hand, Let us make the meeting a gala affair.

THIRD DEGREE

Tonight, Friday, June 27, is the big Third Degree at Father Perez clubhouse in which all councils of the Southside will have candidates. While the fact that it is the State Deputy John Bolton class is worthy of note and a sincere compliment to a grand fellow, the bringing together of every Council on the South side should result in one of the largest classes and the best attendance of the year.

Father Perez Council has gone to great lengths to properly provide for the wants of all who attend so you may be assured that regardless of the weather the degree will be held under the most favorable circumstances. It will be a grand opportunity to see an impressive ceremony and meet and mingle with the various members of the great South side councils. All in all it will be a great night. We shall have 8 candidates in the Degree. Grand Knight Wagner would like to see a large group from Leo attend and thereby show our appreciation and approval of the honor that is being given Judge Bolton.

1-2 DEGREES

On Thursday evening, June 19, Leo had four candidates in the First and Second Degrees that were held under the auspices of Fort Dearborn Council. The Degree team was made up of James Grant, P.G. K. of Calumet as Grand Knight; J. Lawrence Breen, Grand Knight-elect of Leo as Chancellor; John Feilen, Financial Secretary of Fort Dearborn as Deputy Grand Knight; T. Frank McGlinn, P.D. G.K. of Ridge as Inquisitor; Al. Riley, Warden of Fort Dearborn as Warden. There were 28 candidates from the councils of South Division No. 1. Grand Knight John Devereaux and Fort Dearborn Council were admirable hosts and a good time was had by all.

DOTS AND DASHES

Blood Donors—Bros. J. Lawrence Breen and Anthony Kelly of 44th St. were blood donors last week . . . St. James Council invites us to attend their annual picnic on Sunday, June 29, at the Glenwood Forest preserves. A good time is assured everyone . . . We were sorry to hear of the death of the mother of Bros. Martin and James Durkin and to the bereaved family we extend sincere sympathy . . . Bro. Jack Fanning, Recorder-elect, sends his regards to all and hopes to be back on the firing line soon . . . Now is the time to pay your dues so that on June 30 our house will be in order. Take care of this item now.

Gar. Moreno Reminds Members of Deadline for Payment of Dues

2-4 Tues. 155th & Lexington St.

There is danger ahead when we fail to keep our insurance obligations paid up. So many of us gamble by not paying our obligations as they come due! To gamble with that which we call our own is a dangerous and unsafe practice, but to gamble with the future of our loved ones is even more serious. Most of us have some moral or legal obligation to fulfill and we have at heart the interest and welfare of those dear to us. Our first obligation to our loved ones is to protect them.

In their interest, then, let us all keep our accounts with our Financial Secretary, Louis Beaupre, paid in advance. Next Monday is the last day of the month. This is just a gentle reminder that the secretary's books will be closed and in July the trustees will audit the books. Sorry to say, but it is true that we will no doubt lose some members at this audit. So kindly look at your dues book today—don't put it off any longer.

This and That

St. James Council has extended an invitation to our members to attend its picnic and outing to be held Sunday, June 29, at Glenwood Forest Preserve. This is right in our back yard. Admission is free and an entertaining program of races, games and contests will supply a wonderful time for all. Pack your basket and bring the children. Route 52 leads directly to the grounds.

Other good news of the week is that the mother of Alfred and Vincent St. Aubin is now home after a long siege in the hospital. Al St. Aubin, speaking for his mother, extends her sincere thanks to the blood donors and to all others for the kindness and consideration shown her. We members are indeed happy also to learn that Mrs. St. Aubin has returned home and our sincere prayers and wishes are hers for a speedy and complete return to health.

To Bro. Earl Roach we extend our sympathy in the recent loss of his beloved grandfather, who died in Wisconsin.

On Saturday, June 28, Paul Powers and Joseph Doheny will be married. So in advance we extend to these two brothers and their brides, our sincerest wishes for a happy and prosperous lifetime.

We were sorry to note in Chicago Heights column that D.G.K.-elect Walter McMurray has been transferred to Cleveland, Ohio. Chicago Heights Council has lost a rare jewel of a member. We, of Garcia Moreno, wish Walter all the success in the world.

As for council news, there just doesn't seem to be any, outside of the installation of officers on Tuesday, July 8, and our picnic in August. The mailman failed to bring any news items from our members, so we take it for granted that all is well with them. We would be glad to hear from vacation-bound folks, as well as from our out-of-town members.

To Stanley Prymas, Grand Knight of Pinta Council, kindly accept our late congratulations on being re-elected to a third term. We'll be seeing you and the gang soon. Bro. Simon Ryan is now working in the state of Washington. We have for the time being, lost a loyal and hardworking member in Bro. Ryan. We wish success and good health to both Mr. and Mrs. Ryan. Let us hear from you soon. Cheerio.

very unpretentious warm-up golf was held according to schedule on Jun 19.

e traffic was not so heavy as to re- qui any special policing. The only thing wo y of note besides a very fair golf cou e and beautiful weather was the ex- cel t food served. Deputy Grand Kn ht-elect Upington claimed some sort of ampionship as a result. We will, hov ver, withhold recognition until such tim as all of the figures are in and the har caps scrutinized. We are now awa ing our regular annual game which will e filled with the customary thrills and competition for the various and, we hope numerous, prizes.

The daily press of June 12 carried pleasant news for members of Illinois Council, if not for the Order in general. There we read of the further success of Past Grand Knight Harold F. North, who, at a meeting held in Chicago by 300 representatives of the Industrial Relations Association, was elected President. For many years an employee of Swift and Company he continues at present as Industrial Relations Manager of that Company as well as Vice-President of the American Management Association.

Harold H. Swift, a director of the Industrial Relations was the principal speaker. Congratulations, Brother North. We rejoice with you on your success and can only say that we are not surprised. We know something of your keen intellect, of your idealism and of the excellent manner in which you have applied yourself to the business at hand. Continued success.

The complete record has been made by the Council of the Barbecue. We just doubled our last year's quota and ran 75 per cent ahead of any mark ever made by the Council.

Special thanks are due to Chairman Ericksen and to the outstanding efforts of Harry W. Dean. O, yes, there are, in fact, dozens of others of our members to whom we wish to say thank you so much. Every successful effort of anything undertaken by the Council is of untold benefit to the membership thereof. Success inspires confidence, satisfies the members and strongly tends to greater effort for future worthy causes as well as to increase the interest of our members in the Council. Hence, our great satisfaction with your work.

Grand Knight-elect, Elmer D. Martin must be given a large share of the credit for the success obtained. At the present time he is preparing tentative programs for the Council for the ensuing year. Grand Knight-elect Martin has worked so hard, has been so free with his own time and the use of his automobile that we are sure the members of the Council will stand back of him to a man and thereby insure for him a most successful 1941 and 1942.

John T. Lillis is about to take his annual vacation and we understand he is once again headed for Hollywood, California, accompanied by his family. Now we wish that we could take three or four weeks off and plunge into the waters of the Pacific and idle away some time on the sands of San Diego and then drive slowly homeward by way of the great city of San Francisco.

Ravenswood Installs G.K. Mike Citti and Staff at Next Meeting

1-3 Wednesday . . . . . 1521 Wilson Ave.

GK Morgan, who so ably filled in for ye scribe last week, was guilty of a misstatement in stating that the results of his writing would not be equal to the usual bit found under the Ravenswood heading. This humble writer is now on the defensive because of never having produced a bit of writing to compare with last week's neat column.

There is one thing though that your writer is thankful for—Charlie left some news, namely the election of officers.

Our next meeting will be the evening of the third Wednesday in July. That evening our new officers will be inducted. DGK Mike Citti, who has filled his office so ably, will be our new GK. Before him lies the job of following in the footsteps of one of the finest Catholic laymen any of us have ever had the pleasure of knowing or working with, Charles Morgan. We are all confident that Mike will conduct the office of GK with distinction and that he will be a great leader.

Bro. Citti's supporting officers will be Bill Barr, as DGK; Bill Weideman, who will continue as our loyal and able warden; your present scribe, as chancellor; Bill Egert, our fine treasurer, who has consented to remain; Dave Heelan, to take over Bill Barr's old job as recording secretary; Earl Stewart will remain our advocate; our present lecturer, Art Collins, and Clem Morgan to team up as inside and outside guards, and PGK Wilbur ("Hub") Beaton will succeed himself as one of our three competent and "toe-the-mark" trustees.

As the writer was not present at the election and his informant failed on one score, you'll get the names of the delegates to the chapter in next week's column.

How many of you noticed how fine Bro. Bill Barr looked on page 11 of the June 20th Columbian? He was the finest looking of four fine looking Sir Knights who formed a guard of honor for His Excellency Archbishop Stritch at the Mundelein College commencement.

Several Ravenswooders will attend the barbecue victory dinner Monday night, June 30. We bettered our last year's mark slightly in ticket sales. Why not make a resolution to have the best percentage in Chicago next year?

Those who go on vacation would win my undying gratitude if they'd drop a card to Wally Mann, 1528 Berteau Ave.

Heads Model Home Committee

REV. WM. J. O'BRIEN, PH. D.
Pastor of St. Francis Xavier Parish
La Grange, Illinois

The Mount Vernon House of 1941 is the name given to the beautiful $20,000 home just completed in one of Chicago's charming western suburbs, the select Edgewood subdivision of La Grange Park, Illinois. The house is completely furnished by Marshall Field & Company and is to be exhibited to the general public during the next several months as an achievement in architectural refinement, finished to meet the exacting demands of modern convenience and comfort.

The house will be officially opened to the public on July 4. From the start of the project, last March, this date was selected for the opening as a tribute to the spirit of American homes and families and to the ideals for which our republic stands—the dignity of the individual and the brotherhood of men under God.

Like the residence of our first President, the Mount Vernon House of 1941 has a balcony over its colonial porch, and from this rostrum on the morning of July 4, at 9 o'clock, the Declaration of Independence will be read aloud by a group of children. At the same time our Flag will be raised on the balcony to signal the two great ideals of the American hearth to all who cross the threshold. The brief but meaningful ceremony will be closed with the singing of "The Star-Spangled Banner." Immediately afterwards the house will be opened to visitors.

The Mount Vernon House will be staffed with competent receptionists and opened daily to visitors from 10 a. m. to 9 p. m. The house is intended to acquaint visitors of the metropolitan area with the finest modern standards in tasteful and economic home building. It is sponsored by the men and women of St. Francis Xavier Parish of La Grange, of which the Rev. William J. O'Brien is pastor.

La Rabida Plans Real Welcome to Officers at July 8 Installation

2-4 Tuesday . . . . 6236 Princeton Ave.

On Tuesday evening, July 8, the newly elected officers of La Rabida Council will be duly installed by D. D. Patrick Woods. This ceremony will bring with it of course, a new Grand Knight in the person of Bro. John Farrell who was unanimously elected as our leader at the annual election of officers at the June meeting.

The membership appears to be highly enthusiastic over the election of Bro. Farrell to the Grand Knightship and from all indications, he will enjoy the full support of each member.

Let us keep this date open, brothers, and start Bro. Farrell off in true La Rabida style.

BARBECUE

The Barbecue is history! I might add that the final returns will find La Rabida well exceeding its record of past years. Thanks to our barbecue chairman, John Farrell, who worked long and hard to bring our participation in this worthy affair to a successful conclusion. I think we are all convinced that money derived from this affair will be used for a most noble cause, namely, helping needy boys and girls along the road of life.

COLUMBIAN

For the benefit of members who may be desirous of sending copy to the scribe for use in the next issue of The Columbian, your attention is called to the fact that the deadline for such copy will be Monday morning. The early deadline, of course, is due to the July 4 holiday.

HERE AND THERE

Bro. Frank Carney is the proud daddy of a baby girl, born last week at the Little Company of Mary Hospital. Mother and baby are reported doing well. Bro. Henry Dion, our worthy chancellor, was the victim of an unusual accident at the Barbecue last Wednesday evening. While working in a booth, he was struck on the head by a baseball, thrown at one of the rag dolls in the booth.

St. James Council will hold a picnic and outing at Glenwood Forest Preserve, near Glenwood, Ill. Admission is free and all are invited. You may bring your lunch. or obtain refreshments on the grounds. A good time is assured all.

St. James in Annual Picnic Sunday; Glenwood Forest Preserve

2-4 Mon. . . . . 64th & University

The annual St. James picnic will be held this Sunday, June 29, at Glenwood Forest Preserve, Thornton, Ill. The committees have worked hard and everything is in readiness. Besides golfing, there will be softball, refreshments, dancing, prizes, music and other entertainment. 10:00 a. m. is the time for the start of the program, but one may come out at any time. So pack up your lunch, put on the tennis or golf shoes and be on hand. If in need of transportation, contact John McKean at Midway 9304 by Saturday evening.

DEGREES

After fifteen years, St. James held a First and Second degree last Monday evening, and it was indeed a wonderful exemplification. The members thank the degree team who put on such a fine display and the candidates were deeply impressed. This class was dedicated to Peter J. O'Connell, who is retiring as Grand Knight. It was indeed an honorable and fitting occasion to one who has been so active as our leader and Grand Knight for the past several years.

BARBECUE

Many of the members attended Riverview last Wednesday and those whom we saw were: Dr. and Mrs. Strobel, Mr. and Mrs. Ambrose Burke and son, Mr. and Mrs. Tom Groark, Mr. and Mrs. Ed Bryar, Mr. and Mrs. Martin Quinn, Pete Wehle, Ray Steffens, Henry Steffens, Dan Kinsella, John Greene, and others. To John Greene we take off our hats! He tripled his record of last year in barbecue books, and helped St. James to reach a new mark. Many of our other boys worked at the stands during the barbecue program.

On June 18, the ball players met Santa Maria and defeated them 9 to 6, mainly through the timely hitting of Bird, MacSweeney and Merigold. MacSweeney and Merigold both got homers with mates on, so this proved the margin of victory in a close game. On Thursday evening, we travelled to Calumet's home diamond and took them by 6 to 4. It was 6 to 0 until the last inning when 4 runs were scored by the opponents. MacSweeney hit a homer but only six hits were collected.

This Tuesday we meet Loyola-Hyde Park and Thursday we travel to Santa Maria. Nice going, Mike!

On Thursday, July 3, our next home game will be with Genoa at 72nd and South Park. We noticed a fine rooting section last week, many ladies were out to cheer the boys to victory.

CHAPTER MEET

On Wednesday, July 2, the Chicago Chapter will hold its monthly meeting. Our members will meet at 6:00 p. m. at Little Cozzi's restaurant, 519 S. Wabash Ave., and then attend the meeting in a group.

SICK: Henry Woodmaster can now have visitors at the Jackson Park Hospital. Best wishes for a speedy recovery, Henry! The writer has been laid up with lumbago for several days, but expects to be better for Sunday's picnic.

PICNIC ROUTE: For those intending to drive to the picnic the following route is suggested: Take State or Michigan south to Riverdale and Dolton. Then take either Michigan or Indiana avenue in Dolton direct south to Glenwood Forest Preserve. Buses leave at 111th and Michigan approximately on the hour.

Remember the early (Monday evening, June 30) deadline for next week's Columbian!

Barry's P.G.K. Pens Story on Everyday Life of a Soldier

Past Grand Knight James T. Curran of Commodore Barry Council here, who is now serving with the 33rd Division stationed at Camp Forrest, Tenn., sent the following interesting information on "the life of a soldier" to one of his council mates this week.

Believing that it will be of interest to all Knights of Columbus as a piece of first-hand information on present-day army life, we re-print it herewith:

Dear Paul: Just a resume of an ordinary soldier in an extraordinary job (for the army).

We rise with the bugle at 5:45 a. m. Roll Call and Reveille at 6 a. m. Police the area for about five minutes. Return to barracks and clean up room and bunk until 6:30 a. m. Then mess until 7 a. m. Loaf or do menial personal duties until 7:45 a. m. Then M. P. trucks come and we load in and are driven to Camp Hdqrs. Finance Office for our day's work. We start at 8 a. m. Then at 11:30 a. m. the trucks return us to our area for mess. At 12:45 p. m. we are picked up and returned to the office. At 4 p. m. we are again picked up and our work is finished. To barracks and a shower before Retreat at 5:20 p. m. Mess is at 5:30 p. m. Then we are free until lights out at 9:30 p. m. with bed check at 10:30 p. m.

That constitutes our day and from Saturday at noon until Sunday at 10:30 p. m. we are on passes to nearby cities. However we do not get our passes until we recite the general orders verbatim.

MANEUVERS IN AUGUST

We are now planning our maneuvers for August. They will last for six weeks and will carry us through Arkansas, Texas and Louisiana. The Finance section will have trailers for officers and headquarters in Hot Springs, Ark., and Baton Rouge, La.

I am still actively engaged in K. of C. work. I visited at the home of State Deputy Nick Varello of Tennessee, in Nashville, and also at the home of Mr. Patterson, State Deputy of Alabama, in Birmingham.

I attended a dinner sponsored by the Nashville Council, at the clubhouse, for the graduates and faculty of Fr. Ryan High School, the night before Decoration Day. Lt. Colonel Fr. Girard, Senior Chaplain, asked me to go with him and we had a real K. of C. time.

The good Bishop Adrian of Nashville Diocese was guest speaker and all the state and city officers of the Order were on the program. All our chaplains attended with the exception of Chaplain Keating of Feehan Council and Chaplain Saunders of Ketteler Council.

STRESSES U. S. O. CAMPAIGN

Please give plenty of space to the United Service Organization. There is a crying need for their good work in all camps and especially those in the south. Where there is a concentrated Catholic population in the larger cities, the local parishes and Catholic clubs can do more. But such localities as the Southern cities, where there is a sparse number of Catholics, much help is needed and ministering to the entire needs of the soldiers, in an entertaining manner, is a problem. There are the dens of iniquity, immoral shows, illicit trailer camps, staring the boys in the face, everywhere they go. But there are the greater members who shun these places and look for the better forms of entertainment. Let our order be the first to offer the best to the boys.

Hildebrand Mourns Passing of Veteran Knight J. J. Ronayne

1-3 Thursday.....5711 W. Chicago Ave.

Bro. James J. Ronayne, a member for many years, was called to his heavenly reward last week after a lingering illness . . . To many of us who knew this splendid Catholic gentleman we feel a deep sense of loss, because of his fine exemplary life . . . He bore his sufferings with Christian fortitude . . . Three sons are members of the Council, Reverend Patrick Ronayne, Assistant Pastor at St. Jarlath's Parish; Michael J. and James J., Jr. . . . To the bereaved family we of Hidlebrand extend our sincere sympathy and assure them of our prayers for the happy repose of the soul of their wonderful dad . . . May he rest in peace . . . Word reaches us that Ray McGuire is now a resident of Knox, Indiana, and that a son, Walter, has arrived to add more joy and sunshine to their new home . . . Congratulations say we, and much happiness in their new location . . . Tom Beagley has returned from the hospital where he underwent an operation, and we are happy to report his condition is splendid . . . Thanks to those good fellows who disposed of their Barbecue books . . . Among the group is listed Barney Grothouse with 8; Fred Saliba with the same number, Elmer Brewer 4, William Murphy 5, Joseph DeFilippo 3, Harry Ledy 3 . . . And some did not sell a ticket.

Those who helped in the slightest degree have the satisfaction of knowing that they aided some underprivileged youth to meet the hard knocks of life and prepare him to become a better citizen . . . Only one meeting during July and August . . . next meeting July 17 . . . Installation of officers on that date and we hope for a large turnout . . . Next summer meeting will be August 18 . . . Walter Kampa did another fine deed last week and a gold star is added to his already splendid record in Knighthood.

Alexian Hospital Here Distributes $200,000 in Charity Service Yearly

Since its establishment 75 years ago, the Alexian Brothers' hospital in Chicago, which each year gives some $200,000 worth of charity service to the sick-poor, has treated 190,000 patients.

Since opening the Chicago hospital, the Alexian Brothers have established four other institutions for the care of the sick in the United States —hospitals in St. Louis (1869) and in Elizabeth, N. J. (1893); a home for nervous patients in Oshkosh, Wis. (1880), and a rest home on Signal Mountain, Tenn. (1938).

In December, 1865, the Alexian Brothers, who had labored for more than 500 years among the sick in Europe, sent Brother Bonaventure Thelen to the New World. After being shipwrecked a short distance from New York, Brother Bonaventure was rescued, but he had lost all his baggage, including important credentials. For three months he had to work in New York city until new credentials arrived from the Bishop of Cologne.

Convinced that New York was not the place to open a hospital, Brother Bonaventure moved on to Chicago, where he found a home with a kind German family on the North Side. On a Chicago street he picked up his first patient. He carried the poor, sick man on his shoulders to his room, placed the patient in his own bed, and nursed him back to health.

In the spring of 1866 three other brothers came from Europe to join Brother Bonaventure. With the approbation of Bishop James Duggan, they opened their first hospital, a two-story frame building on diocesan cemetery grounds at the edge of Lake Michigan. The hospital's 24 beds were soon too few. After two years, through the help of their mother-house in Europe and the Diocese of Chicago, the brothers bought a large plot of ground, and on it built a three-story brick hospital.

Things were running along smoothly, too smoothly to last. In October, 1871, the brothers enjoyed a $5,000 steam heating system for two whole days, and then Mrs. O'Leary's cow kicked over the lantern. The big Chicago fire left the hospital a pile of bricks and ashes. The brother lost everything but a picture of the Virgin, a parlor organ, and a few altar furnishings.

Undaunted, the brothers were the first in that part of the city to put up shanties for the refuge of stricken people. Before long, they were able to put up a large building on the same site.

In 1896, when Chicago built an elevated railroad that passed only a few feet from the hospital, the brothers erected a big hospital at Belden and Racine avenues. There they have been for the past 45 years.

The hospital today is almost a miniature city. The 65 brothers have the the help of 125 employes. All the employes except the two dietitians are women.

Although the brothers treat only men patients, they do not discriminate as to race, color, creed, or pocketbook. Almost 50 per cent of the patients are non-Catholic. Each year, some $200,000 worth of care, figured at standard hospital rates, is given gratis to the needy.

Too, the hospital conducts one of the few male nursing schools in the country. Another is the Alexian Brothers' hospital in St. Louis. The Chicago school has an enrollment of 56 secular students and 24 brothers. Since the law had no provision for male nursing schools, the Illinois State legislature had to pass a special act in 1925 to accredit the brothers' institution.

Realizing the importance of the work that the brothers are doing in Chicago, more than 1,300 men and women have banded together into the Alexian Brothers' Hospital foundation and its women's auxiliary. One of its many accomplishments was the purchase of a $9,000 deep therapy x-ray machine in 1939. One of the projects for the immediate future is the installation of a new elevator in the hospital. The one serving the institution at present is made up of parts from six elevator companies that are all out of business.

ST. PAUL 'P.G.K.' PENS ADIEU IN 'CLOSING ODE'

1-3 Tues. . . . . 6713 Olmsted

Pete the scribe, the fellow who not only never missed a single, solitary issue of the Columbian, but who, throughout his more than two years in office as St. Paul of the Cross Council's columnist, never even so much as came in late with his copy, is standing by—temporarily—while we pen the words to what ought to be our "closing ode."

From other sources, from the balcony gods, from the guys in the bleachers, from the fellows in the way back part of the room—the hecklers—cheers may be going up. Maybe they're glad we're going out, and certainly they're happy that good old Gene is coming in. And that's the way it ought to be. New blood, new life, new committees, new ideas, and a brand new deal; that's what makes this little old world go around—and that's what makes for success.

But, just the same, on our part—and this is contrary to that which we have been saying—we're just a wee bit sorry that it's over. Now that it's here, as they say, we hate to let go.

We can well remember the words of Herb Clark, the great, fine and splendid little leader whom we followed to the job. Herb was happy too to think that his term and work was to be over. He said so—months before it came to pass. But, when it came time to turn over the gavel; when the late and much lamented John Cooney told Herb to hand over the stick —"What do you want to do," John said, "be Grand Knight for ever?"—Herb turned to us and he said, "You know, it's all well and good to say that you're glad it's over. But, when the time comes to step down and break away from this great gang of fellows, you sort of wish you could hold on a little longer."

EXPRESSES SINCERE THANKS

And that's the way we feel about it, too—tonight. However, that's over with now. Gene Sass is going in. A finer fellow, a harder worker, a greater leader, and a more earnest fellow never lived. Gene's got it in him, if we can use that term. He's going to go to town. We're for him all the way, from now on. And the very best which we can hope for him is nothing more than just the selfsame whole-hearted support which we received from the crowd. If he gets that, and we know he will—they never let you down at St. Paul of the Cross Council—Gene's administration is going to be something to write home about.

But, we intended to say thanks and to offer our gratitude to the fellows who, during our term in office, pushed and pulled the old ship of state. For instance, there are the fellows in the kitchen, the lecturer's committee, the officers, the boys at the door, the warden's gang, the committee chairman, the leaders of the golf outings, the managers of the birthday parties, the heads of the bowling tournament trips, the heads of the house league, we ought to say something special to them. Well, it's thanks a million, fellows. You did a peach of a job.

BROKE BARBECUE RECORD

And what about the boys in charge of the Barbecue sales? They broke records. They worked day after day, and until the wee hours of the early mornings. What about them? It doesn't seem that just ordinary thanks and words of appreciation are sufficient. For the moment, however, it will have to be. Some day when you fellows need help, and if we can give it, you can count on us.

Another thing. In this council you have heard a lot about the Past Grand Knights' Club. Some of it has been said in jest and fun. But, there is one thing more to be said in earnestness, and that is that this is one of the most important branches of this little unit. There isn't a Past Grand Knight in the organization who isn't active, who isn't on hand at all times, and who isn't ready to put the shoulder to the wheel. And that's something. As long as this continues, this record breaking something or other, this little council will never have to worry about the future. We wonder, just now, if there is another council in the order which can match our statement to the effect that in this council every last member of the Past Grand Knights' Club is active to the point of leadership.

We didn't forget our chaplain. We left him to last, purposely, because we want to say, like we have always said, that he's tops. Father Kiley is the beacon light of this unit. He made this council. He has performed a service the likes of which he himself can hardly appreciate. And you can bet your life that we were mighty happy to have him with us during our time in office.

Don't forget the dinner party next Saturday evening, June 28, at Simson's place on Rand Road.

We'll be seeing you!

Genoa Represented by Large Group at State Golf Tournament Wed.

1-3 Mon. . . 7439 Cottage Grove Ave.

Genoa Council under the leadership of G.K. Robert Stadler is planning a rather active summer schedule. With James Hynan as the lecturer and William Hanney as deputy G.K., G. K. Stadler will have two active men helping to plan the activities of the Council. No definite dates have been set for any of the affairs yet; but the officers plan a meeting in the near future to make tentative arrangements for a program that will be acceptable to the membership.

Wednesday of this past week a goodly number of the brothers spent the day at Olympia Fields Country Club at the Knights of Columbus State Golf Tournament. This group was lead by G.K. Robert Stadler, D.G.K. William Hanney and Past G.K.s James F. Riley, Jr., Frank McGillen and other active members of the council. At this writing we have no inforamtion as to who was the best player. At the next meeting of the Council we shall expect to hear the "tales from Olympia." Here's hoping that they are good and not too exaggerated.

MEMBERSHIP

During the summer months P.G.K. James F. Riley, Jr., who is membership chairman expects to make a drive for members. It is hoped that every member of Genoa will take an active part in this campaign. Contact your brothers or other members of your family. Ask your friends and tell them of the advantages Genoa Council of the Knights of Columbus have to offer. Tell them of the activities of the Council and of the fine fellows that are in the council.

U. S. O.

The United Service Organization under the leadership of Chairman Gorey is taking active steps to assure full cooperation with the head organization. Genoa Council has quite a few of its members in the various camps throughout the country. It is the hope of this committee to be in a position to encourage these brothers and to show them that we have not forgotten their activities while in the council. A letter from some of the boys at camp would be greatly appreciated. Write and tell us of your activities, what you could use to advantage while away, and what you do as a past time. If you have a local council of the Knights of Columbus near you, why not get acquanited with the officers. It might tend to make things a little more interesting for you.

The New Yorker relays this beautiful story of a young woman who took a frail and shabbily-clothed old woman home in a taxi because it was raining. The old woman lived a long distance out of the charitable young lady's way, so the fare was a sizable one. When the latter opened her pocketbook to pay however, the cabby interrupted her. "Just pay me half of what the clock says, lady," he insisted. "I'm going fifty-fifty on the old lady." And suddenly his battered taxi-hat became a halo!

ST. ANTHONY TAKES NO. ONE SPOT IN BARBECUE

1-3 Thurs. . . 73rd and Grand, Elm. P.

Brother Members: Our council made a wonderful showing in the Bishop Sheil Barbecue drive, the final returns showing that we went over the top with a percentage of 120 per cent.

To my knowledge, this is the highest percentage attained by our council in the four-year Barbecue history and is a record of which we may well be proud.

As your Grand Knight, I wish to extend my personal thanks and appreciation for your splendid cooperation which made this record possible. I, especially, wish to thank Past Grand Knight Harold McEvoy, who sold 15 books and Dominic Palmere, who sold 10 books. Thanking you again, I am, John W. Deignan, Grand Knight.

Well, brothers, the Barbecue is over and although we didn't see any of our names in the list of winners, we did see our council come through the finish in the Number One spot in the percentage column. Nice going fellows. That's the kind of stuff that puts our council on the map.

JULY INSTALLATION

Due to the fact that our next meeting is not until July 17th (only one meeting in July and August), our new officers were installed at our last meeting. Worthy D. D. Marco De Stefano officiated, ably assisted by our good friend, Arthur Donohue. D. D. De Stefano was more than pleased with our work in the Barbecue, of which he was also a district chairman. He expressed his thanks and gratitude to the very fine attendance present.

We were glad to see Bros. Chester Reardon and Ray Fredette at our last meeting. Come more regularly brothers.

Don't fail to be present at the Third Degree exemplification at St. Phillip's gym, Friday night, June 27th. This class is in honor of State Deputy, Hon. John J. Bolton, and should be a very large one. We have 8 candidates. Come and assist in making this a fine degree.

We hear that Uncle Sam has called Bro. Johnnie Esposito. He left for Camp Grant last Friday. Good luck, Johnnie. We hope you come home a general.

Bro. Charlie Hart has returned to work after a prolonged illness. We're glad to hear it Charlie.

Blue Island Meeting Will Place New Corps of Officers at Helm

1-3 Tues. . . Gregory & New, Blue Island

On Tuesday, July 1, our next regular meeting night, Blue Island will install its new officers. Brothers, I need not tell you the importance of this meeting. We all know that the officers can get nowhere without the support of the members, so let's pack the chamber and give the newly-elected our vote of confidence.

Then, also, there are the retiring officers, whom I am sure deserve a grand vote of thanks. First, our retiring GK, Dan Boyd, who has proven to be one of the most conscientious, hard working and faithful grand knights our council has ever had, and it's a pleasure to know that Dan will still be around to take part in our council activities.

Then we lose Trustees Herman Jauchzer and Dick Walsh. I am at a loss for words as to what to say about these two brothers. Herman, known as "the watchdog of Blue Island Council," has held this office for over twenty years and Dick Walsh is right behind him with about eighteen years' service. When men of this cliber retire from service they can't help but be missed. All that I can say about the above is: "Well done, good and faithful servants."

At our last meeting we had the pleasure of having Bro. Frank McMahon of San Salvador Council pay us a visit and he delivered with a very fine talk as usual. Come more often, Frank; we're always glad to see you. The lucky winners of golf tickets were Bros. Paetch, Klein, Schwartz and Harpst. Have your fun, boys.

Blue Island Council donated $10 to the City of Blue Island Citizens' Organization, a civic group formed to help the draftees from our city.

The wife of Ted Krick presented her hubby with a baby boy last week. Congratulations to Ted and the Mrs.

Don't forget to watch Blue Island Council's softball team play ball on Monday nights at the Stadium at 123rd and Western. Mgr. Creighton has the boys really going now, so let's support them. Watch the Blue Island papers for the time and dates they play, until we receive a schedule of their games, at which time we will print it in this column.

Well, I guess this winds up your scribe's term, as next week the new scribe takes over. I wish to thank all of you for your kind cooperation during the past year and I know you will continue to give your new scribe the same service.

Remember the early (Monday evening, June 30) deadline for next week's Columbian!

ETERNAL REST GIVE UNTO THESE THY SERVANTS, OH GOD

Oh, God, the Creator and Redeemer of all the faithful, give to the souls of Thy departed servants the remission of all their sins, that by the aid of pious prayer they may obtain that pardon which they have always desired through Christ, our Lord, who liveth and reigneth with Thee in the Unity of the Holy Ghost. Dearb'n Commends Members for Part in Barbecue Drive

The fourth annual Barbecue was climaxed on the 18th, and was most successful in every manner. It is impossible to express in words the tribute due each K. of C. for the individual co-operation extended. The men guiding this project should not pass unnoticed. They gave up their time and effort without question. Special commendation is due General Chairman Ludwig Strech, District Chairman Frank Small and Frank McGillen, General Secretary Jim Carney and our own Chairman Steve Ruff. These men worked hard to inspire success. Their constant urging stimulated record breaking achievements. And they deserve high praise and an individual salute from the members of the order.

Dearborn performed nobly. The council increased its successful work by more than ten per cent over last year. This was the result of co-operation as a unit, each member getting behind the chairman to bend every effort for the cause of the underprivileged. We succeeded admirably and the Council as well as the order has every reason to be proud and happy. Thus another year has rolled by and we can feel satisfied that through our work some of the needy receive succor.

Daily Degrees

Last meeting night marked the sponsorship by Dearborn of the exemplification of the first and second degrees in South Division No. 1. Dearborn conducted this initiation in honor of one of its outstanding brothers, Richard J. Daley, State Senator and Comptroller of Cook County. It was a splendid occasion for Bro. Daley and successful degree.

The work of the degree team was excellent and we extend our compliments to them. The entertainment and refreshments following the ceremonies was interesting and delicious. Dearborn's new members in this extra special class are: Frank Koss, Thomas D. Mulcahy, Z. J. Daucunas, John Kavanaugh, Richard E. Evoy, Jack Sansone, John Griffin, John T. Murphy, Frank A. Johnson, Vincent F. McCarthy and Thomas J. McCarthy. We welcome and congratulate these new brothers who so ably represent Dearborn and formed the Daley Honor Class.

Members and Membership

4th DEGREE: The annual Silk Hat Picnic was conducted last Sunday at Palos Woods South. A grand group of the members and their families turned out to enjoy the festivities. The committee headed by Fred Beyer provided games, prizes and refreshments for the little ones and we are certain that each child was well pleased and went home happy. Such affairs as these serve to bring a closer bond between the members and the families and the only mistake concerning them is that there are not sufficient of these get togethers during the year. Permit this column to congratulate the club and its committee for its untiring work.

R. I. P. We regret to report the death of the Mother of Rev. Bro. Edward McDonell. Dearborn extends its heartfelt sympathy to the family of the deceased on its severe loss. It is with regret also that we announce the death of Edward Hoffman, nephew of Bro. John Logan and Nick Hoffman. Our sincere sympathy is extended the family.

CURRENT EVENTS: The Holy Name Society of St. Ethelreda's is sponsoring a Carnival now in progress at 87th Street and Paulina. The event ends next Sunday, June 29, at which time a beautiful auto will be given away. DGK-elect John Downes is president and Bro. Rev. Woods is spiritual director, so let's all go Carnival.

New Pastor

Our brother, Rev. Peter Engeln, has been appointed pastor of St. Martin's Parish, 59th Street and Princeton Avenue, right in our own back yard. Father Engeln has been a member of Dearborn for many years and has actively conducted his membership, supporting the Council in all its pursuits. Until his new appointment our Reverent Brother was pastor of the church in Glen Ellyn, Ill. Father Engeln is a brother of another active Dearbornite, John Engeln.

Soft Ball

The following schedule of Dearborn's games is now published for your convenience:

July 3—Dearborn at Madonna
July 8—Dearborn vs Quigley at home
July 10—Dearborn at Dowling
July 17—Dearborn at Weber
July 22—Dearborn at Leo
July 24—Dearborn vs Madonna at home
July 29—Dearborn at Quigley
July 31—Dearborn vs Dowling at home
Aug. 7—Dearborn vs Weber at home

S.O.S.

Bro. Cashin takes pleasure in announcing the arrival of a new addition to the Cashin family. Congratulations and we hope mother and baby are doing well. St. James Council announce their annual picnic at Glenwood Forest Preserves near Glenwood, Illinois. Admission is free. To reach grounds travel by route No, 52. Now comes the time to take up a painful duty, but as we all know, good things must end. To get on with our Swan Song, your servant has been elevated to the position of Chancellor and must of necessity relinquish the post of scribe. It has been a very pleasant position and helped add numerous acquaintances and friends.

We thank the brothers for their courteous co-operation and trust we may deserve the same support in our new venture. We thank, also, the editor of the Columbian and his staff for their many kindnesses. Your new scribe is Bro. Frank Gerry. We trust you will co-operate with him the same as you did with the writer. Kindly contact him and furnish all news and tid-bits to him. Frank's address is 6635 South Kimbark and his phone is Dorchester 5552. Please contact Frank and help him in his new post. We know he will be successful for Dearborn.

Feehan Golf Tourney Continues Merrily On Keeping Experts Busy

2 & 4 Tues. . . . . Hamlin & Madison

The Feehan Council Match-Play Tourney goes merrily on, a good part of the first round matches having been completed. Here are the winners to date: Fogarty beat Jim Collins; Touhy beat Brophy; Crotty beat Reynolds; F. McQuillan beat Fitzgerald; A. Tamburrino beat Bill Collins; Malley beat Imhof; Dooley beat Hanley; Tom Collins beat Schoemer; Condon beat Edler; Morrissey beat Frank Tamburrino; Joe Collins beat Gorman.

Pairings in the consolation so far: Jim Collins vs. Joe Brophy; Tom Fitzgerald vs. Frank Reynolds.

CONGRATULATIONS

The Rev. William Fay, S.J., who celebrated his first Mass at St. Catherine of Siena Church last Sunday. Father Fay, who is a brother-in-law of P. G. K. Walter Brouder, enters the service of God with all the good wishes of the members of Feehan Council.

A WORD OF GREETING

To all the council members from Rev. Lawrence Keating. Capt. Keating, in a dispatch to Financial Sec'y Pop Edler, expresses disappointment at being unable to participate in the match-play tournament this year, the distance between here and Camp Forrest being too great for weekly commuting. Besides which the good Father's duties, which he explains are half military and half spiritual, allow him no time for his favorite game. Despite the hard work and long hours, however, we are happy to report that Father Keating is very fond of army life and extremely pleased with his work.

CONDOLENCES

Death came last Thursday to Mrs. Kathryn L. Collins, wife of P. G. K. Tom Collins and mother of Bros. Raymond and Thos. Collins, Jr. Mrs. Collins, never of robust health, had been bedridden for the better part of the past year, suffering repeated crises which continuously sapped her already diminished vitality. The members of Feehan Council join with her bereaved family in thanking God that she has been granted everlasting rest and peace.

LEADING OFF

The page of pictures of "beautiful children" in Sunday's Times, was none other than the very pretty and bright-eyed little Miss Jeanne Schoemer, daughter of Treasurer Bud Schoemer. Why must all these children take after their mothers?

A ROSE BY ANY

Other name carries an entirely different odor, according to Bro. Bill Kliesner, who apparently doesn't see eye to eye with the old Bard of A. Rather he leans to the school of opinion founded by P. T. Barnum, who may have been charged with the statement: "It doesn't matter what they say about you, so long as they don't misspell your name." (Well, somebody said it, so why not Barnum?)

In any event, Bill got up and challenged our version of the spelling of his name, and since we still have trouble with c-a-t, d-o-g, etc., we were sort of out on a limb. The depths of despair were beginning to overwhelm us, when who else but dear old Fogarty rose to his feet to defend us—claiming that we had never misspelled his moniker. This served to immediately restore our sang froid and we were about to appoint Bro. Fogarty our chief apologist when suddenly the horrible truth dawned upon us—howinell else could one possibly spell Fogarty?

BEST WISHES: To Bros. Marty Knowles, Rev. Jos. M. Wheeler, John V. Nolan, J. Emmet Morrissey, Howard A. Brundage, Dave Ryan, J. E. Burke, Bill Crowley and John Nash, whose birthdays occur this week.

To test the purity of coffee, place a spoonful of finely ground grains in a glass of water and stir it. The pure coffee grains will float; the impurities will sink to the bottom.

Hughes Softball Squad Moves to New Home Field

1-3 Tues. . . . . 4711 W. Madison St.

Installation of officers will take place at the next regular meeting, Tuesday, July 1, at the Madison Athletic Club. Show your interest by being on hand.

NEW SOFTBALL FIELD

Our softball players will henceforth play all their home games at Columbus Park diamond, at the southeast corner of Austin and Harrison street. Last Thursday we defeated Barry Council after a hard battle, in which Barry was leading 6 to 5 until in our last inning at bat, Dan Brown doubled to center and was held at second, while Roy Bergeron tapped to third; then Jim Shanahan doubled to left, scoring Brown. Harold Enright walked and Bill Kane, with the count one and one, doubled to right center to score Jim with the winning counter. This makes four straight for us and, although Conroy was hit hard, good support in the pinches brought victory. Joe Garvey slammed a homer in the first, while Bob Bergeron tripled and Brown and Kane had two hits.

Bob also starred afield. His one error was excusable, being offset by eight outs, most of them difficult.

GOLF DATES

First golfing get-together is July 13—for men only. The ladies' day will be August 10, and we trust the fair ones will jot the date down now.

Courses for these two dates have not been picked, but full details will be available in the next issue of The Columbian.

Peter M. Kelly's Tourney will be on September 14, at Westgate Valley Country Club—so please keep these dates in mind. Chairman Tom McDonnell announces he has picked PGK Pat Barrett as his co-chairman and Charles Geraghty, Harold Enright and PGK Elmer O'Brien.

On Ladies' Day Frank Kamper and Lou LePore will be chairmen of entertainment, assisted by DGK elect Jim Ryan in charge of movies. Joe Postilion will be official scorer of all tourneys. Get your cards to him after matches.

THE BARBECUE Committee report a fine success for our council. Full report will be available at July 1st meeting.

Congratulations to Brother Frank Svec, whose daughter was professed Saturday, June 21, as Sister Marie Ruth O.S.F., at Joliet, Ill.

BOWLING: Yes, sounds cool to read about bowling during this hot spell, but how do you think your bowling officers feel in their efforts to straighten out the matter of alleys when proper co-operation is not forthcoming? Fellows, contact your captain and insist that your interest be protected—in that way only can our league be assured of getting alleys and a night that will be at least satisfactory to the majority. Make that contact at once. Your secretary's phone is Austin 2303. Chick is at Merrimac 5052.

NO MEETING AFTER JULY 1, until AUGUST 5. In line with our regular habit, there will be but one meeting for July and August. Be on hand both nights—the first will be for installation, the other a snappy business session, with plenty of time to mix with your brother knights.

THE DEGREE TEAM of Hughes Council officiated for Damen Council last Thursday night, when 33 candidates were put through first and second degrees. PGKs Enright, Bannon, GK Postilion and Warden Carroll were very thorough in their work and were highly complimented by the large gathering.

Orders Donation to Bishop Sheil Fund Here Is $22,148.33

Barbecue Efforts Advance $2,395.92 Over Previous Record for Four-Year Total of $56,368.15

Last official act of Judge John F. Lett, Supreme Director, were introduced by the toastmaster and general chairman of the 1941 barbecue, Ludwig A. Streck, for short addresses.

PROGRAM HAS HEALTHY GROWTH

Undercurrent of the meeting's temper was the genuine pleasure expressed in the realization of the program's continued growth. The final donation of $22,148.33 this year was $2,395.92 greater than that of last year. Since the first affair in 1938 the barbecue has evidenced a healthy advance each year. The 1939 increase was $792.20, in 1940 it had moved ahead by $1,048.44 until this year the $20,000.00 goal was passed. A total donation for the four affairs now stands at $56,368.15.

Reflecting the increased donation, almost every council also reported an increase in their barbecue sales. La-Fayette lead all Chicago units with a total of 515 completed books. Others of the top ten in the order of their book sales were: Cardinal, De Soto, St. Cyr, Quigley, Calumet, Ketteler, Dearborn, Newman, and St. Francis.

St. Anthony de Padua Council led in the percentage of books sold per member with the all-time high of 1.2 per cent. Others of the top ten councils on a percentage basis are: St. James .71, Ouilmette .66, St. Cyr .64, St. Paul .60, Newman .56, St. Francis .54, St. Philip Neri .52, Chicago .47, and Illinois .46.

The all-time high previously set by Chicago Council with .56 was this year bettered by six councils. De Soto Council still holds the record for total books sold for all four affairs with 1,624. Lafayette, this year's champion, is second in the four year basis with 1,522 and Cardinal is third with 1,074.

Everybody's Happy as Barbecue Closes

If this were a talking picture its theme song could well be "We're in the Money," for the eighteen smiling individuals are the ladies and gentlemen who were awarded the capital benefits provided at the Fourth Annual K. of C. Barbecue here last June 18.

A donation of $22,148.33 representing the total realized by the local councils through their promotion of the barbecue was presented to His Excellency Bishop Bernard J. Sheil for the Underprivileged Youth Fund Monday evening.

St. Francis and St. Cyr Councils Gain Century Club Rank

Only Two of Local Councils Succeed in Adding Over 100 Members During Last Year

As the last day of the Order's fiscal year draws to its close, two Chicago councils, St. Cyr and St. Francis Xavier, stand at the head of all others in membership efforts, having attained the rank of the Century Club, the Order's honor rating bestowed on those units who have added 100 or more members to their rosters during the twelve months preceding June 30.

St. Cyr's Council is credited with 108 new members for the last year and St. Francis Xavier with 107. Only Kankakee Council in Illinois topped this record having initiated 118 members up to last Friday.

Both the Chicago units have shown that early organization plus a constant plan of action are the best means of attaining success. Each began its drive to the coveted membership goal early last summer and—without restricting any of the several other important council activities—maintained a steady progress in the campaign.

With the other exemplifications held during the past week and the major State Deputy Bolton Testimonial classes of last Friday all entered at the Supreme Office, the Illinois jurisdiction is expected to jump to third place in the list of those jurisdictions obtaining the greatest membership increases for the year.

Walt Crowe Posts 38-37-75 to Win the State Golf Crown

Arch. Quigley Foursome Takes Team Championship for Ninth Successive Year

Swinging four times less than he did in 1928 when he triple-tied for the Illinois Knights of Columbus golfing crown at the Columbian Country Club, Walter Crowe of Commodore Barry Council last week Wednesday came back to cinch his stake to the title with the championship score of 38-37-75. The winning round was only four strokes over par for the No. 1 course at Olympia Fields where this fourteenth annual state contest was run.

Crowe in dislodging Sid Smith, the defending champion, displayed the same fine form that carried him to the 1922 and 1923 Cook County Amateur Championship and enabled him to go through the entire 1924 season without defeat.

Second place honors were divided between Sid Smith and Johnny Krutilla, both of Quigley Council. Smith, off to a bad first round, came back for the second nine in a sub par of 34 and posted 42-34-76. Johnny Krutilla came through with 38-38-76.

Fourth place honors and the "Pat" Flanagan Cup went to Leo Slwinski of Tonti Council whose 40-37-77 round was ten strokes better than his try of last year.

Johnny Walker Downstate Champ

Downstate champion was Johnny Walker of Elgin Council who posted 40-37-77 six strokes over par and good for the Leo M. Flynn trophy. Second low gross and winner of the Raymond F. Gleason cup was Frank Jurasek of Rockford who scored 81.

Listing two former K. C. titleholders—Johnny Banks, the 1937 and 1938 king, and Sid Smith, the 1940 champ, Archbishop Quigley's foursome maintained its supremacy in the team event and took that title for the ninth successive year. Calumet's best effort netted them a total of 330, eighteen strokes over Quigley's score of 312.

Police Top Fire Fighters

The luck of the Irish held for the members of the police department foursome as they bested the firemen 304 to 320 in a special match for the Judge John F. O'Connell trophy. Sergeant Fritz Jordan paced his brother officers with a round of 37-37-74, while Frank McNamara brought in a 34-38-77; Frank Hayes, 36-41-77 and Jack Clifford, 37-39-76.

The firemen's foursome included Deputy Commissioner Anthony Mullaney, 40-40-80; Capt. Martin Haas, 40-41-81; Division Marshall Joseph Graham of the fire prevention bureau, 41-41-82 and Lieut. Gene Van Arkle, 38-39-77.

Rev. Father Michael Conway of St. Thomas Aquinas Council won the event restricted to the clergy with a round of 39-40-79 over the No. 3 course.

Some 700 other K. C. golfers toured the remaining two courses for other prizes. Wilford Wehrle of Tam O'Shanter, former Chicago district titleholder, dominated the scoring over

the No. 3 layout with a sizzling card of 34-35-69, one stroke under par, and seven strokes better than his old tutor, Matt Jans, Racine, Wis., professional who posted a 40-36-76. Jim Ferrier, who won the Chicago district amateur championship last year, is now professional at Elmhurst, featured the scoring over No. 1 course with a 35-34-69, three strokes under par. Posting a 35-36-71, Larry Witt of Blue Island was the low scratch scorer over the No. 2 layout.

RAY HARDT TAKES MORAN AWARD

About 800 of the golfers stayed on for the evening's banquet and participated in the distribution of the $2,000.00 prize list. Winner of the major special award, the John J. Moran $325.00 Silver Fox jacket was Ray Hardt of Thomas Aquinas Council. Almost as popular a trophy in this division is the Wilton rug annually donated by Walter P. Olsen of the Olsen Rug Company and won this year by a downstate Knight, Gus Alagus of Champaign, Illinois.

Two "long-distance" guests were introduced during the evening. Champion "traveler" was Edward Curtis, a guest of a Blue Island Council delegation who traveled all the way from Balboa, Panama, to attend the tournament.

Mr. C. C. Ziegler, a guest of Charlie O'Brien of the Charles Products Company also could claim some "flight" honors, for he flew all the way from Barnes Airport at Westfield, Mass., to Chicago in order to participate in the meet. Mr. Ziegler is a veteran tournament fan, having made similar journies each June for the past five years so that he could be with his Chicago friends at the K. of C. golf meet. There were thirty-two guests in Mr. O Brien's party.

In addition to the hundreds of prizes listed in last week's Columbian, two other awards provided by Charles Carroll Council and Commodore Barry Council and which were received too late to acknowledge in the last issue were awarded at the banquet ceremony.

Oak Park "Fours" to Sponsor Boat Trip on Wednesday, July 16

2-4 Mon. . . . 641 S. Scoville, Oak Park

The next big event on the calendar for the council is the boat trip sponsored by the Four's. This is a very popular outing and you will find the spirit very congenial. The date is July 16, Wednesday, and the ship is the City of Grand Rapids, leaving the south entrance of Navy Pier at 10:15, Chicago time, returning at 12:30 a. m. Be sure to get your tickets from any member of the Fours, or the Financial Secretary.

We welcome to full membership in the council and the Order, brothers, Father Loftus of Ascension Parish, Charles Beauregard, Leo Beauregard, and Joseph Beauregard, on their completion in good style of the major degree. The Beauregards are the sons of Bro. Leo T. Beauregard of the council.

Communion Sunday at St. Catherine's Chruch on the 29th brought out a fair summer group. but not as many as we have been accustomed to seeing. All went to breakfast at the clubhouse after the Mass and had a fine meal, listened to a few remarks and thence on their way. This was the first of the official acts of the new Grand Knight, Joseph Cagney, and the Lecturer, Harold DuChateau. They did finely and we ask the support of the members for the future activities.

A piece of fine news that nearly got by was the wedding on June 21st at Ascension Church of Isabel A. Breen, daughter of Edward Breen of Oak Park Council, and Joseph B. Stucker. Mr. Stiucker's work takes him to Wilmington, Delaware, so the young couple will reside in that section of the country. Our best wishes for a long and happy married life to these newlyweds as they start out together.

William Bosley, son of our Treasurer, had a minor operation recently and is around feeling pretty well again. Our apologies that we nearly missed this bit of news.

The railroads say that the travel this year is the greatest in history, but the postcard business at the Scribe's desk is very bad. If you take a trip make sure of two things: first see the Financial Secretary about your dues and assessments and, second, send a postcard to the Scribe.

All hands out for the picnic to be held the first Sunday after Labor Day. This will be a great big event, the biggest in the history of the council. Lay your plans toward your attendance and enthuse all of your borther knights. Bring your friends, start now to get their consent to coming out, then other arrangements will not interfere.

The summer season is usually filled with news, but due to the inactivity around the clubhouse the matter of securing it is more difficult. If you have an item of news please 'phone the Scribe. The number is Euclid 4006-W.

Carroll Installs New Officers at July 15 Meeting

Next meeting July 15 . 6 N. Hamlin Ave.

Tribute for the admirable work done by the officers of the fiscal year ending June 30 merited the return of these "pillars of knighthood" to their respective posts for the next year. Carroll Council winds up its "all-out program" of the fiscal year with a splendid record and begins the new with "a vote of confidence" to the officers to continue anew the remarkable record set for themselves.

The officers to be inducted are: Grand Knight, James J. Crosby; Deputy Grand Knight, Robert O'Day; Chancellor, Edward J. Whelan; Recording Secretary, George F. Rauh; Treasurer, Frank O. Hubbard; Warden, Joseph J. Bradley; Assistant Warden, George J. Hunt; Inside Guard, Ted Gavlin; Outside Guards, C. V. Ryan and Matthew F. Shea; Advocate, Don Ryan; Trustee (3 years), Joseph A. Lang; Delegates to the Chicago Chapter, K. L. Torgeson, Frank Griffith, Sr., and William E. McNamara; Delegate to the State Convention, P. G. K. and D. D. John F. McNamara; Alternate to the Delegate, Daniel J. O'Connell; and Alternate to the Grand Knight, P. G. K. Joseph J. Byrne. Appointed officers are Financial Secretary, Michael P. Martin (11th year); Chaplain, Rev. John S. Kennedy, O. P. (2nd year), and Lecturer, Ken L. Torgeson (1st year).

Standing committees to man the various important functioning parts of the "Five Point Program of Progress" will be selected and approved by the officers at a meeting to be held in the very near future.

AIM FOR NEW HEIGHTS

Carroll Council's new officers recognize the responsibilities placed in their hands for another year and are, therefore, greatly concerned that each and every member "get behind" them to make the weight and influence of the Council felt throughout the Order in every undertaking of the Council. The support of the membership is the ALL-IMPORTANT factor of every need of every Council. With this inspiration, the members 100 per cent mobilized in the Council, there can be but only one possible result—COMPLETE SUCCESS

Then, as a bit of encouragement, your presence will lend a great hand to these men who have the job of shaping the destinies of YOUR COUNCIL for the ensuing year. DO NOT FORGET THE DATE—TUESDAY EVENING, JULY 15, at the Midwest A. C., 6 North Hamlin avenue. After the elaborate induction ceremonies, which are always an attraction to the membership, the meeting will then close and the "social-good time" will begin. A "big surprise" is planned so do not forget to come up. MARK THE DATE ON YOUR FAVORITE CALENDAR (but, better still, tell your little woman, she may be the best reminder you have—no doubt.

INTRA-COUNCIL SPORT

Joe Bradley and his committee of workers are planning a golf tournament for the Council within the next few weeks and any of you "potential" golfers who feel that you'd like to get out and try your luck at the game are cordially invited to join the other boys. Experts are "non-essential" and if you think your golfing is a bit "under the weather" well let's see if you can improve it. A tentative date has been set for July 27 (Sunday) and the place White Pines Country Club (probably). At any rate, you will have all the details at the next regular meeting, July 15. As in previous years, the "19th hole" will be an attraction to many of the boys, who do not care to play the game. If you don't play, come on out as a spectator. You'll enjoy it equally as well (we know).

Bowling—An "addressed-reply postcard" will be mailed to each and every prospective bowler within the next week, according to the bowling officers, who are trying to line up the various teams for the next season. Bowling will be played on the "maples" at Cinderella alleys, 5612 West Madison street on Friday evenings at 9 o'clock. Over sixty members are being contacted and your prompt reply is earnestly requested.

Sponsors are being "signed on the dotted line" and everything is taking shape for the opening date. Your bowling officers are Edward L. Baker, president; Tim Ryan, vice-president; and Joseph J. Bradley, secretary-treasurer. Any member who is not contacted, through the mails, and desires to bowl, please get in touch with any of the officers and they will be only too glad to have you in the lineup among the "regulars."

SOFT BALL PLAYERS

Carroll played Lafayette on June 19, losing a good game to a good team of fellows. George Hunt gave a good exhition at catching but even with this, the Carroll boys couldn't "break."

Carroll played the "champs" Hughes Council on June 24 and much to the surprise of everyone, Carroll came up with their first win of the season. The score was 2 to 1. Dave Burke pitched a four-hit game against that powerful Hughes team. The defensive playing of Dan Loftus, Jim McNamara, Ed Aubin and Charlie Boland cinched the game for Carroll. Fine playing was also seen in Wally Kirby, Tim Ryan, Charlie Rauh, E. White, and John McCann. Charlie Boland is leading the Council with a hitting average of 800. Carroll team came down with defeat playing Barry Council on June 26.

More of the members should come out to witness these games, if they want to see some sincere and honest sportsmanship, fine fraternalism, and action. Mgr. C. V. Ryan is to be complimented for his excellent work with the team and bringing them out to every game.

The following is the schedule for July:
July 3—Carroll vs. Lafayette.
July 8—Hughes vs. Carroll.
July 10—Barry vs. Carroll.
July 17—Carroll vs. Lafayette.
July 22—Hughes vs. Carroll.
July 24—Barry vs. Carroll.
July 29—Carroll vs. Lafayette.

The games are played at the challenging team's home field. Carroll's field is at 5000 West Harrison street; Barry's is at Columbus Park, Austin and Harrison streets; Lafayette's is at Grand avenue and Long avenue; and Hughes' is at Kostner avenue and Fillmore street.

MEETING DURING SUMMER

According to a motion made at our previous regular meeting, during the months of July and August, the membership will meet only once during the month—on the third Tuesday. Regular semi-monthly meetings will resume in September.

Many of the members will be going on their vacations to important spots throughout the country and to help keep the membership informed, your scribe asks that you drop him a card or two. Address K. L. Torgeson, 4020 W. Lexington street or the Midwest Athletic Club, Chicago. A post card was received from Joe V. Powers. He advises that his new address is Pvt. Joseph V. Powers, Co. C, 108th Engineers Combat, Camp Forrest, Tenn. Any members desiring to write him may contact him there.

PLEASE NOTE—Recorder George F. Rauh advises that if any member is not receiving The Columbian or The Columbia that they should contact him at Mansfield 2188. A number of the members have moved within the last two months and as a result have not been receiving their copies.

Madonna's Mutter Boy Is Back Home Again After Short Sentence(s)

2-4 Fri. . . . . 4624 Emerald Ave.

Back to the city this week, and the first thing striking our eyeball is an early deadline notice plus a cute little reminder from Randolph St.

And, of course, while we were away Madonna's column got pretty well hashed up by someone who didn't write it. Can you imagine Pat Noonan having a "gravy menu" at the election when he should have had a grave mien? But what can you expect with McKinley in the White House?

THE BEST NEWS

heard since returning is about the softball team, which Manager Jim Casey has whipped into shape. A week ago they lost a tight game to Quigley's contingent, leading until the final inning, when Quigley snared two runs, putting Madonna on the short end of a 6 to 7 score, Pat Smith's home run notwithstanding.

	1	2	3	4	5	6	7—R	H	E
Madonna	0	1	1	2	0	2	0—6	11	0
Quigley	0	2	0	0	1	2	2—7	14	1

Better news was Madonna's Foreign Legion team defeating Leo's fighting Irish by a score of 4 to 0. It probably would have been better, but those three Hindus—Mitchell, Carmody and Barry—got their signals crossed with our two Russians—Storie and Meagher. The Mitchell heir was along to watch the old man, which may had had an effect on Jimmy.

THE DIRTY WORK

Ramus, ss	0	0	0

Highlights of the game were the three-hit pitching of Goldrick and Howie Meagher's three-bagger.

Leo	0	0	0	0	0	0	0	—0	3	1

Next week the team will blossom out in their new uniforms of blue and gold, according to Mgr. Jim Casey, who opines that the boys will look (and, we hope, play) better in them.

DON'T FORGET

the Golf Tournament at Glen Eagles on Sunday, July 20th. Golf, dinner, ginger beer and trophies for $2.75 is a bargain at our special wholesale price.

They're giving away a beauty of a Buick, which naturally we won't win. to pen this, but we must. For the past six years Fathers Charles Burke and Richard O'Donnell, assistants at St. Gabriel's have been ardent Madonites, despite the fact that Father O'Donnell was a member of, we believe, Dowling Council.

Ravenswood Can't Find Names of New Chapter Delegat

1-3 Wed. . . . . 1521 Wilson A

Last week ye scribe rashly promi to give the names of the three broth elected delegates to the chapter at election. Doubtlessly it is unfair to of the gentlemen that so far success eluded the writer in his attempt to le the identity of all three delegates-el In order that no one be slighted by on sion of his name, publication of such be put over until next week. Besi during the summer season, due to fact that we have only one council m ing each month, news is slightly on scarce side. So it is somewhat of a h to be able to spread the news out to

Our next council meeting will in a la part be given over to the installation officers for the coming year. Keep evening of July 16th in mind, for all old officers would like to have a la number of members on hand for the evening of G.K. Morgan's present ten of office. It will also be a great mo builder for the incoming G.K., Mike C to have many knights there to wish success in his coming year of leaders

July 16th is also an important date another reason, it is the day before venswood's annual golf tournament. T year's tournament will be held at Crystal Lake Golf Club, July 17. M Metzger is not only defending champ but also chairman of the tournam committee. In the past it has been c tomary for many of the non-golfing m bers of our council to meet the ot after the afternoon's play has been c cluded, in order that many could h dinner together and altogether enjo day and evening of diversified entert ment. Official announcement has been made to the effect that such will the case, but the news should be fo coming soon. Golfers and non-golf alike, please remember July 17th, the d of Ravenswood's golf tournament get-together.

As soon as these notes are fully pared and in the hands of The Col bian's editor, ye scribe will be mak tracks for the Palmer House and annual K. of C. Barbecue Victory B quet. G.K. Charlie Morgan and Tru Peter Farrow will lead our delegat News of the doings in next week's tion.

Remember, all vacationists, includ card to Wally Mann, 1528 Berteau A among the "musts" of your stay a from Chicago. Your council brothers interested in your trips and vacation ings.
